Re: Follow-up and Summary of Conference Call on Thursday March 18, 2010 with Howie Katz, Special Assistant to Governor David Paterson

Dear Special Assistant Howie Katz and First Assistant Counsel David Weinstein:

I, Eliot I. Bernstein, am writing to follow up on a conference call I recently had with Special Assistant to Governor Paterson Howie Katz on Thursday March 18, 2010 with Patrick Hanley, Richard Kuse and Kevin Hall, Esq. also on the conference call.

After speaking with Mr. Katz, he indicated that he would be contacting Mr. Weinstein as First Assistant Counsel, in furtherance of the issues discussed during the call which came several days after I spoke with Narda in the Executive

Chamber who directly spoke with Governor Paterson whom recommended that we speak with Mr. Katz as a starting point. Mr. Katz felt that the matter was beyond his scope as a Non-Attorney and stated Mr. Weinstein would be contacting us shortly, this letter to help aid your efforts in expectation of your call.

As indicated to Mr. Katz, my Multi-Count 12 Trillion Dollar Federal Rico and Anti-Trust lawsuit has been marked legally "related" to the federal Whistleblower lawsuit of Christine Anderson, a former inside Staff Attorney at the NYS First Department Appellate Division Discipline Committee who exposed rampant Whitewashing and corruption during her live testimony in the federal district court of the US Southern District of New York before US District Judge Shira Scheindlin. US District Judge Scheindlin is the federal Judge who marked my case legally "related" to the Anderson Whistleblower case.

The legally related cases or those seeking relation to Anderson are as follows:

Related Cases to Whistleblower Anderson @ New York Second Circuit

1. 08-4873-cv United States Court of Appeals for the Second Circuit Docket Bernstein, et al. v Appellate Division First Department Disciplinary Committee, et al. - TRILLION DOLLAR LAWSUIT
2. Capogrosso v New York State Commission on Judicial Conduct, et al.
3. Esposito v The State of New York, et al.
4. McKeown v The State of New York, et al.

Related Cases to Whistleblower Anderson @ US District Court - Southern District NY

5. 07cv09599 Anderson v The State of New York, et al. - WHISTLEBLOWER LAWSUIT which other cases have been marked legally "related" to by Fed. Judge Shira A. Scheindlin
6. 07cv11196 Bernstein, et al. v Appellate Division First Department Disciplinary Committee, et al.
7. 07cv11612 Esposito v The State of New York, et al.
8. 08cv00526 Capogrosso v New York State Commission on Judicial Conduct, et al.
9. 08cv02391 McKeown v The State of New York, et al.
10. 08cv02852 Galison v The State of New York, et al.
11. 08cv03305 Carvel v The State of New York, et al.
12. 08cv4053 Gizella Weissshaus v The State of New York, et al.
13. 08cv4438 Suzanne McCormick v The State of New York, et al.
14. 08 cv 6368 John L. Petrec-Tolino v. The State of New York
15. 06cv05169 McNamara v The State of New York, et al.

Mr. Katz was informed that both Pat Hanley and Richard Kuse who were on the conference call had also previously testified before the NY State Senate Judiciary Committee along with myself in hearings conducted on corruption matters

in New York on Sept. 24, 2009 in New York City. A Link to my Testimony before the State Senate Judiciary Committee is provided as follows:

- October 05, 2009 Prepared Statement of Eliot I. Bernstein of Iviewit to New York Senate Judiciary Committee John L. Sampson Regarding Trillion Dollar Iviewit Federal Lawsuit Naming Proskauer Rose, Foley & Lardner, IBM, Intel, SGI, Lockheed and More

- June 08, 2009 Judiciary Committee Hearing with link to Whistleblower Anderson Testimony, Anderson is the second speaker @

http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player_embedded

My 12 Count 12 Trillion Dollar federal suit was fully announced to the Senate Judiciary Committee during the hearings on this date, with Senator Sampson, Senator Maziarz of Niagara and others present, all members of the Committee have been apprised of the hearings and supplemented with evidence of the illegal activities of the AG's office and have recommended a task force be initiated to deal with elements exposed during the hearings.

The NY State Attorney General Andrew Cuomo's Office has been fully apprised of my lawsuit, with predecessor Eliot Spitzer and the AG's office Defendants in my lawsuit and in fact one of the very purposes of my call to Governor Paterson's Office is caused by the inherent Conflicts of Interest raised by the AG's Office of Andrew Cuomo simultaneously being a Defendant in my federal RICO and Anti-Trust lawsuit while simultaneously representing both personally and professionally multiple State Officers and Agencies including Judges and Clerks of the NY State First Department and Second Department Appellate Divisions and former NY State Chief Judge of the Court of Appeals Judith Kaye in violation of his public office and honest service duties. With AG Cuomo's office representing the accused public officials that his offices should be investigating on behalf of the People of New York, the accused are shielded from prosecution through the Conflicts creating Title 18 Obstructions to Justice in a plethora of Corruption cases.

Supporting wholly the argument that Andrew Cuomo's office is illegally representing State Defendants in violation of his public office duties and honest service duties, almost identical to my claims, is the Whistleblower Christine C. Anderson's claims, as Anderson now is seeking a rehearing based on AG Cuomo's illegal representation of state defendants both professionally and personally and more, again through a tangled web of illegal Conflicts of Interest that similarly block due process by precluding investigation of those public officials fingered by Anderson, again acting as an Obstruction of Justice. The illegal representation again providing a shield from investigation for the public officials accused, as Cuomo again cannot investigate those he is defending even when fingered by an insider, despite his legal obligations of his office duties. Anderson's filing outlining the AG's illegal representation can be found

Further, Special Assistant Katz was advised that AG Cuomo and others may be "hiding" and secreting the Massive Liabilities to New York State presented by my lawsuit alone which involves massive fraud and theft of the Iviewit Technologies which are used on the Hubble Space Telescope, across all internet service providers hosting video, all

digital cable transmissions, for a mass of Defense Applications, Medical imaging devices, video conference calling, cell phone video applications, gaming and more also implicating major connected and high powered law firms regulated in New York, Florida, Virginia and by the Federal Patent Bar, including Proskauer Rose and Foley & Lardner and more.

Pat Hanley who was on the call and who testified before the NYS Senate Judiciary on Sept. 24, 2009 is an assistant to Suzanne McCormick who also has a federal case that was marked legally "related" to the Anderson Whistleblower case as Suzanne McCormick's case involves millions in Estate funds defrauded by the Westchester Surrogate's Court implicating multiple Judges and regulatory bodies in New York.

Thus, it was pointed out to Mr. Katz that one of the purposes of the Call to Governor Paterson was due to the need for an Independent Special Prosecutor in New York and need for a Federal Monitor as a result of the massive Conflicts of Interest, the Obstruction of Justice by leading public officials of New York and Court Officials, revealing a MASS of corruption within the NYS Office of Court Administration (OCA) and related regulatory and oversight bodies such as the Attorney Discipline Committees and Commission on Judicial Conduct and more. I believe it was Kevin R. Hall, Esq. that pointed out to Mr. Katz that requests for a Federal Monitor and Independent Prosecutor have already been made to the Governor via Franklin N. Brady a.k.a Kevin McKeown, and Christine Anderson who have also petitioned United States Attorney General Eric Holder's Office.

Of course I mentioned to Mr. Katz having been present in open federal court during the Anderson Whistleblower trial that she testified to the existence of a "CLEANER" at the First Department named Naomi Goldstein who Whitewashed complaints for selected US Attorneys, District Attorneys, the ADA's and other favored law firms and lawyers.

Anderson's Testimony and Written Statements can be found @

<http://iviewit.tv/wordpress/?p=209>

Mr. Katz was further apprised by Mr. Hall of the background of my RICO and Anti-Trust Lawsuit whereby Director Harry I. Moatz of the USPTO Office of Enrollment & Discipline of the USPTO directed me to file charges of Fraud Upon the United States Patent Office with the Commissioner of Patents that led to SUSPENSION of my Intellectual Properties pending investigations of fraud on the USPTO by licensed attorneys with the Federal Patent Bar overseen by Moatz. Moatz and Special Agent Stephen Lucchesi of the FBI, who is now missing with the entire Iviewit investigatory files, were confirmed to be working together on the Fraud on the United States Patent Office investigation when the Intellectual Properties were suspended.

For your information and convenience, I have attached a link to my formal Petition to United States President Barack Obama's Office, White House Counsel, as well as US AG Eric Holder and others.
