To all addressed parties in the TO field, please take this Formal Written Complaint and immediately begin formal investigative procedures. If you are already investigating the Iviewit matters, please include this complaint in your ongoing file for the Iviewit companies complaint and those of Inventor, Eliot I. Bernstein. I have attached a signed PDF file that is fingerprinted as the formal complaint to docket and have attached a Word doc unsigned for reading convenience and to access the hyperlinked exhibits with greater ease. Due to Whistleblower allegations of document destruction regarding prior complaints filed with certain departments, as evidenced in the complaint, please print each and every exhibit referenced via URL's in the attached document as part of the permanent record to this complaint. As these matters and investigations are part of an ongoing US Patent Office investigation and central to protecting the inventors' rights please maintain this Formal Complaint and all Exhibits for a period of no less than twenty years or until the issues have been fully resolved by all investigatory agencies worldwide. If you have any questions or need additional information, please feel free to contact me directly, my personal contact information below. Please confirm receipt of this message and all attachments and please note to sign the conflict of interest disclosure embedded in the document as Exhibit 2, prior to any action on your part.

Thank you in advance for your time, effort and consideration of the Time Sensitive Matters ~ Eliot Bernstein
