

Whistleblower Report by Crystal L. Cox

Industry Whistleblower

Bruce Sewell, Apple General Counsel aids and abets Criminals and is involved in the Stealing of Inventions.

Bruce Sewell Flat Out Lies and Technology Media Eats it Up .. Cuz Bruce Sewell is a Big Wig at Apple.. So What.. Bruce Sewell is still involved in [Massive Shareholder Fraud](#).

[Bruce Sewell, Apple General Counsel](#) Use to be a Big Player at Intel Corp. as Bruce Sewell was Intel Corps. General Counsel Before being Big Man on Campus over at Apple.

Bruce Sewell new Full Well about **the Iviewit Inventors** having their Technology Stolen and used by Intel Corp. and Bruce Sewell simply ignored this FACT. I assume that Bruce Sewell Apple General Counsel let APPLE know during his interview process.. what he knew.. because see **Bruce Sewell** wanted that Apple Job pretty bad.. and Apple ..along with Intel Corp. , Warner Bros., AOL, Sony and many other companies involved in a [Massive Shareholder Fraud](#) over the Iviewit Stolen Patent WELL Apple stands to gain Billions over Keeping this **Dirty Little Iviewit Technologies Secret**. And who knows what "Payoff" or Dark Alley Deal the Corrupt Attorney [Bruce Sewell](#) made with Apple before he got is big ol' Apple Pay Check.

[Bruce Sewell](#) is Apple's general counsel and Bruce Sewell is senior vice president of Legal and Government Affairs at APPLE. [Bruce Sewell](#) Reports to Apple's CEO.

[Bruce Sewell](#) serves on the Apple's executive team and oversees all legal matters, including corporate governance, intellectual property, litigation and securities compliance, as well as government affairs.

So [Bruce Sewell](#) is a **Very Big Deal** at Apple and well In my Opinion because I have a Brain and Can Read, Well

[Bruce Sewell](#) is Corrupt, is involved in Intellectual Property Infringements, [Bruce Sewell](#) has participated in cover up a Multi-Trillion Dollar Shareholder Fraud that involves Millions of Innocent Investors and [Bruce Sewell](#) is **NO where Near**

One of the Good Guys as [Bruce Sewell](#), in My Opinion STEALS PATENTS.. helps Major Companies like Intel and Apple

to easily take inventors patents .. stomp on inventors rights and to raking in Billions .. paying off officials and well

Business as usual in the Corrupt "Patent Theft" world of [Bruce Sewell](#).

So we Know that [Bruce Sewell](#) left intel under some pretty odd and quick circumstances and well hush .. hush on that right. ?? and we can assume that [Bruce Sewell](#) let Apple know of his knowledge of the Iviewit Holdings, Iviewit Technologies Patent Theft and the fact that he knew Intel was using this Stolen Technology and helped them to cover it up.. See this WOULD be a Huge Asset for Corrupt [Bruce Sewell](#) to Bring To Apple as their new General Counsel Right? I mean Apple owes Iviewit Huge Royalties as Well Right. ..and for over a Decade Now..

So the Apple Responds in Patentgate Bullshit your Reading.. well the TRUTH is APPLE general Council [Bruce Sewell](#) is Corrupt and there is NOTHING amicable about HIM..

Apple Lies About "PatentGate" as Does [Bruce Sewell](#).
