[Raymond Anthony Joao – Misrepresented Proskauer Partner and Convicted Felon Marc Dreier Partner](#)

2004 08 11 Supreme Court of New York Appellate Division First Department Orders the complaints against Kenneth Rubenstein, Proskauer, Raymond Joao, Meltzer Lippe Goldstein Wolf & Schlissel and Steven C. Krane to be moved for immediate investigation due to the appearance of impropriety and conflicts. The case was then transferred to the Supreme Court of New York Appellate Division Second Department where further conflicts with Krane were discovered that derailed the investigation and caused a flurry of further complaints against the Second Department members.

2004 09 07 Supreme Court of New York Appellate Division First Department Departmental Disciplinary Committee's, Chief Counsel, Thomas Cahill's cover letter transferring the complaints of Steven C. Krane, Proskauer, Kenneth Rubenstein, Raymond Joao & Meltzer Lippe Goldstein Wolf & Schlissel due to the unanimous decision by five justices of the Supreme Court of New York Appellate Division First Department. Very interesting that Cahill handles this as he is part of an ongoing investigation for his part in the crimes at the court and thus acts in conflict and violation of his public office. What is damning is that Cahill tries to impart to the Supreme Court of New York Appellate Division Second Department that they are do as they please with the cases, which is not what the justices ordered, they ordered IMMEDIATE INVESTIGATION, yet Cahill tries to help himself and his buddies out of the mess again.

2004 07 12 Supreme Court of New York Appellate Division First Department Departmental Disciplinary Committee's, Chief Counsel, Thomas Cahill's Motion to move the complaints of Steven C. Krane and Proskauer, note this comes after Cahill has a filed complaint against him, making this further reason for another complaint against him.

Below is a communication from [Attorney General McCollum](#) in response to my request to his offices for inclusion, whereby he urges me to contact and join your offices of these most serious allegations as well.

**I am contacting your offices again, as I have contacted them in the past regarding these matters** and am asking that your offices take all actions necessary to have these allegations investigated by the [Florida Grand Jury](#) your office has convened, as well as, any other criminal actions you may deem **appropriate in investigating** these matters and notifying the proper authorities of the allegations alleged herein and in the URL links provided herein.

I am happy to provide additional information or testimony relating to the matters to any investigators you deem appropriate or before the Grand Jury.

Many of these matters have crossed state lines through the law firms accused and in New York, a **NY Supreme Court Whistleblower Christine Anderson**, Esq. has identified a Racketeering type organization within not only the NY Courts and NY Disciplinary Agencies but the NY prosecutorial offices, including the US Attorney, the NY Attorney General Cuomo's offices and the NY District Attorneys Office.

The allegations rise to **senior members of these public offices** acting in **conspiracy** to deprive due process to citizens' complaints against them and in fact, a "Cleaner", Naomi Goldstein of **the NY Supreme Court** was allegedly according to Anderson Whitewashing attorney complaints for these prosecutors. In addition, **Anderson claims "favored lawyers and law firms" had their complaints cleaned** as well.

The Anderson case now also involves **Federal Obstruction of Justice** in a federal Lawsuit, with death threats on Federal Witnesses on their way to testify in Federal Court. Extortion of state employees is also evidenced in Anderson, replete with physical assaults on the 60 yr. female Anderson, to either aid and abet or else by Senior New York Supreme Court Officials.

My **Trillion Dollar Federal RICO and ANTITRUST** lawsuit filed alongside and in support of Anderson's Historic and Heroic Whistleblower claims, was legally "related" to the Anderson Whistleblower lawsuit by **Federal Judge Shira Scheindlin**.

Many of the defendants in my **Fed RICO and ANTITRUST** are located here in Florida, in fact all of my claims began in Florida, as that is where my companies and myself were located at the time the criminal activities were first discovered.

**Proskauer partners were ordered for Investigation for Conflicts of Interest and Violations of Public** office by the **New York Supreme Court**, in a unanimous consent of five justices of that court but those investigations are now under investigation for their failure to investigate.

The allegations in NY are almost identical to those **I filed in Florida** just different players from the same firms often having infiltrated and violated public offices to deny due process to my complaints in violation of law and attorney and judicial conduct codes.

All of my complaints in Florida in the courts and to all state agencies are herein officially requested to be re-opened in light of the revelations of new and **damning information revealed** in Anderson and new evidence against certain defendants in my lawsuit from Florida.

New evidence includes **Defendant Proskauer Rose LLP** and Partner Thomas Sjoblom's involvement in the ExSir Robert Allen Stanford Ponzi scheme, Sjoblom found aiding and abetting Stanford Employees in a Miami Airport Hanger **teaching them how to lie to SEC and FBI investigators**.

As you know, Proskauer has been sued in a **Global Class Action** for the entire damages of Stanford, approximately 7 Billion US Dollars. Another thread to Florida is another Defendant in my Fed RICO, now infamous Ponzi schemer, Marc S. Dreier, Esq., who has been sentenced to 20 years for his Ponzi scheme.

[Greenberg Traurig](#) law firm, who represents [the Florida Bar and Florida Supreme Court](#) in my Fed RICO, acting in conflict as [Greenberg Traurig](#) was also former Patent Counsel for my companies and myself, where Greenberg has recently been alleged running a large Ponzi scheme in Florida, more information below. A link too many of the Florida specific crimes can be found at

Complaints filed in Florida with the Florida Bar and Florida Supreme Court are requested to be re-opened by your offices with oversight by your offices to mitigate any further conflicts of interest and violations of Public Offices and law.

Complaints filed with **the Florida Bar and Florida Supreme Court** against, Florida Bar employees, Florida Supreme Court Public Officials, Proskauer Partners, [Christopher Clarke Wheeler, Esq.](#), who was convicted of **Felony DUI with Injury in Florida** and [Matthew Triggs](#), who violated **Florida Bar Rules** in handling Complaints in multiple conflicts and violation of public office of [the Florida Bar](#), are also being requested herein to have formal investigations into the matters reheard entirely based on a plethora of new information and evidence against the defendants in those matters and again instituted with oversight of your offices.

Similarly, we are requesting that your offices investigate the Florida Civil Court Case Civil Case No. 502001CA004671XXCDAB with new evidence showing a complete fraud on the court was orchestrated by Proskauer and [Judge Jorge Labarga](#) of the [Florida Supreme Court](#), prior to your appointment of [Labarga to the Florida Supreme Court](#).

I also note that members of your inner staff are formerly with Defendant [Foley & Lardner](#), who acted as **Solicitor General to the Florida Supreme Court** while my complaints were being reviewed by that Court.

I also note that [Justice Jorge Labarga](#), and several of the Florida Supreme Court Justice and Court Officials are Defendants in my [Trillion Dollar Fed RICO and ANTITRUST lawsuit](#). I also note that several members or former members of [the Florida Bar](#) are Defendants in my Trillion Dollar **Fed RICO and ANTITRUST** lawsuit.

Therefore, **I request further that your offices in handling these matters proceed with extreme caution** in ferreting out **ALL Conflicts of Interest prior to involvement** by any party, to preclude further possible charges against members of your office or any other party your offices join into these matters.

I have attached a **Conflict of Interest Disclosure Form for all parties**, including yourself, to sign and return to my office at 2753 NW 34th St. Boca Raton, FL 33434, prior to ANY Actions you take in even considering the matter.

As a **mass of Conflicts of Interest** have been discovered in these matters already and the Whistleblower further identifying a criminal conspiracy within state agencies, this Conflict form is essential to ensuring fair and impartial due process of law by non conflicted parties. Any conflicts identified may be considered based **on full disclosure** and agreement by

ALL parties involved or new non conflicted parties must be retained prior to disclosure of even the most basic information.

As these matters in **New York and Florida** are against some of the highest ranking officials in the states, I know that in New York Anderson and now other related cases and witnesses who testified to **the New York Senate Judiciary Committee** are seeking various forms of witness protection, I similarly would like to know what options for this type of protection are available to those who come forward in Florida.

[As a car bombing victim of the RICO Criminal Enterprise](#), described in my **Federal RICO and ANTITRUST lawsuit** I feel that certain protections should already have been availed, in fact, I petitioned [the Florida Supreme Court](#) for such once already and this Motion is located at the URL

[http://iviewit.tv/CompanyDocs/2004\\_10\\_07\\_Supreme\\_Court\\_Florida\\_Motion\\_Final\\_Cert\\_Signed.pdf](http://iviewit.tv/CompanyDocs/2004_10_07_Supreme_Court_Florida_Motion_Final_Cert_Signed.pdf)

as well as, repeated requests since it was determined by **Florida Fire Investigator Rick Lee** that accelerants' were the cause of the explosion that blew up three cars next to it, in Boynton Beach Florida. Despite repeated notice to Florida Law Enforcement, as you can see from the previous link they too were involved in the second act that protection from the court was requested for and therefore have never investigated these matters through public office corruption after public office corruption after public office corruption as defined herein and in the attached URL's.

Please make all exhibits and links fully incorporated by reference herein into this letter for formal docketing in the [Florida Grand Jury](#) Request of Eliot Bernstein and the Iviewit Companies, each URL may have several URL's, also hereby incorporated entirely by reference herein and for further use [by the Grand Jury](#).

As **Whistleblower Anderson** in a sworn statement has claimed that she witnessed document destruction of investigatory files first hand (Anderson's Statement to the New York Judiciary Committee attached below), please print each and every url in entirety for inclusion into this document and due to the fact that these matters pertain [to US Patent Rights](#) of an inventor, please retain these files and information for a period of no less than 20 yrs.

There are over a thousand documents at the URL <http://www.iviewit.tv/> on the homepage under the Evidence Section on the homepage for your review and for docketing with the complaints and for review by investigators or [Grand Jurors](#).

Despite whether the [Florida Grand Jury](#) investigates these most serious allegations of corruption at the highest levels of Florida Government, let this letter also serve as a formal request that your offices begin all necessary notices and/or investigations and notify all investigatory bodies necessary to investigate all those persons named in **my Federal RICO and ANTITRUST** lawsuit from Florida and notify them of the new evidence and requests for an entire review of all prior actions by any Florida Agency listed herein or in the URL's embedded herein.

Please formally notify the following offices of this submission, including but not limited to, the Florida Inspector General (copied herein), the [Florida US Attorney](#), the necessary Florida District Attorneys and [the Florida Attorney General](#) of the allegations and information contained herein, please have all parties sign prior to acceptance of ANY materials a Conflict of Interest Disclosure Form, again prior to ANY actions or decisions being rendered or transfer of any confidential information.

Please take this communication as both a request to join the 19th [Florida Grand Jury](#) and Request for Formal Investigations of all of the following Florida Defendants in my Fed RICO and ANTITRUST by the [Florida Governor](#) and [Florida Attorney General's](#) offices, please docket a separate
