Request for Meeting with Governor Scott pursuant to discussion with the Governor's staff on Tuesday, February 08, 2011.

INTRODUCTION

Dear Honorable Governor Scott,

First, allow me to congratulate you on your new post as Governor of the Great State of Florida, congratulations and may the Holder Dignify the Office. The following Petition to your office involves one of the largest crimes ever committed in the United States and an equally historic cover-up, all beginning in Florida and you can make it end here. Please take immediate action as requested herein, as these matters are also part of an ongoing RICO and ANTITRUST lawsuit in New York that is legally "related" to a New York Supreme Court Attorney, Christine C. Anderson's, whistleblower lawsuit by Federal Judge Shira Scheindlin. Anderson's claims in New York are similar to those

made herein of public office corruption in Florida, elevating to senior state and federal agencies and actors. The list of RICO crimes in my ongoing lawsuit, include but are not limited to, attempted murder through a CAR BOMBING HERE IN FLORIDA, extortion, threats on State and Federal Witnesses, Fraud on the SBA, Fraud on the US Patent Office, fraud on a plethora of New York and Florida State Agencies and more, all requiring your urgent response to this Petition to stop this ongoing RICO criminal activity in the State of Florida.

CASE NO. SC 09-1910

PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS SUBMITTED TO THE GRAND JURY AND FOR OTHER RELIEF

Petitioner, the Iviewit companies¹ and Eliot Ivan Bernstein, acting as Pro Se Counsel, respectfully petitions the Honorable Rick Scott, Governor of the State of Florida, for a written direction to the Florida Department Of Law Enforcement (FDLE) to investigate misconduct in the State of Florida Nineteenth Statewide Grand Jury proceedings, Case No. SC 09-1910 relating to Public Office Corruption by State and Court officials, and for other relief, on the following grounds:

GUBERNATORIAL RESPONSIBILITY

As set forth below upon information and belief, conflicts of interest have been acting to preclude due process through a pattern of Obstruction of Justice in the handling of the Iviewit / Eliot I. Bernstein Criminal Complaint submitted for inclusion to the Florida Grand Jury. Further, these actions are part of an ongoing Criminal RICO Organization with deep tentacles in the Florida Courts and other Florida State Agencies

noted in the complaint materials sent to the Florida Attorney General for inclusion to the Grand Jury. This Criminal RICO enterprise, composed mainly of dirty and rotten lawyers and law firms, who hold title as judges, regulators, court officials and state officials, has increasingly manifested itself through state public official misconduct, that at a minimum constitutes abuse of the public trust and at maximum involves criminal obstruction of justice through denial of due process, effectuated through failure to execute official duties with scienter. The purpose of the RICO enterprise, like any other, is to steal properties from victims and then use the legal system to deny them due process and procedure through a web of conflicts of interest that act to obstruct the victim from Constitutionally protected property rights. As with most RICO enterprises, a government component is put in place, to not only deny the victims but also attempt to vindicate the criminals disguised as public officials through misuse of the legal system.

Under Article IV, Section 1(a), Florida Constitution, the governor "shall take care that the laws be faithfully executed" and commissions "all officers of the state and counties." Id.

"A public office is a public trust." See Art. II, § 8(a), Fla. Const. Moreover, "The people shall have the right to secure and sustain that trust against abuse." Id.

Under Section 943.03(2), Florida Statutes:
Upon specific direction by the Governor in writing to the executive director [of FDLE], the department shall investigate the misconduct, in connection with their official duties, of public officials and employees and of members of public corporations and authorities subject to suspension or removal by the Governor.

As demonstrated herein, laws have not been faithfully executed in Florida by Public Officials and in the Florida Grand Jury proceedings and it is your ultimate responsibility as Governor to see that this harmful and embarrassing spectacle of misconduct and criminal activity by Public Officials and others is rectified.

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

CONFLICT OF INTEREST DISCLOSURES REQUIRED

As a follow up to my call with the Florida Attorney General's office, then the Florida Inspector General's office and finally with members of your office, I first write to request a face-to-face meeting or phone call with you for approximately one hour. I would like to discuss this Petition and your appointment of a State Attorney / Special Prosecutor to handle my Criminal Complaint filed with the State of Florida Nineteenth Statewide Grand Jury.

Prior to any action or determination by any member of your offices on the information contained herein, I am asking that all parties this information may be disseminated or discussed with in any way, including yourself, your staff or counsel, sign, execute and return the attached Conflict of Interest Disclosure fully incorporated herein in Section VI of this correspondence². Please execute the disclosure prior to any action, including but not limited to, dismissal, investigation, transfer, phone conversations, emails, etc. Full disclosure of conflict is required as a number of Defendants in my Federal RICO and ANTITRUST lawsuit (Case No. United States District Court – Southern District of New York 07cv11196 and Case No. 08-4873-cv United States Court of Appeals for the Second Circuit) are Florida politicians, judges, state agencies and state officials, already accused of a mass of conflicts and other felony crimes, including the fact that several are a part of, and some serve directly on, the Florida Grand Jury Panel.

These conflicts already mandated full Conflict of Interest disclosure by all parties prior to any actions on my information submitted to the Florida AG and this appears wholly disregarded by the previous attorney general William McCollum and former governor Charlie Crist. If you are unable to sign the Conflict of Interest Disclosure provided, please contact me directly in writing with whom the complaint transferred to for investigation or how we may proceed.

² **FAILURE TO COMPLY WITH THIS CONFLICT OF INTEREST DISCLOSURE MAY RESULT IN CRIMINAL AND CIVIL CHARGES AGAINST YOU**

SC 09-1910

EXISTING CONFLICTS NOW REQUIRE INVESTIGATION AND FURTHER THE NEED FOR THE GOVERNOR TO APPOINT A NON-CONFLICTED SPECIAL PROSECUTOR TO INVESTIGATE THE ORIGINAL IVIEWIT COMPLAINT MATERIAL SUBMITTED TO THE GRAND JURY. FURTHER, INVESTIGATE THE ALLEGED CONFLICTS OF INTEREST THAT HAVE BLOCKED DUE PROCESS THROUGH OBSTRUCTION AND REMOVE THEM.

I was quite surprised to learn in speaking with the Florida Attorney General's office that my information was already forwarded to the Grand Jury by their offices, without conflict of interest disclosures signed and affirmed as requested and without first waiting to see if Governor Crist was going to appoint a Special Prosecutor. Because there are multiple conflicted parties handling the Grand Jury materials, this flagrant disregard for legal procedures alone, despite notification of such conflicts in advance, already has tainted the Grand Jury entirely in my matter. These actions now require a wholly separate investigation instituted to determine just how this occurred under the prior administration of the Governor and Attorney General's offices.

Please let this Petition serve as a formal request for your intervention and order for an immediate investigation by any Special Prosecutor assigned by your office henceforth in these matters, first vetting existing conflicts, including now screening any person who handled the Iviewit Complaint matters, including but not limited to, the Grand Jury panel members, grand jury members, court officials (who participated in the Grand Jury proceedings) and members of the prior governor's office and attorney general's office involved. The existing conflicts most certainly require the appointment by your offices of a Special Prosecutor³, vetted for Conflicts, as is your duty according to the Florida Attorney General's office and laws cited herein, especially in cases such as this, where conflicts already run thick causing probable Felony Obstruction.

³ §27.14(1), Fla. Stat. "If any state attorney is disqualified to represent the state in any investigation, case or matter pending in the courts of his or her circuit or if, for any other good and sufficient reason, the Governor determines that the ends of justice would be best served, the Governor may, by executive order filed with the Department of State, either order an exchange of circuits or of courts between such state attorney and any other state attorney or order an assignment of any state attorney to discharge the duties of the state attorney with respect to one or more specified investigations, cases, or matters, specified in general in the executive order of the Governor"

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

These factual conflicts deny my complaints against Public Officials due process and procedural rights, resulting in Felony Obstruction of Justice, Aiding and Abetting and more. It should be noted here that my Federal RICO and ANTITRUST lawsuit has been marked legally "related" by Federal Judge Shira Scheindlin to an ongoing New York Supreme Court Attorney Whistleblower lawsuit of Christine C. Anderson, Esquire (Case No. 07cv09599 Anderson v The State of New York, et al.). Anderson, a former attorney/employee of the New York Supreme Court Disciplinary Department confessed to witnessing a plethora of Public Office violations by leading Public Officials while employed in the ethics department of the New York Supreme Court.

PRIOR HISTORY OF THE IVIEWIT COMPLAINT SUBMITTED TO THE FLORIDA GRAND JURY BY THE ATTORNEY GENERAL OF FLORIDA, UNDER THE PRIOR ADMINISTRATIONS OF WILLIAM MCCOLLUM AND CHARLIE CRIST.

In the attached letter from the Florida Inspector General, Chief Inspector General Case # 201009030002⁴ you will find that, Melinda Miguel, in response to my formal submission to the Governor's office concerning the conflicts of interest and request for his intervention and appointment of a Special Prosecutor. While Melinda Miguel responded that the Office of Inspector General for former Governor Crist had no authority to investigate my complaint submitted to their offices, which may be true, they did not notify me until last week that this was not a response by the former Governor to the direct request for intervention submitted⁵. On speaking with the Inspector General's office this week, they made clear that they had not responded on behalf of former Governor Crist, only their offices.

Former Governor Crist on the other hand, appears to have wholly failed to respond or intercede to preclude the conflicts as requested, allowing the conflicts to proceed from the AG's office to the Grand Jury fraught with conflict. This action constitutes further Criminal Obstruction of Justice and other felony crimes, including Aiding & Abetting a Racketeer Influenced and Corrupt Organization (RICO). Therefore, an entirely new grand jury must be convened free of conflicts, to hear the matters that came before the now conflicted grand jury, if in fact the complaint was put before the grand jury at all.

SC 09-1910

In order to illustrate a few examples of conflict and other obstructionary acts already in play, which act to block due process and obstruct justice, already contaminating my case with the Grand Jury, I first point to the Grand Jury's First Interim Report dated on December 29, 2010 @

SC 09-1910

Note, the Report was received and stamped docketed, although unsigned, by Thomas D. Hall, Esq., Clerk of the Florida Supreme Court. Mr. Hall (both personally and professionally), The Florida Supreme Court and its aegis agency The Florida Bar are all named Defendants in my ongoing Trillion Dollar Federal RICO and ANTITRUST lawsuit, setting up absolute conflict with Mr. Hall and ALL members of The Florida

Supreme Court and Florida Bar who are in any way associated with the Grand Jury proceedings. This conflict includes EVERY member of the Florida Bar and the Florida Supreme Court, especially in any direct official capacity of those Public Offices, and may require your offices to now search far and wide, perhaps out of state, perhaps federally, for a non-conflicted party to handle the complaint.

Further conflicts arise as Mr. Hall is also, per the Report "designated clerk of this statewide grand jury and is empowered to deputize any clerk of a circuit court or any deputy clerk of a circuit court to issue necessary process and to carry out the administrative functions of the statewide grand jury." Obviously, Mr. Hall may have conflicts in carrying out his administrative functions with regard to my complaint, which will lead to his imprisonment, and thus his involvement must be negated instantly in these matters as they relate to my complaint. Of course, we must now find out how much influence Mr. Hall and others similarly conflicted may have already had in violation of procedural rules, regulations and laws, directly or indirectly through appointments, in the handling of these matters.

More conflicts arise as the Grand Jury Order to begin Case SC 09-1910 on December 2, 2009, was signed by all of the following Justices of the Supreme Court: QUINCE, C.J., and PARIENTE, LEWIS, CANADY, POLSTON, LABARGA, and PERRY. Justices named as direct Defendants in my RICO and ANTITRUST lawsuit, include but are not limited to, Quince, C.J. Lewis, Canady, Perry, and central to the initial patent theft crimes and attempted murder, Justice Jorge Labarga. These Justices are directly named Defendants in my RICO & ANTITRUST lawsuit and directly named in my complaint information submitted to the Attorney General for inclusion in the Grand Jury proceedings, the conflicts are beyond obvious. These absolute conflicts again further the need now, for not only Conflict of Interest Disclosures from all parties, prior to any further action, but also now require full disclosure of who handled the complaint information and if in fact, the information was presented to the Grand Jury at all.

Judicial Canons

Canon 1. A Judge Should Uphold the Integrity and Independence of the Judiciary
 [1.1] Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence of judges. The integrity and independence of judges depends in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law, including the provisions of this Code. Public confidence in the impartiality of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violation of this Code diminishes public confidence in the judiciary and thereby does injury to the system of government under law.

Canon 2. A Judge Should Avoid Impropriety and the Appearance of Impropriety in All Activities
 (A) A judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

[2.2][2A] The prohibition against behaving with impropriety or the appearance of impropriety applies to both the professional and personal conduct of a judge. Because it is not practicable to list all prohibited acts, the proscription is necessarily cast in general terms that extend to conduct by judges that is harmful although not specifically mentioned in the Code. Actual improprieties under this standard include violations of law, court rules or other specific provisions of this Code. The test for appearance of impropriety is whether the conduct would create in reasonable minds a perception that the judge's ability to carry out judicial responsibilities with integrity, impartiality and competence is impaired.

Canon 3. A Judge Should Perform the Duties of the Office Impartially and Diligently

(B) Adjudicative responsibilities.

(1) A judge shall be faithful to the law and maintain professional competence in it. A judge shall not be swayed by partisan interests, public clamor or fear of criticism.

(2) A judge shall require order and decorum in proceedings before the judge.

(D) Disciplinary responsibilities.

(1) A judge who receives information indicating a substantial likelihood that another judge has committed a substantial violation of this Part shall take appropriate action.

(2) A judge who receives information indicating a substantial likelihood that a lawyer has committed a substantial violation of the Code of Professional Responsibility shall take appropriate action.

(3) Acts of a judge in the discharge of disciplinary responsibilities are part of a judge's judicial duties.

(E) Disqualification.

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned

[3.11][3B(6)(e)] A judge may delegate the responsibilities of the judge under Canon 3B(6) to a member of the judge's staff. A judge must make reasonable efforts, including the provision of appropriate supervision, to ensure that Section 3B(6) is not violated through law clerks or other personnel on the judge's staff. This provision does not prohibit the judge or the judge's law clerk from informing all parties individually of scheduling or administrative decisions.

[3.21][3E(1)] Under this rule, a judge is disqualified whenever the judge's impartiality might reasonably be questioned, regardless whether any of the specific rules in Section 3E(1) apply. For example, if a judge were in the process of negotiating for employment with a law firm, the judge would be disqualified from any matters in which that firm appeared, unless the disqualification was waived by the parties after disclosure by the judge.

[3.22][3E(1)] A judge should disclose on the record information that the judge believes the parties or their lawyers might consider relevant to the question of disqualification, even if the judge believes there is no real basis for disqualification.

Canon 4. A Judge May Engage in Extra-Judicial Activities To Improve the Law, the Legal System, and the Administration of Justice

Canon 5. A Judge Should Regulate Extra-Judicial Activities To Minimize the Risk of Conflict with Judicial Duties

SC 09-1910

Bernstein and Iviewit companies claims of criminal RICO and ANTITRUST activities by certain members of the Florida Supreme Court, the Florida Bar, the Boca Raton P.D., the law firms Proskauer Rose LLP, Foley & Lardner LLP and more. The extent of these claims of Public Office Corruption reach the highest levels of Florida government and thus are germane to the Grand Jury's request for information and stated purpose, "The Office of Statewide Prosecution has established a public corruption hotline for anyone who believes they have information concerning a criminal offense involving public corruption or wishes to suggest issues the Statewide Grand Jury should investigate regarding public corruption.

Below is a communication from Attorney General McCollum in response to my request to his offices for inclusion, whereby he urges me to contact and join your offices of these most serious allegations as well. I am contacting your offices again, as I have contacted them in the past regarding these matters and am asking that your offices take all actions necessary to have these allegations investigated by the Florida Grand Jury your office has convened, as well as, any other criminal actions you may deem appropriate in investigating these matters and notifying the proper authorities of the allegations alleged herein and in the URL links provided herein.

I am happy to provide additional information or testimony relating to the matters to any investigators you deem appropriate or before the Grand Jury. Many of these matters have crossed state lines through the law firms accused and in New York, a NY Supreme Court Whistleblower Christine Anderson, Esq. has identified a Racketeering type organization within not only the NY Courts and NY Disciplinary Agencies but the NY prosecutorial offices, including the US Attorney, the NY Attorney General Cuomo's offices and the NY District Attorneys Office. The allegations rise to senior members of these public offices acting in conspiracy to deprive due process to citizens' complaints against them and in fact, a "Cleaner", Naomi Goldstein of the NY Supreme Court was allegedly according to Anderson whitewashing attorney complaints for these prosecutors. In addition, Anderson claims "favored lawyers and law firms" had their complaints cleaned as well. The Anderson case now also involves Federal Obstruction of Justice in a federal Lawsuit, with death threats on Federal Witnesses on their way to testify in Federal Court. Extortion of state employees is also evidenced in Anderson, replete with physical assaults on the 60 yr. female Anderson, to either aid and abet or else by Senior New York Supreme Court Officials. My Trillion Dollar Federal RICO and

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

ANTITRUST lawsuit filed alongside and in support of Anderson's Historic and Heroic Whistleblower claims, was legally "related" to the Anderson Whistleblower lawsuit by Federal Judge Shira Scheindlin.

Many of the defendants in my Fed RICO and ANTITRUST are located here in Florida, in fact all of my claims began in Florida, as that is where my companies and myself were located at the time the criminal activities were first discovered. Proskauer partners were ordered for Investigation for Conflicts of Interest and Violations of Public office by the New York Supreme Court, in a unanimous consent of five justices of that court but those investigations are now under investigation for their failure to investigate. The allegations in NY are almost identical to those I filed in Florida just different players from the same firms often having infiltrated and violated public offices to deny due process to my complaints in violation of law and attorney and judicial conduct codes. All of my complaints in Florida in the courts and to all state agencies are herein officially requested to be re-opened in light of the revelations of new and damning information revealed in Anderson and new evidence against certain defendants in my lawsuit from Florida. New evidence includes Defendant Proskauer Rose LLP and Partner Thomas Sjoblom's involvement in the ExSir Robert Allen Stanford Ponzi scheme, Sjoblom found aiding and abetting Stanford Employees in a Miami Airport Hanger teaching them how to lie to SEC and FBI investigators. As you know, Proskauer has been sued in a Global Class Action for the entire damages of Stanford, approximately 7 Billion US Dollars. Another thread to Florida is another Defendant in my Fed RICO, now infamous Ponzi schemer, Marc S. Dreier, Esq., who has been sentenced to 20 years for his Ponzi scheme. Greenberg Traurig law firm, who represents the Florida Bar and Florida Supreme Court in my Fed RICO, acting in conflict as Greenberg Traurig was also former Patent Counsel for my companies and myself, where Greenberg has recently been alleged running a large Ponzi scheme in Florida, more information below. SC 09-1910

Complaints filed in Florida with the Florida Bar and Florida Supreme Court are requested to be re-opened by your offices with oversight by your offices to mitigate any further conflicts of interest and violations of Public Offices and law. Complaints filed with the Florida Bar and Florida Supreme Court against, Florida Bar employees, Florida Supreme Court Public Officials, Proskauer Partners Christopher Clarke Wheeler, Esq. who was convicted of Felony DUI with Injury in Florida and Matthew Triggs who violated Florida Bar Rules in handling Complaints in multiple conflicts and violation of public office of the Florida Bar, are also being requested herein to have formal investigations into the matters reheard entirely based on a plethora of new information and evidence against the defendants in those matters and again instituted with oversight of your offices. Similarly, we are requesting that your offices investigate the Florida Civil Court Case Civil Case No. 502001CA004671XXCDAB with new evidence showing a complete fraud on the court was orchestrated by Proskauer and Judge Jorge Labarga of the Florida Supreme Court, prior to your appointment of Labarga to the Florida Supreme Court. I also note that members of your inner staff are formerly with Defendant Foley & Lardner, who acted as Solicitor General to the Florida Supreme Court while my complaints were being reviewed by that Court. I also note that Justice Jorge Labarga and several of the Florida Supreme Court Justice and Court Officials are Defendants in my Trillion Dollar Fed RICO and ANTITRUST lawsuit. I also note that several members or former members of the Florida Bar are Defendants in my Trillion Dollar Fed RICO and ANTITRUST lawsuit. Therefore, I request further that your offices in handling these matters proceed with extreme caution in ferreting out ALL Conflicts of Interest prior to involvement by any party, to preclude further possible charges against members of your office or any other party your offices join into these matters. I have attached a Conflict of Interest Disclosure Form for all parties, including yourself, to sign and return to my office at 2753 NW 34th St. Boca Raton, FL 33434, prior to ANY Actions you take in even considering the matter. As a mass of Conflicts of Interest have been discovered in these matters already and the Whistleblower further identifying a criminal conspiracy within state agencies, this Conflict form is essential to ensuring fair and impartial due process of law by non conflicted parties. Any conflicts identified may be considered based on full disclosure and agreement by ALL parties involved or new non conflicted parties must be retained prior to disclosure of even the most basic information.

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

As these matters in New York and Florida are against some of the highest ranking officials in the states, I know that in New York Anderson and now other related cases and witnesses who testified to the New York Senate Judiciary Committee are seeking various forms of witness protection, I similarly would like to know what options for this type of protection are available to those who come forward in Florida. As a car bombing victim of the RICO Criminal Enterprise, described in my Federal RICO and ANTITRUST lawsuit I feel that certain protections should already have been aailed, in fact, I petitioned the Florida Supreme Court for such once already and this Motion is located at the URL

http://iviewit.tv/CompanyDocs/2004_10_07_Supreme_Court_Florida_Motion_Final_Cert_Signed.pdf

as well as, repeated requests since it was determined by Florida Fire Investigator Rick Lee that accelerants' were the cause of the explosion that blew up three cars next to it, in Boynton Beach Florida. Despite repeated notice to Florida Law Enforcement, as you can see from the previous link they too were involved in the second act that protection from the court was requested for and therefore have never investigated these matters through public office corruption after public office corruption after public office corruption as defined herein and in the attached URL's.

Please make all exhibits and links fully incorporated by reference herein into this letter for formal docketing in the Florida Grand Jury Request of Eliot Bernstein and the Iviewit Companies, each URL may have several URL's, also hereby incorporated entirely by reference herein and for further use by the Grand Jury. As Whistleblower Anderson in a sworn statement has claimed that she witnessed document destruction of investigatory files first hand (Anderson's Statement to the New York Judiciary Committee attached below), please print each and every url in entirety for inclusion into this document and due to the fact that these matters pertain to US Patent Rights of an inventor, please retain these files and information for a period of no less than 20 yrs. There are over a thousand documents at the URL <http://www.iviewit.tv> on the homepage under the Evidence Section on the homepage for your review and for docketing with the complaints and for review by investigators or Grand Jurors. Despite whether the Florida Grand Jury investigates these most serious allegations of corruption at the highest levels of Florida

Government, let this letter also serve as a formal request that your offices begin all necessary notices and/or investigations and notify all investigatory bodies necessary to investigate all those persons named in my Federal RICO and ANTITRUST lawsuit from Florida and notify them of the new evidence and requests for an entire review of all prior actions by any Florida Agency listed herein or in the URL's embedded herein. Please formally notify the following offices of this submission, including but not limited to, the Florida Inspector General (copied herein), the Florida US Attorney, the necessary Florida District Attorneys and the Florida Attorney General of the allegations and information contained herein, please have all parties sign prior to acceptance of ANY materials a Conflict of Interest Disclosure Form, again prior to ANY actions or decisions being rendered or transfer of any confidential information.

World-renowned Inventor of Digital Video & Imaging Mathematical Scaling Formulas, Eliot Bernstein discusses with radio talk show host Les Winston of Disbar the Florida Bar his Trillion Dollar Federal RICO & ANTITRUST Lawsuit, naming the Florida Bar, Florida Supreme Court & Labarga as Defendants. The suit marked "legally" related by Judge Shira Scheindlin to a NY Whistleblower suit filed by a Supreme Court of NY Staff Attorney, Christine C. Anderson, Esq. Bernstein's Amended Complaint @

<http://iviewit.tv/CompanyDocs/United%20States%20District%20Court%20Southern%20District%20NY/20080509%20FINAL%20AMENDED%20COMPLAINT%20AND%20RICO%20SIGNED%20COPY%20MED.pdf>

Anderson alleges the NY Attorney Disciplinary Dept, responsible for the oversight of WallStreet lawyers, has been whitewashing and cleaning disciplinary complaints against attorneys, including US Attorney's, DA's & ADA's. Anderson named a "Cleaner" from the Ethics Dept of the NY Supreme Court, Naomi Goldstein, supervisor at the NY Supreme Court Appellate Division First Department Departmental Disciplinary Committee. No wonder WallStreet melted down & attorney regulators go unpunished for failures after causing massive damage to the American People, only to then leave government positions for cushy law firm partnerships. Anderson claimed staff attorney, Nicole Corrado Esq., on her way to testify at deposition supporting Anderson's suit was threatened & intimidated by a Sr. Court Official regarding giving testimony, creating Federal Obstruction of Justice, Witness Tampering & more by Court Officials.

Bernstein suing the FL & NY Supreme Courts, State Bars & Disciplinary Agencies, claims conflicted members of the courts, partners from Proskauer Rose LLP law firm, the main conspirator in Bernstein's case along with law firm Foley & Lardner, illegally handled complaints against partners while holding official title with the courts & disciplinary agencies. In NY, Bernstein's

Re: PETITION FOR A WRITTEN DIRECTION TO THE FLORIDA DEPARTMENT OF LAW ENFORCEMENT TO INVESTIGATE MISCONDUCT AND APPOINTMENT OF A SPECIAL PROSECUTOR BY EXECUTIVE ORDER TO HANDLE ALL IVIEWIT & INVENTOR ELIOT IVAN BERNSTEIN'S CRIMINAL COMPLAINT MATTERS AGAINST FLORIDA PUBLIC OFFICIALS AND FOR OTHER RELIEF, IN REGARD TO CRIMINAL MISCONDUCT IN STATE OF FLORIDA NINETEENTH STATEWIDE GRAND JURY ON PUBLIC CORRUPTION, CASE NO. SC 09-1910

allegations led to unanimous consent of 5 justice of the NY Supreme Court to have former NY State Bar Association President, Steven Krane, a Proskauer partner, ordered for investigation for conflicts & the appearance of impropriety. Proskauer's Kenneth Rubenstein, the sole (soulless) patent evaluator for MPEGLA LLC, ordered for investigation along with attorney Raymond Joao, who claims to have put 90+ patents into his own name. Bernstein claims patents filed by Joao were during & after the time Iviewit retained Joao to patent inventions for Bernstein, Joao patented them for himself instead. After termination as Iviewit counsel, Joao worked for infamous convicted felon Marc S. Dreier, sentenced July 13, 2009, to 20 years in prison. Thomas Cahill, former Chief Counsel of the First Dept whom Anderson alleges to be the ringleader at the First Dept, ordered for Special Inquiry. Cahill's investigation relates to Krane's conflicts & Cahill's role in aiding and abetting the RICO Criminal Enterprise, which Bernstein claims is composed mainly of corrupt mob type law firms. Anderson under oath in Scheindlin's US Fed Court stated "Cleaner" Goldstein was cleaning complaints against "favored law firms and lawyers".

NY Attorney General Andrew Cuomo fingered by Anderson & Bernstein for illegal representation of the accused NY State Officials in violation of his public office duties. Cuomo represents the State Officials both professionally & personally on the broke NY State taxpayers' dime and Bernstein alleges the NY Attorney General is guilty of Felony Title 18 Obstruction of Justice. Obstruction caused by Cuomo's conflicting his offices with scienter from investigating the accused State Defendants they represent while simultaneously failing to call in a non-conflicted investigator to investigate the Defendants on behalf of the People of NY. Cuomo is duty bound by Public Officer Law 17(2)(b), which dictates the Attorney General not represent State Defendants when conflict with their offices exist.

Yet Cuomo not only represents the State Defendants when conflict exists in both Bernstein and Anderson's lawsuit but has failed to call in any outside investigator to investigate the State Defendants, his clients, creating a block to prosecution & obstructing justice. Cuomo, Eliot Spitzer & the NY Attorney General's office are Defendants in Bernstein's suit. The fact they are Defendants makes the continued representation of the State Defendants by the Attorney General's office bizarre and further illegal. Bernstein filed criminal complaints with the Department of Justice Inspector General Glenn Fine, the US Attorney General Eric Holder

& others regarding the criminal activities of both the NY and FL Officials.

Bernstein is the inventor of digital imaging & video technologies that revolutionized the Internet, Television & Digital Imaging, the technologies valued over a Trillion Dollars over the 20 yr patent life. Bernstein's patents are currently on Suspension with the US Patent & Trademark Office by the Commissioner of Patents while the Office of Enrollment & Discipline (OED)

Director at the US Patent Office, the Federal Patent Bar, investigates Bernstein's attorneys for crimes including Fraud Upon the US Patent & Trademark Office.

<http://iviewit.tv/CompanyDocs/USPTO%20Suspension%20Notices.pdf>

Bernstein claims Federal Bureau of Investigation Special Agent Stephen Lucchesi claimed to be working with Harry I. Moatz, Director of the OED investigating allegations of crimes against the US & more, Bernstein claims Moatz confirmed collaboration with the FBI. Bernstein calls for the end of attorney self regulation & self discipline by their peers, which has obviously failed, in favor of charging attorneys with criminal acts to criminal prosecutors, warning that victims of attorneys, judges and prosecutors who file with attorney run state attorney regulators are doing themselves a disfavor. Bernstein claims the attorneys gain advantage through using the state disciplinary agencies, defending themselves in conflict and gaining confidential information against them, while feathering their caps with conflicted decisions on Supreme Court letterhead. Bernstein along with Anderson, testified before the NY Senate Judiciary Committee in NY @

activity in the stock market & Ponzi schemes to see that all of these schemes are run by law firms. Bernstein claims the Ponzis are illegal money laundering operations for monies illegally obtained by the law firms Criminal RICO Enterprise activities. Bernstein points to recent schemes such as Bernard Madoff, former "Sir" Allen Stanford, Marc S. Dreier & Greenberg Traurig's involvement directly in a Ponzi, as evidence that lawyers are behind the schemes & directly involved in intentionally creating subterfuge of the regulatory agencies that could have prevented these schemes. Where was the Press through all this, the Right Arm of Anarchy, not a single report in over five years regarding a Car Bombing so powerful it blew up three cars next to it in Boynton Beach Florida and not a single press story? Where was the Press for the Whistleblower revelations of Whitewashing of Complaints by the New York Supreme Court for US Attorneys and District Attorneys, a Cleaner at the Ethics Department that regulates Wall Street Lawyers? Has Investigative Journalism died? The technologies are claimed to be used across all Internet and Digital Television providers hosting and distributing video, on Defense applications, Space and Flight simulators, Guidance Systems, Medical Imaging Devices, GPS Mapping like Google Maps, You-Tube, the Hubble Space Telescope and much more. Major Fortune 1000 and Wall street interests implicated in the case include Intel, SGI, Lockheed, IBM, Comcast, Verizon, AOL TW, Yahoo, Universal Studios, Morgan Stanley, CIBC and much more. In what is commonly now referred to as "Patentgate", the attention of Washington, DC and Federal Agencies have been trailing the case for years which involves allegations of Fraud on the US Patent Office and the Attempted Murder of the Inventor's Family by a Car Bombing in Boynton Beach, Florida strong enough to take out 3 cars, images @ www.iviewit.tv .

Bernstein filed a TWELVE COUNT - TWELVE TRILLION DOLLAR Racketeer Influenced and Corrupt Organizations Act (RICO) Federal complaint, the case moved its way in to New York when Bernstein's case was marked legally "related" by Federal Judge Shira Scheindlin, to a Whistleblower Lawsuit of Christine Anderson. Anderson case comes from alleged corruption out of the Supreme Court of NY First Department in Manhattan, which is heading to trial very on October 19, 2009. Major Law Firms and Wall Street interests implicated in the matter include major Defense firm Lockheed Martin, the Intel Corporation, Silicon Graphics Inc and others.

Law firms Proskauer Rose and Foley & Lardner implicated as central players in the theft and fraud on the United States Patent & Trademark Offices, which have led to suspension of the intellectual Properties by the US Patent Office Commissioner are under investigation, the patents suspended while federal investigations continue. Proskauer recently sued for aiding and abetting the Stanford Ponzi scheme and a former SEC Proskauer partner has resigned from the firm, leaving the firm with a global class action for the entire billions stolen by Stanford. Ties to Madoff and Proskauer also abound and Proskauer is also found representing themselves in court against Bernstein their former client, in MASS conflicts of interest.

Re: Request for Federal Investigation Into Allegations of Corruption and Witness Intimidation and Appointment of Federal Monitor

Gentlemen:

My name is Christine C. Anderson. For six and one-half years, I was a Principal Attorney of the New York State Appellate Division, First Department's Departmental Disciplinary Committee (the "DDC"). The DDC is responsible for investigating and disciplining attorneys found guilty of misconduct in representing the public in the Bronx and Manhattan. After discovering and reporting of acts of misconduct and corruption at the DDC, which acts constituted an abuse of power and a fraud upon the public, my employment was summarily terminated in June, 2007.

Prior to my employment with the DDC, I was in private practice for over twenty years. Before that, I worked for the Human Resources Administration of New York City. In other words, I am a thoroughly seasoned attorney, with a broad based knowledge of general practice.

As a result of my wrongful termination in retaliation for my reporting misconduct in violation of my First Amendment rights, I instituted a lawsuit captioned Anderson v. State of New York, et al., 07 Civ. 9599 (S.D.N.Y. 2007). (A copy of my complaint in this action is attached hereto as Exhibit A.) Specifically, I discovered and reported that employees of the DDC had engaged in, inter alia, the "whitewashing" [of] complaints of misconduct leveled against certain "select" attorneys and law firms. This "whitewashing" sometimes involved burying cases or destroying evidence, so that certain complaints were inevitably, unavoidably, dismissed. I witnessed this destruction of evidence myself. Other reported misconduct involves victimizing attorneys lacking privileged positions or connections.

Although the then Chief Counsel of the DDC, Thomas Cahill, stepped down in 2007, evidence clearly establishes that under the leadership of Alan Friedberg, the current Chief Counsel, the same practice of corruption and whitewashing of complaints continues. Such practice robs the public of any hope at justice; it also works to the detriment of the very public the DDC is duty-bound to serve.

During the course of my litigation against the DDC, a former colleague of mine, who still works as a Principal Attorney at the DDC, agreed to testify on my behalf at a deposition.
