Hon. Governor Charlie Crist
Office of Governor Charlie Crist
State of Florida
The Capitol
400 S. Monroe St.
Tallahassee, FL 32399-0001
Executive Office of the Governor Switchboard:
(850) 488-7146

Dear Honorable Governor Charlie Crist,

Per the Attorney General of the Great State of Florida, I write to you for inclusion into the ongoing Nineteenth Statewide Grand Jury, the Eliot Bernstein and Iviewit companies claims of criminal RICO and ANTITRUST activities by certain members of the Florida Supreme Court, the Florida Bar, the Boca Raton P.D., the law firms Proskauer Rose LLP, Foley & Lardner LLP and more. The extent of these claims of Public Office Corruption reach the highest levels of Florida government and thus are germane to the Grand Jury's request for information and stated purpose, "The Office of Statewide Prosecution has established a public corruption hotline for anyone who believes they have information concerning a criminal offense involving public corruption or wishes to suggest issues the Statewide Grand Jury should investigate regarding public corruption.

Below is a communication from Attorney General McCollum in response to my request to his offices for inclusion, whereby he urges me to contact and join your offices of these most serious allegations as well. I am contacting your offices again, as I have contacted them in the past regarding these matters and am asking that your offices take all actions necessary to have these allegations investigated by the Florida Grand Jury your office has convened, as well as, any other criminal actions you may deem appropriate in investigating these matters and notifying the proper authorities of the allegations alleged herein and in the URL links provided herein.

I am happy to provide additional information or testimony relating to the matters to any investigators you deem appropriate or before the Grand Jury. Many of these matters have crossed state lines through the law firms accused and in New York, a NY Supreme Court Whistleblower Christine Anderson, Esq. has identified a Racketeering type organization within not only the NY Courts and NY Disciplinary Agencies but the NY prosecutorial offices, including the US Attorney, the NY Attorney General Cuomo's offices and the NY District Attorneys Office. The allegations rise to senior members of these public offices acting in conspiracy to deprive due process to citizens' complaints against them and in fact, a "Cleaner", Naomi Goldstein of the NY Supreme Court was allegedly according to Anderson Whitewashing attorney complaints for these prosecutors. In addition, Anderson claims "favored lawyers and law firms" had their complaints cleaned as well. The Anderson case now also involves Federal Obstruction of Justice in a federal Lawsuit, with death threats on Federal Witnesses on their way to testify in Federal Court. Extortion of state employees is also evidenced in Anderson, replete with physical assaults on the 60 yr. female Anderson, to either aid and abet or else by Senior New York Supreme Court Officials. My Trillion Dollar Federal RICO and ANTITRUST lawsuit filed alongside and in support of Anderson's Historic and Heroic Whistleblower claims, was legally "related" to the Anderson Whistleblower lawsuit by Federal Judge Shira Scheindlin.

Many of the defendants in my Fed RICO and ANTITRUST are located here in Florida, in fact all of my claims began in Florida, as that is where my companies and myself were located at the time the criminal activities were first discovered. Proskauer partners were ordered for Investigation for Conflicts of Interest and Violations of Public office by the New York Supreme Court, in a unanimous consent of five justices of that court but those investigations are now under investigation for their failure to investigate. The allegations in NY are almost identical to those I filed in Florida just different players from the same firms often having infiltrated and violated public offices to deny due process to my complaints in violation of law and attorney and judicial conduct codes. All of my complaints in Florida in the courts and to all state agencies are herein officially requested to be re-opened in light of the revelations of new and damning information revealed in Anderson and new evidence against certain defendants in my lawsuit from Florida. New evidence includes Defendant Proskauer Rose LLP and Partner Thomas Sjoblom's involvement in the ExSir Robert Allen Stanford Ponzi scheme, Sjoblom found aiding and abetting Stanford Employees in a Miami Airport Hanger teaching them how to lie to SEC and FBI investigators. As you know, Proskauer has been sued in a Global Class Action for the entire damages of Stanford, approximately 7 Billion US Dollars. Another thread to Florida is another Defendant in my Fed RICO, now infamous Ponzi schemer, Marc S. Dreier, Esq., who has been sentenced to 20 years for his Ponzi scheme. Greenberg Traurig law firm, who represents the Florida Bar and Florida Supreme Court in my Fed RICO, acting in conflict as Greenberg Traurig was also former Patent Counsel for my companies and myself, where Greenberg has recently been alleged running a large Ponzi scheme in Florida, more information below. A link too many of the Florida specific crimes can be found at

<http://iviewit.tv/supreme%20court/index.htm>

and

<http://iviewit.tv/CompanyDocs/oneofthesedays/index.htm> .

Complaints filed in Florida with the Florida Bar and Florida Supreme Court are requested to be re-opened by your offices with oversight by your offices to mitigate any further conflicts of interest and violations of Public Offices and law. Complaints filed with the Florida Bar and Florida Supreme Court against, Florida Bar employees, Florida Supreme Court Public Officials, Proskauer Partners Christopher Clarke Wheeler, Esq. who was convicted of Felony DUI with Injury in Florida and Matthew Triggs who violated Florida Bar Rules in handling Complaints in multiple conflicts and violation of public office of the Florida Bar, are also being requested herein to have formal investigations into the matters reheard entirely based on a plethora of new information and evidence against the defendants in those matters and again instituted with oversight of your offices. Similarly, we are requesting that your offices investigate the Florida Civil Court Case Civil Case No. 502001CA004671XXCDAB with new evidence showing a complete fraud on the court was orchestrated by Proskauer and Judge Jorge Labarga of the Florida Supreme Court, prior to your appointment of Labarga to the Florida Supreme Court. I also note that members of your inner staff are formerly with Defendant Foley & Lardner, who acted as Solicitor General to the Florida Supreme Court while my complaints were being reviewed by that Court. I also note that Justice Jorge Labarga and several of the Florida Supreme Court Justice and Court Officials are Defendants in my Trillion Dollar Fed RICO and ANTITRUST lawsuit. I also note that several members or former members of the Florida Bar are Defendants in my Trillion Dollar Fed RICO and ANTITRUST lawsuit. Therefore, I request further that your offices in handling these matters proceed with extreme caution in ferreting out ALL Conflicts of Interest prior to involvement by any party, to preclude further possible charges against members of your office or any other party your offices join into these matters. I have attached a Conflict of Interest Disclosure Form for all parties, including yourself, to sign and return to my office at 2753 NW 34th St. Boca Raton, FL 33434, prior to ANY Actions you take in even considering the matter. As a mass of Conflicts of Interest have been discovered in these matters already and the Whistleblower further identifying a criminal conspiracy within state agencies, this Conflict form is essential to ensuring fair and impartial due process of law by non conflicted parties. Any conflicts identified may be considered based on full disclosure and agreement by ALL parties involved or new non conflicted parties must be retained prior to disclosure of even the most basic information.

As these matters in New York and Florida are against some of the highest ranking officials in the states, I know that in New York Anderson and now other related cases and witnesses who testified to the New York Senate Judiciary Committee are seeking various forms of witness protection, I similarly would like to know what options for this type of protection are available to those who come forward in Florida. As a car bombing victim of the RICO Criminal Enterprise, described in my Federal RICO and ANTITRUST lawsuit I feel that certain protections should already have been availed, in fact, I petitioned the Florida Supreme Court for such once already and this Motion is located at the URL

http://iviewit.tv/CompanyDocs/2004_10_07_Supreme_Court_Florida_Motion_Final_Cert_Signed.pdf , as well as, repeated requests since it was determined by Florida Fire Investigator Rick Lee that accelerants' were the cause of the explosion that blew up three cars next to it, in Boynton Beach Florida. Despite repeated notice to Florida Law Enforcement, as you can see from the previous link they too were involved in the second act that protection from the court was requested for and therefore have never investigated these matters through public office corruption after public office corruption after public office corruption as defined herein and in the attached URL's.

Please make all exhibits and links fully incorporated by reference herein into this letter for formal docketing in the Florida Grand Jury Request of Eliot Bernstein and the Iviewit Companies, each URL may have several URL's, also hereby incorporated entirely by reference herein and for further use by the Grand Jury. As Whistleblower Anderson in a sworn statement has claimed that she witnessed document destruction of investigatory files first hand

(Anderson's Statement to the New York Judiciary Committee attached below), please print each and every url in entirety for inclusion into this document and due to the fact that these matters pertain to US Patent Rights of an inventor, please retain these files and information for a period of no less than 20 yrs. There are over a thousand documents at the URL <http://www.iviewit.tv> on the homepage under the Evidence Section on the homepage for your review and for docketing with the complaints and for review by investigators or Grand Jurors. Despite whether the Florida Grand Jury investigates these most serious allegations of corruption at the highest levels of Florida Government, let this letter also serve as a formal request that your offices begin all necessary notices and/or investigations and notify all investigatory bodies necessary to investigate all those persons named in my Federal RICO and ANTITRUST lawsuit from Florida and notify them of the new evidence and requests for an entire review of all prior actions by any Florida Agency listed herein or in the URL's embedded herein. Please formally notify the following offices of this submission, including but not limited to, the Florida Inspector General (copied herein), the Florida US Attorney, the necessary Florida District Attorneys and the Florida Attorney General of the allegations and information contained herein, please have all parties sign prior to acceptance of ANY materials a Conflict of Interest Disclosure Form, again prior to ANY actions or decisions being rendered or transfer of any confidential information.

Please take this communication as both a request to join the 19th Florida Grand Jury and Request for Formal Investigations of all of the following Florida Defendants in my Fed RICO and ANTITRUST by the Florida Governor and Florida Attorney General's offices, please docket a separate complaint for each Florida organization and individual listed below;

I have spoken at the NY Senate Judiciary Committee who is holding hearings on Court Corruption in NY related to the NY Supreme Court Whistleblower case listed below. My RICO and Antitrust, involving many FL attorneys and Judges is related to the Whistleblower Lawsuit.

LISTEN TO INTERVIEW @

or

<http://www.iviewit.tv/DisbarFloridaBar23.mp3>

World-renowned Inventor of Digital Video & Imaging Mathematical Scaling Formulas, Eliot Bernstein discusses with radio talk show host Les Winston of Disbar the Florida Bar his Trillion Dollar Federal RICO & ANTITRUST Lawsuit, naming the Florida Bar, Florida Supreme Court & Labarga as Defendants. The suit marked "legally" related by Judge Shira Scheindlin to a NY Whistleblower suit filed by a Supreme Court of NY Staff Attorney, Christine C. Anderson, Esq. Bernstein's Amended Complaint @

Anderson alleges the NY Attorney Disciplinary Dept, responsible for the oversight of WallStreet lawyers, has been whitewashing and cleaning disciplinary complaints against attorneys, including US Attorney's, DA's & ADA's. Anderson named a "Cleaner" from the Ethics Dept of the NY Supreme Court, Naomi Goldstein, supervisor at the NY Supreme Court Appellate Division First Department Departmental Disciplinary Committee. No wonder WallStreet melted down & attorney regulators go unpunished for failures after causing massive damage to the American People, only to then leave government positions for cushy law firm partnerships. Anderson claimed staff attorney, Nicole Corrado Esq., on her way to testify at deposition supporting Anderson's suit was threatened & intimidated by a Sr. Court Official regarding giving testimony, creating Federal Obstruction of Justice, Witness Tampering & more by Court Officials.

Bernstein suing the FL & NY Supreme Courts, State Bars & Disciplinary Agencies, claims conflicted members of the courts, partners from Proskauer Rose LLP law firm, the main conspirator in Bernstein's case along with law firm Foley & Lardner, illegally handled complaints against partners while holding official title with the courts & disciplinary agencies. In NY, Bernstein's allegations led to unanimous consent of 5 justice of the NY Supreme Court to have former NY State Bar Association President, Steven Krane, a Proskauer partner, ordered for investigation for conflicts & the appearance of impropriety. Proskauer's Kenneth Rubenstein, the sole (soulless) patent evaluator for MPEGLA LLC, ordered for investigation along with attorney Raymond Joao, who claims to have put 90+ patents into his own name. Bernstein claims patents filed by Joao were during & after the time Iviewit retained Joao to patent inventions for Bernstein, Joao patented them for himself instead. After termination as Iviewit counsel, Joao worked for infamous convicted felon Marc S. Dreier, sentenced July 13, 2009, to 20 years in prison. Thomas Cahill, former Chief Counsel of the First Dept whom Anderson alleges to be the ringleader at the First Dept, ordered for Special Inquiry. Cahill's investigation relates to Krane's conflicts & Cahill's role in aiding and abetting the RICO Criminal Enterprise, which Bernstein claims is composed mainly of corrupt mob type law firms. Anderson under oath in Scheindlin's US Fed Court stated "Cleaner" Goldstein was cleaning complaints against "favored law firms and lawyers".

NY Attorney General Andrew Cuomo fingered by Anderson & Bernstein for illegal representation of the accused NY State Officials in violation of his public office duties. Cuomo represents the State Officials both professionally & personally on the broke NY State taxpayers' dime and Bernstein alleges the NY Attorney General is guilty of Felony Title 18 Obstruction of Justice. Obstruction caused by Cuomo's conflicting his offices with scienter from investigating the accused State Defendants they represent while simultaneously failing to call in a non-conflicted investigator to investigate the Defendants on behalf of the People of NY. Cuomo is duty bound by Public Officer Law 17(2)(b), which dictates the Attorney General not represent State Defendants when conflict with their offices exist.

Yet Cuomo not only represents the State Defendants when conflict exists in both Bernstein and Anderson's lawsuit but has failed to call in any outside investigator to investigate the State Defendants, his clients, creating a block to prosecution & obstructing justice. Cuomo, Eliot Spitzer & the NY Attorney General's office are Defendants in Bernstein's suit. The fact they are Defendants makes the continued representation of the State Defendants by the Attorney General's office bizarre and further illegal. Bernstein filed criminal complaints with the Department of Justice Inspector General Glenn Fine, the US Attorney General Eric Holder & others regarding the criminal activities of both the NY and FL Officials.

Bernstein is the inventor of digital imaging & video technologies that revolutionized the Internet, Television & Digital Imaging, the technologies valued over a Trillion Dollars over

the 20 yr patent life. Bernstein's patents are currently on Suspension with the US Patent & Trademark Office by the Commissioner of Patents while the Office of Enrollment & Discipline (OED)

Director at the US Patent Office, the Federal Patent Bar, investigates Bernstein's attorneys for crimes including Fraud Upon the US Patent & Trademark Office.

<http://iviewit.tv/CompanyDocs/USPTO%20Suspension%20Notices.pdf>

Bernstein claims Federal Bureau of Investigation Special Agent Stephen Lucchesi claimed to be working with Harry I. Moatz, Director of the OED investigating allegations of crimes against the US & more, Bernstein claims Moatz confirmed collaboration with the FBI. Bernstein calls for the end of attorney self regulation & self discipline by their peers, which has obviously failed, in favor of charging attorneys with criminal acts to criminal prosecutors, warning that victims of attorneys, judges and prosecutors who file with attorney run state attorney regulators are doing themselves a disfavor. Bernstein claims the attorneys gain advantage through using the state disciplinary agencies, defending themselves in conflict and gaining confidential information against them, while feathering their caps with conflicted decisions on Supreme Court letterhead. Bernstein along with Anderson, testified before the NY Senate Judiciary Committee in NY @

http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player_embedded

&

http://www.youtube.com/watch?v=knQL115hmjs&feature=player_embedded

Chaired by Hon. Senator John Sampson, the hearings to investigate allegations of corruption in the NY Supreme Court Appellate Divisions. Hearings remain ongoing & claims made by NY Senators attending to begin a Task Force to investigate victims' claims of legal process abuse. According to Bernstein, one look only at the recent plethora of criminal activity in the stock market & Ponzi schemes to see that all of these schemes are run by law firms. Bernstein claims the Ponzis are illegal money laundering operations for monies illegally obtained by the law firms Criminal RICO Enterprise activities. Bernstein points to recent schemes such as Bernard Madoff, former "Sir" Allen Stanford, Marc S. Dreier & Greenberg Traurig's involvement directly in a Ponzi, as evidence that lawyers are behind the schemes & directly involved in intentionally creating subterfuge of the regulatory agencies that could have prevented these schemes. Greenberg, recall was central to Abramoff's fraud and linked to the Stanford Regulatory Failures.

Other Defendants, reported to the SEC for alleged Shareholder Frauds relating to the Iviewit RICO & ANTITRUST include Time Warner (NYSE: TWX), Warner Bros. Entertainment Inc., AOL Inc. (NYSE: AOL), Intel Corporation (NASDAQ: INTC), Silicon Graphics, Inc. (delisted NYSE: SGI) & successor Silicon Graphics International (NASDAQ: SGI), Sony Corporation (NYSE/ADR: SNE) , Lockheed Martin Corporation (NYSE: LMT), Ernst & Young Global Limited @

Scheindlin's US Federal Court Whistleblower Christine C. Anderson Reveals a "Cleaner", Naomi Goldstein, at the New York Supreme Court Appellate Division First Department ETHICS Committee allegedly Whitewashing Complaints for US Attorneys, DA's and more, a scene more reminiscent of the Gotti Trial on the 26th Floor of the same Federal Courthouse...Inventor Eliot Bernstein's Family Minivan Bombed in US Patent Office Fraud files Twelve Trillion Dollar RICO Suit legally "related" by Judge Scheindlin to the Whistleblower case (08-4873-cv US Court of Appeals Second Circuit) and US District Court (07cv11196).

Where was the Press through all this, the Right Arm of Anarchy, not a single report in over five years regarding a Car Bombing so powerful it blew up three cars next to it in Boynton Beach Florida and not a single press story? Where was the Press for the Whistleblower revelations of Whitewashing of Complaints by the New York Supreme Court for US Attorneys and District Attorneys, a Cleaner at the Ethics Department that regulates Wall Street Lawyers? The technologies are claimed to be used across all Internet and Digital Television providers hosting and distributing video, on Defense applications, Space and Flight simulators, Guidance Systems, Medical Imaging Devices, GPS Mapping like Google Maps, You-Tube, the Hubble Space Telescope and much more. Major Fortune 1000 and Wall street interests implicated in the case include Intel, SGI, Lockheed, IBM, Comcast, Verizon, AOL TW, Yahoo, Universal Studios, Morgan Stanley, CIBC and much more. In what is commonly now referred to as "Patentgate", the attention of Washington, DC and Federal Agencies have been trailing the case for years which involves allegations of Fraud on the US Patent Office and the Attempted Murder of the Inventor's Family by a Car Bombing in Boynton Beach, Florida strong enough to take out 3 cars, images @ www.iviewit.tv .

Bernstein filed a TWELVE COUNT - TWELVE TRILLION DOLLAR Racketeer Influenced and Corrupt Organizations Act (RICO) Federal complaint, the case moved its way in to New York when Bernstein's case was marked legally "related" by Federal Judge Shira Scheindlin, to a Whistleblower Lawsuit of Christine Anderson. Anderson case comes from alleged corruption out of the Supreme Court of NY First Department in Manhattan, which is heading to trial very on October 19, 2009. Major Law Firms and Wall Street interests implicated in the matter include major Defense firm Lockheed Martin, the Intel Corporation, Silicon Graphics Inc and others.

Law firms Proskauer Rose and Foley & Lardner implicated as central players in the theft and fraud on the United States Patent & Trademark Offices, which have led to suspension of the intellectual Properties by the US Patent Office Commissioner are under investigation, the patents suspended while federal investigations continue. Proskauer recently sued for aiding and abetting the Stanford Ponzi scheme and a former SEC Proskauer partner has resigned from the firm, leaving the firm with a global class action for the entire billions stolen by Stanford. Ties to Madoff and Proskauer also abound and Proskauer is also found representing themselves in court against Bernstein their former client, in MASS conflicts of interest.

Re: Request for Federal Investigation Into Allegations of Corruption and Witness Intimidation and Appointment of Federal Monitor

Gentlemen:

My name is Christine C. Anderson. For six and one-half years, I was a Principal Attorney of the New York State Appellate Division, First Department’s Departmental Disciplinary Committee (the “DDC”). The DDC is responsible for investigating

and disciplining attorneys found guilty of misconduct in representing the public in the Bronx and Manhattan. After discovering and reporting of acts of misconduct and corruption at the DDC, which acts constituted an abuse of power and a fraud upon the public, my employment was summarily terminated in June, 2007.

Prior to my employment with the DDC, I was in private practice for over twenty years. Before that, I worked for the Human Resources Administration of New York City. In other words, I am a thoroughly seasoned attorney, with a broad based knowledge of general practice.

As a result of my wrongful termination in retaliation for my reporting misconduct in violation of my First Amendment rights, I instituted a lawsuit captioned Anderson v. State of New York, et al., 07 Civ. 9599 (S.D.N.Y. 2007). (A copy of my complaint in this action is attached hereto as Exhibit A.) Specifically, I discovered and reported that employees of the DDC had engaged in, inter alia, the “whitewashing” [of] complaints of misconduct leveled against certain “select” attorneys and law firms. This “whitewashing” sometimes involved burying cases or destroying evidence, so that certain complaints were inevitably, unavoidably, dismissed. I witnessed this destruction of evidence myself. Other reported misconduct involves victimizing attorneys lacking privileged positions or connections.

Although the then Chief Counsel of the DDC, Thomas Cahill, stepped down in 2007, evidence clearly establishes that under the leadership of Alan Friedberg, the current Chief Counsel, the same practice of corruption and whitewashing of complaints continues. Such practice robs the public of any hope at justice; it also works to the detriment of the very public the DDC is duty-bound to serve.

During the course of my litigation against the DDC, a former colleague of mine, who still works as a Principal Attorney at the DDC, agreed to testify on my behalf at a deposition. This former colleague, Nicole Corrado, has been employed by the DDC for approximately eight years, prior to which she worked as a prosecutor for New York State. On the morning of her deposition, however, while en route to her deposition, Ms. Corrado was approached on the street by a supervisor at the DDC, who threatened and intimidated her with respect to her upcoming deposition testimony. Although terribly shaken, Ms. Corrado nonetheless sat for her deposition and testified truthfully. Following her deposition, however, Ms. Corrado has been subjected to further harassment and intimidation at the hands of the DDC. She has been forced to take a leave of absence as a result.

On June 8, 2009, I testified at a hearing convened by John L. Sampson, New York State Senator and Chairman of the New York State Standing Committee On The Judiciary. (A copy of my affidavit submitted to the Committee is attached hereto as Exhibit B.) At that hearing, several witnesses testified as to their shocking experiences with the grievance and judiciary committees in New York State. Shockingly, within days of my testimony, in my lawsuit, my sealed medical and psychiatric records were filed and posted publicly on the court’s Internet filing system by counsel for the defendants – i.e., the New York State Attorney General’s Office. I regard those actions as horrifically unethical and malicious, and taken in deliberate retaliation for my testifying at the Senate hearing.

The detailed testimony presented by innumerable witnesses at the June 8th Senate hearing reveals the manifold reports of corruption and abuse by the State’s Disciplinary Committees. (A copy of the transcript of this hearing is attached hereto as Exhibit C.) Charges included concealment of evidence, obstruction of justice, extortionate sexual threats by attorneys, pilfering of estates by attorneys, abuse of power, fraud, conspiracy and repeated violations of state and federal constitutional rights.

In light of the foregoing, it is plain that the enduring practice of allowing attorneys in this state to police themselves is fundamentally flawed. With the numerous reports of abuse by both attorneys and state officials, the corruption in the court system has reached a critical stage. Accordingly, I respectfully request that you authorize the appointment of a Special Prosecutor to investigate the epidemic of honest services fraud in the New York state court system, and the appointment of a Federal Monitor, to oversee the lawful operation of the same.

Thank you for your time and attention. I look forward to your response.

Very truly yours,

Christine C. Anderson

Judicial Cannons

Canon 1. A Judge Should Uphold the Integrity and Independence of the Judiciary

[1.1] Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence of judges. The integrity and independence of judges depends in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law, including the provisions of this Code. Public confidence in the impartiality of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violation of this Code diminishes public confidence in the judiciary and thereby does injury to the system of government under law.

Canon 2. A Judge Should Avoid Impropriety and the Appearance of Impropriety in All Activities

(A) A judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

[2.2][2A] The prohibition against behaving with impropriety or the appearance of impropriety applies to both the professional and personal conduct of a judge. Because it is not practicable to list all prohibited acts, the proscription is necessarily cast in general terms that extend to conduct by judges that is harmful although not specifically mentioned in the Code. Actual improprieties under this standard include violations of law, court rules or other specific provisions of this Code. The test for appearance of impropriety is whether the conduct would create in reasonable minds a perception that the judge's ability to carry out judicial responsibilities with integrity, impartiality and competence is impaired.

Canon 3. A Judge Should Perform the Duties of the Office Impartially and Diligently

(B) Adjudicative responsibilities.

(1) A judge shall be faithful to the law and maintain professional competence in it. A judge shall not be swayed by partisan interests, public clamor or fear of criticism.

(2) A judge shall require order and decorum in proceedings before the judge.

(D) Disciplinary responsibilities.

(1) A judge who receives information indicating a substantial likelihood that another judge has committed a substantial violation of this Part shall take appropriate action.

(2) A judge who receives information indicating a substantial likelihood that a lawyer has committed a substantial violation of the Code of Professional Responsibility shall take appropriate action.

(3) Acts of a judge in the discharge of disciplinary responsibilities are part of a judge's judicial duties.

(E) Disqualification.

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned

[3.11][3B(6)(e)] A judge may delegate the responsibilities of the judge under Canon 3B(6) to a member of the judge's staff. A judge must make reasonable efforts, including the provision of appropriate supervision, to ensure that Section 3B(6) is not violated through law clerks or other personnel on the judge's staff. This provision does not prohibit the judge or the judge's law clerk from informing all parties individually of scheduling or administrative decisions.

[3.21][3E(1)] Under this rule, a judge is disqualified whenever the judge's impartiality might reasonably be questioned, regardless whether any of the specific rules in Section 3E(1) apply. For example, if a judge were in the process of negotiating for employment with a law firm, the judge would be disqualified from any matters in which that firm appeared, unless the disqualification was waived by the parties after disclosure by the judge.

[3.22][3E(1)] A judge should disclose on the record information that the judge believes the parties or their lawyers might consider relevant to the question of disqualification, even if the judge believes there is no real basis for disqualification.

Canon 4. A Judge May Engage in Extra-Judicial Activities To Improve the Law, the Legal System, and the Administration of Justice

Canon 5. A Judge Should Regulate Extra-Judicial Activities To Minimize the Risk of Conflict with Judicial Duties
