Secret Bush-Clinton-Federal Reserve Pakistani Accounts Revealed

Tom Heneghan

May 11, 2009

UNITED STATES of America - It can now be reported that the recent resignation of former New York Federal Reserve Bank of New York Chairman, Stephen Friedman, signals an expanding investigation of New York Attorney General Andrew Cuomo, who is not only focused on the massive New York state financial derivative Ponzi Scheme, but is now centered on money laundry, and possible funding of alleged terrorists in Pakistan.

Note: Cuomo was recently in a state of shock when he looked at new evidence linking Citibank, J. P. Morgan, Goldman Sachs and AIG, to not only a terrorist money laundry in Pakistan, but to evidence tying all of these aforementioned brokerage firms and the Federal Reserve itself to PRE 9/11 knowledge, which allowed them to profit with put options and short positions placed before 9/11.

This allowed these criminal brokerage firms to benefit from the death of near 3,000 in New York City.

Reference: Friedman, who still sits on the Board of Goldman Sachs, has been recently cooperating with the New York Attorney General, but as you will find out in the rest of this briefing, Friedman has been playing both sides against the middle and is now involved in espionage double-cross.

Sources close to Defense Intelligence and the National Security Division of the U.S. Department of Justice, as well as European INTERPOL, have actually fingered Friedman as the bagman for the Bush-Clinton Crime Family Syndicate involving *illegal* wire transfers of TRILLIONS of dollars of STOLEN U.S. Treasury funds that were laundred through Goldman Sachs brokerage firm in New York City, the Federal Reserve Bank of New York, the Israel Discount Bank and the Federal Reserve itself to the Israeli Bank Leumi in Tel Aviv onto *secret* U.S. national security accounts in Pakistan.

Note: Assisting Friedman in looting the U.S. Treasury (the back end of the toxic derivatives) is a Pakistani national who is a joint U.S.-Pakistan CIA Intelligence officer with the initials " K.H. "

KH, who was presumed dead by many in the intelligence community, including Stephen Friedman, is now cooperating with European INTERPOL.

Note: Early Saturday morning on May 9, 2009, foreign born *alleged* President Barack Obama ordered a missile attack near the Pakistan-Afghanistan border, which was was an *alleged* attack against so-called Al Qaeda terrorists.

We can now report that it was daddy Bush and his little bitch, Bill Clinton, that ordered Obama to launch the attack given reports that the whistleblower KH was in the vicinity.

Clearly, folks, this was not an attack on terrorists but an assassination attempt on KH that failed.

KH has fingered Stephen Friedman, former Federal Reserve Chairman Alan Greenspan, along with former President George Herbert Walker Bush, former Pakistani President Pervez Musharraf in setting up these *secret* CIA proprietary accounts in Pakistan tied to none other than the late alleged 9/11 terrorist aka patsy CIA employee Tim Osman aka Osama bin Laden.

Note: Bin Laden, who died of kidney failure in December of 2001 and was a cosignator on these accounts, is claimed to still be alive based on the U.S. media's big lie that he is still wandering the hills of Afghanistan.

Believe this, folks, he is dead as a door nail!

Should bin Laden's death be reported, the IRS would have immediate access to these *secret* accounts that now have rotating access codes aka electronic serial combinations based on biblical chapters and verses.

The Pakistan money laundry has been a piggy bank for the Bush-Clinton Crime Family Syndicate since the 9/11 attack on America.

These accounts have now been frozen by the World Court and the International Monetary Fund (IMF) given the cooperation of the now whistleblower KH in handing over the account numbers and access codes aka the biblical chapters and verses that have now prevented daddy Bush, Bill and Hillary Clinton, along with former Federal Reserve Chairman Alan Greenspan from getting into these accounts.

Reference: It has been reported that the Pakistani government refused Barbara Bush, wife of former President George Herbert Walker Bush, and Andrea Mitchell, wife of former Federal Reserve Chairman Alan Greenspan, and Chelsea Clinton, daughter of former President and daddy Bush's little bitch, Bill Clinton, entry into Pakistan.

- Reference: It was Chelsea Clinton that used funds from a Goldman Sachs hedge fund to arrange the BRIBING of New York Governor David Paterson in order to keep Caroline Kennedy from being appointed the next New York Democratic U.S. Senator.

It is clear now that former Federal Reserve Bank of New York Chairman, Stephen Friedman, is caught in a double cross.

Friedman had been cooperating with the New York state investigation while at the same time keeping secret the existence of these secret Bush-Clinton Crime Family Syndicate's accounts in Pakistan, which now not only have a possibly link to the Bernard Madoff Ponzi Scheme but to the funding of *alleged* worldwide Al Qaeda terrorists as well as the 9/11 attack itself.

He clearly thought that KH had died - well he is clearly alive and kicking, folks.

P.S. At this hour the Obama Administration is ignoring a French Intelligence warning of a possible FALSE FLAG terrorist attack that would be staged in New York City around the Broad Street area aka the location of the Goldman Sachs brokerage firm.

We can now divulge that there are tape recorded conversations involving current White House Chief of Staff and former head of the North American Israeli Mossad, Rahm Emanuel, and current Israeli Prime Minister Benjamin Netanyahu, concerning the existence of certain files, documents and computer downloads currently held at Goldman Sachs that involve former Federal Reserve Bank of New York, Chairman Stephen Friedman, the Bernard Madoff Ponzi Scheme and the secret money laundry from the U.S. to Israeli to Pakistan.

French Intelligence sources have, once again, identified certain alleged Al Qaeda types that are linked to the noted 9/11 Israeli Mossad's Urban Moving Systems espionage group, that is still operating in New Jersey, and have been recently photographed outside the New York financial district.

P.P.S. At this hour there is NO Justice Department as the Obama Administration continues to allow Bush Clinton Crime Family Syndicate rule over the United States.

The *bought and paid for* U.S. Congress, along with the Department of Homeland Security (DHS), continue to run rampant in attempts to attack the American People.

For example, DHS Secretary Janet Napolitano, who has lunch on occasion with former DHS Secretary Michael Chertoff, still has a terrorist watch list that includes enemies of Karl Rove aka former Democratic Alabama Governor Don Siegelman.

Napolitano and Chertoff have also put together a list called the "Domestic Extremist Lexicon", which classifies individuals as terrorists if they do not agree with corporate, fascist media versions of events.

Not to be left out, radical feminista and tribalist Congresswoman Linda Sanchez (D-CA), is sponsoring legislation (H.R. 1966), which would allow the government to censor the internet if it was determined that internet bloggers brought "emotional distress" to alleged individuals that were being criticized.

Ms. Sanchez is also working on legislation, which would allow the 2nd Amendment rights of the American People to be infringed on should a DHS oversight panel decide that an individual American citizen might be a terrorist and therefore be unable to buy a firearm.

Clearly, according to Ms. Sanchez, if you are critical of Ms. Sanchez you are therefore a "terrorist".

Ms. Sanchez, who favors the illegal invasion of the United States by illegal aliens from Mexico is the REAL terrorist and a THREAT to our U.S. Constitution.

Call the DHS and tell them you have identified a terrorist in our Congress:

Final note: I want to make it clear to all of our loyal readers that the Bush-Clinton-Federal Reserve Crime Syndicate is desperate.

We, the American People, have uncovered the truth about their TREASONOUS activities. So, their next step aka the Swine Flu will be to attack us.

Daddy Bush and his little bitch, Bill Clinton, are sociopaths. They are loosing their money and their power and the U.S. Military has told foreign born alleged President Obama that they will not tolerate him enabling any more of this TREASON.

Again, folks, prepare for revolutionary mode. The best defense is a great offense.

We will do whatever is necessary to save our U.S. Constitution, our beloved Republic, our freedoms and our American way of life and remove these TRAITORS from American soil.

...

We announce to the criminal government and its criminal corporate media enablers: **YOU ARE TOO CORRUPT TO CONTINUE!**

We, the American People, who are well armed, will be victorious!

* * * REMEMBER * * *

The orders of the day for ALL patriots as we continue to identify the enemies of the American Republic and the American Revolution in the 21st Century and eradicate them:

Oath Keepers: Orders We Will NOT Obey

<http://oath-keepers.blogspot.com/2009/03/oath-keepers-declaration-of-orders-we.html>

When it comes to the enemies of the American Republic and the American Revolution in the 21st century, we dedicate ourselves to the 2nd American Revolution and making these enemies a memory.

We must remove them from American soil, and DO IT NOW!

Overlord at Yorktown remains relentless and victorious.

At this hour, we live free or die as Lafayette remains at Brandywine and Albert Gore Jr. remains the year 2000 duly elected, non-inaugurated, REAL natural born President of the United States.
