We are reviewing the information you sent us on the Shirley tangible personal property. Once our review is complete, we will determine what steps need to be taken, which I assume will be the filing of some type of petition with the Court.

Joy what are we doing about filing on the stolen properties from the Condo? I thought you were going to take steps to notify court and sheriff of theft of Personal Properties. I don't think we should sell anything as we don't know who the bene's are yet and so it seems bizarre to operate off documents we are not sure are valid at this time. Please let me know ASAP. Thanks

Yes, we filed a petition for instructions. We did not call it an emergency petition for the reasons we discussed previously. We have set it for hearing this Thursday at 8:45am.

Hi Joy, are you filing the urgent motion for instructions on the 100,000.00 emergency loan we spoke of and you were going to file last week, not the stuff regarding the claims? eb
