Did I hear DEFENDANT Jorge Labarga, a key defendant in the Iviewit Federal RICO and ANTITRUST that is legally “related” to a NEW YORK SUPREME COURT WHISTLEBLOWER LAWSUIT by Fed Judge Shira Scheindlin is running for office? Perhaps he should run on a boat back to Cuba to avoid prosecution for his part in the RICO organization or for his part in usurping the People’s votes in Bush v. Gore, leading to the worst period of US history that he will be remembered for. Please, read the following information and if you wish to contact me on how to stop Labarga call me.

Investors burned in these scams should seek redress from the lawyers who were involved.

I personally have been trying to notify regulators & authorities of a ONE TRILLION DOLLAR scam that is putting states like NY & FL at huge risk, as well as, shareholders of companies including Intel, Lockheed, SGI, Warner Bros., Time Warner, AOL & IBM. The states & companies involved in the fraud fail to acknowledge the risk exposing shareholders and citizens to impending MASSIVE liabilities. Investigators, courts, Judiciary Committees & fed agents investigating the crimes & evidence, including a car-bombing attempt on my life. I know how Harry Markopolos felt trying to expose Madoff in a world without regulation.

Did I hear Proskauer Rose is involved in Madoff (involved many clients too) and acted as Allen Stanford’s attorney. Investors who lost money in these scams should start looking at the law firm Proskauer’s assets for recovery. First, Proskauer partner Gregg Mashberg claims Madoff is a financial 9/11 for their clients, if they directed you to Madoff sue them. Then, Proskauer partner Thomas Sjoblom former enforcement dude for SEC and Allen Stanford attorney, declares PARTY IS OVER to Stanford employees and advises them to PRAY, this two days before SEC hearings. Then at hearings, he lies with Holt to SEC saying she only prepared with him but fails to mention Miami meeting at airport hanger. Then Sjoblom resigns after SEC begins investigation and sends note to SEC disaffirming all statements made by him and Proskauer, his butt on fire. If you were burned in Stanford sue Proskauer. Both damning SEC reports on failures of Madoff & Stanford find Proskauer partners mentioned throughout!! Proskauer and Foley & Lardner are also named Defendants in my TRILLION dollar FEDERAL RICO and ANTITRUST LAWSUIT now marked legally related to a WHISTLEBLOWER CASE also in FEDERAL COURT. Marc S. Dreier, brought in through Raymond A. Joao of Meltzer Lippe after putting 90+ patents of mine in his own name, is also a Defendant in my Federal Case. The Trillion Dollar suit according to Judge Shira Scheindlin is one of PATENT THEFT, MURDER & A CAR BOMBING. For graphics on the car bombing visit <http://www.iviewit.tv>.

Prior Press Release re Supreme Court of New York Whistleblower Lawsuit

US Federal Whistleblower Lawsuit (07cv09599) Anderson v The State of New York, et al.  
Criminal Allegations Requiring Senator John L. Sampson’s Immediate Attention. In Judge Shira  
A. Scheindlin’s US Federal Court Whistleblower Christine C. Anderson Reveals a “Cleaner”,  
Naomi Goldstein, at the New York Supreme Court Appellate Division First Department  
ETHICS Committee allegedly Whitewashing Complaints for US Attorneys, DA’s and more, a  
scene more reminiscent of the Gotti Trial on the 26th Floor of the same Federal  
Courthouse...Inventor Eliot Bernstein’s Family Minivan Bombed in US Patent Office Fraud  
files Twelve Trillion Dollar RICO Suit legally “related” by Judge Scheindlin to the Whistleblower  
case (08-4873-cv US Court of Appeals Second Circuit) and US District Court (07cv11196).

Where was the Press through all this, the Right Arm of Anarchy, not a single report in over five  
years regarding a Car Bombing so powerful it blew up three cars next to it in Boynton Beach  
Florida and not a single press story? Where was the Press for the Whistleblower revelations  
of Whitewashing of Complaints by the New York Supreme Court for US Attorneys and  
District Attorneys, a Cleaner at the Ethics Department that regulates Wall Street Lawyers?
