## **MOTION TO RE-OPEN BASED ON FRAUD ON THE COURT AND MORE**

The reasons why I am entitled to the relief I seek are the following:

### **I. INTRODUCTION**

1. That on or about 2007-2008, Plaintiff was contacted by an “Investigative Reporter” and former Government Employee, Frank Brady, who later became known as Kevin McKeown (“McKeown”), who later became a “Legally Related Lawsuit”<sup>3</sup>, along with this RICO Lawsuit, to a New York Supreme Court Attorney Misconduct Expert Whistleblower lawsuit of Christine C. Anderson (“Anderson”)<sup>4</sup> and where later it was learned that Brady too, like Anderson was a former employee for RICO Defendant New York Supreme Court Appellate Division First Department, Departmental Disciplinary Committee (“DDC”), who later it was learned has friends in this Court.
2. That initially McKeown stated to Plaintiff and others that he had information regarding Attorney at Law misconduct complaints being mishandled at the New York Supreme Court Appellate Division First Department Departmental Disciplinary Committee (“DDC”) by Chief Counsel of the DDC, Thomas Cahill (“Cahill”) and others. McKeown stated he would be posting a story to his blog, Expose Corrupt Courts (“ECC”)<sup>5</sup> about Cahill and a possible inside Whistleblower that was coming forward with corruption charges that rose to the top of the DDC and more.

---

<sup>3</sup> Case No. 08cv02391 McKeown v The State of New York, et al.

<sup>4</sup> Case No. (1:07-cv-09599-SAS) Anderson v The State of New York, et al.

<sup>5</sup> <http://exposecorruptcourts.blogspot.com>

3. That at the initial time of introduction to McKeown, Plaintiff Bernstein was unaware that McKeown was named anything other than Frank Brady, a name he claimed later was used by several other people he knows. One wonders, who uses the same alias as another and for what, which is still unknown by Plaintiff, as is, how McKeown/Brady orchestrated all of these “legally related” lawsuits with this Court and corralled a number of victims of DDC abuse together and how these mystery puzzle pieces come together to either derail justice or to see justice served in this Court. Yet, as this Motion will show, the time is now for Plaintiff to have discovery of all these mysteries that have led him before this Court, as his life and the life of his lovely wife and beautiful three children are again in extreme danger (the first time resulted in Car Bombing Murder Attempt of Bernstein and his family) and their CONSTITUTIONAL RIGHTS TO PRIVACY, LIFE AND LIBERTY AND DUE PROCESS are now being wholly violated by certain of the Defendants in this RICO and now new other parties, through NEW harassments, abuses of process, theft of inheritances, as will all be defined and evidenced further herein.
4. That as evidenced herein Brady McKeown has released BRAND NEW news articles, which have allegations that DDC ranking members and other Public Officials, conspired to “Obstruct Justice” in lawsuits through a variety of criminal activity, including in the “legally related” Anderson lawsuit and to this RICO and ANTITRUST lawsuit. These newly discovered crimes wholly violate plaintiffs in the lawsuits rights through alleged **FELONY STATE AND FEDERAL OBSTRUCTION OF JUSTICE COMMITTED**

**BY PUBLIC OFFICIALS TO BLOCK DUE PROCESS RIGHTS OF THEIR**

**VICTIMS**, including but not limited to ALLEGATIONS OF,

- i. **THREATS ON FEDERAL WITNESSES,**
  - ii. **ILLEGAL WIRETAPPING,**
  - iii. **MISUSE OF JOINT TERRORISM TASK FORCE RESOURCES AND FUNDS TO ILLEGALLY “TARGET” PRIVATE CITIZENS, JUDGES, ATTORNEYS AT LAW AND OTHERS,**
  - iv. **MISUSE OF THE PATRIOT ACT TO TARGET PRIVATE CITIZENS WITHOUT WARRANT OR CAUSE,**
  - v. **24/7/365 SURVEILLANCE OF WHISTLEBLOWERS AND OTHER “TARGETS” AND**
  - vi. **THE GRANTING OF LAW LICENSES BY DEPARTMENT OFFICIALS TO NON-LAWYERS IN ORDER TO SUBVERT JUSTICE, THESE CRIMINALS DISGUISED AS “ATTORNEYS AT LAW” THEN INFILTRATING GOVERNMENT AGENCIES TO INTERFERE WITH THE GOVERNMENT PROCESSES, INVESTIGATIONS, PROSECUTIONS AND MORE.**
5. That Just “Who is this Masked Man Anyway<sup>6</sup>” as the true identity of McKeown/Brady is critical information to this Lawsuit now, as it is the glue that binds this Lawsuit with the “Legally Related Lawsuits” and ties them all to the following actions,

---

<sup>6</sup> 1933 Radio Smash “The Lone Ranger” by George W. Trendle and Fran Striker

- i. Ongoing New York Senate Judiciary Committee Hearings on Public Office Corruption emanating from the DDC and certain Defendants in this Lawsuit and others, where Plaintiff, Anderson, Brady/McKeown have testified, submitted evidence and await determination from this Committee,
- ii. multiple “Legally Related” lawsuits related by this Court, including all those below that applied for legal relation for similar claims against similar parties,

groundbreaking technology. Now, the opening page of the company website ( [www.iviewit.tv](http://www.iviewit.tv) ) displays unsettling photographs of the inventor's family vehicle after it was bombed.

"This is quite serious," says an investigator close to the federal probe. "The charges allege that valuable 'back-bone enabling digital imaging technology'-- MPEG type intellectual property-- was stolen by the inventor's own attorneys, the once-untouchable Manhattan based law firm Proskauer Rose. This is going to get very ugly," he says.

Members of the U.S. Senate and U.S. House Judiciary Committees have known about the Iviewit investigation since about September of 2006, and it is in our nation's capital where the matter quickly earned its moniker "Patentgate." And the story was also globally known in technical, Intellectual Property circles. But the big question remains: how did such an explosive story like Patentgate stay off every mainstream media's radar screen—especially in New York.

"I know how," says a retired federal agent who asked not to be identified. "Phone calls were made—many phone calls. Plain and simple." And while this retired federal agent isn't surprised by the apparent "cover-up," he is alarmed by his own findings after a month-long independent review of all submitted Iviewit papers. "I can't find one discrepancy in the allegations, not one unsubstantiated charge," he says. "For one, you have the highest state courts in New York white-washing this thing with 'unpublished' rulings. And then you have state ethics committees contradicting themselves-- in writing, no less. It's a complete meltdown," he concludes. "The broken system appears to have finally fallen apart."

"Iviewit was been radio-active from day one," says one prosecutor who asked not to be named. "Considering who was involved, you know the phones were ringing off the hook, and with a simple directive: 'don't go near it' (an inquiry)." He believes, however that a serious shake-up is imminent. "The powers that be can't contain this story anymore—it's out, U.S. Senators and Congressman are talking about it. This involves national Commerce issues: attorneys stealing U.S. Patents from their own client, and the illegal failings

of a state's ethics agency by its own cover-up, and selective, self-dealing, politically-based inaction. Patentgate appears to have exposed the true, and troubling, underbelly of ethics investigations in New York State. And its not pretty."

21. That while this Court struck down Anderson’s motion mentioned in the article above on ridiculous technicalities and presumptions about opinions of what this Court thought about the Threat on a Federal Witness being admissible in Anderson’s lawsuit, this Court despite what it thinks has legal obligations when factually becoming aware of FELONY allegations against another Attorney at Law/Public Official to notify Criminal Authorities to investigate. Failure to report by this Court is a Misprision of Felony. No less, these allegations against Public Officials who made these threats and other egregious acts were reported to this Court heroically and at dire self-risk, by a CREDIBLE EYEWITNESSES ANDERSON AND CORRADO, two ATTORNEY AT LAW MISCONDUCT EXPERTS. Therefore, this Court now has legal obligations to report the misconduct alleged to the proper authorities for CRIMINAL INVESTIGATION or face charges of Misprision of a Felony and for violations of Judicial Cannons, Attorney Conduct Codes and Law.

22. That Plaintiff also claims this Court has been aware of further evidence of alleged CRIMINAL MISCONDUCT EXPOSED IN THIS COURT in the Anderson case, including perjured testimony by Cahill in the Anderson trial, as noted in the after trial notes Hon. Judge Scheindlin read into the record regarding defendant Cahill's perjured statements in this Court, leaving the Anderson lawsuit open to rehearing, as well as for the plethora of conflicts of interest by the Attorney General and misuse of PUBLIC FUNDS to pay for both professional and personal representations of State Defendants.

A federal jury found late Thursday, October 29, 2009 that Thomas Cahill, Sherry Cohen and David Spokony had not fired former Manhattan Ethics Committee staff attorney Christine Anderson in retaliation for her exposure of widespread corruption by the "whitewashing" of complaints against attorneys in the Bronx and Manhattan. Earlier in the day, Judge Scheindlin had found that Cahill, Cohen and Spokony were knowledgeable of the "whitewashing," but that ruling was read into the record in open court only after the jury had left the courtroom. Anderson's legal team is reported to be considering a declaratory judgment action in Federal Court to declare that the defense of Cohen, Cahill and Spokony by the New York State Attorney General's office was improper as it raises a series of conflicts and requires that the defendants be provided independent outside counsel.

<http://exposecorruptcourts.blogspot.com/2009/10/jury-finds-against-anderson-retaliation.html>

23. Plaintiff presumes, after Anderson notifying this Court of these crimes that it would be a criminal act to fail to report the crimes to the proper authorities for proper criminal investigations, obviously the New York Attorney General needs to be investigated as

well and hopefully not by the Attorney General for the misuse of public funds and illegally representing Defendants both professionally and personally in this matter in knowing conflict and other violations of public official rules already pleaded to this Court.

24. That this Court failed to contact State and Federal authorities of these MULTIPLE FELONY CRIMES that were alleged by Anderson in this Court against US Attorneys, DA's, ADA's, the New York AG and Favored Law Firms and Lawyers, all who were alleged to be working together to scrub complaints against each other, in a "you scratch my back" criminal scheme to commit crimes under the Color of Law and misuse public office to then evade prosecution through a myriad of Conflicts of Interest that act to Obstruct Justice and deny due process of those opposing them.<sup>16</sup> That these claims of corruption parallel Plaintiff's claims of corruption by Attorneys at Law in the Amended Complaint and perhaps the reason the Honorable Shira Ann Scheindlin related these cases in the first place.<sup>17</sup>

#### **“FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR NYS ‘ETHICS BOSSES’”**

27. That this story is written and posted by that “Masked Man” McKeown, the article detailing intentional “Obstruction of Justice” against Anderson, The article details an invasion of privacy against Anderson to “OBSTRUCT JUSTICE” that is so outrageous as to completely have prejudiced not only the Anderson related lawsuit but this Lawsuit and every lawsuit “Legally Related” to Anderson by this Court.

Selected Quotes from this story,

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former NYS attorney ethics committee insider that various illegal actions were employed by New York State employees to target and/or protect select attorneys.

For purposes of this article, a first in a series, the former insider will be referred to as "The Cleaner's Man" or "The Man."

#### **The Cleaner**

During the wrongful termination case of former Manhattan ethics attorney Christine Anderson, it was revealed that New York State

employees had a nick-name for supervising ethics attorney Naomi Goldstein. Naomi Goldstein was, "The Cleaner."

### **"Ethics" Retaliation Machine Was Real.**

The focus of this initial article concerns the 1st and 2nd judicial department, though the illegal methods are believed to have been utilized statewide in all 4 judicial departments.

The Cleaner's Man says that he would receive a telephone call from Naomi Goldstein, who would say, "we have another target, I want to meet you..." The Man also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel, were knowledgeable of all of Naomi Goldstein's activity with him and his team.

The meetings, he says, were usually at a park or restaurant near the Manhattan Attorney ethics offices (the "DDC") in lower Manhattan, however he did over time meet Goldstein at his office, the DDC or in movie theater- a venue picked by Naomi. Goldstein would provide her Man with the name, and other basic information, so that the Man's team could begin their "investigation."

The Man specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson]."

The Man says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7. The Man says he viewed the improperly recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Anderson should not, however, feel like she was a lone target. According to The Man, "...over 125 cases were interfered with..." And there were dozens of "targeted" lawyers, says The Man, adding, that the actions of his teams were clearly "intentionally obstructing justice."

If Ms. Goldstein had identified the Ethics Committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem.

The Man has a nice way of explaining his actions, the "authority" to so act and, he says, over 1.5 million documents as proof.....  
The U.S. Attorney is aware of The Man and his claims....”

<http://exposecorruptcourts.blogspot.com/2013/02/update-on-attorney-ethics-committees.html>

From that story,

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former New York State attorney ethics committee insider that various illegal actions were employed by New York State supervising employees to target and/or protect select attorneys.

**The Cleaner**

Many of the most powerful attorneys in the United States are licensed to practice law in New York State, and if the business address for that lawyer is located in The Bronx or Manhattan, legal ethics is overseen by the Departmental Disciplinary Committee (the "DDC"), a group that falls under Manhattan's Appellate Division of The NY Supreme Court, First Department.

A few years ago, and during a wrongful termination case involving a former DDC ethics attorney, Christine Anderson, it was revealed that DDC employees had a nick-name for a supervising ethics attorney, Naomi Goldstein. "Ethics" Supervising Attorney Naomi Goldstein was known as "the Cleaner."

### **"Ethics" Retaliation Machine Was Real**

There are usually cries of "retaliation" whenever charges of violating regulations of attorney ethics rules are lodged against a lawyer. However, an investigation of activity at the DDC for a ten year period reveals startling evidence of routine and improper retaliation, evidence tampering and widespread coverups.

Importantly, an insider, who says he was involved in the illegal activity, including widespread wiretapping, has provided the troubling details during recent interviews. He says he supervised the teams that acted illegally. The insider says that he was Naomi Goldstein's 'man' - The Cleaner's 'man' - and that he would simply receive a telephone call from Naomi Goldstein, and who would say, "we have another target, I want to meet you..." He also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel- and now in private practice helping lawyers in "ethics" investigations, were part of, and knowledgeable of, the illegal activity.

The meetings, the insider says, were usually at a park or restaurant near the DDC's lower Manhattan ethics' offices, however he did over time meet Goldstein at his office, inside the DDC or in movie theater- a venue picked by Naomi. Goldstein only needed to provide him with the name and other basic information, so that his team could begin their "investigation."

He specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson,]" the former DDC staff attorney who had complained that certain internal files had been gutted of collected evidence.

Naomi's "man" says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7.

He says he reviewed the illegally recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Attorney Christine Anderson should not, however, feel like she was a lone target. Initially, Goldstein's "man," indicated that "...over 125 [attorney] cases were interfered with...." But a subsequent and closer review of approximately 1.5 million documents has revealed that there may have been many hundreds of attorneys, over the ten-year-period, involved in the DDC's dirty tricks, focused retaliation and planned coverups.

Previously identified "targeted" lawyers were only numbered in the "dozens," but that was before the years-old documents were reviewed. In initial interviews, the insider says that if Ms. Goldstein had identified the DDC ethics committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem. But targets, it is now revealed, were not always identified as having a law license.

The DDC insider also says that litigants (most of whom were not attorneys) were also DDC targets. The on-going document review continues to refresh the memory of the insider, after initially only remembering names from high-profile cases involving "big-name" attorneys. But one fact remains constant, says the insider- the actions of his teams were clearly and "intentionally obstructing justice."

Not only were attorneys targeted for 24/7 wiretapping of their personal and business phones, but judges in New York also became victims of the illegal whims of political insiders, according to a former insider who says he supervised parts of the operation for years.

<http://ethicsgate.blogspot.com/2013/02/judges-were-illegally-wiretapped-says.html>

### **Ethicsgate**

According to the source, one New York "ethics" legend, Alan Friedberg, was "very well known" to those conducting the illegal wiretapping activity. Friedberg, who has become the poster child for unethical tactics while conducting "ethics" inquiries, appears to have been present in the various state offices where illegal wiretaps were utilized. Friedberg worked for the New York State Commission on Judicial Conduct (the "CJC") before running the Manhattan attorney "ethics" committee as chief counsel for a few years. Friedberg then resurfaced at the CJC, where he remains today. The CJC investigates ethics complaints of all judges in New York State.

### **Judges Deserve Justice Too, Unless Political Hacks Decide Otherwise**

While court administrators have effectively disgraced most judges with substandard compensation, it appears that at least the selective enforcement of "ethics" rules, dirty tricks and retaliation were equally employed on lawyers and judges alike.

According to the insider, targeted judges had their cellphones, homes and court phones wiretapped- all without required court orders. In addition, according to the source, certain courtrooms, chambers and robing rooms were illegally bugged.

A quick review of notes from over one million pages of evidence, according to the insider, reveals that the "black bag jobs" included: NYS Supreme Court Judge, the Hon. Alice Schlesinger (Manhattan), Criminal Court Judge, the Hon. Shari R. Michels (Brooklyn) and NYS Supreme Court Judge, the Bernadette Bayne (Brooklyn).

Selected Quotes from that story,

New York State Governor Andrew Cuomo has been formally requested to immediately shut down the offices of The Commission on Judicial Conduct (the "CJC"), the state agency charged with overseeing the ethics of all judges in the Empire State. The request comes from a public integrity group after confirmation that the CJC has been involved in illegally wiretapping and other illegal "black bag operations" for years.

Governor Cuomo is asked to send New York State Troopers to close and secure the state's three judicial ethics offices: the main office on the 12th floor at 61 Broadway in Manhattan, the capital office in Albany at the Corning Tower in the Empire State Plaza, and the northwest regional office at 400 Andrews Street in Rochester.

The Governor is asked to telephone the Assistant United States Attorney who is overseeing the millions of items of evidence, most of which that has been secreted from the public- and the governor- by a federal court order.

Governor Cuomo was provided with the direct telephone number of the involved federal prosecutor, and simply requested to confirm

that evidence exists that certain state employees in New York's so-called judicial "ethics" committee illegally wiretapped state judges.

The request to the governor will be posted at [www.ethicsgate.com](http://www.ethicsgate.com) later today. (Media inquiries can be made to 202-374-3680.)

**RE: Illegal Wiretapping of NYS Judges and Attorneys by  
“Ethics” Entities**

Dear Senator,

On February 15, 2013, we formally requested that Governor Cuomo contact the Assistant U.S. Attorney handling a sensitive federal case wherein credible evidence, in the millions of documents currently under court seal, support the allegation of the widespread illegal wiretapping of New York State judges and attorneys over at least the last ten years. In addition, other individuals- unrelated to that sealed federal matter- allege the exact same illegal activity.

The illegal wiretapping is alleged to have been directed by named senior personnel (and NYS employees) at the Commission on Judicial Conduct (the “CJC”) and by at least two of the state’s 4 judicial departments’ attorney ethics committees.

We are, of course, confident that Governor Cuomo is taking decisive action regarding these troubling allegations, and we are now requesting that you, as a New York State Senator, begin a comprehensive review of the troubling issues.

As we are all aware, certain corrupt forces in New York have caused tremendous damage to the very soul of this great state. Now, the improper actions have accomplished the “ultimate corruption” - they have compromised and corrupted New York’s so-called “ethics oversight” entities.

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about the state’s so-called “ethics” oversight entities. (Additional information is available at [www.Reform2013.com](http://www.Reform2013.com))

Accordingly, it is requested that you direct someone in your office to act as the liaison regarding this Ethics Corruption, and that he or she be in contact with us so that we may best communicate information to your office. Please have your designee contact us at their earliest convenience. Thank you.

Very truly yours,

**RE: FORMAL COMPLAINT AGAINST NEW YORK  
STATE EMPLOYEES INVOLVING  
CONSTITUTIONAL VIOLATIONS, INCLUDING WIDESPREAD  
ILLEGAL WIRETAPPING**

Dear Mr. Moossy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping, inter alia. As these individuals were in supervisory positions at “ethics oversight” committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney “ethics” committees.

The NY state-employed individuals herein complained of include New York State admitted attorneys **Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.**

At some point in time shortly after 9/11, and by methods not addressed here, **these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the “JTTF”).** These

**individuals completely violated the provisions of FISA, ECPA and the Patriot Act for their own personal and political agendas.** Specifically, these NY state employees essentially commenced “black bag operations,” including illegal wiretapping, against whomever they chose- and without legitimate or lawful purpose.

To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here, as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods (“set-ups”). The aftermath of such abuse for such an extended period of time is staggering.

It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful “black bag operations,” and, further, that certain

NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani's claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan's attorney "ethics" committee, the Departmental Disciplinary Committee (the "DDC"), which includes allowing cover law firm operations to engage in the practice of law without a law license. Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees supervised the protection of the unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants.

Evidence also supports the widespread illegal use of "black bag operations" by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, to set-up anyone who had been deemed to be a target, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics "departments," but also in matters beyond the borders of New York.

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees- all of startling proportions.

The "set-up" of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently

incarcerated. The trial judge, U.S. District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, “I have never heard anything like the facts of this case. I don’t think any other judge has ever heard anything like the facts of this case.” (2nd Circuit 11cr2763)

The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.

The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.

The thwarting of new evidence involving a mid 1990’s “set-up” of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan)

The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)

The eToys litigation and bankruptcy, and associates of Marc Dreir, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.

The “set-up” and “chilling” of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.

The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear Sterns and where protected attorney-client conversations were recorded and distributed.

The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately disbarred- in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weissshaus v. Fagan)

Additional information will be posted on [www.Reform2013.com](http://www.Reform2013.com)  
The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February 15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

35. That in the ECC stories from June 27, 2012 through February 28, 2013 listed herein a Pattern and Practice of Public Office Corruption is apparent, with now admitted Felony Obstruction of Justice by the person contracted to violate “targets” rights, committed by New York Public Officials that are Defendants in this lawsuit and matching identically the types of CRIMINAL CONSPIRATORIAL OBSTRUCTIONS revealed in the Anderson lawsuit. After speaking with the source of the story McKeown, on information and belief, Plaintiff and the other “related” suits were also “targets.” These are inconceivable allegations of Public Officials targeting not only other Public Officials and Whistleblowers such as Anderson and Corrado but private citizens in lawsuit against them. Public Officials committing CRIMINAL ACTS to intentionally OBSTRUCT JUSTICE using, on information and belief, ILLEGALLY OBSTAINED PUBLIC RESOURCES and FUNDS to finance and operate these criminal activities and obstructions. That these acts committed to “Obstruct Justice” in these proceedings, through a variety of racketeering style behavior, aid and abet further the criminal activities of Defendants in the Anderson lawsuit and the legally related lawsuits and continue to violate Plaintiffs rights through continued denial of due process and procedure, through continued legal process abuse and continued Fraud on this Court.

#### **IV. DENIAL OF COUNSEL THROUGH EXTORTION AND MORE**

36. That these events have deprived Plaintiff not only Due Process under Law from the Obstructions but these Obstructions are unique, as they come from Attorney at Law Regulatory Agencies that are named Defendants in this RICO and which have added a new level of Obstruction in denying Plaintiffs the ability to seek legal counsel due to their control over the legal processes and over Attorneys at Law. That any Attorney at Law after reading the exhibited articles herein would be crazy not fearing becoming the next “target” of the Attorney at Law Regulatory Agencies and being disbarred, fired, blackballed or worse. Where the Criminal RICO Enterprise described in the Amended Complaint and RICO Statement is composed mainly of alleged Criminals who are disguised as Attorneys at Law and through misuse of these legal titles (according to the stories many illegally gained for now a decade),

- i. the Criminal Legal Cartel operates a variety of Law Firms to run complex legal crimes, for example, bankruptcy scams, real estate scams, securities scams, estate scams, family court scams and more.
- ii. the Criminal Legal Cartel employs Criminals who are disguised as Attorneys at Law and peppered with legal degrees that may be false degrees according to the articles herein with non-lawyers being handed legal “degrees” by the “Cleaner” Goldstein.
- iii. the Criminal Legal Cartel employs Criminals disguised as Attorneys at Law to act as Judges in State and Federal Cases.

iv. the Criminal Legal Cartel employs Criminals disguised as Public Officials whom are inserted into various government agencies both state and federal to derail any investigations into their criminal activities.

37. That the articles cited herein clearly show that the alleged Criminals are disguised as Attorneys at Law and any Principled and Ethical Attorneys at Law that are attempting to **help** Plaintiffs prosecute these Criminals disguised as Attorneys at Law then become targeted by other Criminal Attorneys at Law who are misusing their Public Offices and illegally using a mass of public funds and resources to then target Good Guy Whistleblowers like Anderson and Corrado. Anderson and Corrado two credible experts in ATTORNEY MISCONDUCT COMPLAINTS, trying to do the right thing by helping victims, who then risk their lives to expose before this Court these schemes of their superiors gone rogue, including those at the highest outposts of the New York Supreme Court Attorney at Law Regulatory Agencies and look how wonderfully they have been treated, including by this Court.

38. That these news articles when viewed through the eye of an Attorney at Law looking to help Plaintiffs, who sees that they too will be “targets” and disbarred or worse, now acts to block Due Process by denying and disabling Plaintiffs rights to have honest Attorneys at Law represent their cases who do not fear this kind of “targeted” blowback and retribution. Especially when the retribution is from the very legal regulatory agencies that control their licenses to practice law and that can strip them of their license and livelihood if they help Plaintiffs that will prosecute and expose them for their crimes.

The New York Supreme Court Disciplinary Departments are in fact seen as the alleged Criminal Villains in these articles, accused of Infiltrating and Subverting Government Agencies for personal gains and

- i. “targeting” innocent civilians like Plaintiff and stealing their assets and properties through complex legal schemes as described in the RICO Statement in the Amended Complaint and then further victimizing them through legal process abuse, as is exemplified in each of the legally related cases to Anderson,
- ii. violating the United States Joint Terrorism Task Force by misusing public funds and resources to target innocent parties (this may constitute Treason or some form of High Crime and Misdemeanor<sup>18</sup>),
- iii. violating the Patriot Act against targeted innocent civilians for personal gains (this may constitute Treason or some form of High Crime and Misdemeanor )
- iv. violating the rights of Whistleblowers and other “targets” by misusing public funds and resources against innocent civilians,
- v. targeting judges that are trying to uphold justice and prosecute these corrupted state regulatory agencies actors in the courts, however, since almost all judges are now Attorneys at Law, they too are under oversight of the Attorney at Law Disciplinary

<sup>18</sup> “The charge of high crimes and misdemeanors covers allegations of misconduct peculiar to officials, such as perjury of oath, abuse of authority, bribery, intimidation, misuse of assets, failure to supervise, dereliction of duty, conduct unbecoming, and refusal to obey a lawful order. Offenses by officials also include ordinary crimes, but perhaps with different standards of proof and punishment than for nonofficials, on the grounds that more is expected of officials by their oaths of office.” [http://en.wikipedia.org/wiki/High\\_crimes\\_and\\_misdemeanours](http://en.wikipedia.org/wiki/High_crimes_and_misdemeanours)

Committees and State Bars that are exposed to be controlled by the Criminal Legal Cartel Law Firms top down.

39. That the number of crimes alleged in just this last paragraph is too overwhelming to count and so disabling to our System of Jurisprudence and Government as to constitute a Treason on the United States Government via a Coup D'état to disable Law at the Highest Outpost of Law. A lawless legal system disabling the laws that regulate Wallstreet Lawyers, who are really alleged criminals disguised as Wallstreet Lawyers and yes these very same criminals are now found behind the collapse of world markets and yes, the fox is in the henhouse and humanity is being slaughtered and there is no justice and so this Court must now make a stand to join force with either injustice or justice and restore law and order, one court at time, starting here. The foxes are criminals with Attorney at Law licenses dressed in a variety of governmental roles, including but not limited to, US Attorneys, DA's, ADA's, Justices, Prosecutors, Regulators, Corporate Executives and more, working to disable laws, failing to prosecute crimes for their friends, failing to recover stolen monies, failing to return stolen homes and now destroying millions upon millions of lives of American's and citizen's worldwide. Again, this is not some fantastic phantasmagorical hallucination from a hookah smoking caterpillar, this is evidence is from CREDIBLE EYEWITNESSES, including but not limited to, TWO NEW YORK SUPREME COURT ATTORNEY AT LAW DISCIPLINARY DEPARTMENT EXPERTS AND THEIR WHISTLEBLOWING TESTIMONIES, NOW AN INSIDER WHO WAS CONTRACTED TO COMMITTED

THE ILLEGAL ACTS and the outstanding heroic efforts of the legally related cases Plaintiffs who have suffered the tyranny of this group of rogue Attorneys at Law, some for twenty years or more.

40. That while the 6<sup>th</sup> Amendment was designed primarily for criminal defendants, there are also special circumstances, like those in this RICO Lawsuit and all the legally related Anderson lawsuits that would allow this Court to grant similar rights in civil cases. Granting counsel that is vetted for further Conflicts and where these new and hopefully honest Attorneys at Law could instantly be protected from backlash from the Regulatory Agencies in order to represent these cases and ensure the rights of all these HEROIC Plaintiffs and Whistleblowers, who have risked their lives to expose the corruption. This Court must ensure due process through the right to counsel, especially, where the right to counsel has been interfered with by the alleged criminal acts. Obviously these Corrupted Attorneys at Law will not self-regulate and prosecute themselves, however, as in this case, they will represent themselves against their former clients in conflict and violate wholly their due process rights and their privacy rights and more to win at any cost. The more disturbing part is that these flagrant Abuses of Process and alleged felonious acts are allowed by the Court's, no matter how egregious the violations of law, violating the victims further in the courts with the Judge's blessing and enabling rulings and orders to further shut down the victims, their "targets," making the courts and justices rubber stamping the insanity merely tools of the Cartel.

41. This Court cannot over look yet another “insider” and now another CREDIBLE EYEWITNESS AND PARTY TO THE CRIMINAL OBSTRUCTIONS named in the articles further herein, now turning evidence over to the US Attorney with admission to having been ILLEGALLY CONTRACTED TO ILLEGALLY WIRETAP ANDERSON, FOLLOW HER LIKE SHE WERE A TERRORIST, ILLEGALLY WIRETAP JUDGES CHAMBERS, HOMES and even DRESSING ROOMS and SURVEIL THEM LIKE ANIMALS and to top it off, do these same crimes against CIVILIAN “TARGETS,” in efforts to intentionally “Obstruct Justice” after committing crimes against them. Now another INSIDER who claims to have been contracted to perform these illegal Obstructions by several Defendants in this RICO and others in Public Offices comes forth and what is this Court doing about it. Apparently this Court has been working tirelessly with Proskauer and the New York Attorney General to try and frame Plaintiff for Contempt and busy counting page numbers in Plaintiff’s filing as their logic for contempt (Plaintiff will provide better ammo at the end of this Petition for Contempt charges against him), as anyone who looks at this lawsuit can see the Defendants have no defenses other than to OBSTRUCT JUSTICE AND DENY DUE PROCESS.

42. The Insider in the articles, Frederic Celani is claimed in the articles to be working with Federal Agents and has already turned over evidence that includes video/audio recordings, eyewitness accounts of Public Officials meeting him in odd places, millions of documents and statements that he was contracted to **“Target” victims with the direct intent to Obstruct Justice in this Court** and what is this Court’s response, to date.

NOTHING, other than to threaten Plaintiff with Contempt Charges for telling the truth, despite the number of pages it takes, which is voluminous indeed as the number of crimes against him have been in the hundreds as pled perfectly in the Amended Complaint and RICO statement. Can't make this shit up.

**V. RE OPEN AND REHEAR BASED ADDITIONAL NEW EVIDENCE OF NEW RICO CRIMINAL ACTS COMMITTED AGAINST PLAINTIFF BY SEVERAL DEFENDANTS IN THIS RICO, INCLUDING BUT NOT LIMITED TO, ABUSE OF LEGAL PROCESS, THEFT OF INHERITANCE, POSSIBLE INVOLVEMENT OF DEFENDANTS IN THE ALLEGED MURDER OF SIMON L. BERNSTEIN.**

43. That the criminal acts against Plaintiffs and others rights to privacy and property described herein again illustrate a pattern and practice of new and ongoing RICO activity against Plaintiff and again reveals misuse of Public Offices by criminals disguised as Public Officials, who are providing continued cover for criminal activities, usually run through rogue Law Firms, used to infiltrate and derail due process and commit FRAUD ON THE COURT(S) and FRAUD in Regulatory Agencies and Prosecutorial offices, as evidenced by CREDIBLE EYEWITNESS WHISTLEBLOWERS in the related Anderson case and by Celani. These are not claims made by Pro Se Plaintiff of a legal conspiracy, or some high minded "conspiracy theory," instead these claims are from long standing

and outstanding members (heroes) of the legal system, credible experts in the art of Attorney at Law Misconduct who make these claims of Conspiracy deep inside the legal framework that wholly expose the innards of the criminal RICO cartel that has consumed the legal framework system, disabling law and order top down.

44. That this is irrefutable evidence of massive corruption this Court can no longer deny and no longer make silly claims that Plaintiff's has failed to state a claim, or pled to many pages etc., this is irrefutable evidence of a massive conspiracy affecting directly both this Lawsuit and Plaintiff and his family's rights to life, liberty and the pursuit of happiness. A threat to every US Citizen of a corrupted judiciary. Provisions against Conspiracies to Interfere with Civil Rights (42 U.S.C. § 1985) 42 U.S.C. § 1985 grants a civil cause of action for damages caused by various types of conspiracies aimed at injuring a person in his/her person or property, or denying him/her a Federal right or privilege. § 1985 mainly deals with three instances of conspiracy: those aimed at preventing an officer from performing his/her duties; those aimed at obstructing justice by intimidating a party, witness, or juror; and those aimed at depriving a person's rights or privileges.

45. That the following NEW legal actions involving Plaintiff and certain Defendants in this Lawsuit, including but not limited to, central conspirators of the original criminal acts of Intellectual Property Theft from Plaintiff by his retained Intellectual Property Law Firms, Defendants Proskauer, Greenberg Traurig and Foley & Lardner, show a continued pattern and practice of criminal activity designed against Plaintiff to cause harms in a variety of ways, typical of a Criminal RICO Enterprises.

46. That in each of the legal actions described below, other than the estate actions, it should be noted by this Court that Plaintiff Bernstein is the defendant in almost all of them and is somehow or another dragged into these actions regarding himself, the Iviewit companies and his Intellectual Properties, without any service, due process or procedure. In each case, all roads lead back to a nexus of Defendants involved in this RICO, the central conspirators of the over 5,000 Defendants in this case, as evidence further herein.
47. That Plaintiff is inserted into these legal actions in bizarre and illegal ways, with judgments and rulings allegedly against him and his companies, defaming him and accusing him in rulings by judges and published articles worldwide of Felony crimes he has never been tried or prosecuted or even accused of. All efforts to smear, gain false judgments and garnish bogus liens against him, including in actions he has never been a party too nor asserted defenses on his behalf in. In many of the following cases Plaintiff did not even know the cases existed until after rulings and determinations were made.
48. That these continuing conspiratorial acts are designed to continue legal process abuse against Plaintiff, in order to,
- i. harass and defame him through legal process abuse,
  - ii. to commit theft of personal property and inheritance through legal process abuse,
  - iii. to gain false judgments and liens against Plaintiff through legal process abuse, liens to pursue if Plaintiff is to receive an expected inheritance before they can steal it all,
- and

iv. to target and shut down individuals and others who are publishing information regarding Plaintiff's RICO, the legally related cases, Your Honor and many of the Defendants in these cases and trying to get TRUTHOUT.

49. That all of these legal process abuses are committed through new Frauds on a variety of courts and Frauds on Public Offices, as defined further herein. The list of new legal actions involving Plaintiff and key Defendant Law Firms and Attorneys at Law, include but are not limited to all of the following:

## **VI. ABUSE OF PROCESS CLAIMS**

### **1. OBSIDIAN FINANCE GROUP, LLC ET AL. V. COX CASE NO. 3:11-CV-00057-HZ (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL PLEADINGS, ORDERS, ETC.)<sup>19</sup>**

50. That on January 2011 Obsidian V. Cox was Filed in the District of Oregon.

51. That this case involves Crystal Cox ("Cox") who is an investigative journalist reporting on the Plaintiffs and Defendants in the Anderson and Legally Related Cases and reporting upon the actions and inactions of this Court.

52. That Cox has now also become the target of several central Defendants of this RICO and ANTITRUST Lawsuit through LEGAL PROCESS ABUSE and more.

53. That now these same Defendants in this RICO are now inextricably bound to the Obsidian lawsuit.

54. That upon my knowledge, information and belief, The Obsidian Finance Group v. Crystal Cox trial was in November of 2011 and there was a \$2.5 million dollar verdict rendered to Cox. At that time and at all times, Cox was the only named and served defendant in that case, the only defendant on trial, and the only defendant a judgment was ordered against.
55. That six months after a judgment was issued against Cox in the case, which is now on appeal with the famed First Amendment Rights Attorney at Law and Professor Eugene Volokh, Esq., Professor at UCLA School of Law who is representing Cox, attempts were made to add Plaintiff Bernstein via a “Supplemental Motion” to the Obsidian lawsuit as a defendant and have him added to the 2.5 Million Dollar Judgment in effect. After the case was already decided and where Plaintiff was not ever before a party.<sup>20</sup>
56. That several hours after the filing of this “Supplemental Complaint” the Judge struck it from the record, as indicated in the Docket report below.

05/11/2012	<a href="#">136</a>	<b>STRICKEN per order of 5/11/2012.</b> Supplemental Complaint. <del>(statutory fee exempt status selected)</del> Jury Trial Requested: Yes. <sup>20</sup> SUPPLEMENTAL COMPLAINT (FRAUDULENT TRANSFER)  
<http://ia600403.us.archive.org/9/items/gov.uscourts.ord.101036/gov.uscourts.ord.101036.136.0.pdf>

		In any motion for leave to file a supplemental complaint, plaintiffs are requested to thoroughly address, with relevant authority, the following issues: (1) this Court's jurisdiction over the matter given that a Notice of Appeal has been filed; (2) whether a supplemental complaint is allowed post-judgment; (3) why the alleged fraudulent transfer claim should be raised in a supplemental complaint as opposed to bringing it in a new action. Ordered by Judge Marco A. Hernandez. Copy of this order emailed and mailed to defendant Crystal Cox. (mr) (Entered: 05/11/2012)
--	--	---

57. That upon my knowledge, information and belief, the District of Oregon court by Judge Marco Hernandez (“Hernandez”) within hours denied this FRAUDULENT attempt to add Bernstein as a defendant in the lawsuit after the fact and yet this reveals another instance of attempted Fraud on that Court through Abuse of Process by these criminals disguised as Attorneys at Law in efforts to secure a judgment against Plaintiff and further defame and harass him. However, despite this attempt being denied by that Court, Plaintiff now appears to be a defendant on the docket of that lawsuit, despite never having been a defendant in the case or ever being served in the suit and this acts to defame and damage Plaintiff despite the ruling to strike Plaintiff as a defendant. Anyone looking up the case for example at Pacer sees Plaintiff as a defendant and may presume the Judgment was rendered against him too. That this constitutes further RICO acts against Plaintiff in harassing him through further Abuse of Process and more.

58. That upon my knowledge, information and belief, the District of Oregon court strikingly however failed to docket a single counter defendant sued by Cox in her counter complaint and yet made sure to get Plaintiff center stage billing on the docket for such a brief appearance.

59. That upon my knowledge, information and belief, David S. Aman (“Aman”) is a lawyer with Tonkon Torp Law Firm (“TT”) in Portland Oregon. Aman is counsel for Obsidian Finance Group and Kevin D. Padrick (“Padrick”), in the legal action Obsidian Finance Group v. Crystal Cox. ( District of Oregon 3:11-cv-00057-HZ ). Aman was involved in the Summit bankruptcy in which Cox, an investigative blogger had been reporting on for three years. Aman was named in an objection to the fees legal action filed by Stephanie Studebaker DeYoung (“DeYoung”), and other Summit bankruptcy investors and creditors. Aman deposed Cox’s “source”, the Summit bankruptcy whistleblower DeYoung years prior to Obsidian Finance Group v. Crystal Cox, and knew the role that Cox played in the reporting of the Summit bankruptcy case. Aman filed a legal action against Cox for 10 million dollars, on behalf of Padrick, bankruptcy trustee. This legal action was to shut down the blogs of investigative blogger Cox, as these blogs exposed the details of a \$40 million dollar Oregon bankruptcy. These blogs also expose and link to the details of the Iviewit companies Intellectual Property thefts and wholly cover this RICO lawsuit and the related lawsuits. The blogs also tie the involvement of TT clients Enron and Intel and where Plaintiff alleges that attempted thefts of Plaintiff’s Intellectual Properties were the primary reason by which Enron collapsed through their Enron Broadband Division and led to Arthur Andersen’s collapse, as pleaded previously to this Court.

60. That upon my knowledge, information and belief, in December of 2011, after a phone conference with Cox, Porn Industry Attorney Marc “Marco” J. Randazza (“Randazza”)

of Randazza Legal Group (“RLG”) began negotiating a deal with Aman, attorney for Obsidian. Randazza had no agreement with Cox to represent her and was attempting to stop Cox from appealing Obsidian v. Cox to the Ninth Circuit. Randazza allegedly conspired with Aman to negotiate a deal to stop the appeal, and did not ever tell Cox what the details of this negotiation were. Cox later found out from another attorney of the first amendment bar of Randazza’s actions. Randazza had told members of the bar that he represented Cox in the matter of her appeal, and so other Attorneys at Law stayed away from Cox. Randazza’s back door dealings and negotiations were exposed by UCLA professor Eugene Volokh to Cox and Volokh has now become Cox’s counsel, retained under contract with Mayer Brown for her appeal.

61. That upon my knowledge, information and belief, in retaliation, early in 2012, Randazza of RLG, conspired with Attorney Aman, to set Cox up for the crime of Extortion. Aman initiated this defamatory campaign with an email out of context to the New York Times that was one email out of 5 in a settlement negotiation with Cox. Aman and Randazza conspired to discredit and defame Cox and together convinced Judge Hernandez that extortion had been committed and from there, the world through Big Media and legal bloggers ran with the story that Cox had extorted them, though no extortion complaint was ever filed against her, nor any charge of such in their complaint against her. Allegedly, Randazza assisted Aman in attempting to seize blogs and domain names and shut down the reporting of Cox, by filing motions for a receiver named Lara Pearson

whom Randazza had used before in the Righthaven cases. This receiver was to take domain names and blogs of Cox and domain names belonging to Plaintiff.

62. That after gaining this ill-gotten, erroneous and unconstitutional judgment, TT Attorney at Law Aman and Padrick then conspired with journalists for the New York Times, Forbes and others, to publish stories that would use this judgment to discredit and defame Plaintiff and Cox further by falsely creating an appearance that they were involved and convicted for criminal activities and more.

65. That RICO Central Conspirator Defendant Proskauer files this WIPO action in an attempt to scrub the web of Cox's websites by seizing and shutting down her sites and domains

that contain news articles that report and investigate this RICO Lawsuit and the Legally Related lawsuits.

66. That Proskauer lost to Cox in these WIPO actions.
67. That Proskauer had attempted to choose a panelist, a one Attorney at Law Peter L. Michaelson (“Michaelson”) to hear these WIPO actions who in the end however was disqualified for unknown reasons at that time. That later Plaintiff learned that Michaelson is wholly conflicted with, including but not limited to, Defendants in this RICO Proskauer, Rubenstein, Judith Kaye, MPEG and other Defendants, how typical of Proskauer to try and slip a conflict in.

**4. CZECH ARBITRATION COURT - ADMINISTRATIVE PROCEEDING NO. 100472 (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL COMPLAINTS, SUBMISSIONS, RULINGS, DETERMINATIONS, ETC.)**

70. That Self Acclaimed “Porn Industry” Attorney at Law, Randazza, files complaints with this international intellectual property agency in attempts to seize domain names from Cox that have his name in the URL and have many links to this RICO and suppress her blogs and at the same time defame her and Plaintiff.
71. That on June 2012 Randazza filed a CZECH Complaint against Cox and Plaintiff. The Czech Arbitration Court case worker was Tereza Bartoskova. The Czech Arbitration Court case number was Administrative proceeding No. 100472. This domain name dispute was filed by Randazza. It was filed against Cox and again Plaintiff was inserted and then without notice this case was withdrawn as Cox prepared and filed her response. Czech Arbitration Court case Administrative Proceeding No. 100472 is hereby included as evidence into this case, in its entirety, including but not limited to, all documents, emails, filings, answers, phone records and all information in this case.
72. Czech Arbitration Court case Administrative proceeding No. 100472 was cancelled after months of document and exhibit submissions by Randazza as well as Respondent. Cox’s answer was filed. Randazza did not notify Respondents, Plaintiff and Cox that he had withdrawn the complaint. Randazza then, at some point after this, and with no reason as to why the Czech case was cancelled, filed a WIPO Dispute with the same claims. In July

2012, Randazza filed a WIPO Complaint against Cox and again, Plaintiff is inserted from start to finish.

**5. WORLD INTELLECTUAL PROPERTY ORG (WIPO) - (EP) D2012-1525 (COMPLAINANT MARC RANDAZZA) (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL COMPLAINTS, SUBMISSIONS, RULINGS, DETERMINATIONS, ETC.)**

73. That this complaint was never served on Plaintiff and no response was tendered in his defense of this matter, which falsely accuses and defames Plaintiff, stating he has committed “Extortion” and more.
74. That a decision was reached by a one person panelist, this time amazingly by Michaelson, they very guy Defendant Proskauer tried to have in their WIPO complaints but was refused, now ignores his conflicts, which precluded his involvement in the Proskauer WIPO action listed above and jumps right in. Michaelson denies repeated formal written requests by Cox for disclosure of conflicts and fails to affirm or deny. Michaelson then makes determinations in the matter that outright accuses Plaintiff and Cox of the criminal act of “Extortion” and more, which then goes on to be Published in MAJOR NEWS PUBLICATIONS, defaming and harassing Cox and Plaintiff and accusing them publically in Official Proceedings and the Press of crimes they had never been accused or tried for. Sounds eerily similar to the claims of Celani in the ECC articles when referencing those who were set up intentionally for crimes that were 100% bogus.
75. That Plaintiff had never been charged at that time or any time with extortion in a criminal or civil matter, nor has he ever been accused, prosecuted or tried for such crime but with

Michaelson's decision claiming such false and fabricated accusations, a false media campaign was bolstered by an illegally rendered decision and word spread purposely and from a small spark a wild fire of defamatory press has ensued.

76. That Cox has filed a RICO and a Defamation lawsuit and Plaintiff will soon follow against all those involved.

77. That WIPO has no legal capacity to rule on criminal matters or to allege publically in a decision that anyone is acting criminally based on their findings, without that person being found guilty by the proper criminal authorities, yet this is exactly what happened, again illustrating another abuse of process that defames Plaintiff.

78. That again the WIPO panelist that makes these defamatory claims is conflicted to Defendants in this RICO Proskauer Rose, Kenneth Rubenstein, MPEG, Judith Kaye and others, as fully exhibited in Cox's filings in the action, and whereby all filings of this WIPO complaint are hereby incorporated in entirety by reference herein.

79. That in the WIPO decision by Michaelson, he quotes from David Carr of The New York Times in a published article<sup>21</sup>, "Ms. Cox, who calls herself an 'investigative blogger,' has a broad range of conspiratorial/journalistic interests. She has written that Bruce Sewell, the general counsel of Apple, 'aids and abets criminals'; that Jeffrey Bewkes, the Chief Executive of Time Warner, is 'a proven technology thief'; and that various Proskauer Rose lawyers have engaged in a pattern of 'conspiracy,'" in order to make Cox look not credible in reporting on Bruce Sewell, General Counsel of Defendant Apple, former

General Counsel of Defendant Intel and on Defendant Time Warner Inc., BOTH who are directly involved in the iViewit case. Thereby, David Carr of the New York Times is found using "big media" that is well trusted by the public, in order to discredit the iViewIt Technology story, this RICO Lawsuit and the "Legally Related" lawsuits and acts to further defame and slander Plaintiff.

80. That Randazza through the aid of New York Attorney Michaelson acting in conflict and who upon being repeatedly requested to affirm or deny conflicts by Cox fails to either confirm or deny his conflicts with Kenneth Rubenstein, MPEG LA, and Ex Supreme Court Judge Judith Kay. That Michaelson in essence frames Plaintiff and Cox with charges of "Extortion" through misuse of an international agency and further illegally seizes domains and Intellectual Properties of Plaintiff and Cox.

81. That Michaelson, WIPO sole Panelist in the decision, frames, defames and slanders Plaintiff and Cox in an internationally published domain name and intellectual property decision of WIPO,

"After the Complainant challenged her use of all the disputed domain names, the Respondent offered the Complainant her fee-based "reputation management" services through which the Respondent would 'clean up' the Google search engine results regarding the Complainant and thereby improve the Complainant's on-line reputation, presumably by eliminating her commentary and ceasing further use of the disputed domain names. Her general conduct in that regard, though aimed against others than the Complainant, is discussed in various news articles, a copy of which appear in Annexes M, N, O, and P to the Complaint. Specifically, as reported in 'When Truth Survives Free Speech', The New York Times, Business Day - Media and Advertising, September 11, 2011

(a copy of this article appears in Annex M to the Complaint), the author states: "... Ms. Cox, who calls herself an 'investigative blogger,' has a broad range of conspiratorial/journalistic interests. She has written that Bruce Sewell, the general counsel of Apple, 'aids and abets criminals; that Jeffrey Bewkes, the chief executive of Time Warner is a 'proven technology thief'; and that various Proskauer Rose lawyers have engaged in a pattern of 'conspiracy'.

...Whenever she gets in a fight with someone, she frequently responds by creating a domain with the person's name, some allegation of corruption, or both. .. In order to optimize visibility to Web Crawlers, she often uses the full name and title of her target, and her Websites are filled with links to her other sites to improve their search ranking. She has some 500 URLs at her disposal and she's not afraid to use them."

82. That Michaelson, WIPO sole Panelist, Marc J. Randazza v. Reverend Crystal Cox, Eliot Bernstein, Case No. D2012-1525, States, "Fourth, Respondent Cox exhibited bad faith in transferring ownership of some of the disputed domain names to Respondent Bernstein, who merely served as a proxy of the former, in an attempt to evade liability (via so-called "cyberflight") under the Policy." This is entrapment, as Plaintiff received domain names in receivership and part of no cyberflight, and Plaintiff was not, nor is not now a "Proxy."

while continuing the defamation that Plaintiff and Cox are now guilty of the crime of extortion and more.

88. That Plaintiff has recently learned that he may also be a defendant in this suit. While Plaintiff has not been legally served this complaint, it appears from the Pacer listing that once again Plaintiff has been added to a complaint without proper notice or service and according to the docket judgments have been entered against him.
89. That once again, Defendants of this RICO & ANTITRUST are involved in this action against Cox and now apparently Plaintiff directly as a Defendant, including but not limited to, Defendant Greenberg Traurig who now shows up.
90. That Judge Gloria Navarro ("Navarro"), in District of Nevada Case 2:12-cv-02040-GMN-PAL stated, "The Domain Names at issue in this case were registered by Defendant Crystal Cox some of which were listed under proxy, Defendant Eliot Bernstein..." The Footnote in regard to this statement refers to Randazza making this claim to Judge Navarro as fact. (Docket Entry 14, Page 2 of 12).
91. That Plaintiff was not a "proxy" and therefore Judge Navarro defamed Plaintiff in claiming this to be a fact and therefore this became part of a ruling to seize Intellectual Properties of both Cox and Plaintiff, which was exposing those involved in this RICO and the "Legally Related" lawsuits. For the Navarro to claim Plaintiff is a "proxy" in this situation is to suggest criminal activity and that Plaintiff was aiding Cox in hiding alleged "assets", yet another criminal allegation and therefore upon my knowledge and belief,

this represents alleged entrapment and criminal conspiracy between Judge Navarro and Randazza.

92. That Navarro, in District of Nevada Case 2:12-cv-02040-GMN-PAL through an unlawful, unconstitutional TRO, Preliminary injunction, removed online news sites that contained investigative reporting regarding the Iviewit companies and the unethical action of Randazza via this abuse of process.
93. That Navarro, in District of Nevada Case 2:12-cv-02040-GMN-PAL, Docket Entry 14 granted Randazza a mass of domain names, with no due process to Plaintiff or Cox and Navarro also states on page 6 and in the footnotes that "Defendants" (this includes Plaintiff), is guilty of acquiring domain names, intellectual property in "bad faith" and discusses the offering of a domain name that allegedly had adverse content on it regarding Randazza, which is false information and is also entrapment to suggest "Defendants" are in conspiracy in a "bad faith" extortion scheme. These are criminal allegations by Navarro in a Civil Case, cleverly designed to discredit, defame and harass Plaintiff and Investigative Blogger Cox who is reporting on the Iviewit story, this Lawsuit and the "Related Lawsuits."
94. That Navarro, in District of Nevada Case 2:12-cv-02040-GMN-PAL, Docket Entry 14, page 8, accuses Plaintiff of "cyber-extortion," which is criminal. Judge Navarro is not "Immune" from prosecution for these false allegations in judicial rulings based upon materially false information regarding crimes that were never committed, prosecuted or tried and where there has been no prosecution or charges of such crimes against Plaintiff

and Cox. Therefore, these decisions appear intended solely to defame and harass Plaintiff and Cox further and discredit the iViewit companies, this RICO lawsuit and the “Legally Related” cases.

95. That Page 1, Document 41, District of Nevada Case 2:12-cv-02040-GMN-PAL, is a Ruling, which also accuses Plaintiff of being a "proxy", which is a criminal allegation. Document 41 also grants Randazza a Preliminary Injunction that violates the First Amendment Rights of Plaintiff and Cox, as it removes massive online content without First Amendment adjudication first, going wholly in opposite of long standing precedence.
96. That District of Nevada Case 2:12-cv-02040-GMN-PAL, Docket Entry 39 Grants a Default Judgment against Plaintiff whom has never been legally served in this case or received any communications from this Nevada court.
97. That it appears that Ronald Green (“Green”) of RLG, who at the time of filing this complaint against Cox and Bernstein, had just recently jumped from working at Defendant Greenberg Traurig’s law firm (in the intellectual property group no less) to RLG, just in time to prepare in undisclosed conflict, the purported service papers served in this lawsuit to Plaintiff.
98. That Roxanne Grinage (“Grinage”) was hired and retained by Plaintiff to perform legal services for Plaintiff. Grinage was under retained legal contract with Plaintiff and Grinage was given proprietary, confidential, privileged information in this process, regarding the highly complex details of the iViewit companies, including but not limited

to, information regarding intellectual properties, highly sensitive and confidential information related to business negotiations and federal, state and international investigation information and all legal actions Plaintiff is involved in.

99. That as a prudent standard of practice, Grinage at her request was copied in emails to executives of technology companies Plaintiff was negotiating with and other important legal communications, as she was under contract with Plaintiff and performing related tasks and legal contract work for Plaintiff on these contacts. It was important to keep Grinage in the communication loop in these matters, as they pertained to past and future legal work in which Grinage was under contract to perform for Plaintiff.
100. That in one such series of confidential email communication, regarding communications with Apple executives Steve Dowling and Bruce Sewell, regarding a website owned by Plaintiff, [www.stevedowling.com](http://www.stevedowling.com) that contained information regarding Plaintiff's complaint to the SEC regarding Sewell and Intel while he was General Counsel at Intel and notifying Dowling who had released an Apple press release announcing Sewell's arrival at Apple of Sewell's involvement in the Technology Thefts of Plaintiff while at Defendant Intel and the SEC complaint filed against Intel naming Sewell.
101. That Dowling had contacted Plaintiff to see if he would sell him back the website [www.stevedowling.com](http://www.stevedowling.com) and where Plaintiff believes that Sewell was behind this call attempting to entrap Plaintiff into an extortion scheme where Plaintiff would extort Dowling with some extreme number "or else." However, none of that happened as Plaintiff offered no amount and no "or else" but rather Plaintiff used the opportunity

instead to give notice to Apple executive Dowling that Apple and Intel were Defendants in the Amended Complaint and would be sued in all forthcoming legal actions and also give formal notice that Apple was infringing on Plaintiff's Patent Suspended/Pending technologies and that he should immediately notify Apple shareholders of their liabilities or Plaintiff would be forced to notify the SEC and others of their failure to account properly for liabilities under FASB and more. Finally, Plaintiff notified Dowling that he was now absolutely aware of the lingering liabilities over a decade of use of Plaintiff's technologies after reviewing the contents of [www.stevedowling.com](http://www.stevedowling.com) that he was attempting to purchase from Plaintiff.

102. That Plaintiff then began a series of follow up emails with Dowling and Sewell to negotiate a possible license deal with Apple that would settle the infringement and remove them from the civil RICO action and future legal actions and thereby avoid the necessity of reporting these major liabilities to their shareholders and others.
103. That Plaintiff copied Grinage in these email communications with Apple, as this was a standard of practice in order to keep Grinage up to speed regarding the ongoing communications and negotiations as she had requested. Grinage, a copied recipient on the emails from Plaintiff then suddenly and for unknown reasons began a campaign to sabotage and defame both Plaintiff and Cox in the ongoing negotiations with APPLE executives that were crucial to iViewit companies investors and iViewit companies inventors, derailing possible settlement talks regarding the issues contained in these

confidential emails by suddenly interjecting herself into the negotiations fraught with allegations of criminal acts by Plaintiff and Cox.

104. That Plaintiff also copied in this series of email communications investigative blogger Cox, who had been reporting on the iViewit story for 3 years and had posted a blog on the website [www.stevedowling.com](http://www.stevedowling.com) , notifying Dowling of the liabilities associated with Sewell and Apple.
105. That Grinage then suddenly and without warning began replying to the copied recipients in a massive breach of contract and without conference with Plaintiff or Cox prior. These replies by Grinage to those same Apple executives, attorneys and officials involved in this confidential legal communication attacked, defamed, and discredited Plaintiff and Cox, stating that they were running an extortion plot against Apple executives and others and other defamatory and slanderous accusations. Accusations that suddenly turn up in a number of the legal process abuse cases cited herein.
106. That after this series of events Plaintiff immediately ceased working with Grinage who then sought retaliation by conspiring further against Plaintiff and Cox with Defendant Randazza to further defame and harass Plaintiff and Cox through broadcasted messages making wild allegations of criminal activity against Plaintiff, again allegations that have no factual basis.
107. Cox named Grinage in her counter complaint filed in Randazza v. Cox (District of Nevada Case 2:12-cv-02040-GMN-PAL) that was dismissed by that Court without proper adjudication, despite Grinage accepting service and preparing to answer the

complaint as Grinage had sent notice to Cox and all those involved in Randazza v. Cox, except of course Plaintiff, of her anticipated response and counter response to Cox's filed counter complaint. Grinage also sent certified motions to the District of Nevada Court of Judge Navarro, to enter into the case and thereby proving her acceptance of service in that lawsuit. However and suspiciously, this motion by Grinage and the accompanying documents she filed were never placed on the Randazza v. Cox docket or entered into the record, in fact, Grinage was not even entered as Counter Defendant in the docket or case. Immediately after Grinage's filings Judge Navarro dismissed Cox's counter complaint all together, denying her the right to counter sue and denying Grinage's right to answer.

108. Cox then named Grinage as a defendant in a new suit that Cox was ordered by Navarro to file in substitute of the denied counter complaint, alleging that Grinage is acting in conspiracy to defame and harass Plaintiff and Cox with other defendants named in her RICO and this RICO.

111. That in effort to suppress Cox's right to file a counter complaint, knowing of her impoverished condition, a condition wholly caused from these Abuse of Process Lawsuits filed to Harass and Defame her and strip her of her sites that expose the Criminal Cartel and force her to bankruptcy through judgments garnered through Fraud on that Court. Judge Gloria Navarro even has issued a ruling that Cox had to file a brand new lawsuit for the counter complaint. The legal rationale for this Order was that Cox's counter complaint addressed the ongoing conspiracy against Cox due to her publications in relation to the Anderson lawsuit and this RICO lawsuit. It should be noted here that there are an overabundance of related Defendants in both of Cox's cases and Cox provides excellent linkage for this Court to determine exactly who and how they have related to conspire against her rights, through almost identical Obstruction of Justice and Abuse of Process as described in the Anderson lawsuit and the legally related to Anderson lawsuits. **13. SHIRLEY BERNSTEIN ESTATE PROBATE CASE IN THE CIRCUIT COURT FOR PALM BEACH COUNTY, FL ESTATE OF SHIRLEY BERNSTEIN CASE NO. 502011CP00653XXXXSB (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL PLEADINGS, ORDERS, ETC.)**

123. That Plaintiff has filed in Probate Court, attached and fully incorporated herein as Exhibit 3, on May 06, 2013, an

**EMERGENCY PETITION TO: FREEZE ESTATE ASSETS, APPOINT NEW PERSONAL REPRESENTATIVES, INVESTIGATE FORGED AND FRAUDULENT DOCUMENTS SUBMITTED TO THIS COURT AND OTHER INTERESTED PARTIES, RESCIND SIGNATURE OF ELIOT BERNSTEIN IN ESTATE OF SHIRLEY BERNSTEIN AND MORE.**

That this Petition contains all the details regarding the relations of this RICO lawsuit to the attempted theft of estate assets in both of Petitioner's parents estates and further includes Prima Facie evidence of document Forgery, Fraudulent Documents and deficient

notarizations in the estates that are all included in entirety by Exhibit herein. The Petition describes how Petitioner's father was allegedly murdered, claims made by others, not Plaintiff and a trail of document forgery and alleged extortion in both parents estates.

124. That Plaintiff has prepared for this Probate Court, a **REVOCATION OF: WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE**, a copy of that document is evidenced herein in [EXHIBIT 4](#). The reason for the withdrawal is that the document is Fraudulent and Forged and has affixed a fraudulent notarization.
125. That the Probate court on November 05, 2012, almost two months after Plaintiff's father died, sent back Waivers that were signed month's earlier by Plaintiff's DECEASED FATHER SIMON and siblings to be notarized. AMAZINGLY MONTHS AFTER HIS DEATH, PLAINTIFF'S DECEASED FATHER SOMEHOW APPEARS BEFORE A NOTARY TO NOTARIZE HIS DOCUMENT and this FORGED AND FRAUDULENT DOCUMENT was then re-submitted to that Court and evidenced herein in [EXHIBIT 5](#), as Prima Facie evidence of Fraud and Forgery in the estate documents submitted by counsel to the Estate Tescher & Spallina, P.A. ("TS")
126. That when the Probate court sent back the document for notarization, the old documents in all instances of the Waivers on File in the court, the Children's and their Deceased Father's, had been intentionally shrunk and therefor altered to affix a fraudulent notary

public seal to fit it all on the page. The signatures were then craft fully forged to resemble the prior signatures on the dates in the past and resubmitted to that court.

127. That one cannot notarize documents in the past, the same document that did not initially have a notary seal on them, yet now magically or more aptly criminally, they all came back notarized. Further, Plaintiff alleges that he himself never notarized such document with the named Notary or the lawyers for the Estate and on information and belief neither did several siblings and certainly Petitioner's deceased father could not have notarized the document.
128. That Plaintiff alleges that there are other crimes being committed in the estate of Shirley and Simon and again the crimes are being committed by RICO Defendants defined in the Amended Complaint. It appears that Defendant Proskauer has now recruited new friends into the RICO Enterprise, soon to be added as additional Defendants in this RICO, who are now involved as not only the estate planners for Plaintiff's parents but now the Personal Representatives of the estates. They have anointed themselves Personal Representatives through a series of documents in both Simon and Shirley Bernstein's estates, that all appear fraudulent and deficient.
129. That it should be noted here that Donald Tescher of Spallina & Tescher was honored with an induction party to a very select group, which was funded and promoted by RICO Defendant Proskauer. Information regarding this relationship is found at the Jewish Federation site, in an article titled, "Caring Estate Planning Professionals to Honor Donald R. Tescher, Esq. at Mitzvah Society Reception on March 27" Published Sunday,

March 4, 2012 7:00 am | Category: PAC.28 That the article states “The Mitzvah Society Cocktail Reception is generously sponsored by BNY Mellon Wealth Management; Law Offices of Tescher & Spallina, P.A.; Proskauer; and Life Audit Professionals, LLC,” where the honoree was Donald Tescher. Where it is clear from the article that RICO Defendant David Pratt of RICO Defendant Proskauer Rose is extremely close with Spallina and Tescher, claiming “It is my honor and privilege to welcome the community to join our annual Mitzvah Society Reception,” said David Pratt, who is co-chairing the event with Robert Spallina. “Once again, we gather to celebrate the accomplishments of those dedicated and caring professionals who have helped their clients create meaningful planned gifts for the benefit of our Jewish community and global Jewish family through the Anne and Norman Jacobson Jewish Community Foundation. We are also excited to inaugurate three new members: Jodi Lustgarten, Jon Sahn and Robert Spallina, bringing our Mitzvah Society ranks to a proud 55!” That it should be noted by this Court that the time of the induction into this “society” is in close approximation to the time Simon Bernstein becomes deathly ill and spirals to his death, never recovering and where Spallina is having him make major changes to his estate plan only six weeks before death.

130. That Plaintiff is overwhelmed with legal actions filed against him worldwide as already described herein and these estate actions are designed to strip Plaintiff of his inheritance that his parents had taken elaborate steps to protect as a safety net for Plaintiff’s family

---

<sup>28</sup> <http://www.jewishboca.org/index.php?src=news&refno=869&category=JCF>

due to an extended history of Defendants filing abuse of process legal suits and other criminal actions to bankrupt and destroy Plaintiff, for example the Proskauer referred friends Defendants Real 3D, Intel, Lockheed & Silicon Graphics, Inc. who tried an Involuntary Bankruptcy on Plaintiff's companies that failed and the Proskauer Rose billing lawsuit and the theft of several million dollars of SBA funds and investments from Plaintiff's companies whereby Fraud and Theft were used to deprive Plaintiff any monies to fund any defense against them.

131. That central conspirators in this RICO, Plaintiff's former Intellectual Property counsel and key Defendants, including but not limited to, Proskauer Rose, Foley & Lardner, Greenberg Traurig and Goldstein Lewin are all now involved in the estate matters of Simon and Shirley Bernstein and now appear part of the larger Fraud on that court as described in the draft letter to that Court evidenced herein.
132. That this conspiratorial effort acts as further evidence of new Criminal RICO activity and further Abuses of Process in the estate matters and appear to be an attempt to steal the estate of Simon and Shirley Bernstein and deprive Plaintiff of his inheritance entirely, which these Defendants know could be used by Plaintiff to launch further legal actions against them.

**14. SIMON BERNSTEIN ESTATE PROBATE CASE IN THE CIRCUIT COURT FOR PALM BEACH COUNTY, FL ESTATE OF SIMON LEON BERNSTEIN CASE NO. 502012CP004391 IZ XXXX SB (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL PLEADINGS, ORDERS, ETC.)**

133. That Plaintiff has filed in Probate Court, attached herein Exhibit 3, on May 06, 2013, an

**EMERGENCY PETITION TO: FREEZE ESTATE ASSETS, APPOINT NEW PERSONAL REPRESENTATIVES, INVESTIGATE FORGED AND FRAUDULENT DOCUMENTS SUBMITTED TO THIS COURT AND OTHER INTERESTED PARTIES, RESCIND SIGNATURE OF ELIOT BERNSTEIN IN ESTATE OF SHIRLEY BERNSTEIN AND MORE.**

134. That this Petition contains all the details regarding the relations of this RICO lawsuit to the attempted theft of estate assets in both of Plaintiff's parents' estates and further includes Prima Facie evidence of document Forgery, Fraudulent Documents and Deficient Notarizations. Again, all the alleged criminal acts, as in this RICO, primarily committed by criminal Attorneys at Law that are members of Defendant The Florida Bar. The Petition describes how Plaintiff's father was allegedly murdered, claims made by others, not Plaintiff, and a trail of document Forgeries, Fraud on the probate court (as the Forged and Fraudulent documents were then submitted to that court) and alleged Extortion of Simon Bernstein to force him to make changes in the estate plans of both parents estates. Forcing him to change even his deceased wife's estate plan.

135. That RICO Defendant Proskauer Rose submits the exhibit 1 to the Will of Simon Bernstein evidenced herein as Exhibit 6, which Exhibit is not referenced in the Will at all

and Proskauer Rose is not the law firm who did the last Will of Simon and this therefore raises the question of why it was inserted into the Will by Tescher and Spallina as a part of the Estate of Simon in that court's docket other than to become part of a larger Fraud on the Court and more.

136. That an Amended Trust signature page, evidenced herein as Exhibit 7 is submitted to the court in this estate and is not properly notarized, as neither checkbox for "appeared" or "known to the notary" is checked, in a document that attempts to make major near death bed changes to a long established estate plan that was changed under duress by a Law Firm that already submitted Fraudulent Documents to that court in Shirley Bernstein's estate evidenced already herein. That counsel for Simon Bernstein, Tescher and Spallina submits these improperly notarized documents to the Court to attempt to effectuate these changes forced upon Simon.
137. That the failed notarization page also is disturbing in that the Amended Trust Document was prepared by TS, and gave them powers as Personal Representatives of the Estate through this document. TS is also estate counsel and Spallina then Witnesses the document he created giving himself rights in the Estate. This document supposedly is signed by Simon approximately six weeks before his death, while under tumultuous physical and mental problems requiring almost weekly medical care that spiral out of control to his death almost immediately after signing these near deathbed changes, as fully described in the Exhibit 3, hereby fully incorporated by reference in entirety herein.

138. That Case No. 502012CA013933XXXX, Stansbury v. Ted Bernstein et al. is a lawsuit with a claim against the estate, where RICO Defendant Greenberg Traurig acts as counsel to Plaintiff's brother Theodore. However, after Plaintiff points out to his brother and Spallina that Greenberg Traurig is conflicted with assets of the estates, including but not limited to the approximate 30% interests held in the Iviewit Companies, the Iviewit Intellectual Properties and this RICO lawsuit, Greenberg Traurig suddenly withdraws as counsel in the matter, months after the lawsuit was instituted.
139. That on information and belief, Plaintiff alleges that there are other crimes being committed in the estate of Shirley and Simon, including theft of assets and again the crimes alleged committed are by RICO Defendants defined in the Amended Complaint. Monies are alleged to be missing now in the transfer of monies from the infamous and NOW CONVICTED FEDERAL FELON Allen Stanford's Bank to JP Morgan and then to Oppenheimer, changes and transfers in these accounts again taking place immediately prior to Simon's death. Where now accounts eyewitnesses claim to be worth millions of dollars the day before his death, now are claimed to have nothing left in them.
140. That Simon Bernstein has given a Deposition, deposed by Defendant Proskauer Rose in the Proskauer instigated felonious billing lawsuit as described in the Amended Complaint that fingered Defendant Kenneth Rubenstein of Proskauer as having been Iviewit patent counsel. That these statements completely refuted Rubenstein's claim under deposition in that lawsuit, whereby Rubenstein claimed that he knew nothing about Iviewit and was not Patent Counsel, despite a litany of evidence contradicting his claims.

141. That after that deposition and after the CAR BOMBING ATTEMPTED MURDER OF HIS SON, Simon felt that not only was Petitioner and his entire family in danger but his entire family and children were too. Plaintiff then distanced himself wholly from his father, mother and siblings and even friends and lived in destitute on welfare and more to distance the problems from his family for several years.
142. That Simon prior to his death had stated that he was willing and might talk with Federal prosecutors and others regarding his knowledge against the Defendants in this lawsuit and where Plaintiff has no idea if had started such conversations, which would certainly provide motive for any foul play, in addition to the fact that he owned a large interest in the Intellectual Properties of Plaintiff that are long term the largest assets of his estate.
143. That if Celani is correct and Plaintiff and his family were “targets” then illegal wiretaps on the phones could have tipped off others of Simon’s intent and provided clear and convincing motive for foul play, including murder.
144. That Plaintiff had filed prior to Simon and Shirley Bernstein’s date of death in the Stanford case as a Movant<sup>29</sup> allegations of Fraud and more by RICO Defendant Proskauer, where Proskauer has now recently been sued by the Federal Court Appointed Receiver in the Stanford lawsuit for CRIMINAL Conspiracy and Aiding and Abetting a criminal organization and more. Where Plaintiff alleges in the SEC Stanford action and in prior motions to this Court regarding Stanford’s alleged incestuous and criminal

relation to PROSKAUER and where that so called “Ponzi” scheme is exposed instead as a MONEY LAUNDERING OPERATION THAT LAUNDERS THE STOLEN, CONVERTED AND COMINGLED ROYALTIES OF PLAINTIFF FOR THE DEFENDANT PROSKAUER AND OTHERS.

145. That Simon and Shirley filed actions against Stanford that remain ongoing as part of the estates.
146. That immediately following the sudden and mysterious death of Simon Bernstein, weeks after signing these near deathbed changes that are not properly documented, Theodore S. Bernstein, Plaintiff’s brother and Rachel Walker, Simon Bernstein’s assistant, notified authorities that Mr. Bernstein may have been murdered and alleged that his partner Maritza Puccio may have poisoned or drugged him to death.
147. That knowing Puccio personally, Plaintiff did not think that these allegations appeared true as there appeared no motive for this on her part as she was not a benefactor of the estate and if she had murdered him the question would arise of who put her up to it.
148. That hour’s after Simon’s passing, Sheriffs showed up at Simon’s residence and did several hours of investigation with members of the Plaintiffs family and others, regarding the claims of murder. Plaintiff also was requested to give a statement, as is evidenced in Exhibit 3.
149. That Theodore Bernstein then ordered an Autopsy to be performed.
150. That Plaintiff alleges on information and belief that Defendant’s Proskauer Rose, Greenberg Traurig, Gerald Lewin and Foley & Lardner, four of Plaintiffs prior patent

counsel and accountant that are accused in this RICO of being directly involved in orchestrating the theft of the Intellectual Properties of Plaintiff and are under multiple state, federal and international investigations ongoing, are now all involved in various actions in the estate of Simon and Shirley, where foul play is already evidenced herein through clear and convincing evidence of document Fraud and Forgery and more.

151. That Simon and Shirley Bernstein's estates are the second largest Shareholder of the Iviewit companies, second largest patent interest holders and the second largest benefactors of this RICO and ANTITRUST lawsuit and this may be the central motive to the frauds in the estate and the possible murder of Simon Bernstein. That this provides motive for Defendants involved in this RICO to have had a hand in any murder that is alleged to have occurred.
152. That Plaintiff was told he was not a beneficiary of either his mother or father's estates by Tescher and Spallina and thus not entitled to any documents relating to the estate of his parents, even though he is Trustee for his children, who are the beneficiaries if the improper documents of the Amended Trust survive, which will be decided as Plaintiff enters legal proceedings in that court.
153. That if the improperly filed Amended Trust fails however, Plaintiff is a one third beneficiary, with only two other sisters, Lisa and Jill of the entire estate. Plaintiff's brother Theodore Stuart Bernstein and sister Pamela Beth Bernstein Simon were wholly and entirely excluded from both the estates of Simon and Shirley.

154. That it has come to Plaintiffs attention that he is also now a possible direct beneficiary in the estate of Simon as a beneficiary of an insurance policy of an unknown amount. That due to the lack of care in estate planning by Tescher and Spallina, it appears that insurance trusts have gone missing and both Defendants Proskauer Rose and Foley & Lardner via their acquisition of Hopkins and Sutter are claiming to lack having copies of the trust and policies in their files for the estate planning work they both did for Simon and Shirley in the past.

**19. CASE NO. 2:2012-CV-02040 NO INFORMATION AVAILABLE IN PACER DOCKET (HEREBY FULLY INCORPORATED BY REFERENCE IN ENTIRETY HEREIN, ALL PLEADINGS, ORDERS, ETC.)**

159. That FORMER PLAINTIFF and NEVER CEO of IVIEWIT companies P. Stephen Lamont has also filed Fraudulent court submissions knowingly in this lawsuit and the appeal of this lawsuit, as this Court, the Appeals Court for this Lawsuit and State and Federal authorities have already been noticed. That Lamont filed Motions in this lawsuit and in the Appeals court that both Courts ruled on, despite being noticed that Lamont had no basis in the suit and even where the courts have acknowledged such lack of basis, as he did not sue Defendants in an individual capacity but rather sued as a NON LAWYER on behalf of Iviewit companies Shareholders whom he had no authorization to represent and could not represent as a non-lawyer, however, allegedly, Lamont graduated Columbia Law while failing to take the Bar Exam and thus he too cannot plead an ignorance of the law in this matter. In other lawsuits filed without Plaintiff's notice or service by Lamont, judges similarly have noted in the record that Lamont had no standing to sue under and even Defendant Proskauer has now agreed, yet judges continued to rule, as this Court did previously, on knowingly Fraudulent Pleadings and further prejudiced

these cases by so ruling on improper pleadings and making Orders that materially affect the lawsuit and therefore further grounds for Rehearing.

160. That Plaintiff notified this Court, the Appeals court and Defendant and Counsel to State Defendants in this Lawsuit the New York Attorney General, of Lamont's Fraud on the Courts and Plaintiff filed criminal complaints with authorities against Lamont but this Court choose to neither sanction nor report Lamont for these frauds and just kept prejudicially ruling on them.

## **VII. CONTEMPT FOR THIS COURT**

161. That for all of the following reasons Plaintiff has Contempt for this Court,
  - i. Failure to report Credible Eyewitness Expert reports of criminal misconduct of Attorneys at Law and others to authorities for investigation and thereby endangering the lives of both Whistleblowers and Plaintiffs in the Legally Related Cases to Anderson.
  - ii. Allowing Conflicts of Interest to wholly PERVERT this Court with almost every defense counsel in this lawsuit violating an extremely long list of attorney conduct codes, judicial cannons, public office rules and regulations and state and federal law.
  - iii. This Court's Failure to Disclose Conflicts of Interest and either Admit or Deny Conflicts of Interest as requested by various Plaintiffs in the related cases to Anderson.

- iv. This Court's attempt to dismiss Anderson, despite having evidence entered into the record that Defendant Thomas Cahill had perjured his testimony in the trial.
- v. This Court's attempt to dismiss this Lawsuit based on wholly illogical legal arguments in the face of damning evidence by CREDIBLE EYEWITNESS EXPERTS that wholly support Plaintiff's claims of corruption denying virtually all of his Constitutional Rights.
- vi. For allowing Fraud on the Court.
- vii. For failing to report FELONY MISCONDUCT reported to this Court by Anderson and others to the proper authorities and committing alleged Misprision of Felony repeatedly in efforts to aid and abet a cover up.
- viii. For stating that Plaintiff's filings were frivolous, vexatious and other ridiculous claims of clerical errors, when Plaintiff's filings were factual and evidence major crimes by Attorneys at Law that pose a grave threat to our entire democracy and have led to the collapse of world markets, starving people worldwide, people tortured and innocent countries bombed and more and all these crimes lead back to the failure by Attorneys at Law in a variety of governmental KEY positions having effectuated a TREASONOUS COUP on the United States Government, as pled perfectly to this Court and then dismissed without trial or any due process at all.
- ix. For failing to stop the RICO Criminal Cartel of perverted Law Firms and Attorneys at Law years ago when these cases came before this Court and therefore becoming

accomplice to all these evils heaped upon our country and where this Court has direct liability from this GROSS MISCARRIAGE OF JUSTICE.

- x. For failing to stop the RICO Criminal Cartel of perverted Law Firms and Attorneys at Law years ago when these cases came before this Court and therefore possibly allowing these criminals to further abuse Plaintiff, Plaintiff's family, Plaintiff's in the legally related cases to Anderson and finally for allowing the possible MURDER OF PLAINTIFF'S FATHER BY THESE SAME DEFENDANTS.

162. That this Court now attempts to bury the CRIMINAL ACTS exposed in this Court by CREDIBLE EYEWITNESS EXPERTS IN ATTORNEY MISCONDUCT COMPLAINTS and LAW, by failing to contact the appropriate CRIMINAL AUTHORITIES and dismiss ALL the cases with absolutely no due process and failing to follow procedure and law in so doing. This failure to notify authorities, despite repeated calls by Anderson and the related lawsuits for a Federal Monitor, can no longer be tolerated as our lives have come into immediate grave danger according to recent news reports, as further described herein. Therefore, if Plaintiff is not notified by this Court that these LEGALLY REQUIRED OBLIGATIONS TO REPORT FELONY MISCONDUCT have been fulfilled by this Court then Plaintiff will file charges against this Court and Hon. Judge Shira Scheindlin for MISPRISION OF A FELONY, AIDING AND ABETTING A CRIMINAL RICO ORG, OBSTRUCTION OF JUSTICE and more. Despite best efforts by this Court and Defendants to accuse Plaintiff of CONTEMPT, of

which Plaintiff has troves of for this court, as one can only be contemptuous of Court that does not follow law. Yet, you will have to bound Plaintiff, gag him, torture him and murder him to stop him from filing in this lawsuit complaints for the ongoing FRAUDS ON AND IN THIS COURT and demanding due process and procedure under law, in a fair and impartial and not a CONFLICT RIDDLED AND CRIMINAL COMPLIAINT COURT. EXCUSE ME for my contempt for the Court but it is well earned and if it has allowed these criminals to murder his father, well contempt is not a strong enough word.

163. Plaintiff will move for a DISQUALIFICATION of Scheindlin in this lawsuit and report the Felony Acts, including those of this Court, to all appropriate STATE and FEDERAL authorities if Justice is further denied through further CRIMINAL ACTS. That by hiding facts and attempting to bury the Anderson and related lawsuits without due process, this Court is a further tool of the illegal Obstruction and all Orders, Rulings, etc. merely become a part of a FRAUD ON THE COURT, the RICO Enterprise and continues the ABUSE OF PROCESS against Anderson and the related cases and more and Scheindlin becomes just another shill of corruption.

164. That if contempt charges or any sanctions against PLAINTIFF VICTIM are ordered by this Court at this time in further efforts to silence Plaintiff, this Court can simultaneously with such vexatious ruling take note that Plaintiff moves to Disqualify Scheindlin for a number of legal reasons.

## VIII. ARGUMENT

### 1. REOPEN AND REHEAR BASED ON NEW EVIDENCE AND NEW RICO ACTS COMMITTED AGAINST PLAINTIFF BY SEVERAL DEFENDANTS IN THIS RICO.

#### A. RELEVANT LAW

165. Rule 60(b) provides that:

“A court may relieve a party from a final judgment for the following reasons: (1) mistake, inadvertence, surprise, or excusable neglect; (2) newly discovered evidence that, with reasonable diligence, could not have been discovered in time to move for a new trial under Rule 59(b); (3) fraud (whether previously called intrinsic or extrinsic), misrepresentation, or misconduct by an opposing party; (4) the judgment is void; (5) the judgment has been satisfied, released or discharged; it is based on an earlier judgment that has been reversed or vacated; or applying it prospectively is no longer equitable; or (6) any other reason that justifies relief.”

166. A Rule 60(b)(2) motion may be granted if the moving party can demonstrate the following: "(1) the newly discovered evidence was of facts that existed at the time of trial or other dispositive proceeding, (2) the movant must have been justifiably ignorant of them despite due diligence, (3) the evidence must be admissible and of such importance that it probably would have changed the outcome, and (4) the evidence must not be merely cumulative or impeaching." *International Bhd. of Teamsters*, 247 F.3d at 392 (quoting *United States v. International Bhd. of Teamsters*, 179 F.R.D. 444, 447 (S.D.N.Y. 1998)).

**2. TO REOPEN THIS CASE UNDER FEDERAL RULE OF CIVIL PROCEDURE 60(D)(3) FOR FRAUD ON COURT BY DEFENDANTS.**

**A. RELEVANT LAW**

167. Rule 60(d)(3) permits a court to “set aside a judgment for fraud on the court.”

“Fraud on the court consists of conduct: '1) on the part of an officer of the court; that 2) is directed to the judicial machinery itself; 3) is intentionally false, willfully blind to the truth, or is in reckless disregard of the truth; 4) is a positive averment or a concealment when one is under a duty to disclose; and 5) deceives the court.’”

*Johnson v. Bell*, 605 F.3d 333,339 (6th Cir. 2010) (quoting *Carter v. Anderson*, 585 F.3d 1007, 1011-12 (6th Cir. 2009))

168. Fraud on the court refers to "the most egregious conduct involving a corruption of the judicial process itself. Treatises speak of such flagrant abuses as bribing a judge, employing counsel to exert improper influence on the court, and jury tampering." *General Medicine, P.e. v. Horizon/CMS Health Care Corp.*, 475 Fed. App'x 65, 71 (6<sup>th</sup> Cir. 20 12) (quotation marks and citations omitted)

**B. DISCUSSION**

169. In this action, there are newly discovered evidence of facts which Plaintiff was not knowing earlier despite due diligence, all the evidence are admissible and of importance

that it probably would have changed the outcome, and the evidence are not merely cumulative.

170. It is very clear from the evidence that there has been fraud on the court. Plaintiff was confronted with an unquestionably unfair set of circumstances.

### **3. TO CONSTRUE THIS PRO SE MOTION LIBERALLY:**

#### **A. RELEVANT LAW:**

171. Judiciary Act of September 24, 1789, Section 342, FIRST CONGRESS, Sess. 1, ch.20, 1789 states that:

“Pleadings of the Plaintiff SHALL NOT BE dismissed for lack of form or failure of process. All the pleadings are as any reasonable man/woman would understand, and:

“And be it further enacted. That no summons, writ, declaration, return, process, judgment, or other proceedings in civil cases in any of the courts or the United States, shall be abated, arrested, quashed or reversed, for any defect or want of form, but the said courts respectively shall proceed and give judgment according as the right of the cause and matter in law shall appear unto them, without regarding any imperfections, defects or want of form in such writ, declaration, or other pleading, returns process, judgment, or course of proceeding whatsoever, except those only in cases of demurrer, which the party demurring shall specially sit down and express together with his demurrer as the cause thereof. And the said courts respectively shall and may, by virtue of this act, from time to time, amend all and every such imperfections, defects and wants of form, other than those only which the party demurring shall express as aforesaid, and may at any, time, permit either of the parties to amend any defect in the process of pleadings upon such conditions as the said courts respectively shall in their discretion, and by their rules prescribe (a)”

172. Court errs if court dismisses pro se litigant without instructions of how pleadings are deficient and how to repair pleadings. *Plaskey v CIA*, 953 F.2d 25
173. It is settled law that the allegations of such a complaint, "however inartfully pleaded" are held "to less stringent standards than formal pleadings drafted by lawyers, see *Haines v. Kerner*, 404 U.S. 519, 520 (1972). See also *Maclin v. Paulson*, 627 F.2d 83, 86 (CA7 1980); *French v. Heyne*, 547 F.2d 994, 996 (CA7 1976); *Estelle v. Gamble*, 429 U.S.97, 106 (1976). Such a complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief. *Haines*, supra, at 520-521. And, of course, the allegations of the complaint are generally taken as true for purposes of a motion to dismiss. *Cruz v. Beto*, 405 U.S. 319, 322 (1972).
174. Recognizing that transsubstantive pleading standards do not sufficiently account for the capability differential between represented and unrepresented litigants, the Supreme Court fashioned a rule of special solicitude for pro se pleadings. See Robert Bacharach & Lyn Entzeroth, *Judicial Advocacy in Pro Se Litigation: A Return to Neutrality*, 42 IND. L.REV. 19, 22-26 (2009)
175. The Court granted such leniency, or "liberal construction," to pro se pleadings against the backdrop of *Conley v. Gibson*'s undemanding "no set of facts" standard. See *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957) "[A] complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.", abrogated by *Bell Atl. Corp. v.*

*Twombly*, 550 U.S. 544, 561-63 (2007). This standard epitomized the notice-pleading regime envisioned by the drafters of the Federal Rules, who emphasized discovery as the stage at which a claim's true merit would come to light, rather than pleading. See *Christopher M. Fairman*, *The Myth of Notice Pleading*, 45 *ARIZ. L. REV.* 987, 990 (2003).

#### **B. DISCUSSION:**

176. In this action, the Plaintiff appears Pro Se. Hence, this motion should be construed liberally. It should not be dismissed for failure to state a claim. It should be decided on true merit, rather than pleading.

#### **IX. CONCLUSION**

For the reasons set forth in detail herein, Plaintiff respectfully requests that this Court in the interest of justice reopen and rehear this case on the basis of new evidence and for the fraud on the court and more. Plaintiff is ready willing, and able to go to trial/rehearing immediately and no delay, harm, or prejudice will occur to the other parties as a result of Plaintiff's motion. Plaintiff requests that this Court to construe this motion and pleading of Plaintiff liberally as being filed Pro Se.

#### **WHEREFORE,**

So egregious are these alleged CRIMES against Anderson et al. described in the evidenced news publications herein, as they wholly violate personal privacy rights and

interfere and obstruct Plaintiff's and others attempts to gain Due Process and Procedure in their lawsuits. In fact, as evidenced, these crimes by members of the legal profession preclude the Victims/Plaintiff's from due process in any lawsuits filed by them or against them and therefore forces this Court to take steps to instantly rectify these ongoing crimes by certain Defendants and prosecute those involved in this MASS FRAUD ON THE COURTS AND FELONY OBSTRUCTION OF JUSTICE AND MORE and immediately re-open and rehear the Anderson lawsuit and all of the related lawsuits afflicted by these GROSS INJUSTICES and give Plaintiffs remedies, that include but are not limited to,

1. Reopen and rehear this case under Federal Rule of Civil Procedure 60(b)(2) on the basis of newly discovered evidence.
2. Reopen and rehear this case under Federal Rule of Civil Procedure 60(d)(3) for fraud on court.
3. Immediately secure protection for all Plaintiffs in the related cases, as Plaintiff also has had conversations with both the author and source of the ECC articles McKeown and Plaintiff believes on this information and belief that he is one of the targets described in the ECC articles describing wiretapping, 24/7/365 surveillance. If government funds and resources are being ILLEGALLY used to fund these ILLEGAL ACTIONS AGAINST TARGETS in efforts to OBSTRUCT JUSTICE this Court must issue orders to force this illegal activity to cease instantly and provide Victims/Plaintiff's a court with due process and procedure free of these perversions of Justice.

4. Immediately secure communications through removal of ILLEGAL wiretaps, etc of ALL Plaintiffs in the legally related cases to Anderson and secure all documents and records in their lawsuits,
5. Notify all Federal and State Authorities who have been named in these allegations of the crimes alleged against members of their State and Federal agencies and demand immediate investigation.
6. Immediately Rehear the Anderson and related lawsuits, removing all prior rulings and orders and pleadings by all Conflicted parties, invalidated by the crimes committed by those DEFENDANTS to OBSTRUCT JUSTICE, especially STATE DEFENDANTS involved in these OBSTRUCTIONS OF JUSTICE and demand all Defendants to secure NON CONFLICTED LEGAL COUNSEL TO REPRESENT THEM, one professionally and one individually and move to GRANT SUMMARY JUDGEMENT IN FAVOR OF ALL PLAINTIFFS OF THE LEGALLY RELATED CASES FOR THE CRIMES ALREADY COMMITTED UPON THEM TO BLOCK ANDERSON AND THEIR CONSTITUTIONALLY PROTECTED DUE PROCESS RIGHTS.

**NOTE TO THIS COURT AND ALL OFFICERS OF THIS COURT ACTING IN ANY CAPACITY REGARDING DISCLOSING CONFLICTS OF INTEREST PRIOR TO ANY ACTION OR ELSE:**

This Court has repeatedly DENIED requests to sign a conflict of Interest Disclosure, though requested several times by Pro Se Plaintiff, ignoring the request as if it were not formal. That any action forward by Judge Shira A. Scheindlin or any other Officer of this Court (including opposing counsels) acting in Official Capacity under Color of Law who refuse to admit/deny conflicts prior to acting, in any way, including but not limited to, issuing rulings, orders, decrees, pleadings, etc., which move this Court will be charged with Obstruction of Justice caused through conflicts of interest that violate attorney conduct codes and judicial cannons' and act to Deny Due Process through Legal Process Abuse and further aid and abet the alleged civil and criminal conspiracy described in the Amended Complaint through further Frauds on the Court will be reported for these crimes. If there are no conflicts, each party requested to sign, where Petitioner has requested all parties acting in legal capacity in this case sign, should have no problem signing one and answering in the affirmative or denying any, as they must have no conflicts to be acting in this matter legally.

That instead of in the past where Hon. Scheindlin has answered conflict of interest questions for the parties asked to disclosed conflicts, based wholly on her opinion of if they were conflicted and without demanding that each admit or deny if they have conflicts or even run a cursory conflict check as would be required by their liability carriers and as is typical and customary in all cases prior to this one, where conflicts of interest and violations of attorney conduct codes and law are rampant. Once again this case sets new precedence in legal process abuse and failure to grant any due process or procedure to Plaintiff. Therefore, Plaintiff has enclosed a CONFLICT OF INTEREST DISCLOSURE FOR THIS COURT TO HAVE ALL PARTIES SIGN NOW, especially in light of the damning new evidence of OBSTRUCTION and ANY FAILURE TO SIGN PRIOR TO ACTION ON ANYONES PART WILL BE MET WITH INSTANT INCLUSION IN THIS RICO LAWSUIT AS A DEFENDANT AND WILL BE REPORTED TO CRIMINAL AUTHORITIES FOR SUCH CRIMES. THIS INCLUDES HONORABLE JUDGE SHIRA SCHEINDLIN SIGNING ONE AND ALL ATTORNEYS AT LAW ACTING IN ANY CAPACITY IN THESE MATTERS. That EVERY OFFICER OF THE COURT MUST NOW SIGN A CONFLICT DISCLOSURE and may use the attached Conflict of Interest Disclosure provided herein as Exhibit 8 to sign and return to Plaintiff.

Respectfully submitted,

and may use the attached Conflict of Interest Disclosure provided herein as Exhibit 8  
to sign and return to Plaintiff.

Respectfully submitted,

<http://exposecorruptcourts.blogspot.com/2007/07/court-overhaul-begins-disciplinary.html>

Selected quotes from that story,

Thomas J. Cahill, Chief Counsel of the First Department Attorney Disciplinary Committee, was summoned to a meeting with New York State Office of Court Administration officials on Tuesday, July 17, 2007. He was told to bring along his First Deputy Chief Counsel, Sherry K. Cohen, sources say. The two top lawyers at the State office charged with overseeing attorney ethics in the Bronx and Manhattan sat, uncomfortably, through most of the day at various high-level conferences. In the end, it was made clear that immediate changes were being made at their Departmental Disciplinary Committee. Changes that didn't necessarily include them. Two days later, on Thursday, July 19th, Mr. Cahill called a staff meeting where he said that he had "good news." He first announced that he had a new grandchild, and then added that he had

decided to resign. He was reportedly delighted to be "... one of the few who is leaving under his own steam." Sources say he indicated that he was hoping to stay on through the end of August but was awaiting 1st Department Presiding Justice Jonathan Lippman's decision on the actual date of his final day." That Defendant Cahill in this Lawsuit and the Anderson lawsuit "resigned" due to the unfolding scandal according to ECC.

<http://exposecorruptcourts.blogspot.com/2007/10/newly-filed-lawsuit-seeks-federal.html>

Selected quotes from that story,

An OCA rattling federal lawsuit was filed late Friday, October 26, 2007, in The United States District Court for the Southern District of New York. The allegations by an insider reveal a previously hidden look into the systemic corruption within the statewide court system and, most horrifically, concerns the very body charged with overseeing ethics and integrity within the state's courts. The named defendants include The State of New York's Office of Court Administration (OCA), and the Hon. John Buckley, Thomas J. Cahill [Defendant in Plaintiff Lawsuit], Sherry K. Cohen, Catherine O'Hagen Wolfe [Defendant in Plaintiff Lawsuit] and David Spokony- all senior level state employees involved with the 1st Judicial Department's Departmental Disciplinary Committee (DDC), which is charged with overseeing the ethics of attorneys in The Bronx and Manhattan. The papers filed in federal court include, "Plaintiff

requests the appointment of a federal monitor to oversee the day-to-day operations of the DDC for an indefinite period."

Scheindlin directed that the 1.5 Billion dollar Iviewit “patentgate” case, filed in the U.S. District Court for the Southern District of New York on December 12, 2007, be assigned to her court. Judge Scheindlin accepted the Iviewit lawsuit, Bernstein v. Appellate Division First Department Departmental Disciplinary Committee, as related to the pending New York attorney ethics scandal case, Anderson v. The State of New York. Allegations of covering-up and whitewashing complaints against favored attorneys find both cases seeking the appointment of a federal monitor to take over New York’s statewide attorney ethics committees. A third lawsuit, filed December 28, 2007, is currently under review by Judge Scheindlin to be designated as an associated case in the state ethics scandal, Tammany Hall II.”

Excerpts from that article,

The New York Law Journal - NEWSBRIEFS - June 30, 2009 Governor David A. Paterson has appointed Steven C. Krane, Proskauer Rose partner and former president of the New York State Bar Association, to the Commission on Public Integrity. He will replace Sullivan & Cromwell partner Robert J. Giuffra Jr., who has been a holdover on the commission since his term expired in October 2008. Mr. Krane's term will run through October 2014. Mr. Krane, state bar president in 2001-02, was also once clerk to former state chief judge Judith S. Kaye. His appointment to the 13-member commission is not subject to confirmation by the state Senate. Members are not paid. Mr. Giuffra was originally named to the Ethics Commission by former Governor George E. Pataki and appointed by Eliot Spitzer to the Public Integrity Commission when it was formed in 2007 by the merger of the Ethics and Lobbying commissions.” — Joel Stashenko.

August 11, 2004 the New York Supreme Court Appellate Division First Department in an unpublished Order, ordered to have complaints against RICO Defendant Steven C. Krane (deceased) moved for investigation and disposition for Conflicts of Interest and the Appearance of Impropriety. That these investigations were further perverted when the New York Supreme Court Appellate Division Second Department actors charged with handling the investigations were also found to be in direct Conflict with RICO Defendant Steven C. Krane and RICO

Defendant Proskauer Rose, to date no investigation has been conducted as ordered as the complaints were dismissed without investigation, the Second Department claiming they were not bound by the First Department Court Order.

Excerpts from the article,

by Franklin N. Brady - July 27, 2009...”NEW YORK-

Incontrovertible evidence that federal crimes have been committed in and about New York’s federal and state courts have produced numerous meetings in Washington, D.C. this year.

While the New York criminal conduct that would come under review by the various federal agencies has been discussed for years, the October 2007 filing of Anderson v. The State of New

York, et al., 07Civ9599, in the United States District Court for the Southern District of New York brought increased interest and, subsequently, a long list of credible witnesses. The review by federal employees involving New York's "Ethics Scandal" quickly caught the eye of a growing number of officials in Washington, D.C. when nine (9) related federal cases, with similar allegations, followed the Anderson insider filings. Formal requests were then made to hold public hearings with a view toward the eventual oversight of the New York State Court System by a federal monitor, and to be followed by the appointment of a federal prosecutor.

Notably, in one meeting held in Washington, D.C., an attorney and Washington, D.C. insider, predicted that, "New York's about to be rocked." That insider quoted the current Chairman of Manhattan's Departmental Disciplinary Committee, Roy I. Reardon, as saying that New York's judges belong to one of three categories, "one third are decent, honest and hardworking... another third aren't very smart.... and one third are corrupt...While Mr. Reardon once enjoyed a reputation of high integrity, and one who was wronged by his appointment as chairman of the flame-engulfed DDC sinking ship, the Manhattan-based attorney ethics committee. But now, however, Mr. Reardon is believed to be just another member of the Tembeckjian-Friedberg state corruption whitewashing machine."

The New York Law Journal - September 25, 2009 (page 6)

A PANEL led by Senate Judiciary Committee Chairman John Sampson, D-Brooklyn, and including Senator Ruben Diaz, D-Bronx, held a second public hearing yesterday on the procedures for disciplining attorneys and judges. At the hearing, Senator Eric Adams, D-Brooklyn, suggested creating a task force to investigate alleged corruption in New York courts. The task force, Mr. Adams told some 80 people at the lower Manhattan hearing, "would assist us in navigating how this problem is being hidden from public view." Victor A. Kovner, a partner at Davis Wring Tremaine and a former chairman of the Commission on Judicial Conduct, testified in support of more transparency by holding open hearings to remove "any rumor or innuendo" from the outcome of disciplinary proceedings for judges. Over four hours, a dozen witnesses complained about the confidential nature of the process, as well as about how their own cases had been handled. The panel's first hearing was held in Albany in June (NYLJ, June 6), and a third hearing may be held for Buffalo, although no date has been set."

<http://exposecorruptcourts.blogspot.com/2009/11/new-trial-sought-in-ny-state-corruption.html>

Excerpts from that article,

Christine C. Anderson yesterday filed a Motion for a New Trial in Manhattan's federal district court. The case is again before U.S. District Court Judge Shira A. Scheindlin after an October 29, 2009 jury found against Anderson. The motion for a new trial includes startling revelations including the fact that the District Court failed to take appropriate action after learning that there had been threats made against at least one witness in the federal proceeding. The largest problem for those involved appears to be the little tested issue of the usually-accepted widespread conflicts of interest inside the New York State Attorney General's office.

Highlights from the motion for a new trial include:

- Apparent abuse of discretion by the District Court Judge.
- A new trial to “avoid a miscarriage of justice.”
- Correction: “the district court possesses the power to rectify its own mistakes in the period immediately following the entry of judgment.”
- “Irregularity of Proceedings: The State of New York Attorney General's Representation of Defendants Unduly Prejudiced Plaintiff and Denied Her Due Process Rights.
- Anderson was confronted with an unquestionably unfair set of circumstances as the defendants were defended by the New York State Attorney General; and while the plaintiff charged the defendants with serious violations of law, the Attorney General stood before the jury defending these very same actions as proper and within the law. This arrangement seriously prejudiced plaintiff Anderson, as jurors could and most likely did conclude that the State of New York supported fully the conduct of the defendants.
- Not only did the Attorney General's representation of the defendants unduly prejudice the Anderson, it also raised serious conflict of interest issues with respect to the defendants themselves. To protect their own rights, each of the defendants should have had their own attorneys in order to permit them to cross claim or make admissions.
- **VIOLATIONS OF ETHICS RULES:** Under New York State and federal conflict of interest rules, each of the defendants must be free to undertake these independent actions. To do so, they must have their own counsel. (See NYS Code of Professional Conduct

Cannon 5 Conflict of Interest Rules.) The Attorney General as a state attorney is bound by these rules as well. New York State law requires that the attorney who violates these safeguards to be immediately removed from the case.

- **CONFLICT:** As a result of these conflict of interest issues, the Attorney General cannot properly represent the defendants, either as a group or individually. Each defendant must have the right to cross-claim against the others, and to bring a counterclaim against the State. These actions most certainly could not be undertaken in a case where the Attorney General represents all the named defendants. Without question, the Attorney General violated its ethical rules and the public trust in undertaking to represent all of the defendants.
- The involvement of the New York Attorney General in refuting plaintiff's allegations, which involved serious violations of federal and state law and ethical standards, and in presenting the case of each defendants, denied plaintiff's due process and equal protection guarantees, and right to a fair and impartial trial.
- **WHY DIDN'T THE NYS ATTORNEY GENERAL INVESTIGATE??** - The conflict here is particularly acute given the nature of the claims brought by plaintiff Anderson. Plaintiff's charges warranted an independent investigation by the New York State Attorney General Office to review the basic claims given that Anderson was formerly a Departmental Disciplinary Committee staff attorney with considerable experience. The fact is that these are not allegations from a lay person.
- While at the DDC, Plaintiff Anderson was charged with investigating cases involving possible criminal and civil misconduct. She carried out her duties as a duly authorized officer of the Court. The New York State Attorney General Office was therefore obligated to protect her and to investigate her claims of serious misconduct against the named parties. For no reason, the New York State Attorney General Office failed to do so.
- The Attorney General is a publicly funded arm of the State. It was conflicted from the outset of this case because it could not possibly defend any of the defendants, while simultaneously investigating plaintiff's claims of serious ongoing misconduct by the defendants. Indeed, no explanation has ever been provided as to why the Attorney General did not represent plaintiff Anderson against any of the original defendants. This was itself a misappropriation of public funds by a state investigatory agency with prosecution powers.
- Federal law mandates that a special prosecutor be substituted into the case, and this was not done. The actions of the Attorney General here confused, misled and confounded the jury, by creating a false impression that the acts were officially sanctioned by the state.
- Christine Anderson's allegations have substantial impact on the public, the bench and bar, and cannot be ignored by the New York State Attorney General Office just because they were motivated to defend this lawsuit. This serious conflict demanded independent counsel for the defendants as a matter fairness and high ethical conduct to all involved, particularly to Christine Anderson.
- Having denied independent counsel to the defendants, the Attorney General prejudiced plaintiff by making it appear to the jury that the State of New York and the New York

State Attorney General Office supported defendants' conduct. This was a burden Christine Anderson could never overcome and, at a minimum, warrants a new trial.

- The Court was concerned about the aforesaid conflict of interest and in one of its last instructions to the jury, the Court warned the jury not to draw a negative inference adverse to the defendants for their joint representation by the New York State Attorney General Office. That instruction was injurious to the plaintiff, Christine Anderson, in that it prejudiced the jury against her and in and of itself warrants a new trial.
- It was one of the last instructions to the jury and was thus ingrained in the minds of the jury as a lasting impression. Furthermore, as one of the last instructions to the jury, it elevated its importance over and above all prior instructions as something that had to be considered in deference to all else.
- There was no countervailing instruction to the jury not to draw a negative inference of the joint representation by the New York State Attorney General Office adverse to the plaintiff. This failure prejudiced the jury against the plaintiff by implying at a minimum, that the state supported all of the defendants' conduct and found that it was within the bounds of the law.
- By the Court issuing the jury instruction not to draw a negative inference adverse to the defendants for their joint representation by the New York State Attorney General Office, the court preserved the argument to be raised in this motion and/or appeal.
- Allowing all of the defendants to be represented jointly by the same counsel and by the New York State Attorney General Office created an impermissible conflict of interest. Indeed, the conflict was so strong, that had the jury ruled against any one or all of the defendants, they would have been entitled to seek a new trial for impermissible conflict of interest, as they would be entitled to their own independent counsel.
- The court is thus faced with the fact any unsuccessful litigant in this case could be expected to move for and would be entitled to a new trial because of the impermissible conflict of interest, as all of the defendants are required to have their own independent counsel, and to not be represented by the New York State Attorney General's Office.
- The American Bar Association's Code of Professional Responsibility elaborates on the duty of a public prosecutor such as the New York Attorney General to seek justice as follows: "This special duty exists because: (1) the prosecutor represents the sovereign and therefore should use restraint in the discretionary exercise of governmental powers, such as in the selection of cases to prosecute; (2) during trial the prosecutor is not only an advocate but he also may make decisions normally made by an individual client, and those affecting the public interest should be fair to all ...."
- A prosecutor's duty of neutrality is born of two fundamental aspects of his employment. First, the prosecutor, in this case the Attorney General, is a representative of the sovereign, and consequently must act with the impartiality required of those who govern. Second, the Attorney General can at all times call upon the vast power of the government, and therefore must refrain from abusing that power by failing to act evenhandedly.
- These key duties are not limited to criminal prosecutions, but must also be observed in civil cases as well. These safeguards are included in the ABA Code. "A government lawyer in a civil action or administrative proceeding has the responsibility to seek justice

and to develop a full and fair record, and he should not use his position or the economic power of the government to harass parties or to bring about unjust settlements or results."

- In the present case, the Attorney General was under the ethical duty to withdraw in order to preserve plaintiff's right to a fair and impartial trial. In a case such as this, not only is the Attorney General's neutrality essential to a fair outcome for the plaintiff, it is critical to the proper function of the judicial process as a whole. Our system of justice relies for its validity on the confidence of society. Without a continuing belief by the people that the system is just and impartial, the concept of the rule of law cannot survive.
- The New York State Attorney General is a public official elected by statewide ballot . The American Bar Association's Code of Professional Responsibility addresses the special considerations applicable to a lawyer who is also a public official as follows: "A lawyer who is a public officer, whether full or part-time, should not engage in activities in which his personal or professional interests are or foreseeably may be in conflict with his official duties." The government's investigative and prosecutorial interests must be balanced against the public interest in insuring that the individuals and organizations receive effective representation, and are accorded their full constitutional rights and protections.
- There are at least two reasons why a court should satisfy itself that no conflict exists or at least provide notice to the affected party if one does. First, a court is under a continuing obligation to supervise the members of its Bar.(district court obligated to take measures against unethical conduct occurring in proceedings before it). Second, trial courts have a duty "to exercise that degree of control required by the facts and circumstances of each case to assure the litigants of a fair trial."
- Occupying a position of public trust, the Attorney General, as any public prosecutor is 'possessed ... of important governmental powers that are pledged to the accomplishment of one objective only, that of impartial justice.' The duty of a government attorney has been characterized as 'a sober inquiry into values, designed to strike a just balance between the economic interests of the public and those of the landowner,' is of high order."
- Central to the issue of preventing prejudicial influence of government attorneys on court proceedings, it is common for states to adopt statutes or regulations that prohibit those holding the office of Attorney General, as well as their deputies and staff attorneys, from participating as attorneys in private litigation matters. The reason for adopting these restrictions is most obvious. For the Attorney General or any member of the staff to participate in a civil trial involving a private litigant will create the prejudicial inference that the state has reviewed and approved the position advocated by the government attorney. Such an inference can and likely will influence the outcome of the matter to the detriment of the opposing party. It is for the stated reasons that no Attorney General or staff member should be permitted to represent a private litigant in any adversarial proceeding. Only such an outright prohibition will properly preserve the standards of fairness and impartiality guaranteed to all litigants under federal and state constitutions. The present lack of statutory and/or ethical policy guidelines barring the

participation of state law officers from representing private litigants in civil proceedings which must be addressed by courts and policy makers.

- Irregularity of Proceedings: Confusing, Misleading and Prejudicial Instructions to the Jury.
- The Court issued detailed Verdict Sheets to the jury addressing the plaintiff's allegation of retaliation and the related issues of deprivation of a federal right and plaintiff's acts of speech. During the jury's deliberation, the foreman submitted a question to the court for review. The question (SEE EXHIBITS) sought the Court's guidance with respect to instruction number 1b which was described as "ambiguous." The Court provided an answer (SEE EXHIBITS) to the question which addressed the fact that the plaintiff had made certain statements rather than the way in which the "DDC responded (investigated) properly to the statements [plaintiff] made."
- In answering the jury, the court addressed only the initial question, which dealt with the critical issue of the lawsuit, i.e., whitewashing. This key issue was specifically removed from consideration by the jury, when the Court circled the question as to whether the plaintiff had made statements to her superiors and not whether those statements averred that the DDC was not diligently prosecuting allegations of misconduct by respondent attorneys. Having circled that question for consideration, the succeeding questions were dealing only with plaintiff's statements [not defined] and NOT with issue of whitewashing. Thus, the succeeding questions were asked in a vacuum and expected to be answered in a vacuum. Also, by structuring the questions as the court did, the jury never reached other issues of retaliation or damages, even after it found in plaintiff's favor in Question 1. The jury was confused by the unclear, very puzzling and convoluted nature of the instructions.
- This confusion on the part of the jury resulted in a verdict which is in a word repugnant.
- By eliminating whitewashing from Question 1, the court effectively excised the key gravamen of the complaint, i.e., retaliatory discharge, as a result of plaintiff's complaints of whitewashing and corruption. This constitutes judicial error of the highest order.
- Juries only get to see and use the instructions for a short time, thus it is crucial that they be clear and understandable to the laymen and laywomen. The court and counsel have the luxury of days to craft and understand the instructions as professionals. The instructions presented in this case are unclear, quite confusing and simply impossible to apply to the facts adduced at trial.
- There is also no record that the role of the Attorney General as defense counsel was properly and adequately explained to the jury. This also constitutes another reversible error by the Court which could have been rectified.

#### **Newly Discovered Evidence**

- The court gave the jury above-referenced instructions and its members adjourned to the jury room to deliberate at approximately 1:25 pm on Thursday, October 29. After the jury left the courtroom, Judge Scheindlin first announced that she had denied the defendants' pending motion for a directed verdict. She next stated words to the effect that she found that, "....Cahill was aware of the whitewashing allegations..." The judge

read this statement related to defendant Cahill's conduct into the record as part of her order denying defendant's directed verdict. This fact alone requires a new trial.

- In addition, Courts have an obligation to report and order investigation into official and at times criminal misconduct. This is a duty of the Court. There is no record to date as to any action having been undertaken by the Court regarding this central question. The Court's finding of culpability on the part of Defendant Cahill constitutes newly discovered evidence, which directly supports the fundamental allegations of Plaintiff.
- Clearly the newly discovered fact that defendant Cahill, as the head of the DDC and supervisor of the other named defendants, had full knowledge of whitewashing activities would in all likelihood have changed the outcome of the case. This central fact establishing the liability of all named defendants could not have been discovered earlier and is not merely cumulative or impeaching.
- The new evidence establishes that in the view of the Court, Defendant Cahill, the head officer of the DDC and the supervisor of Cohen, had full knowledge of the practice of whitewashing as alleged by Plaintiff, leading to the parallel conclusion that whitewashing was accepted as a common practice by the defendants, and presumably other staff members of the DDC. Had such facts been confirmed during the trial stage, the jury would have come to know and understand the illegal activities that were accepted as everyday practice by the DDC staff, a finding totally consistent with a main element of Plaintiff's case.
- The Court's statement after the close of trial accepting the establishing the whitewashing activities by Defendant Cahill must be found to constitute grounds for granting the instant motion.

#### **Witness Tampering – Threat on Witness in a Federal Proceeding**

- Based on information submitted in the proceeding, the court is aware that one of Plaintiff's witnesses, DDC staff attorney Nicole Corrado, was confronted by her DDC supervisor on the street just prior to her deposition in this proceeding.
- As the court was also aware, plaintiff's former counsel, John Beranbaum, advised the court of this incident in a letter to the court dated October 24, 2008. (SEE EXHIBITS) In the Beranbaum submission, it was made clear to the court that Ms. Corrado was given a "warning" about the testimony she was to give at the deposition[,] and further advised that "Ms. Corrado is very upset about the entire experience."
- Mr. Beranbaum again raised the issue on the record four days later on October 30, 2008. (SEE EXHIBITS– Transcript of October 30, 2009 hearing, Page 26 (lines 17-25), and page 27 (lines 1-8)). The court, in responding to the letter advising of the threat on plaintiff's witness, commented, "You [Mr. Beranbaum] seem to want to tell me something or report it to me. Okay. You reported it to me."
- It is plaintiff's belief that the court had an obligation to report the matter to federal agents and, further, to interview Ms. Corrado concerning the incident. Plaintiff believes she has been severely prejudiced by the threat upon witness Corrado, and, as the court is aware, Ms. Corrado did not appear at a witness in this proceeding.
- While plaintiff is aware that counsel within the Office of the New York Attorney General's office offered to "fully" compensate Mr. Beranbaum for ALL of his legal fees, expenses, etc., if plaintiff settled her case, I am unaware of the exact timing of when the

compensation offer, believed to be between \$120,000.00 and \$150,000.00, was actually made.

**Conclusion**

- For the reasons set forth in detail herein, Movant respectfully requests that this Court in the interest of justice grant a new trial. As noted, the participation of the Attorney General in failing to investigate the charges submitted by plaintiff against the defendants, and subsequently representing these same persons in the instant court proceedings, denied plaintiff's constitutionally protected right to a fair and impartial trial. This denial of basic rights was compounded by unclear, confusing and convoluted instructions to the jury, discovery of new evidence and serious allegations of intimidation of witnesses, which all support the instant motion for a new trial. For all of the reasons set forth herein, the plaintiff is entitled and warrants being accorded a new trial. Furthermore, Movant is Ready willing and able to go to trial immediately and no delay, harm, or prejudice will occur to the other parties as a result of Movant's motion. Inasmuch as the Attorney General should even be denied the opportunity to answer, and as justice demands, the court should sua sponte, grant the herein sought relief.

Excerpts from the article

The New York Law Journal by John Caher ---An attorney for the Appellate Division, First Department's disciplinary committee alleges in a federal lawsuit that she was sexually harassed by two now-retired officials at the watchdog agency while a third retaliated against her for complaining. Nicole Corrado also suggests that after she lodged a complaint officials retaliated by targeting her attorney in an unrelated property matter. She claims that the committee launched an investigation into allegations of bribery and forgery against her attorney, and then suddenly dropped the matter when he abandoned her case. Additionally, Corrado claims she was punished for supporting a lawsuit brought against the court system by a colleague.

Corrado v. New York State Unified Court System, 12-cv-1748, filed in the Eastern District on April 10, alleges violations of the Civil Rights Act of 1964. Corrado, who has served as a principal attorney at the disciplinary committee since 2006, claims she endured years of harassment by her supervisor, Andral Bratton, and that the committee's chief investigator, Vincent Raniere, touched her inappropriately and forcibly kissed her on several occasions. According to the complaint, when Corrado reported the "pattern of sexual harassment" by Bratton and Raniere in 2008, the court system referred the matter to its inspector general. However, only the allegations against Bratton were investigated, the complaint claims. The complaint states that Bratton admitted during the Office of the Inspector General probe that he was "smitten" with Corrado and crossed "an emotional boundary." Bratton was transferred to another unit at the same salary and Corrado was simply told to "avoid" him, according to the complaint. Corrado alleges that while her sexual harassment complaint was pending, she

retained an attorney to represent her in an unrelated action involving a property dispute. She claims the disciplinary committee instigated an investigation into that attorney—who is not named in her complaint—involving allegations of bribery and forgery. Corrado contends that after the attorney withdrew from her case and her claim was dismissed, all of the ethical charges against her lawyer were dropped. She claims that because of her attorney's abrupt withdrawal, her civil case was dismissed and she was "ultimately forced to settle her case for a fraction of its value." Bennitta Joseph of Borrelli & Associates in Great Neck, who is representing Corrado in the civil rights claim, declined to identify the allegedly intimidated attorney who represented her client in *Corrado v. East End Pool & Hot Tub*. Corrado also claims in her complaint that she was retaliated against for supporting the claim of a colleague who accused the agency of racial discrimination.

The complaint does not identify that employee, but Joseph confirmed in an interview that it was Christine Anderson, a former staff attorney who alleged she was wrongfully discharged in June 2007 on a pretext of insubordination after she revealed that the panel was protecting well-connected attorneys. A jury rejected her claims, and the U.S. Court of Appeals for the Second Circuit affirmed the verdict (NYLJ, Oct. 30, 2009). Corrado contends that after she agreed to corroborate Anderson's allegations of "racial discrimination and other improper conduct" by the disciplinary committee, Alan Friedberg, the committee's chief counsel, threatened her and gave her an unreasonable workload. Additionally, Corrado says Bratton threatened her."

**RE: CRIMINAL ALLEGATIONS IN CHRISTINE C. ANDERSON V. NEW  
YORK STATE ET AL. (07CV09599); CODE OF CONDUCT FOR US JUDGES  
CANON 3B(5), PROTECTING THE PEOPLE**

Dear Hon. Shira Scheindlin,

Please take appropriate action in reporting the alleged criminal misconduct of attorneys apparent in the Christine C. Anderson v. New York State et al. (07cv09599) action before you to appropriate authorities. The revised Code of Conduct for Judges, effective July 1, 2009, in Canon 3D(5) says, “A judge should take appropriate action upon learning of reliable evidence indicating the likelihood ... a lawyer violated applicable rules of conduct.” Also, please consider the Commentary to this Canon.

The Anderson “Whistleblower” lawsuit, coined a “Whistleblower” by yourself, revealed conduct, including “Whitewashing” of complaints by attorneys, including but not limited to, from the New York Supreme Court Appellate Division First Department, the New York Supreme Court Appellate Division First Department ~ Departmental Disciplinary Committee, the US Attorney, the District Attorney and the Assistant District Attorney violating DR 1-102 A (1), (3), (4) and (5) of the NY Lawyer’s Code of Professional Responsibility and Law. Further revealed were allegations of a “Cleaner”, Naomi Goldstein, Deputy Chief Counsel of the First Department. Attorneys also allegedly violated NY Penal laws requiring criminal investigation, including but not limited to: § 195.00 Official misconduct,

§ 195.05 Obstructing governmental administration in the second degree,  
§ 175.20 Tampering with public records in the second degree,  
§ 175.25 Tampering with public records in the first degree. (class D felony).

The attorneys , including but not limited to, from the New York Supreme Court Appellate Division First Department, the New York Supreme Court Appellate Division First Department ~ Departmental Disciplinary Committee, the US Attorney, the District Attorney and the Assistant District Attorney also violated, Federal Criminal Law § 241 Conspiracy against Rights, not only against Christine Anderson, but also against the class of people whose complaints were allegedly “cleansed,” and the class ‘The People of NY.’”

Anderson also provided testimony of a similar nature, with similar CRIMINAL allegations of Whitewashing, Favoritism and Cronyism for favored Law Firms and Lawyers, at a New York Senate Judiciary Committee Hearing Chaired by Hon. Senator John L. Sampson, which can be found @

[http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player\\_embedded](http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player_embedded)  
Anderson is the second speaker.

Another issue requiring appropriate action concerns the failure of the NY Attorney General’s Office to do its duty under,  
NY Executive Law: § 63

General duties. The attorney-general shall: Prosecute and defend all actions and proceedings in which the state is interested...to protect the interest of the state... and under,

Public Officers Rule 17 (2)(b)

(b) Subject to the conditions set forth in paragraph (a) of this subdivision, the employee shall be entitled to be represented by the attorney general, provided, however, that the employee shall be entitled to representation by private counsel of his choice in any civil judicial proceeding whenever the attorney general determines based upon his investigation and review of the facts and circumstances of the case that representation by the attorney general would be inappropriate, or whenever a court of competent jurisdiction, upon appropriate motion or by a special proceeding, determines that a conflict of interest exists and that the employee is entitled to be represented by private counsel of his choice.

The Attorney General’s office representing the State Defendants in Anderson, creates a Conflict of Interest by conflicting their offices from representing Anderson and the People of New York as obligated, acting to Obstruct Justice, as the Attorney General is charged with investigating Public Office Corruption, leaving no one guarding the hen house. Certainly, the NY Attorney General’s Office based on Anderson’s revelations in your Federal Court now has legal obligations to investigate Anderson’s claims, although the conflicts should have been assessed prior to their now conflicted position.

Obviously, being in the same courtroom when Anderson reveals “Cleaners” and the likes leaves the Attorney General’s Office calling for criminal investigations of their current clients and perhaps officials from their offices, notifying the appropriate Inspector Generals and Investigatory Agencies.

These criminal matters and the need for criminal investigations are not something for the jury in the civil case to decide, unless the court so decides. I have copied this correspondence to the attorneys for Christine Anderson and to the NY Attorney General so that they may have input and so this is not an ex parte communication. I am also unclear as to if this an ex parte communication of my case, 1:07-cv-11196-SAS, which is on Appeal after your “legally relating” my case to the Anderson “Whistleblower” case? I do not know whether all of the attorneys affected are admitted before this court. Please do what is required by your Oath of Office, your Judicial Canons and any other legal obligations requiring your reporting the allegations levied by Anderson in Your Court, of disciplinary complaint Whitewashing for the US Attorney, the District Attorney and the Assistant District Attorney, as well as, all other alleged Criminal Activity exposed by the “Whistleblower” Anderson, to ALL appropriate authorities and investigators your obligations require.  
Respectfully Yours,

## **“FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR NYS "ETHICS BOSSES**

<http://exposecorruptcourts.blogspot.com/2013/01/former-insider-admits-to-illegal.html>

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former NYS attorney ethics committee insider that various illegal actions were employed by New York State employees to target and/or protect select attorneys.

For purposes of this article, a first in a series, the former insider will be referred to as "The Cleaner's Man" or "The Man."

### **The Cleaner**

During the wrongful termination case of former Manhattan ethics attorney Christine Anderson, it was revealed that New York State employees had a nick-name for supervising ethics attorney Naomi Goldstein. Naomi Goldstein was, "The Cleaner."

## **"Ethics" Retaliation Machine Was Real.**

The focus of this initial article concerns the 1st and 2nd judicial department, though the illegal methods are believed to have been utilized statewide in all 4 judicial departments.

The Cleaner's Man says that he would receive a telephone call from Naomi Goldstein, who would say, "we have another target, I want to meet you..." The Man also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel, were knowledgeable of all of Naomi Goldstein's activity with him and his team.

The meetings, he says, were usually at a park or restaurant near the Manhattan Attorney ethics offices (the "DDC") in lower Manhattan, however he did over time meet Goldstein at his office, the DDC or in movie theater- a venue picked by Naomi. Goldstein would provide her Man with the name, and other basic information, so that the Man's team could begin their "investigation."

The Man specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson]."

The Man says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7. The Man says he viewed the improperly recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Anderson should not, however, feel like she was a lone target. According to The Man, "....over 125 cases were interfered with...." And there were dozens of "targeted" lawyers, says The Man, adding, that the actions of his teams were clearly "intentionally obstructing justice."

If Ms. Goldstein had identified the Ethics Committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem.

The Man has a nice way of explaining his actions, the "authority" to so act and, he says, over 1.5 million documents as proof..... The U.S. Attorney is aware of The Man and his claims...."

# **“UPDATE ON ATTORNEY "ETHICS" COMMITTEES' ILLEGAL WIRETAPS FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR "ETHICS" BOSSES.”**

<http://exposecorruptcourts.blogspot.com/2013/02/update-on-attorney-ethics-committees.html>

Excerpts from the article,

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former New York State attorney ethics committee insider that various illegal actions were employed by New York State supervising employees to target and/or protect select attorneys.

## **The Cleaner**

Many of the most powerful attorneys in the United States are licensed to practice law in New York State, and if the business address for that lawyer is located in The Bronx or Manhattan, legal ethics is overseen by the Departmental Disciplinary Committee (the "DDC"), a group that falls under Manhattan's Appellate Division of The NY Supreme Court, First Department.

A few years ago, and during a wrongful termination case involving a former DDC ethics attorney, Christine Anderson, it was revealed that DDC employees had a nick-name for a supervising ethics attorney, Naomi Goldstein. "Ethics" Supervising Attorney Naomi Goldstein was known as "the Cleaner."

## **"Ethics" Retaliation Machine Was Real**

There are usually cries of "retaliation" whenever charges of violating regulations of attorney ethics rules are lodged against a lawyer. However, an investigation of activity at the DDC for a ten year period reveals startling evidence of routine and improper retaliation, evidence tampering and widespread coverups.

Importantly, an insider, who says he was involved in the illegal activity, including widespread wiretapping, has provided the troubling details during recent interviews. He says he supervised the teams that acted illegally. The insider says that he was Naomi Goldstein's 'man' - The Cleaner's 'man' - and that he would simply receive a telephone call from Naomi Goldstein, and who would say, "we have another target, I want to meet you..." He also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel- and now

in private practice helping lawyers in "ethics" investigations, were part of, and knowledgeable of, the illegal activity.

The meetings, the insider says, were usually at a park or restaurant near the DDC's lower Manhattan ethics' offices, however he did over time meet Goldstein at his office, inside the DDC or in movie theater- a venue picked by Naomi. Goldstein only needed to provide him with the name and other basic information, so that his team could begin their "investigation."

He specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson,]" the former DDC staff attorney who had complained that certain internal files had been gutted of collected evidence.

Naomi's "man" says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7.

He says he reviewed the illegally recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Attorney Christine Anderson should not, however, feel like she was a lone target. Initially, Goldstein's "man," indicated that "...over 125 [attorney] cases were interfered with...." But a subsequent and closer review of approximately 1.5 million documents has revealed that there may have been many hundreds of attorneys, over the ten-year-period, involved in the DDC's dirty tricks, focused retaliation and planned coverups.

Previously identified "targeted" lawyers were only numbered in the "dozens," but that was before the years-old documents were reviewed. In initial interviews, the insider says that if Ms. Goldstein had identified the DDC ethics committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem. But targets, it is now revealed, were not always identified as having a law license.

The DDC insider also says that litigants (most of whom were not attorneys) were also DDC targets. The on-going document review continues to refresh the memory of the insider, after initially only remembering names from high-profile cases involving "big-name" attorneys. But one fact remains constant, says the insider- the actions of his teams were clearly and "intentionally obstructing justice."

### Ethicsgate

According to the source, one New York "ethics" legend, Alan Friedberg, was "very well known" to those conducting the illegal wiretapping activity. Friedberg, who has become the poster child for unethical tactics while conducting "ethics" inquiries, appears to have been present in the various state offices where illegal wiretaps were utilized. Friedberg worked for the New York State Commission on Judicial Conduct (the "CJC") before running the Manhattan attorney "ethics" committee as chief counsel for a few years. Friedberg then resurfaced at the CJC, where he remains today. The CJC investigates ethics complaints of all judges in New York State.

### Judges Deserve Justice Too, Unless Political Hacks Decide Otherwise

While court administrators have effectively disgraced most judges with substandard compensation, it appears that at least the selective enforcement of "ethics" rules, dirty tricks and retaliation were equally employed on lawyers and judges alike.

According to the insider, targeted judges had their cellphones, homes and court phones wiretapped- all without required court orders. In addition, according to the source, certain courtrooms, chambers and robing rooms were illegally bugged.

A quick review of notes from over one million pages of evidence, according to the insider, reveals that the "black bag jobs" included: NYS Supreme Court Judge, the Hon. Alice Schlesinger (Manhattan), Criminal Court Judge, the Hon. Shari R. Michels (Brooklyn) and NYS Supreme Court Judge, the Bernadette Bayne (Brooklyn).

"ETHICS" OFFICES.”**

<http://ethicsgate.blogspot.com/2013/02/ny-governor-andrew-cuomo-asked-to-shut.html>

Selected Quotes from that story,

New York State Governor Andrew Cuomo has been formally requested to immediately shut down the offices of The Commission on Judicial Conduct (the "CJC"), the state agency charged with overseeing the ethics of all judges in the Empire State. The request comes from a public integrity group after confirmation that the CJC has been involved in illegally wiretapping and other illegal "black bag operations" for years.

Governor Cuomo is asked to send New York State Troopers to close and secure the state's three judicial ethics offices: the main office on the 12th floor at 61 Broadway in Manhattan, the capital office in Albany at the Corning Tower in the Empire State Plaza, and the northwest regional office at 400 Andrews Street in Rochester.

The Governor is asked to telephone the Assistant United States Attorney who is overseeing the millions of items of evidence, most of which that has been secreted from the public- and the governor- by a federal court order.

Governor Cuomo was provided with the direct telephone number of the involved federal prosecutor, and simply requested to confirm that evidence exists that certain state employees in New York's so-called judicial "ethics" committee illegally wiretapped state judges.

The request to the governor will be posted at [www.ethicsgate.com](http://www.ethicsgate.com) later today. (Media inquiries can be made to 202-374-3680.)

RE: Illegal Wiretapping of NYS Judges and Attorneys by “Ethics” Entities

Dear Senator,

On February 15, 2013, we formally requested that Governor Cuomo contact the Assistant U.S. Attorney handling a sensitive federal case wherein credible evidence, in the millions of documents currently under court seal, support the allegation of the widespread illegal wiretapping of New York State judges and attorneys over at least the last ten years. In addition, other individuals- unrelated to that sealed federal matter- allege the exact same illegal activity.

The illegal wiretapping is alleged to have been directed by named senior personnel (and NYS employees) at the Commission on Judicial Conduct (the “CJC”) and by at least two of the state’s 4 judicial departments’ attorney ethics committees.

We are, of course, confident that Governor Cuomo is taking decisive action regarding these troubling allegations, and we are now requesting that you, as a New York State Senator, begin a comprehensive review of the troubling issues.

As we are all aware, certain corrupt forces in New York have caused tremendous damage to the very soul of this great state. Now, the improper actions have accomplished the "ultimate corruption" - they have compromised and corrupted New York's so-called "ethics oversight" entities.

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about the state's so-called "ethics" oversight entities. (Additional information is available at [www.Reform2013.com](http://www.Reform2013.com))

Accordingly, it is requested that you direct someone in your office to act as the liaison regarding this Ethics Corruption, and that he or she be in contact with us so that we may best communicate information to your office. Please have your designee contact us at their earliest convenience.

Thank you.

Very truly yours,

RE: Formal Complaint Against New York State Employees Involving  
Constitutional Violations, including widespread illegal wiretapping

Dear Mr. Moossy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping, inter alia. As these individuals were in supervisory positions at "ethics oversight" committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney "ethics" committees.

The NY state-employed individuals herein complained of include New York State admitted attorneys Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.

At some point in time shortly after 9/11, and by methods not addressed here, these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the "JTTF"). These individuals completely violated the

provisions of FISA, ECPA and the Patriot Act for their own personal and political agendas. Specifically, these NY state employees essentially commenced “black bag operations,” including illegal wiretapping, against whomever they chose- and without legitimate or lawful purpose.

To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here, as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods (“set-ups”). The aftermath of such abuse for such an extended period of time is staggering.

It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful “black bag operations,” and, further, that certain NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani’s claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan’s attorney “ethics” committee, the Departmental Disciplinary Committee (the “DDC”),

which includes allowing cover law firm operations to engage in the practice of law without a law license. Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees supervised the protection of the unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants.

Evidence also supports the widespread illegal use of “black bag operations” by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, to set-up anyone who had been deemed to be a target, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics “departments,” but also in matters beyond the borders of New York.

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees - all of startling proportions. For example:

- The “set-up” of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently incarcerated. The trial judge, U.S. District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, “I have never heard anything like the facts of this case. I don’t think any other judge has ever heard anything like the facts of this case.” (2nd Circuit 11cr2763)
- The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.
- The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.
- The thwarting of new evidence involving a mid 1990’s “set-up” of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan)
- The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)
- The eToys litigation and bankruptcy, and associates of Marc Dreier, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.
- The “set-up” and “chilling” of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.
- The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear

Sterns and where protected attorney-client conversations were recorded and distributed.

- The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately disbarred- in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weisshaus v. Fagan)

Additional information will be posted on [www.Reform2013.com](http://www.Reform2013.com)

The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February 15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

**RE: CRIMINAL ALLEGATIONS IN CHRISTINE C. ANDERSON V. NEW YORK STATE ET AL.  
(07CV09599); CODE OF CONDUCT FOR US JUDGES CANON 3B(5), PROTECTING THE PEOPLE**

Dear Hon. Shira Scheindlin,

Please take appropriate action in reporting the alleged criminal misconduct of attorneys apparent in the Christine C. Anderson v. New York State et al. (07cv09599) action before you to appropriate authorities. The revised Code of Conduct for Judges, effective July 1, 2009, in Canon 3D(5) says, "A judge should take appropriate action upon learning of reliable evidence indicating the likelihood ... a lawyer violated applicable rules of conduct." Also, please consider the Commentary to this Canon.

The Anderson "Whistleblower" lawsuit, coined a "Whistleblower" by yourself, revealed conduct, including "Whitewashing" of complaints by attorneys, including but not limited to, from the New York Supreme Court Appellate Division First Department, the New York Supreme Court Appellate Division First Department ~ Departmental Disciplinary Committee, the US Attorney, the District Attorney and the Assistant District Attorney violating DR 1-102 A (1), (3), (4) and (5) of the NY Lawyer's Code of Professional Responsibility and Law. Further revealed were allegations of a "Cleaner", Naomi Goldstein, Deputy Chief Counsel of the First Department. Attorneys also allegedly violated NY Penal laws requiring criminal investigation, including but not limited to:

§ 195.00 Official misconduct,

§ 195.05 Obstructing governmental administration in the second degree,

§ 175.20 Tampering with public records in the second degree,

§ 175.25 Tampering with public records in the first degree. (class D felony).

The attorneys , including but not limited to, from the New York Supreme Court Appellate Division First Department, the New York Supreme Court Appellate Division First Department ~ Departmental Disciplinary Committee, the US Attorney, the District Attorney and the Assistant District Attorney also violated, Federal Criminal Law § 241 Conspiracy against Rights, not only against Christine Anderson, but also against the class of people whose complaints were allegedly "cleansed," and the class 'The People of NY.'

Anderson also provided testimony of a similar nature, with similar CRIMINAL allegations of Whitewashing, Favoritism and Cronyism for favored Law Firms and Lawyers, at a New York Senate Judiciary Committee Hearing Chaired by Hon. Senator John L. Sampson, which can be found @ [http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player\\_embedded](http://www.youtube.com/watch?v=HR8OX8uuAbw&feature=player_embedded) Anderson is the second speaker.

Another issue requiring appropriate action concerns the failure of the NY Attorney General's Office to do its duty under,

NY Executive Law: § 63

General duties. The attorney-general shall: Prosecute and defend all actions and proceedings in which the state is interested...to protect the interest of the state...

and under,

Public Officers Rule 17 (2)(b)

(b) Subject to the conditions set forth in paragraph (a) of this subdivision, the employee shall be entitled to be represented by the attorney general, provided, however, that the employee shall be entitled to representation by private counsel of his choice in any civil judicial proceeding whenever the attorney general determines based upon his investigation and review of the facts and circumstances of the case that representation by the attorney general would be inappropriate, or whenever a court of competent jurisdiction, upon appropriate motion or by a special proceeding, determines that a conflict of interest exists and that the employee is entitled to be represented by private counsel of his choice.

The Attorney General's office representing the State Defendants in Anderson, creates a Conflict of Interest by conflicting their offices from representing Anderson and the People of New York as obligated, acting to Obstruct Justice, as the Attorney General is charged with investigating Public Office Corruption, leaving no one guarding the hen house. Certainly, the NY Attorney General's Office based on Anderson's revelations in your Federal Court now has legal obligations to investigate Anderson's claims, although the conflicts should have been assessed prior to their now conflicted position. Obviously, being in the same courtroom when Anderson reveals "Cleaners" and the likes leaves the Attorney General's Office calling for criminal investigations of their current clients and perhaps officials from their offices, notifying the appropriate Inspector Generals and Investigatory Agencies.

These criminal matters and the need for criminal investigations are not something for the jury in the civil case to decide, unless the court so decides. I have copied this correspondence to the attorneys for Christine Anderson and to the NY Attorney General so that they may have input and so this is not an ex parte communication. I am also unclear as to if this an ex parte communication of my case, 1:07-cv-11196-SAS, which is on Appeal after your "legally relating" my case to the Anderson "Whistleblower" case? I do not know whether all of the attorneys affected are admitted before this court.

Please do what is required by your Oath of Office, your Judicial Canons and any other legal obligations requiring your reporting the allegations levied by Anderson in Your Court, of disciplinary complaint Whitewashing for the US Attorney, the District Attorney and the Assistant District Attorney, as well as, all other alleged Criminal Activity exposed by the "Whistleblower" Anderson, to ALL appropriate authorities and investigators your obligations require.

Respectfully Yours,

- vi. creation of fraudulent trust in the estate of Simon and forged and fraudulent documents filed in the estate of Shirley by Personal Representatives/Trustees/Estate Counsel,
  - vii. duress and undue influence used to coerce Decedent Simon to make near deathbed changes that changed long established Beneficiaries and appointed new Personal Representatives to act in the Estates, and,

5. That Petitioner is petitioning this Court to construe this motion and pleading of Petitioner liberally as being filed Pro Se and to grant reliefs claimed in prayer and such other reliefs as this Court deems fit.

## **I. BACKGROUND**

6. That Simon and Shirley were married for fifty-one years prior to Shirley's passing in 2010. They had five children, Theodore Stuart Bernstein ("Theodore"), Pamela Beth Simon ("Pamela"), Petitioner, Jill Marla Iantoni ("Jill") and Lisa Sue Friedstein ("Lisa"). That Simon and Shirley had ten lineal descendant grandchildren.
7. That Simon was an established Pioneer in the life insurance industry since the 1970's and had become very successful in business, Shirley was a raise the kids mom and together they accumulated a great many assets, including real estate, private banking investment accounts (mainly invested in blue chip and low risk stocks), businesses worth tens of millions, jewelry worth millions and more.
8. Simon and Shirley provided well for their children and grandchildren throughout their lives, took their children and their friends on trips throughout the world, sent them all to fine colleges and shared their wealth not only with their family but their friends and co-workers. They were loving and caring<sup>1</sup>.
9. That on December 08, 2010, at age 71, Shirley passed away after a long and valiant struggle with lung and breast cancer and major heart problems.
10. That on May 10, 2012 Petitioner was summoned to a conference call by Simon with his siblings and the estate planners, Robert Spallina ("Spallina") and Donald Tescher ("Tescher") of Tescher & Spallina, P.A. ("TS").

Eliot Eulogy for Simon

11. That Petitioner was requested to attend this meeting by Simon where he learned for the first time that he had beneficial interests in the Estates. No notices of interests, accountings and inventories were ever provided by TS to Petitioner as a Beneficiary after Shirley's death, other than a Letter of Administration after approximately six months and then NOTHING else.
12. That Simon started the meeting stating that he was unsure if TS and Spallina had kept Petitioner and his siblings up to date on the estate of Shirley since her passing. That Simon was unsure if Spallina had kept all the siblings informed as obligated because when he invited Petitioner to the meeting he was surprised to learn that Petitioner had only received one document from Spallina regarding his interests in the estate since the passing of Shirley.
13. That the meeting was to discuss Petitioner, Jill and Lisa giving their interests in the Estates, which constituted the entire Estates assets that were going to them, instead going to Simon and Shirley's ten lineal descendent grandchildren to share equally. These changes according to Simon were to solve problems caused by Theodore and Pamela, which were causing Simon extreme emotional and physical trauma and duress at that time.
14. That the three children that are the designated Beneficiaries under the 2008 Trusts of Simon and Shirley are Petitioner, Jill and Lisa and their six children who also were Beneficiaries. That in Petitioner's instance even prior to the proposed changes, Simon and Shirley had intended to leave almost all of his inheritance to his three children directly to protect Petitioner's family for specific safety reasons further defined herein.
15. That Petitioner learned in the May 12, 2012 meeting for the first time that Theodore and Pamela had already been compensated from the Estates while Petitioner's parents were alive, through acquisitions of long standing family businesses worth millions of dollars and thus were excluded from the remainder of the Estates.
16. That Theodore, Pamela and Petitioner worked in the family businesses, Theodore and Pamela for their entire lives and Petitioner had his own companies for approximately 20 years doing business alongside the family companies and yet when Simon chose to sell the businesses, he sold them to Theodore and Pamela alone.
17. That these businesses provided millions of dollars of income for many years to Theodore and Pamela who have both led extravagant and rich lives from insurance plans invented and sold primarily by Simon and his companies. Theodore and Pamela both worked out of college in Simon's palatial offices, while Petitioner worked from his garages at college in Madison Wisconsin and then after college in California with his college friends/co-workers.
18. That Petitioner and his sister Jill on the other hand, who had worked for the family businesses for years were pushed out by Pamela as she took over and despite their years in business with the companies were left nothing in the buyouts for their years of service and have modest net worth.

19. That Pamela who lives in Magnificent Mile on Lake Shore Drive in Chicago is very well off from these acquisitions and has a high net worth as result, so much so as to buy her college bound daughter in 2008 a condominium in Magnificent Mile worth over a million dollars, directly next to her condominium worth several million dollars.
20. That Theodore had done well in the family businesses and so much so as to have gone from Bankruptcy and living at Simon and Shirley's home, to going into business with Simon in Florida and then suddenly buying a large intercostal waterfront home in Florida worth approximately USD \$4,500,000.00 million dollars, right as Petitioner's car had a bomb blow up in it and Petitioner was living in squalor, to be defined more fully herein.
21. That Petitioner's sister Lisa is married to the son of a partner at Goldman Sachs in Chicago who also works at Goldman Sachs and so she has never needed financially.
22. That Petitioner and Jill however have lived modest lives in modest homes and worked outside the family businesses for years on their own. This despite the fact that Petitioner's independent insurance agency worked to build the family insurance businesses through his sales efforts nationwide for almost twenty years. Petitioner was the largest sales producer for the companies for a decade before leaving the companies in frustration of working with Pamela and not getting paid according to contract.
23. That Theodore and Pamela had been completely cut out from the remainder of the Estates assets, including exclusion of their four children as they had already been well compensated through these business acquisitions which were the majority of Simon's net worth at the time and so Shirley and Simon decided together that the remainder of their Estates would go to the children who had not received or asked for any inheritance while they were alive.
24. That Petitioner learned Theodore and Pamela however had become very angry with Simon over this decision, with Pamela and her husband David B. Simon ("David") even threatening litigation against Simon after they learned of Simon and Shirley's decision to leave them wholly out.

- i. Language from May 20, 2008 Shirley Bernstein Trust Agreement and November 18, 2008 Shirley Bernstein Amended Trust Agreement

E. Definitions. In this Agreement,

1. Children Lineal Descendants.

...Notwithstanding the foregoing, as I have adequately provided for them during my lifetime, for purposes of the dispositions made under this Trust, my children, TED S. BERNSTEIN ("TED") and PAMELA B. SIMON ("PAM"), and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me, provided, however, if my children, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN,

and their lineal descendants all predecease the survivor of my spouse and me, then TED and PAM, and their respective lineal descendants shall not be deemed to have predeceased me and shall be eligible beneficiaries for purposes of the dispositions made hereunder.

ii. Language from August 15, 2000 – Will of Simon Bernstein

ELEVENTH: The term "descendants" as used in this Will shall specifically exclude my daughter PAMELA BETH SIMON and her descendants. Except as provided in Article SECOND of this Will, I have not made any provisions herein for PAMELA BETH SIMON or any of her descendants not out of lack of love or affection but because they have been adequately provided for.

iii. Language from alleged 2012 Amended Trust of Simon

E. Definitions. In this Agreement,

1. Children, Lineal Descendants.

... Notwithstanding the foregoing, for all purposes of this Trust and the dispositions made hereunder, my children, TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, shall be deemed to have predeceased me as I have adequately provided for them during my lifetime.

25. That Simon at the time of the May 12, 2012 meeting to amend the 2008 Trusts of he and Shirley's they had designed and executed together was acting under extreme duress and suffering from documented mental depression from what his children were doing to him, this extreme stress placed on him was worrisome to Petitioner as Simon had a long history of heart problems.
26. That shortly before the May 12, 2012 meeting until Simon's passing, new and profound physical symptoms began to slowly appear leading to major medication alterations to his prescribed daily medications and additionally he was put on several new medications by his doctors, as evidenced further herein.
27. That Simon then began a series of medical problems that in June and July of 2012 began manifesting serious and bizarre symptoms and he was repeatedly taken seriously ill and multitudes of tests were ordered leading to several diagnoses of new problems with unknown origins and new treatments. For 2-3 months leading up to his death Simon became rapidly and progressively worse and heavily medicated until his death. Some of the tests and surgeries during this period, include but are not limited to,

- i. Bahamas Trip – approx. June 22<sup>nd</sup> - 24<sup>th</sup> returns with major flu like symptoms

- ii. July 24, 2012 Returns from a trip to Panama and is ill and having massive headaches
  - iii. August 14, 2012 Shoulder and Neck MRI to determine massive headaches,
  - iv. August 15, 2012 Brain MRI to determine massive headaches,
  - v. August 20, 2012 Brain biopsy surgery,
  - vi. Prednisone lowered due to massive headaches.
28. That in fact, Simon's physical and mental health rapidly declined and he never recovered from these new more serious symptoms that started almost exactly when he supposedly signed these near deathbed changes on July 25, 2012 to allegedly amend and radically alter his earlier 2008 trust ("2008 Trust") and create a new **alleged** 2012 trust ("Amended Trust"). Copies of that alleged 2012 Amended Trust are attached further herein and will evidence that that the alleged Amended Trust document was not notarized, witnessed and executed properly in accordance with law and part of a larger scheme involving alleged forged and fraudulent Estates documents, as evidenced and exhibited further herein.
29. That TS, Spallina and Tescher knowing of Simon's health problems and heavy medication use during this time period should not have allowed Simon to sign anything, as during this time the alleged 2012 Amended Trust was supposedly signed, prior to the closing of Shirley's estate, Simon was in great pain, heavily medicated and under massive stress and under psychological care.
30. That Petitioner and Petitioner's children's counsel have been denied by TS, Spallina and Tescher copies of the prior 2008 Trust of Simon that changes were made to in order to create the alleged 2012 Amended Trust so that Petitioner cannot analyze exactly what language was changed, despite repeated requests to the Personal Representatives for over seven months since Simon's passing.
31. That on information and belief the bad blood between Pamela, David and Simon and Shirley, actually began several years prior to Shirley's death and lasted until Simon passed away. Where on information and belief problems with the acquisitions of the long standing family companies during the buyouts may have led to some of these problems.
32. That allegedly after the business buyouts went sour, Pamela and David and their daughter did not see Simon and Shirley and boycotted them almost completely for several years until shortly before each of their deaths. Simon and Shirley were crushed by this loss and their behavior and severed their ties with them. Pamela may have known she was also excluded from the Estates in the 2000 Will of Simon already exhibited herein.
33. That Petitioner learned several months before Simon's death that Theodore and Simon were also separating from each other in business, as tensions had gotten out of control, when Simon invited Petitioner and his wife Candice Bernstein ("Candice") to help him start a new business venture with a new partner, in a new office he had just leased, in a

wholly new industry and where he would now be relocating wholly separate from Theodore.

34. That on information and belief, this separation was partially a result of bad blood over the splitting of the businesses and other business dealings gone badly and allegations that Theodore was taking monies from the businesses for himself in excess and finally because of Theodore's continuing anger and rage at Simon over learning he was also excluded from the Estates.
35. That Simon was also hurt by a lawsuit filed weeks before his death by his business partner William E. Stansbury ("Stansbury") against he and Theodore, as he had considered Stansbury to be a friend and likewise Stansbury claims he was Simon's friend too in his lawsuit. However Stansbury makes claims that Theodore was fraudulently signing checks made out into Stansbury name and converting the funds illegally into his own accounts and more, in a lawsuit that now is part of the Estates creditors, as more fully defined herein.
36. That the newly contemplated near deathbed changes sought to be made to the long standing 2008 estate plans of Simon and Shirley that were proposed in the May 12, 2012 meeting, still skipped leaving anything at all to Theodore and Pamela, as again they had already been compensated, and so the inheritance was to be left instead directly to their children, where three of their four children were already adults. Therefore, Theodore and Pamela should have very little to do with the Estates but instead have total control with exclusivity to the Personal Representatives and where the Beneficiaries and Interested Parties have been totally shut down from ANY information or funds, as further defined herein.
37. That Simon stated to Petitioner after the May 2021 meeting that he was skipping over leaving anything to Theodore and Pamela as he also felt that if he left the monies directly to them in the proposed 2012 Amended Trust, their children would never see the monies. Simon felt that Theodore and Pamela were using their current wealth gained through advancements on their inheritances through the company acquisitions to control their children by leveraging their monthly allotments to their children in college if they did not join in the boycott of Simon, making it virtually impossible for their children not to join in. In Pam's circumstances the boycott of both Simon and Shirley, by David, Pamela and their daughter began several years earlier.
38. That on information and belief, letters were sent and conversations held shortly after Shirley's death with Theodore, Pamela, Simon, Spallina and Tescher, notifying them that they had been left out of the remainder of the Estates. After Shirley's death, the Beneficiaries were not notified by the TS of their interests.
39. That on information and belief, after Shirley's death when Theodore and Pamela learned they and their families were wholly excluded from the Estates remaining assets, they began a campaign against Simon to have all his children and grandchildren not see or talk with him. At the time Petitioner did not know that Theodore and Pamela had been

cut out of the Estates or why, as Petitioner did not learn this until the May 12, 2012 meeting.

40. That the reasons given for blackballing Simon prior to the May 12, 2012 meeting were claimed first to be worries that Shirley and then Simon's personal assistant Rachel Walker ("Walker"), who was living and working with Simon was allegedly possibly sleeping with Simon and trying to get at Simon's money. When Simon took a new female companion, a friend and former employee of his he had known since approximately 2003 and he talked with weekly for years, Maritza Puccio ("Puccio"), the accusations by Petitioner's siblings shifted from Walker to now Puccio trying to swindle Simon's monies and get at the Estates assets.
41. That Pamela did however come to see Simon once from the time Shirley passed until his death, several months after Shirley's passing, when she came to clean out Shirley's closet with Lisa and Jill, who all came in town from Chicago, as Simon was considering having Puccio move into his home with him, along with his personal assistant Rachel Walker ("Walker") who was already moved in from on or about the time of Shirley's death and even had a room she called her own.
42. That upon this visit, Petitioner's sisters took not only all of Shirley's clothing and personal effects but also took 50 years of Jewelry and other valuables Simon and Shirley had accumulated worth an estimated several million dollars and were assets of the Estates.
43. That when Petitioner later questioned Simon about this he stated that they were merely borrowing these items. Simon was confused and upset when he realized that they had taken all of Shirley's possessions, he was very weak and depressed when they descended upon him and he did not know they took all of her valuables until after they left town and were back in Chicago with them. They left with loaded suitcases and shipped several containers they packed for themselves and never notified Petitioner or Theodore that they were carting off Shirley and Simon's personal affects and more. That Petitioner later learned that at that time Petitioner's sisters took these valuables to protect the items from Walker and Puccio who they thought would steal them.
44. That since no inventories were ever sent to Petitioner as a Beneficiary of Shirley's estate by TS, Petitioner does not know exactly what Shirley had bequeathed and to whom.
45. That Simon stated to Petitioner that he had never gifted, sold or transferred the jewelry and other items they took out of the Estates and therefore everything they took that was part of the Estates would all still be part of the Estates upon his death for distribution according to the Estates plans to the proper Beneficiaries. Simon stated that Petitioner's sisters had inventory lists of the jewelry and there was an insurance policy on the items that they took and all would be returned when he passed for equitable distribution to the Beneficiaries of the Estates.
46. That Petitioner did not learn from Theodore until after Simon's death that Theodore was extremely angry at Simon, Pamela, Lisa and Jill upon learning that Petitioner's sisters

took Shirley's entire personal effects and jewels and left him and his children none of it, not even a keepsake.

47. That upon trying to recruit Petitioner's immediate family to join an ongoing boycott against Simon a few months after Shirley died, it was told to Petitioner by Theodore's children, Eric Bernstein ("Eric"), Michael Bernstein ("Michael") and his step son Matthew Logan ("Matthew") that the reason all the children and grandchildren had joined together to boycott Simon, according to Theodore and Pamela, was now due to his companion, Puccio.
48. That Theodore's children were urging Petitioner and his family to get on board as they were enabling Simon, as Puccio they claimed was after his money, stealing his money, had stolen money from Shirley and Simon in the past and was now physically and mentally abusing Simon and other horrible allegations about her. They claimed they knew things about Puccio's past from when she worked for their father as a Nanny. They alleged she had swindled money from Simon regarding breast implant money when Puccio worked for Simon and Shirley and more. They stated they hated Puccio and refused to attend any family occasions with her as she was only after Simon's money and he was too enamored by her to see clearly. They stated that Shirley was rolling over in her grave as Puccio would desecrate their home and rob Simon and that Petitioner must join the boycott.
49. That Petitioner and Candice refused to participate in such a hurtful scheme against Simon and Puccio and told Theodore's children that Simon and Shirley would be ashamed of their bizarre and cruel behavior and that they should not continue to boycott seeing Simon as it was breaking his heart and depressing him and to tell Theodore and anyone else involved that we thought this was a bad idea. Especially disturbing is that Theodore's children were partially raised by Simon and Shirley, even when they were not well physically, for many years and even moving Theodore and his children into their home for several years. They raised Theodore's children during a lengthy personal and financial crisis Theodore went through resulting in his declaring bankruptcy, divorce, loss of his home and eventual tragic overdose death of his ex-wife and resulting loss to the children of a mother.
50. That Petitioner's siblings became angry with Petitioner's family when they would not join the boycott and were increasingly upset that Petitioner's family in fact was friendly with Puccio and had increased their visits to Simon.
51. That after learning of this exact ploy against Simon by all of Petitioner's siblings, their spouses and even their children, Petitioner wrote letters at Simon's request to Theodore, to have him state exactly what was going and why he was not attending the Jewish Holiday of Passover with his father who was still in mourning at Petitioner's house. That these correspondences are attached herein as, Exhibit 1 – Email Correspondences Theodore and Eliot, and wherein Theodore claims, "My primary family is Deborah and

our four children. They come first, before anything and anyone. **The family I was born into is no longer, that is just a fact, it is not a matter of opinion, it just is.**"

52. That Petitioner's wife Candice and children, Joshua Ennio Zander Bernstein ("Joshua"), Jacob Noah Archie Bernstein ("Jacob") and Daniel Elijsha Abe Ottomo Bernstein ("Daniel") and Petitioner, did not align with the rest of Petitioner's siblings and their families and instead remained steadfast in their weekly meetings with Simon, continuing to have brunch with him every Sunday, a tradition started over a decade prior in 1998 when Petitioner's family moved to Florida for the first time to be with Simon and Shirley, a tradition continued until their deaths.
53. That the boycott by Simon's other four children and seven grandchildren sent Simon into deep depression, which he began psychotherapy to attempt to cope with. Petitioner's immediate family increased their weekly visits to fill the loss and so began seeing Simon 2-3 times a week or more, trying to spend as much time with him as he was now not only suffering from the loss of Shirley whom he loved profusely but now suffered the catastrophic loss of almost his entire family supposedly over his girlfriend.
54. That on information and belief, Jill and Lisa also did not know of the exclusion of Theodore and Pamela from the Estates and were recruited into this boycott based solely on the claims of Theodore and Pamela about Puccio's past employment history with Theodore and the alleged crimes she had committed and that Puccio was after Simon's money.
55. That after speaking to Puccio and Shirley and Simon's personal assistant Walker and several close friends of Simon, it was learned by Petitioner that Pamela and David even tendered a letter to Simon threatening to start a lawsuit against Simon regarding their removal from further inheritance under the Estates. That both Puccio and Walker describe this as the saddest day for Simon they had ever witnessed and Walker claimed to Petitioner to have read the letter to Simon upon receiving it at his home and described him falling to pieces.
56. That during the time from Shirley's death to Simon's death all of Simon's children but Petitioner boycotted their father and hated on Puccio incessantly, even after the May 12, 2012 meeting with TS where all of these matters were to be put to rest by the proposed changes to the 2008 Trust of Simon. After the May 12, 2012 meeting it is believed that Jill flew out once more to see Simon with her daughter and would not stay with Simon in his home because of Puccio and the trip went sour as Simon refused to leave his girlfriend Puccio at home.
57. That the exclusion from the Estates appears now to have been the bane of Theodore and Pamela's anger all along and the real cause of their boycott of Simon, not Puccio, nor Walker, and it appears they had recruited Lisa and Jill into the scheme also based on concern over Puccio hurting and robbing their father, not on the fact they were angry over the Estates plans. Having Puccio as the focus of the boycott could get all the children to participate in the boycott in concern and designed to make Simon suffer

wholly through the total loss of his children and grandchildren and allegedly try to force him to make changes to the Estates plans or suffer never seeing or talking to any of them again.

58. That in the May 12, 2012 meeting, Simon clearly stated that the reason he was making these changes was to resolve family problems caused by the exclusion of Theodore and Pamela that were causing him too much stress. Clearly Simon was under undue pressure to contemplate making these changes, desperate to see his children and grandchildren and physically and mentally beaten down. At this May 12, 2012 meeting, Petitioner learned that this assault may have been due to Theodore and Pamela's anger over their exclusion and claiming the businesses they had acquired were not doing as well as when they acquired them and they wanted back in on the remaining Estates assets.
59. That at that May 12, 2012 meeting Petitioner agreed to sign and do anything that would relieve Simon's pain and stress caused on him by Theodore and Pamela, as it appeared there was a proverbial "gun to his head" now to either change his estate plan or lose almost his entire family and continue being abused. Petitioner agreed to the proposed agreement but only if he could see the documents necessary to evaluate what he would be signing and what rights and interests he would be forsaking.
60. That Jill and Lisa agreed also to make any changes necessary to alleviate Simon's stress after reviewing the documents to be sent by Spallina and it was then decided that documents would be sent for the children to review and sign. Spallina stated it was necessary to close out Shirley's estate and then Simon could make the proposed changes to the 2008 Trust of Simon when everyone sent in their documents.
61. That Petitioner was led to believe the proposed changes to the 2008 trusts of Simon and Shirley would not be effective until all the children of Simon reviewed and returned the documents and Shirley's estate was officially closed.
62. That the closing of Shirley's estate however did not occur until after Simon's passing, as Jill had failed to return the documents sent to her until after Simon had passed in October of 2012, evidenced and exhibited further herein.
63. That despite being a Beneficiary of Shirley's estate, Petitioner had never seen or been sent by TS any estate documents of Shirley's from the time of her passing, wholly violating their duties to the Beneficiaries of Shirley's estate.
64. That Petitioner requested in the May 12, 2012 meeting that TS send Petitioner the documents to sign and all relevant documents pertaining to Petitioner's rights and interests in the Estates, so as to determine what Petitioner was being requested to relinquish rights in.
65. That Tescher and Spallina agreed to send Petitioner all the relevant estate documents to review but then only sent Petitioner a "WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE"

("Waiver(s)") to sign. A three part document waiving his rights and interests in Shirley's estate, the document predicated on an understanding of the rights being waived and yet TS did not send any accountings, inventories or anything else to aid Petitioner in assessing what interests or rights he would be signing away.

66. That at that time in May Simon's health was beginning to rapidly decline and therefore Petitioner signed the Waiver almost instantly upon receiving it on May 15, 2012 and returned the document promptly so as to cause Simon no further grief or suffering, as Petitioner worried, as did Simon, that some of his recent maladies were due to his long standing heart problems and that holding off and Petitioner waiting for the underlying documents from Spallina to sign could kill him. In fact, Petitioner still waits for the underlying documents.
67. That Petitioner signed despite never having seen the underlying documents or understanding any of the interests he would be forsaking in Shirley's estate and despite the fact that the Waiver signed required review by counsel and an understanding of what the signor was signing. See Exhibit 2 – May 15, 2012 Eliot Email to Spallina with Signed and Not Notarized Waiver.
68. That TS according to well established law should have sent the underlying documents and inventories, accounting, etc. to Petitioner as he was a Beneficiary of Shirley's estate. This notification of interests should have already been done within the legal time frame after Shirley's passing but TS had never notified him.
69. That on information and belief, Jill and Lisa were also not notified properly and according to well-established law of their beneficial interests but Spallina did however have conversations and correspondences with Theodore and Pamela notifying them of their exclusion.
70. That Jill however did not sign her Waiver to close the estate of Shirley prior to Simon's passing, see Exhibit 3 – Jill's Waiver with No Notarization Dated, October 01, 2012, two weeks **after** Simon passed. Therefore Petitioner never thought the proposed 2012 Amended Trust was agreed to and completed by Simon and all the siblings, as Shirley's estate had never even been closed.
71. That in the eight weeks from July 15, 2012 when Simon allegedly signed the improperly notarized and improperly witnessed alleged 2012 Amended Trust and the time Simon passed on September 13, 2012, his health went wholly downhill to his sudden and unexpected death. In the eight weeks after he supposedly signed the alleged 2012 Amended Trust, Simon,
  - i. began suffering massive headaches that got worse each week, beginning weeks before his death that caused Simon to go for a brain scan only weeks prior to his death,
  - ii. was delirious, confused and suffering from hallucinations and fainting spells,

17

- iii. had been radically medicated, including but not limited to, pain pills, steroid injections to his shoulder and neck, Prednisone and other radical changes made to his daily prescriptions. Including wild fluctuations and increased and decreased dosages of Prednisone during the time between July and September, all making Simon virtually out of his mind during this time period and physically deteriorating, all which should be well documented with his doctors in his medical records,
- iv. was given an improper pill of Ambien by Puccio, along with an unknown amount of prescribed pain medicine on September 08, 2012, causing Puccio to panic and state that she may have caused him harm. Puccio called Petitioner's home worried all night as he had not slept watching over Simon and now wanted to rush Simon to the hospital. Puccio asked Candice to come to the home immediately as she thought he may be dying and evaluate his condition. Puccio claimed he was hallucinating and delirious and speaking to his mother on the bed, prompting Candice to immediately go to Simon's home to assess his health. Simon then went to Dr. Ira Pardo, MD ("Pardo") of Boca Raton with Puccio where Simon was cleared of any danger and let home by Pardo according to Puccio.

- 72. That on September 12, 2012 Petitioner and Candice were again contacted with a medical emergency, this time by Walker, who summoned them to come immediately to Simon's home, as she stated that something was terribly wrong with Simon, that he was weak, confused, disoriented and she thought he needed to be rushed to the hospital.
- 73. That Candice arrived at Simon's home at the same time Diana Banks ("Banks"), Simon's business secretary, arrived at the home and Puccio returned from the club's gym shortly thereafter and they all determined that Simon needed to be taken to the Delray Medical Center hospital to be evaluated immediately.
- 74. That Puccio stated to Candice that Simon was fine prior to her leaving the home to work out approximately an hour earlier and Walker stated that when she got to the home Simon was in a complete physical meltdown, undressed and hallucinating wildly. They then allegedly carried Simon to Banks' car as he was unable to walk without their aid and rushed to the hospital.
- 75. That at the hospital Petitioner notified the hospital upon arriving that Simon's condition may be related to side effects from the Ambien given by Puccio earlier in the week, in combination with the pain medicines doctors prescribed and the combination might still be having an effect on him and to immediately run a drug screen to determine what medications he was on, as Puccio, Walker and Banks could not be sure what had been given to Simon in the last 24 hours.
- 76. That Simon was taken to the hospital suffering from pain, bloating, dizziness and mental confusion and disorientation and in severe pain. He spent the day doing tests and meeting with heart and infectious disease physicians. At first, early in the day, doctors advised Petitioner that his father had suffered a heart attack. Petitioner immediately

contacted his siblings to notify them of the peril Simon was in and have them get to the hospital ASAP. Jill and Lisa immediately hoped on the next plane out of Chicago and arrived several hours later. Theodore claimed to have to attend a meeting before coming and arrived Boca several hours later and began to request a variety of cardiologists personally known to him to treat Simon and none of them came, delaying getting anything done for a few more hours. Simon's normal cardiologist, Seth J. Baum, MD, FACC, FACPM, FAHA, FNLA could not handle the case due to some form of conflict with the hospital but he was to have sent his medical records to the hospital. In the end the hospital's cardiologist was appointed as attending cardiologist.

77. That an attending physician then came and stated that they did not think he had a heart attack and the infectious disease team was called due to concerns about his other vital functions which appeared highly irregular and he was then checked into ICU but listed in stable condition.
78. That in the early evening the attending cardiologist finally arrived in the ICU and stated that Simon's heart appeared fine, his tests did not show markers of a heart attack and that he did not think Simon had suffered a heart attack and in fact was not suffering from heart problems at all. Instead, he claimed that Simon may have contracted a flu like the "West Nile Virus" and he would begin that evaluation the next day but that he was fine for now and stable.
79. That the Doctor asked Petitioner if he remembered him from two weeks earlier as the attending physician at the brain scan and Petitioner replied that he did, as Petitioner had taken Simon with Candice and Puccio for the test. The Doctor stated that he was perplexed at what was going on after a thorough review of Simon's files now and those from just days ago that were fine and so he had went back to retrieve the older files and compare them, which is why he claimed he did not get to Simon earlier in the day, as it took him time to compare and contrast and try to determine what was happening.
80. That the Doctor then asked about Simon's travels, which had been fairly extensive over the last year and then advised the children present to go home and get rest as he was stable.
81. That Puccio decided to stay and keep company with Simon overnight in the ICU. Simon was heavily medicated but appeared in stable condition as Petitioner left to go home.
82. That several hours after leaving Simon, in the early morning of September 13, 2012 Petitioner was suddenly called to the Emergency room in the middle of the night at approximately 12:30am by Puccio, crying hysterical and stating Simon was Code Blue and they were resuscitating him. When Petitioner arrived at the hospital only minutes later with Candice, they were stopped at the ICU by the nurse in charge because she stated no one could go in to see Simon until security arrived, as someone had just phoned in a call that Simon's condition may have been part of a "murder plot." That Petitioner has still not discovered who made this call to the hospital at that time.

83. That when Petitioner and Candice were sent to the waiting room they found Puccio in the waiting room crying and hysterical as she had been removed from the ICU room from Simon after the call regarding a potential murder was made, right after Simon was beginning to need to be resuscitated for the first time.
84. That Petitioner while Simon was being resuscitated for the 2<sup>nd</sup> time still had to wait outside until the attending nurse allowed him in, right as security arrived, to see his father. When Petitioner arrived at his father's room, Simon was in a bad way with nurses already working on him with a full resuscitation crew.
85. That Petitioner's siblings, Theodore, Jill and Lisa arrived at the hospital shortly thereafter and Pamela was called in Israel via telephone as she would not be cutting her trip short to return home unless he got worse. The attending nurse then asked if the children wanted to continue to attempt resuscitations or let him pass.
86. That the hospital stated that without papers to the contrary, Petitioner was the designated person in charge of any medical decisions for Simon and so Petitioner stated that they should continue to resuscitate Simon, at least until a doctor could arrive to determine his condition and make determination as to what was causing this sudden and bizarre meltdown of his vital organs.
87. That several more resuscitations were necessary and all of the other siblings wanted Petitioner to "pull the plug" instantly with no further lifesaving efforts and let him die, claiming he wanted to be with Shirley and so no further efforts should be made to save his life and telling him to go be with her and more.
88. That Petitioner did not agree with his siblings decision to "pull the plug", as he was unsure if these were symptoms of the West Nile Virus and if he would recover if resuscitated, as Simon was just cleared of any heart problems by the attending cardiologist hours earlier and so despite his siblings protests Petitioner continued to have them proceed with lifesaving efforts.
89. That unbeknownst to Petitioner, during the life saving efforts Walker allegedly was ordered to go to the home and retrieve Wills and Trusts of Simon by Theodore that might have a Living Will and advance directives for medical decisions, as the siblings felt that Petitioner would not stop when Simon would have wanted them to stop and let him die without further attempts at resuscitation. The situation was not however like Simon was in a vegetative state for a period of time and we were deciding to discontinue life support after careful consideration. Petitioner also was unaware that Candice had been sent to Simon's to accompany Walker.
90. That after several resuscitations, a Doctor arrived and took charge of the resuscitations from the head nurse. That he first believed Simon would recover and after several more attempts had failed to stabilize Simon for more than a few minutes at a time, he advised Petitioner that Simon now appeared technically dead and the drugs they were injecting him with each time were making him appear to be alive each time they resuscitated him but he could not hold on any longer on his own. The Doctor finally stated that in his

medical opinion after the amount of time lapsed and number of efforts made, he may be gone and even if he did come back he may have severe brain damage or worse. On the Doctor's advice, Petitioner finally gave up the efforts and instructed the doctor to no longer resuscitate him and let him die naturally to the delight of his siblings.

91. That on September 13, 2012, Simon passed away.

## II. POST MORTEM EVENTS OF INTEREST

92. That within **minutes** after Simon's death, Petitioner was instructed by Theodore to go immediately to Simon's house to make sure that his companion Puccio was not robbing the house, which seemed strange to Petitioner. Petitioner wondered why Puccio, Candice and Walker had left the hospital in the first place prior to Simon's passing and Theodore claimed Puccio was going to rob the safe and home and had left some time ago and he had sent Walker and Candice to watch her and get some paperwork he needed from the home for the hospital.

93. That Theodore stated he would handle the hospital paperwork but somebody had to go to Simon's home ASAP and sent Petitioner who really did not want to go as Simon had just passed minutes earlier and he did not feel well or like driving but agreed to go.

94. That in the parking lot of the hospital, as Petitioner was leaving the hospital, Candice and Walker were returning from the home of Simon. Walker informed Petitioner that Theodore, Jill and Lisa had sent her away to the home to get documents necessary for hospital paperwork and have Walker watch over Maritza and throw her out of the home.

95. That in the parking lot of the hospital Walker stated to Petitioner that she was instructed to get documents to give Theodore, any documents regarding the Wills and Trusts she was to remove from the estate and now held in her hands. She claimed Theodore needed them as they contained important estate and other documents for the hospital. Walker then urged Petitioner and Candice to return to the home to watch over Puccio, as Walker claimed she had to bring Theodore the documents immediately for the hospital paperwork and did not trust Puccio. That Walker was convinced at that time that Puccio may have murdered Simon through poison or overdose.

96. That when Petitioner and Candice arrived at Simon's home, Puccio was packing her bags, crying and was scared, as she stated that members of Petitioner's family had threatened her and told her that if she was still at the home when they arrived they would cause her harm.

97. That other impoliteness's were exchanged according to Puccio when she was at the hospital as Simon lay dying and that she feared so much as to run out of the hospital and get her belongings and leave the home. Puccio left despite Petitioner and Candice informing Puccio that Simon had told them at the hospital the day before he died, that in the event anything happened to him and if Petitioner's siblings tried to do anything to

21  

harm Puccio or throw her out of the home, that she had rights to stay in the home as it was her primary residence with Simon for many months prior. Despite informing Puccio of Simon's request she still wanted to leave as she feared harm by Petitioner's siblings and Simon's assistant Walker.

### **III. POST MORTEM AUTOPSY DEMAND AND SHERIFF DEPARTMENT INVESTIGATION OF ALLEGATIONS OF MURDER**

98. That early in the morning of September 13, 2012, hours after Simon's passing, a Coroner called Simon's home and asked Petitioner if Petitioner was ordering an autopsy to discover if Simon had been "murdered." Petitioner informed the Coroner that he knew nothing about murder allegations or that an autopsy was ordered at the hospital but that Petitioner would have Theodore call him back as he had done all the paperwork at the hospital he was calling in reference to.
99. That Petitioner immediately contacted Theodore who stated to Petitioner that his siblings were ordering an autopsy based on the allegations that they thought Puccio murdered Simon, a belief Petitioner did not share and does not share at this time.
100. That Theodore stated he had friends in the Boca Raton, FL legal community he was already speaking to about what to do, including but not limited to, his friends at Greenberg Traurig ("GT") and TS and that he would contact the Boca PD from referrals from his friends to start a formal police investigation into Simon's death.
101. That several shortly thereafter the Sheriff Department (See Exhibit 4 Sheriff Department Intake Form) arrived in multiple squad cars and surrounded Simon's home and proceeded to then take statements on the front lawn for several hours regarding an alleged murder plot by Puccio.
102. That shortly after the Sheriffs arrived at Simon's, Theodore, Jill and Lisa showed up at Simon's house with Walker, in order to give statements regarding the accusations that Puccio had murdered Simon by poisoning him or overdosing him with medications. That Walker claimed that Puccio was switching pain pills with his nitro pills with intent while he was confused and that too many pain pills were being mixed with other unknowns.
103. That Pamela, David and their daughter were in Israel at the time of Simon's death and did not come back for several days after learning of Simon's death and so Petitioner is unsure if they gave statements to the Coroner or Sheriff at that or any time.

### **IV. POST MORTEM ESTABLISHMENT OF PERSONAL REPRESENTATIVES, SUCCESSOR TRUSTEES AND SEIZING THE PROPERTIES FROM BENEFICIARIES**

22

104. That later that afternoon on September 13, 2012, Theodore stated that he had just spoken with Tescher and Spallina and that he was appointed to act as the Personal Representative/Executor/Successor of the Estates for the real estate and personal properties and Tescher and Spallina were also Personal Representatives. That according to Theodore the alleged 2012 Amended Trust of Simon now gave TS, Spallina and Tescher, the authority to act as Trustees and Personal Representatives over the Estates and he claimed they had chosen him as a Personal Representative/Executor/Successor Trustee because he was the oldest surviving child.
105. That the Court should note here that the alleged 2012 Amended Trust that TS, Spallina and Tescher were now acting under as Personal Representatives will be shown herein to have been constructed and signed under duress, improperly notarized and improperly witnessed by Spallina who authored the alleged 2012 Amended Trust document, which purportedly now gave him these brand new legal capacities over the Estates and additionally interests in the Estates. Petitioner believes that these documents may have never been completed by Simon and the alleged forged documents exhibited and evidenced further herein may prove such theory to be true.
106. That since the time immediately after Simon's death TS has acted in these capacities as Personal Representatives, Trustees and Counsel in handling the Estates and in assigning Theodore the roles he has been acting under.
107. That TS, Tescher and Spallina have been working almost exclusively with Theodore since that time, sharing and controlling the assets and documents with Theodore and Pamela.
108. That Theodore now acting in his new role Spallina had just anointed him over the phone, stated he was now to control the real estate and other properties to Petitioner's siblings and that he needed to make all these decisions and that according to Spallina he had many obligations and responsibilities but he would keep everyone up to speed on what they were doing.
109. That later that day when Petitioner, after looking up Florida law, challenged Spallina's claims that only because Theodore was the oldest living child was he capable of acting as a Personal Representative who could therefore take charge of the properties of the Estates and demanded Theodore again called Spallina to confirm.
110. That Theodore then claimed that Spallina had just informed him on the phone that under Shirley's 2008 Trust and Will, he was the Successor Trustee to Shirley's Estate and therefore he could act in these capacities Spallina was anointing him too in controlling the assets of both Shirley and Simon's estates.
111. That it was not learned until months later that TS, Spallina and Tescher were elected as the **ONLY** Personal Representatives and that no children had been chosen by Simon in the alleged 2012 Amended Trust they were operating under.
112. That Petitioner did not think the proposed 2012 Amended Trust could have been finalized prior to Simon's death, which elected TS, Spallina and Tescher as Personal

Representatives with these new powers, as this would have meant that Shirley's estate had been closed, which it had not been. Petitioner found it very strange that Theodore would be a Successor Trustee in the closed estate of Shirley and further able to now act as Personal Representative or Successor Trustee regarding the properties in Simon's estate under a moot document.

113. That Petitioner immediately asked to see the controlling documents they began operating under and was placated by Spallina not to worry they would be sent to him shortly and to not worry "he was a member of the Florida Bar and we could all trust him" and "he had the best of interest of the Beneficiaries in mind" and words to that effect.
114. That up until the day of Simon's death, Walker maintained keys and alarm codes to his home, as she had done for several years prior, however suddenly on the day Simon died she stated she no longer had the house keys, the alarm codes and did not have the right combination to open the personal safe of Simon, claiming Simon must have just changed the code on his safe days before his death and she had lost her keys.
115. That Walker had been residing in Shirley and Simon's home until several weeks before Simon's death and had moved from the home due to problems that had arisen with her and Puccio and Simon could no longer handle the additional stress. Where Walker had joined with Simon's other children and grandchildren in hating on Puccio and began claiming she was after his money, abusing him and more. That this feuding led to Walker and Simon attending therapy together and finally Walker moving out. Simon felt betrayed by Walker who he had considered like a daughter siding with his children and going against Puccio with such anger, yet he kept her employed and she showed up at his home almost daily until his death for work.
116. That due to the lost keys and codes and nobody living in the home now with Puccio having already fled, Theodore then asked Petitioner and Petitioner's family to stay at Simon's home for the next several days, as he did not have the keys, alarm or safe codes and he could not just leave the home open. Theodore claimed that he could not stay as all the other siblings were staying at his home and refused to stay in the home Puccio had destroyed. Theodore stated he feared Puccio could return to steal items and Petitioner agreed that leaving the house open and unalarmed seemed a bad idea and therefore he moved his family into the home for several days after Simon's passing.
117. That Petitioner's siblings, Pamela, Jill and Lisa stated that they would not stay in the home of Simon as it had been desecrated by Puccio living there and that they would not attend a funeral reception at the home if it were held there. They stated that all the other siblings had agreed and were planning on having the funeral reception at Theodore's home instead, as this was more convenient for them.
118. That Petitioner protested this funeral reception arrangement and wanted the reception instead at their father's home, so as all his elderly friends at the club he lived in could come by and be at their home for the last time where they had all shared memorable times with Simon and Shirley.

119. That Theodore claimed that after he spoke with Spallina again they decided that they could definitely not hold the funeral reception at Simon's home as it was too risky and someone could slip and fall or steal estate items. Where it suddenly appeared that they were best of friends, as Theodore was on the phone incessantly with Spallina and Tescher now.
120. That Theodore claimed that now that he was in charge of the properties, he and Spallina felt this exposed the estate and them personally to liabilities as Personal Representative/Successor Trustee to large risks from lawsuits and theft and other liabilities and that therefore there was no way to hold the reception at the home.
121. That Petitioner even offered Spallina and Theodore the option of having the attendees sign personal waivers for slip and fall before entering and having security at the home to prevent theft and stop and frisk attendees on the way out but all to no avail. That Spallina grew angry with Petitioner's renewed request to have the documents emailed to him showing all these powers granted and responsibilities and again Spallina stated he would send them shortly.
122. That several days after Simon's passing when the locks and alarm codes on both real estate properties in the Estates where changed, Theodore took possession of the new keys and codes and to the best of Petitioner's belief has since locked all Beneficiaries from the properties and seized possession of the two properties and all of their contents.
123. That Petitioner has tried to gain entry to the properties since that time but the guards at both residences refuse to allow him or his children entry on the orders of Theodore, no notices of possession where given to anyone by Theodore or TS, Spallina or Tescher.
124. That Petitioner further repeatedly requested Theodore to allow entry to get certain items for the children but each time since Simon's death he was not allowed back into the home or able to use any of the amenities on the properties he had been previously using. Theodore told Petitioner he would meet him at the properties several times over the last seven months but each time evaded Petitioner denying access.

## **V. ITEMS REMOVED FROM THE ESTATE POST MORTEM AND MORE**

125. That Walker claimed that when she went to Simon's home she grabbed anything estate planning looking that she could find from his home files, including trusts, wills, etc., as Theodore had requested her to do at the hospital.
126. That later when initially questioned by Petitioner about what the contents of the package Walker had given him were, Theodore claimed they were estate documents, including trusts, wills, some medical records and some insurance documents. Petitioner requested copies and inventory of the documents removed and an inventory of the personal effects of Simon he had taken from the hospital and Theodore stated he would have copies for everyone later that day. To this date Petitioner has never received the

- inventories or accounting for anything removed from the estate or Simon's personal affects taken from the hospital.
127. That Petitioner learned later from Walker that some of the documents she removed from the estate included a contract Simon had made pertaining to Puccio and a check made out to her.
  128. That later upon questioning Theodore again about the contents of the package and if he had documents for Puccio, he initially denied he had any Puccio documents until Petitioner notified Theodore that Walker had told him of documents for Puccio that she had taken from the home and given to him and further that Walker claimed she had discussed them with him at the hospital.
  129. That suddenly Theodore acknowledged he was in possession of Puccio documents and claimed that he had just reviewed the Puccio documents with Pamela and David and the contract and did not appear valid and the check to Puccio was not signed and therefore she would not be paid despite Simon's desire or intent and this is why he claimed he had forgotten about it.
  130. That Petitioner then notified Theodore that Simon had personally informed Petitioner of a document and check for Puccio in the hospital on September 12, 2012 that he wanted her to have in the event anything happened to him in the hospital.
  131. That several days later, after failing to turn over the documents to Petitioner, Theodore stated he turned the documents and personal effects taken from the estate to TS, Tescher and Spallina.
  132. That when requesting copies of the Puccio documents from Spallina he stated Petitioner did not need them as the check was not signed and he and Theodore were not intending to pay Puccio, despite Simon's desire and intent. Petitioner still requested copies be sent to him by Spallina and Spallina stated he would send them when he got a chance.
  133. That for several months prior to and then for months after Simon's death Spallina told Petitioner repeatedly that he would get the Estates documents to him and the other Beneficiaries and Trustees but then in a family call with Spallina, he claimed suddenly and angrily in an "about face" that Petitioner was not entitled to any documents, as Petitioner was not a Beneficiary of either parent's estate and therefore had no rights to them and would send what he thought Petitioner needed when he needed them. Spallina then directed Petitioner to obtain what was in the public record at this Court instead. That Spallina misinforming Petitioner that he was not entitled to any documentation of the Estates, even as Trustee and Guardian for his children who under the alleged 2012 Amended Trust are Beneficiaries, evidences a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more. As will be further evidenced herein Spallina now claims that Petitioner is a Beneficiary of the Estates, in yet another about face and documents exhibited and evidenced herein procured by TS show Petitioner always was.

134. That suddenly many key Estates documents essential to understanding the Estates and defining the distribution of assets are claimed to now be missing from Simon and Shirley's estate plans entirely and where no Attorneys at Law involved creating the documents appear to now have copies of these missing estate and insurance documents and more, as will be evidenced further herein.
135. That in the parking lot of the hospital Walker also exchanged what she thought was a gift she had for Petitioner and when Candice opened it on the way to Simon's it had 5-6 large red pills inside. That when they contacted Walker on the way to Simon's to find out what these pills were and who they were for, she claimed that they were her pills, not Simon's and stated she gave Petitioner the wrong package and to throw them away.
136. That Petitioner on September 13, 2012 upon trying to log in to Simon's computer at his home to get his personal friends contact information to notify them of Simon's passing noticed that the hard drives on all of Simon's computers in his home were missing or scrubbed and Petitioner found this highly irregular. Theodore stated he would look into where they had gone and question several people who handled Simon's computers at his office and home if they knew anything. To this date those items appear to have been taken from the estate and never recovered.

## **VI. MISSING LIFE INSURANCE TRUST AND LIFE INSURANCE POLICY OF SIMON**

137. That on September 19, 2012 Petitioner met with Theodore and Spallina at the offices of TS and Pamela, David, Jill and Lisa were teleconferenced into the meeting from Chicago and we learned from Spallina and Tescher that documents were now missing in the Estates and they were pertinent documents to the distribution of major assets and controlling documents to the Estates.
138. That according to Spallina a Simon Bernstein Irrevocable Trust dated June 4, 1995 ("IIT") of Simon's was determined to be missing. The IIT was initially created by Hopkins & Sutter ("Hopkins") law firm in Chicago, IL., which was later acquired by the law firm of Foley & Lardner ("Foley"). Exhibit 5 - Emails Regarding Lost IIT and Settlement Agreement and Mutual Release ("SAMR").
139. That according to Spallina a Heritage Union Life Insurance Company insurance Policy No. 1009208 on Simon ("Heritage Policy") was also now missing from the Estates records. See Exhibit 6 – Emails Regarding Lost Heritage Policy. That the Heritage Policy is reinsured by Reassure American Life Insurance Company ("RALIC"), who has become involved in the insurance matters.
140. That Exhibit 6 shows that initially Spallina states that the beneficiaries are now being based on an "educated guess" at best, as no one knew who the beneficiaries were. Spallina then later states Simon told him who the beneficiaries were to be and yet

Spallina fails to insure the benefits for the beneficiaries by documenting such and now as it factually is a guessing game, it exposes all potential interested parties to a variety of liabilities.

141. That Petitioner believes that the Heritage Policy and Simon's IIT were part of VEBA Trust that was initially sold and implemented by Simon's insurance brokerage and trust companies and that these companies at that time are believed to have been managed by Pamela and her husband David B. Simon, Esq. and owned by Simon. That it should be noted that Simon was an expert in VEBA trusts for life insurance sales and created one of the first such plans in the nation.
142. That Simon's brokerage companies sold tens of millions of dollars of VEBA life insurance premiums over the years for large estates, all utilizing complicated estate trust vehicles, which were an inherent part of the VEBA plans designed by Simon. Almost all of Simon's high net worth clients' estate plans also involved complicated estate planning and trusts that Simon prepared and preserved as part of his business practice with Pamela and her husband David Simon. That Simon was considered one of the nation's smartest and wealthiest life insurance salesman and expert estate planner and his clients were all high net worth individuals and successful companies. In fact, Simon's products sold were estate planning tools he created (VEBA's, Premium Financing Arbitrages and others) that were adopted and used by thousands of clients, all extremely high net worth persons.
143. That it is beyond belief that Simon who was well versed in estate planning would create an estate plan and leave critical trusts and policies missing from the records on his very own estate and that Pamela and Theodore who maintained these records also would now be missing copies.
144. That Pamela and Simon are believed to be the life insurance agents on the now missing or suppressed Heritage Policy and where Pamela would be one of the General Agents for the carrier and may manage or own various of the trust companies involved with the VEBA's, with responsibilities for maintaining the IIT records and insurance policy records.
145. That according to TS and Theodore in a September 19, 2012 meeting, it appeared that Proskauer Rose<sup>2 and 3</sup> ("Proskauer") may have received copies of the IIT from Simon and

---

<sup>2</sup> That this Court should note that Proskauer has been sued by the Receiver in the now convicted Felon Ex-Sir Allen Stanford of Stanford Financial Group ("Stanford") and where Simon had estate assets in Stanford further discussed herein. That Thomson Reuter's reported the following @

[http://newsandinsight.thomsonreuters.com/New\\_York/News/2012/02\\_-\\_February/Stanford\\_Financial\\_receiver\\_sues\\_law\\_firms\\_lawyer/](http://newsandinsight.thomsonreuters.com/New_York/News/2012/02_-_February/Stanford_Financial_receiver_sues_law_firms_lawyer/)

"Ralph Janvey, the court-appointed receiver for Stanford Financial Group, filed suit on Friday in federal court in Washington against the law firm Proskauer Rose, the law firm Chadbourne & Parke, and Thomas Sjoblom. The lawsuit alleges that while working at the firms, Sjoblom helped Stanford defraud more than 30,000 investors by issuing \$7 billion worth of bogus certificates of deposit. Sjoblom was a partner at Chadbourne & Parke from 2002 to 2006 and at Proskauer Rose from 2006 to 2009.

28

Petitioner later learned that copies of the IIT may have been transferred from Hopkins/Foley in or about 1999-2001 to Proskauer. That Theodore states that his "friends" at Proskauer would know and he and Spallina both stated they would check with their Proskauer "friends" to see if they had the missing documents. Petitioner found his brother's new "friends," which are Petitioner's current enemies to be strange bedfellows for him.

146. That later according to Spallina, after checking with Proskauer's estate planning attorney Albert Gortz ("Gortz"), Spallina stated that the Proskauer firm had "fired" Simon as an estate planning client, after Proskauer prepared and supposedly completed estate work for Simon in or about 1999-2001. Gortz now claims to have no records regarding the estate planning work of Proskauer's for Simon, including copies of the IIT.
147. That Petitioner contends that instead Simon fired Proskauer, as Petitioner did, after discovering in 1998-2002 that Proskauer was involved in the theft of extremely valuable Intellectual Properties and assets of companies owned by Simon and Petitioner, as will be fully discussed and evidenced further herein, leading to an ongoing RICO and Antitrust and Ongoing Federal Investigations and more.
148. That Petitioner voided ALL/ANY estate planning work done by Proskauer in 1998-2002 for his family and does so again herein, after firing Proskauer and filing a series of complaints against them, further discussed herein. Petitioner assumes Simon had done the same.
149. That the Court should note here however, that despite Gortz's claim to Spallina that Proskauer has no estate documents in their possession, a Proskauer document turns up, allegedly executed by Simon in 2000, and it is a Will and Last Testament ("Will Exhibit"). This Will Exhibit turns up in the strangest of places, mysteriously appearing in this Court's record. The Will Exhibit is filed in the estate of Simon on October 10, 2012, as

---

The lawsuit also alleges that Stanford Financial lost at least \$1.8 billion because Sjoblom, a 20-year veteran of the U.S. Securities and Exchange Commission's enforcement division, thwarted a federal investigation into the company. The lawsuit further alleges that the two law firms failed to properly supervise Sjoblom's work... The three defendants named in the lawsuit filed by Janvey also face at least six class-action lawsuits in Texas filed by Stanford Financial Group investors who claim that Sjoblom conspired to defraud them and that the law firms failed to keep tabs on his activities.

The case is Janvey v. Proskauer Rose, U.S. District Court for the District of Columbia, 12-CV-00155.

- either a second Simon Will or as an “exhibit” to the 2012 Will of Simon done by TS. This alleged 2000 Will Exhibit was filed by TS on October 02, 2012 with this Court and the two wills that are now filed with this Court are wholly different and apparently unrelated?
150. That this “Will Exhibit” according to the Court docket is an “exhibit” and was done August 15, 2000 and yet is never referenced in the 2012 Will of Simon as an exhibit, the document apparently is a notarized and signed Will and yet no law firm markings or reference numbers or account appear on the document pages. This “Will Exhibit” is inserted into the Court record for no apparent reason or rationale, which raises the question of why there is a need for two wills to be filed with this Court or why it was attached to the 2012 Will of Simon as an exhibit when not referenced therein and what document now rules? The issues with improper notarization of the 2012 Will of Simon and more will be discussed in greater detail further herein.
151. That Pamela, Theodore and Spallina have all claimed they now have no records of the missing IIT or Heritage Policy, however, Spallina, Theodore and Pamela stated in a phone call with Petitioner’s siblings that they had each been working on reinstating the Heritage Policy which had lapsed at some point months prior to Simon’s passing and they had luckily reinstated it shortly before his death. How the Heritage Policy could have been reinstated without a clear beneficiary designation and without having copies of the policy and IIT at that time, only a few months prior is unknown.
152. That after speaking to various employees of Simon’s and others, Petitioner learned that the Heritage Policy and IIT documents were witnessed to be contained in files maintained in both Simon’s business office and his home office files.
153. That since his death, Simon’s effects, including ALL documentation from his home and office have been controlled by Theodore and TS and there has been no accounting of any of the documents or other items of the Estates by the designated Personal Representatives/Successor Trustees acting under the alleged 2012 Amended Trust to the Beneficiaries, the Trustees for the Beneficiaries or Interested Parties and thus they have no way to access and search for the alleged missing documents or to find out if they have been removed and/or suppressed.
154. That upon Petitioner asking for copies of the Heritage Policy he has been refused by Spallina, Theodore and Pamela and even denied repeated requests for information regarding the point of contact at Heritage as exhibited and evidenced herein, with Pamela even claiming in the exhibited emails that Simon must have taken them from his office to his home and then basically with him to the grave as from the instant of his death they vanish into thin air.

## **VII. INSURANCE PROCEED DISTRIBUTION SCHEME**

30

155. That Spallina with the aid of Theodore, Pamela and her husband David then concocted a scheme using a proposed "Settlement Agreement and Mutual Release" ("SAMR"), see Exhibit 7 – Settlement Agreement and Mutual Release, drafted on or about December 06, 2012 by an unknown Attorney at Law or Law Firm, as no law firm markings are again on the pages.
156. That Spallina claims to Petitioner and his siblings that this scheme will get Simon's children monies from the Estates, as they were no longer beneficiaries under the alleged 2012 Amended Trust, as all five children would get nothing, as it would go to Simon's grandchildren as proposed in the May 12, 2012 meeting. Spallina apparently advising the children to act adversely to the grandchildren beneficiaries, their own children and get the money to themselves instead. Spallina states he is looking to get the children some of the monies outside the Estates, such as the insurance proceeds and IRA's, so as to get the children money versus their children who are the rightful beneficiaries. This makes one wonder exactly who Spallina is representing.
157. That the proposed SAMR scheme is to have the Heritage Policy insurance proceeds be distributed to the children outside of the estate and into the SAMR, under the claim that there was a lost trust and no beneficiary designation. Upon trying to move the monies in this fashion prior to agreement by anyone, it appears Heritage's reinsurer demanded an order from this Court with its blessing. However, on information and belief and limited legal knowledge, Petitioner believes the funds would flow into the estate of Simon, per instructions in his estate plans in the life insurance carry over clauses in both the 2008 Trust of Simon and alleged 2012 Amended Trust.
158. That as proposed by Spallina, Theodore would be the Trustee of the SAMR scheme, claiming that under the IIT, which they all claim is lost, he knew he was the "Successor Trustee."
159. That Spallina claimed that the SAMR was necessary to "avoid creditors" and "avert estates taxes" or words to that effect and get money out to the non-beneficiary children.
160. That Spallina states the SAMR will protect the Heritage Policy proceeds from liabilities and creditors, including liabilities that may result from a lawsuit filed against Theodore and Simon and their companies and later amended to add the Estates. That the lawsuit was filed by a one William E. Stansbury ("Stansbury") in the Circuit Court of the Fifteenth Judicial Circuit of Florida, in and for Palm Beach County, FL., Case #502012CA013933XXXX ("Stansbury Lawsuit"). The Stansbury Lawsuit will be discussed in greater detail further herein.
161. That Spallina claimed the SAMR would keep the Heritage Policy proceeds from estate taxes too and if the SAMR was not done the proceeds would "escheat" to the state of Florida and not the estate of Simon, which Petitioner believes is not the case and that this threat and misinformation was used to intentionally scare the Beneficiaries and Interested Parties to hurry up and sign the SAMR or else face dire consequences and possible loss of the entire insurance benefit. That Petitioner did not agree that estate

taxes could be evaded through a post mortem trust, especially where claims that Simon was the owner of the policy had been made by Spallina.

162. That it appeared to Petitioner that claims were being made to the insurance carrier already to pay the benefits, so was wholly confounded as to why the insurance carrier would escheat the benefits as if a beneficiary could not be found and a timely claim made. The claim was made, there were beneficiaries represented and so it seemed ludicrous and bad legal advice based on Petitioner's limited understanding of these complex estate issues. In all Petitioner's years selling insurance he had never witnessed something even remotely similar to this situation.
163. That it should be noted by this Court that the five children of Simon and Shirley are all Trustees of their children's trusts that were to be set up under the alleged 2012 Amended Trust in order to transfer their inheritances to them. That per Spallina these trusts for the grandchildren under the alleged 2012 Amended Trust were never established and still have not yet been created and he would be creating them soon, again post mortem estate planning taking place.
164. That Simon's children, Lisa, Jill and Petitioner are still Guardians of their children as they are all minors and where all of the children of Theodore and Pamela are no longer minors as they are all over 21 currently. Thus, if the proceeds were paid to Theodore and Pamela's children directly the monies would again skip over them as Simon and Shirley intended and they would receive nothing. Whereas the other children, Petitioner, Jill and Lisa would control the trusts for their children for many years to come, allowing them to distribute the investment income earned for their family's needs, until the children would be entitled to the money fully upon reaching the stated ages in the trusts.
165. That Simon's children, especially Theodore and Pamela, under the SAMR appear in direct conflict with their children's interests over the distribution of the insurance proceeds and have in fact adverse interests. Where due to these conflicts and adverse interest with his own children, Petitioner felt the SAMR would need to be reviewed now by several different Attorneys at Law representing each party separately. One Attorney at Law for Petitioner's children, one for Petitioner as Trustee for his children's trusts under the alleged 2012 Amended Trust, one for Petitioner's new interests and each of the children and their children would have to retain similar counsel to parse these parental conflicts with their children, all due to Spallina's failure to properly protect the beneficiaries by adequately securing the Heritage Policy and IIT beneficial interests through a legally documented paper trail. Petitioner claimed that he found it unethical to act adversely to his children and stated he would need to obtain independent counsel to review the SAMR scheme prior to signing. Petitioner questioned why the SAMR had to have the children of Simon as Beneficiaries and not the grandchildren but was told that Simon did not want it this way and that if he did that he would get nothing.
166. That later in a teleconference with Petitioner, Spallina, Petitioner's siblings and others, Petitioner asked Spallina if this conversion of money from the intended grandchildren to

the children through this new SAMR scheme created by the children naming themselves as the beneficiaries of the Heritage Policy posed conflicts of interest or could be construed as fraud and a violation of fiduciary duties. Petitioner found it highly irregular that acting as Trustees and Guardians for their children, that Theodore and Pamela would be creating and executing a document that could be construed as usurping funds from their children and putting those funds into their own pockets, in a highly irregular scheme.

167. That Spallina also appears to be acting with adverse interest to the grandchildren that he has fiduciary responsibilities to protect as Beneficiaries of the Estates by moving monies out of the Estates with this new concoction to their non-beneficiary parents. Petitioner found it strange how Spallina stated over and over again how he was going to work with Theodore and Pamela to get them some money somehow outside of the Estates plans, in direct opposition to the wishes, desires and legal documents he drafted for Simon and Shirley.
168. That Petitioner noted the conflicts and other problems to his siblings and urged them to seek counsel to make sure it could not be construed as a conflicted transaction that could be viewed as a fraudulent conveyance, violation of their fiduciary responsibilities and more. At this time it is not known if any of the other children have retained counsel for themselves and their children to review the SAMR for potential conflicts and legal validity. Yet, according to the exhibited Heritage Policy emails, apparently all of them appeared willing to have signed blindly at that point without counsel, without getting an approval from this Court, solely relying on the counsel of Spallina for all parties that this scheme was legit.
169. That the proposed SAMR that was drafted was not done apparently by any law firm willing to affix their firm's name to the SAMR, the only law firm listed in the document is that of David B. Simon, The Simon Law Firm, 303 E. Wacker Dr., Suite 210, Chicago, IL 60601-5210, for serving process and notices, no other firm markings exist. However, the evidence exhibited herein shows Spallina selling the concept to all parties, over and over and involved in creating and negotiating the SAMR with insurance carriers and the children and authoring the SAMR concept and the language of the draft SAMR attached already herein.
170. That Petitioner objected to signing any such deal, even when claimed they would get a Court Order, until he could retain counsel that could decide if this were legal, a violation of his fiduciary duties to his children as Trustee of their trusts and if in fact if this SAMR could further be construed as fraud and more.
171. That in the Heritage Policy emails already exhibited herein, Spallina, after claiming it was initially an "educated guess" at best of whom the actual beneficiaries were, then reverses course in the attached emails, now suddenly remembering that Simon verbally told him the five children were supposed to be beneficiaries of the Heritage Policy proceeds and so the beneficiaries for the SAMR should absolutely be the children and not the

grandchildren. However, this is Prima Facie evidence that Spallina failed to take reasonable care to document this verbal statement supposedly made by Simon to him designating the Beneficiaries of a large estate asset in the estate plan and should have thus taken reasonable steps to protect those Beneficiaries.

172. That Spallina supposedly created the alleged 2012 Amended Trust by modifying the 2008 trusts of Shirley and Simon just weeks earlier and in both cases appears to have failed to document and secure the proper papers for the Beneficiaries of the IIT and Heritage Policy and failed to maintain the missing IIT, the Heritage Policy and even the parole evidence offered of Simon's supposed statement and so wholly failed to protect his clients and their Beneficiaries.
173. That Spallina having no legal designation of beneficiaries to the Heritage Policy and the IIT now exposes all the Beneficiaries and Interested Parties to a plethora of new liabilities and losses, such as, potential adverse tax consequences, adverse creditor issues, large legal and accounting bills to evaluate the problems resulting from this, loss of benefits to some parties and gain to other parties, all problems created by these fiduciary failures and more by the Personal Representatives.
174. That if true that Spallina knew these Beneficiary designations all along as the children and not the grandchildren, in advance of Simon's death and while amending the 2008 Trust, then his prior statements that Petitioner was not a Beneficiary under the Estates and was not entitled to documents other than what was in the public record, nor entitled to ANY inheritance or assets of the Estates is then materially false, as he would have known Petitioner to be a Beneficiary of the Heritage Policy and IIT, as Simon had told him prior to his according to the emails. Petitioner believes that this misinformation regarding him not being a Beneficiary was used to suppress documents from being released to Petitioner in the Estates, while alleged criminal activities were taking place in the creation of those documents post mortem, as exhibited and evidenced at length further herein.
175. That at minimum, even if Spallina claims he did not possess the IIT or Heritage Policy for this major Estates asset, he should have stated in the alleged 2012 Amended Trust that he had this knowledge of who the beneficiaries were under the IIT that he did not poses and stating in its absence the reason for the absence of the prevailing document designating the Beneficiaries and who they were, in spite of not having possession of the IIT, reasonably ensuring the proper Beneficiaries rights to the proceeds.
176. That according to Spallina, Theodore and Pamela, as exhibited in the Heritage Emails, the owner of the Heritage Policy is Simon and not the IIT, which at this time Petitioner cannot confirm, as the Heritage Policy and IIT are alleged to be missing and other information appears secreted and suppressed by the Personal Representatives, Theodore, and apparently as exhibited, Pamela, all now claiming to have lost all copies and records of these items.

177. That the owner designation as Simon himself goes against proper estate planning of an irrevocable trust necessary to achieve the tax and creditor and other benefits of an irrevocable trust. Typically, and in almost all instances that Simon and Petitioner sold insurance together to clients for over 25 years, the owners and beneficiaries of the policies were the irrevocable trusts established, NOT the individual as owner or with any controlling interest. Having the insured act as the owner, who can then make policy and beneficiary changes, etc. would violate the very nature of the irrevocability of the trust being designed, which removes any control to make changes by the insured who irrevocably gives all rights up to gain the benefits. Why hire an Attorney at Law and pay them to prepare and implement a trust designed to fail?
178. That Spallina was confronted by Jill as to the legality of the SAMR in a family call attended by Petitioner's siblings, Tescher, Spallina and others, asking if her child could later sue her for actions under the SAMR due to the apparent conflicts of interest and possible fraud, Spallina claimed, "only if you later tell her what you did or she finds out" or words to that effect. Again, it appears that Spallina is again acting as counsel to the children in adverse interest to the grandchildren Beneficiaries and his client Simon and Shirley's wishes, desires, intent and legal documents, all in violation of law.
179. That again, as exhibited already herein, Spallina counsels and advises Petitioner to just sign the SAMR documents, that he did not need counsel as it would be a waste of money. That this claim to not seek counsel, as it is was a waste of money is also parroted by Theodore and Pamela as evidenced in the exhibited emails. Where Petitioner has been counseled that in fact each party to the SAMR and those affected by it would need separate and distinct counsel to represent each capacity they were being advised by Spallina to act under in the SAMR in order to parse the conflicts, if they could be.
180. That for example, in the SAMR proposal alone, Theodore acts without separate and distinct counsel in each of the following capacities,
- i. as a Personal Representative/Successor Trustee in the Estates,
  - ii. as a Trustee for his children's benefits under the alleged 2012 Amended Trust of Simon,
  - iii. as the Trustee of the SAMR and
  - iv. as an individual and direct benefactor of the SAMR proceeds in adverse interest to his children.
181. That for example, in the SAMR proposal alone, Spallina, Tescher and TS, act without separate and distinct counsel in each of the following capacities,
- i. as Personal Representatives under the alleged 2012 Amended Trust of Simon,

- ii. as Trustee of the SAMR, whereby Spallina claimed if Theodore was not elected by his siblings to be successor trustee of the SAMR, he would act in such capacity and open new trust accounts in his name to hold the proceeds and distribute them. Petitioner immediately objected to Theodore due to the apparent conflicts,
- iii. as Counsel to the Estates,
- iv. as Counsel to the Beneficiaries and other Interested Parties in the SAMR, except for Petitioner's children who have retained independent counsel and Petitioner who seeks currently to retain counsel individually,
- v. as counsel for the Beneficiaries under the alleged 2012 Amended Trust of Simon, and,
- vi. as Counsel for TS, Spallina and Tescher, as they appear without having retained independent counsel for any of the conflicting representations they have.

182. That Petitioner asks the Court if TS, Spallina and Tescher's liability and malpractice carrier would allow TS to act in these multiple and conflicting representations to all of these parties without independent counsel for themselves other than acting as their own counsel for their own acts in each capacity. Further where these conflicts appear to be self-dealing and cause liabilities to not only the Beneficiaries but the carrier.
183. That this suppression and loss of documents by TS, Spallina, Tescher, Theodore and Pamela could be construed as constructive fraud, a tort of deliberate omission or alteration of facts, in order to benefit themselves and others, just one example of a serious breach of fiduciary duty, which may lead to fines and repayment to beneficiaries for ALL losses. Courts can and should remove the Personal Representatives, Trustees and Successor Trustees for such breaches.
184. That this SAMR proposed and endorsed by Spallina clearly benefits Theodore and Pamela mainly, whom without such scheme would have no direct or indirect beneficial interest in the Heritage Policy under either the alleged 2012 Amended Trust or prior known trusts of Simon and Shirley, as both were wholly cut out from receiving anything in the Estates and with the SAMR they would now get a large chunk of the proceeds, approximately two fifths of the death benefit. This scheme would clearly reverse the desire and intent and estate documents of Simon and Shirley to exclude them from the remaining assets of the estate.
185. That this scheme of Spallina and others works adversely to the grandchildren Beneficiaries of the Estates under the alleged 2012 Amended Trust, giving Theodore and Pamela two fifths of the proceeds or more and where Spallina is acting as counsel against the Beneficiaries in favor of Theodore and Pamela and this appears to present numerous problems. If the alleged 2012 Amended Trust however is stricken, as Petitioner believes it should be by this Court, then the Beneficiaries of the proceeds would be only Petitioner, Jill and Lisa and their children.

36

186. That Spallina in several calls with Simon's children claimed the SAMR was a way to get the children monies out of the Estates and promised Theodore and Pamela that through the SAMR they concocted together, he could get them at least something from the Estates, along with perhaps the IRA monies. Where this legal advice is directly in conflict and to the detriment of the Beneficiaries of the Estates in either the 2008 or the alleged 2012 trust. Spallina's working in fact with Theodore and Pamela to get monies from the Estates to them personally, in opposite of the desires and intent of Shirley and Simon appeared wholly unethical and more to Petitioner.
187. That if Petitioner signed the SAMR and received one fifth of the Heritage Policy proceeds as proposed in the SAMR versus his children receiving three tenths of the proceeds, this would create a loss of inheritance to Petitioner's family of several hundred thousand dollars.
188. That Spallina on a phone call with Petitioner and a friend, Marc Garber, Esq. ("Garber"), made a threat to Petitioner in attempts to coerce Petitioner to sign the SAMR without seeking counsel and not cause problems whereby Petitioner either accepted the SAMR or Spallina would now somehow seize Petitioner's children's home.
189. That Spallina claimed later that some kind of mortgage existed on the home of Petitioner's children and that he could forgive such mortgage as Personal Representative but only if Petitioner accepted the SAMR. All the while as exhibited and evidenced herein urging Petitioner to do the SAMR without securing counsel or he would seize Petitioner's children's home and evict Petitioner, Candice and their children. That this threat on Petitioner to extort him to accept this SAMR scheme may be evidence of criminal activity by Spallina that harms the beneficiaries.
190. That after receiving advice from Garber, whom is not retained in these matters, that the SAMR could be construed as a violation of Petitioner's fiduciary responsibilities to his children and law, Petitioner then immediately retained the law firm of Tripp Scott and Attorneys at Law Christina Yates, Esq. ("Yates") and Douglas H. Reynolds, Esq. ("Reynolds"), from a referral from Garber of Flaster Greenberg P.C. ("Flaster") to evaluate the SAMR, demand documents for the Estates and other matters.

**VIII. PETITIONER FORCED TO RETAIN COUNSEL DUE TO PERSONAL REPRESENTATIVES LACK OF DUTY AND CARE, BREACHES OF FIDUCIARY DUTIES AND CONFLICTS OF INTEREST REGARDING MISSING ESTATE ASSETS AND DOCUMENTS AND MORE**

191. That Spallina grew angry at Petitioner's stated desire to retain independent counsel and threatened Petitioner that if he retained counsel that TS would not deal kindly with him forward and in an adversarial fashion. Spallina claimed it was a waste of time and the Estates monies to get counsel involved that he approved the SAMR and would get a

Court Order approving it now to satisfy the reinsurance carrier who did not go along with the initial scheme that did not entail an order from this Court.

192. That further, Spallina claimed that TS could represent all the parties without the need for either the children, the grandchildren Beneficiaries or their Trustees to retain independent counsel to review the SAMR. Petitioner felt extorted by these threats made by Spallina to either go along with the SAMR without counsel "or else" and further created the need for Petitioner to retain counsel.
193. That Petitioner at this time grew leery of the integrity of Spallina and Tescher and now had several reasons necessitating the need for counsel, including but not limited to,
- i. securing estate documents, as now months had passed since Simon's death and TS had never sent ANY documents for Simon's estate and now over a year and half later had received no documents for Shirley's estate and Spallina had failed repeatedly on his promise to deliver them to Petitioner,
  - ii. to evaluate if what Petitioner was told by Spallina regarding not being a Beneficiary of either estate and therefore not entitled to any documents of the Estates was true, especially in light of the fact that Petitioner would have been entitled to the Estates documents even in his role as Guardian and Trustee for his children's trusts
  - iii. to evaluate the Estates assets,
  - iv. to evaluate the cause and effect and resolution of the missing IIT and Heritage Policy and determine the liabilities resulting from such breaches of fiduciary duties as the documents are claimed missing by Spallina, Theodore and Pamela and this materially effects beneficiaries rights and interests negatively,
  - v. to evaluate the SAMR created in order to replace the missing IIT and Heritage Policy for legal validity and possible fraud,
  - vi. to evaluate if Petitioner and Petitioner's children now needed separate counsel due to adverse interests causing conflicts and possible fiduciary violations,
  - vii. to evaluate the new tax and creditor implications of the new SAMR upon distribution of the Heritage Policy proceeds to the Beneficiaries,
  - viii. to evaluate if Creditors to the Estates could construe the SAMR as a Fraudulent Transfer to avoid creditors,
  - ix. to evaluate if the Personal Representatives and Successor Trustee were acting in good faith and following law,
  - x. to evaluate the legal opinions being rendered by Spallina regarding claims about the SAMR's tax and creditors protections this Post Mortem SAMR would gain, and
  - xi. to evaluate Spallina's newly disclosed eviction threat on behalf of the estate of Simon against Petitioner's children's home.

194. That Yates then attempted to schedule a call and meeting with Spallina to discuss the beneficial interests of Petitioner's children and Petitioner and secure the documentation of the Estates.
195. That Yates upon having her staff contact TS to schedule a meeting, told Petitioner that TS denied knowing Petitioner or of Petitioner's father's estate matters and Yates was surprised as she had already seen evidence that Spallina knew of Petitioner and Petitioner's father, including but not limited to, information regarding the specific meetings already held with Petitioner's family and Petitioner personally, as evidenced in the exhibits evidenced herein already.
196. That after several delays in speaking with Tripp Scott for several weeks through a series of tactical evasions, Spallina then stated he would not meet with Yates and cancelled a scheduled meeting. These aversions for months by TS ran up an enormous bill for Tripp Scott as will be exhibited and evidenced herein, just in trying to get the documents from them.
197. That when Yates contacted Petitioner they decided to now have Tripp Scott send letters to TS, demanding TS to respond and produce documents and records of the Estates. See Exhibit 10 – Tripp Scott Letters to Spallina for Documents and Spallina Reply.
198. That to the best of Petitioner's belief, currently Tripp Scott has only received PARTIAL documentation requested, with key documents to understanding the rights of the beneficiaries that were requested still never sent by TS to Tripp Scott or Petitioner and leaving Yates responding to Spallina she would attempt to piece together the documents of the Estates to make sense, as what he sent was a puzzle with many missing pieces. Again, major pieces of the puzzle requested were not sent and still have not been, leaving an incomplete picture of the Estates to the Beneficiaries and where the Estates documents and assets should be an open book to the Beneficiaries, instead we find non beneficiaries apparently having exclusive access with Spallina to the Estates and everyone else wholly in the dark.
199. That the problems and conflicts created with the IIT and SAMR now forced Petitioner to now have to retain two separate Attorneys at Law, as Tripp Scott astutely identified a conflict of interest that precluded them from continuing representing both Petitioner and Petitioner's children together, as Petitioner and his children suddenly had adverse conflicting interests and would need separate and distinct counsel.
200. That after reviewing the new conflict of interest the SAMR posed, Tripp Scott decided they could only represent one party forward and it was decided that Tripp Scott would remain counsel for Petitioner's children. Therefore, Tripp Scott advised Petitioner that he would now need to retain individual legal counsel to represent his beneficial interests in the Estates that now conflicted with his children's beneficial interests. See Exhibit 11 - Tripp Scott Conflict Letter.
201. That it is now necessary for Petitioner to retain separate counsel in attempts to determine the effect on the Estates of these problems identified already and how they

will affect beneficial interests and whom the beneficiaries will ultimately be, a large legal undertaking for the Beneficiaries and Interested parties.

202. That once Tripp Scott and Petitioner received the partial documentation from Spallina and secured the Court records of the Estates that were in the public record, problems were instantly discovered, including alleged FRAUDULENT and FORGED documents, as defined further herein, all requiring steep new legal fees for Petitioner, Petitioner's children and Beneficiaries and Trustees to encumber for counsel to now analyze and determine the cause and effect of these newly discovered problems, all will be evidenced herein to be a direct result of TS, Tescher, Spallina, Theodore and Pamela.

### **IX. FORGED AND FRAUDULENT DOCUMENTS FILED IN THE ESTATE OF SHIRLEY IN THIS COURT BY TESCHER AND SPALLINA CONSTITUTING A FRAUD ON THIS COURT AND THE BENEFICIARIES AND MORE**

203. That once Tripp Scott received this partial and incomplete set of documents for the Estates from TS, it immediately became clear that certain documents stood out as absolute Prima Facie evidence of Forgery and Fraud in documents submitted by estate counsel TS to this Court and now part of this Court's record.
204. That over a month after Simon's passing on October 24, 2012 TS filed with this Court several "WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE" ("Waiver(s)") necessary for the closing of the estate of Shirley Bernstein that had come from Simon, Theodore, Pamela, Lisa, Jill and Petitioner, all signed at different times and locations. Exhibit 12 – Waivers Not Notarized.
205. That in a Memorandum sent by this Court to TS on Nov 05, 2012, **nearly two months after Simon's death**, this Court then sent back all of these Waivers for notarization by each party, stating, "Receipts for assets from all of the specific beneficiaries were not notarized." Exhibit 13 – This Court's Memo to TS.
206. That on November 19, 2012 this Court received documents that appear similar to those sent back from TS but now, they were supposedly notarized on the prior date they were signed months earlier. The earlier documents signed did not have a notary but these somehow now did.
207. That in the November 19, 2012 Waivers sent back to this Court, the Waivers appear to have been altered from those sent back by this Court, to now have a notary public seal contained on them that is falsely witnessed on a time in the past. It would be impossible to have the documents notarized in the past without a time machine but that is what

appears in the Court record. Exhibit 14 – Waivers Notarized on Dates Months in the Past.

208. That the documents returned to this Court by TS in some instances, including Petitioner's, appears at first glance to have the exact same signatures and writings from the prior documents dated and signed months earlier without notary but now had been notarized in November 2012 on the dates in the past.
209. That in the November 19, 2012 Waivers returned to the Court there was also a notarized Waiver from Simon, now notarized and signed. However, the Court did not send the document to have a notarized Waiver until two months after Simon's death and thereby raising the question of **just how Simon rose from the grave to notarize a document in November 2012 when he passed away in September 2012**, again Prima Facie evidence of Fraud and Forgery and more. Exhibit 15 – Simon's Waiver Signed Post Mortem.
210. That all of the Waivers appear to have been further altered with scienter, whereby the un-notarized documents sent back by this Court appear also to have been allegedly criminally altered by shrinking the original un-notarized documents in size and then affixing a false notary seal upon them and then creating a merged and new document, of which the signatures were then forged onto the new documents to resemble the documents submitted to the Court, which were then sent by US Mail back to this Court. This appears to be how dead men sign and notarize documents in the past post mortem or Petitioner waits for a better explanation from this Court.
211. That Petitioner's prior signed and not notarized Waiver also came back notarized, despite the fact that Petitioner has never met with TS and/or their notary to notarize any documents and therefore Petitioner's notarized document appears to be the same document sent back by the Court but now is also forged and altered to affix a fraudulent notarization and signature on documents dated and executed in the past.
212. That on information and belief, Petitioner's sisters were also not in Florida during the time period of the documents being falsely notarized in November 2012 and therefore could not have signed personally in front of the notary on a date in the past either and thus it is alleged that their signatures and notary have been forged as well.
213. That why would someone get a document back in November 2012 from the Court to notarize it and then recreate that document, using in Simon's example April 2012 as the signing date and then affix a notary seal on a document that was not originally notarized on the date in the past. Hard to understand other than when one of the parties you need to have notarize the document is dead for two months and you cannot get his signature or have him appear before a notary but you also cannot submit a document dated in the present as everyone would see a dead man signing and notarizing and find that hard to believe. So, it appears you take the document from April and you carefully craft it to look like the ones done in the past, replete with attempted forged signatures and shrink it to fit a notary and presto, you hope no one catches it.

214. That this alteration of the Waivers by manipulation and alteration of the prior documents shows that this was no notarization mistake or accident but rather a carefully crafted FORGERY by TS and their notaries, attempting to make the resubmitted documents look identical to the earlier documents signed and doing a wholly amateur job of FORGERY with so many inconsistencies existing in the two documents for each party that a child can spot the numerous defects in signatures and more.
215. That Petitioner alleges that these alleged document forgeries and signature forgeries and fraudulent notarizations re-submitted to this Court by TS, Tescher and Spallina constitute an instance of irrefutable Fraud on this Court and Fraud, Fraud on Petitioner's family and Fraud on the Beneficiaries, commissioned through alleged felony violations of law by the Personal Representatives, Trustees and Estate Counsel. Yes, it appears the fraudulent documents were sent via mail or wire to the Court and others.
216. That Petitioner was never notified by TS that documents were sent back from the Court and needed to be notarized until recovering them from the Court, perhaps one of the reasons TS and others are hiding documents essential to the Estates.
217. That on January 23, 2013 after reviewing the Forged and Fraudulent documents with Tripp Scott and their Notary Public expert at their offices, Tripp Scott prepared and Petitioner signed a **REVOCAION** OF: WAIVER OF ACCOUNTING AND PORTIONS OF PETITION FOR DISCHARGE; WAIVER OF SERVICE OF PETITION FOR DISCHARGE; AND RECEIPT OF BENEFICIARY AND CONSENT TO DISCHARGE ("Revocation") revoking the alleged Fraudulent and Forged Waiver that was submitted to this Court on Petitioner's behalf and without Petitioner's knowledge or consent by TS. Exhibit 16 - Petitioner Revocation of Waiver.
218. That Petitioner is unclear as to whether Tripp Scott filed this Revocation on behalf of Petitioner with this Court prior to having to separate representations as described further herein due to conflict between Petitioner and his children. That if Tripp Scott did not file such Revocation with this Court that such Revocation attached herein may now also be construed to be filed with this Court through submission herein.
219. That Petitioner's Revocation herein may cause this Court to reopen and re-administer the Estate of Shirley again free of such Fraudulent and Forged documents and the effects of them.
220. That Petitioner claims that Simon's Waiver should also be stricken from the record in Shirley's estate, as it too is a Fraudulent and Forged document, as it appears impossible that Simon could have signed and notarized a document post mortem and again his document was shrunk to fit the notary public seal and his signature appears to have been forged.
221. That Petitioner states that these alleged Forged and Fraudulent documents are Prima Facie evidence of the alleged criminal activity in the estate of Shirley should be reported by this Court to all appropriate criminal authorities for immediate investigation. If this Court does not intend on notifying the appropriate authorities on its own authority, which

may constitute Misprision of a Felony, including notifying the Governor of the State of Florida for the alleged illegal and improper notarizations and reporting the alleged Forgery and Fraud on the Court to criminal authorities, then Petitioner requests the Court notify him in writing that the Court is not intending on reporting the alleged criminal activity and tendering the evidences exhibited herein of such alleged criminal acts to the authorities and Petitioner will contact these authorities directly. That Petitioner feels that it is a duty of this Court to report such alleged criminal activities and exhibited Prima Facie evidence, especially where the alleged crimes are alleged committed by another Attorney at Law acting as an Officer of this Court, as is the case with TS, Spallina and Tescher.

## **X. INCOMPLETE NOTARIZATION IN THE ALLEGED 2012 AMENDED TRUST OF SIMON AND MORE**

222. That upon reviewing the documents in the estate of Simon sent by TS to Tripp Scott and those gathered by Petitioner from this Court, several more problems arose with the validity and legality of estate and other documents prepared and filed by TS with this Court, the Beneficiaries and Interested Parties, including the fact that the alleged 2012 Amended Trust of Simon dated July 25, 2012, less than two months before Simon's death on September 13, 2012, also is alleged deficient in the notarization.<sup>4</sup> See Exhibit 17 – Signature Pages of Alleged 2012 Amended Trust.
223. That in the alleged 2012 Amended Trust neither the identification that Simon appeared or was known on that date to the notary was indicated, so that Simon neither appeared before the notary or was known to the notary at the time of notarization of the alleged 2012 Amended Trust that Spallina and others have gained powers over the estates using. The failed notarization of this document making it an alleged nullified document that cannot be relied upon legally and due to the lack of care and duty by TS to properly notarize these documents, a further Breach of Fiduciary Duties by TS and further possible evidence of Notary Public Fraud by TS and others, all beneficiaries have further liabilities and burdens.
224. That the alleged 2012 Amended Trust of Simon also appears improperly witnessed by Spallina who acts as one of the two Witnesses to the alleged 2012 Amended Trust, a

---

<sup>4</sup> <http://notarypublic-florida.com/liability.htm>

A recent court decision should be of special interest to Florida notaries and their employers. In *Ameriseal of North East Florida, Inc. v. Leiffer* (673 So. 2d 68 [Fla. 5th D.C.A. 1996]), the Court ruled that a notary public and the law firm that employs her may be held liable for damages resulting from an improper notarization... Because notaries are appointed by the Governor, it is the responsibility of the Governor's Office to investigate allegations of misconduct by notaries. The Notary Section investigates hundreds of complaints each year and takes disciplinary action against those notaries found to have been negligent in their duties. Most complaints involve business deals gone awry, persons involved in legal disputes, or friends who asked the notary for a special favor.

document Spallina prepared as Counsel and whereby under the alleged 2012 Amended Trust TS is also granting TS, Tescher and Spallina powers to act in the capacities they have acted in since day one after Simon's death and these same documents also gave them interests in the Estates.

225. That since TS and Spallina have refused to send the original 2008 Trust of Simon to Tripp Scott or Petitioner after repeated requests, it remains unclear as to who the Personal Representatives of Simon's estate were designated to be in the 2008 Trust that TS was changing in the alleged 2012 Amended Trust to make TS, Tescher and Spallina the new Personal Representatives, again a guessing game.
226. That these new problems with notarizations in the estate documents of now Simon combined with the overwhelming Prima Facie evidence of alleged Forged and Fraudulent documents in the estate of Shirley, now begets the question as to just what the bigger Fraud is that is attempting to be pulled off on this Court, the Beneficiaries and Interested parties that would cause Fraudulent, Forged and incomplete documents to be submitted to this Court and others by TS, Spallina and Tescher in now both Simon and Shirley's estate.
227. That Petitioner states that these alleged Forged and Fraudulent documents are Prima Facie evidence of the alleged criminal activity in the estate of Simon should be reported by this Court to all appropriate criminal authorities for immediate investigation. If this Court does not intend on notifying the appropriate authorities on its own authority, which may constitute a Misprision of a Felony, including notifying the Governor of the State of Florida for the alleged illegal and improper notarizations as required by law and reporting the alleged Forgery and Fraud on the Court to criminal authorities, then Petitioner requests the Court notify him in writing that the Court is not intending on reporting the alleged criminal activity and tendering the evidences exhibited herein of such alleged criminal acts to the authorities and Petitioner will contact these authorities directly and immediately. That Petitioner feels that it is a duty of this Court to report such alleged criminal activities with the exhibited Prima Facie evidence, especially where the alleged crimes are alleged committed by another Attorney at Law acting as an Officer of this Court, as is the case with TS, Spallina and Tescher.

## **XI. INCOMPLETE NOTARIZATION IN THE 2012 WILL OF SIMON AND MORE**

228. That the 2012 Last Will and Testament of Simon filed with this Court dated July 25, 2012, forty-nine days before Simon's death on September 13, 2012 is also deficient in the notarization, see Exhibit 18 – Signature Pages of 2012 Will of Simon, as again neither the identification that Simon appeared or was known on that date to the notary was indicated, so that Simon neither appeared before the notary or was known to the notary at the time of notarization of the alleged 2012 Amended Trust that Spallina and

others have gained powers over the estates using. The failed notarization of this 2012 Will making it an alleged nullified document that cannot be relied upon legally and due to the lack of care and duty by TS to properly notarize these documents, a further Breach of Fiduciary Duties by TS and further possible evidence of Notary Public Fraud by TS and others, all beneficiaries have further liabilities and burdens.

229. That additionally there is apparently an unidentified exhibit to the 2012 Will of Simon filed with the Court on October 02, 2012 by TS, which appears to be a previous Will of Simon signed on August 15, 2000, the Will Exhibit. This Will Exhibit is never referenced as an exhibit in the 2012 Will of Simon that was prepared by TS and purportedly signed by Simon on July 25, 2012 and so what exactly it is an exhibit for is unknown. See Exhibit 19 – Relevant Signature Pages of Will Exhibit.
230. That the 2012 Will of Simon was recorded as a nine page document with this Court on October 05, 2012. The 2000 Will Exhibit to the 2012 Will of Simon was filed with the Court October 10, 2012 and docketed as an “exhibit” but no indication to what and appears to be an old Last Will and Testament prepared and executed by Proskauer on August 15, 2000. As the Will Exhibit is never referenced in the Will of Simon that was prepared by TS in 2012, the questions of if Simon knew this Will Exhibit would be affixed to his Will or would somehow become part of the estate documents filed with this Court and what purpose it would serve or rights it would convey is unknown, as this 2000 Will was voided in the 2012 Will prepared by TS.
231. That as of the date of filing, it remains unclear to Petitioner why the Will Exhibit has been entered and now part of this Court’s record and why there are now two Last Will and Testaments in the Estate of Simon filed by TS. That again, the question of what part of a larger scheme is at play here is raised and why is the involvement of Proskauer brought into such a scheme through a 2000 Will Exhibit that is over a decade old and voided??? The relation of Proskauer to Simon and Petitioner has a long and sordid history and will be further discussed and defined herein and in exhibit.
232. That in contrast the Will of Shirley filed with this Court and done in May of 2008 by TS appears to be notarized correctly and the notary properly underlines that Shirley is “personally known to me” on the date of notarization. However the document still suffers from Spallina acting as Counsel and Witness in the document in conflict, despite that no interests or powers appear to be transferred in the Will of Shirley to TS through the execution of the Will, although now all documents become questionable due to the alleged forgeries and fraud in the other documents.

## **XII. FAILURE BY PERSONAL REPRESENTATIVES TO INFORM AND DEFEND BENEFICIARIES IN CLAIMS AGAINST THE ESTATE VIOLATING FIDUCIARY RESPONSIBILITIES AND MORE**

45

233. That William E. Stansbury ("Stansbury") filed a lawsuit in the Circuit Court of the Fifteenth Judicial Circuit of Florida, in and for Palm Beach County, FL., Case # 502012CA013933XXXX for USD \$2,500,000.00 on July 30, 2012, just five days after Simon supposedly signs the alleged 2012 Amended Trust and the 2012 Will of Simon.
234. That Stansbury first sues in his original complaint the following Defendants,
- i. Ted S. Bernstein,
  - ii. Simon Bernstein,
  - iii. LIC Holdings Inc. and
  - iv. Arbitrage International Management LLC fka Arbitrage International Holdings LLC.
235. That Spallina advises Petitioner and his siblings that this was a business deal of Theodore's and that Theodore was taking care of the lawsuit with counsel and Stansbury and that the lawsuit would not become a problem to the estate, as Theodore would be settling it shortly for no more than a couple thousand dollars, Spallina opining that Stansbury had no real claims.
236. That Theodore and Spallina have not been noticing properly the Beneficiaries and other interested parties of the status of the Stansbury lawsuit or the liabilities that may result to the estate as required by law.
237. That as of this date the lawsuit has not settled and upon doing his own due diligence Petitioner discovered the Stansbury complaint had been amended by Stansbury on February 14, 2012, obviously having not been settled by Theodore for a couple thousand dollars.
238. That Stansbury amends his original complaint to now sue Defendants,
- i. Ted S. Bernstein,
  - ii. Donald Tescher and Robert Spallina as,
    - a. Co-Personal Representatives of the estate of Simon L. Bernstein,
    - b. Co-Trustees of the Shirley Bernstein Trust Agreement dated May 20, 2008,
  - iii. LIC Holdings Inc., ("LIC")<sup>5</sup>
  - iv. Arbitrage International Management LLC fka Arbitrage International Holdings LLC, and
  - v. Bernstein Family Realty LLC.
239. That Stansbury claims in the amended complaint that,
- i. LIC retained commissions in 2008 that amounted to USD \$13,442,549.00,
  - ii. Simon Bernstein was paid USD \$3,756,229.00 in 2008, and
  - iii. Theodore was paid USD \$5,225,825.00 in 2008.

---

<sup>5</sup> That Petitioner, Lisa and Jill's children are all Shareholders of LIC.

240. That Stansbury lowers the amount of the lawsuit from USD \$2,500,000.00 to USD \$1,500,000.00 in the amended complaint.
241. That Stansbury adds three new specific real estate properties to the lawsuit in the amended complaint in attempts to put liens on them, including Petitioner's children's home which was purchased for approximately USD \$360,000.00 and yet fails to include Theodore's home purchased for approximately USD \$4,400,000.00. Instead, Stansbury lists a home of Theodore that had sold and that he no longer lives in. On information and belief, Stansbury knew Theodore no longer lived in or owned the home he sued and intentionally left off Theodore's home that he lives in. Theodore is supposedly the defendant in the lawsuit that Stansbury claims did most of the egregious acts against him, including several that appear to be criminal, including allegations of check forgery and signature forgery, conversion of funds and more.
242. That Petitioner, on information and belief, has recently learned that Stansbury may be in fact colluding with Theodore, Spallina, GT and Ransom Jones ("Jones") an employee of LIC, to target assets of the Estates through the lawsuit by adding these new defendants and assets in the amended complaint. Whereby they have been allegedly conspiring together with intent to defraud the Estates of assets which would constitute abuse of process, Fraud on that Court, theft and more. Perhaps why Stansbury is now targeting the real estate held in the Estates where Theodore has no beneficial interests in the properties and this legal process abuse scheme and Fraud on that court would provide a way for Theodore and Stansbury to take interests from the Estates through such lawsuit, working together and to relieve Theodore from his personal financial obligations to Stansbury for the alleged check forgery and other damages he may owe.
243. That prior to Stansbury's amended complaint, Petitioner in a teleconference with Spallina, Yates and his siblings asked Theodore and Spallina who was representing the various parties in the lawsuit and were the Estates being represented by independent counsel or TS. **That TS stated the estate did not yet have counsel in the lawsuit despite the lawsuit being filed months earlier on July 30, 2012 and despite his prior opines on the lawsuit to not worry to the children of Simon it would be handled by Theodore.**
244. That Theodore in that teleconference stated that his personal counsel and LIC's counsel was GT<sup>6</sup> and Petitioner reminded Theodore<sup>6</sup> that GT would have conflicts with Petitioner and Simon's Estate that are more fully described further herein.

---

<sup>6</sup> That GT is also alleged involved in the Stanford Money Laundering Operation, "Stanford receiver sues law firms Greenberg Traurig and Hunton & Williams" American City Business Journals, Nov 17, 2012, 10:15am CST UPDATED: Mar 20, 2013, 9:18am CDT

and

"R. Allen Stanford and Miami-based Greenberg Traurig: why is it always Greenberg Traurig?" by Eye on Miami Sunday, July 05, 2009

A handwritten signature in blue ink is written over the number 47, which is printed in a light blue or grey color. The signature is stylized and appears to be a set of initials or a name.

245. That shortly after Petitioner reminded Theodore of the GT conflicts with certain of the Estates assets, including the Stanford investment and trust accounts, Simon and Petitioner, that Stansbury suddenly, months after filing the lawsuit, files a motion to remove GT as counsel representing Theodore, due to a conflict of interest he suddenly remembers he has with GT.
246. That GT then recently withdraws as counsel in the lawsuit claiming to that court that GT was conflicted with the "Defendant's," their client Theodore, when the conflict allegedly is with the Plaintiff Stansbury instead, as described in Stansbury's motion to dismiss GT as counsel in that lawsuit?
247. That after the Stansbury amended complaint was served, TS finally retained counsel for the Stansbury lawsuit, TS and Mark R. Manceri, P.A. ("MM"), as Petitioner and others were worried that a default could be issued with no counsel providing estate representation.
248. That the lack of providing counsel for the estate of Simon by TS in the lawsuit until months later when questioned by Petitioner and after the filing of the Stansbury amended complaint may have been intentional and used to secure a default against the real estate and other assets of Simon and Shirley's estates by TS, Spallina, Tescher, GT, Theodore and Ranson Jones, all working together in concert with Stansbury to bleed the estate of monies and properties and before any of the Beneficiaries were aware of what happened, as no notices and information have been provided to the Beneficiaries as proscribed by Florida law regarding this creditor and the lawsuit against the Estates by TS, Spallina, Tescher or Theodore.

### **XIII. THREATENED FORECLOSURE ON SIMON'S GRANDCHILDREN'S HOME BY SIMON'S ESTATE POST MORTEM**

249. That in 2008 Petitioner was moving to a home in Eureka, California, when Shirley's health declined and Petitioner asked Shirley if she wanted them to move instead to Florida to be with her and Simon with the grandchildren.
250. That Shirley then told them to leave their home in California and she would take care of getting a house and decorating it and so not to even bring their furnishings. Shirley and Simon then purchased and fully remodeled the entire home for Petitioner's children with funds from their grandchildren's trust accounts and threw a surprise party with all their friends so that as Petitioner's family pulled in from the long drive from California what a surprise was waiting.
251. That Simon and Shirley purchased the house using funds from the Petitioner's children's 2006 trust accounts with Stanford, whereby Petitioner and his wife Candice signed a

transfer of funds release letter to Stanford Trust Company to approve such transfer of funds for the full amount of the purchase price of the home as Guardians. See Exhibit 20 – Stanford Transfer of Funds Release Letter

252. That Yates contacted Petitioner and informed him after speaking with Spallina that Spallina had claimed that Petitioner should take the SAMR deal quickly as there was an impending foreclosure on Petitioner's home he would need the funds for and the insurance funds he would receive directly under the SAMR would be taken to pay off the mortgage debt and stave off foreclosure.
253. That Petitioner shortly after learning of this impending foreclosure by Yates from an unknown entity, shortly thereafter on a conference call with Spallina, Yates, Petitioner and his siblings, Petitioner asked Spallina who the bank was that was instituting foreclosure on the children's home. At first Spallina claimed he did not know off hand, he then found the file and stated that it was Simon who would be foreclosing on his Grandchildren's home. That Spallina then referred to a Balloon Mortgage, see Exhibit 21, and, a Promissory Note, see Exhibit 22, both that TS and Spallina apparently prepared and had executed for Simon, in efforts to protect Petitioner and his family but as this Court will see evidenced herein that this was not to eventually force an eviction on them at his death, in fact, the exact opposite was to happen. This threatened foreclosure by Spallina would be wholly inconsistent with the desires and intent of Simon and Shirley and the elaborate steps they took to protect Petitioner and his family while alive through complicated estate plans. As Petitioner will evidence further herein, his life, the lives of his immediate family and the lives of Simon and Shirley's extended families are all in grave danger and steps were taken to try and protect Petitioner and his children, not to harm them.
254. That the Court should note here that the Balloon Mortgage docketed with Palm Beach County Court, Clerk & Comptroller Office consisted of three pages. That the Court should note that the Exhibit A referenced in the Balloon Mortgage does not appear to be docketed with that Balloon Mortgage as Exhibit A, and in fact, no Exhibit A is part of the court record of the Balloon Mortgage.
255. That Spallina transmitted a Promissory Note to Yates with the Balloon Mortgage and where the Promissory Note is not docketed with the Palm Beach County Clerk and is not part of the certified copy of the Balloon Mortgage obtained by Petitioner. Spallina claimed that these two documents now gave him the power to foreclose on Simon's grandchildren's home and evict them from their home unless they took the SAMR deal.
256. That the promissory note may also have a deficient notarization.
257. That up until the point that Spallina claimed to Yates that he was holding off an impending foreclosure on Petitioner's children's home, Petitioner had thought his children's home was owned free and clear of any bank mortgages by his children.
258. That Simon had told Petitioner that the house was fully paid for, other than a small carry over loan owed to the prior home owner he purchased it from, Walter Sahm ("Sahm").

Simon worked the home purchase into a deal whereby he purchased Sahn's insurance business from him and paid cash for the home and Simon had even thrown Sahn, his friend, a retirement party upon closing of their deal. Sahn with the sale of his business and home to Simon moved into a luxury retirement home with his spouse.

259. That Simon and Shirley were excited to have purchased Sahn's home as it directly borders Saint Andrews school and upon closing on the home they contacted Petitioner and Candice to tell them they had purchased the perfect home for the children that bordered Saint Andrew's school.
260. That Simon and Shirley stated they had set aside funds for the children to attend Saint Andrew's throughout their lower, middle and high school years. How cool, their grandchildren could just walk out their backyard and be at school and it was a mile or two from their Bubbie and Zaidas home to top it off.
261. That the loan to Sahn was also thought by Petitioner to be entirely paid off, as approximately USD \$4,000.00 was being deducted from an annual Advancement of Inheritance Agreement ("AIA") of USD \$100,000.00, see Exhibit 23 – Advanced Inheritance Agreement, contracted between Simon and Shirley and Petitioner and Candice and funded monthly since August 15, 2007, less deductions taken for payment of the loan to Walt Sahn home loan since approximately August 2008.
262. That the AIA was providing all expenses for Petitioner's family and the home, due to extraneous circumstances precluding Petitioner from earning income over the last 13 years, involving Car Bombings and Death Threats, as more fully discussed and evidenced further herein.
263. That Simon had conveyed to Petitioner that he had secured the house from retaliation by defendants in a RICO & Antitrust Lawsuit and Ongoing State, Federal and International investigations, initiated by Petitioner. That Simon claimed he placed some form of second on the house to himself to protect the home. Simon further stated that he had wound the home up further into a company he started with the grandchildren as owners.
264. That Simon took all of these elaborate steps to protect Petitioner and his family as they were in grave danger, steps which TS and Spallina were supposedly contracted as counsel to protect and continue to protect after Simon and Shirley's deaths and where it now appears that TS, Spallina and Tescher are moving against Simon's desires and deconstructing the planning Simon and Shirley did for Petitioner's family, in concert with other Defendants in the RICO, to leave Petitioner and his family on the street soon, a plan which will be more fully discussed and defined herein.
265. That Spallina claims now that there is a total loan on the home of USD \$475,000.00 with USD \$365,000.00 as a balloon mortgage to Simon's estate due and additionally the full amount of Sahn's note of USD \$110,000.00 also due, which Sahn's appears to be recently extended and due in full now in 2014. See Exhibit 24 – Walter Sahn Mortgage, Promissory Note, Warranty Deed and Amended Mortgage and Promissory. This makes the total loan USD \$110,000.00 higher than the actual purchase price of the home USD

\$365,000.00. All attempts to get information from Spallina regarding the loans and payments, etc. has been suppressed.

#### **XIV. VANISHING ESTATE ITEMS AND ASSETS**

266. That according to Patricia Fitzmaurice, L.C.S.W., P.A., ("Fitzmaurice") Simon's therapist, in a session with Petitioner and Candice informed them that Simon had conveyed to her that his net worth was approximately USD \$30,000,000.00 shortly before his death.
267. That according to Puccio, Simon had told her that the estate was worth between USD \$20,000,000.00 to \$30,000,000.00 at various times, with monies already put away and protected for Petitioner and his family for school, home and other items.
268. That after the May 12, 2012 estate meeting with Spallina, Tescher, Simon and his children, Simon claimed to Petitioner that each grandchild would receive, for example, a minimum USD \$2,000,000.00 if he died that day and that at an estimated 8% interest it would cover the family's costs of living and more. For the ten grandchildren this would put the total estate at a minimum value of USD \$20,000,000.00.
269. That later that week Simon clarified that Petitioner's family, even at the minimum amount used for example would get USD \$6,000,000.00 and would be set up fine with good investments made and with school funds for the grandchildren paid for throughout college already set aside. Simon stated he wanted Petitioner to secret this information from family members as he was very worried about Theodore and Pamela and their spouses knowing exactly what his net worth was and why on the phone call on May 12, 2012 he did not state any numbers with them.
270. That prior to her death Shirley and Simon had taken Candice and Petitioner to dinner to tell them that the almost all of the Stanford monies had been unfrozen and they had received almost all of their investment monies back, less a small percentage of their account value approximately 2-3 million dollars that were in some form of risky CD's of Stanford's<sup>7</sup> that could be lost. Upon confirming they had received their investment monies back they immediately funded college plans for Petitioner's three children in entirety and told Petitioner that Walker had completed funding for such. Walker, later on staying at Petitioner's home overnight, was excited and told Petitioner and Candice they had nothing to worry about for their children with the home paid off and her having just taken care of funding their college plans.
271. That recently settlements have been made regarding portions of the Stanford CD's for victims and due to the inability to get information from the Personal Representatives regarding Simon's claims, the Beneficiaries have no way of knowing what has been recovered to date and what are the remaining amounts pending under the litigations.

Despite request for this information the Personal Representatives have again failed to produce documents regarding these assets.

272. That on information and belief, Theodore is attempting to sell or sold a real estate property held in the Estates, with no notice to Beneficiaries and where Petitioner and Petitioner's children counsel has not been noticed even after the sale and where Petitioner and Petitioner's counsel expressly told Spallina and Theodore to not make any transactions of properties without first notifying them properly as required under law.

### **1. Loans Against Estate Assets and No Accounting by Personal Representatives**

273. That initially Spallina stated the two homes in the Estates were free and clear of encumbrances and then several months later revealed that there was an unknown USD \$500,000.00 line of credit on the home at Saint Andrews Country Club at 7020 Lions Head Lane, Boca Raton, FL 33496 that was due in full.
274. That when Tripp Scott and Petitioner requested copies of the line of credit, including all withdrawals, dates of transactions and amounts, they were met with hostile resistance and still have not received the information months later from TS.
275. That Spallina initially claimed the Heritage Policy was for USD \$2,000,000.00 and months later claimed that suddenly there was a USD \$400,000.00 loan against the Heritage Policy leaving a net of approximately \$1,600,000.00.
276. That when Tripp Scott and Petitioner requested the information regarding the Heritage Policy loans, including transaction dates and amounts, again they were met with hostile resistance by Spallina and still have not received the loan information or the policy information.
277. That Spallina initially claimed that had the Heritage Policy and would send it to Petitioner to read and review before signing the SAMR and then later claimed TS did not now nor ever have a copy as already evidenced in the exhibited letters herein.
278. That Pamela later stated in a conference call with Spallina, Yates and Petitioner's siblings that initially she sent Spallina a copy of the Heritage Policy and then Spallina asked that she send him another copy as he had lost his and Pamela agreed to do so. That Pamela then sent an email, Exhibit 25 – Pamela Email's Regarding Lost Heritage Policy, stating she no longer had the Heritage Policy and Simon must have taken it with him.

### **2. Missing Investment Accounts**

Private Banking Investment Accounts (Stanford, JP Morgan, Oppenheimer and Others)

279. That Simon had an estimated tens of millions of dollars in Stanford Group Company investment accounts handled by Private Banking representative, Christopher R. Prindle who is now with J.P. Morgan Private Bank.
280. That Simon was a victim of the Stanford scandal and his accounts were frozen in total by the SEC and Federal Court for several weeks. Allen Stanford was arrested and a Ponzi (more aptly Money Laundering) scheme was discovered. Again the Court should note that Proskauer and GT are being sued by the Federal Court Appointed Receiver in the Stanford SEC/FBI case for Conspiracy, Aiding and Abetting and more as actually participating in architecting and enabling the crimes.
281. That since almost all of Simon's investments were in blue chips and other low risk investments in Stanford, these monies were released back to Simon. That Simon told Petitioner that he lost a small percentage of his money in risky CD's he had purchased and did not think he would recover much but had filed several lawsuits later to recover the funds.
282. That the Court should also note here that Proskauer has been linked to the Madoff scandal, initially claiming they had the most Madoff clients and holding a national call in for clients, etc.<sup>8</sup> Keep in mind that later it was learned that most of the "victims" of Madoff were part of the Ponzi (more aptly Money Laundering) scheme. That Madoff and Stanford both burned many South Florida charities, including children's charities and bankrupted many families here in Florida.
283. That Spallina stated that the Estates of Simon and Shirley had two ongoing litigations involving monies in Stanford but again TS has failed to release any information to Petitioner upon repeated requests.
284. That the Stanford monies now according to Spallina are almost all gone somehow vanishing into thin air like a magic trick between transferring the funds out of Stanford, into JP Morgan Private Banking accounts and then supposedly to Oppenheimer. However, Spallina stated that Simon never transferred the monies to Oppenheimer, yet Petitioner on information and belief has learned that this was not true and Simon did have Oppenheimer accounts at some point. Certain eye witnesses to Simon's accounts

"The News For Law Firm Giant Proskauer Rose is Not Good, and Getting Worse" by NYCOURTS- NEW YORK AND U.S. COURT CORRUPTION FRIDAY, SEPTEMBER 11, 2009

have stated to Petitioner that one of Simon's accounts had approximately USD \$5,000,000.00 days before his death.

285. That Spallina when questioned on these funds claims that Simon used the investment account monies to pay off his homes and never had any monies transferred into Oppenheimer, which appears contrary to information Petitioner has learned.
286. That TS initially claimed there were IRA's for both Simon and Shirley worth several million dollars in the Estates and several months later claimed nothing was left in IRA's and still have provided no documentation or inventories to Beneficiaries for these assets.

### **3. TELENET SYSTEMS, INC.<sup>9</sup>**

287. That when asked how the IRA's had disappeared over the last months, the reply from Spallina was that Simon had taken the millions and spent it and Spallina stated that some of it, USD \$250,000.00 had been taken to give to Scott Banks ("Banks"), President of Telenet Systems, Inc. ("Telenet") for the venture Simon had started months prior to his death with Banks.
288. That after Spallina claimed that Telenet had received this money, Petitioner informed Spallina that this was wholly untrue as Banks had never received USD \$250,000.00 from Simon, as Petitioner was integrally involved in the Telenet company start up with Simon and Banks and that Simon had not completed the financing of Telenet's USD \$250,000.00 personal investment before his death or raised the USD \$500,000.00 Line of Credit Simon was working to secure with his banking connections prior to passing. Simon had already begun meeting with bankers to raise the LC.
289. That to the best of Petitioner's knowledge no more than USD \$55,000.00 had been funded by Simon personally before his passing. Petitioner asked Spallina where the remaining USD \$200,000.00 of the IRA he claimed Simon took for Telenet went and Spallina again became hostile and claimed there was nothing left period.
290. That Petitioner then asked for an accounting of the millions that were supposed to be in IRA's and the loans against them and any transactions paid to Telenet and Spallina again became irate with Petitioner and still has refused any accounting for these assets and proof of any loans against them to Petitioner or Yates.
291. That when Petitioner asked what Spallina was doing about the continuation of Telenet, as an asset of the estate, Spallina stated that Theodore was handling the decision of what to do as he turned this responsibility and decisions over to Theodore, despite Theodore having no legal capacity to act in the estate of Simon.
292. That Petitioner informed Spallina that he was promised by Simon USD \$50,000.00 to help set up the computer systems and form a sales team for Telenet, which he had

<sup>9</sup> Draft Telenet Business Plan August 2012

begun doing but was not yet paid as Simon passed away just prior to completing the funding that would have paid Petitioner what Telenet owed him.

293. That Theodore and TS without properly informing Beneficiaries ceased funding of the investment in Telenet and forgave any debts owed and forgave any interests owned by the estate, all without any notification or accounting for these assets and interests to Beneficiaries and Interested Parties. That money had already transferred for several months prior to Simon's death to Telenet in the spirit of their agreement and to pay the new bills encumbered by Telenet based on Simon's promise to pay.
294. That this sudden termination of funding sent Telenet into a sharp and catastrophic decline, due to the fact that at Simon's request and with Simon's initial funding's over a two month period, Banks had begun hiring staff, had taken a new lease on new office space, purchased computers and more, all on the assumption that Simon was going to continue funding the company up to the agreed upon amount per their agreement.
295. That most of the legal work had already been drafted and agreed to between Simon and Banks and was ready to sign and they were already acting in good faith together under the contract terms, setting up new companies, etc.
296. That Candice was contracted for a base salary of USD \$60,000.00 with a 50% commission split on all business generated by Petitioner, Simon and her own sales efforts.
297. That Simon had claimed that his shares in TS when he deceased would be split between his estate and then Puccio, Petitioner and Candice would divvy up the remainder equally.
298. That Simon's desire was to have Petitioner, Candice, Puccio and his friends Scott and Diana Banks all working together with him in Telenet, as he was moving out of his offices with Theodore due to an increasingly hostile environment. Simon had been financing deals for Telenet and Banks for several years prior on a one-off basis when Banks needed capital and so he knew the business inside and out and projected a large ROI as evidenced in the exhibited Telenet business plan.
299. That TS instead of having the US \$55,000.00 investment in the Telenet deal accounted for and properly disposed of via the Estate by the designated Personal Representatives, TS, Tescher and Spallina, instead put Theodore in charge of handling the interest in Telenet for no apparent reason, as Theodore has no basis to act in this or any capacity under the Estates. Again Breach of Fiduciary duties of the Personal Representatives in the handling of the Estates assets and failure to report to Beneficiaries a major asset sale.
300. That the instant termination of funding by Theodore and Spallina immediately after Simon's death forced Banks to fire the newly hired employees, move from his office space (still owing the lease amount) and sell off assets to survive, none of the debts to Petitioner or Candice were paid off either, all against the desires of Simon. That to further injure Simon's friends, Bank's wife Diana was then terminated from employment

by Theodore from LIC with barely any notice and no severance or benefits for her loyal years of loving service, truly a depressing period for the Banks.

301. That Theodore claimed when questioned on what he was going to do with Telenet, stated he already had ceased relations with Banks as the agreement between Telenet and Simon was not 100% perfected before his death. Theodore chose without accounting for this asset to the Beneficiaries and providing no notice to, nor receiving any consent from the Beneficiaries, ceased relations entirely with Telenet and abandoned the Estates interests in Telenet, all apparently with no authority under the Estates.
302. That the decision to cease funding and relations with Telenet was made by Theodore and Spallina together according to Banks. Banks claimed that he was bounced for several weeks between the two trying desperately to get answers as the business he started with Simon was going under.

#### **4. Family Businesses**

303. That Petitioner asked Spallina if he had the buy sell agreements, etc. that transferred the interests of the long standing family companies Simon owned and had sold some to Pamela and others to Theodore to make sure that all the terms and payments were made according to the contracts and that the contracts were wholly fulfilled. Petitioner sought these items to determine if there were balances unpaid and if so, what remained unpaid and what interests would be retained if payments were not yet made in full or what payments were owed to the Estates.
304. That Spallina stated that the buyout transactions occurred a long time ago (believed to be in the mid 2000's) with Pamela and so it did not matter anymore, again legal advice that did not sound kosher and where no accounting of these assets or Simon's interests (including renewal commissions and over-rides on premium financing dollars) have been offered by TS to the Beneficiaries.
305. That Petitioner asked Spallina and Theodore to procure any buy sell agreements or other agreements regarding the ownership of the businesses that Simon and Theodore were splitting prior to his death and they both claimed not to possess any. As Petitioner and his children are direct shareholders of certain of these companies, Petitioner asked Spallina for the value of the companies and he claimed he did not know and stated that Theodore would be best able to answer the question.
306. That Theodore then claimed in the conference call with Spallina, Tescher, Yates, Pamela, Jill and Lisa that the companies were now all worthless currently and nothing was in them or anticipated to be in them. When Petitioner asked about renewals and other income to the companies from premium financing arrangements, Theodore stated these were meaningless amounts, yet parole evidence in the Stansbury lawsuit appears to contradict these claims.

307. That Theodore is not an accountant, has not graduated college, has declared personal and professional bankruptcies and has no known ability to evaluate a company financially, most importantly he obviously was conflicted in assessing the businesses that he personally has large interests in. The Personal Representatives TS, Spallina and Tescher should have instead had an independent accounting firm do a proper accounting of the businesses to analyze the value of the companies for the Estates and Beneficiaries, further evidencing a lack of duty and care by Spallina and Breach of Fiduciary Duties.
308. That Spallina in a family meeting claimed that there is now only a few hundred thousand dollars of cash and cash equivalents left in the Estates, a far cry from the believed worth of Simon's Private Banking investment accounts with Stanford, JP Morgan and Oppenheimer alone.
309. That Simon also had other assets, such as bank accounts, IRA's, pensions, insurance, etc. that he possessed and again no information of any of these assets has been sent to Beneficiaries, in opposite of the terms of the Trusts and law and where these assets were to be divvied up promptly to the Beneficiaries. Where now seven months after Simon's passing no assets have been distributed to Petitioner's family and the Beneficiaries have NO way to ascertain anything they are inheriting due to the lack of documentation provided by the Personal Representatives, in violation of law, as evidenced ad nauseam already herein but there is more.

**IVIEWIT BACKGROUND HISTORY**

310. That in 1997 Petitioner moved from Corona Del Mar, California to Boca Raton, Florida after having his first son Joshua. After Petitioner's parents could not fly out to California even for the birth of their grandson due to health problems, it was decided by Petitioner and Candice that they would move to Florida so they could see and be with Joshua weekly. Simon and Shirley were elated and helped Petitioner and Candice secure a

condominium minutes from their home. Simon and Shirley put USD \$100,000.00 down on the condominium, as a wedding gift to Petitioner and Candice.

311. That Petitioner and Simon for the first time began working in the insurance business together in close proximity and Petitioner was pursuing at the time work on making Simon's insurance plans quotes and sales data into screaming digital media presentations for carriers, clients and underwriters. That Petitioner was commissioned by Simon to build a website and design the software necessary to implement the idea, as websites were the hottest new thing at the time for businesses and Simon wanted Petitioner to create digital presentations for clients, carriers and banks and create a digital underwriting program that could be used online and get his companies ahead in the new digital age.
312. That Petitioner was and is computer savvy and was already working with a team in California to achieve online multimedia presentations and quickly had a team put together in Boca Raton, including two of Simon's clubs staff workers, Jude Rosario and Zachirul Shirajee, who Petitioner employed to work on these projects and who instantly became more a part of the family than just employees.
313. That the problem was that online bandwidth is limited and rich image and video presentations just would not work on a thin pipe, such as internet modems. Petitioner had created high quality video and graphic presentations that worked well on the computer or CD and then compressed them for the web at low bandwidth, the videos became graphic nightmares and they were left with basic text presentations and banner ads that looked horrific. Simon stated he would never use it to sell to clients or carriers with the quality so pathetically poor and so Petitioner went back to the drawing board, again and again and again, failing repeatedly.
314. That Simon urged Petitioner to continue trying to resolve the problems and "fix this shit up" or get rid of the computers and website wholly. The problem for Petitioner and millions of others at the time was that leading engineers worldwide had already given up the search to fix these problems, as mathematically trying to get good video and imaging to end users over low bandwidth was deemed the Internet Holy Grail, as it was akin to trying to suck an elephant through a straw.
315. That Petitioner after many sleepless nights with his team suddenly had a series of divine epiphanies that changed the world in a multiplicity of ways and continue to do so. That Petitioner and his immediate and extended families' lives changed too on the discovery of these novel inventions.
316. That as soon as the first invention was realized and displayed, Simon and Petitioner decided to get patents as no one had ever seen images that could zoom endlessly over low bandwidth and Simon's friend and neighbor Lewin, who was Petitioner's accountant personally, said he could help and introduced them to Proskauer to form companies and protect the Intellectual Properties.

317. That these were very happy times for Petitioner's family and his parents, Candice had another son Jacob and he and Joshua saw their grandparents 2-3 times a week and Simon and Petitioner had just rented large office space in Boca and were ramping up for an IPO.
318. That the Estates of Petitioner's parents have large interests in the Iviewit companies<sup>11</sup> that were then formed. Where Simon and Petitioner started certain of the Iviewit companies together with a 70-30 stock split between them, 30% owned by Simon for the initial seed capital of approximately USD \$250,000.00 and 70% owned by Petitioner for inventing the technologies that were to be licensed through the Iviewit companies. Other companies were however then set up without their knowledge by their Attorneys at Law, Proskauer, and these companies are now subject to several ongoing investigations and lawsuits.
319. That Simon had an office in the Iviewit companies, alongside Petitioner and where Simon was an active participant in getting the company up, raising capital and running it initially as Chairman of the Board of Directors. That was until Lewin and Proskauer's partners had Simon relieved as Chairman, stating that it was a condition of Huizenga's attorney to obtain further seed capital infusion, capital that never came as other investors swooped in and where later Huizenga's attorney's claimed this to be an untrue statement they never made.
320. That Petitioner and Simon retained Proskauer to procure Intellectual Properties ("IP")<sup>12</sup>, including but not limited to, US and Foreign Patents, US Copyrights, Trademarks, Trade Secrets and more and to form companies to hold and license such IP.
321. That the IP centers around a group of technologies in digital imaging and video that have been estimated as "Priceless," the "Holy Grail" and "worth hundreds of billions" by leading engineers from companies such as Lockheed, Intel, Warner Bros., AOL, Sony

and more, all fully part of public record with over a decade of validation and exhibited in more detail in the Wachovia Private Placement<sup>13</sup> and at the Iviewit Web Exhibit List<sup>14</sup>.

322. That these Intellectual Properties have wholly changed the world in profound and fantastic ways over the last decade, revolutionizing the digital video and imaging worlds, to allow for markets that **could not exist without them**, such as,

- i. Quality Internet video as used by virtually anyone plugged in digitally, for example, YouTube is 100% reliant on Iviewit's technologies and is now the largest broadcaster in the history of the world, where the name more aptly should be EliotTube,
- ii. Cell phone video, the hottest digital market,
- iii. Internet Video Conference,
- iv. Rich Imaging for the Internet,
- v. Camera's and optics with zoom that does not pixilate,
- vi. Cable TV with 200+ channels versus the old 40+, and,
- vii. GPS Mapping.

323. That the Iviewit Technologies have literally thousands of market applications, such as,

- i. Microchips, as virtually all chips with digital imaging and video code embedded that have been manufactured worldwide since 1998 have stamped the Iviewit mathematical scaling formulae upon them,
- ii. Video Hardware and Software, as since 1998 virtually every product involved in content creation and distribution have embedded the Iviewit mathematical scaling formulae within their source codes,
- iii. Medical Video and Imaging Hardware and Software, as virtually every medical product that uses scaling imaging techniques have embedded the Iviewit mathematical scaling formulae upon them, revolutionizing the medical imaging of MRI's, XRAY, etc.
- iv. Military and Government Video and Imaging Hardware and Software, as virtually every military and government device that uses scaling video and imaging techniques have embedded the Iviewit mathematical scaling formulae upon them, revolutionizing and advancing Satellite Imaging, Flight Simulation, Remote Controlled Vehicles, Drones, Self-Propelled Guided Weapon Systems, Space Telescopes (such as the Hubble and others that now bring rich views of the universe as never before seen offering humanity a new view into the origins of the universe) and even those pesky "red light" cameras, etc. etc. etc.

v. Camera's, phones, television and virtually any digital screen that scale images so one can zoom without pixilation uses the technologies, where Iviewit inventions solved for pixilation and allowed zoom on low resolution images at depths never before seen and high quality low bandwidth imaging as found on virtually all websites, camera's and anything with a digital screen.

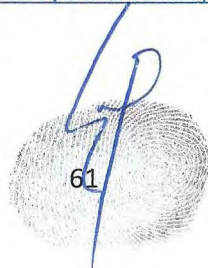

324. That Simon and Shirley and now their Estates Beneficiaries are one of the largest benefactors of such IP, along with other investors including Wayne Huizenga, Crossbow Ventures (W. Palm Beach, FL), Alanis Morissette, Ellen DeGeneres<sup>15</sup> and many more.
325. That Simon believed in the companies, so much so that he was Chairman of the Board of Directors<sup>16</sup> and other Board of Directors and Officers included Lewin<sup>17</sup> and members of Proskauer, as indicated in the Wachovia PPM that Proskauer prepared and distributed, already exhibited and evidenced herein. Proskauer even secured a lease for Iviewit directly across the hall from their offices in Boca Raton, FL. and had a team of lawyers from all practice areas basically move into the Iviewit offices, spending almost all of their time at Iviewit.
326. That Petitioner even offered a gift of ground floor stock to Proskauer and Lewin who paid a nominal price for this ground floor stock in the Iviewit companies, as the technologies had been validated before their own eyes by leading engineers and was already, even in the very beginning, estimated to be the biggest technological advancement in the history of digital video and imaging.
327. That Jill and her husband Guy Iantoni ("Guy") bought in ground floor and even moved to Florida from Chicago to work in the Iviewit offices, as they had been instrumental in helping Petitioner from the start. That Jill's moving with her husband and daughter to Florida also brought happiness to Simon and Shirley.
328. That Lisa and her husband Jeffrey Friedstein ("Jeffrey") bought in ground floor and Jeffrey became involved through his employer Goldman Sachs, where his father Sheldon Friedstein was a long time Goldman agent and Goldman after signing a Confidentiality Agreement began instantly introducing the technologies to major players, including several Fortune 500 companies and Billionaire clients, many who began working on various licensing arrangements for usage.
329. That other law firms and their partners and friends of Petitioner from California and elsewhere all bought in, all owned stock, along with all of the employees, as Petitioner had desired everyone involved at the ground floor and contributing sweat to be shareholders as well. Many of these ground floor investors had a wealth of clients, including many Fortune 100 clients that they introduced the technologies and were in

various stages of the licensing the IP and using the technologies all under various contracts with Iviewit. Doors were opened and the technologies were quickly embraced.

330. That licensing deals with AOL, TW, Real 3D (Intel, Silicon Graphics, Lockheed), Sony and many others were inked or being finalized and a Private Placement was in place with Wachovia, when it was discovered by others doing due diligence on the PPM and from an audit that was being conducted that Iviewit IP Counsel and others were attempting to steal the Iviewit IP, through the use of complicated legal schemes, including an involuntary bankruptcy and a Proskauer instigated billing lawsuit in this courthouse, to be discussed more fully herein.
331. That first discovered was that one of the attorneys brought in by Proskauer, Raymond Anthony Joao, was putting patents in his own name, with Joao later claiming 90+ patents in his own name and suddenly, after meeting Petitioner and taking invention disclosures, Joao became more inventive than Tesla.
332. That then Proskauer brought in Foley attorneys after they removed Joao, in order to fix Joao's work and they too were found putting patents in other's name, including Utley and in so doing they were committing Fraud not only the Iviewit Shareholders but upon the US Patent Office, which has led to ongoing investigations and suspension of the IP by the US Patent Office.
333. That then Proskauer's Kenneth Rubenstein (Iviewit's Patent Counsel as stated in the Wachovia PPM) was found to be transferring the technologies to Patent Pooling Schemes he is the sole patent reviewer for and founder of and now Proskauer controls these pools that are the largest infringers of Petitioner and Simon's IP, including but not limited to, MPEGLA LLC.
334. That Proskauer then illegally tied and bundled the IP to thousands of applications and created licensing schemes in violation of Sherman and Clayton and most of the Antitrust laws and thus through these illegal legal schemes so converted the royalties from the Iviewit Shareholders and Inventors to Proskauer and their friends. In further efforts to block Iviewit from market or bring their crimes to light of day, an organized and conspiratorial effort began against Petitioner and his family and the Iviewit companies. It should be noted that prior to learning of the Iviewit inventions, Proskauer did not even have an Intellectual Property department and immediately acquired Rubenstein from a law firm where he and Joao were already working on pooling schemes and so Proskauer started a new Intellectual Property department days after learning of the inventions from Petitioner with Rubenstein and cornered the market for Petitioner's inventions through these pools.
335. That upon discovering these alleged criminal acts and Petitioner reporting the perpetrators to State and Federal authorities, the Board of Directors and others, Proskauer, Foley, Utley and others began an instant campaign to destroy the Iviewit companies and evidences of their crimes and to destroy Petitioner, his family, shareholders and his friends.

336. That information was learned in an audit from Crossbow Venture's by Arthur Andersen that there were several companies with identical names but different dates and minutes were missing from some and share distributions. That Arthur Andersen alleged that Erika Lewin, daughter of Lewin and Goldstein Lewin and Iviewit employee had intentionally misled auditors regarding the corporations' structures.
337. That at that same time it was learned that technology transfers were occurring with Enron Broadband to do a deal, unbeknownst to shareholders and Board Members, with Huizenga's Blockbuster Video to do a digital online movie download program, using technologies Enron had suddenly acquired to deliver the movies full screen full rate. That Enron Broadband then booked revenue in advance of their venture based on having the stolen IP but this was derailed as the scheme was being exposed and it was Enron Broadband that truly caused the Enron Bankruptcy as the records indicate.
338. That at that time, Warner Bros. and AOL investment and patent counsel advised Petitioner that they had reviewed the patents and there were "BIG PROBLEMS" and informed him further that he was being sued by Proskauer in a billing lawsuit and was involved in an Involuntary BK that no one knew about at the Iviewit companies and that the legal actions were somehow even represented by counsel. That no one admitted at the Iviewit companies, Proskauer or Goldstein Lewin to knowing about any of these legal actions against the company and certainly no one had informed Wachovia of anything like this and that had just conducted due diligence on the IP and companies with Proskauer, Utley and Lewin. Small oversight to have forgot to tell the Bankers, Investors, Board of Directors, etc.
339. That the IP's worth has provided motive for a multitude of predicate acts under RICO in attempts to steal the IP. Acts directly against Petitioner and Simon's families, continuing now through a Fraud on this Court through Fraudulent and Forged documents to rob the Estates and more with an identical cast of characters committing virtually the same type of schemes and alleged crimes in this Court. Some of the alleged crimes include but are far from limited to,

These patents in Utley's name and others, are now subject to a

<sup>19</sup> It was not learned until after Utley was fired that Utley, Wheeler and Dick had a sordid past of attempted theft of intellectual properties from a one Monte Friedkin of Diamond Turf Equipment of Florida. Friedkin stated to Petitioner and others that he employed Utley at Diamond Turf until he found that he was using Dick to write patents into his name and send them to a company Wheeler of Proskauer had formed at his home. Upon learning of this, Friedkin fired Utley and closed Diamond Turf. Wheeler than introduced Utley to Ivievit with a false resume that omitted what happened at Diamond Turf and finally Utley and Wheeler recommended their friend Dick of Foley and so is evidenced a pattern and practice of patent thieves and conspiracy .

344. That Petitioner explained to Spallina that Proskauer was IP and General Counsel for the Iviewit companies and when the Iviewit companies were raising a Private Placement with Wachovia Securities, Proskauer had even done some estate planning work for Simon and Petitioner so that the value of the stock could be transferred in advance to Simon's children and grandchildren and Petitioner's infant children so as to grow in their estates and not have to transfer it to them when the stock prices surged, as the company was already valued high for a startup company.
345. That Proskauer billed for and completed irrevocable trusts for Joshua and Jacob at that time to transfer a 10% interest of Petitioner's stock in Iviewit into and Simon and Petitioner did estate plans with Gortz.
346. That at that time the Iviewit companies were set to go public with Wachovia and with Goldman Sachs also acting as an Investment Banker to Iviewit and it was anticipated to far exceed even the largest IPO's of the Internet boom, as the IP is the main driver to rich multimedia over the Internet, which is the largest use of Internet bandwidth globally, where video transmitted using Petitioner's inventions is claimed to be approximately 90% or more of total Internet transmissions and where now over 90% of digital imaging devices now infringe on the Iviewit IP<sup>22</sup>.
347. That Petitioner informed Spallina that both Proskauer and Lewin would have all the records of the Iviewit companies, as they were counsel and accountants for Iviewit and started all the Iviewit companies and distributed all the shares, including Simon and Shirley's shares and even the shares Proskauer and Lewin owned.
348. That Spallina after contacting Proskauer and Lewin claimed they stated they knew nothing about Iviewit at which point Petitioner further informed Spallina of their prior roles in the Iviewit companies to aid in refreshing their memories; see Exhibit 27 - Letter from Petitioner to Spallina Re Iviewit's Relation to Proskauer and Lewin. Petitioner found it strange that Gortz and Lewin claimed they did not know of the RICO action and what has been transpiring over the last several years and somehow had forgotten history, when Lewin claimed in his deposition that will be further exhibited herein, when asked about his recollections on Iviewit he actually claimed "he was trying to erase his memory" or words to that effect and it appears he had now successfully erased it<sup>23</sup>.

**RE: FORMAL COMPLAINT AGAINST NEW YORK STATE EMPLOYEES INVOLVING CONSTITUTIONAL VIOLATIONS, INCLUDING WIDESPREAD ILLEGAL WIRETAPPING**

Dear Mr. Moossy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping, inter alia. **As these individuals were in supervisory positions at "ethics oversight" committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney "ethics" committees.**

The NY state-employed individuals herein complained of include New York State admitted attorneys **Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.**

At some point in time shortly after 9/11, and by methods not addressed here, **these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the "JTTF"). These individuals completely violated the provisions of FISA, ECPA and the Patriot Act for their own personal and political agendas.** Specifically, these NY state employees essentially commenced "black bag operations," including illegal wiretapping, against whomever they chose- and without legitimate or lawful purpose.

To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here, as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods ("set-ups"). The aftermath of such abuse for such an extended period of time is staggering.

**It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.**

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful "black bag operations," and, further, that certain NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief

Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani's claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan's attorney "ethics" committee, the Departmental Disciplinary Committee (the "DDC"), **which includes allowing cover law firm operations to engage in the practice of law without a law license.** Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees **supervised the protection of the unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants**

Evidence also supports the widespread illegal use of "black bag operations" by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, **to set-up anyone who had been deemed to be a target**, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics "departments," but also in matters **beyond the borders of New York.**

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees --- all of startling proportions.

For example:

The "set-up" of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently incarcerated. The trial judge, U.S. District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, "I have never heard anything like the facts of this case. I don't think any other judge has ever heard anything like the facts of this case." (2nd Circuit 11cr2763)

  
71

**The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.**

The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.

The thwarting of new evidence involving a mid 1990's "set-up" of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan)

The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)

The eToys litigation and bankruptcy, and associates of Marc Dreier, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.

The "set-up" and "chilling" of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.

The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear Sterns and where protected attorney-client conversations were recorded and distributed.

The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately disbarred- in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weisshaus v. Fagan)

Additional information will be posted on [www.Reform2013.com](http://www.Reform2013.com)

The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February 15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his

72

knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

353. That on information and belief and after speaking with the source of the stories and others close to the source of the story, Petitioner learned that the plaintiffs in the "Legally Related" cases to Anderson, including Petitioner's lawsuit, are also "targets" and whose rights to privacy and property have been wholly violated by criminals disguised as Attorneys at Law, Judges, Disciplinary Department members, who are cloaked in often false legal degrees according to the articles and planted into Public Offices to derail and obstruct justice in lawsuits and criminal complaints against them.
354. That these insidious criminals are committing illegal legal crimes, as only licensed Attorneys at Law can do and using the Courts and other Public Offices to effectuate these crimes and then destroy their victims with Legal Process Abuse and more and

73

misusing their legal titles and public offices to then shield themselves from prosecution and further abuse their victims through denials of due process through conflicts of interests that obstruct justice and fraud on the courts and more.

355. That one wonders why no one is in jail for the Wallstreet Crimes, the Homeowner Crimes, etc. etc. etc., that have been committed mainly by "Attorneys at Law" working in either the cartel law firms or revolving to and from them into government posts to aid and abet the crimes. These stories and the heroic Whistleblowing efforts by Anderson and now several others reveal the reason, the regulators and prosecutors over Wall Street Attorneys at Law are corrupted and when the head of beast is corrupted you can bet the feet are too.
356. That as the ECC articles expose, it is alleged that these schemes have infected various states out of New York, where apparently the same disabling of the legal system has occurred.
357. That the stories reveal that **JUDGES CHAMBERS**, their **DRESSING ROOMS** and even their **PRIVATE RESIDENCES** were **ILLEGALLY WIRETAPPED** and more, as these named judges were also "targets" of those in charge of the legal regulatory agencies and prosecutorial offices and further many were illegally surveilled 24/7/365, some for now ten years. Yes, the heads of the attorney regulatory agencies are charged with targeting attorneys at law and judges or just about anyone that gets in their way and misusing public resources and funds illegally to achieve their ends, in typical Criminal Cartel fashion.
358. That new evidence in the matters suggests that "targets" were unfairly accused of made up crimes and then sentenced to silence them as indicated in the exhibited stories.
359. That this new public evidence shows that **UNITED STATES DEPARTMENT OF JUSTICE JOINT TERRORISM TASK FORCE** resources and funds were **ILLEGALLY ACCESSED** and used against "targets" with the intent to Obstruct Justice in lawsuits and criminal complaints and more.
360. That this new public evidence shows that the **UNITED STATES PATRIOT ACT** was violated repeatedly against even private citizen "targets" with the intent to Obstruct Justice in lawsuits and criminal complaints and more.
361. That Petitioner is filing a new Motion for Rehearing in the RICO based on the brand new evidences of Fraud on that US District Court through Obstruction, Conflicts of Interest and more and is drafted based on this new and riveting information. Where Petitioner's Petition to this Court will also be filed as exhibit in that Motion for Rehearing to evidence new alleged RICO activity of fraud and forgeries allegedly committed upon this Court by Officers of the Court, Spallina and Tescher. Exhibit 29 – Draft Motion to Rehear US District Court.
362. That several months prior to his death, Simon revealed to Petitioner that he was considering contacting Federal Authorities investigating the Iviewit affairs to offer eyewitness testimony and was given the name of Glenn Fine, the Inspector General of

the Department of Justice to contact and his referred point of contact, a one Lonnie Davis, of the IG's Miami Field Office. Both officials were directly and solely responsible for intake of the Iviewit evidences for the FBI and US Attorney's offices, due to the fact that the original agents from both offices suddenly and mysteriously went missing, elevating the matters first to Department of Justice Office of Professional Responsibility and then to Department of Justice Inspector General's Office.

363. That Petitioner remains uncertain if Simon had already made contact with prosecutorial offices or others to give his testimony. Now that Simon may have also been one the "targets" whose rights to Privacy were being violated and his conversations with Petitioner allegedly illegally intercepted, his willingness to go the authorities and conversations he had over the last year may provide additional motive for "foul play" in the death of Simon and the alleged criminal activities in the Estates.
364. That Simon and his entire family were in danger after Simon gave a damaging deposition against Proskauer Rose in Case # CA 01-04671 AB.<sup>25</sup> Simon's deposition specifically fingered Proskauer's Rubenstein as Iviewit Patent Counsel, as illustrated also in the Wachovia PPM and even Proskauer's own billing records, despite Rubenstein's perjured deposition statements and statements to officials that he knew nothing about Iviewit or Petitioner and was not IP counsel. Rubenstein's deposition is also contained in the above referenced URL and confounded when evidence at Deposition contradicted his statements, Rubenstein then walked out of the Deposition and the case was then thrown by Judge Jorge Labarga. Based on new information of Fraud on the Court in that lawsuit and more, that case will soon be appealed in FL.
365. That Simon had already given partial statements for Petitioner to use with State and Federal Authorities that are damning to Defendants in the RICO as well, as the statements wholly refute Rubenstein's sworn statements to authorities and in deposition<sup>26</sup> and more.
366. That when Utley had made death threats upon Petitioner, Candice and their children, Board meetings were held with certain members of the Board and others that were not presumed to be involved in the thefts and they decided that Petitioner, who was in California at the time but living in Boca Raton, could not come home as scheduled that week and instead should have his wife and children move and uproot instantly and virtually overnight to California until they could figure things out in Boca Raton, in order to protect Petitioner and his family from any harm.
367. That Petitioner filed reports of the death threats made by Utley with the local California PD and the Huntington Beach FBI offices. Keep in mind that Petitioner when threatened by Utley was threatened by Utley who flew to California unannounced to deliver his

<sup>26</sup> 2003 Statement Regarding Events – Simon L. Bernstein – Past Chairman of the Board Iviewit

<http://iviewit.tv/CompanyDocs/SHAREHOLDER%20STATEMENTS%20BOOKMARKED2.pdf>

death threat message and stated he and the partners at the law firms of Proskauer and Foley, his friends, Dick and Wheeler, would harm his family and that Petitioner did not know how powerful these law firms were and better shut up and not bring the evidence of the patent thefts to the authorities or else watch his family's back or words to that effect.

368. That Candice was directed by Simon to pack their family's belongings and ship them and get on the next plane with the two children, abandoning her home and leave Shirley and Simon with hardly a goodbye. All of this to the detriment of Shirley, who was furious that Petitioner was moving his children from her. Simon did not want Shirley to know what was going on with death threats, as her heart condition and cancer were too fragile at that time and Simon thought it was best to keep her in the dark and basically lie to her. Candice then packed and moved by herself with the kids to California and it was advised later that Petitioner and his family not return to Boca Raton and instead find a hideout to lay low in California until things could be resolved in a year or two.
369. That to protect Shirley from a heart attack, a long and painful lie began, one of the first Petitioner had told his mother since he was a child, one that broke her heart anyway but the other way just might have killed her and the lie only got worse. Petitioner and his wife agreed with Simon to not tell Shirley any details of death threats and that Petitioner would tell her that he was moving suddenly to stay and open the California office of Iviewit. Losing her two grandchildren overnight was enough to kill her, if she knew that death threats were made against Petitioner, Candice and her infant grandchildren, Simon rightfully feared she would panic to death literally. Shirley was angry at both Petitioner and Candice until much later when they moved back to Florida and she began figuring out what had really transpired and what was going on and when Simon finally allowed Petitioner to tell her the whole truth but only after she had been diagnosed with Stage IV cancer shortly before her death. Shirley was relieved to know the truth at last, years later, upset that we lied to her so much but forgiving.
370. That Petitioner then moved back to Florida from California again, this time again due to his parents' medical problems worsening and to fight Proskauer in the Proskauer lawsuit in this Courthouse and at that time moved to Boynton Beach, FL.
371. That Petitioner's relationship was strained during this move back as he was fighting Proskauer in this Courthouse and then elevated the complaints to the Florida Supreme Court and the United States Supreme Court. Each of these cases soon to appealed based on new evidence of Fraud On and In the courts, with documented evidence of corruption by Attorneys at Law blocking Petitioner's due process rights here in Florida and connected to those in New York. Thus why the RICO has so many Attorneys at Law, Judges and Public Officials as nearly half of the four thousand named defendants.
372. That understanding how Petitioner was "targeted" and monitored and how government resources were turned against him to violate his due process rights through violations of

ethics rules and laws by the very legal system designed to protect inventors is essential to understanding the strains on Petitioner and his entire extended family at that time.

373. That then suddenly and without warning, a bomb exploded in Petitioner's Minivan. As the images reveal a **STRONG MESSAGE** sent to anyone thinking of aiding Petitioner in his efforts in the courts or against the RICO Defendants, this time not merely a threat but an attempted murder, a scene out of a war zone, in Del Ray Beach, FL.
374. That once the **CAR BOMBING** occurred, Simon took many elaborate steps not only to protect Petitioner and his family but also to protect his entire extended family from the main culpable defendants in the RICO, as any father and grandfather would do. That Simon and Petitioner struggled with how to protect their families and decided after the bombing that it would be best that Petitioner distance himself from his immediate family and this would mean Petitioner having to sever personal and financial ties with his mother, father and siblings, while Simon and he and others tried to figure something out to keep their families from being **MURDERED**.
375. That this Court need stop for a moment and imagine in real time, real life what this would cause you personally to do, in order to protect your family, your friends, your businesses, etc. from this form of murderous retaliation.
376. That to put some distance between Petitioner and his family and friends, it was again decided that Petitioner and his family pack and move overnight, for the second time Petitioner fleeing Florida with his wife and children overnight.
377. That again, Shirley was blown apart, from the moment she heard Petitioner and family were leaving again with no notice and thought Petitioner needed and intervention or tough love and this too broke Petitioner and Candice's hearts to see her so saddened again.
378. That Simon from the instant of the Iviewit companies being blown apart upon discovering the IP thefts and the monies stolen from the companies as reported to Boca PD and the SEC initially, had been supporting Petitioner and his family financially monthly but it was decided that all ties, personal and financial to family should be cut and so it was for everyone's safety. Simon again, immediately after the bombing, urged Petitioner and Candice to further lie to Shirley and keep the whole car bombing thing from reaching her if possible, as she was again ill and on chemotherapy and more and Petitioner complied as again it was too much for her.
379. That Simon and Petitioner parted ways and staged a fight over this or that and he stated he was done with Petitioner to everyone and vice versa and told Shirley and others we got in a fight and we were parting ways. Again, Shirley was crushed and angered at Petitioner and Candice and hardly spoke with them for the next two years. Other friends and family members from Candice's family aided Petitioner and his family from that point as best they could during the ensuing three years with houses, odd jobs, handouts and love.

77

380. That Petitioner's family moved to Red Bluff, California and moved in with Petitioner's mother-in-law, a one wonderful, Ginger Stanger and her daughter Amanda Leavitt. Four adults and three children in a 500 square foot apartment, one bath, two bedrooms and a long wait to shower for the next the three years.
381. That Petitioner severed financial ties with his father and his family immediately and went on public assistance, welfare and food stamps to survive. Not many jobs for persons being targeted by Car Bombs, not many friends will one keep, as Petitioner distanced himself not only from family but friends so as to expose no one to such wrath and danger to their families. Petitioner ceased talking with almost all of his friends that he spoke to regularly since childhood, all will attest such to this Court.
382. That Petitioner has warned every lawyer that touching Ivievit would lead to assaults on their careers as Anderson now exposes how this scheme to target honest Attorneys at Law works from inside the belly of the beast in her historic testimony in Federal court where she identifies "The Cleaner" and Attorneys at Law in the highest ethics posts at the leading courts and prosecutorial offices violating law and obstructing justice and blackballing lawyers and more. The very same people that control bar admissions then even target any insider Whistleblowers with severe retaliation, in Anderson's case leading to physical assault by a Superior and then threats on a Federal Witness in her lawsuit against a one Nicole Corrado, Esq., yet another New York Supreme Court Supreme Court Disciplinary Attorney gone Whistleblower Hero on her way to testify at Anderson's trial. Corrado has recently filed yet another Federal action in the Eastern District of New York, again involving the same crew operating in the courts.
383. That in fact, Petitioner was notified by Yates, after she had spoken to Spallina initially, that Spallina had barked at her, as he has done repeatedly without courtesy, respect or professionalism on calls with Petitioner's and others that she did not "*know who her client was*" or words to that effect, in a condescending tone in reference to her representation of Petitioner and imparting that she should abandon representation of Petitioner. This perhaps explains Petitioner's Pro Se status in this Court due to his inability, despite repeated attempts from even referred Attorneys at Law to represent him here now before this Court and part of coordinated effort to deprive Petitioner of his rights to representation in any court, as exhibited in the ECC articles.
384. That in the already exhibited herein Motion for Rehearing, this Court will see how Petitioner's 6<sup>th</sup> Amendment Right to Counsel in these civil matters has wholly been interfered with to block any of the victims in the related cases to Anderson from help in the legal community and how those corrupted ethics bosses or mob bosses it appears, destroy the lives of those Good Intentioned Attorneys at Law trying to actually do their jobs ethically and fairly for their clients.
385. That Petitioner, having a long career in the insurance industry, with leading law firms and billionaires as his clients from the time he was 21, has many dear friends that are

Attorneys at Law but whom he would never ask to put their lives and livelihoods in danger and make them targets too.

386. That these RICO Defendant LAW FIRMS are now under investigation in several ongoing actions involving the theft of the Intellectual Properties, including the investigations that have led to suspension of the IP with the US Patent Office pending the outcome of joint federal investigations. Therefore, all of the following law firms and other now involved in the Estates have Conflicts of Interests with the Iviewit companies, Simon Bernstein, Petitioner and the Estates regarding the Iviewit RICO, as defined below. All of these parties should be removed and precluded from any further involvement in this probate matter, other than to relinquish all records to this Court and Petitioner and replacement Personal Representatives and Successor Trustees, this time screened heavily in advance for conflicts of interests with any of the Defendants listed in the exhibited herein already Conflict of Interest Disclosure. For the following reasons,

i. Proskauer has conflicts as,

- b. Former personal counsel to Simon and Petitioner,

- f. Proskauer claims not to have the missing 1995 IIT described above whereby Proskauer was the last law firm in possession of the trust in 2000-2001 and this may be done with intent as further posited herein.
- g. That Proskauer Rose is at the heart of the RICO and Criminal Complaints and has recently been accused of Conspiracy and Aiding and Abetting a Criminal Enterprise, that of Convicted Felon, Ex-Sir Allen Stanford by the US Court Appointed Receiver in that case.
- h. That Proskauer was patent counsel and corporate counsel to Iviewit companies and is accused of stealing the patents directly and as the initial point of the ensuing decade of alleged Criminal Acts against Petitioner's family.

ii. Foley & Lardner/Hopkins & Sutter has conflicts as,

- a. Former Iviewit IP Counsel,
- b. Foley et al. are Defendants in the RICO Lawsuit and under investigation in State, Federal and International investigations,

- b. GT et al. are Defendants in the RICO Lawsuit and under investigation in State, Federal and International investigations,
- c. Counsel in RICO representing The Florida Bar and Florida Supreme Court,
- d. Represented Theodore in the lawsuit by William Stansbury until GT was disqualified and withdrew for conflicts of interest in the Stansbury lawsuit.<sup>27</sup>  
and <sup>28</sup>

iv. Goldstein Lewin has conflicts as,

- a. Former Iviewit corporate accountant and Petitioner's personal accountant,
- b. First person Simon introduced to Iviewit IP, who introduced Simon and Petitioner to Albert Gortz of Proskauer,
- c. Party of interest in the Fed RICO & ANTITRUST Lawsuit, introduced Simon and Petitioner to Proskauer's Gortz and Christopher Clarke Wheeler ("Wheeler") who are the central conspirators in the RICO,
- d. Shareholder with other Lewin family members of Iviewit stock,
- e. Simon and Shirley Bernstein accountant at some point in time after Iviewit companies were formed.

v. Tescher and Spallina has conflicts as,

- a. TS and Proskauer have close relations that are believed to have been previously undisclosed to Simon,
- b. TS has Board and business affiliations with Theodore Bernstein, including,
  - a. Ted and Deborah Bernstein Foundation<sup>29</sup>

- b. Aya Holdings, Inc.<sup>30</sup>
- c. That it should be noted here by this Court that TS, Spallina and Tescher also have a very close new relationship whereby Donald Tescher was honored with an induction party to a very select “elitist” group, which was funded and promoted by RICO Defendant Proskauer. Information regarding this is found at the Jewish Federation site, in an article titled, “Caring Estate Planning Professionals to Honor Donald R. Tescher, Esq. at Mitzvah Society Reception on March 27” Published Sunday, March 4, 2012 7:00 am | Category: PAC. That the article states “The Mitzvah Society Cocktail Reception is generously sponsored by BNY Mellon Wealth Management; Law Offices of Tescher & Spallina, P.A.; Proskauer; and Life Audit Professionals, LLC,” where the honoree was Donald Tescher.  
Where it is clear from the article that RICO Defendant David Pratt of RICO Defendant Proskauer Rose is extremely close with Spallina and Tescher, claiming “It is my honor and privilege to welcome the community to join our annual Mitzvah Society Reception,” said David Pratt, who is co-chairing the event with Robert Spallina... We are also excited to inaugurate three new members: Jodi Lustgarten, Jon Sahn and Robert Spallina, bringing our Mitzvah Society ranks **to a proud 55!**”
- d. TS is acting as Counsel for the Estates, Acting as Personal Representatives for the Estates, Acting as Trustees in the Estates, Acting as Witness to Documents that make changes giving authority and interest to TS, Tescher and Spallina to act as personal representatives on documents they prepared and had a client who was mentally depressed, confused and undergoing a series of serious physical problems supposedly sign them but now appears they may have fraudulently through forged signatures and more, signed the documents for him post mortem,
- e. Acting as Counsel in the SAMR to all parties in efforts to change beneficiaries of the insurance policies of the Estates.

- a. That this Court is conflicted with Petitioner as it is also sued in the RICO and ANTITRUST Lawsuit, along with members of the Court and that members of this Court have been complained of in the State and Federal complaints.
- b. That Petitioner is willing to consider allowing members of this Court to parse such conflict with the RICO & ANTITRUST and continue adjudicating these matters and waive any conflict with the prior matters, if each person handling this probate of the Estates will sign and verify the attached Conflict of Interest Disclosure form attached as Exhibit 30, prior to ANY action. Presumably, if there are no Conflicts of Interest that will deny due process and obstruct justice in these matters, the COI should be a no brainer to sign by anyone acting forward in these matters.

387. That all of these alleged unlawful actions described herein, especially where the RICO defendants are involved may be done with scienter to throw the Estates of Simon and Shirley into a long and protracted time to distribution, during which time the assets are being misappropriated and depleted and incurring large legal costs. Petitioner alleges this is in order to prevent Petitioner from having access to his inheritance that could be used for living expenses for his immediate family and to deny him access to funds which could be used to assert his legal rights, for example by retaining counsel in the Estates actions and the RICO.

388. That the actions of TS, Spallina, Tescher, Theodore and others, already described herein have caused massive financial distress on Petitioner and his family, kept completely in the dark of the information to figure out their inheritance. That with the threats of foreclosure on Petitioner's children's home by Spallina these acts may be further evidence of ongoing RICO activity to further harm Petitioner, as is also being alleged as well in the Motion to Rehear in the US District Court case.

389. That these conspiratorial efforts alleged in this Petition act as possible further evidence of new alleged Criminal RICO activity through further Abuses of Legal Process in the Estates and more and appear to be an attempt to steal the estate assets of Simon and Shirley and deprive Petitioner of his inheritance entirely and leave him and his children homeless and broke in approximately the next 90 days or so.

## **XVI. THE ADVANCED INHERITANCE AGREEMENT ("AIA")**

390. That the AIA was set up to fund the costs of living of Petitioner's family by Simon and Shirley and had been funded consistently since August 2007, providing USD 100,000.00 annually. That each month health insurance and other home and living expenses of Petitioner's family were paid to various vendors by Walker and in 2008, approximately

USD \$4,000.00 was deducted to pay back the loan on the home and the remainder was given to Petitioner.

391. That the AIA was set up to provide for these expenses but also as compensation for monies Petitioner lost when his sister Pamela took over the family businesses that he had worked in for approximately twenty years and began a long campaign of failing to pay commissions, over-rides to Petitioner and failure to honor a contract that also included a ¼% point lifetime commission on all premiums financed by any agent for the companies.
392. That the ¼% point was in exchange for Petitioner's not getting stock in the companies he helped build when Simon was selling the businesses to Pamela and so it was contracted. Petitioner was getting a continuing and life override on new business for his contributions to the business, a deal which was accepted by both parties but never honored when Pamela took control of the businesses.
393. That after several years with Pamela in charge of the family businesses, Petitioner after not getting paid according to contract, sent notice to Pamela and her husband David B. Simon, Esq. that he would notify clients and carriers of the approximately six million dollars owed of unpaid commissions that they refused to pay.
394. That to stop such contact with the carriers and the clients, STP Enterprises and David B. Simon sued Petitioner in the Circuit Court of the Fifteenth Judicial Circuit of Florida, in and for Palm Beach County, FL., Case # 50 2004A002166XXXXMB on February 22, 2004 for Injunctive Relief, Declaratory Relief and Damages.
395. That Petitioner filed a Counter Complaint in Case # 50 2004A002166XXXXMB on March 18, 2004 for Breach of Contract, Tortuous Interference in Business Relationships, Defamation, Civil Conspiracy, Injunctive Relief and Specific Relief. That similar to Stansbury's claims that Theodore was cashing checks made out directly to him, the counter complaint alleged that Pamela was converting checks of Petitioner's for renewal commissions and signing them into her accounts, a practice still believed to be ongoing as Petitioner has never received any renewals on his clients per the contracts and where the checks are sent to Pamela.
396. That the judge in the matter had reviewed the contracts and evidences presented by Petitioner and noticed the Counter Defendants in court that they should settle with Petitioner as it was clear that monies were owed from his review of the counter complaint and that he would not be dismissing the case prior to trial.
397. That Simon then got involved, as he had previously stayed on the sidelines in the matter, other than advising Petitioner to Counter Sue his sister and brother-in-law yet suddenly asked Petitioner to give up his counter complaint and that he would set aside the monies owed to him for the commissions and ¼% in his inheritance. Simon's motivation to end the suit was that the whole suit was causing Shirley and him emotional pain and she was medically very ill at that time and so Petitioner abandoned his claims and accepted Simon's promise and honored his wish and walked away from the claims and the millions

of dollars owed. Petitioner at about that time was already working on establishing the Iviewit companies and raised millions of dollars and walked away professionally and personally from Pamela and David since that time. Petitioner believes that this lawsuit may also have been part of the cause of the parting of ways for Simon and Shirley with Pamela and David, as many problems arose in business relations when Pamela and David took over and many of Simon's agents friends ceased working with them and were also upset with Simon over similar allegations of commissions being withheld and not paid.

398. That Petitioner had since the agreement abandoned working in the companies he helped build and was the largest nationwide sales agent with Billionaire clients to boot<sup>31</sup> and began working in various other occupations as he could no longer stand to work with Pamela and David.
399. That Spallina, immediately after Simon's death had Walker continue the funding of the AIA to Petitioner's family monthly from bank accounts at Legacy Bank of Florida but then stated that until the monies in the Estates transferred to the grandchildren's trusts, that Petitioner should use monies from their already partially funded trust accounts to pay these expenses and directed Janet Craig of Oppenheimer to arrange these payments for living expenses.
400. That Petitioner's family living expenses since that time have been paid by depleting the children's school trust accounts Petitioner then learned, which now have very little in them left for school, not even another semester and where Petitioner did not know Spallina had started to deplete school trusts for the payment through Oppenheimer, as Spallina directed Petitioner to send Craig the Legacy account checks that Walker had recently given Petitioner on Spallina's direction. Spallina told Walker to have Candice write checks from this Legacy Bank of Florida account and again Petitioner found it strange that Spallina would direct Candice to write checks out of a corporate account that she had never had any signatory power or knowledge of.
401. That Petitioner would not allow Candice to write any checks until Legacy bank could verify and authorize such and Petitioner and Walker contracted Legacy to find out that not only had they never been notified of Simon's death but that Walker was not on the account in any way and in no way was authorized to have been writing checks from the account. That further Petitioner and Candice were not on the account and finally, that since Simon was dead they were closing the accounts.
402. That Spallina was notified and Petitioner was told to send the Legacy account checks and information to Craig and she would now handle the payments. At no time did he tell us he was switching accounts to the children's school trust funds.

<sup>31</sup> 1995 Eliot Bernstein Insurance Client Listing  
<http://www.iviewit.tv/inventor/clientlisting.htm>

403. That Spallina has recently sent notice that Petitioner and his wife would have to now report these funds as income, which he had never advised Petitioner of when making these arrangements.
404. That according to Simon, Spallina had instructions as how to keep the monthly amounts flowing to Petitioner and his family when he passed and stated there would be plenty of money to cover the expenses from the grandchildren's inheritance from the interests on the monies alone and that as Trustees of the children's trusts, Petitioner would be able to take out each month's expenses and Simon intended no interruption in these expenses being paid. Yet, according to Spallina he has not even set up the grandchildren's trusts under Simon's alleged 2012 Amended Trust and now claims there is no money left in the Estates to put in them.

## **XVII. ALLEGED MURDER OF SIMON BERNSTEIN**

405. That this Court should note that despite allegations of Murder made by Petitioner's siblings and Walker and their request for Autopsy and a Sheriff's department investigation into alleged murder, that instead of Personal Representatives and others taking actions to preserve evidence and properly secure estate items, the Court will instead find the actions described herein to be quite the opposite of what should have happened in preserving evidences, protecting the estate assets and investigating accusations of murder.
406. That the first thing that makes no sense in the accusations by Petitioner's siblings of murder by Puccio is that Puccio appeared to have no beneficial interest in the Estates of Simon and Shirley and thus no known motive or benefit for murder.
407. That later, after the Sheriff had left, Walker told Petitioner and Candice that in the Estates documents she removed from the home there was a check and an agreement Simon had executed for Puccio, that inured an estimated \$100,000.00 to Puccio if Simon were to die, which Walker then removed both documents from the Estates and transferred them to Theodore the night of Simon's death, who then allegedly transferred them to Spallina a few weeks later, as already discussed herein.
408. That when the Sheriff came on September 13, 2012, despite Walker knowing of this document and Theodore knowingly in possession of the document, neither one of them mentions this document to the Sheriff's or turns it over as evidence of a possible motive that Puccio murdered Simon.
409. That on information and belief, Theodore turned the documents over to Spallina and despite Petitioner asking for an accounting of these documents for the Beneficiaries from Spallina, instead TS, Spallina and Theodore have secreted them from the Beneficiaries and Interested Parties and the Sheriff.

410. That to Petitioner's knowledge the documents were never turned over to the Sheriff by TS, Theodore, Spallina or Walker, in effect Obstruction and Suppression of document that would appear material to any murder investigation as the damaging potential motive for Puccio to have murdered Simon.
411. That it should be noted that the documents were signed, according to Walker, on or about the time that Puccio had given Simon the Ambien days before his death when Puccio called Petitioner and Candice to come over to Simon's home as Simon was hallucinating and talking to his deceased mother and she feared he might be dying from the Ambien she gave him, as it was not a prescribed medicine by his physicians. The Puccio documents were being claimed later by Walker and Theodore to be the reason she might have murdered Simon, yet strangely neither had mentioned this to the Sheriff's.
412. That TS, Spallina, Tescher and Theodore, instead of turning this document over to the Sheriff as evidence and to prove a possible motive by Puccio, disregarded turning this vital evidence over to investigators or even mentioning it.
413. That instead of giving the documents to investigators, Spallina met with Puccio and her counsel denying her claim and telling her she would get nothing, opposite of Simon's desires and allegedly threatening her that she was a suspect in a murder investigation and should go away or else, further frightening Puccio who has since apparently abandoned her claim against the estate. NO INFORMATION REGARDING THIS CLAIM AGAINST THE ESTATE HAS BEEN SENT BY TS, SPALLINA AND TESCHER TO THE BENEFICIARIES.
414. That on information and belief, Puccio retained counsel that contacted Spallina but after hearing they were accusing her of murder she decided to drop her claim in fear of retaliation.
415. That this Court should notify the appropriate authorities of the alleged murder of Simon and the new exhibited Prima Facie evidence of alleged criminal activity in and upon this Court, as certain elements of the alleged crimes of fraud, forgery, obstruction, tampering with evidence and more now show absolute cause for further investigation of potential "foul play" in the Estates and may establish further suspects and motives than originally reported to the Sheriff and Coroner for murder.
416. That any murder investigation of Simon should include the lviewit companies as a possible motive as it remains the largest potential asset in the Estates and certainly for the dollar amounts estimated upon licensing there are Trillions of motives.
417. That an inquest should be conducted into the deaths of both Simon and Shirley due to the circumstances described herein.

**XVIII. LACK OF DUTY AND CARE BY PERSONAL REPRESENTATIVES, TRUSTEES AND ESTATE COUNSEL, CONSTITUTING BREACHES OF FIDUCIARY DUTIES AND MORE**

418. That Petitioner does not know what legal language was changed from the 2008 Simon Trust that Simon and Shirley completed together, to the new near deathbed alleged 2012 Amended Trust Simon allegedly signed weeks before his death in a confused state of mind, as TS, Tescher and Spallina, despite repeated written and oral requests, have refused to turn over the Original 2008 Simon Trust to Petitioner or Tripp Scott, along with other relevant documents, evidencing a lack of duty and care to the Beneficiaries and breach of fiduciary responsibilities and more.
419. That Theodore acting in a capacity designated by TS as a Successor Trustee/Personal Representative under Shirley's 2008 Trust, removed from the home valuables, including jewelry of Simon and Shirley's that were in a locked safe in his home with all paperwork and items in the safe, in violation of his fiduciary duties and failing to provide proper notice for items removed.
420. That Theodore, after contracting to have the safe opened by a locksmith was to turn the contents of the safe and other documents contained therein over to Spallina immediately for accounting and inventory to the Beneficiaries of the items but at this time there has been no accounting by TS or Theodore to the Beneficiaries of these items removed by Theodore or any indication of who is now in possession of these items, evidencing a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.
421. That Petitioner has learned recently that there is now a dispute between certain siblings and Theodore as to what was removed and the value of the items as no inventories have been provided since the time of removal by TS or Theodore, evidencing a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.
422. That upon meeting with Tescher and Spallina after Simon's death to discuss the Estates, Petitioner again asked for all the documents, accountings and inventories for the Estates and Spallina again agreed to send them but again never sent any of them to Petitioner, evidencing a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.
423. That the documents and other items removed from the Estates after Simon's death by Walker have never been accounted for or inventoried and Petitioner is unsure of who is now in possession of these items, evidencing a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.
424. That the personal effects of Shirley's removed from the home by Petitioner's sisters have not been accounted for or inventories sent to the Beneficiaries and Petitioner does not know who is currently in possession of these items, evidencing a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.

425. That for several months after Simon's death Spallina told Petitioner repeatedly that he would get the Estates documents to him and the other Beneficiaries and Trustees but then in a family call with Spallina he claimed suddenly and angrily in an "about face" that Petitioner was not entitled to any documents, as Petitioner was not a Beneficiary of either parent's estate and therefore had no rights to them. Spallina directed Petitioner to obtain what was in the public record at this Court instead. That Spallina misinforming Petitioner that he was not entitled to any documentation of the Estates, even as Trustee and Guardian for his children who under the alleged 2012 Amended Trust are Beneficiaries, evidences a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.
426. That the IIT designating Beneficiaries of a life insurance policy and the insurance policy underlying it are now missing according to TS, Spallina, Theodore and Pamela who have claimed to have looked for these missing items and after several attempts to get any of the insurance documents, Petitioner was instead met with hostility from Spallina, as evidenced in the correspondences already exhibited herein. These missing documents evidence a lack of duty and care for the Beneficiaries and a breach of fiduciary responsibilities and more.

#### **XIX. CONFLICTS OF INTEREST BY PERSONAL REPRESENTATIVES, ESTATE COUNSEL AND TRUSTEES DISCOVERED**

427. That Tescher, Spallina and Theodore at no time informed the Beneficiaries or the Trustees that they are directors and all sit on a board together of Theodore's foundation, The Ted and Deborah Bernstein Foundation.
428. That Tescher, Spallina and Theodore at no time informed the Beneficiaries or the Trustees that they were part of a company AYA together, causing conflict.
429. That upon information and belief, Petitioner has learned that TS, Tescher and Spallina have been conducting business with Theodore for several years, each referring business to each other and making splits on referrals, splitting either legal client fees sent to TS by Theodore or Insurance Commissions from clients referred to Theodore by TS for insurance sales. These conflicts of interest were also never disclosed to the Beneficiaries and Interested Parties.
430. That TS appointing Theodore as a Personal Representative or Successor Trustee and assigning him roles in both Estates appears invalid and conflicted. Theodore also has never been approved or filed for any such authority to act in any capacity with this Court or taken oath. That Theodore acting in this capacity is wholly contrary to the wishes, desires and terms under the Wills and Trusts of Simon.
431. That despite Theodore's total lack of beneficial interest in the Estates, the anointment of him by TS in such capacity appears to be conflicted in light of their other undisclosed

conflicts, which may have been the reason for TS choosing Theodore in these capacities. This opportunity given to Theodore allows for self-dealing in conflict with the Estates and Beneficiaries, including his own children, as evidenced in the proposed SAMR scheme, the Stansbury Lawsuit and more.

432. That as of this date TS, Tescher, Spallina and Theodore, have failed to disclose their business relations together to the Beneficiaries or the Trustees.
433. That it appears that Spallina was a very good friend and very close business associate of Theodore and despite knowing that Simon had wanted Theodore to have no involvement in the administration of the Estates and inheritances of others he instead gives him total and absolute control and works together with him against the interest of Petitioner, Jill and Lisa.
434. That since acting as Personal Representative Spallina has gone wholly against the desires and wishes of Simon and Shirley in a multiplicity of ways. Since Simon's passing both Spallina and Theodore have acted to hurt those Simon and Shirley loved and adorned, including but not limited to, Puccio, Walker, Banks, S. Banks, Petitioner's family, Lisa and Jill and their children and others. That Spallina acting mostly with Theodore have acted together to,
- i. threaten and throw out on the street Simon's companion and girlfriend Puccio on the night Simon passed, deny her access to personal effects for some time until she contacted the PD, threaten her with a murder investigation if she did not abandon her claim against the Estates and scared her from attending the funeral and more,
  - ii. shut down business ventures with S. Banks and Telenet destroying Simon's close personal friends and leaving them saddled with large debts incurred,
  - iii. fired and gave no benefits to Simon's long time personal business secretary Banks leaving her unemployed overnight,
  - iv. fired and gave no benefits to Walker, Shirley's and then Simon's personal assistant leaving her unemployed overnight,
  - v. have shut down Beneficiaries of virtually all documents necessary to evaluate their claims, denied them to any rights of their, inheritances and treated Beneficiaries unfairly and unjustly through a pattern and practice of lies and deceit and alleged criminal acts.
435. That it appears that TS, Tescher and Spallina have been working exclusively with Theodore, Pamela and David and sharing information and documents with them to make all kinds of decisions and craft new documents converting monies to themselves outside the Estates and rightful Beneficiaries and all the while denying Lisa, Jill, Petitioner and Petitioner's counsel even the basic necessary documents, inventories, etc. to assess their interests for themselves and as Trustees of the Beneficiaries, all contrary, and in fact, wholly opposite of the intents and desires of Simon and Shirley and their contractual

Estates Plans. Where it appears further, through Forgery and Fraud that Spallina is working in adverse interests to the Beneficiaries with bad intent that compel him to create a Fraud on this Court through alleged Felonious acts utilizing Fraudulent documents and all it appears to the benefit of mainly Theodore, who was cut out of the Estates.

436. That Petitioner again begs the Court take pause and understand that under the circumstances expressed herein everybody's lives changed when these inventions were discovered, then again when these crimes were discovered and exposed and then again when a Car Bomb went off and now when they have learned they are "targets" having their lives and privacy wholly violated with no protections and well, Petitioner casts no stones in judging anyone without fully understanding these unique situations. For example, it may appear that Theodore or Pamela are the cause of certain activities alleged herein and they may in fact be but the question is what has motivated them, are there guns to their heads or to their children's heads, have they been threatened or extorted or bribed for misdeeds and then ask what you and your family would do under similar circumstances. Then, finally, look at who has caused these stressors on so many innocent lives, the RICO defendants again and again, where yes, it may at first glance appear that Simon and Shirley had messed up children or family dysfunction and they are doing things one cannot believe at first as described herein but when you add the factors described herein to any family you begin to understand that each person is scared for both their life and their families lives and these are very real events and thus may be motivation for many of the actions described herein. Again, what would you do if someone had a proverbial gun, or car bomb, to your grandchildren's head?

## **XX. ARGUMENTS**

### **5. Removal of Personal Representative**

#### **i. Relevant law**

733.504 Removal of personal representative; causes for removal.—A personal representative may be removed and the letters revoked for any of the following causes, and the removal shall be in addition to any penalties prescribed by law:

- (1) Adjudication that the personal representative is incapacitated.
- (2) Physical or mental incapacity rendering the personal representative incapable of the discharge of his or her duties.
- (3) Failure to comply with any order of the court, unless the order has been superseded on appeal.

- (4) Failure to account for the sale of property or to produce and exhibit the assets of the Estates when so required.
- (5) Wasting or maladministration of the Estates.
- (6) Failure to give bond or security for any purpose.
- (7) Conviction of a felony.
- (8) Insolvency of, or the appointment of a receiver or liquidator for, any corporate personal representative.
- (9) Holding or acquiring conflicting or adverse interests against the Estates that will or may interfere with the administration of the Estates as a whole. This cause of removal shall not apply to the surviving spouse because of the exercise of the right to the elective share, family allowance, or exemptions, as provided elsewhere in this code.
- (10) Revocation of the probate of the decedent's will that authorized or designated the appointment of the personal representative.
- (11) Removal of domicile from Florida, if domicile was a requirement of initial appointment.
- (12) The personal representative would not now be entitled to appointment.

Fla. Stat. ch. 733.504 authorizes the removal of a personal representative and trustee of an estate if sufficient grounds for removal are shown. *In re Estate of Moe Senz*, 417 So. 2d 325, Fla. App. LEXIS 21159 (Fla. Dist. Ct. App. 1982). In the case of *In re Estate of Moe Senz*, the Florida Court of Appeals for fourth district reversed the judgment of lower court stating that holding that there was sufficient evidence of numerous instances of mismanagement of the estate by appellees nephew and lawyer, which justified granting appellant widow and beneficiaries's petition for removal as personal representatives and trustees and the matter was remanded with directions to grant appellants' petition for removal of representative.

According to [Fla. Stat. ch. 733.504\(9\)](#), a personal representative may be removed for holding or acquiring conflicting or adverse interests against the estate which will adversely interfere with the administration of the estate as a whole. *In re Estate of Bell*, 573 So. 2d 57, 59, Fla. App. LEXIS 9651(Fla. Dist. Ct. App. 1990).

## ii. Discussion

In this case there is clear mismanagement by Personal Representatives and they are also holding conflicting/ adverse interests against the Estates. Hence they should be removed. Moreover they have also failed to produce or exhibit assets when required to do so and submitted forged and fraudulent documents to this Court and others.

### 6. Personal Representatives are liable for damages and loss to Petitioner:

## i. Relevant law

733.609 Improper exercise of power; breach of fiduciary duty.—

(1) A personal representative's fiduciary duty is the same as the fiduciary duty of a trustee of an express trust, and a personal representative is liable to interested persons for damage or loss resulting from the breach of this duty. In all actions for breach of fiduciary duty or challenging the exercise of or failure to exercise a personal representative's powers, the court shall award taxable costs as in chancery actions, including attorney's fees.

(2) When awarding taxable costs, including attorney's fees, under this section, the court in its discretion may direct payment from a party's interest, if any, in the Estates or enter a judgment which may be satisfied from other property of the party, or both.

(3) This section shall apply to all proceedings commenced hereunder after the effective date, without regard to the date of the decedent's death.

If the exercise of power concerning the estate is improper or in bad faith, the personal representative is liable to interested persons for damage or loss resulting from a breach of his fiduciary duty to the same extent as a trustee of an express trust. In all actions challenging the proper exercise of a personal representative's powers, the court shall award taxable costs as in chancery actions, including attorney's fees. [Fla. Stat. ch. 733.609](#)(1993). *Landon v. Isler*, 681 So. 2d 755, \*756, Fla. App. LEXIS 9138 (Fla. Dist. Ct. App. 1996)

If the personal representative breaches his fiduciary duty, he may be liable to the interested persons for damage or loss resulting from that breach. *McDonald v. Mauriello (In re Estate of Wejanowski)*, 920 So. 2d 190, \*191, Fla. App. LEXIS 1804 (Fla. Dist. Ct. App. 2006).

Under Florida law, an estate's personal representative has the same fiduciary duty as a trustee of an express trust. See [Fla. Stat. § 733.609\(1\)](#). That standard is one of reasonable care and caution. See [Fla. Stat. § 518.11\(1\)\(a\)](#) (referenced by [Fla. Stat. § 737.302](#)); see also [State v. Lahurd](#), 632 So. 2d 1101, 1104 (Fla. Dist. Ct. App. 1994); [Estate of Rosenthal](#), 189 So. 2d 507, 508 (Fla. Dist. Ct. App. 1966).

## ii. Discussion

In this case the Personal Representatives have breached their fiduciary duty by exercising their power concerning the Estates in improper manner and in bad faith. Hence, they are liable to interested persons for damage or loss resulting from a Breach of his Fiduciary Duty and the Court has to award taxable costs including attorney's fees and other costs.

**7. Will of Simon is void as it was procured by fraud, duress and undue influence. The portion of the Amended Trust procured by fraud is void. The Estate of Shirley was improperly closed due to forgery and fraud in the Waivers.**

**i. Relevant law**

**732.5165 Effect of fraud, duress, mistake, and undue influence.**—A will is void if the execution is procured by fraud, duress, mistake, or undue influence. Any part of the will is void if so procured, but the remainder of the will not so procured shall be valid if it is not invalid for other reasons. If the revocation of a will, or any part thereof, is procured by fraud, duress, mistake, or undue influence, such revocation is void.

Fla. Stat. ch. 732.5165 (1995) provides that a will is void if the execution is procured by fraud, duress, mistake, or undue influence. Any part of the will is void if so procured, but the remainder of the will not so procured shall be valid if it is not invalid for other reasons. *Am. Red Cross v. Estate of Haynsworth*, 708 So. 2d 602, Fla. App. LEXIS 1361(Fla. Dist. Ct. App. 1998). In the case of *Id.*, *Am. Red Cross v. Estate of Haynsworth* the court held that the order admitting the later written will into probate should be vacated and the earlier written will should be admitted. Niece, as proponent for the later written will, failed to meet her burden of establishing, by competent and substantive evidence, that decedent was competent at the time he executed the later written will.

In order to constitute a sound disposing mind, a testator must not only be able to understand that he is by his will giving the whole of his property to one object of his regard, but that he must also have capacity to comprehend the extent of his property. *Id.*, *Am. Red Cross v. Estate of Haynsworth*.

In *id Am. Red Cross v. Estate of Haynsworth* a personal representative was beneficiary, had confidential relationship with testator, and failed to prove she was not active in procuring will, she did not show that presumption of undue influence had not arisen. Therefore, contestant's petition to revoke probate under [§ 732.5165, Fla. Stat.](#), should not have been dismissed on summary judgment.

A will--or a portion thereof--procured by undue influence is void. § 732.5165, Fla. Stat. (2005). Undue influence comprehends overpersuasion, coercion, or force that destroys or hampers the free agency and will power of the testator. *RBC Ministries v. Tompkins*, 974 So. 2d 569, \*571, Fla. App. LEXIS 2029 (Fla. Dist. Ct. App. 2008). If a substantial beneficiary under a will occupies a confidential relationship with the testator and is active in procuring the contested will, the presumption of undue influence arises. The Florida Supreme Court has provided the following nonexclusive list of criteria which are relevant to determining whether a beneficiary has been active in procuring a will: (a) presence of the beneficiary at the execution of the will; (b) presence of the beneficiary on those occasions when the testator expressed a desire to make a will; (c) recommendation by the beneficiary of an attorney to draw the will; (d) knowledge of the contents of the will by the beneficiary prior to execution; (e) giving of instructions on preparation of the will by the beneficiary to the attorney drawing the will; (f) securing of witnesses to the will by the beneficiary; and (g) safekeeping of the will by the beneficiary subsequent to execution. Will contestants are not required to prove all the listed criteria to show active procurement. Indeed, it will be the rare case in which all the criteria will be present. *Id RBC Ministries v. Tompkins*,

The rebuttable presumption of undue influence implements public policy against abuse of fiduciary or confidential relationships and is therefore a presumption shifting the burden of proof. [§ 733.107\(2\), Fla. Stat.](#) (2005). Such a presumption affecting the burden of proof--as distinct from a presumption affecting the burden of producing evidence--imposes upon the party against whom it operates the burden of proof concerning the nonexistence of the presumed fact. [§ 90.302\(2\), Fla. Stat.](#) (2005). Accordingly, once a will contestant establishes the existence of the basis for the rebuttable presumption of undue influence, the burden of proof shifts to the proponent of the will to establish by a preponderance of the evidence the nonexistence of undue influence. *Id RBC Ministries v. Tompkins*

Once the presumption of undue influence arises, the issue cannot be determined in a summary judgment proceeding. A summary judgment cannot be entered in favor of one who has the burden of overcoming the presumption of undue influence for such proceeding does not afford the contesting party the right of cross-examination and an opportunity to present rebuttal testimony. Instead, the proponent of the contested will must come forward with a reasonable explanation of his active role in the decedent's affairs, and the trial court is left to decide the case in accordance with the greater weight of the evidence. *Id RBC Ministries v. Tompkins*

## ii. Discussion

In this case the near deathbed Will and alleged 2012 Amended Trust by Simon has been procured by fraud, duress and undue influence. Obtained when Simon was in bad health and heavily medicated and was not competent to execute the Will or Trusts. Hence they are void. No evidence has been produced to show that alleged 2012 Amended Trust was procured without undue influence. Hence it cannot be accepted. The portion of trust that was obtained by fraud is void. In this case Theodore who is not the beneficiary under a will for reason that place him with adverse interests to the Beneficiaries is active in procuring the contested will, the presumption of undue influence arises and the burden of proof shifts to him to establish by a preponderance of the evidence the nonexistence of undue influence. In absence of such evidence the Will and Trust executed by Simon is void.

**8. To construe this Pro Se motion liberally:**

**i. Relevant Law:**

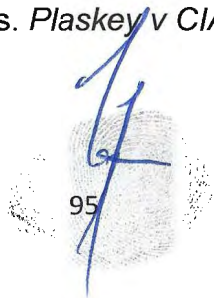

Judiciary Act of September 24, 1789, Section 342, FIRST CONGRESS, Sess. 1, ch.20, 1789 states that:

“Pleadings of the Plaintiff SHALL NOT BE dismissed for lack of form or failure of process. All the pleadings are as any reasonable man/woman would understand, and:

“And be it further enacted. That no summons, writ, declaration, return, process, judgment, or other proceedings in civil cases in any of the courts or the United States, shall be abated, arrested, quashed or reversed, for any defect or want of form, but the said courts respectively shall proceed and give judgment according as the right of the cause and matter in law shall appear unto them, without regarding any imperfections, defects or want of form in such writ, declaration, or other pleading, returns process, judgment, or course of proceeding whatsoever, except those only in cases of demurrer, which the party demurring shall specially sit down and express together with his demurrer as the cause thereof. And the said courts respectively shall and may, by virtue of this act, from time to time, amend all and every such imperfections, defects and wants of form, other than those only which the party demurring shall express as aforesaid, and may at any, time, permit either of the parties to amend any defect in the process of pleadings upon such conditions as the said courts respectively shall in their discretion, and by their rules prescribe (a)”

Court errs if court dismisses pro se litigant without instructions of how pleadings are deficient and how to repair pleadings. *Plaskey v CIA*, 953 F .2nd 25

95

It is settled law that the allegations of such a complaint, "however inartfully pleaded" are held "to less stringent standards than formal pleadings drafted by lawyers, see *Haines v. Kerner*, 404 U.S. 519, 520 (1972). See also *Maclin v. Paulson*, 627 F.2d 83, 86 (CA7 1980); *French v. Heyne*, 547 F.2d 994, 996 (CA7 1976); *Estelle v. Gamble*, 429 U.S.97, 106 (1976). Such a complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief. *Haines*, supra, at 520-521. And, of course, the allegations of the complaint are generally taken as true for purposes of a motion to dismiss. *Cruz v. Beto*, 405 U.S. 319, 322 (1972).

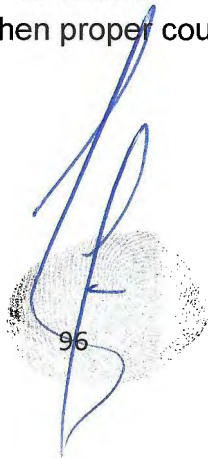

Recognizing that transsubstantive pleading standards do not sufficiently account for the capability differential between represented and unrepresented litigants, the Supreme Court fashioned a rule of special solicitude for pro se pleadings. See Robert Bacharach & Lyn Entzeroth, *Judicial Advocacy in Pro Se Litigation: A Return to Neutrality*, 42 IND. L.REV. 19, 22-26 (2009)

The Court granted such leniency, or "liberal construction," to pro se pleadings against the backdrop of *Conley v. Gibson*'s undemanding "no set of facts" standard. See *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957) "[A] complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.", abrogated by *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 561-63 (2007). This standard epitomized the notice-pleading regime envisioned by the drafters of the Federal Rules, who emphasized discovery as the stage at which a claim's true merit would come to light, rather than pleading. See *Christopher M. Fairman*, *The Myth of Notice Pleading*, 45 ARIZ. L. REV. 987, 990 (2003).

**ii. Discussion:**

In this action, the Petitioner appears Pro se. Hence, this motion should be construed liberally. It should not be dismissed for failure to state a claim. It should be decided on true merit, rather than pleading. Pro se Petitioner is afraid for the life of his family and his extended families lives based on the evidences herein exhibited, hurried due to sales of assets without notices, etc. and files this unable to retain personal counsel timely and seeks leave to amend this Petition when proper counsel can be obtained.

**XXI. CONCLUSION**

96

For the reasons set forth in detail herein, Petitioner respectfully requests that this Court, in the interest of Justice to remove the Personal Representatives, to direct Personal Representatives pay for damages and loss to Petitioner, to declare Will of Simon void as it was procured by fraud, duress and undue influence and also the portion of amended trust procured by fraud as void, to construe this motion and pleading of Petitioner liberally as being filed Pro Se and to grant reliefs claimed below and such other reliefs as this Court deems fit.

## **XXII. PRAYER FOR RELIEF**

### **WHEREFORE,**

Petitioner respectfully requests that this Court:

1. Determine who should pay legal and other related costs for Petitioner and Petitioner's children. That the lack of duty and care to the Beneficiaries and the procuring of Forged and Felonious documentation to this Court by TS, Spallina and Tescher, now demand legal counsel be retained by the Beneficiaries to evaluate these problems that are wholly caused by violations of Fiduciary Responsibilities and Law. That Tripp Scott's bill thus far for Petitioner's children, Exhibit 31 – Tripp Scott Bill is already approximately USD \$10,000.00 and most of this expense has been trying to get TS to turn over the documents to beneficiaries and examine the effects of TS's document forgeries, etc. on the beneficiaries.
2. Determine who should pay for Petitioner's personal representation, where initially he was claimed not to be a Beneficiary by TS and Spallina under the Estates. That this counsel is necessary in part in order to analyze the new proposed Beneficial interests under the SAMR that conflict Petitioner with his children. That a whopping retainer of USD \$25,000.00 has been asked by one Attorney at Law contacted to handle Simon's estate and another USD \$25,000.00 for Shirley's due the complexities already caused by TS's failures and more, see Exhibit 32 – Legal Service Retainer Letter. Over a dozen other law firms and Attorneys at Law have refused to take the case in entirety, possibly for reasons already discussed herein relating to the Ivewit and Anderson federal lawsuits and the blocks on Petitioner's right to due process and coordinated efforts to preclude him from obtaining counsel by those in charge of Disciplinary Regulation in the states of Florida, New York and Virginia, as now new evidence further confirms.
3. Determine emergency distributions to Beneficiaries and Petitioner for support as NO distributions of the Estates has been made and Petitioner believes that TS has purposely and with scienter caused these hardships on Petitioner for purposes already described herein.

97

4. Determine why monies from Petitioner's children's education trust funds are being depleted by TS, where monies to provide for Petitioner's family were provided for in the trusts of the grandchildren of Simon and Shirley upon their deaths to be used instead and determine if those monies should be paid back to those trusts. That TS has forced the children to expend their school fund trust accounts to maintain the costs of the home they live in and purchased and other expenses of Petitioner and his family that were being paid for through other means prior to Simon's death through a non-trust account at Legacy Bank of Florida. That Simon was paying for the home bills of the Petitioner and Candice Children's home through funding the AIA, already established trusts and other means and TS has failed to establish even the trusts that were to be created under the alleged 2012 Amended Trust in the Estates that were to be funded by estate assets in order to continue these ongoing costs of living for Petitioner's family without disruption, as was the intent of Simon and Shirley. That TS advised Craig at Oppenheimer to take funds from the children's school trusts, which Petitioner did not know were trust funds set aside for their lower and high school tuitions and use those monies to cover the home expenses Simon and Shirley had been paying for several years out of other accounts. That on April 12, 2013 TS and Spallina advised Petitioner that the monies taken from the trusts since Simon's passing and used for home and school expenses of the children, was taxable to Petitioner.
5. This Court demand that TS turn over paperwork on a gift to Simon's grandson Joshua. Spallina refuses to release a birthday gift, a 2013 Kia paid for in full, given to Petitioner's son Joshua from his grandfather Simon. This gift was transacted to Joshua two weeks before Simon's passing on August 27, 2012 at Joshua's birthday party at Simon's home as he had just got his driver's license. Despite full knowledge of this gift TS refuses to release the paperwork necessary to renew the registration properly in Joshua's name as was intended by Simon and which was being processed by Simon prior to his death. The car has remained in Joshua's possession for seven months unable to be driven due to the inability to properly register the car due to Spallina's lack of care and duty and suppression of the title from the proper owner, Joshua.
6. This Court immediately remove TS, Spallina, Tescher, Theodore, Pamela and David from all fiduciary responsibilities in all capacities until this Court and criminal authorities can assess the forged and fraudulent documents submitted to this Court and other alleged crimes committed by TS that constitute a Fraud on the Court and Fraud on the Beneficiaries, etc. and disqualify those involved instantly from any of the Estates matters.
7. This Court has legal obligations to report the alleged FELONY misconduct evidenced herein of forgery and fraudulent documents to the proper authorities and is also bound under Judicial and Legal Cannons to so report any alleged misconduct by another Attorney at Law to proper criminal authorities and state bar associations.

8. This court removes Theodore from any and all involvement in the handling of the Estates assets and acting in any capacity and demand records regarding any all activities to date. That Theodore does not have standing or a basis in the Estates for the following reasons,
  - i. he has been wholly excluded under the estates of both Simon and Shirley due to gifts during their lifetime and therefore has no beneficial interest in the Estates,
  - ii. he has conflicting interests as Trustee for his children's trusts under the Estates,
  - iii. he now has a possible beneficial interest in the SAMR that conflicts with the Beneficiaries of the Estates,
  - iv. he has a conflicting interest with the Beneficiaries of the Estates involving the outcome of the Stansbury lawsuit as he is the central defendant and has considerable personal risks,
  - v. this Court has not approved Theodore as a Personal Representative, nor has he submitted any papers to the Court to be appointed in this or any role,
  - vi. any appointment by TS of Theodore is conflicted due to, Tescher and Spallina's undisclosed Board position with Theodore's company, their undisclosed ongoing business relationships and such conflicts would not be waived by Petitioner if they had been disclosed.
9. This Court demand a full accounting of the Estates, including all business and personal records, all interests of Simon and Shirley, including any jewelry, art, businesses, etc. that Theodore or anyone is in possession of or has removed from the Estates without proper authority or accounting. That these assets be fully accounted for, frozen and turned over to this Court until new counsel can be appointed to represent the Estates and Beneficiaries.
10. This Court issue an order to have the Estate advance the costs of school and monthly living expenses for Petitioner from assets of the Estate and further grant declaratory judgment that the Balloon Mortgage on the home of Petitioner's children at 2753 NW 34<sup>th</sup> Street, Boca Raton, FL 33434 be rendered unenforceable.
11. This Court may Issue and Order for relief under RULE 5.407. PROCEEDINGS TO DETERMINE FAMILY ALLOWANCE for \$100,000 annually to be divided equally amongst Petitioner and Candice Bernstein based upon the AIA and additional funds for their children that were being provided monthly over several years, after review by this Court of what Simon had been paying in expenses in total for the survival of Petitioner and his family under the set of circumstances described herein regarding the RICO lawsuit, car bombs, etc...
12. This Court is petitioned herein for immediate Interim Judicial Review.
13. This Court halt any sales, pending sales or listings of any of the Estates assets until the true and proper beneficiaries are ascertained and retrieve any items that may have been sold. That Petitioner has been informed that properties are being sold behind his back by Theodore, Pamela and Spallina and without notifying other Beneficiaries properly of the

sales, prices, etc. and where Petitioner expressly noted Spallina to not take any actions without notice to Petitioner and Petitioner's children's counsel Tripp Scott.

14. This Court secure all documents prepared by TS, Spallina, Tescher, Proskauer Rose, Foley & Lardner/Hopkins Sutter, Gerald R. Lewin, Goldstein Lewin/ CBIZ MHM, LLC, Pamela, David, David B. Simon Law Firm, Stansbury and Theodore filed in the Estates or any other documents in their possession regarding Simon and Shirley, which all should now be analyzed and verified for further evidence of fraud, forgery and false and deficient notarizations or any other improper markings, etc.
15. This Court secure all records of all notaries to determine possible other fraud in the Estates. That the employers of all notaries' records also be obtained to determine evidence of validity, as these employers are alleged to have employed the notaries and supervised them in the alleged unlawful acts.
16. This Court should demand all Simon and Shirley's insurance records from any carrier in the last 10 years, including but not limited to, insurance trusts, life policies, disability policies, homeowners policies, etc. and demand them sent to this Court, as Tripp Scott and Petitioner have been unable to obtain copies from any of the parties that maintain or maintained these records, after repeated requests.
17. This Court should demand the law firms Proskauer, Foley and GT's records regarding the Estates or any records pertaining to Petitioner, Simon and Shirley, Ivewit and any other party named herein that they have records on concerning the Estates and that these documents be immediately turned over to this Court for analysis of further probable fraud, forgery and more and for furtherance to the proper criminal authorities for investigations.
18. This Court should demand the accounting firm of Goldstein Lewin produce all records regarding the Estates or any records pertaining to Petitioner, Simon, Shirley and Ivewit and any other person or company named herein they have records of and that these documents be immediately turned over to this Court for analysis of further probable fraud, forgery and more.
19. This Court needs to determine if the Estates of Simon and Shirley will remain as they were prior to the deathbed alleged 2012 Amended Trust changes and 2012 Will of Simon both that were executed only weeks before Simon passed away, under extreme duress and major medical health problems affecting his psychological stability and further executed with documents which were not properly signed or completed lawfully and rule whether these new documents, including those already evidenced herein as Fraudulent and Forged, fail. If they fail, this Court must then decide if the Estates revert to the prior established 2008 Trust documents that Simon and Shirley finalized together and that were in place for years before the near deathbed changes or what will happen. These decisions of this Court will now materially affect who the Beneficiaries, Trustees, Personal Representatives, etc. actually are and what interests they have and without such rulings these Estates cannot be further adjudicated properly and have put several of the Beneficiaries lives into crisis.

20. Petitioner seeks leave to Amend this Pro Se Petition once it can be determined by this Court the effect of these alleged crimes and who therefore should pay these legal and other costs now involved to address the issues of alleged Fraud on the Court, Fraud in the estates of both Simon and Shirley, Forgery, Failure of Fiduciary responsibilities by Personal Representatives to allegedly commit felony criminal acts and if Criminal Prosecutors will simultaneously be forged into the proceedings by an order of this Court.
21. This Petition was filed under tremendous stress and while Petitioner is undergoing a several year Facial Reconstruction requiring medications, in order to notify this Court instantly of the alleged crimes discovered and how they may relate to the alleged murder of Simon and perhaps Shirley and to cease alleged crimes taking place real time and have this Court take instant actions to cease the alleged unlawful activities ongoing and notify all proper criminal authorities of the Fraud on this Court, Forgery, Fraud, Theft, Alleged Murder and more.
22. This Court rule to reimburse ALL costs incurred by any Interested Party or Beneficiary or Trustee, etc., after the Court rules on just who the exact beneficiaries are to be. As resolving these legal problems that are due to violations of fiduciary duties in handling the Estates and alleged Fraud and Forgery and more should neither be burdened to the Estates, the Beneficiaries, Interested Parties or Trustees and instead should be demanded by this Court to be paid entirely by TS, Tescher, Spallina and Theodore and any others this Court deems culpable.
23. That this Court should have those responsible for these document defects and crimes put up bonds or any other relief this Court may find applicable to cover these resulting costs in advance and to secure that these monies are covered for future anticipated costs of correcting all deficiencies and losses of any sort caused by their unlawful actions by all responsible parties.
24. Under RULE 5.160. PRODUCTION OF ASSETS due to the alleged unlawful activity alleged and evidenced herein, the Court should require all Personal Representative, including Theodore Bernstein who is acting as a Personal Representative and Successor Trustee without Court approval, produce satisfactory evidence that the assets of the Estates are in the possession or under the control of the Personal Representatives and Successor Trustee and order production of the assets in the manner and for the purposes directed by the Court.
25. Under RULE 5.230. COMMISSION TO PROVE WILL, due to the problems with the Will of Simon Bernstein evidenced herein and the inclusion of the Will Exhibit with no reference thereunder, Petitioner petitions the Court to appoint a commissioner to take the oath of any person qualified to prove the wills of Simon and Shirley under Florida law.
26. Under RULE 5.235. ISSUANCE OF LETTERS, BOND, due to the problems with the documentation in the Estates and unlawful activities alleged and evidenced herein, Petitioner requests the Court consider requiring the Personal Representatives to give bond to require additional surety great enough to cover all potential losses to the

Beneficiaries. Losses could be claimed to be approximately \$20,000,000.00 or more by each beneficiary.

27. Under RULE 5.310. DISQUALIFICATION OF PERSONAL REPRESENTATIVE; NOTIFICATION, since Theodore Bernstein, TS, Donald Tescher and Robert Spallina all appear to be acting Personal Representatives who were not qualified to act at the time of appointment and whose appointments were made through Fraudulent and Forged and incomplete documentation submitted to this Court and Petitioner and other, as described herein, Petitioner believes none of them would be qualified for appointment at that time, this time or any time.
28. That Petitioner files and serves herein on all parties this notice describing why these Personal Representatives should be removed due to the alleged unlawful acts and violations of fiduciary responsibilities evidenced herein, which show that Theodore Bernstein, Robert Spallina, Donald Tescher and TS were not qualified at the time of appointment to be Personal Representatives for the Estates. For the reasons already stated herein these Personal Representatives would not be qualified for appointment if application for appointment were again made based on the facts contained herein. That the Court should instantly remove and replace these Personal Representations and grant Petitioner any monetary and injunctive relief this Court deems just.
29. This Court should sanction and report to the appropriate Federal and State Criminal authorities and attorney regulatory agencies all those this Court finds to have acted in concert unlawfully and in violation of, fiduciary responsibilities, attorney conduct codes, public office rules and regulations (TS, Spallina and Tescher as Officers of this Court) and State and Federal law.
30. Under RULE 5.320. OATH OF PERSONAL REPRESENTATIVE, the Court should note that at no time before the granting of letters of administration, did Theodore, one of the "acting" Personal Representatives/Successor Trustee in the Estates, file an oath to faithfully administer the estate of the decedents with this Court or to the Beneficiaries or their Trustees and this Court should take all steps necessary to remedy this failure, including but not limited to making null and void any actions of Theodore as Successor Trustee in Shirley's closed estate, or Personal Representative/Successor Trustee in Simon's estate and any other relief this Court sees fit.
31. Under RULE 5.340. INVENTORY, the Personal Representatives Tescher and Spallina have failed to serve a copy of the inventory and all supplemental and amended inventories to each heir at law, each residuary beneficiary and did not serve a copy to Petitioner who requested it both orally and in writing for the Estates and as Guardian and Trustee for his children and therefore this Court should take appropriate actions for this violation and demand all inventories prepared by TS, Goldstein Lewin/CBIZ MHM, LLC, Theodore or any other party that has made or maintains an inventory of any assets of the Estates, be instantly turned over to this Court. That all inventories submitted to this Court

or any party that may be sealed or marked confidential in any way in the Estates be turned over to Petitioner and Petitioner's children's counsel Tripp Scott.

32. There is an inventory for the personal property of Simon and Shirley that was submitted by Theodore to Pamela, Jill, Lisa and Petitioner, whereby Theodore was acting in an unauthorized capacity as a Personal Representative to be handling the inventory. That this inventory was not verified by the Personal Representatives, Tescher and Spallina that were supposedly designated by Simon in the alleged 2012 Amended Trust and therefore this Court should take appropriate actions for this failure of the Personal Representatives to verify this inventory and discard the inventory by Theodore and have these items re-evaluated by a new firm and new Personal Representative(s).
33. That there is an inventory list and insurance policies for Jewelry and Jewelry that was removed from the Estates by Pamela, Jill and Lisa and these properties and inventories should be immediately secured by this Court from any parties in possession of them and all assets returned to the Court for proper distribution to the proper Beneficiaries.
34. That this Court should consider disregarding all estate planning instruments, trusts, wills, etc. that were prepared after the 2008 Wills and Trusts that Simon and Shirley did together that were long standing estate plans and the Beneficiaries and other Interested Parties of that 2008 plan should remain in force, unless other evidence of Fraud or Forgery or more is found in those documents that necessitate changes.

SALES OF REAL PROPERTY WHERE NO POWER CONFERRED, the Personal Representatives Tescher and Spallina and the unauthorized Personal Representative Theodore have not followed this rule in listing and attempting to sell real property proposed to be sold and where authorization and confirmation of the sale of real or any property is now required as it is unknown if any Trust provisions negating such notice are valid until further review by this Court, as the Personal Representatives have failed to file a verified petition setting forth the reasons for the sales, a description of the real property sold or proposed to be sold, and the price and terms of the sale and may be acting in unauthorized capacities gained through forged and fraudulent documents and self-dealings may be taking place with adverse effect to the Beneficiaries and Interested Parties.

39. Under RULE 5.385. DETERMINATION OF BENEFICIARIES AND SHARES, Petitioner being an interested person remains in doubt and further is unable to determine with certainty the true and proper Beneficiaries entitled to the Estates for the reasons set forth already herein and the shares due any Beneficiaries of the Estates and the Beneficiaries entitled to all assets and interests in the Estates. Therefore, Petitioner petitions this court to determine the true and proper Beneficiaries in the Estates and what documents govern the administration, as it is wholly unclear who the Beneficiaries are to Petitioner and Petitioner's children's counsel until this Court makes determination as to what documents are valid in the Estates and determines who the Beneficiaries are and should be based on the information herein.
40. Under RULE 5.401 OBJECTIONS TO PETITION FOR DISCHARGE OR FINAL ACCOUNTING and based on the new evidence of alleged Forged and Fraudulent documents and violations of Fiduciary Duties by the Personal Representatives of the Estates, Petitioner objects to discharge and final accounting of either Simon or Shirley's estate, without the Court first ruling on this Petition and the effect these allegations and evidence will have on the outcome of the Estates.
41. Under RULE 5.404 NOTICE OF TAKING POSSESSION OF PROTECTED HOMESTEAD, the Personal Representatives failed to File Notice with the Beneficiaries that they were taking possession of what appears reasonably to be protected homesteads that were pending a determination of their homestead status. No notice of this act was given for the properties at 7020 Lions Head Lane, Boca Raton, FL 33496-5931 and 2494 S.   - ii. That in order to protect Petitioner and his family, Simon and Shirley took elaborate legal steps to protect the assets in the Estates that were going to fund Petitioner and his children and where TS, Spallina, Tescher and Theodore through their unlawful actions alleged herein, attempt to defile the intricate planning steps Simon and Shirley took with Spallina to protect Petitioner and his family.

That Spallina connived Petitioner that the monies for the AIA were coming as usual through the Legacy Bank accounts and did not notify Petitioner that he switched the payments to his children's school trust funds.
  - iv. That Simon and Shirley also funded the children's school directly through other established trusts for Petitioner and his children.
  - v. That Simon and Shirley paid for and renovated entirely the home that Petitioner and his family reside in, using funds from Petitioner's children's trust as evidenced already herein and additionally other monies set aside for Petitioner from the sale of a condominium at Townsend Place in Boca Raton several years earlier, whereby Simon and Shirley retained the monies from the sale of Petitioner's condominium when it sold, as Petitioner and his family were forced to flee from the property they owned and abandon it overnight to go into hiding in California and Nevada, as death threats were made upon Petitioner by a one, Brian G. Utley ("Utley"), acting on behalf of Proskauer Rose, Foley and Lardner and others, to force Petitioner not to notify authorities of the crimes discovered that are all defined in Petitioner's RICO and Antitrust action, State, Federal and International Ongoing Criminal Complaints and investigations.

45. That RICO and Antitrust lawsuit case # 1:07-cv-11196-SAS, Bernstein, et al. v Appellate Division First Department Disciplinary Committee, et al., the related Anderson case and the other cases related to Anderson all hereby be incorporated by reference in entirety herein, all pleadings, orders, etc.
46. That Petitioner and Candice and their children are interested persons in the Estates and file petition to have this Court determine family allowance so as to not force hardships, resulting from the misdeeds already described herein and other misdeeds, upon Petitioner and his family.
- i. Decedent has no surviving spouse and the decedent's lineal heirs who were being supported by the decedent and are therefore entitled to be supported by the decedent at the time of his death are,

  - iv. Joshua Ennio Zander Bernstein, grandson DOB 08/27/1997
  - v. Jacob Noah Archie Bernstein, grandson DOB 01/01/1999
  - vi. Daniel Elijsha Abe Ottomo Bernstein, grandson DOB 11/26/2002
  - vii. The allowance is claimed based on the AIA and other allowances paid for by Simon and Shirley for Petitioner and his family for almost a decade prior to their deaths and set up for immediately after their deaths and the amount is to be split equally among Candice and Petitioner and/or their children.
47. Under RULE 5.440. PROCEEDINGS FOR REMOVAL OF PERSONAL REPRESENTATIVE, this Court on its own motion may instantly commence a proceeding to remove the personal representatives. The herein stated claims constitute the facts constituting the grounds upon which removal is sought.

  - a. Compel the trustee to perform the trustee's duties;
  - b. Enjoin the trustee from committing a breach of trust;

- c. Compel the trustee to redress a breach of trust by paying money or restoring property or by other means;
- d. Order a trustee to account;
- e. Appoint a special fiduciary to take possession of the trust property and administer the trust;
- f. Suspend the trustee;
- g. Remove the trustee as provided in s. 736.0706;
- h. Reduce or deny compensation to the trustee and recover all compensation determined to have been fraudulently gained;
- i. Subject to s. 736.1016, void an act of the trustee, impose a lien or a constructive trust on trust property, or trace trust property wrongfully disposed of and recover the property or its proceeds; or
- j. Order any other appropriate relief.

As an illustration of the remedies available to the court and without limiting the court's discretion as provided in subsection (2), if a breach of trust results in the favoring of any beneficiary to the detriment of any other beneficiary or consists of an abuse of the trustee's discretion:

- i. To the extent the breach of trust has resulted in no distribution to a beneficiary or a distribution that is too small, the court may require the trustee to pay from the trust to the beneficiary an amount the court determines will restore the beneficiary, in whole or in part, to his or her appropriate position.
- ii. To the extent the breach of trust has resulted in a distribution to a beneficiary that is too large, the court may restore the beneficiaries, the trust, or both, in whole or in part, to their appropriate positions by requiring the trustee to withhold an amount from one or more future distributions to the beneficiary who received the distribution that was too large or by requiring that beneficiary to return some or all of the distribution to the trust.

60. Under Title XLII ESTATES AND TRUSTS Chapter 736 FLORIDA TRUST CODE  
736.1002 Damages for breach of trust.— This Court must determine damages for breaches of trust where,

- i. A trustee who commits a breach of trust is liable for the greater of:
  - a. The amount required to restore the value of the trust property and trust distributions to what they would have been if the breach had not occurred, including lost income, capital gain, or appreciation that would have resulted from proper administration; or
  - b. The profit the trustee made by reason of the breach.

- ii. if more than one person, including a trustee or trustees, is liable to the beneficiaries for a breach of trust, each liable person is entitled to pro rata contribution from the other person or persons. A person is not entitled to contribution if the person committed the breach of trust in bad faith. A person who received a benefit from the breach of trust is not entitled to contribution from another person to the extent of the benefit received.
- iii. in determining the pro rata shares of liable persons in the entire liability for a breach of trust:
  - c. Their relative degrees of fault shall be the basis for allocation of liability.
  - d. If equity requires, the collective liability of some as a group shall constitute a single share.
  - e. Principles of equity applicable to contribution generally shall apply.
  - f. The right of contribution shall be enforced as follows:
    - 1. Contribution may be enforced by separate action, whether or not judgment has been entered in an action against two or more liable persons for the same breach of trust.
    - 2. When a judgment has been entered in an action against two or more liable persons for the same breach of trust, contribution may be enforced in that action by judgment in favor of one judgment defendant against any other judgment defendants by motion upon notice to all parties to the action.
    - 3. If there is a judgment for breach of trust against the liable person seeking contribution, any separate action by that person to enforce contribution must be commenced within 1 year after the judgment has become final by lapse of time for appeal or after appellate review.
- iv. If there is no judgment for the breach of trust against the liable person seeking contribution, the person's right of contribution is barred unless the person has:
  - a. Discharged by payment the common liability within the period of the statute of limitations applicable to the beneficiary's right of action against the liable person and the person has commenced an action for contribution within 1 year after payment, or
  - b. Agreed, while action is pending against the liable person, to discharge the common liability and has within 1 year after the agreement paid the liability and commenced the person's action for contribution.
- v. The beneficiary's recovery of a judgment for breach of trust against one liable person does not of itself discharge other liable persons from liability for the breach of trust

unless the judgment is satisfied. The satisfaction of the judgment does not impair any right of contribution.

- vi. The judgment of the court in determining the liability of several defendants to the beneficiary for breach of trust is binding upon such defendants in determining the right of such defendants to contribution.
- vii. Subsection (2) applies to all causes of action for breach of trust pending on July 1, 2007, under which causes of action the right of contribution among persons jointly and severally liable is involved and to all causes of action filed after July 1, 2007.

61. Under Title XLII ESTATES AND TRUSTS Chapter 736 736.1004 Attorney's fees and costs.— That the Court,

- i. In all actions for breach of fiduciary duty or challenging the exercise of, or failure to exercise, a trustee's powers; and
- ii. In proceedings arising under ss. 736.0410-736.0417, the court shall award taxable costs as in chancery actions, including attorney fees and guardian ad litem fees.
- iii. When awarding taxable costs under this section, including attorney fees and guardian ad litem fees, the court, in its discretion, may direct payment from a party's interest, if any, in the trust or enter a judgment that may be satisfied from other property of the party, or both.

62. Under Title XLVI CRIMES Chapter 831 FORGERY AND COUNTERFEITING

831.01 Forgery.—That the Court should take appropriate actions and notify appropriate criminal authorities to take immediate actions regarding persons who falsely made, altered, forged and counterfeited a public record, notary publics in relation to a matter wherein such documents were received as a legal proof; will, testament, created with intent to injure or defraud other persons and if convicted they shall be guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

63. - i. That the Court should take appropriate actions and notify appropriate authorities that under 839.13 as Falsifying records may have occurred in the Estates and whereby if any public officer (Attorneys at Law before this Court are presumably public officers), or employee or agent of or contractor with a public agency, or any person

Ted, I am stunned by your response to Passover with your family at our house or what once was your family. Save the candy coated soliloquies of "Peaster" with the kids and their friends at your house as excuse to why you cannot make it for the holiday. Why your family is not celebrating with your father and their grandfather is what is beyond comprehension or why you did not invite dad to the now party with your kids and their friends on "Peaster" at your house. Instead of the BS, be upfront and say what your children have already said to me, that you will not be with dad with Maritza and have coalesced with your siblings and their children and thus choose not to attend and further choose not to invite dad and his girlfriend to your home based on that truth, which is steeped in insanity. I think what you're doing, along with the gang of gals is harmful and borders elder abuse and no reason can justify the flawed logic of your "tough/abusive love" strategy and the hurt you are causing your father. Somewhere in the bible, it gives out some advice of honor and respect for your father and mother and how this fits into that I have no idea, I in fact see it as wholly disrespectful, mean, it makes me want to puke. This really breaks my fucking heart, as it is not a measure to help dad, as you think harming him will help and thus it merely stands to harm. No response necessary.

Eliot,

You are clearly upset about Passover this year and I am sorry for that; unfortunately, things are often not as simple as they appear. I am sure you guys will have a great holiday, especially since Dad will be with you guys. He had said that he was not going to be celebrating Passover this year.

Actually, if Candice has her vegetarian chopped liver recipe in electronic format, could you please ask her to shoot me or Deborah a copy?

Thanks...

Ted

Ted, I am mad, mad not at Passover this or next year, here or in Israel, instead I am mad at the hurt being caused to dad by his children and grandchildren. I certainly hope that by next year this whole gang up on dad and deny him his grandchildren over his girlfriend is over as it is absolute lunacy. Again, I see nothing but pain being caused to all and no chance of good from the approach for anybody and with so limited days in the looking glass it just seems like somebody needs to step up and make this cease.

Subject: RE: passover

Eliot,

Although I normally do not like to have these discussions via email, it does seem important to say this in a way that is documented in the record. None of this is directed at any person, in particular, and can be shared with anyone you feel is necessary. What follows is simply intended to be a roadmap.

My primary family is Deborah and our four children. They come first, before anything and anyone. The family I was born into is no longer, that is just a fact, it is not a matter of opinion, it just is. That family is now made up of individuals and their families. My relationship with each individual person and their family is unique and complex, the foundation based on mutual respect. It is that plain and simple. If any party to any of those individual relationships is not okay with that, then it is likely that we will not have a strong, meaningful relationship. It is likely that we will still have a relationship however, because we are related and we will be brought together at different times, to engage in the things that people who are related engage in (weddings, bar mitzvahs, graduations, illness and death).

With respect to every member of our extended family, my friends and my associates, it is important to know that I cannot be influenced to act by guilt, force, shame, punishment or withholding of love or support. If someone does not agree with what I think or how I act, that is okay. If someone feels it is important to communicate their disagreement, that is okay, as long as it is done in a respectful and civil way. I can handle almost anything as long as it is communicated with respect. It does not mean that I *will change how I think or how I act. I may, and I may not. I cannot force anyone to treat me and my family with respect. I can only choose to limit my interaction.*

I try not using words like 'never' and 'always', especially when dealing with people I care for. You end up having to eat them, usually.

I do not care about what is said about me or my family, behind my back. When I hear it, and I always do because it is intended to be heard, it serves to validate the condition of that relationship. I think, if the people engaged in those discussions were more aware of how little I care, it might help them to move on to another.

I do not gang up on anyone. I do not lead campaigns or posses. I wish I were that influential, but I am not. I am not a mouthpiece or spokesperson for members of the extended family and I cannot be used to create alliances for the purpose of another's interaction with another. That has been learned behavior that I choose to not be a part of.

Speaking of choices, they have consequences and let me be the first to say to anyone listening, "do whatever the hell you want to do". Unless it is really impinging on me, I don't care what people do. I am not your judge or jury. I may not like what you do and you may not like what I do, and that is okay too. Disagreements are okay, they happen in healthy relationships. If a person cannot respectfully handle disagreements, whether it is over something benign or something intense, then it is likely going to affect how much interaction we are going to have going forward. My actions speak louder than my words.

So hopefully this is somewhat helpful in knowing my rules of engagement. They are pretty simple, I think. The best thing about them is that if someone doesn't like them, then they don't have to have a single thing to do with me or spend a nano-second of time with me. On the other hand, I think they are pretty easy to accept and very straightforward.

I will give you an example of how I see the world and all of this working into it, something that might be more on point with respect to our relationship. When you and Candice extended the Passover invitation this year, and we declined it, all that was necessary to say to us was something like this:

"We are sorry you won't be with us this year. It is always nice to celebrate holidays with you guys, the last two at your home were great. We will miss you and wish things could have worked out differently."

Pretty simple, right? If what I said above makes even a little sense, saying anything much more than that has no impact.

Ted

Subject: RE: passover

Ted, first I am again saddened at your response, which again is a long soliloquy that fails to address the truth of the matter or answer the simple questions posed and attempts to instead conflate the matter in defense of your messed up family values, which I see lies at the root of a deeper problem. I do not want to delve into why you feel that the family you are born into no longer exists, however this is in "fact" false and factually a fantasy or delusion. I for one exist and I know dad does but I guess if we do not exist in your mind you do not have to have feelings for us, as it appears that goes hand in hand. You also seem to have confused the word "extended family" to include friends and such, where the extended family means, "The term extended family has several distinct meanings; a family that includes in one household near relatives in addition to a nuclear family. In modern Western cultures dominated by nuclear family constructs, it has come to be used generically to refer to grandparents, uncles, aunts, and cousins, whether they live together within the same household or not.[1] However, it may also refer to a family unit in which several generations live together within a single household...In an extended family, parents and their children's families often may live under a single roof. This type of joint family often includes multiple generations in the family." [http://en.wikipedia.org/wiki/Extended\\_family](http://en.wikipedia.org/wiki/Extended_family)

This maligning of the definition confuses your letter to me for I believe you do not truly understand the meaning of family but more so I feel sad from this statement, "and we will be brought together at different times, to engage in the things that people who are related engage in (weddings, bar mitzvahs, graduations, illness and death)." Your description of family does not describe at all what people who are related engage in, mostly it is love or some instances hate, your version has it as a holiday or death celebration and places family outside the meaning of family and more like a relationship with a dog. Dogs that listen and obey the will of Ted according to your letter will have a relationship with you and *others that do not agree with you will be cast aside and not exist. What is clear is that you castigate those you no longer consider worthy of being family without feeling or emotion and this will leave you clinging to your very "primary" family as long as they do not fear that they are next on your chopping block. Your "extended family," of non existing family members and your friends will always dwindle and extension will feel more like retraction from this path, as people see how easily family can be discarded they will not want to be next on the block either.*

The rest of the letter appears to be for a general audience and relates not to my question or reason I wrote to you, so I will not digress on it further. I do however want to say that to me you are family and whether I disagree or like you at the moment or not that does not change that fact for me. I still cannot understand how you cannot be a leader of your family both primary and extended and lead them to resolve these issues which are hurting our father, or my father, who once was yours. I cannot understand how you can hide behind others and this nonsense to justify your actions with this maligned view on excommunicating your loved ones and your unloved family members, I am not sure what dad has done to cause his non-existence to you, nor I but I feel sad you have taken a road to isolation for you and dad and me.

CASE NO. 12121312

DISPOSITION: ZULU

ON 9/13/12 AT 1211 HOURS, I RESPONDED TO 7020 LYONS HEAD LANE, UNINCORPORATED BOCA RATON, FL., AND MET WITH TED BERNSTEIN AND HIS SISTER AND BROTHER, LISA FRIEDSTEIN AND ELLIOT BERNSTEIN, IN REFERENCE TO A POLICE ASSIST. TED ADVISED HIS FATHER, SIMON BERNSTEIN WAS TAKEN TO DELRAY COMMUNITY HOSPITAL AT 1000 HOURS ON 9/12/12 AND PASSED AWAY AT 0100 HOURS ON 9/13/12. HE EXPLAINED WHILE AT THE HOSPITAL HE WAS ADVISED BY SIMON'S CARETAKER, RACHEL WALKER THAT SIMON'S LIVE-IN GIRLFRIEND, MARITZA PUCCIO MIGHT HAVE PROVIDED SIMON WITH A LARGER THEN PRESCRIBED DOSE OF HIS MEDICATION AS WELL AS ONE OF HER PRESCRIBED SLEEPING PILLS, WHICH COULD OF CAUSED HIS DEATH. HE SAID HE VOICED HIS CONCERNS TO THE DOCTORS AT DELRAY COMMUNITY HOSPITAL BUT THEY ADVISED THERE DID NOT APPEAR TO BE ANY SUSPICIOUS CIRCUMSTANCES SURROUNDING SIMON'S DEATH AND THEY WOULD NOT BE CONDUCTING AN AUTOSPY. TED CONTACTED BOTH A PRIVATE COMPANY AND THE PALM BEACH COUNTY MEDICAL EXAMINER'S OFFICE REGARDING HAVING AN AUTOSPY CONDUCTED. BOTH ADVISED HE SHOULD CONTACT THE PALM BEACH COUNTY SHERIFF'S OFFICE.

AFTER SPEAKING WITH TED, I SPOKE WITH RACHEL. RACHEL STARTED BY TELLING ME THAT SIMON SUFFERED FROM SEVERAL AILMENTS TO INCLUDE, AND HE HAD APPROXIMATELY 2 YEARS AGO, WHICH WAS ONE OF SEVERAL SIMON WAS RECENTLY PLACED ON FOR THE WHICH SHE SAID EFFECTED HIS MENTAL FACULTIES. RACHEL ADVISED WHEN SHE ARRIVED AT SIMON'S HOUSE AT 0830 HOURS ON 9/12/12, SHE FOUND SIMON LYING ON THE COUCH IN THE LIVING ROOM. HE WAS AWAKE AND BREATHING BUT HE HAD A VERY LOW HEART BEAT AND WAS UNAWARE OF HIS SURROUNDINGS. RACHEL SAID SHORTLY AFTER HER ARRIVAL MARITZA RETURNED HOME. THEY HAD A BRIEF ARGUMENT OVER WHETHER OR NOT THEY SHOULD BRING SIMON TO THE HOSPITAL AS RACHEL SAYS MARITZA DID NOT BELIEVE HE NEEDED TO GO TO THE HOSPITAL AT THIS TIME. RACHEL SAID THAT SHE FINALLY TOLD MARITZA THAT SHE WAS GOING TO TAKE HIM TO THE HOSPITAL BY HERSELF. SHE SAID SHE LEFT THE HOUSE APPROXIMATELY 1000 HOURS FOR THE HOSPITAL. RACHEL WENT ONTO TELL ME THAT MARITZA PROVIDED SIMON WITH ONE OF HER PRESCRIBED SLEEPING PILLS ON THE NIGHT OF 9/8/12. SHE ALSO SAID SIMON WAS PRESCRIBED 100 PILLS ON 9/7/12 AND SHE BELIEVE THAT MARITZA WAS PROVIDING SIMON WITH LARGER THEN PRESCRIBED DOSES OF PILLS. RACHEL TOLD ME SHE BELIEVED THERE WERE ONLY 30 PILLS LEFT IN THE BOTTLE AT THE TIME OF SIMON'S DEATH. I LATER COUNTED THE BOTTLE OF . THERE WERE 90.5 PILLS IN THE

IT SHOULD ALSO BE NOTED THAT I SPOKE WITH ELLIOT, WHO SAID  
HE WAS AT DINNER WITH SIMON AND MARITZA ON 9/8/12 AND OBSERVED  
HIS FATHER TELL MARITZA THAT HE WANTED ONE OF HER [REDACTED] SLEEPING  
PILLS BECAUSE HE COULD NOT SLEEP. ELLIOT SAID THEY HAD A BRIEF  
ARGUMENT OVER THIS AS MARTIZA REFUSED TO ALLOW SIMON TO TAKE ONE OF  
HER PILLS INITIALLY. AT THIS TIME SGT. CASTELLI ARRIVED ON SCENE  
AND WAS ADVISED OF THE CASE.

HE MADE CONTACT WITH VCD AND THE MEDICAL EXAMINER'S OFFICE.  
HE WAS ADVISED TO HAVE ME CONTACT DELRAY COMMUNITY HOSPITAL TO PUT  
A HOLD ON SIMON'S BODY FOR [REDACTED] FROM THE MEDICAL EXAMINER'S OFFICE  
WHO WOULD CHECK ON THE SITUATION THE NEXT DAY. I WAS ALSO ADVISED  
TO EMAIL A COPY OF THE REPORT TO [REDACTED] WITH THE MEDICAL EXAMINER'S

As discussed, I need the EIN application and will process the claim. Your father was the owner of the policy and we will need to prepare releases given the fact that we do not have the trust instrument and are making an educated guess that the beneficiaries are the five of you as a result of your mother predeceasing Si. Luckily we have a friendly carrier and they are willing to process the claim without a copy of the trust instrument. A call regarding this is not necessary. We have things under control and will get the claim processed expeditiously after we receive the form.

Thank you for your help.

Hello,

Good news; the Heritage Union Life Insurance company is ready to make payment on the policy that insured Dad. There was an exhaustive search for the original trust document from 1995, which is the beneficiary of the policy owned by Dad. Since we have not been able to locate it, the attached agreement will permit the insurance company to make payment to a Trust account that will then distribute the proceeds in equal parts to the 5 of us. Robert Spallina recommended that I distribute this document so it can be reviewed by each of you, signed and then it can be submitted to the carrier. Please sign the document where applicable. Then email to me the signature page and Fedex the original to Robert Spallina's office. Once we have all signatures, the carrier should release proceeds quickly.

Thanks Ted, I and my counsel have his address and phone and stuff but he is refusing to talk to my and my children's attorneys who have already contacted him for information. Since I and the children are represented by counsel at this point he will need to deal with them regarding all these matters so I am not sure how anything can transpire while he refuses to release documents or meet with counsel, as I

mentioned he told them already that he did not know me or my children first and then scheduled a meeting and cancelled and refuses to reschedule. Not sure what is up but I would be careful as Executor of any transactions that have not first gone through our counsel in any regard to any assets, etc. until these things are resolved. Let me know. eb

I received a letter from the company requesting a court order to make the distribution of the proceeds consistent with what we discussed. I have traded calls with their legal department to see if I can convince them otherwise. I am not optimistic given how long it has taken them to make a decision. Either way I would like to have a fifteen minute call to discuss this with all of you this week. There are really only two options: spend the money on getting a court order to have the proceeds distributed among the five of you (not guaranteed but most likely probable), or have the proceeds distributed to the estate and have the money added to the grandchildren's shares. As none of us can be sure exactly what the 1995 trust said (although an educated guess would point to children in light of the document prepared by Al Gortz in 2000), I think it is important that we discuss further prior to spending more money to pursue this option. Hopefully I will have spoken with their legal department by Thursday. I would propose a 10:30 call on Thursday EST. Please advise if this works for all of you.

Keep in mind that this is the policy that lapsed for more than 6 months and was miraculously re-instated a few months before Dad died. It is in our best interest to get this claim paid as soon as possible.

With that being said, I am going to suggest that we get the agreement we were going to use to the point where it is ready to present to the court. We already have an agreement in existence that simply needs to be tailored to our circumstances. Robert Spallina can clean it up to reflect what we said on Thursday and then it can be reviewed by each person and their legal counsel. The only way this does not make sense is if one or more of us are intending to not be part of an agreement stating that 5 children will be equal beneficiaries. Based on what I heard on Thursday, the only sensible option is to ensure these proceeds are not included in Dad's estate. With an agreement, each of us has the ability to do what is best for his or her family, without impacting anyone else.

This way, the work can begin that needs to be done while we are trying to schedule the call around the 6 of us.

Let me know if you see any reason to wait but tomorrow I will ask Robert Spallina to fit the agreement to our circumstances and begin to circulate it. If anyone is going to use a guardian for their minor child or children, it is probably a good idea to start that process too.

I am following up on our telephone conference from last week. Ted has contacted me about circulating a draft of the settlement agreement that would be presented to the court. Again, prior to preparing an agreement, I want to make sure that you are ALL in agreement that the proceeds do not come to the estate. I can tell you that your father planned his estate intending and believing that the five children would split the proceeds equally. We would like to see his wishes carried out and not have the proceeds paid to the estate where they could be subject to creditor claims prior to being split in equal shares among the grandchildren. Please advise if you are in agreement to move forward to petition the court for an order that would split the proceeds equally among the five of you.

Subject: Eliot Heritage policy Analysis

This is my analysis on the Heritage payout thus far. First, I would like to review the insurance policy as well as the official statements respecting investment returns, use of returns to pay premiums and loans taken from the policy. I understand Ted and Pam have the policy, and do not understand why Mr. Spallina thinks it is curious that I also want to review these materials. Second, I understand the expressed concerns that if the proceeds are paid to the estate then the proceeds would be subject to the claims of creditors of the estate. It is my understanding that the "plan" is to have the proceeds payable to a trust to avoid creditor claims; however, I have also been counseled that if a trust is utilized an estate creditor can challenge the trust transaction as a fraudulent conveyance used to avoid the creditor's claim.

We have been told that Dad designated his 1995 trust as his beneficiary with Heritage. We were also told that that trust cannot be located. I would also like to review an affidavit that indicates the precise steps that were taken and by whom and with whom to locate the 1995 trust, and I would imagine that Heritage will require the same. Heritage, we were told, is now saying that the proceeds may have to go to the State under the applicable escheat laws, so Mr. Spallina is telling us that if Heritage accepts a new trust with all potential beneficiaries agreeing to the mechanism, that Heritage may pay the proceeds to this new trust and not to the State. I have been told that the reason the law requires a trust document (and not simply statements from someone who claims they saw the trust) is that it demonstrates Dad's desires, and because Dad had the right to change his mind and thus the beneficiaries under the trust, nothing short of the actual 1995 trust document may be sufficient to Heritage.

Last, because the 1995 trust document cannot be located, the proceeds should go to the beneficiaries under {Article IV 2j} and [Article III] of Dad's will, which picks up insurance proceeds under failed beneficiary designations. Under Dad's will and trust, these amounts, like the rest of his estate goes to his grandchildren in equal parts. Thus, to the extent it is decided to use a new trust to avoid the escheat laws, the only beneficiaries that may be acceptable to me is the grandchildren. As I stated above, I and my siblings should remain concerned that any estate creditor could challenge the transaction as a fraudulent conveyance. Also, having the 5 children as beneficiaries with each having the right to disclaim in favor of their children (i.e., Dad's grandchildren) is not acceptable for 2 reasons. First, such a scheme is not consistent with Dad's wishes under his will and trust agreement. Whatever Dad may have provided under the 1995 trust is both unknown and not relevant as stated above. The second reason is simple economics. My kids would get a 33% distribution under the proper method, but only 20% under the other scheme.

Subject: Heritage policy

Eliot,

I have pasted your analysis re the Heritage policy below. The email did not get to me, not sure why.

The problem with your analysis is that it is not factually correct and therefore, you are drawing conclusions that are incorrect.

Dad's desires concerning the policy are crystal clear. There has never been a question concerning his desire. He named his irrevocable trust as beneficiary of the policy and he never changed that. He was the owner. He could have changed it as often as he wanted. He never did, not ever.

In 1995, Dad did not have 10 grandchildren. Therefore, it was never his intent, concerning this policy, to leave it to all of his grandchildren.

He chose Robert Spallina and Don Tescher to be his estate and tax attorneys as well as his personal representatives. Robert Spallina has told us on several occasions what Dad's wishes were for this policy. Dad was well aware of this policy. He was intimately aware of who owned it and who he named as beneficiary. When he was considering a life settlement, all of this information was part of those discussions.

As Robert has stated, Heritage's policy when it comes to a lost irrevocable trust, is to not pay the proceeds to the estate. What you are saying here is not correct: "Last, because the 1995 trust document cannot be located, the proceeds should go to the beneficiaries under [Article IV 2j] and [Article III] of Dad's will, which picks up insurance proceeds under failed beneficiary designations. Under Dad's will and trust, these amounts, like the rest of his estate goes to his grandchildren in equal parts"

You are drawing conclusions for Heritage when you say, "nothing short of the actual 1995 trust document may be sufficient to Heritage." Why don't we let Heritage speak for Heritage, which I believe has already been done?

There is no fraudulent conveyance. These proceeds are not part of Dad's estate, they never were and Heritage has stated they do not intend to pay these proceeds to the estate of a person who clearly did not want them in his estate.

In late July of 2012, Dad executed his planning documents. He could have easily changed the beneficiary of the Heritage policy to be included in his estate. He was the owner, he could have done that with one change form. He did not. If he did not want to be bothered to do it himself, he could have asked Robert, his PR, to do it. People do this every day. Dad did not. Therefore, the proceeds remaining OUT of his estate, NOT payable to his grandchildren (who received everything else), is consistent with Dad's wishes. This policy is not in the domain of his will and trust agreement. To bring proceeds of a life insurance policy into the estate of a man who sold life insurance his entire career would go against everything Dad told every client he ever sold life insurance to during his career. It is unimaginable.

Therefore, the economic analysis is not correct. It simply is not necessary to address as it was never an option in this scenario.

This needs to be brought to resolution. Not only is it simple, it is black and white. Is your counsel involved in this matter for you? If so, has she spoken with Robert and communicated what you have said?

We are going to do what is necessary to have the proceeds paid where they were intended to be paid, as quickly as possible now. If you think I am factually incorrect about any of this, please either call me or email me and explain where I may be wrong. It goes without saying, this is not my expertise. I am processing the same information that everyone else is working with and this is how I see it.

Subject: Heritage Policy

Thanks for your response to my analysis of the Heritage matter; however, I believe your comments assume I do not understand the trust concept and its utility, and your analysis is based on the theory of estate planning using trusts and not the importance of having the actual trust document. I started by again requesting a copy of the Heritage policy. I need to review the policy's provisions respecting how death benefit proceeds are dealt in situations where a beneficiary designation fails. This is a simple request. You and Pam indicated that you each have a copy of the policy. Robert said he has a copy of the

policy. PLEASE send a copy to me. I assure you that nothing will transpire until I have reviewed the policy.

I have been advised that in situations where a beneficiary designation fails, an insurer will in almost all situations pay the proceeds into the probate court and ask the court to determine to whom the proceeds are payable and ask for a release. The position I took in my prior email is clear; that a probate court will likely decide that the proceeds will go to the grand children through the estate and the pour over trust. This analysis troubles you because the Heritage proceeds would thus be considered an estate asset and subject to creditor claims. I understand your concerns. But unless the 1995 trust document is located, and unless the Heritage policy provides otherwise, this is how it most likely will play out.

Your comments about Dad's desires and his estate planning experience are simply not relevant; however, I could understand that you may wish to make this argument to the probate court. All of the meetings, time and energy being spent trying to come up with a way to convince Heritage to pay the benefits pursuant to what Robert believes the 1995 trust said is wasted energy, unless Heritage agrees to pay the proceeds pursuant to some form of settlement and release agreement. If you want me to even consider such an arrangement, in addition to reviewing the Heritage policy, I will require a letter from Heritage specifically stating that Heritage may make the proceeds payment under such an arrangement. It should be easy to get such a letter if Heritage is willing to consider such an arrangement.

Now that you know my position, I will respond to your comments respecting my analysis in my prior email. We all know that like you and Pam, Dad spent his career in the insurance business. I also spent years in the insurance business. In fact, Dad was one of the best and most innovated at it. Just look at his and your company's (LIC) web site for confirmation. As an expert, Dad understood all the benefits of designating a trust as the beneficiary under a life policy. You keep the proceeds out of the estate and probate process, and the proceeds are not subject to creditor claims. You and Pam and even I understand these concepts too. So does Mr. Spallina, as an expert estates lawyer. All of us (you, Pam, Robert and me) also know that having the actual trust document is essential to ensuring that the insurance proceeds are actually paid to the trust. The reason why insurers will not make payment pursuant to a missing trust document is that the insured had the right and ability to make changes to the trust document, including the beneficiaries thereunder until the day he died. You commented that Mr. Spallina said it is Heritage's policy not to make payments to an estate in situations where a trust is lost. Is that your experience with insurance companies? Perhaps Heritage's position is that it will pay the proceeds to the court (not the estate) and the judge determines how the proceeds are distributed. My friends in the business tell me that this is precisely what insurance companies do, albeit through the probate court. That is also why Mr. Spallina included that clause I mentioned in Dad's will, so any such proceeds flow through to Dad's pour over trust as a backup. Most wills include such a clause even though many people employ a trust. Trusts do get lost or are revoked. Beneficiary designations fail for a variety of reasons.

Your comments regarding the many times Dad dealt with the Heritage policy in recent years interests me. In 2012 Dad did redo his estate plan with Mr. Spallina. In the last couple of years Dad and you (and

perhaps Robert) dealt with reinstating the Heritage policy and considered a life payment buyout. In all those occasions, Dad could have changed the beneficiaries, but you state he did not. I understand, but fail to see the relevance, based on the above analysis. But because you are in the business and counsel your clients to use trusts, why did you not request a copy of the 1995 trust from Dad during those events? Why didn't Mr. Spallina require that Dad give him a copy during the 2012 estate planning overhaul, and insist on having a copy? Mr. Spallina told us that he and Dad met often and discussed Dad's financial affairs. Mr. Spallina knew and knows that having the actual trust document was essential, and I am find it hard to believe he did not insist on including a copy with Dad's 2012 estate planning documents. If I were Dad's estates lawyer and Dad did not provide me a requested copy, I would have copies of letters requesting the trust document, at the very least to protect myself against any claims. And why did Dad not make sure that you all had copies?

I also find it curious that no one has come forth to state the steps that were taken to locate the 1995 trust. Who took the steps, where did they look, and who did they speak with. I was not permitted to go into Dad's house after he died, so who took the contents of Dad's safe? Who looked at the contents of Dad's safe deposit box?-

You start by stating that Dad did not have 10 Grandchildren in 1995, so it was not his then desire to name them as beneficiaries. But absent the actual trust document, it is possible he named his then living grandchildren. BUT, the 1995 trust document cannot be located, so we will never know.

My fraudulent conveyance analysis is based on the above comments. A creditor would argue that the named beneficiary was the 1995 trust. It was lost. In those cases, insurers pay death benefits to the probate court. The proceeds thus become part of the estate even if the judge decides that the proceeds go through the pour over trust. You are in the insurance business Ted. I am surprised you do not know this. Thus I remain concerned that if Heritage agrees to pay the proceeds in trust pursuant to some form of settlement and release (which is your plan to avoid creditors issues) that a creditors lawyer will seek to reach those proceeds on the fraudulent conveyance theory. Obviously, you and Robert are trying awfully hard to get Heritage to do this for the very reason of avoiding creditors' claims. More facts to help a creditor's lawyer reach the proceeds.

So I would suggest my economic analysis is correct when you consider the law and not just Dad's desires. Again, the law requires an actual trust document, not the concept of a trust. It is required because the trust document can be changed and is the best and only evidence of where the proceeds should go. Unfortunately, Dad intent or desires likely are not relevant. He knew this, which again is why I am shocked that Dad did not give copies to each of you.

Subject: Re: Heritage Policy

The law does not REQUIRE a trust to pay proceeds. The terms of lost wills and trusts are routinely proved up through parole evidence. The lawyer I spoke with at Heritage told me that this happens once every ten days and the estate is rarely if ever the beneficiary of the proceeds on a lost trust instrument. I have NEVER heard of proceeds being paid to the probate court.

Your father changed himself to the owner of the policy because he wanted to have the RIGHT to change beneficiaries despite the fact that it causes inclusion of the proceeds in his estate for estate tax purposes. Very near to his death he requested beneficiary change forms but never actually changed the beneficiaries. I will give you one guess who he thought of including and it was none of his grandchildren. I counseled him not to do this and the form was never executed.

As for your father's intent, that is the most important thing and the court will always look to carry that out. The fact that he changed his dispositive documents to include only his grandchildren lends credibility to the fact that he intended that the insurance proceeds would go to his five children. He knew that the trust provided for his children some of whom he knew needed the money. Additionally we had a conference call prior to his death with all of you where he discussed his plans regarding his estate and your mother's estate with all of you. This should be of no surprise to anyone.

Bottom line is that we do not need to have the trust for the carrier to pay the proceeds. The carrier is looking for a court order to pay them to a successor trustee who will distribute them among the beneficiaries.

I do not and have never had a copy of the policy.

Lets stop making this more difficult than it is. Your father told me that the trust provided that the proceeds were going to his children. Pam saw him execute the trust with the same attorney that prepared her own trust a copy of which I have and will offer up to fill in the boilerplate provisions. We have an SS-4 signed by your mother to obtain the EIN. There is not one shred of evidence that the trust was terminated which is the only circumstance that would require payment of the proceeds to the estate.

The fact that your father requested change forms prior to death and didn't execute them speaks to the existence of the trust and that he intended that you all receive an equal share of the proceeds.

I hope that this helps to guide you and unite you in your decision.

Have a nice weekend.

Yad - bad news - we don't have copies of the policy - dad probably took it when he emptied his office / probably the trust too! The carrier seems to be the only one with a copy. As to the other items, we should do a call cause the premise is off. Have a good weekend.

Eliot - we do have the letter from Heritage that you refer to below. They will pay with an order from the court which is based on the agreement, among us, to pay the trust. It's not only easy, we already have the letter from them.

Why don't the 5 of us get on a call in the next day or two? There are a bunch of things to cover other than this policy, such as the property in the house.

Time suggestions??

Robert,

Please move forward as we discussed in the last group phone call in which we decided to have Heritage pay your trust account or a trust that you would act as Trustee. Heritage has stated that they will pay based on a court order showing that there is consensus among the 1995 Trust beneficiaries. Let's get this done.

Eliot - Please find representation ASAP. You are a hindrance and delay to this whole process. Your mother's and father's wishes are being frivolously challenged by you for no reason and you agreed with your father during his lifetime to go along with his wishes. You are alienating your siblings in the process. You really should be ashamed of yourself.

Eliot – We want to propose something and hope you and Candice are amenable. Don and I would like to meet with the two of you and give you the lay of the land as we see it. Don has done this for forty years and there truly is no one out there that knows this stuff better than him. Please understand that we are fair as it gets and want the best for EVERYONE. There are some issues as it relates to the house that you're living in, the insurance and mom's and dad's estates that we think we should discuss so that you can get comfortable with things and understand the interrelations. I can tell you that hiring lawyers and spending your children's money or your own will not benefit you or your children and will only cause frustration and grief for everyone. Again, Don and I are about as nice a guys as you will find in this area of practice and I think you owe it to your parents to come in and find out for yourselves who we are, what we're all about, and what needs to be done to get things distributed and let everyone go about their way. You can always go out and hire a lawyer but our doors are open and we hope that you take the opportunity to pass through them and meet us. Clean slate Eliot. I promise you we are here for you and your family as much as any of your siblings. Please advise.

***Re: Revised Representation and Conflict Waiver***

Dear Eliot and Candice:

This letter shall confirm that Tripp Scott, P.A. (hereinafter the "Firm") represents your three children, Joshua Ennio Zander Bernstein, Jacob Noah Archie Bernstein and Daniel Elijsha Abe Ottomo Bernstein (hereinafter collectively referred to as the "Children") as beneficiaries of the Estate of Shirley Bernstein, the Estate of Simon Bernstein and as beneficiaries of any irrevocable trusts created by Shirley and/or Simon Bernstein, including the Irrevocable Trust f/b/o Joshua Ennio Zander Bernstein, Irrevocable Trust f/b/o Jacob Noah Archie Bernstein and Irrevocable Trust f/b/o Daniel Elijsha Abe Ottomo Bernstein created by Simon Bernstein in 2006. Enclosed is a revised Retainer Agreement clarifying the scope of this Firm's representation of your children.

**The Firm *no longer represents you in any individual capacity* and we have advised you to seek other counsel immediately so your legal rights and interests may be preserved.**

In addition, we wish to advise you of this Firm's potential conflict of interest in its prior representation of you and your children. Accordingly, we must obtain your acknowledgement and waiver of this conflict due to the Firm's prior representation of you and consent to our continued representation of your children.

In light of the fact that loyalty is an essential element in a lawyer's relation to a client, Florida's Rules of Professional Conduct (the "Rules") prohibit a lawyer from representing a client if such representation will be "directly adverse" to the interests of another client unless (1) the lawyer reasonably believes the representation will not be adversely affected; and (2) the client consents after consultation.

The Firm does not believe that the representation of the both of you and your children in connection with your interests as beneficiaries under the Estate of Shirley Bernstein and the Estate of Simon Bernstein and as beneficiaries of any trusts created by Shirley and/or Simon Bernstein adversely affected the Firm's responsibilities to and relationship with you or your children. However, we have mutually agreed that we will discontinue representation of the two of you, and will limit our Firm's representation solely to that of the Children. We have advised you to obtain independent legal counsel, other than the Firm, regarding the representation of your interests, including but not limited to, any claims in connection with Estate of Shirley Bernstein, the Estate of Simon Bernstein and as beneficiaries of the irrevocable trusts created by Simon Bernstein.

**RETAINER AGREEMENT**

**Representation of the minor Children of Eliot Bernstein as Beneficiaries of the Estates of Shirley and Simon Bernstein; as Beneficiaries of any Trusts created under the Will or Revocable Trust of Shirley or Simon Bernstein; and as Beneficiaries of the 2006 Irrevocable Trusts created by Simon Bernstein**

We are pleased that you have asked Tripp Scott, P.A. to provide legal services in connection with the above listed matter. The purpose of this agreement is to set forth our mutual understanding regarding the basis upon which we have agreed to undertake such representation.

**FEES**

We will provide our legal services on the basis of hourly rates in effect at the time the legal services are rendered. Those rates currently range up to \$425.00 per hour for attorneys, with paralegals billing at a rate of up to \$160.00 per hour. Law clerks are billed at the rate of \$110.00 per hour. My time is currently billed at \$350.00 per hour. If other attorneys or professionals in the firm work on this matter, their time will be billed on the basis of their hourly rate as well. All of the above rates are for the current calendar year and are subject to change thereafter. Unless otherwise specified, any additional services requested to be provided by our firm beyond the scope of the above matter will be billed to you in accordance with our hourly rates in effect at the time those services are rendered, and subject to the terms set forth in this agreement. Please note that telephone calls are billed at a minimum of two-tenths (0.20) of an hour no matter how short its duration. Additionally, client understands that our representation may involve the discussion of tax and property issues of the client and certain options may be discussed, or a plan entertained, that is not implemented. This time is considered billable and payment is expected upon service.

In connection with your estate planning, you agree to pay us a retainer in the amount of **\$0.00**. You will receive monthly statements and said fees will be credited from your retainer balance. You understand that the retainer amount stated in this agreement is in no way a guarantee or cap on the amount of legal fees that could be expended and will not be refunded to you in the event our representation is terminated by either you, the client, or the attorney.

**COSTS**

Costs and expenses that are incurred by Tripp Scott, P.A. on your behalf, including, but not limited to, mailing and postage, telecopy charges, long distance telephone costs, photocopying charges, etc., will be billed to you with our statement for fees on a monthly basis.

In addition to the fee retainer, you agree to deposit with us the sum of \$ **N/A**; to be applied towards costs. The cost deposit is also due upon execution of this agreement. Whenever the costs deposit falls below \$0.00, you may be asked to replenish said deposit so that at all times there is a credit balance to apply towards costs expended on your behalf. No other professional will be engaged without your pre-approval.

At the conclusion of our legal services, the balance of the cost retainer, if any, will be refunded to you provided all fees have been paid. You agree that the remaining cost deposit, if any, may be applied to the final fee balance.

#### BILLING

We ask that you stay current with our office on a monthly basis. However, if a balance remains outstanding with our office for over thirty (30) days, Tripp Scott, P.A., shall have the right to cease work on your file until such time that the balance is paid in full. Additionally, if said fees are not kept current within the thirty (30) day period, we reserve the right to request an additional non-refundable retainer. Tripp Scott, P.A., shall, at its own discretion, have the right to withdraw from representing you in this matter at any time if:

- (A) You do not make payments required within thirty (30) days after billing;
- (B) You have misrepresented or failed to disclose material facts;
- (C) You fail to follow our advice;
- (D) A dispute between client and attorney arise which cannot be worked out with a good faith effort and in an amicable way; and
- (E) Any other reason as deemed appropriate by the attorney.

To protect our fees and costs until they are paid, it is specifically agreed by you, the client, that the undersigned attorney shall have and is hereby granted all general, possessory and retaining liens and all equitable special and attorney's charging liens upon the client's documents, property (both real and personal, regardless of homestead), or money in the client's possession or money or property in another's possession for the client's benefit for the payment of all sums due under this agreement, and upon property or funds received by you, the client, by settlement, judgment, or otherwise. Any such liens shall also include liens upon the client's interest in any estate, trust, guardianship or other asset held in fiduciary capacity or trust, constructive or otherwise, within the jurisdiction of the court for any balance due, owing and unpaid. Any such liens shall relate back to the date of this agreement and shall be superior in dignity to any other liens subsequent to the date thereof. It is agreed by the client that the attorney will file a lien and a Notice of Lis Pendens with regard to the client's interest in any real property (regardless of homestead as you, the client, expressly have waived your homestead exemption under this agreement) upon which a lien may be claimed.

You agree to pay interest at the rate of 1% per month or 12% per annum on any bill, or portion thereof, which remains unpaid for more than thirty (30) days after billing. Also, client agrees that their file will only be released by the attorney upon payment of all fees and costs due and owing Tripp Scott, P.A.

#### SPECIAL CONSIDERATIONS FOR BENEFICIARIES

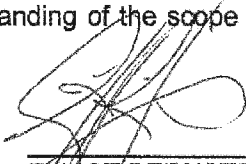

Please be advised, the trustee is generally entitled to pay attorney's fees and costs from the trust assets, but in the event that a claim or defense based upon a breach of trust is made against the trustee, we have the right to seek a pre-hearing order prohibiting the payments. If the order is granted, the trustee must cease using the trust assets to pay attorney's fees and costs and must make those payments personally. Following this pre-evidentiary hearing, the court will determine the merit of the underlying claim or defense of breach of trust at which point the trustee will either be required to refund any payments of costs or fees to the trust, or will be entitled to seek an order permitting a refund of payments made personally by them.

ACCEPTANCE

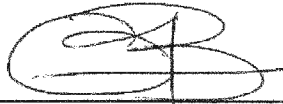

This agreement is consistent with our understanding of the scope and terms of representation and fees.

Re: Advancement of Inheritance  
Our file number 1522-2.0

Dear Mr. Bernstein:

I have been retained by your parents to assist them in their estate planning. Your parents have asked me to contact you regarding a possible plan to advance you a portion of the inheritance that you may ultimately receive upon their deaths.

The plan would work as follows:

1. Your parents would each month pay the health insurance premiums for you, your wife Candice and your three children.
2. In addition, your parents want to make gifts to provide your family with a monthly cash flow. The annual amount of these gifts would be \$100,000 per year less the amount that they pay in health insurance premiums for your family. This amount would be distributed evenly over the year in monthly distributions by me.
3. The health insurance premiums and the monthly payments will reduce dollar-for-dollar the amount that you will ultimately inherit when your parents die.

While your parents may decide to alter or discontinue this plan at any time, they wanted me to make sure that you understand that they will discontinue making the above health insurance premiums and the monthly payments if you harass or threaten to sue or initiate litigation with anyone in your family at any time. However, you may counter claim if you are sued by them.

Your parents also want to have the opportunity to visit with their grandchildren at least four times a year. Your parents will either come to California or gladly pay all transportation costs for your children to come to another destination. You and Candice are more than welcome to join your children for these family visits.

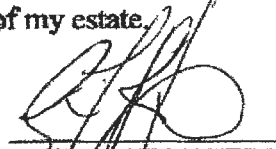

My purpose in writing to you is to confirm in advance that your parents' plan is acceptable to you and to make sure that you understand that the payment of your health insurance premiums and other distributions will reduce any amounts that you may receive later. If you find these terms acceptable, please sign and date below and return one copy of this letter to me in the enclosed self addressed envelope.

I look forward to hearing from you. Please call me if you have any questions.

Sincerely,

  
JOHN A. HERRERA

I, Eliot Bernstein, understand the above terms and conditions of my parents' proposed gift plan and find them acceptable. While I understand that it is my parents' present intention to continue this plan indefinitely, I also understand that they may at any time discontinue or alter this plan for any reason. If I die, I ask that any future gifts be paid to my wife Candice Bernstein rather than to the executor or administrator of my estate.

Subject: Si's Iviewit Stock and Patent Interests

Robert ~ just wanted to check if my father had listed as an asset in his estate his shares in the Iviewit companies and his patent interests. My father was the original seed investor before Huizenga and started the Iviewit companies with me formed around my inventions and Intellectual Properties. It is well documented in bank and other documents his interests, which companies were all initially 30% owned by Si and 70% by me. After multiple other investors of course we were diluted down and I am working that out pending state, federal and international investigations as some of the original shareholders may be excluded for their crimes and thus the number may fluctuate from its last pricing during a Wachovia Private Placement. I spoke to my father and it was his wishes that the stock be part of his estate for his kids and grandchildren in whatever way he chose to distribute his other assets. I would like to make sure that his wishes are fulfilled and so please advise as to how to incorporate the asset if it was not initially listed. Currently the assets are worth nothing, the patents are suspended pending federal investigations due to the extenuating circumstances surrounding the patents but at some near future time they may have considerable asset value. The patents are also at the center of an ongoing RICO action in the Federal Courts and considerable monies may be recovered via those efforts as well, of which of course, Si's interests must be also be considered in his estate.

Also, please reply with a time and day that we are meeting and if you could please send any documents to the attorneys and others I mentioned in my prior email correspondences copied below prior to the meeting time this would be of great service.

Thank you ~ Eliot

Robert,

Pleasure speaking yesterday and I hope this info gives some background to the Iviewit stock of my father's you were looking for, much of these links were done as the technologies and companies and IP was born and Si was an initial seed investor with Huizenga and Si owned 30% of the companies and the IP for his investments. I am not sure how anyone can claim they never heard of Iviewit and did not know it was an asset of Si's but this should jog some memories and Lewin and Proskauer are also initial investors and counsel. Also attached in Adobe PDF is Cap Tables done by Proskauer/Lewin initially for the shares. I have attached below a Conflict of Interest Disclosure regarding the Iviewit matters below for your review in handling these matters.

### CONFLICT OF INTEREST (COI) DISCLOSURE FORM

*"Lasciate ogne speranza, voi ch'intrate"*<sup>[1]</sup>  
whom fail to heed this form.

### **THIS COI MUST BE SIGNED AND RETURNED PRIOR TO ANY ACTION BY YOU IN THESE MATTERS**

Please accept and return signed, the following Conflict of Interest Disclosure Form (COI) before continuing further with adjudication, review or investigation of the attached MOTION to the **United States Second Circuit Court**, titled,

**MOTION TO:**

**AFTER 10 DAYS, IF THIS FORM HAS NOT BEEN SIGNED OR SUBSEQUENTLY TURNED OVER TO A NON CONFLICTED PARTY, YOUR FAILURE TO COMPLY WILL RESULT IN CRIMINAL AND CIVIL CHARGES FILED AGAINST YOU FOR AIDING AND ABETTING A RICO CRIMINAL ORGANIZATION, FEDERAL OBSTRUCTION OF JUSTICE AND MORE, AS NOTED HEREIN.**

The Conflict of Interest Disclosure Form is designed to ensure that the review and any determination from such review of the enclosed materials should not be biased by any conflicting financial interest or any other conflicting interest by those reviewers responsible for the handling of this confidential information. Whereby any conflict with any of the main alleged perpetrators of the alleged crimes referenced in these matters herein, or any other perpetrators not known at this time, must be fully disclosed in writing and returned by anyone reviewing these matters prior to making ANY determination.

Disclosure forms with "Yes" answers, by any party, to any of the following questions, are demanded not to open the remainder of the documents or opine in any manner, until the signed COI is reviewed and approved by the Iviewit companies and Eliot I. Bernstein. If you feel that a Conflict of Interest exists that cannot be eliminated through conflict resolution with the Iviewit

Companies or Eliot Bernstein, instantly forward the matters to the next available reviewer that is free of conflict that can sign and complete the requisite disclosure. Please identify conflicts that you have, in writing, upon terminating your involvement in the matters to the address listed at the end of this disclosure form for Iviewit companies or Eliot I. Bernstein. As many of these alleged perpetrators are large law firms, lawyers, members of various state and federal courts, officers of federal, state and local law enforcement and regulatory agencies, careful review and disclosure of any conflict with those named herein is pertinent in your continued handling of these matters objectively.

These matters already involve claims of, including but not limited to, Conflicts of Interest, Violations of Public Offices, *Whitewashing of Official Complaints in the Supreme Courts of New York, Florida, Virginia and elsewhere, Threatening a Federal Witness in a "legally related" Federal Whistleblower Lawsuit, Document Destruction and Alteration, Obstructions of Justice, RICO, ATTEMPTED MURDER and much more.* The need for prescreening for conflict is essential to the administration of due process in these matters and necessary to avoid charges of OBSTRUCTION OF JUSTICE and more, against you. US Federal District Court Judge, Shira A. Scheindlin, legally related the matters to a New York Supreme Court Attorney Whistleblower Lawsuit of Christine C. Anderson, Esq. who alleges similar claims of public office corruption against Supreme Court of New York Officials, US Attorneys, NY District Attorneys and Assistant District Attorneys. Therefore, this Conflict Check is a formal request for full disclosure of any conflict on your part, such request conforming with all applicable state and federal laws, public office rules and regulations, attorney conduct codes and judicial canons or other international law and treatises requiring disclosure of conflicts and disqualification from these matters where conflict precludes involvement.

Failure to comply with all applicable conflict disclosure rules, public office rules and regulations, and, state, federal and international laws, prior to continued action on your part, **shall constitute cause** for the filing of criminal and civil complaints against you for any decisions or actions you make prior to a signed Conflict Of Interest Disclosure Form. Charges will be filed against you for failure to comply. Complaints will be filed with all appropriate authorities, including but not limited to, the appropriate Federal, State, Local and International Law Enforcement Agencies, Public Integrity Officials, Judicial Conduct Officials, State and Federal Bar Associations, Disciplinary Departments and any/all other appropriate agencies.

## TITLE 18 FEDERAL CODE & OTHER APPLICABLE FEDERAL LAW

Title 18 U.S.C. § 4. Misprision of felony. Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.

A federal judge, or any other government official, is required as part of the judge's mandatory administrative duties, to receive any offer of information of a federal crime. If that judge blocks such report, that block is a felony under related obstruction of justice statutes, and constitutes a serious offense.

Upon receiving such information, the judge is then required to make it known to a government law enforcement body that is not themselves involved in the federal crime.

Title 28 U.S.C. § 1361. Action to compel an officer of the United States to perform his duty. The district courts shall have original jurisdiction of any action in the nature of mandamus to compel an officer or employee of the United States or any agency thereof to perform a duty owed to the plaintiff.

This federal statute permits any citizen to file a lawsuit in the federal courts to obtain a court order requiring a federal official to perform a mandatory duty and to halt unlawful acts. This statute is Title 28 U.S.C. § 1361.

Fraud upon the court

### FRAUD on the COURT

In the United States, when an officer of the court is found to have fraudulently presented facts to court so that the court is impaired in the impartial performance of its legal task, the act, known as "fraud upon the court", is a crime deemed so severe and fundamentally opposed to the operation of justice that it is not subject to any statute of limitation.

Officers of the court include: Lawyers, Judges, Referees, and those appointed; Guardian Ad Litem, Parenting Time Expeditors, Mediators, Rule 114 Neutrals, Evaluators, Administrators, special appointees, and any others whose influence are part of the judicial mechanism.

"Fraud upon the court" has been defined by the 7th Circuit Court of Appeals to "embrace that species of fraud which does, or attempts to, defile the court itself, or is a fraud perpetrated by officers of the court so that the judicial machinery can not perform in the usual manner its impartial task of adjudging cases that are presented for adjudication". *Kenner v. C.I.R.*, 387 F.3d 689 (1968); 7 Moore's Federal Practice, 2d ed., p. 512, ¶ 60.23

In *Bulloch v. United States*, 763 F.2d 1115, 1121 (10th Cir. 1985), the court stated "Fraud upon the court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury. ... It is where the court or a member is corrupted or influenced or influence is attempted or where the judge has not performed his judicial function --- thus where the impartial functions of the court have been directly corrupted."

**What effect does an act of "fraud upon the court" have upon the court proceeding? "Fraud upon the court" makes void the orders and judgments of that court.**

## Judicial Cannons

What causes the "Disqualification of Judges?"

*Federal law requires the automatic disqualification of a Federal judge under certain circumstances.*

In 1994, the U.S. Supreme Court held that "Disqualification is required if an objective observer would entertain reasonable questions about the judge's impartiality. If a judge's attitude or state of mind leads a detached observer to conclude that a fair and impartial hearing is unlikely, the judge must be disqualified." [Emphasis added]. *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994).

Courts have repeatedly held that positive proof of the partiality of a judge is not a requirement, only the appearance of partiality. *Liljeberg v. Health Services Acquisition Corp.*, 486 U.S. 847, 108 S.Ct. 2194 (1988) (what matters is not the reality of bias or prejudice but its appearance); *United States v. Balistreri*, 779 F.2d 1191 (7th Cir. 1985) (Section 455(a) "is directed against the appearance of partiality, whether or not the judge is actually biased.") ("Section 455(a) of the Judicial Code, 28 U.S.C. §455(a), is not intended to protect litigants from actual bias in their judge but rather to promote public confidence in the impartiality of the judicial process.")

That Court also stated that Section 455(a) "requires a judge to recuse himself in any proceeding in which her impartiality might reasonably be questioned." *Taylor v. O'Grady*, 888 F.2d 1189 (7th Cir. 1989). In *Pfizer Inc. v. Lord*, 456 F.2d 532 (8th Cir. 1972), the Court stated that "It is important that the litigant not only actually receive justice, but that he believes that he has received justice."

The Supreme Court has ruled and has reaffirmed the principle that "justice must satisfy the appearance of justice", *Levine v. United States*, 362 U.S. 610, 80 S.Ct. 1038 (1960), citing *Offutt v. United States*, 348 U.S. 11, 14, 75 S.Ct. 11, 13 (1954). A judge receiving a bribe from an interested party over which he is presiding, does not give the appearance of justice.

"Recusal under Section 455 is self-executing; a party need not file affidavits in support of recusal and the judge is obligated to recuse herself sua sponte under the stated circumstances." *Taylor v. O'Grady*, 888 F.2d 1189 (7th Cir. 1989).

Further, the judge has a legal duty to disqualify himself even if there is no motion asking for his disqualification. The Seventh Circuit Court of Appeals further stated that "We think that this language [455(a)] imposes a duty on the judge to act sua sponte, even if no motion or affidavit is filed." *Balistreri*, at 1202.

Judges do not have discretion not to disqualify themselves. By law, they are bound to follow the law. Should a judge not disqualify himself as required by law, then the judge has given another example of his "appearance of partiality" which, possibly, further disqualifies the judge. Should another judge not accept the disqualification of the judge, then the second judge has evidenced an "appearance of partiality" and has possibly disqualified himself/herself. None of the orders issued by any judge who has been disqualified by law would appear to be valid. It would appear that they are void as a matter of law, and are of no legal force or effect.

Should a judge not disqualify himself, then the judge is violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.").

Should a judge issue any order after he has been disqualified by law, and if the party has been denied of any of his / her property, then the judge may have been engaged in the Federal Crime of "interference with interstate commerce". The judge has acted in the judge's personal capacity and not in the judge's judicial capacity. It has been said that this judge, acting in this manner, has no more lawful authority than someone's next-door neighbor (provided that he is not a judge). However some judges may not follow the law.

If you were a non-represented litigant, and should the court not follow the law as to non-represented litigants, then the judge has expressed an "appearance of partiality" and, under the law, it would seem that he/she has disqualified him/herself.

However, since not all judges keep up to date in the law, and since not all judges follow the law, it is possible that a judge may not know the ruling of the U.S. Supreme Court and the other courts on this subject. Notice that it states "disqualification is required" and that a judge "must be disqualified" under certain circumstances.

The Supreme Court has also held that if a judge wars against the Constitution, or if he acts without jurisdiction, he has engaged in treason to the Constitution. If a judge acts after he has been automatically disqualified by law, then he is acting without jurisdiction, and that suggest that he is then engaging in criminal acts of treason, and may be engaged in extortion and the interference with interstate commerce.

Courts have repeatedly ruled that judges have no immunity for their criminal acts. Since both treason and the interference with interstate commerce are criminal acts, no judge has immunity to engage in such acts.

Canon 1. A Judge Should Uphold the Integrity and Independence of the Judiciary

[1.1] Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence of judges. The integrity and independence of judges depends in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law, including the provisions of this Code. Public confidence in the impartiality of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violation of this Code diminishes public confidence in the judiciary and thereby does injury to the system of government under law.

Canon 2. A Judge Should Avoid Impropriety and the Appearance of Impropriety in All Activities

(A) A judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

[2.2][2A] The prohibition against behaving with impropriety or the appearance of impropriety applies to both the professional and personal conduct of a judge. Because it is not practicable to list all prohibited acts, the proscription is necessarily cast in general terms that extend to conduct by judges that is harmful although not specifically mentioned in the Code. Actual improprieties under this standard include violations of law, court rules or other specific provisions of this Code. The test for appearance of impropriety is whether the conduct would create in reasonable minds a perception that the judge's ability to carry out judicial responsibilities with integrity, impartiality and competence is impaired.

Canon 3. A Judge Should Perform the Duties of the Office Impartially and Diligently

(B) Adjudicative responsibilities.

(1) A judge shall be faithful to the law and maintain professional competence in it. A judge shall not be swayed by partisan interests, public clamor or fear of criticism.

(2) A judge shall require order and decorum in proceedings before the judge.

(D) Disciplinary responsibilities.

(1) A judge who receives information indicating a substantial likelihood that another judge has committed a substantial violation of this Part shall take appropriate action.

(2) A judge who receives information indicating a substantial likelihood that a lawyer has committed a substantial violation of the Code of Professional Responsibility shall take appropriate action.

(3) Acts of a judge in the discharge of disciplinary responsibilities are part of a judge's judicial duties.

(E) Disqualification.

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned

[3.11][3B(6)(e)] A judge may delegate the responsibilities of the judge under Canon 3B(6) to a member of the judge's staff. A judge must make reasonable efforts, including the provision of appropriate supervision, to ensure that Section 3B(6) is not violated through law clerks or other personnel on the judge's staff. This provision does not prohibit the judge or the judge's law clerk from informing all parties individually of scheduling or administrative decisions.

[3.21][3E(1)] Under this rule, a judge is disqualified whenever the judge's impartiality might reasonably be questioned, regardless whether any of the specific rules in Section 3E(1) apply. For example, if a judge were in the process of negotiating for employment with a law firm, the judge would be disqualified from any matters in which that firm appeared, unless the disqualification was waived by the parties after disclosure by the judge.

[3.22][3E(1)] A judge should disclose on the record information that the judge believes the parties or their lawyers might consider relevant to the question of disqualification, even if the judge believes there is no real basis for disqualification.

Canon 4. A Judge May Engage in Extra-Judicial Activities To Improve the Law, the Legal System, and the Administration of Justice

Canon 5. A Judge Should Regulate Extra-Judicial Activities To Minimize the Risk of Conflict with Judicial Duties

--  
"We the people are the rightful master of both congress and the courts - not to overthrow the Constitution, but to overthrow the men who pervert the Constitution." - Abraham Lincoln

"Each time a person stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, these ripples build a current that can sweep down the mightiest walls of oppression and resistance." - Robert F. Kennedy

"Is life so dear or peace so sweet as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take, but as for me, give me liberty, or give me death!" - Patrick Henry

I live by the saying,

ELLEN G. WHITE

The greatest want of the world is the want of men, --men who will not be bought or sold; men who in their inmost souls are true and honest, men who do not fear to call sin by its right name; men whose conscience is as true to duty as the needle to the pole, men who will stand for the right though the heavens fall. -Education, p. 57(1903)

Dear Mr. Bell:

In connection with the proposed purchase of shares of preferred stock of iviewit Technologies, Inc. (f/k/a iviewit Holdings, Inc.) by Alpine Venture Capital Partners, LP, enclosed please find documents and information (collectively, "Documents") in response to your *Due Diligence Request List* (the "Request"). For ease of reference, we have organized the Documents to correspond with the numbering system set forth on the Request. We have prepared three binders, each of which contain Documents for the main iviewit Entities, as well as each of their predecessor (or affiliated) entities. In instances where the iviewit Entities had no relevant Documents under the applicable sections of the Request, we have left the sections in the binders empty. We will fax to you tomorrow an annotated copy of the Request, noting the sections for which there are no applicable Documents.

We will continue to send you Documents as such becomes available to us. These will include, among other things, an updated list of stockholders and members, as applicable, of the current iviewit Entities.

In order to help you more easily understand the relationship of the Documents to the current and predecessor iviewit Entities, please note that effective December 30, 1999, iviewit Technologies, Inc. (formerly known as iviewit Holdings, Inc.) ("Technologies"), as the sole member of iviewit.com LLC ("LLC"), exchanged its membership interests in LLC for 100 shares of iviewit.com, Inc., a newly organized Delaware corporation ("com, Inc.") (representing all of the issued and outstanding

common stock of com, Inc.). As a result, LLC became a wholly-owned subsidiary of com, Inc. Immediately thereafter, effective December 30, 1999, the then majority-owned subsidiary, iviewit LLC ("iviewit LLC"), transferred all of its assets and liabilities (including the 100 shares of com, Inc.) to Technologies in exchange for shares of Class A and Class B Common Stock of Technologies. The holders of iviewit LLC Class A Membership Interests received, on a pro-rata basis, shares of Technologies Class A Common Stock and holders of iviewit LLC Class B Membership Interests received, on a pro-rata basis, shares of Technologies Class B Common Stock. Thereafter, iviewit LLC distributed the shares of Technologies Class A and Class B Common Stock to its members, on a pro-rata basis, and based upon the class of Membership Interests in iviewit LLC then held. **Re: Due Diligence Request - iviewit Holdings, Inc. and its affiliates (collectively, the "iviewit Entities")**

Dear Mr. Bell:

Attached hereto please find a revised chart of the iviewit entities. The name of the parent entity in the chart attached to my letter to you dated January 13, 2000 (the "Letter") was incorrectly labeled. Additionally, the Letter reflects that Alpine Venture Capital Partners, LP, is commencing a due diligence review with respect to a proposed purchase of preferred stock of iviewit Technologies, Inc; however, the proper entity should have been reflected as iviewit Holdings, Inc. I apologize for any inconvenience this may have caused you.

I look forward to working with you on this matter.

Very truly yours,

## **“FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR NYS "ETHICS BOSSES**

<http://exposecorruptcourts.blogspot.com/2013/01/former-insider-admits-to-illegal.html>

54

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former NYS attorney ethics committee insider that various illegal actions were employed by New York State employees to target and/or protect select attorneys.

For purposes of this article, a first in a series, the former insider will be referred to as "The Cleaner's Man" or "The Man."

### **The Cleaner**

During the wrongful termination case of former Manhattan ethics attorney Christine Anderson, it was revealed that New York State employees had a nick-name for supervising ethics attorney Naomi Goldstein. Naomi Goldstein was, "The Cleaner."

### **"Ethics" Retaliation Machine Was Real.**

The focus of this initial article concerns the 1st and 2nd judicial department, though the illegal methods are believed to have been utilized statewide in all 4 judicial departments.

The Cleaner's Man says that he would receive a telephone call from Naomi Goldstein, who would say, "we have another target, I want to meet you..." The Man also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel, were knowledgeable of all of Naomi Goldstein's activity with him and his team.

The meetings, he says, were usually at a park or restaurant near the Manhattan Attorney ethics offices (the "DDC") in lower Manhattan, however he did over time meet Goldstein at his office, the DDC or in movie theater- a venue picked by Naomi. Goldstein would provide her Man with the name, and other basic information, so that the Man's team could begin their "investigation."

The Man specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson]."

The Man says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7. The Man says he viewed the improperly recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Anderson should not, however, feel like she was a lone target. According to The Man, "...over 125 cases were interfered with..." And there were dozens of "targeted" lawyers, says The Man, adding, that the actions of his teams were clearly "intentionally obstructing justice."

If Ms. Goldstein had identified the Ethics Committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem.

The Man has a nice way of explaining his actions, the "authority" to so act and, he says, over 1.5 million documents as proof..... The U.S. Attorney is aware of The Man and his claims...."

## **“UPDATE ON ATTORNEY "ETHICS" COMMITTEES' ILLEGAL WIRETAPS FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR "ETHICS" BOSSES.”**

<http://exposecorruptcourts.blogspot.com/2013/02/update-on-attorney-ethics-committees.html>

Excerpts from the article,

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former New York State attorney ethics committee insider that various illegal actions were employed by New York State supervising employees to target and/or protect select attorneys.

### **The Cleaner**

Many of the most powerful attorneys in the United States are licensed to practice law in New York State, and if the business address for that lawyer is located in The Bronx or Manhattan, legal ethics is overseen by the Departmental Disciplinary Committee (the "DDC"), a group that falls under Manhattan's Appellate Division of The NY Supreme Court, First Department.

A few years ago, and during a wrongful termination case involving a former DDC ethics attorney, Christine Anderson, it was revealed that DDC employees had a nick-name for a supervising ethics attorney, Naomi Goldstein. "Ethics" Supervising Attorney Naomi Goldstein was known as "the Cleaner."

### **"Ethics" Retaliation Machine Was Real**

There are usually cries of "retaliation" whenever charges of violating regulations of attorney ethics rules are lodged against a lawyer. However, an investigation of activity at the DDC for a ten year period reveals startling evidence of routine and improper retaliation, evidence tampering and widespread coverups.

Importantly, an insider, who says he was involved in the illegal activity, including widespread wiretapping, has provided the troubling details during recent interviews. He says he supervised the teams that acted illegally. The insider says that he was Naomi Goldstein's 'man' - The Cleaner's 'man' - and that he would simply receive a telephone call from Naomi Goldstein, and who would say, "we have another target, I want to meet you..." He also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel- and

now in private practice helping lawyers in "ethics" investigations, were part of, and knowledgeable of, the illegal activity.

The meetings, the insider says, were usually at a park or restaurant near the DDC's lower Manhattan ethics' offices, however he did over time meet Goldstein at his office, inside the DDC or in movie theater- a venue picked by Naomi. Goldstein only needed to provide him with the name and other basic information, so that his team could begin their "investigation."

He specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson,]" the former DDC staff attorney who had complained that certain internal files had been gutted of collected evidence.

Naomi's "man" says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7.

He says he reviewed the illegally recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Attorney Christine Anderson should not, however, feel like she was a lone target. Initially, Goldstein's "man," indicated that "...over 125 [attorney] cases were interfered with..." But a subsequent and closer review of approximately 1.5 million documents has revealed that there may have been many hundreds of attorneys, over the ten-year-period, involved in the DDC's dirty tricks, focused retaliation and planned coverups.

Previously identified "targeted" lawyers were only numbered in the "dozens," but that was before the years-old documents were reviewed. In initial interviews, the insider says that if Ms. Goldstein had identified the DDC ethics committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem. But targets, it is now revealed, were not always identified as having a law license.

The DDC insider also says that litigants (most of whom were not attorneys) were also DDC targets. The on-going document review continues to refresh the memory of the insider, after initially only remembering names from high-profile cases involving "big-name" attorneys. But one fact remains constant, says the insider- the actions of his teams were clearly and "intentionally obstructing justice."

Not only were attorneys targeted for 24/7 wiretapping of their personal and business phones, but judges in New York also became victims of the illegal whims of political insiders, according to a former insider who says he supervised parts of the operation for years.

The Manhattan-based attorney ethics committee, the Departmental Disciplinary Committee (the "DDC"), a state-run entity that oversees the "ethics" of those who practice law in The Bronx and Manhattan, has been identified of **utilizing the illegal activity- at will, and by whim- to either target or protect certain attorneys.**

One Manhattan supervising ethics attorney, Naomi Goldstein, was identified as a regular requestor of the **illegal tape recordings, and former chief counsel [DEFENDANT] Thomas Cahill has been described in interviews as being "very involved" to those who were conducting the illegal activity.** Cahill subsequently retired, however New York State-paid attorney Naomi Goldstein still supervises "ethics" investigations from her Wall Street DDC 2nd floor office at 61 Broadway. **THERE'S MORE TO THIS STORY, see the first 3 judges identified ..... Manhattan, has been identified of utilizing the illegal activity- at will, and by whim- to either target or protect certain attorneys.

One Manhattan supervising ethics attorney, Naomi Goldstein, was identified as a regular requestor of the illegal tape recordings, and former chief counsel Thomas Cahill has been described in interviews as being "very involved" to those who were conducting the illegal activity. Cahill subsequently retired, however New York State-paid attorney Naomi Goldstein still supervises "ethics" investigations from her Wall Street DDC 2nd floor office at 61 Broadway.

Ethicsgate

According to the source, one New York "ethics" legend, Alan Friedberg, was "very well known" to those conducting the illegal wiretapping activity. Friedberg, who has become the poster child for unethical tactics while conducting "ethics" inquiries, appears to have been present in the various state offices where illegal wiretaps were utilized. Friedberg worked for the New York State Commission on Judicial Conduct (the "CJC") before running the Manhattan attorney "ethics" committee as chief counsel for a few years. Friedberg then resurfaced at the CJC, where he remains today. The CJC investigates ethics complaints of all judges in New York State.

Judges Deserve Justice Too, Unless Political Hacks Decide Otherwise

While court administrators have effectively disgraced most judges with substandard compensation, it appears that at least the selective enforcement of "ethics" rules, dirty tricks and retaliation were equally employed on lawyers and judges alike.

According to the insider, targeted judges had their cellphones, homes and court phones wiretapped- all without required court orders. In addition, according to the source, certain courtrooms, chambers and robing rooms were illegally bugged.

A quick review of notes from over one million pages of evidence, according to the insider, reveals that the "black bag jobs" included: NYS Supreme Court Judge, the Hon. Alice Schlesinger (Manhattan), Criminal Court Judge, the Hon. Shari R. Michels (Brooklyn) and NYS Supreme Court Judge, the Bernadette Bayne (Brooklyn).

"ETHICS" OFFICES."**

<http://ethicsgate.blogspot.com/2013/02/ny-governor-andrew-cuomo-asked-to-shut.html>

Selected Quotes from that story,

New York State Governor Andrew Cuomo has been formally requested to immediately shut down the offices of The Commission on Judicial Conduct (the "CJC"), the state agency charged with overseeing the ethics of all judges in the Empire State. The request comes from a public integrity group after confirmation that the CJC has been involved in illegally wiretapping and other illegal "black bag operations" for years.

Governor Cuomo is asked to send New York State Troopers to close and secure the state's three judicial ethics offices: the main office on the 12th floor at 61 Broadway in Manhattan, the capital office in Albany at the Corning Tower in the Empire State Plaza, and the northwest regional office at 400 Andrews Street in Rochester.

The Governor is asked to telephone the Assistant United States Attorney who is overseeing the millions of items of evidence, most of which that has been secreted from the public- and the governor- by a federal court order.

Governor Cuomo was provided with the direct telephone number of the involved federal prosecutor, and simply requested to confirm that evidence exists that certain state employees in New York's so-called judicial "ethics" committee illegally wiretapped state judges.

The request to the governor will be posted at [www.ethicsgate.com](http://www.ethicsgate.com) later today. (Media inquiries can be made to 202-374-3680.)

RE: Illegal Wiretapping of NYS Judges and Attorneys by "Ethics" Entities

Dear Senator,

On February 15, 2013, we formally requested that Governor Cuomo contact the Assistant U.S. Attorney handling a sensitive federal case wherein credible evidence, in the millions of documents currently under court seal, support the allegation of the widespread illegal wiretapping of New York State judges and attorneys over at least the last ten years. In addition, other individuals- unrelated to that sealed federal matter- allege the exact same illegal activity.

The illegal wiretapping is alleged to have been directed by named senior personnel (and NYS employees) at the Commission on Judicial Conduct (the "CJC") and by at least two of the state's 4 judicial departments' attorney ethics committees.

We are, of course, confident that Governor Cuomo is taking decisive action regarding these troubling allegations, and we are now requesting that you, as a New York State Senator, begin a comprehensive review of the troubling issues.

As we are all aware, certain corrupt forces in New York have caused tremendous damage to the very soul of this great state. Now, the improper actions have accomplished the "ultimate corruption" - they have compromised and corrupted New York's so-called "ethics oversight" entities.

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about the state's so-called "ethics" oversight entities. (Additional information is available at [www.Reform2013.com](http://www.Reform2013.com))

Accordingly, it is requested that you direct someone in your office to act as the liaison regarding this Ethics Corruption, and that he or she be in contact with us so that we may best communicate information to your office. Please have your designee contact us at their earliest convenience.

Thank you.

Very truly yours,

RE: Formal Complaint Against New York State Employees Involving  
Constitutional Violations, including widespread illegal wiretapping

Dear Mr. Moosy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping, inter alia. As these individuals were in supervisory positions at "ethics oversight" committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney "ethics" committees.

The NY state-employed individuals herein complained of include New York State admitted attorneys Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.

At some point in time shortly after 9/11, and by methods not addressed here, these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the "JTTF"). These individuals completely violated the provisions of FISA, ECPA and the Patriot Act for their own personal and political

agendas. Specifically, these NY state employees essentially commenced “black bag operations,” including illegal wiretapping, against whomever they chose- and without legitimate or lawful purpose.

To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here, as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods (“set-ups”). The aftermath of such abuse for such an extended period of time is staggering.

It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful “black bag operations,” and, further, that certain NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani’s claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan’s attorney “ethics” committee, the Departmental Disciplinary Committee (the “DDC”), which includes allowing cover law firm operations to engage in the practice of law without a law license. Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees supervised the protection of the

unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants.

Evidence also supports the widespread illegal use of “black bag operations” by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, to set-up anyone who had been deemed to be a target, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics “departments,” but also in matters beyond the borders of New York.

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees - all of startling proportions. For example:

- The “set-up” of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently incarcerated. The trial judge, U.S. District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, “I have never heard anything like the facts of this case. I don’t think any other judge has ever heard anything like the facts of this case.” (2nd Circuit 11cr2763)
- The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.
- The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.
- The thwarting of new evidence involving a mid 1990’s “set-up” of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan)
- The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)
- The eToys litigation and bankruptcy, and associates of Marc Dreier, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.
- The “set-up” and “chilling” of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.
- The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear Sterns and where protected attorney-client conversations were recorded and distributed.
- The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately

disbarred- in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weissshaus v. Fagan)

Additional information will be posted on [www.Reform2013.com](http://www.Reform2013.com)

The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February 15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

8. for such other relief as the Court may find just and proper.

The reasons why I am entitled to the relief I seek are the following:

Plaintiff appears in this action "In Propria Persona" and asks that his points and authorities relied upon herein, and issues raised herein, must be addressed "on the merits" and not simply on his Pro Se Status.

Oftentimes courts do not take Pro Se Litigants serious. I, Plaintiff Eliot Ivan Bernstein wish to be taken serious and to not have my allegation dismissed.

"Court errs if court dismisses pro se litigant without instructions of how pleadings are deficient and how to repair pleadings." *Plaskey v CIA*, 953 F.2nd 25. The Court granted such leniency, or "liberal construction," to pro se pleadings against the backdrop of *Conley v. Gibson's* undemanding "no set of facts" standard. ( See *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957) ("[A] complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief."), abrogated by *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 561-63 (2007). This standard epitomized the notice-pleading regime envisioned by the drafters of the Federal Rules, who emphasized discovery as the stage at which a claim's true merit would come to light, rather than pleading. See Christopher M. Fairman, *The Myth of Notice Pleading*, 45 ARIZ. L. REV. 987, 990 (2003) ("With merits determination as the goal, the Federal Rules create a new procedural system that massively deemphasizes the role of pleadings.").

The Court's failure to explain how pro se pleadings are to be liberally construed. ( See *Bacharach & Entzeroth*, supra note 7, at 29-30 (asserting that because the Supreme Court never defined the "degree of relaxation" afforded pro se pleadings in comparison to the liberal notice pleading standard applicable to all litigants, lower courts adopted different iterations of the rule). ~ .. indicates its belief that the standard was already lenient enough to render a detailed articulation of the practice unnecessary to prevent premature dismissal of meritorious cases.

However, with *Bell Atlantic Corp. v. Twombly* ( 550 U.S. 544 (2007). and *Ashcroft v. Iqbal* ( 129 S. Ct. 1937 (2009) retiring the “no set of facts” standard and ratifying the means by which lower courts dismissed more disfavored cases under *Conley*, ( See generally Richard L. Marcus, *The Revival of Fact Pleading Under the Federal Rules of Civil Procedure*, 86 *COLUM. L. REV.* 433, 435-37 (1986) (explaining how the reemergence of fact pleading resulted from lower courts’ refusals to accept conclusory allegations as sufficient under the Federal Rules in *particular categories of suits*).

.. liberal construction as presently practiced is not—if it ever was—sufficient to protect pro se litigants’ access to courts. The new plausibility standard ( See *Twombly*, 550 U.S. at 570 (requiring a complaint to allege “enough facts to state a claim to relief that is plausible on its face”).. with which courts now determine the adequacy of complaints disproportionately harms pro se litigants. ( See Patricia W. Hatamyar, *The Tao of Pleading: Do Twombly and Iqbal Matter Empirically?*, 59 *AM. U. L. REV.* 553, 615 (2010) (observing a substantially greater increase in the rate of dismissal of pro se suits than represented suits post-*Iqbal*).

“Pro se complaint[s], ‘however inartfully pleaded,’ [are] held to ‘less stringent standards than formal pleadings drafted by lawyers. ( *Estelle v. Gamble*, 429 U.S. 97, 106 (1976) (quoting *Haines v. Kerner*, 404 U.S. 519, 520-21 (1972) (per curiam)).

*HAINES v. KERNER, ET AL.* 404 U.S. 519, 92 S. Ct. 594, 30 L. Ed. 2d 652. Whatever may be the limits on the scope of inquiry of courts into the internal administration of prisons, allegations such as those asserted by petitioner, however inartfully pleaded, are sufficient to call for the

opportunity to offer supporting evidence. We cannot say with assurance that under the allegations of the pro se complaint, which we hold to less stringent standards than formal pleadings drafted by lawyers, it appears "beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief." *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957). See *Dioguardi v. Durning*, 139 F.2d 774 (CA2 1944).

*ESTELLE, CORRECTIONS DIRECTOR, ET AL. v. GAMBLE* 29 U.S. 97, 97 S. Ct. 285, 50 L. Ed. 2d 251. We now consider whether respondent's complaint states a cognizable 1983 claim. The handwritten pro se document is to be liberally construed. As the Court unanimously held in *Haines v. Kerner*, 404 U.S. 519 (1972), a pro se complaint, "however inartfully pleaded," must be held to "less stringent standards than formal pleadings drafted by lawyers" and can only be dismissed for failure to state a claim if it appears "beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief." *Id.*, at 520-521, quoting *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957)

*BALDWIN COUNTY WELCOME CENTER v. BROWN* 466 U.S. 147, 104 S. Ct. 1723, 80 L. Ed. 2d 196, 52 U.S.L.W. 3751. Rule 8(f) provides that " pleadings shall be so construed as to do substantial justice." We frequently have stated that pro se pleadings are to be given a liberal construction.

*UGHES v. ROWE ET AL.* 449 U.S. 5, 101 S. Ct. 173, 66 L. Ed. 2d 163, 49 U.S.L.W. 3346. Petitioner's complaint, like most prisoner complaints filed in the Northern District of Illinois, was not prepared by counsel. It is settled law that the allegations of such a complaint, "however

inartfully pleaded" are held "to less stringent standards than formal pleadings drafted by lawyers, see *Haines v. Kerner*, 404 U.S. 519, 520 (1972). See also *Maclin v. Paulson*, 627 F.2d 83, 86 (CA7 1980); *French v. Heyne*, 547 F.2d 994, 996 (CA7 1976). Such a complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief. *Haines*, supra, at 520-521. And, of course, the allegations of the complaint are generally taken as true for purposes of a motion to dismiss. *Cruz v. Beto*, 405 U.S. 319, 322 (1972).

Both the right to proceed pro se and liberal pleading standards reflect the modern civil legal system's emphasis on protecting access to courts. ( See, e.g., *Phillips v. Cnty. of Allegheny*, 515 F.3d 224, 230 (3d Cir. 2008) ("Few issues . . . are more significant than pleading standards, which are the key that opens access to courts."); Drew A. Swank, *In Defense of Rules and Roles: The Need to Curb Extreme Forms of Pro Se Assistance and Accommodation in Litigation*, 54 *AM. U. L. REV.* 1537, 1546 (2005) (noting that "[o]pen access to the courts for all citizens" is one of the principles upon which the right to prosecute one's own case is founded).

Self-representation has firm roots in the notion that all individuals, no matter their status or wealth, are entitled to air grievances for which they may be entitled to relief. ( See Swank, supra note 1, at 1546 (discussing the importance of self-representation to the fundamental precept of equality before the law).

Access, then, must not be contingent upon retaining counsel, lest the entitlement become a mere privilege denied to certain segments of society. Similarly, because pleading is the gateway by

which litigants access federal courts, the drafters of the Federal Rules of Civil Procedure purposefully eschewed strict sufficiency standards. ( See Proceedings of the Institute on Federal Rules (1938) (statement of Edgar Tolman), reprinted in RULES OF CIVIL PROCEDURE FOR THE DISTRICT COURTS OF THE UNITED STATES 301-13 (William W. Dawson ed., 1938).

In their place, the drafters instituted a regime in which a complaint quite easily entitled its author to discovery in order to prevent dismissal of cases before litigants have had an adequate opportunity to demonstrate their merit. ( See Mark Herrmann, James M. Beck & Stephen B. Burbank, Debate, Plausible Denial: Should Congress Overrule Twombly and Iqbal? 158 U. PA. L. REV. PENNUMBRA 141, 148 (2009), (Burbank, Rebuttal) (asserting that the drafters of the Federal Rules objected to a technical pleading regime because it would “too often cut[] off adjudication on the merits”).

Recognizing that transsubstantive pleading standards do not sufficiently account for the capability differential between represented and unrepresented litigants, the Supreme Court fashioned a rule of special solicitude for pro se pleadings. ( See Robert Bacharach & Lyn Entzeroth, Judicial Advocacy in Pro Se Litigation: A Return to Neutrality, 42 IND. L.REV. 19, 22-26 (2009) (noting that courts created ways to ensure that meritorious pro se suits would not be dismissed simply because the litigants lacked legal knowledge and experience, one of which was liberal construction).

Far from just articulating a common systemic value, though, the right to prosecute one’s own case without assistance of counsel in fact depends significantly upon liberal pleading standards. (

Clark, *The New Federal Rules of Civil Procedure: The Last Phase— Underlying Philosophy Embodied in Some of the Basic Provisions of the New Procedure*, 23 A.B.A. J. 976, 976-77 (1937) (commenting that liberal pleading rules were necessary to mitigate information asymmetries between plaintiffs and defendants that often led to premature dismissal of suits).

Notably, in no suits are such information asymmetries more apparent than those in which pro se litigants sue represented adversaries. These types of suits comprise the vast majority in which pro se litigants appear. Cf. Jonathan D. Rosenbloom, *Exploring Methods to Improve Management and Fairness in Pro Se Cases: A Study of the Pro Se Docket in the Southern District of New York*, 30 *FORDHAM URB. L.J.* 305, 323 (showing that the majority of pro se cases involve unrepresented plaintiffs who sue governmental defendants).

*HAINES v. KERNER, ET AL.* 404 U.S. 519, 92 S. Ct. 594, 30 L. Ed. 2d 652. Whatever may be the limits on the scope of inquiry of courts into the internal administration of prisons, allegations

such as those asserted by petitioner, however inartfully pleaded, are sufficient to call for the opportunity to offer supporting evidence. We cannot say with assurance that under the allegations of the pro se complaint, which we hold to less stringent standards than formal pleadings drafted by lawyers, it appears "beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief." *Conley v. “Pro se complaint[s], ‘however inartfully pleaded,’ [are] held to ‘less stringent standards than formal pleadings drafted by lawyers. ( *Estelle v. Gamble*, 429 U.S. 97, 106 (1976) (quoting *Haines v. Kerner*, 404 U.S. 519, 520-21 (1972) (per curiam)).

The Court granted such leniency, or “liberal construction,” to pro se pleadings against the backdrop of *Conley v. Gibson*'s undemanding “no set of facts” standard. ( See *Conley v. Gibson*, 355 U.S. 41, 45-46 (1957) (“[A] complaint should not be dismissed for failure to state a claim unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.”), abrogated by *Bell Atl. Corp. v. Twombly*, 550 U.S. 544,

561-63 (2007). This standard epitomized the notice-pleading regime envisioned by the drafters of the Federal Rules, who emphasized discovery as the stage at which a claim's true merit would come to light, rather than pleading. See Christopher M. Fairman, *The Myth of Notice Pleading*, 45 ARIZ. L. REV. 987, 990 (2003) ("With merits determination as the goal, the Federal Rules create a new procedural system that massively deemphasizes the role of pleadings.").

The Court's failure to explain how pro se pleadings are to be liberally construed. ( See *Bacharach & Entzeroth*, supra note 7, at 29-30 (asserting that because the Supreme Court never defined the "degree of relaxation" afforded pro se pleadings in comparison to the liberal notice pleading standard applicable to all litigants, lower courts adopted different iterations of the rule).

~ .. indicates its belief that the standard was already lenient enough to render a detailed articulation of the practice unnecessary to prevent premature dismissal of meritorious cases.

However, with *Bell Atlantic Corp. v. Twombly* ( 550 U.S. 544 (2007). and *Ashcroft v. Iqbal* ( 129 S. Ct. 1937 (2009) retiring the "no set of facts" standard and ratifying the means by which lower courts dismissed more disfavored cases under *Conley*, ( See generally Richard L. Marcus, *The Revival of Fact Pleading Under the Federal Rules of Civil Procedure*, 86 COLUM. L. REV. 433, 435-37 (1986) (explaining how the reemergence of fact pleading resulted from lower courts' refusals to accept conclusory allegations as sufficient under the Federal Rules in particular categories of suits).

.. liberal construction as presently practiced is not—if it ever was—sufficient to protect pro se litigants' access to courts. The new plausibility standard ( See *Twombly*, 550 U.S. at 570

(requiring a complaint to allege “enough facts to state a claim to relief that is plausible on its face”).. with which courts now determine the adequacy of complaints disproportionately harms pro se litigants. ( See Patricia W. Hatamyar, *The Tao of Pleading: Do Twombly and Iqbal Matter Empirically?*, 59 AM. U. L. REV. 553, 615 (2010) (observing a substantially greater increase in the rate of dismissal of pro se suits than represented suits post-Iqbal).

First, the Supreme Court’s instruction that “conclusory” facts not be presumed true when determining a claim’s plausibility ( See *Iqbal*, 129 S. Ct. at 1951 (“[T]he allegations are conclusory and not entitled to be assumed true.”); Hatamyar, *supra* note 15, at 579 (“*Iqbal* invites judges to . . . eliminate from consideration all the complaint’s conclusory allegations . . .”). The parsing of a complaint into conclusory and nonconclusory factual allegations disregards the Federal Rules’ express disavowal of fact pleading, along with their requirement that all facts be presumed true when determining the adequacy of a complaint. See, e.g., Stephen B. Burbank, *Pleading and the Dilemmas of Modern American Procedure*, 93 JUDICATURE 109, 115 (2009) (noting that the drafters of the Federal Rules rejected fact pleading because of the impossibility of distinguishing between conclusions and facts); Hatamyar, *supra* note 15, at 563 (discussing courts’ obligations to credit as true all factual allegations in a complaint). This will affect those who (1) lack the resources to develop facts before discovery, (2) bring claims requiring them to plead information exclusively within the opposition’s possession, or (3) rely on forms in drafting complaints.

Pro se litigants typify the parties who demonstrate all three behaviors.

Second, determining whether the remaining allegations permit a plausible inference of wrongdoing, as per the Supreme Court's instruction, ( See Iqbal, 129 S. Ct. at 1950 ("When there are well-pleaded factual allegations, a court should assume their veracity and then determine whether they plausibly give rise to an entitlement to relief.")) is a wildly subjective endeavor. Courts are likely—no doubt unintentionally—to draw inferences that disfavor pro se litigants because their "judicial common sense" judgments of what is plausible result from a drastically different set of background experiences and values. ( 8 Cf. Burbank, supra note 16, at 118 (suggesting that reliance on "judicial experience and common sense," Iqbal, 129 S. Ct. at 1950, invites "cognitive illiberalism," a phenomenon that negatively affects classes of disfavored litigants). ..

The mixture of these two steps portends serious trouble for pro se litigants, who, even before the plausibility standard, did not fare well despite the leeway afforded their complaints.

(See Hatamyar, supra note 15, at 615 (noting that, under Conley, courts dismissed sixty-seven percent of pro se cases).

Pro Se litigants are entitled to liberality in construing their pleading.

Non-Lawyer pro se litigants are not to be held to same standards as a practicing lawyer.

"Pleadings in this case are being filed by Plaintiff In Propria Persona, wherein pleadings are to be considered without regard to technicalities. Propria, pleadings are not to be held to the same high standards of perfection as practicing lawyers. See Haines v. Kerner 92 Sct 594, also See Power 914 F2d 1459 (11th

Cir1990), also See Hulsey v. Ownes 63 F3d 354 (5th Cir 1995). also See In Re: HALL v. BELLMON 935 F.2d 1106 (10th Cir. 1991)."

In Puckett v. Cox, it was held that a pro-se pleading requires less stringent reading than one drafted by a lawyer (456 F2d 233 (1972 Sixth Circuit USCA). Justice Black in Conley v. Gibson, 355 U.S. 41 at 48 (1957) "The Federal Rules rejects the approach that pleading is a game of skill in which one misstep by counsel may be decisive to the outcome and accept the principle that the purpose of pleading is to facilitate a proper decision on the merits." According to Rule 8(f) FRCP and the State Court rule which holds that all pleadings shall be construed to do substantial justice."

## **I. INTRODUCTION**

9. That on or about \_\_\_\_\_ 2007-2008, Plaintiff was contacted by an "Investigative Reporter" and former Government Employee, Frank Brady, who later became known as Kevin McKeown ("McKeown"), who later became a "Related Lawsuit" to this Lawsuit, Case No. 08cv02391 McKeown v The State of New York, et al., who later it was learned was a former employee for Defendant NY Supreme Court Departmental Disciplinary Committee, who later it was learned has friends in this Court.

10. That initially McKeown stated to Plaintiff and others that he had information regarding complaints being mishandled at the New York Supreme Court Appellate Division First Department Departmental Disciplinary Committee (“DDC”) by Chief Counsel of the DDC, Thomas Cahill and others. McKeown stated he would be posting a story to his blog, Expose Corrupt Courts (“ECC”) about Cahill and a possible inside Whistleblower that was coming forward with corruption charges that rose to the top of the DDC and more.
11. That at the initial time of introduction to McKeown, Plaintiff Bernstein was unaware that McKeown was named anything other than Frank Brady, a name he claimed later was used by several other people he knows. One wonders, who uses the same alias as another and for what, which is still unknown by Plaintiff, as is, how McKeown/Brady orchestrated all of these “related” lawsuits with this Court and corralled a number of victims of DDC abuse together and how these mystery puzzle pieces come together to either derail justice or to see justice served in this Court. Yet, as this Motion will show, the time is now for Plaintiff to have discovery of all these mysteries that have led him before this Court, as his life and the life of his lovely wife and beautiful three children are again in extreme danger (the first time resulted in Car Bombing Murder Attempt of Bernstein and his family) and their CONSTITUTIONAL RIGHTS TO PRIVACY, LIFE AND LIBERTY AND DUE PROCESS are now being wholly violated by the Defendants

in this RICO, through now further and NEW harassments, abuses of process, theft of inheritances, as will all be defined and evidenced further herein.

12. That as evidenced herein Brady McKeown has released BRAND NEW news articles, which have allegations that DDC ranking members and others, conspired to “Obstruct Justice” in lawsuits through a variety of criminal activity, including in the “legally related” Anderson lawsuit and to this RICO and ANTITRUST lawsuit. These newly discovered crimes wholly violate plaintiffs in these lawsuits rights through **FELONY STATE AND FEDERAL OBSTRUCTION OF JUSTICE CRIMES COMMITTED BY PUBLIC OFFICIALS TO BLOCK DUE PROCESS RIGHTS OF THEIR VICTIMS**, including but not limited to *ALLEGATIONS OF,*

- i. **THREATS ON FEDERAL WITNESSES,**
- ii. **ILLEGAL WIRETAPPING,**
- iii. **MISUSE OF JOINT TERRORISM TASK FORCE RESOURCES AND FUNDS TO ILLEGALLY “TARGET” PRIVATE CITIZENS, JUDGES, ATTORNEYS AT LAW AND OTHERS,**
- iv. **MISUSE OF THE PATRIOT ACT TO TARGET PRIVATE CITIZENS WITHOUT WARRANT OR CAUSE,**
- v. **24/7/365 SURVELLIANCE OF WHISTLEBLOWERS AND OTHER “TARGETS” AND**

vi. **THE GRANTING OF LAW LICENSES BY DEPARTMENT OFFICIALS TO NON-LAWYERS IN ORDER TO SUBVERT JUSTICE, THESE CRIMINALS DISGUISED AS “ATTORNEYS AT LAW” THEN INFILTRATING GOVERNMENT AGENCIES TO INTERFERE WITH THE GOVERNMENT PROCESSES, INVESTIGATIONS, PROSECUTIONS AND MORE.**

All of these criminal acts in efforts to cover up crimes and protect the guilty through misuse of public offices.

13. That these Defendants and others are now alleged to be ILLEGALLY wiretapping not only plaintiffs in the legally related lawsuits but Judges and more, as will be evidenced herein.

14. That Just “Who is this Masked Man Anyway<sup>1</sup>” and the identity of McKeown/Brady is critical information to this Lawsuit now, as it is the glue that binds this Lawsuit with the “Legally Related Lawsuits” and ties them all to the following actions,

- i. Ongoing New York Senate Judiciary Committee Hearings on Public Office Corruption emanating from the DDC and certain Defendants in this Lawsuit and others, where Plaintiff, Anderson, Brady/McKeown have testified, submitted evidence and await determination from this Committee,
- ii. multiple “Legally Related” lawsuits related by this Court,

The article details intentional "Obstruction of Justice" against Related Case to this Lawsuit (07cv09599) Anderson v The State of New York, et al. filed by Whistleblower Christine C. Anderson, Esq. former Attorney at Law for the New York Supreme Court Departmental Disciplinary Committee and an expert in Attorney at Law Disciplinary complaints. The article details an invasion of privacy against Anderson to "OBSTRUCT JUSTICE" so outrageous as to completely have prejudiced not only the Anderson related lawsuit but this Lawsuit and every lawsuit "Legally Related" to Anderson.

Selected Quotes from this story,

**"FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR NYS 'ETHICS BOSSES'"**

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former NYS attorney ethics committee insider that various illegal actions were employed by New York State employees to target and/or protect select attorneys.

For purposes of this article, a first in a series, the former insider will be referred to as "The Cleaner's Man" or "The Man."

**The Cleaner**

During the wrongful termination case of former Manhattan ethics attorney Christine Anderson, it was revealed that New York State employees had a nickname for supervising ethics attorney Naomi Goldstein. Naomi Goldstein was, "The Cleaner."

**"Ethics" Retaliation Machine Was Real.**

The focus of this initial article concerns the 1st and 2nd judicial department, though the illegal methods are believed to have been utilized statewide in all 4 judicial departments.

The Cleaner's Man says that he would receive a telephone call from Naomi Goldstein, who would say, "we have another target, I want to meet you..." The Man also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel, were knowledgeable of all of Naomi Goldstein's activity with him and his team.

The meetings, he says, were usually at a park or restaurant near the Manhattan Attorney ethics offices (the "DDC") in lower Manhattan, however he did over time meet Goldstein at his office, the DDC or in movie theater- a venue picked by Naomi. Goldstein would provide her Man with the name, and other basic information, so that the Man's team could begin their "investigation."

The Man specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson]."

The Man says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7. The Man says he viewed the improperly recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Anderson should not, however, feel like she was a lone target. According to The Man, "...over 125 cases were interfered with..." And there were dozens of "targeted" lawyers, says The Man, adding, that the actions of his teams were clearly "intentionally obstructing justice."

If Ms. Goldstein had identified the Ethics Committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem.

The Man has a nice way of explaining his actions, the "authority" to so act and, he says, over 1.5 million documents as proof..... The U.S. Attorney is aware of The Man and his claims....<sup>23</sup>

**“UPDATE ON ATTORNEY "ETHICS" COMMITTEES' ILLEGAL WIRETAPS  
FORMER INSIDER ADMITS TO ILLEGAL WIRETAPS FOR "ETHICS"  
BOSSSES.”<sup>24</sup>**

From that story,

Evidence was obtained on Thursday, January 24, 2013, confirming the position of a former New York State attorney ethics committee insider that various illegal actions were employed by New York State supervising employees to target and/or protect select attorneys.

**The Cleaner**

Many of the most powerful attorneys in the United States are licensed to practice law in New York State, and if the business address for that lawyer is located in The Bronx or Manhattan, legal ethics is overseen by the Departmental Disciplinary Committee (the "DDC"), a group that falls under Manhattan's Appellate Division of The NY Supreme Court, First Department.

A few years ago, and during a wrongful termination case involving a former DDC ethics attorney, Christine Anderson, it was revealed that DDC employees had a nick-name for a supervising ethics attorney, Naomi Goldstein. "Ethics" Supervising Attorney Naomi Goldstein was known as "the Cleaner."

**"Ethics" Retaliation Machine Was Real**

There are usually cries of "retaliation" whenever charges of violating regulations of attorney ethics rules are lodged against a lawyer. However, an investigation of activity at the DDC for a ten year period reveals startling evidence of routine and improper retaliation, evidence tampering and widespread coverups.

Importantly, an insider, who says he was involved in the illegal activity, including widespread wiretapping, has provided the troubling details during recent interviews. He says he supervised the teams that acted illegally. The insider says that he was Naomi Goldstein's 'man' - The Cleaner's 'man' - and that he would simply receive a telephone call from Naomi Goldstein, and who would say, "we have another target, I want to meet you..." He also says that Thomas Cahill, a former DDC Chief Counsel, and Sherry Cohen, a former Deputy-Chief Counsel-

---

<sup>24</sup> <http://exposecorruptcourts.blogspot.com/2013/02/update-on-attorney-ethics-committees.html>

and now in private practice helping lawyers in "ethics" investigations, were part of, and knowledgeable of, the illegal activity.

The meetings, the insider says, were usually at a park or restaurant near the DDC's lower Manhattan ethics' offices, however he did over time meet Goldstein at his office, inside the DDC or in movie theater- a venue picked by Naomi. Goldstein only needed to provide him with the name and other basic information, so that his team could begin their "investigation."

He specifically recalls Naomi Goldstein advising him to "get as much damaging information as possible on Christine [Anderson,]" the former DDC staff attorney who had complained that certain internal files had been gutted of collected evidence.

Naomi's "man" says that they then tapped Ms. Anderson's phones, collected ALL "ISP" computer data, including all emails, and set up teams to surveil Anderson 24/7.

He says he reviewed the illegally recorded conversations and ISP data, and then personally handed those items over to Naomi Goldstein.

Attorney Christine Anderson should not, however, feel like she was a lone target. Initially, Goldstein's "man," indicated that "...over 125 [attorney] cases were interfered with..." But a subsequent and closer review of approximately 1.5 million documents has revealed that there may have been many hundreds of attorneys, over the ten-year-period, involved in the DDC's dirty tricks, focused retaliation and planned coverups.

Previously identified "targeted" lawyers were only numbered in the "dozens," but that was before the years-old documents were reviewed. In initial interviews, the insider says that if Ms. Goldstein had identified the DDC ethics committee's newest target as an attorney, it was quickly qualified with whether the involved lawyer was to be "screwed or UNScrewed." Unscrewed was explained as when an attorney needed to be "protected" or "saved" even if they did, in fact, have a major ethics problem. But targets, it is now revealed, were not always identified as having a law license.

The DDC insider also says that litigants (most of whom were not attorneys) were also DDC targets. The on-going document review continues to refresh the memory of the insider, after initially only remembering names from high-profile cases involving "big-name" attorneys. But one fact remains constant, says the

insider- the actions of his teams were clearly and "intentionally obstructing justice."<sup>25</sup>

Cahill subsequently retired, however New York State-paid attorney Naomi Goldstein still supervises "ethics" investigations from her Wall Street DDC 2nd floor office at 61 Broadway.

Ethicsgate

According to the source, one New York "ethics" legend, Alan Friedberg, was "very well known" to those conducting the illegal wiretapping activity. Friedberg, who has become the poster child for unethical tactics while conducting "ethics" inquiries, appears to have been present in the various state offices where illegal wiretaps were utilized. Friedberg worked for the New York State Commission on Judicial Conduct (the "CJC") before running the Manhattan attorney "ethics" committee as chief counsel for a few years. Friedberg then resurfaced at the CJC, where he remains today. *The CJC investigates ethics complaints of all judges in New York State.*

Judges Deserve Justice Too, Unless Political Hacks Decide Otherwise

While court administrators have effectively disgraced most judges with substandard compensation, it appears that at least the selective enforcement of "ethics" rules, dirty tricks and retaliation were equally employed on lawyers and judges alike.

According to the insider, targeted judges had their cellphones, homes and court phones wiretapped- all without required court orders. In addition, according to the source, certain courtrooms, chambers and robing rooms were illegally bugged.

A quick review of notes from over one million pages of evidence, according to the insider, reveals that the "black bag jobs" included: NYS Supreme Court Judge, the Hon. Alice Schlesinger (Manhattan), Criminal Court Judge, the Hon. Shari R. Michels (Brooklyn) and NYS Supreme Court Judge, the Bernadette Bayne (Brooklyn).

RE: Illegal Wiretapping of NYS Judges and Attorneys by "Ethics" Entities

*Dear Senator,*

On February 15, 2013, we formally requested that Governor Cuomo contact the Assistant U.S. Attorney handling a sensitive federal case wherein credible evidence, in the millions of documents currently under court seal, support the allegation of the widespread illegal wiretapping of New York State judges and attorneys over at least the last ten years. In addition, other individuals- unrelated to that sealed federal matter- allege the exact same illegal activity.

The illegal wiretapping is alleged to have been directed by named senior personnel (and NYS employees) at the Commission on Judicial Conduct (the "CJC") and by at least two of the state's 4 judicial departments' attorney ethics committees.

We are, of course, confident that Governor Cuomo is taking decisive action regarding these troubling allegations, and we are now requesting that you, as a New York State Senator, begin a comprehensive review of the troubling issues.

As we are all aware, certain corrupt forces in New York have caused tremendous damage to the very soul of this great state. Now, the improper actions have accomplished the "ultimate corruption" - they have compromised and corrupted New York's so-called "ethics oversight" entities.

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about the state's so-called "ethics" oversight entities. (Additional information is available at [www.Reform2013.com](http://www.Reform2013.com))

Accordingly, it is requested that you direct someone in your office to act as the liaison regarding this Ethics Corruption, and that he or she be in contact with us so that we may best communicate information to your office. Please have your designee contact us at their earliest convenience. Thank you.

Very truly yours,

**RE: FORMAL COMPLAINT AGAINST NEW YORK STATE  
EMPLOYEES INVOLVING  
CONSTITUTIONAL VIOLATIONS, INCLUDING WIDESPREAD  
ILLEGAL WIRETAPPING**

Dear Mr. Moossy,

In researching and reporting on various acts of corruption in and about the New York State Court System, specific reviewed evidence supports allegations that over a ten-year-plus period of time, certain NYS employees participated in the widespread practice of illegal wiretapping, inter alia. As these individuals were in supervisory positions at "ethics oversight" committees, the illegal wiretapping largely concerned attorneys and judges, but their actions also targeted other individuals who had some type of dealings with those judicial and attorney "ethics" committees.

The NY state-employed individuals herein complained of include New York State admitted attorneys **Thomas Joseph Cahill, Alan Wayne Friedberg, Sherry Kruger Cohen, David Spokony and Naomi Freyda Goldstein.**

At some point in time shortly after 9/11, and by methods not addressed here, **these individuals improperly utilized access to, and devices of, the lawful operations of the Joint Terrorism Task Force (the "JTTF"). These individuals completely violated the provisions of FISA, ECPA and the Patriot Act for their own personal and political agendas.** Specifically, these NY state employees essentially commenced "black bag operations," including illegal wiretapping, against whomever they chose- and without legitimate or lawful purpose. To be clear, any lawful act involving the important work of the JTTF is to be applauded. The herein complaint simply addresses the unlawful access- and use- of JTTF related operations for the personal and political whims of those who improperly acted under the color of law. Indeed, illegally utilizing JTTF resources is not only illegal, it is a complete insult to those involved in such important work.

In fact, hard-working and good-intentioned prosecutors and investigators (federal and state) are also victims here, as they were guided and primed with knowingly false information.

Operations involving lawful activity- and especially as part of the important work of the JTTF and related agencies- are not at issue here. This complaint concerns the illegal use and abuse of such lawful operations for personal and political gain, and all such activity while acting under the color of law. This un-checked access to highly-skilled operatives found undeserving protection for some connected wrong-doers, and the complete destruction of others- on a whim, including the pre-prosecution priming of falsehoods ("set-ups"). The aftermath of such abuse for such an extended period of time is staggering.

It is believed that most of the 1.5 million-plus items in evidence now under seal in Federal District Court for the Eastern District of New York, case #09cr405 (EDNY) supports the fact, over a ten-year-plus period of time, of the illegal wiretapping of New York State judges, attorneys, and related targets, as directed by state employees.

To be sure, the defendant in #09cr405, Frederick Celani, is a felon who is now regarded by many as a conman. Notwithstanding the individual (Celani), the evidence is clear that Celani once supervised lawful "black bag operations," and, further, that certain NYS employees illegally utilized access to such operations for their own illegal purposes. (Simple reference is made to another felon, the respected former Chief Judge of the New York State Court of Appeals, Sol Wachtler, who many believe was victimized by political pre-priming prosecution.)

In early February, 2013, I personally reviewed, by appropriate FOIL request to a NYS Court Administrative Agency, over 1000 documents related to the herein complaint. Those documents, and other evidence, fully support Celani's claim of his once-lawful supervisory role in such JTTF operations, and his extended involvement with those herein named. (The names of specific targeted judges and attorneys are available.)

One sworn affidavit, by an attorney, confirms the various illegal activity of Manhattan's attorney "ethics" committee, the Departmental Disciplinary Committee (the "DDC"), which includes allowing cover law firm operations to engage in the practice of law without a law license. Specifically, evidence (attorney affidavits, etc.) supports the claim that Naomi Goldstein, and other DDC employees supervised the protection of the unlicensed practice of law. The evidence also shows that Ms. Goldstein knowingly permitted the unlicensed practice of law, over a five-year-plus period of time, for the purpose of gaining access to, and information from, hundreds of litigants.

Evidence also supports the widespread illegal use of "black bag operations" by the NYS employees for a wide-range of objectives: to target or protect a certain judge or attorney, to set-up anyone who had been deemed to be a target, or to simply achieve a certain goal. The illegal activity is believed to not only have involved attorneys and judges throughout all of the New York State, including all 4 court-designated ethics "departments," but also in matters beyond the borders of New York.

Other evidence points to varying and widespread illegal activity, and knowledge of such activity, by these and other NYS employees- all of startling proportions.

For example:

The "set-up" of numerous individuals for an alleged plot to bomb a Riverdale, NY Synagogue. These individuals are currently incarcerated. The trial judge, U.S.

District Court Judge Colleen McMahon, who publicly expressed concerns over the case, saying, "I have never heard anything like the facts of this case. I don't think any other judge has ever heard anything like the facts of this case." (2nd Circuit 11cr2763)

The concerted effort to fix numerous cases where confirmed associates of organized crime had made physical threats upon litigants and/or witnesses, and/or had financial interests in the outcome of certain court cases.

The judicial and attorney protection/operations, to gain control, of the \$250 million-plus Thomas Carvel estate matters, and the pre-prosecution priming of the \$150 million-plus Brooke Astor estate.

The thwarting of new evidence involving a mid 1990's "set-up" of an individual, who spent over 4 years in prison because he would not remain silent about evidence he had involving financial irregularities and child molestation by a CEO of a prominent Westchester, NY non-profit organization. (Hon. John F. Keenan) The wire-tapping and ISP capture, etc., of DDC attorney, Christine C. Anderson, who had filed a lawsuit after being assaulted by a supervisor, Sherry Cohen, and after complaining that certain evidence in ethics case files had been improperly destroyed. (See SDNY case #07cv9599 - Hon. Shira A. Scheindlin, U.S.D.J.)

The eToys litigation and bankruptcy, and associates of Marc Dreier, involving over \$500 million and the protection by the DDC of certain attorneys, one who was found to have lied to a federal judge over 15 times.

The "set-up" and "chilling" of effective legal counsel of a disabled woman by a powerful CEO and his law firms, resulting in her having no contact with her children for over 6 years.

The wrongful detention for 4 years, prompted by influential NY law firms, of an early whistleblower of the massive Wall Street financial irregularities involving Bear Sterns and where protected attorney-client conversations were recorded and distributed.

The blocking of attorney accountability in the \$1.25 billion Swiss Bank Holocaust Survivor settlement where one involved NY admitted attorney was ultimately disbarred- in New Jersey. Only then, and after 10 years, did the DDC follow with disbarment. (Gizella Weisshaus v. Fagan)

Additional information will be posted on [www.Reform2013.com](http://www.Reform2013.com)

The allegations of widespread wiretapping by New York's so-called "ethics" committees were relayed to New York Governor Andrew M. Cuomo on February

15, 2013, and to the DDC Chairman Mr. Roy R. L. Reardon, Esq., who confirmed, on March 27, 2013, his knowledge of the allegations. (Previously, on March 25, 2013, I had written to DDC Deputy Chief Counsel Naomi Goldstein, copying Mr. Reardon, of my hope that she would simply tell the truth about the improper activity, inter alia.)

New York judges and lawyers, and obviously the public, deserve immediate action to address the widespread corruption in and about New York's so-called "ethics" oversight entities.

Please take immediate action regarding this troubling issue, and so as to continue the DOJ's efforts to help all New Yorkers restore their faith in their government.

37. That in ECC stories from June 27, 2012 through February 28, 2013 listed herein a Pattern and Practice of Public Office Corruption is apparent, with now admitted Felony Obstruction of Justice by the person contracted to violate "targets" rights, committed by New York Public Officials that are Defendants in this lawsuit and matching identically the types of CRIMINAL CONSPIRATORIAL OBSTRUCTIONS revealed in the Anderson lawsuit. After speaking with the source of the story McKeown, on information and belief, Plaintiff and the other "related" suits were also "targets." These are

inconceivable allegations of Public Officials targeting not only other Public Officials and Whistleblowers such as Anderson and Corrado but private citizens in lawsuit against them. Public Officials committing CRIMINAL ACTS to intentionally OBSTRUCT JUSTICE using, on information and belief, ILLEGALLY OBSTAINED PUBLIC RESOURCES and FUNDS to finance and operate these criminal activities and obstructions. That these acts committed to “Obstruct Justice” in these proceedings, *through a variety of racketeering style behavior, aid and abet further the criminal activities of Defendants in the Anderson lawsuit and the legally related lawsuits and continue to violate Plaintiffs rights through continued denial of due process and procedure, through continued legal process abuse and continued Fraud on this Court.*

## **II. DENIAL OF COUNSEL THROUGH EXTORTION**

38. That these events have deprived Plaintiff not only Due Process under Law from the Obstructions but these Obstructions are unique, as they come from Attorney at Law Regulatory Agencies that are named Defendants in this RICO and which have added a new level of Obstruction in denying Plaintiffs the ability to seek legal counsel due to their control over the legal processes and Attorneys at Law. That any Attorney at Law after reading the exhibited articles herein would be crazy not fearing becoming the next “target” of the Attorney at Law Regulatory Agencies and being disbarred, fired, blackballed or worse. *Where the Criminal RICO Enterprise described in the Amended*

Complaint and RICO Statement is composed mainly of Criminals who are disguised as Attorneys at Law and through misuse of these legal titles,

- i. the Criminal Legal Cartel operates a variety of Law Firms to run complex legal crimes, for example, bankruptcy scams, real estate scams, securities scams, estate scams, family court scams and more.
- ii. the Criminal Legal Cartel employs Criminals who are disguised as Attorneys at Law and peppered with legal degrees that may be false degrees according to the articles herein with non-lawyers being handed legal “degrees” by the “Cleaner” Goldstein.
- iii. the Criminal Legal Cartel employs Criminals disguised as Attorneys at Law to act as Judges in State and Federal Cases
- iv. the Criminal Legal Cartel employs Criminals disguised as Public Officials whom are inserted into various government agencies both state and federal to derail any *investigations into their criminal activities.*

The articles cited herein clearly show that the Criminals are disguised as Attorneys at Law and any Principled and Ethical Attorneys at Law that are attempting **to help** Plaintiffs prosecute these Criminals disguised as Attorneys at Law then become targeted by other Criminal Attorneys at Law who are misusing their Public Offices and illegally using a mass of public funds and resources to then target Good Guy Whistleblowers like Anderson and Corrado. Anderson and Corrado two credible experts in ATTORNEY MISCONDUCT COMPLAINTS, Good Gal Attorneys at Law, acting as Good Guy

Public Officers and trying to do the right thing by helping victims, who then risk their lives to expose before this Court these schemes of their superiors gone rogue, including those at the highest outposts of the New York Supreme Court Attorney at Law Regulatory Agencies and look how wonderfully they have been treated.

39. That these news articles when viewed through the eye of an Attorney at Law looking to help Plaintiffs, who sees that they too will be “targets” and disbarred or worse, now acts to block Due Process by denying and disabling Plaintiffs rights to have honest Attorneys at Law represent their cases who do not fear this kind of “targeted” blowback. Especially when the blowback is from the very legal regulatory agencies that control their licenses to practice law and that can strip them of their license and livelihood if they help Plaintiffs that will prosecute and expose them for their crimes. The New York Supreme Court Disciplinary Departments are in fact seen as the criminal villain in these articles, found *Wiretapping, Infiltrating and Subverting the United States Joint Terrorism Task Force to “target” innocent civilians, Patriot Act Violations against targeted innocent civilians, Whistleblowers and other “targets” of GOVERNMENT AGENCY ROGUE ACTORS,* now targeting even the Judges that are trying to be Good Guy Judges and prosecute these corrupted state regulatory agencies in the courts, since most Judges are Attorneys at Law, again they too are under oversight by the Attorney at Law Disciplinary Committees and State Bars that are controlled by the Criminal Legal Cartel, top down. Plaintiff being Pro Se and all is not well versed in the Art of Law as Your Honor but the number of

crimes alleged in just this last paragraph is overwhelming to count and so disabling to our System of Jurisprudence and Government as to constitute a Treason via a Coup D'état to disable Law at the Highest Outpost of Law. A lawless legal system disabling the laws that regulate Wallstreet Lawyers, who are really criminals disguised as Wallstreet Lawyers and yes these very same criminals are now found behind the collapse of world markets and yes, the fox is in the henhouse and humanity is being slaughtered and there is no justice and so this Court must now make a stand to join force with either injustice or justice and restore law and order, one court at time, starting here.

40. That while the 6<sup>th</sup> Amendment was designed primarily for criminal defendants, there are also special circumstances, like those in this Lawsuit and the related to Anderson lawsuits that would allow this Court to grant similar rights to granting counsel that is also vetted for conflict and then protected from backlash to represent Plaintiff in this civil case. Especially where the right to counsel is being interfered with by criminal acts by those charged with upholding such rights who are also Defendants in this lawsuit.

41. That really, this Court cannot over look yet another "insider" Whistleblower named in these articles, now with the US Attorney admitting to having ILLEGALLY TAPPED ANDERSON, JUDGES CHAMBERS and "TARGETS" in efforts to intentionally "Obstruct Justice." A whistleblower who claims to have been so contracted to perform these illegal Obstructions by Defendants in this RICO and others in Public Offices. The "Whistleblower" Frederic Celani whom is claimed in the articles to be working with

Federal Agents has already turned over evidence that includes video/audio recordings, eyewitness accounts of Public Officials meeting him in odd places, millions of documents and statements that he was contracted to “Target” victims with the direct intent to Obstruct Justice. Obstructions admittedly done through a host of FELONY VIOLATIONS TO DEPRIVE CONSTITUTIONAL RIGHTS of Plaintiffs in Anderson and the related cases through these abuses of legal process and procedure, *misappropriations of state and federal funds and resources to so achieve these illegal activities under the color of law with Criminals disguised as Attorneys at Law who run the Attorney Disciplinary Committees. Can’t make this shit up.*

**III. RE OPEN AND REHEAR BASED ON NEW EVIDENCE OF NEW RICO  
CRIMINAL ACTS COMMITTED AGAINST PLAINTIFF BY SEVERAL  
DEFENDANTS IN THIS RICO, INCLUDING BUT NOT LIMITED TO, ABUSE OF  
LEGAL PROCESS, THEFT OF INHERITANCE, POSSIBLE INVOLVEMENT OF  
DEFENDANTS IN THE ALLEGED MURDER OF SIMON L. BERNSTEIN.**

42. That the criminal acts against Plaintiffs and others rights to privacy and property described herein again illustrate a pattern and practice of new and ongoing RICO activity against Plaintiff and again reveal misuse of Public Offices by criminals disguised as Public Officials, who are providing continued cover for criminal activities, usually run through rogue Law Firms, used to infiltrate and derail due process and commit FRAUD ON THE COURT(S) and FRAUD in Regulatory Agencies and Prosecutorial offices, as

evidenced by CREDIBLE EYEWITNESS WHISTLEBLOWERS in the related Anderson case. These are not claims by the less than artful Pro Se Plaintiff claims of conspiracy, these are from long standing and outstanding members (heroes) of the legal systems, credible experts in the art of Attorney at Law Misconduct making these claims. This is irrefutable evidence this Court can no longer deny and make claims that Plaintiff's has failed to state a claim, etc. this is irrefutable fact of evidence of a massive conspiracy affecting Plaintiff's lawsuit from the start, his life and wellbeing and that of his families. Provisions against Conspiracies to Interfere with Civil Rights (42 U.S.C. § 1985) 42 U.S.C. § 1985 grants a civil cause of action for damages caused by various types of conspiracies aimed at injuring a person in his/her person or property, or denying him/her a Federal right or privilege. § 1985 mainly deals with three instances of conspiracy: those aimed at preventing an officer from performing his/her duties; those aimed at obstructing justice by intimidating a party, witness, or juror; and those aimed at depriving a person's rights or privileges.

43. That the following NEW legal actions involving Plaintiff and certain Defendants in this Lawsuit, including but not limited to, central conspirators of the original criminal acts of Intellectual Property Theft from Plaintiff by his retained Intellectual Property Law Firms Defendants Proskauer, Greenberg Traurig and Foley & Lardner, show a continued pattern of criminal activity designed against Plaintiff to cause harms in a variety of ways, typical of Criminal RICO Enterprises.

44. That in each of the legal actions described below, other than the estate actions, it should be noted by this Court that Plaintiff Bernstein is the defendant and is somehow or another dragged into these actions regarding himself and his companies Iviewit and his Intellectual Properties, without any service and all roads that lead back to a nexus of Defendants involvement in all of them. Plaintiff is often inserted to these actions in bizarre and illegal ways, with judgments and rulings allegedly against him and his companies, *defaming him and accusing him in rulings and published articles of Felony crimes he has never been tried or prosecuted or even accused of*, all in efforts to smear him, make false judgments and liens against him, all in actions he has never been a party too and has asserted no defenses on his behalf, in many cases not even knowing the cases existed until after rulings and determinations were made.

45. That these continuing conspiratorial acts are designed to continue legal process abuse against Plaintiff, in order to,

- v. harass and defame him through legal process abuse,
- vi. to commit theft of personal property and inheritance through legal process abuse,
- vii. to gain false judgments and liens against Plaintiff through legal process abuse, liens to pursue if Plaintiff is to receive an expected inheritance, and
- viii. to target and shut down individuals and others who are publishing information regarding Plaintiff's RICO, the legally related cases, Your Honor and many of the Defendants in these cases.

All of these legal process abuses are committed through new Frauds on a variety of courts, Frauds on Public Offices and now Fraud in Public Agencies around the world, as defined further herein. The list of new legal actions involving Plaintiff and key Defendant Law Firms, include but are not limited to all of the following:

**OBSIDIAN FINANCE GROUP, LLC ET AL V. COX  
CASE NO. 3:11-CV-00057-HZ (HEREBY FULLY INCORPORATED BY REFERENCE  
IN ENTIRETY HEREIN, ALL PLEADINGS, ORDERS, ETC.)<sup>28</sup>**

46. That on January 2011 Obsidian V. Cox was Filed in the District of Oregon.
47. That this case involves Crystal Cox (“Cox”) who is an investigative journalist reporting on the Plaintiffs and Defendants in the Anderson and Legally Related Cases.
48. That Cox has now also become the target of several central Defendants of this RICO and ANTITRUST Lawsuit through LEGAL PROCESS ABUSE and more.
49. That now these same Defendants in this RICO are now inextricably bound to the Obsidian lawsuit.
50. That upon my knowledge, information and belief, The Obsidian Finance Group v. Crystal Cox trial was in November of 2011, there was a \$2.5 million dollar verdict rendered to Cox. At this time, Crystal Cox was the only named defendant in that case, the only defendant on trial, and the only defendant in Obsidian Finance Group v. Crystal Cox, whatsoever.

51. That six months after a judgment was issued against Cox in the case, which is now on appeal with the famed First Amendment Rights Attorney at Law and Professor Eugene Volokh, Esq., Professor at UCLA School of Law representing Cox, attempts were made to add Plaintiff Bernstein via a “Supplemental Motion” to the Obsidian lawsuit as a defendant and have him added to a 2.5 Million Dollar Judgment. After the case was already decided and on appeal and Plaintiff was not ever before a party or even mentioned in the suit!<sup>29</sup>

52. That several hours after the filing of this “Supplemental Complaint” the Judge struck it from the record, as indicated in the Docket report below.

05/11/2012)

53. That upon my knowledge, information and belief, the District of Oregon court by Judge Marco Hernandez within hours denied this FRAUDULENT attempt to add Bernstein as a defendant in the lawsuit after the fact and yet this reveals another instance of attempted Fraud on that Court through abuse of process by these criminal Attorneys at Law in efforts to secure judgments against me. However, despite this attempt being denied by that Court, Bernstein now appears to be a defendant on the docket of that lawsuit, despite never having been a defendant nor ever being served in the suit, this acts to defame and damage Plaintiff despite the ruling anyone looking up the case sees him as a Defendant and may presume the Judgment was rendered against him too. That this constitutes further RICO acts against Plaintiff in harassing him through further Abuse of Process and more.

54. That upon my knowledge, information and belief, the District of Oregon court by Judge Marco Hernandez strikingly however failed to docket the Counter Defendants sued by Cox in her Counter Complaint.

55. That upon my knowledge, information and belief, David S. Aman is a lawyer with Tonkon Torp Law Firm in Portland Oregon. David Aman is counsel for Obsidian Finance Group and Kevin D. Padrick, in the legal action Obsidian Finance Group v. Crystal Cox. ( District of Oregon 3:11-cv-00057-HZ ). David S. Aman was involved in the Summit

bankruptcy in which Crystal Cox, an investigative blogger had been reporting on for 3 years. And Aman was named in an objection to the fees legal action filed by Stephanie Studebaker Deyoung, and other Summit bankruptcy investors and creditors. David S. Aman deposed Crystal Cox's "source", the Summit bankruptcy whistleblower Stephanie DeYoung years prior to Obsidian Finance Group v. Crystal Cox, and knew the role that Crystal Cox played in the reporting of the Summit bankruptcy case. David S. Aman filed a legal action against Crystal Cox for 10 million dollars, on behalf of Plaintiff Kevin D. Padrick, bankruptcy trustee. This legal action was to shut down the blogs of investigative blogger Crystal Cox, as these blogs exposed the details of a \$40 million dollar Oregon bankruptcy. These blogs also expose and link to the details of the Iviewit companies Intellectual Property thefts and wholly cover this RICO lawsuit and the related lawsuits. The blogs also tie the involvement of Tonkon Torp clients Enron and Intel and where Plaintiff alleges that attempted thefts of Plaintiff's Intellectual Properties were the primary reason by which Enron collapsed through their Enron Broadband Division and led to Arthur Andersen's collapse.

56. That upon my knowledge, information and belief, in December of 2011, after a phone conference with Cox, Free Speech / Porn Industry Attorney Marc J. Randazza ("Randazza") of Randazza Legal Group began negotiating a deal with David S. Aman, attorney for Obsidian. Randazza had no agreement with Cox to represent her and was attempting to stop Cox from appealing Obsidian v. Cox to the Ninth Circuit. Randazza

conspired with Aman to negotiate a deal to stop the appeal, and did not ever tell Cox what the details of this negotiation were. Cox later found out from another attorney of the first amendment bar. Randazza had told members that he represented Cox in the matter of her appeal, and so they stayed away. Randazza's negotiation was exposed by UCLA professor Eugene Volokh to Cox, and Volokh has become Cox's counsel, retained under contract with Mayer Brown for her appeal.

57. That upon my knowledge, information and belief, in retaliation, early in 2012, Porn Industry Attorney Marc J. Randazza of Randazza Legal Group, conspired with Attorney Aman, to set Crystal Cox up for the crime of extortion. Aman initiated this defamatory campaign with an email out of context to the New York Times that was one email out of 5 in a settlement negotiation with Cox. Aman and Randazza conspired to discredit and defame Cox and together convinced Judge Hernandez, and from there the world through *Big Media and legal bloggers, that Cox had extorted them, though no extortion complaint* was ever filed against her or Plaintiff and where once again, Plaintiff is inserted into the decisions accusing him and defaming him in the process now of extortion and more. Randazza assisted Aman in attempting to seize blogs, domain names and shut down the reporting of Cox, by filing motions for a receiver named Lara Pearson whom Randazza had used before in the Righthaven cases. This receiver was to take domain names and blogs of Crystal Cox and domain names belonging to Plaintiff Bernstein, iViewit, who

seemed out the blue to suddenly months after the cases was decided to come of interest in the case, though suspected to have been planned all along.

58. That after gaining this ill-gotten, erroneous and unconstitutional judgment, Tonkon Torp Law Firm's David Aman and Kevin D. Padrick then conspired with journalists for the New York Times and Forbes to publish stories that would use this judgment to discredit and defame Plaintiff and Cox by the falsely creating an appearance that they were involved and convicted for criminal activities and more.

Re: Estate and Trusts of Simon L. Bernstein

Dear Mr. Bernstein:

Thank you for considering Clark Skatoff PA to represent you. This Engagement Agreement ("Agreement") will set forth the terms and conditions under which we will represent you. This Agreement also sets forth your responsibilities to Clark Skatoff PA.

1. **Identification of Parties.** This Agreement is made between Clark Skatoff PA (hereinafter referred to as "Attorney") and Eliot Bernstein (hereinafter referred to as "Client").
2. **Legal Services to Be Provided.** Attorney shall represent Client as a beneficiary with respect to the estate and trusts of Simon L. Bernstein. These services shall be referred to as the ("Matter").
3. **Responsibilities of Client.** Client will make full and complete disclosure to Attorney at all times of all of Client's activities as they relate to the Matter. Client will be truthful and cooperative with Attorney and will furnish Attorney with accurate information requested by Attorney. Client will make any payments required by this Agreement in a timely manner.
4. **Legal Fees.** Legal Fees shall be billed hourly, in increments of six minutes. For any day that a professional works on the Matter, the minimum time billed will be for

4. **Legal Fees.** Legal Fees shall be billed hourly, in increments of six minutes. For any day that a professional works on the Matter; the minimum time billed will be for twelve minutes. Jeffrey H. Skatoff, Esq. time shall be billed at \$400 per hour, associate attorney time shall be billed at \$350 per hour, and paralegal time shall be billed at \$150 per hour.

Given the complexity of maintaining case files in probate and/or trust matters, paralegals and legal clerks will be billing for a portion of the effort incurred in maintaining orderly files and indexing. Our office uses a team approach on our matters to staff any necessary projects appropriately and to deliver the best possible result. When possible, less experienced attorneys will work on the Matter, supervised by senior attorneys and partners. Therefore, you will be regularly billed for internal conferences between attorneys and between attorneys and paralegals, as well as for partner and senior attorney time spent reviewing work prepared by less experienced attorneys. This team approach ultimately results in reduced fees for the Client and a superior work product.

We bill for all time expended on your matter, including telephone calls and responding to emails. We also bill for travel time to and from court and depositions, unless arrangements are otherwise made.

5. **Retainer & Payment.** A retainer in the amount of \$25,000.00 shall be required. Client shall replenish the retainer as required so that it maintains a positive balance at all times. Attorney may withdraw from the Matter if a positive balance is not kept, in addition to all other reasons pursuant to which Attorney may withdraw. All outstanding Legal Fees and Costs and Expenses are due and payable upon receipt of an invoice. Unpaid balances shall accrue interest at the rate of One Percent (1%) per month. Should Attorney be required to pursue a collection action against Client, Client agrees to pay the reasonable costs of such collection, including attorney fees.
6. **Costs and Expenses.** Client shall bear full responsibility for all court costs and out-of-pocket expenses, including, but not limited to, travel, expert witness fees, copying, postage, and deposition and court transcription fees to be paid from Client's distribution. While we do not normally charge for copying letters and routine documents, we do charge for copying large documents, court filings, discovery, and for documents that need to be sent to multiple parties. Our current copying charge is \$0.30 per copy. We also charge Westlaw access (legal research service) for searches performed outside our standard subscription, which are Florida state cases.
7. **Collection and Lien Rights.** Client agrees to authorize and direct payment from the Estate of all Costs & Expenses as they are incurred in the event Client has not advanced such amounts to Attorney. Client agrees to sell property, including Estate property, as is reasonably necessary to allow Attorney to recover Legal Fees earned under this Agreement and other sums owing to Attorney under this Agreement. Client authorizes any recovery from the Matter payable to Client, whether it be an

inheritance, creditor claim, or other amount ("Gross Recovery") to be paid into Attorney's Trust Account to ensure payment to Attorney of unpaid Legal Fees and all other sums owing to Attorney under this Agreement. Client shall execute any documents reasonably necessary to allow the Gross Recovery to be paid into Attorney's Trust Account, including, but not limited to, a power of attorney or an assignment agreement. Client expressly grants to Attorney a lien on any portion of the Gross Recovery, whether or not paid into Attorney's Trust Account, in an amount necessary to allow Attorney to recover Legal Fees earned under this

Agreement and other sums owing to Attorney under this Agreement. These disposition, collection, and lien rights are cumulative to any other remedies that Attorney may have to collect Legal Fees and other amounts.

8. **Work Product.** During the course of this Agreement, Client may provide Attorney with documents or other items which will be maintained in Attorney's file. All of Attorney's work product will be owned by Attorney. However, Client will retain title to Client's original documents.
9. **Storage of Files.** Any and all documents or items received by Attorney in relation to the Matter will be maintained by Attorney for a period of two (2) years after the termination of representation or conclusion of the matter, whichever occurs first. After two (2) years, Client's file will be destroyed.
10. **Commencement of Representation.** Attorney will commence representation of Client with respect to the Matter immediately upon receipt of this signed agreement and receipt of any required retainer.

Client certifies that Client has read, understood and agreed to these terms as provided above.

If the terms set forth in this letter are acceptable, please sign, date and return this letter to the office along with any required retainer. Thank you and I look forward to working with you.

Very Truly Yours,

  
Jeffrey Skatoff, Esq.

**CONFLICT OF INTEREST DISCLOSURE FORM**  
**UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF NEW YORK**

The Conflict of Interest Disclosure Form is designed to ensure that the review and any determination from such review of the enclosed materials should not be biased by any conflicting financial interest or any other conflicting interest by those reviewers responsible for the handling of this confidential information. Whereby any conflict with any of the main alleged perpetrators of the alleged crimes referenced in these matters herein, or any other perpetrators not known at this time, must be fully disclosed in writing and returned by anyone reviewing these matters prior to making ANY determination.

Disclosure forms with "Yes" answers, by any party, to any of the following questions, are demanded not to open the remainder of the documents or opine in any manner, until the signed COI is reviewed and approved by the Iviewit companies and Eliot I. Bernstein. If you feel that a Conflict of Interest exists that cannot be eliminated through conflict resolution with the Iviewit Companies or Eliot Bernstein, instantly forward the matters to the next available reviewer that is free of conflict that can sign and complete the requisite disclosure. Please identify conflicts that you have, in writing, upon terminating your involvement in the matters to the address listed at the end of this disclosure form for Iviewit companies or Eliot I. Bernstein. As many of these alleged perpetrators are large law firms, lawyers, members of various state and federal courts, officers of federal, state and local law enforcement and regulatory agencies, careful review and disclosure of any conflict with those named herein is pertinent in your continued handling of these matters objectively.

These matters already involve claims of, including but not limited to, Conflicts of Interest, Violations of Public Offices, Whitewashing of Official Complaints in the Supreme Courts of New York, Florida, Virginia and elsewhere, Threatening a Federal Witness in a "legally related" Federal Whistleblower Lawsuit, Document Destruction and Alteration, Obstructions of Justice, RICO, ATTEMPTED MURDER and much more. The need for prescreening for conflict is essential to the administration of due process in these matters and necessary to avoid charges of OBSTRUCTION OF JUSTICE and more, against you. US Federal District Court Judge, Shira A. Scheindlin, legally related the matters to a New York Supreme Court Attorney Whistleblower Lawsuit of Christine C. Anderson, Esq. who alleges similar claims of public office corruption against Supreme Court of New York Officials, US Attorneys, NY District Attorneys and Assistant District Attorneys. Therefore, this Conflict Check is a formal request for full disclosure of any conflict on your part, such request conforming with all applicable state and federal laws, public office rules and regulations, attorney conduct codes and judicial canons or other international law and treatises requiring disclosure of conflicts and disqualification from these matters where conflict precludes involvement.

Failure to comply with all applicable conflict disclosure rules, public office rules and regulations, and, state, federal and international laws, prior to continued action on your part, **shall constitute cause** for the filing of criminal and civil complaints against you for any decisions or actions you make prior to a signed Conflict Of Interest Disclosure Form. Charges will be filed against you for failure to comply. Complaints will be filed with all appropriate authorities, including but not limited to, the appropriate Federal, State, Local and International Law Enforcement Agencies, Public Integrity Officials, Judicial Conduct Officials, State and Federal Bar Associations, Disciplinary Departments and any/all other appropriate agencies.

**TITLE 18 FEDERAL CODE & OTHER APPLICABLE FEDERAL LAW**

Title 18 U.S.C. § 4. Misprision of felony. Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.  
A federal judge, or any other government official, is required as part of the judge's mandatory administrative duties, to receive any offer of information of a federal crime. If that judge blocks such report, that block is a felony under related obstruction of justice statutes, and constitutes a serious offense.  
Upon receiving such information, the judge is then required to make it known to a government law enforcement body that is not themselves involved in the federal crime.

Title 28 U.S.C. § 1361. Action to compel an officer of the United States to perform his duty. The district courts shall have original jurisdiction of any action in the nature of mandamus to compel an officer or employee of the United States or any agency thereof to perform a duty owed to the plaintiff.  
This federal statute permits any citizen to file a lawsuit in the federal courts to obtain a court order requiring a federal official to perform a mandatory duty and to halt unlawful acts. This statute is Title 28 U.S.C. § 1361.  
Fraud upon the court

**FRAUD on the COURT**

In the United States, when an officer of the court is found to have fraudulently presented facts to court so that the court is impaired in the impartial performance of its legal task, the act, known as "fraud upon the court", is a crime deemed so severe and fundamentally opposed to the operation of justice that it is not subject to any statute of limitation.  
Officers of the court include: Lawyers, Judges, Referees, and those appointed; Guardian Ad Litem, Parenting Time Expeditors, Mediators, Rule 114 Neutrals, Evaluators, Administrators, special appointees, and any others whose influence are part of the judicial mechanism.  
"Fraud upon the court" has been defined by the 7th Circuit Court of Appeals to "embrace that species of fraud which does, or attempts to, defile the court itself, or is a fraud perpetrated by officers of the court so that the judicial machinery can not perform in the usual manner its impartial task of adjudging cases that are presented for adjudication". Kenner v. C.I.R., 387 F.3d 689 (1968); 7 Moore's Federal Practice, 2d ed., p. 512, ¶ 60.23  
In Bulloch v. United States, 763 F.2d 1115, 1121 (10th Cir. 1985), the court stated "Fraud upon the court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury. ... It is where the court or a member is corrupted or influenced or influence is attempted or where the judge has not performed his judicial

**What effect does an act of "fraud upon the court" have upon the court proceeding? "Fraud upon the court" makes void the orders and judgments of that court.**

### Judicial Cannons

What causes the "Disqualification of Judges?"

Federal law requires the automatic disqualification of a Federal judge under certain circumstances.

In 1994, the U.S. Supreme Court held that "Disqualification is required if an objective observer would entertain reasonable questions about the judge's impartiality. If a judge's attitude or state of mind leads a detached observer to conclude that a fair and impartial hearing is unlikely, the judge must be disqualified." [Emphasis added]. *Litely v. U.S.*, 114 S.Ct. 1147, 1162 (1994).

Courts have repeatedly held that positive proof of the partiality of a judge is not a requirement, only the appearance of partiality. *Liljeberg v. Health Services Acquisition Corp.*, 486 U.S. 847, 108 S.Ct. 2194 (1988) (what matters is not the reality of bias or prejudice but its appearance); *United States v. Balistreri*, 779 F.2d 1191 (7th Cir. 1985) (Section 455(a) "is directed against the appearance of partiality, whether or not the judge is actually biased.") ("Section 455(a) of the Judicial Code, 28 U.S.C. §455(a), is not intended to protect litigants from actual bias in their judge but rather to promote public confidence in the impartiality of the judicial process.").

That Court also stated that Section 455(a) "requires a judge to recuse himself in any proceeding in which her impartiality might reasonably be questioned." *Taylor v. O'Grady*, 888 F.2d 1189 (7th Cir. 1989). In *Pfizer Inc. v. Lord*, 456 F.2d 532 (8th Cir. 1972), the Court stated that "It is important that the litigant not only actually receive justice, but that he believes that he has received justice."

The Supreme Court has ruled and has reaffirmed the principle that "justice must satisfy the appearance of justice", *Levine v. United States*, 362 U.S. 610, 80 S.Ct. 1038 (1960), citing *Offutt v. United States*, 348 U.S. 11, 14, 75 S.Ct. 11, 13 (1954). A judge receiving a bribe from an interested party over which he is presiding, does not give the appearance of justice.

"Recusal under Section 455 is self-executing; a party need not file affidavits in support of recusal and the judge is obligated to recuse herself sua sponte under the stated circumstances." *Taylor v. O'Grady*, 888 F.2d 1189 (7th Cir. 1989).

Further, the judge has a legal duty to disqualify himself even if there is no motion asking for his disqualification. The Seventh Circuit Court of Appeals further stated that "We think that this language [455(a)] imposes a duty on the judge to act sua sponte, even if no motion or affidavit is filed." *Balistreri*, at 1202.

Judges do not have discretion not to disqualify themselves. By law, they are bound to follow the law. Should a judge not disqualify himself as required by law, then the judge has given another example of his "appearance of partiality" which, possibly,

## CONFLICT OF INTEREST DISCLOSURE FORM

### UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF NEW YORK

further disqualifies the judge. Should another judge not accept the disqualification of the judge, then the second judge has evidenced an "appearance of partiality" and has possibly disqualified himself/herself. None of the orders issued by any judge who has been disqualified by law would appear to be valid. It would appear that they are void as a matter of law, and are of no legal force or effect.

Should a judge not disqualify himself, then the judge is violation of the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.").

Should a judge issue any order after he has been disqualified by law, and if the party has been denied of any of his / her property, then the judge may have been engaged in the Federal Crime of "interference with interstate commerce". The judge has acted in the judge's personal capacity and not in the judge's judicial capacity. It has been said that this judge, acting in this manner, has no more lawful authority than someone's next-door neighbor (provided that he is not a judge). However some judges may not follow the law.

If you were a non-represented litigant, and should the court not follow the law as to non-represented litigants, then the judge has expressed an "appearance of partiality" and, under the law, it would seem that he/she has disqualified him/herself.

However, since not all judges keep up to date in the law, and since not all judges follow the law, it is possible that a judge may not know the ruling of the U.S. Supreme Court and the other courts on this subject. Notice that it states "disqualification is required" and that a judge "must be disqualified" under certain circumstances.

The Supreme Court has also held that if a judge wars against the Constitution, or if he acts without jurisdiction, he has engaged in treason to the Constitution. If a judge acts after he has been automatically disqualified by law, then he is acting without jurisdiction, and that suggest that he is then engaging in criminal acts of treason, and may be engaged in extortion and the interference with interstate commerce.

Courts have repeatedly ruled that judges have no immunity for their criminal acts. Since both treason and the interference with interstate commerce are criminal acts, no judge has immunity to engage in such acts.

Canon 1. A Judge Should Uphold the Integrity and Independence of the Judiciary

[1.1] Deference to the judgments and rulings of courts depends upon public confidence in the integrity and independence of judges. The integrity and independence of judges depends in turn upon their acting without fear or favor. Although judges should be independent, they must comply with the law, including the provisions of this Code. Public confidence in the impartiality of the judiciary is maintained by the adherence of each judge to this responsibility. Conversely, violation of this Code diminishes public confidence in the judiciary and thereby does injury to the system of government under law.

Canon 2. A Judge Should Avoid Impropriety and the Appearance of Impropriety in All Activities

(A) A judge shall respect and comply with the law and shall act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

[2.2][2A] The prohibition against behaving with impropriety or the appearance of impropriety applies to both the professional and personal conduct of a judge. Because it is not practicable to list all prohibited acts, the proscription is necessarily cast in general terms that extend to conduct by judges that is harmful although not specifically mentioned in the Code. Actual improprieties under this standard include violations of law, court rules or other specific provisions of this Code. The test for appearance of impropriety is whether the conduct would create in reasonable minds a perception that the judge's ability to carry out judicial responsibilities with integrity, impartiality and competence is impaired.

Canon 3. A Judge Should Perform the Duties of the Office Impartially and Diligently

(B) Adjudicative responsibilities.

(1) A judge shall be faithful to the law and maintain professional competence in it. A judge shall not be swayed by partisan interests, public clamor or fear of criticism.

(2) A judge shall require order and decorum in proceedings before the judge.

(D) Disciplinary responsibilities.

(1) A judge who receives information indicating a substantial likelihood that another judge has committed a substantial violation of this Part shall take appropriate action.

(2) A judge who receives information indicating a substantial likelihood that a lawyer has committed a substantial violation of the Code of Professional Responsibility shall take appropriate action.

(3) Acts of a judge in the discharge of disciplinary responsibilities are part of a judge's judicial duties.

(E) Disqualification.

(1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned

[3.11][3B(6)(e)] A judge may delegate the responsibilities of the judge under Canon 3B(6) to a member of the judge's staff. A judge must make reasonable efforts, including the provision of appropriate supervision, to ensure that Section 3B(6) is not violated through law clerks or other personnel on the judge's staff. This provision does not prohibit the judge or the judge's law clerk from informing all parties individually of scheduling or administrative decisions.

[3.21][3E(1)] Under this rule, a judge is disqualified whenever the judge's impartiality might reasonably be questioned, regardless whether any of the specific rules in Section 3E(1) apply. For example, if a judge were in the process of negotiating for employment

**CONFLICT OF INTEREST DISCLOSURE FORM**  
**UNITED STATES DISTRICT COURT – SOUTHERN DISTRICT OF NEW YORK**

with a law firm, the judge would be disqualified from any matters in which that firm appeared, unless the disqualification was waived by the parties after disclosure by the judge.

[3.22][3E(1)] A judge should disclose on the record information that the judge believes the parties or their lawyers might consider relevant to the question of disqualification, even if the judge believes there is no real basis for disqualification.

Canon 4. A Judge May Engage in Extra-Judicial Activities To Improve the Law, the Legal System, and the Administration of Justice

Canon 5. A Judge Should Regulate Extra-Judicial Activities To Minimize the Risk of Conflict with Judicial Duties
