

Conflict of Interest Disclosure Form

Please accept and **return signed** the following Conflict of Interest (COI) Disclosure Form before continuing further with adjudication, review or investigation of the attached **Judiciary Committee Presentation and any materials relating to Eliot Bernstein and or the Iviewit companies as listed herein, failure to comply may result in criminal and civil charges against you.** This Conflict of Interest Disclosure Form is designed to ensure that the review and any determinations from such review of the enclosed materials will not be biased by any conflicting financial interest or any other conflicting interest by those reviewers responsible for the handling of this confidential information with the main alleged perpetrators of the alleged crimes in these matters.

Disclosure forms with "Yes" answers to any of the following questions are requested not to open the remainder of the documents or opine in any manner and instead forward the matters on to the next available reviewer that is free of conflict that can sign and complete the disclosure. Please identify conflicts that you have in writing upon terminating your involvement in the matters. As many of these alleged perpetrators are large law firms, members of various state and federal courts and officers of federal, state and local law enforcement agencies, careful review and disclosure of any conflict with those named herein is pertinent in your continued handling of these matters.

As these matters involve claims of conflicts, violations of public offices, interference with complaints in Supreme Court of New York agencies, coercion, document destruction, obstructions of justice, including being related legally in a lawsuit by Federal Judge Shira A. Scheindlin to a Whistleblower Lawsuit who alleges similar claims against Supreme Court of New York and possibly others, conflict disclosure is formally requested herein from any party with involvement accepting documents related to these matters. Please take this as a formal request for full conflict disclosure on your part, such request conforming with all applicable state and federal laws, public office rules and regulations, attorney conduct codes and judicial cannons or other international law and treatises.

Failure to comply with all applicable conflict disclosure rules, regulations and laws prior to continued action on your part **will be cause** for the filing of complaints against you for any decisions or actions you make prior to a signed Conflict Of Interest Disclosure Form with all applicable regulatory agencies. Complaints will be filed with all appropriate authorities, including but not limited to, Public Integrity Officials, Judicial Conduct Officials, State and Federal Bar Associations, Disciplinary Departments and all appropriate law enforcement agencies for failing to follow well established rules and regulations governing public office conflict, rules and regulations governing attorney conduct conflicts, judicial conduct cannons and law.

Judicial Cannons

Canon 1. A Judge Should Uphold the Integrity and Independence of the Judiciary

[1.1] Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence of judges. The integrity and independence of judges depends in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law, including the provisions of this Code. Public confidence in the impartiality of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violation of this Code diminishes public confidence in the judiciary and thereby does injury to the system of government under law.

Canon 2. A Judge Should Avoid Impropriety and the Appearance of Impropriety in All Activities

(A) A judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

[2.2][2A] The prohibition against behaving with impropriety or the appearance of impropriety applies to both the professional and personal conduct of a judge. Because it is not practicable to list all prohibited acts, the proscription is necessarily cast in general terms that extend to conduct by judges that is harmful although not specifically mentioned in the Code. Actual improprieties under this standard include violations of law, court rules or other specific provisions of this Code. The test for appearance of impropriety is whether the conduct would create in reasonable minds a perception that the judge's ability to carry out judicial responsibilities with integrity, impartiality and competence is impaired.

Canon 3. A Judge Should Perform the Duties of the Office Impartially and Diligently

(B) Adjudicative responsibilities.

(1) A judge shall be faithful to the law and maintain professional competence in it. A judge shall not be swayed by partisan interests, public clamor or fear of criticism.

(2) A judge shall require order and decorum in proceedings before the judge.

(D) Disciplinary responsibilities.

(1) A judge who receives information indicating a substantial likelihood that another judge has committed a substantial violation of this Part shall take appropriate action.

- (2) A judge who receives information indicating a substantial likelihood that a lawyer has committed a substantial violation of the Code of Professional Responsibility shall take appropriate action.
- (3) Acts of a judge in the discharge of disciplinary responsibilities are part of a judge's judicial duties.

(E) Disqualification.

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned

[3.11][3B(6)(e)] A judge may delegate the responsibilities of the judge under Canon 3B(6) to a member of the judge's staff. A judge must make reasonable efforts, including the provision of appropriate supervision, to ensure that Section 3B(6) is not violated through law clerks or other personnel on the judge's staff. This provision does not prohibit the judge or the judge's law clerk from informing all parties individually of scheduling or administrative decisions.

[3.21][3E(1)] Under this rule, a judge is disqualified whenever the judge's impartiality might reasonably be questioned, regardless whether any of the specific rules in Section 3E(1) apply. For example, if a judge were in the process of negotiating for employment with a law firm, the judge would be disqualified from any matters in which that firm appeared, unless the disqualification was waived by the parties after disclosure by the judge.

[3.22][3E(1)] A judge should disclose on the record information that the judge believes the parties or their lawyers might consider relevant to the question of disqualification, even if the judge believes there is no real basis for disqualification.

Canon 4. A Judge May Engage in Extra-Judicial Activities To Improve the Law, the Legal System, and the Administration of Justice

Canon 5. A Judge Should Regulate Extra-Judicial Activities To Minimize the Risk of Conflict with Judicial Duties
