Lawsuit Claims Citibank Deprived 104-Year-Old Heiress of \$80M

Lawsuit claims Citibank deprived 104-year-old heiress of \$80M

The New York Post by Dan Mangan - September 6, 2010

A stunning lawsuit accuses Citibank of costing a 104-year-old Manhattan heiress's trust fund up to \$80 million by failing to invest its money properly, The Post has learned. More than 70 years after a \$3 million fund was established for reclusive, eccentric Huguette Clark in 1926, "the trust's value was still only \$3 million" because it was never invested in stocks and bonds as it should have been for at

least part of that time, claim explosive documents filed by two former Citibank trust officers. The money had apparently been parked completely in bonds for decades, generating some income for Clark to live on but little or no growth for the fund balance, the court papers claim. Citibank's handling of the fund "needs to be independently investigated because the liability is now about \$80 million which [the bank] owes to [Clark's] trust," according the lawsuit filed by former Citibank trust officers John Cullen and Veronica Juliano. The two former trust officers are soon set to meet with the DA's office, which is probing possible mismanagement of Clark's \$500 million fortune by her lawyer, Wallace Bock, and accountant, Irving Kamsler. In addition to the bank's alleged mishandling of Clark's so-called charitable remainder trust, the trust officers' lawsuit charges that Bock knew about Citibank's screw-up at least as far back as 1998. But the legal papers say Bock dropped his threatened lawsuit against the bank after it hired him for \$10,000 to represent it during an accounting of the trust. "I asked, 'Isn't that a conflict of interest, since [Bock] wants to sue us,?' " Cullen wrote in court documents. He said his manager told him that that's what the bank's legal department had instructed. Clark's trust fund was set up by the heiress's mother, Anna, the year after Clark's father, US Sen. William Clark of Montana, died. Huguette Clark spent her life obsessively collecting dolls and shunning visitors, marrying once – briefly – and having no children. She has lived for the past two decades in Manhattan hospitals. Her story only came to light recently after the media reported that Bock has kept her few, distant relatives from visiting her and not objected to a convicted sex offender, Kamsler, serving as her accountant. Meanwhile, Bock and Kamsler have sold off her \$23 million Renoir painting and \$6 million Stradivarius violin, supposedly with her blessing, as her two massive mansions have stood vacant for nearly 60 years, costing her millions in upkeep. Under the terms of the trust that Citibank was managing, Clark received income from the fund's investments, but whatever balance is left when the now-feeble heiress will go to the famed Corcoran Gallery of Art in Washington DC, where there is wing named after her father, who donated 800 works to it upon his death. Cullen, 68, filed a lawsuit against Citibank alleging the trust-fund mismanagement in 2008, after the bank fired him earlier that year. Juliano, who also was terminated, later joined the action, which is pending in White Plains federal court. At his Westchester County home Friday, when asked if he believed he was fired because of his concerns about Clark's trust fund, Cullen replied, "I don't believe it, I know it." A spokesman for Citibank's corporate parent, Citi, said "Citi has acted appropriately in carrying out our fiduciary responsibilities in this matter and the allegations first made several years ago by a former employee are entirely baseless." Bock's spokesman, Michael McKeon, the lawyer "has and continues to act in the best interests of Ms. Clark. Any allegation to the contrary is without support." According to the lawsuit, another alleged debacle involving also occurred involving the theft of some of

Huguette Clark's jewelry, which was kept in a bank safety-deposit box. At one point, Bock told Citibank that "[its] trust department forgot to pay [Clark's] safe-deposit-box fees," the suit says. "After a few years, the branch drilled open the box, took an inventory and took [Clark's] jewelry into a cardboard box, sealed it, and sent it down to its main vault for storage. "A vault attendant slit open the box from the bottom, and took the jewelry. The jewelry was put into a Sotheby's catalog, recognized and recovered," the suit says. ***dan.mangan@nypost.com***

This is just another example how sinister the banks can be, with the lawyers of course, in stealing big money. And they all get the blessings of the lawyer/judges who make 'law.'

I agree.

I realize that the letter Sunny wrote was a response to the "Be careful" note from Rojas which had been sent the day before.

I made some calls today. I called the Hospital to see if they would give me the names of the cops that identified Sunny. They said they could only provide them if I were the executor of Sunny's estate. I don't know if that is legally correct. In any case, I have some other ideas.

I called Kenneth Eng, formerly of the 109th, now PI in Arizona, thinking that he was the guy who knew Sunny. Turns out there was also a KEITH Eng, also retired from the 109th, who was actually the one Sunny knew. Quite a coincidence. Keith Eng is in New York, and should be contacted, if only to tell him that Sunny is dead.

Jim, can you send me the address of the spot where Sunny was found?

Best,

Will

I received this email today from Margret DePass, whom I have never met before. She gave me permission to post this on the site.

Dear Will:

I have heard your name mentioned several times but can't remember by whom, or if I've ever spoken to you.

Unfortunately if something looks like a duck and walks and quacks like it, then it is a duck. In other words Frank Brady is every bit of the weasel that he appears to be. I've heard wonderful things about him and then each time someone was supposed to get some relief from his supposed position to help, they get stabbed in the back.

I think one of us in this group should start a new blog, make up our own name and have every story that we've posted on Kevin's site reposted on the new one and stop being in contact with him. I am so sorry that very few of us have the technology know-how to open a blog like Kevin's.

I myself was fooled by Kevin. 2 years ago I saw his and Mr. Hallenback's ad in the Westchester Guardian. I called and we played telephone tag for awhile. He never answered his phone. This year I finally faxed all documents and evidence to him. I had to call him way too many times before he answered saying that I called at the right time as he was at his son's school picking up his son. He asked me if I was ready to speak with the FBI, I said definitely.

HAHAHA LOL what a J-O-K-E!!!

He had me call him several weeks in a row at 4:30am on a Saturday morning and he NEVER answered my calls. In fact, he's NEVER EVER returned any of my calls since then. This woman Luisa did return my call as I saw her number on his website and thought she was his secretary by the way she presented herself. She told me no, that she just has her story presented there. She recommended that I put my story up on his web everyday. HAHAHAHA!

Margret DePass Part 2:

I may look stupid and naive; I told her I would, but I never wasted my time to do such a STUPID thing.

I had already spoken w/Frank and faxed him the documents - which he admitted receiving - and told me I would be speaking with the FBI. NOTHING EVER HAPPENED. It appears that Frank was simply trying to get my information (for whatever reason) and had no intention of helping me. He could have told me that the FBI had lost interest, but no- NOTHING HAPPENED. He left be hang in the breeze.

I know how long investigations take. This was just a stalling block, perhaps to get his name out there, to appear to be important- get his 15 mins of fame. Or to give my information to someone else.

That's all I will waste my time to give him. He's stabbed every last person in their back that he so-called promised to help. This group needs to stop looking to him as the be all and end all - as a god- and find a resolution for ourselves. He's just having us blow off hot air and then he laughs at us behind the scenes.

I am so, so sorry that Sonny went the way he did. I'm so, so sorry that he was by himself and no one knows the truth but after everything that went on and evidence that we have about his fight, I know I can say without a doubt if I was a juror that I believe with all my heart that he was Murdered!!!!

Since there is no eye witness that will come forward, hopefully and prayerfully one day, just like Marty Tankleff's parents' murdered while under the influence of alcohol confessed to the killing, Sonny will be vindicated one day as someone, somewhere will confess or speak about what they know!

Take care
Margaret De Pass

Margret DePass Part 3:

P.S. I'm the one that my ex-husband, Mark Padin who was the Director for Academic Resources for PACE Law School in White Plains, New York that hired the judge-in-residence, Sondra Miller from PACE and her corrupt law firm, McCarthy Fingar to win our divorce. I found his hand-written notes naming Sondra Miller and others to give him favors and he beat me up and had me incarcerated. During my criminal trial Mark admitted to the corruption document. It is all on my two YouTube stories you can

google my name "Margaret Depass" and watch them.

I also spoke to Christine Anderson this afternoon.

She told me that the last time she spoke to Frank was last June, and that she has no more interest in working with him because he will never return her calls, and she doesn't have time to waste with someone like that.

When I told her about Frank's refusal to take the personal correspondence off the site, she said it was "disgusting", and "wrong".

Christine worked with Frank for years. I for one, respect her assessment of

this man who apparently has no concern or regard for anyone who is not forwarding his personal secret agenda (whatever that may be), and who will jeopardize their privacy and safety out of sheer spite.

Finally:

While we're in the mode of publishing private correspondence, here is a verbatim transcript of a text message correspondence between me by Frank in the past month. "FB"= Frank Brady "WG"= me.

August 4, 2010 5:38 PM (FB to WG)

"The FBI is, in fact, investigating Sunny's death....will post Sunday/ Monday."

August 4, 2010 7:26 PM (WG to FB)

"I look forward to hearing from them"

August 7 2010 7:24 PM (FB to WG)

"Did u ever get a copy of the police aided report ? [re Sunny Sheu]"

August 8, 2010 1:25 PM (WG to FB)

"Kevin,

If you want to discuss this please call. Until the FBI contacts me directly they are not investigating anything."

August 24, 2010 8:42 PM (WG to FB)

"The FBI is not investigating Sunny's murder.....Why would you lie about such a thing?"

August 25, 2010 7:37 AM (FB to WG)

"Will, I relayed a simple FACT. At 1256pm on August 4th someone from anFBI Criminal Justice computer in VA searched the blog from a google search using the search words "sunny sheu". You should consider "FACTS" before you advance your own lies and actions that serve only to divide."

September 6, 2010 11:39 PM

[September 7, 2010 10:40 AM](#)

galison said...

ANALYSIS OF THE ABOVE:

Does anybody see a pattern here?

Frank is making utterly unfounded statements of encouraging things to come: "The FBI is, in fact, investigating Sunny's death.....", followed by a promise to report it on the blog: "will post Sunday/ Monday."

The statement is false- Frank has no idea if FBI is investigating Sunny's death- and the promise is never fulfilled- there has been no report on the blog as of three weeks later.

Then he asks for sensitive critical information about the investigation of Sunny Sheu's death: "Did u ever get a copy of the police aided report ? "

Sounds exactly like what Margret was complaining about.

Moreover, Frank's defensive response to my admittedly angry response to his

false statement is patent nonsense:

"Will, I relayed a simple FACT. At 1256pm on August 4th someone from an FBI Criminal Justice computer in VA searched the blog from a google search using the search words "sunny sheu".

Wait a minute Frank, that wasn't the simple fact that you relayed.... I know because it was in writing. What you said was:

"The FBI is, in fact, investigating Sunny's death"period.

Was I supposed to figure out that by saying "The FBI is investigating Sunny's death" what you REALY meant was "somebody at the FBI office searched the term "sunny sheu".

Friends,

I will refer to Kevin Mckeowen as "Frank" in this letter because I thought I had some idea who Kevin Mckeowen was, and it turns out I was completely mistaken. I thought he was an ally in our fight against judicial corruption, but whatever he is, he is not that.

I had a long talk with Luisa Esposito yesterday evening about Frank's refusal to take down the personal correspondence that was posted without my permission.

Luisa called Frank on my behalf, and reported to me that Frank had told her that he had a strict policy of not removing ANY posts from the blog, and therefore couldn't make an exception in the case of the personal correspondence I begged him to take down for the sake of several people's safety.

I told Luisa that if Frank had posted something that compromised HER safety, or even made her fear for her safety, I would plaster the blog with angry posts, call, text and petition Frank every day until he took them down, and I would report him to the police.

I told her that in fact, Frank has taken MANY posts down that somehow interfered with his mysterious agenda.

Last night, I wrote some comments after this piece, which was riginally posted before the DWI piece.

Did Frank delete my comments? Not exactly..... He deleted the whole article, comments and all!

As I was writing my last paragraph, the page suddenly disappeared and an error message appeared. Lo and behold, the entire article, along with my comments, was gone!

This morning, he has reposted the piece WITH THE PRIVATE CORRESPONDENCE REPOSTED FOR THE THIRD TIME!

Fortunately, I took screen shots (attached) to prove that the comments had indeed been firmly posted on the blog.

Please contact me if you need proof that Frank is:

- a) personally reposting the private correspondence to threaten my life and to undermine the Sunny Sheu investigation; and
- b) deleting any posts that are critical of him or his mysterious agenda.

What do you make a of a person who will jeopardize peoples lives and and the investigation of Sunny;s murder by posting and reposting sensitive, personal correspondence

Best,

Will Galison

What you fail to understand is that people can tell bullshit from common sense.

There are no CONFLICTS in the world of TRUST & ESTATES, there is ONLY MONEY! And that's the way it is so get over it! Citibank is clearly dirty, now which one of the Manhattan Surrogates will wind up with this toxic Clark matter? The DA's office is on the make and is being directed by what "White Shoe" law firm that will then see "THEIR" Bank take control of this jackpot? Hope I've haven't shocked anyone, but that's the way things work is the gritty world of TRUST & ESTATES! I do "Trust" anyone who may be considering any form of "TRUST" is paying attention - WAKEUP, YOU HAVE TO BE NUTS! And last be not least - the Trust Officer was trying to do the right thing - the Bank's legal department was doing what they do in all banks - BREAKING THE LAW - so the Trust Officer got fired! All the lawyers that were involved including but not limited to internal bank lawyers should be disbarred yesterday! Part of the problem is that the BANKS have deep pockets and will spent money forever to oppress and terrorize - and the Judges will not go against them because it doesn't pay!

Those of us who like Eric Schneiderman are simply afraid of the actions of Wil Galison. One day he loved Eric, and the next day he tries to destroy the man. Why, you might ask? Because Eric would not bow to a bully like Wil. I've listened to most of Wil's self-promoting You Tube videos. Including the ones he posted about a beautiful woman Maddy Peyroux. Because I've known Wil for nearly ten years, and because I know audio editing as well as he, I can firmly say that he has altered the audios in some of the You Tube videos. Wil can NOT deny this. If this man Sunny Shue was indeed murdered, Wil has most likely hampered any investigation. Why? Because it is only about promoting Wil, nothing else. Wil, are you saying that you have NOT been prescribed with certain medications over the last ten years that the lack of which might explain why you attempt to destroy people who don't bow down to your demands?

Frank,

I am answering the anonymous posting above for the second time. The first time you deleted my response. Can you please allow me to defend myself? Thanks, buddy.

"an old and ex-friend said... Those of us who like Eric Schneiderman are simply afraid of the actions of Wil Galison."

Hey there "old ex-friend"! Any chance you can tell us who you are?

Are you afraid I might write a funny song about you?

"One day he loved Eric, and the next day he tries to destroy the man."

Which day was it that I loved ES? When I knew nothing about him, I hoped he might be on our side. The moment I heard him speak, I saw that he is a puppet of the corrupt establishment we are trying to fight.

How do I know this? You've seen my video. Read what's written beneath it and argue with that.

In addition; his father, a white shoe lawyer, bankrolls WNYC radio, which has refused to announce, report on or even mention, the senate hearings, the confirmation of Lippman, or the murder of Sunny Sheu and has not reported on judicial corruption in over eight years.

Schneiderman said on the record that the Judiciary can police itself, and that the AG would only act if compelling evidence of wrongdoing emerged. The man is on the judiciary committee! Did he not see thousands of pages of testimony emerge at the senate hearings?

Continued....

part deux:

" the next day he tries to destroy the man"

Oh come on. I didn't try to "destroy the man"! I didn't fire a rocket propelled grenade at him! I wrote a funny song about him and told some true facts about him, in the hope that he will not be elected. Is everybody who votes or campaigns against ES trying to "destroy" the man?

" Why, you might ask? Because Eric would not bow to a bully like Wil."

Whoa!! Wait a minute.... I tried to destroy him because he would not bow to bullying? wtf! It was months after ES refused to honor his promise to Sunny Sheu and me, and after he refused to discuss Sunny's murder and after he announced that the Judiciary could police himself that I made the video.

Is writing a song critical of a politician bullying? I had no idea they were so delicate!

'I've listened to most of Wil's self-promoting You Tube videos."

Hey, I'm a musician. I write songs and put them on Youtube to promote my music, like every other musician on the planet.

"Including the ones he posted about a beautiful woman Maddy Peyroux."

It was my case against Madeleine that opened my eyes to judicial corruption.

The details of that case can be found at:

www.madeleinepeyroux.us

I only maintain that site to discredit knuckleheads like you.

Yes I can say categorically that I am not taking medications that the lack of which might explain why I attempt to destroy people who don't bow to my demands.

Actually I don't attempt to destroy people who don't bow to my demands on or off medication.

Do I take medications the lack of which might explain why I write funny songs about corrupt politicians? Doubtful.

Do I take medications? yes.

"One more thing said...

One more thought. If Wil refers to you as a friend, you better start your engines and drive away as fast as possible. He is the best back stabber around."

Well, "One more thing", can you name anybody who's back I have stabbed? I am blessed with the most incredible friends I could ever want, several of whom I've had over 40 years.

I have no idea who you are, but if I've offended you in some way, I hope you will let me know how so that I may apologize.

If its my opposition to Schneiderman that upsets you, well you'll have to live with that. I think the man is a rat.

This is Margaret De Pass. I agree with you Will, anyone who has to label you or anyone else ANONYMOUSLY is a coward!!! We have all suffered at the hand of these corrupt people so if they are on our side then they would know how wrong it is for Frank Brady to exposed documents he received about your private communication, no matter what the source was without your permission. Further, for him to refuse to remove it, I just have to shake my head in disbelief. I can only say to Mr. Brady that from the dawn of the ages, there have been those playing on the fence. If you are on the other side I hope you're not the "fall guy" for them when it all HITS THE FAN!! It will one day you know???! Look over the history of the world, every one of them fell. Pharaoh, Hitler, the Gambino brothers, even Watergate was exposed. It may take awhile, but as Proverbs (from Old Testament in Bible) says, "if you are diggin a hole you'll fall into it" and the wicked suffer at the hand of their own wickedness. See my ex-husband, Mark Padin who lied so much to keep his status has lost that status at PACE Law School as their Director of Academic Resources, as they are trying to hide their participation in the corruption. Good luck to you and them all!!

Letter to Kevin Mckeowen,

If you are really a good guy, and you have a secret plan and/or secret connections that benefit us all, all you have to do is ask me nicely not to question your motives, or to post certain topics, and I will immediately refrain.

There is no need to publish personal information or to write mean, false things about me and to delete my reasonable posts.

Just call me like a normal person and say, "hey, here's the reason I can't allow you to mention Sunny on my blog" and bingo, I will stop.

Otherwise, I have to defend myself, and that makes us both look like squabbling teenagers.

As long as you are on our side against judicial corruption, I am with you 100%. If you are not, I will say goodbye to your blog, and allow you to do whatever it is you are doing.

I have nothing against you.

Thanks Kevin,

Please explain. As far as I know, I am the only person who has contacted the press and released information to the public. How have I hampered the investigation and which investigation is that that I have hampered?

"Why? Because it is only about promoting Wil, nothing else."

Actually its about getting justice for Sunny and protecting the rest of us from being murdered with no investigation. Besides that, I guess its only about me.

My heroes. I know what Frank Brady aka Kevin McKeown has done to advance everyone's causes, even those who write this nonsense on his blog about what a rat he is. He brought Christine Anderson to a Fed Court, revealing on record corruption at the highest levels of NY politics. Her life is in danger as Frank's too for that effort. They have notified authorities, I have seen that first hand as I testified before the NY Senate Judiciary Committee with many others who post here, to an audience that includes,
Senators: John L. Sampson, Eric Adams, John Bonacic, Neil Breslin, John DeFrancisco, Ruben Diaz, Martin Malavé Dilan, Pedro Espada Jr., Ruth Hassell-Thompson, Jeffrey Klein, Andrew Lanza, Kenneth LaValle , Vincent Leibell, George Maziarz, Michael Nozzolio, George Onorato, Bill Perkins, Michael Ranzenhofer, Stephen Saland, Diane Savino , Eric Schneiderman, Dale Volker, George Winner.

All now legally obligated to adjudicate the information on the hearings provided & return results. Frank added credibility, irrefutably, to everyone, including Will's claims. I know Kevin promises stories and actions tomorrow that normally do not post until months later but to date he has lived up to them sooner or later. Not sure what you all are begging Frank to do but I question why you do not file for rehearings of your cases based on the criminal allegations of Anderson that demand not only investigation & discovery but a review of your cases by other courts and judges not polluted by New York's stench. Some of that I smell here. As we know, there will be those who try to derail the efforts of the victims here, they are those who have victimizing you all along with different faces. If you want your cases heard, publish them yourself, is Frank obligated?
I posted the letters regarding Sunny, they were sent to me ad nauseam by Will & Kevin Hall and to my distribution lists endlessly annoying everyone but each told us to get the word out, post documents, save them to hard drives, etc. Nowhere on the letter I posted did it ask me to keep confidential as it could get someone killed - NOWHERE, not even non-disclosure language from the guy at ABC. I asked Frank if people were getting killed what he was doing to protect all those he led to file Federal suits with Scheindlin, did he have a plan for this? I have been told repeatedly that he is a Fed Agent of some sort, he certainly knows everyone in the US District Court & Second Circus. I think

that post has been removed from the blog, can't keep track of our Russian editors strikes & they leave no mark noting the removal. According to Will, Frank and Christine were settling out before her case ever got to trial for big bucks and they were going to Jamaica or some remote island never to be seen again, leaving all those who thought they would get into fed court abandoned. Well we all know that story. I heard Will pining that others nor I would be able to testify at NY hearings & it was all a scam and that Frank promised hearings & they would never happen. Well, we all know that story. I know Frank has a lawsuit or few in progress, 1 involving his dead brother and I do not think Will has a lawsuit (skin in the game) that is active, so what is he pursuing or is it altruistic help at this point? I am not saying anything bad about Will or his actions but I am saying that all of this distraction, intentional or not, is distracting from this blog's purpose, to continue to ask for criminal investigations of the Anderson allegations exposed in Fed Court.

My love always to Frank for his help, Christine, Catherine O'Hagan Wolfe & all those brave souls who for whatever reason have advanced the ball and exposed more and more of the slimy underbelly of New York. Their efforts on my behalf will not be forgotten until someone proves they have done us harm in any way, so far it sounds like sticks and stones. For now, they have risked their lives as far as I am concerned and I would do same for them.

Bat Out of Hell

Westchester Braces for Onslaught of Federal

Corruption Indictments

Informed sources have revealed that Westchester County, along with parts of Rockland, Bronx and Manhattan Counties, are about to be rocked by a series of corruption indictments. Federal Investigators have been working for nearly three years on the ever-growing and wide-spread list of charges, says the source. "The extent of public corruption in Westchester is staggering- a panoply of crime yet uncovered in the United States. The indictments will hit many of New York's most influential in politics, finance and the legal community."

Starting October 29, 2009, we'll be highlighting some of the involved issues..... [View "Westchester Keeping Feds Busy"](#)

In Fairness to the Courts...

It is not easy being a judge, and disgraceful that the public usually only hears about the bad judges. And while this forum attempts to expose the reprehensible acts of corrupt courts, it is important to be fair to the many under-appreciated law-abiding judges and court employees. Judges are grossly under compensated, and must rely heavily on unnamed staff who sometimes carry their own biases and improper political agendas. So let's expose and eradicate the corruption, but we are socially obligated to consider: (1) how do we get our judges adequately compensated; and (2) what specific and constructive suggestions can be made and implemented to insure the integrity of our courts. Send, too, ideas to make the courts a better system for all of us!!

Our year-long investigation has confirmed that the purported judicial "ethics" enforcer, The New York State Commission on Judicial Conduct, is itself a biased, corrupt group that protects certain judges while destroying others who have become targets of the political thugs who control them. Something is terribly wrong when even our honest and law-abiding judges are failed by our justice system. The New York State system of justice is a corrupt process that has all but ruined the faith of the people in their government.
