Eliot,

I spoke to Alan Rose yesterday and will call you later today when I finish in Court to discuss the below.

We filed a Lis Pendens, the one Colin took for consideration months ago but it was probably improperly filed. However, I think the Estate needs to file one or something similar for the personal properties in that home that appear to be being sold with the house with no authorization from Estate beneficiaries to sell the items. As well, this appears an attempt to confuse and prevent the re-inventorying ordered by the Court in further efforts to cover up the alleged theft of the items from Simon's estate. Will the Estate be filing a new motion to compel the inventorying and preclude any sale until we have that fully resolved? Joy you stated in our last meeting that you were filing a new motion to comply with the court ordered inventorying so it might be a good time, especially where we now have information that they may have improperly sold items from Tescher's deposition that contradicts Ted's claim to the Court that all the items are in the Lions Head home from Shirley. It is remarkable they are trying this sale with a trust construction pending, a removal of Ted pending in Shirley's trust and a stayed counter complaint pending that all involve the home and properties. We also have similar claims of criminal misconduct regarding Ted and the prior PR's in Simon's estate regarding the personal property and this attempted sale will just compound problems for everyone. Let me know what you intend to do regarding these motions and hearings filed by Alan and in regards to safe keeping the personal properties, he has scheduled a hearing for 3/25/2015 at 8:45am.
