That was a different court order. Nothing is set in stone, however, we are trying to go sometime this week.

When are you going to the home and when are you going to the office. Also, I was allowed to come by Court Order to the house for the inventorying and stay outside the home, as was Ted. Will Ted be violating the court order? Eliot

That is what I wanted to talk to you about. Ted has objected to your being at the house absent a court order. As such, two people from my office will be going to the St. Andrews house and will catalogue the home office records. Once that is done we can set up a time to discuss same.

Best,
