Teresa Rea, David Kappos, the USPTO, the SEC and More protect Warner Bros. with PROVEN documentation of Massive Shareholder Fraud.

Warner Bros. Signed Non Disclosure Agreements with Iviewit, Warner Violated those Agreements. Warner Signed License and Service Agreements..

"Is the SEC Listening, LOOKING... do they even Care.. or will [Mary Schapiro](#) and the SEC just sit and wait for a Multi-Billion to Trillion Dollar Scandal and they say Whoops.. We had NO WAY to Know.. and then Of Course [Investigative Blogger, Crystal L. [Warner Bros. - has broke the Law and in the process put shareholders at HUGE risk, why is Jeffrey Bewkes ignoring this blatant proof of Fraud.](#)

Warner Bros signed multiple [Iviewit Non Disclosure Agreements](#) and Warner Bros. Signed [License and Service Agreements](#) with the Iviewit Company. 9 years have passed and Warner Bros. Blatantly and Illegally Violated those agreements long ago, why?

And Now [Eliot Bernstein](#) Founder and one of the Inventors it the Iviewit Stolen Patent has filed a very informative, incredibly detailed SEC Complaint. One that for Now [Mary Schapiro](#) and the SEC seems to be ignoring... I am not sure why just yet.. but hope to get tips on this soon...

Some of the Warner Bros' Iviewit Timeline and more details of the Warner Bros. Relationship with the Iviewit Company.

"" TIMELINE OF WARNER BROS ET AL. RELATIONSHIP WITH IVIEWIT

August 15, 2001 **Irell & Manella LLP** Bills for Services for Warner Bros et al. and Sony Licensing Agreements @

<http://www.iviewit.tv/CompanyDocs/Patents/Paul%20Allen/old%20patent/LEGAL/Irell%20&Manella/Bills/2001%2008%2029%20-%20Irell%20Bill.pdf>

It is imperative for **the SEC to note** that after the **Signed Licensing and Service Agreement**, Iviewit opened a California Office inside a Warner Bros. building, in order to take over encoding operations for their online content, and more.

Iviewit began billing according to the Licensing and Service agreement. Please note the language in the **Licensing and Service agreement** pertaining to the Proprietary nature and Confidentiality of the Iviewit inventions.

Suddenly, after the agreements were signed and operations were underway, Wayne M. Smith ~ Vice President and Chief Patent Counsel at Warner Bros. began seeking a re-review of **Proskauer Partner Kenneth Rubenstein** 's ("Rubenstein") prior patent opinions regarding the Iviewit inventions to Warner Bros. employees.

Smith then claimed to Colter that he found problems while reviewing Rubenstein's opinion with the patents on file at the **US Patent Office** [6]. At this point, allegedly, a coordinated conspiratorial effort between Smith, Rubenstein and others began to derail the already signed Iviewit agreements with Warner Bros et al.

Allegedly, former "Acting CEO" of Iviewit, P. Stephen Lamont, (a referral emanating from AOL's Leonsis) **Smith and Rubenstein then worked to derail** the Licensing and Service Agreement. Warner Bros. then further attempted to deny the existence of this BINDING CONTRACTUAL OBLIGATION as further evidenced in letters exhibited herein, whereby the Signed and Binding agreement is wholly denied.

The amount owed in service fees since the signing of the contracts would be an enormous amount over the almost 10 years of use and where Warner Bros et al. have never notified Iviewit they were cancelling such contract, it may still be considered effective. Yet, it would difficult to cancel what one tries to deny the existence of and perhaps the reason no cancellation was formally completed.

o The emails forward from this point in the timeline begin to attempt **to hide from the fact that Licensing and Service Agreements were already in place** while also hiding these facts and liabilities from Shareholders and Auditors.

The alleged fraud may again have catastrophic effect on these **highly traded stocks**, reaching back to this point in time and possibly further back.

· April 04, 2001 Letter from Colter to **William J. "Bill" Raduchel** ("Raduchel") ~ Chief Technology Officer and Executive **Vice President at AOL**. AOL's Leonsis referred Raduchel to do further due diligence for an investment in the Iviewit companies, in addition to the Licensing and Encoding deal already signed.

· May 25, 2001 Letters to and from **Douglas Chey** ("Chey"), Senior Vice President of Technology for Sony Pictures Digital Entertainment and Divisional CIO, Motion Pictures and Television Productions of Sony Pictures Entertainment.

Chey, formerly with Warner Bros. was **working with Iviewit at Sony** (also under **Signed Agreements**) together with Warner to do a **Five Studio Movie Download Project**, Movielink, where the Iviewit inventions were to be the backbone enabling technologies to make digital download and streaming possible as a commercial endeavor.

Since that time, **Warner Bros et al. and Sony** have both done similar digital downloading projects, in violation of Signed Agreements with Iviewit.

<http://iviewit.tv/CompanyDocs/20100120%20Douglas%20Chey%20Sony%20Bio.pdf>

The SEC should also begin **FORMAL INVESTIGATION** of Sony's involvement in these matters. Similar calls to those described herein to Warner Bros et al. for sound business discussions to attempt to alleviate shareholder liabilities have gone wholly ignored by Sony's In House Counsel, Executives and Auditors.

I will be filing a more formal complaint shortly with the SEC but this should not delay immediate investigation by the SEC, in order to preclude **Massive Liabilities to Shareholders of Sony**.

[NEW YORK SUPREME COURT FIRST DEPARTMENT COURT ORDER FOR INVESTIGATION OF KRANE](#)

[KRANE COMPLAINT TO NEW YORK SUPREME COURT FIRST DEPARTMENT](#)

Steven Krane - the Attorney's Attorney Providing Legal Advice to the Proskaur Rose Law Firm.

Proskaur.com Bio in Part. Steven Krane is a Partner in the Litigation & Dispute Resolution Department, co-head of the Law Firm Practice Group, concentrating in the field of legal ethics and professional responsibility, and is Proskauer's General Counsel, responsible for providing professional legal advice to the firm. Steven represents law firms and individual lawyers in a variety of professional matters, including rendering opinions and counseling them on a daily basis on a broad range of professional matters including conflicts of interest, client confidentiality, cross-border legal practice issues, **partnership disputes**, **internal investigations**, ancillary businesses and alternative business structures for law firms. In addition, he defends law firms in litigated proceedings involving legal malpractice and other civil claims, represents individual lawyers before grievance and disciplinary committees and assists lawyers in disputes concerning admission to the Bar.

He has served as a litigation consultant and expert witness testifying on a variety of issues such as conflicts of interest, litigation conduct, legal malpractice, billing disputes, and solicitation of clients by lawyers leaving a law firm. Steven is among the nation's leaders in developing and interpreting the rules governing the professional conduct of lawyers. He is the immediate past chair of the American Bar Association's Standing Committee on Ethics and Professional Responsibility, on which he served since 2004.

For 14 years, he has led the **New York State Bar Association committee** that is responsible for formulating the ethical rules governing New York lawyers. In 2007, he was appointed by Chief Judge Kaye to be co-chair of the New York Judicial Institute on Professionalism in the Law. He served as vice-chair of the NYSBA Special Committee on the Law Governing Firm Structure and Operation (the "MacCrate Committee"), chaired the successor to that committee, the Special Committee on Multidisciplinary Practice, and was recently named Vice-Chair of the International Bar Association Committee on Multidisciplinary Practices. Below From www.lviewit.tv

Former New York **State Bar President** and member of **Disciplinary Committees** and **Ethics boards nationwide**. Ordered for investigation of conflict of interest and appearance of impropriety by the New York Supreme Court Appellate Division: First Department.

The investigation has so far been thwarted, through further conflicts in New York, typical New York crooked politics but being from the Windy City, so named for corrupt politics, this will be New York's Greylord.

It was learned that **conflict in New York** led all the way to **Chief Judge Judith Kaye**, you guessed it, **married to a Proskauer partner**, a partner like **Krane, Stephen Kaye**, God now prancing upon his recently departed soul although he was soulless while living towards the end, a partner who was instantly added to newly formed **Proskauer intellectual property** department (formed instantly after learning of my inventions), although he had no history in IP law, hmmm.

Judge Judy Kaye is also conflicted up the butt with Krane, as he was her former whipping boy, serving as her lapdog clerk.

Krane attempts to use influence peddling like never before seen in Gotham to earn his **Proskauer intellectual property partnership** wings by **blocking Iviewit** never revealing **his conflicts**, until two years into the complaints when news of his **conflicts surfaced**.

Steven Krane and Judith Kaye (Judge Judy is now the proud conflicted **owner** of her dead husband **Stephen Kaye's Proskauer shares of Iviewit**) then had to **bury the New York Supreme Court ordered investigation against them and the Proskauer partners**, and in a feat unsurpassed in the annals or anals of New York, he ass kisses or offers it for the taking widely, to evade the investigation without even having to give a statement in his defense.

After five Supreme Court Justices unanimously voted for an INVESTIGATION, Stephen Krane, **Kenneth Rubenstein** and **Raymond Anthony Joao**, did **not even have to provide a response to that court**, nor provide one to the department charged with the investigations.

Instead those disciplinary departments wrote little old me how they were going to dismiss it without investigation based on that he was a nice guy basically. It was as if the Supreme Court of New York, Second Department, was actually doing his defense, as they tendered all letters on his behalf, he did not answer a single question or put forth a statement in his defense. You guessed it, the First Department and the Second Department are controlled by **Proskauer attorneys**, those charged with investigating the conflicts, upon a little scratch of the surface were also found in conflict with the matters, Krane and Kaye, and yet they continued handling the complaints against Proskauer and its partners. So assured that top down control of the courts could never be penetrated with Judith Kaye and Stephen Krane controlling them that they acted as if **they were above the law**.

Perhaps they are above the law, in crime festered New York but they are not above the law of G0d.

Of course I did not order the investigation, a bunch of judges did.

So it begs one to ask why they confronted me to try and evade the investigations and not the court that ordered it. The answer, they could not answer the court with the results of the investigation, as no investigation was ever done and they tried to claim dismissing the case on review was equal to an investigation.

No witnesses were called, no evidence submitted tested, these guys did not even have to tender a response.

How much payola do you think that it costs to buy off three court ordered investigations? With the help of **Judge Judy Kaye** and some very large illegal gains from the stolen technologies to make people obfuscate their public office duties, they have succeeded but for the moment at evading charges.

Steven Krane stands as the most despicable man in the history of legal ethics, currently found trying to amend laws to protect him and others from prosecution. Perhaps Ken Lay hired him to write some laws to prevent loss of his estate from death or the Bush group has him rewriting war codes to justify torture and protect from prosecution.

Either way, there may soon be a lot of Proskauer and other corrupted lawyers cited herein, wishing for an artery to pop to the brain, with Krane's obese gluttony, he will be first. (I was wrong here, Judy's husband Stephen Krane, G0d unrest his soul, was the first to leave this earthly world for hell for his actions.)

Krane Complaint First Department Exposing Conflicts and Violations of Public Office. Krane then goes on to really fuck himself when he writes his own defense of his bar complaint, failing to disclose his conflicting positions at the disciplinary department and further concealing them in an effort to deny he was caught, this little lie cost him orders for investigation.

Krane Suicide Letter

Steven Krane was busted immediately following that letter, after Clerk of the Court, Catherine O'Hagan Wolf identified that Steven Krane was in fact a member of the disciplinary committee that his letter denied, in fact she sat on several committee's with Steven Krane and was stunned that **he would be handling a complaint against himself or his partners**, she suggested Iviewit file the Motion with the Court that led to the unanimous ruling for investigation.

OK breaking news in November 2007 comes in the form of **Krane's buddy** at the First Department, **Thomas Cahill**, **former Chief Counsel of the Supreme Court of New York** First Department, DDC. Thomas Cahill is busted for burying and whitewashing complaints against attorneys that he is charged with investigating.

Oh, shit gets really bad as the informant is an insider, a 62 yr old black female attorney, who is victimized, physically assaulted and terminated for her bravery to stand up to wrongdoings at the Department. In a **\$100M Federal Lawsuit**, she names Iviewit in P. 97 of the complaint, as a cause of termination.

Oh shit, Thomas Cahill and Steven Krane and **their scam exposed from the inside**, Holy Cow Batman, Gotham Uppy Ups are going down. **The New York Law Journal** writes a story exposing Cahill and others for **derailing complaints against attorneys**, exactly what **Iviewit is claiming to the Feds**.

Holy Big Shit Batman, **The New York Times** follows with an even more devastating article and now New York is on fire, Kerik, the whole **criminal political crime family** composed of scumbag lawyers, judges and politicians is flaming downward, hell awaits, my smiling face to greet them.

All this shit started by an investigative reporter at **Expose Corrupt Courts**, a one ballsy Frank Brady, in a time of journalistic lack of integrity and complacency with the corruptions read by propaganda readers like Blitzer (whose his daddy), Sanchez (where did this guy get his journalistic wings) and other script readers, Brady emerges as something of a Ben Bradlee, a Woodward, a Bernstein.

My kudos also go to Dan Wise of the New York Law Journal and Paul Vitello of the New York Times for having the balls to **expose corruption** New York's Heart of Darkness."

Jenifer deWolf Paine - Proskauer Rose Attorney Jenifer deWolf Paine SEEMS to have Hired a Reputation Company to HIDE the Story of Jenifer deWolf Paine, Proskauer Rose v. Blogger Crystal L. Cox.

[Jenifer deWolf Paine Proskauer Rose Attorney](#). [Jenifer deWolf Paine](#) was hired by [Proskauer Rose LLP](#) and probably [Jenifer deWolf Paine](#) was paid big bucks to defend [Proskauer Rose Attorneys](#) Gregg Mashberg, Joseph Leccese, Alan Fagin, and Matthew Triggs in order to attempt to steal my Intellectual Property.

Even though [Jenifer deWolf Paine](#) can easily read the iViewit Technology Story and [Jenifer deWolf Paine](#) can see through this reading, watching videos, court documents, billing statements, contracts, USPTO files and more that [Proskauer Rose](#) Was involved in the stealing, cover up, conspiracy surrounding the iViewit Technology getting into the wrong hands and the iViewit Inventors of this technology that we all use that is worth at least 13 Trillion Dollars Today.

Now it seems that [Jenifer deWolf Paine](#), along with many other Proskauer Rose Attorneys have hired Reputation Defender to change the search results and attempt to move down the documents that Jenifer deWolf Paine should have read on the iViewit Technology scandal before she accused me of simply parroting one of the inventors.

[Jenifer deWolf Paine](#) should know that blogs, by nature kind of do that anyway, yet [Jenifer deWolf Paine](#) felt the need to slam me in the [Jenifer deWolf Paine](#) WIPO complaint seemingly defending the honor of Proskauer Rose Attorneys Gregg Mashberg, Joseph Leccese, Alan Fagin, and Matthew Triggs - [Jenifer deWolf Paine](#) seems to have forgot about Christopher Wheeler and Kenneth Rubenstein who were allegedly there in the first stages of Proskauer Rose involved in the "HELPING" the iViewit Inventors to get their Patent on this amazing Video Technology that over a decade later they don't have rights to.

[Jenifer deWolf Paine](#) files a WIPO case against me for telling this story, yet it seems that Jenifer deWolf Paine did not listen to the perjured deposition of Kenneth Rubenstein. Nor does it seem that [Jenifer deWolf Paine](#) read the billing discrepancies, nor the documents of evidence in this case. **It SEEMS to me, IN MY OPINION** that [Jenifer deWolf Paine](#) was simply after the money that Proskauer Rose was paying her to come after me. Thing [Jenifer deWolf Paine](#) does not seem to know that I was and am speaking the truth, nor does [Jenifer deWolf Paine](#) seem to care that I am on the right side of the moral compass on this.

If [Jenifer deWolf Paine](#) read up on the Christine Anderson whistleblower case about the whitewashing in the court system for protected attorneys, or if [Jenifer deWolf Paine](#) read the lawsuits against Cuomo and other New York Agencies or if [Jenifer deWolf Paine](#) read the State Bar Complaints [Jenifer deWolf Paine](#) would know that I was not simply "parroting" as [Jenifer deWolf Paine](#) called it, but that I was defending the rights of inventors, of citizens inventing something amazing and instead of getting paid, patents and cudos, they got their car bombed and lives ruined.

Does [Jenifer deWolf Paine](#) know any of this or was [Jenifer deWolf Paine](#) simply answering to the man, with no moral or legal conscience?

[Jenifer deWolf Paine](#) seems to think that the iViewit Technology case against [Proskauer Rose](#) was over and seemingly Jenifer deWolf Paine thinks long ago. So is [Jenifer deWolf Paine](#) a conspirator in this Federal RICO Case, this case that is documented in several courts across the US and in the Europe Patent Office? Why did [Jenifer deWolf Paine](#) simply take the side of [Proskauer Rose Attorneys](#) Gregg Mashberg, Joseph Leccese, Alan Fagin, and Matthew Triggs ? Oh yeah [Jenifer deWolf Paine](#) did this because Proskauer Rose Paid [Jenifer deWolf Paine](#) to represent them in this silly little WIPO case.

Gues [Jenifer deWolf Paine](#) thought it would be easy to shut me up, take my VALUABLE intellectual property and [Jenifer deWolf Paine](#) surely must have ALLEGEDLY .. in my Opinion thought that iViewit Inventors rights, quality of life, was not as important as Proskauer Rose Law Firm, Gregg Mashberg, Joseph Leccese, Alan Fagin, and Matthew Triggs .

Money is not all there is to life Jenifer deWolf Paine. The Truth about Proskauer Rose Attorneys Gregg Mashberg, Joseph Leccese, Alan Fagin, and Matthew Triggs is something that I believe Jenifer deWolf Paine should research. Once [Jenifer deWolf Paine](#) has a firm grasp on the real case with Proskauer Rose and iViewit from the beginning, then [Jenifer deWolf Paine](#) can have a say that may have some level of intelligence and knowledge in it. IN MY OPINION of COURSE.

Jenifer deWolf Paine must know the truth and still Jenifer deWolf Paine SEEMS to do nothing to bring justice to the iViewit Inventors. Jenifer deWolf Paine spent her summer harassing me in my OPINION of the WIPO Case.

iViewit Technology Theft - Curtis Lu Time Warner Inc. General Counsel LEAVES without Disclosing Massive Liability to Time Warner Board and Shareholders

Before Curtis Lu Left Time Warner, Curtis Lu Called iViewit Founder Eliot Bernstein. How Much Risk Does Harbinger Capital Partners Investors Now Have ?

LightSquared now has Massive Liability in Curtis Lu as their General Counsel.

The Investors of Harbinger Capital Partners Will Pay the Price.

Do your Homework - it's YOUR Money ~ It's Your Life.

Curtis Lu Time Warner (NYSE: TWX) Contacts **Eliot Bernstein** April 15, 2010, after OVER a Decade in which Time Warner NEW of the **Iviewit Technologies** Massive Liability to the Time Warner Inc. and Related Companies.

Time Warner used this Technology and Continues to VIOLATE Signed Agreements to This Day.

Time Warner has **Violated Licensing Agreements** with Iviewit Tech., and Violated NBA agreements. Curtis Lu - Time Warner IGNORES **Massive Shareholder FRAUD** then Conveniently Leaves Time Warner for the Harbinger Capital Partners - Philip Falcone investment of LightSquared.

Marc Garber of **Flaster Greenberg** and Eliot Bernstein of **Iviewit Technologies** Speaks with Curtis Lu of Time Warner Inc. About the RISK and Liability that Time Warner Faces over the **Massive Fraud** of the **Stolen Iviewit Technology**.

Curtis LU admitted he was familiar with the situation, and KNOWS all the Details and Liabilities and FAILED to Warn the Time Warner Board, **Time Warner Shareholders**.

"**April 15, 2010** call prior to filing formal **SEC Complaint** and giving Time Warner a last chance to pay the true and proper inventor of **Digital Imaging** and **Video Scaling Inventions** and avoid further actions. "

After all is Said and Done, **Curtis Lu Time Warner Inc. General Counsel** - Now the General Counsel at **Harbinger Capital Partners** - **Lightsquared**.. well at the end Curtis Lu says he is Going to Go Back to His "Client" and **Get THEIR "Reaction"**

Well you Sure Gotta wonder what the Clients Reaction Was - I Mean that Next Month **Curtis Lu** went to some Convention where he talked about future issues and potential problems with Intellectual Property Rights - what a Joke that was.. and a few months later **Curtis Lu, Time Warner Inc.** Leaves Time Warner to be the General Counsel of **Harbinger Capital Partners** - **Philip Falcone** Multi-Billion Dollar Investment of a Company Called "**Lightsquared**" - which seems to think they will take over as the Leading Wireless, Internet Company in a couple of short years.

Ok so did **Jeffrey Bewkes** FIRE **Curtis Lu, Time Warner Inc.** - or Did They Cut a Deal where Curtis Lu would Leave with benefits and a good record? Did **Jeff Bewkes** WARN the Board of Directors at Time Warner Inc. or the Shareholders of **Time Warner Inc.** ?

WHO Did "**Curtis Lu**" - General Council of Time Warner actual "Get Back To?" and what did THEY really say to Curtis Lu, Time Warner Inc. General Counsel.

Curtis Lu is Involved in the SEC Complaint and Suit and will CERTAINLY call Eliot.. well Curtis Lu never did get back to Eliot. So What REALLY Happened?

Eliot Gave **Time Warner, Curtis Lu** Very Good Options and Well Curtis Lu was either FIRED or Simply Left **Time Warner Inc.** Right After This. Why? What is the REAL truth of Curtis Lu Leaving Time Warner for **Philip Falcone** - **Harbinger Capital Partners**, Star Investment LightSquared?

How Much Risk Does **Harbinger Capital Partners** Investors Now Have ?

Why is the NEW Time Warner General Counsel Paul T. Cappuccio IGNORING this Massive Shareholder Fraud and Failing to Disclose this Multi-Trillion Dollar Liability?

Well this is Massive Fraud and it is Easily PROVEN though **Mary L. Schapiro** the **Chairman of the U.S. Securities and Exchange Commission** seems to so far Ignore over 1200 documents and 10 years of proof, it is still proven and the Shareholders of **Time Warner Inc.**, AOL, Warner Bros., Sony, Intel Corp., **Lockheed Martin**, IBM, and Many more will pay Trillions.. oh WELL Right .. **Jeffrey Bewkes** and **Mary Schapiro** and all the Others at the Top will not pay, odds are they have already hid their assets, I mean they have known this was coming for a VERY long time and STILL they sit on it. .the MOTIVE?

TO make sure they get THEIRS before the Investors / Shareholders take the inevitable financial hit that they will indeed take. .

So what did **Jeffrey Bewkes, Chairman and Chief Executive Officer** really have to say about the now famed call from Time Warner Inc. - General Counsel **Curtis Lu** to Eliot Bernstein Iviewit Founder and One of the Inventors of the Multi-Trillion Dollar Iviewit Technology that Time Warner has made Billions on Top of Billions on and all the while knowing they had STOLEN the Technology and Violated SIGNED agreements with Iviewit. Where is **Jeffrey Bewkes, Chairman and Chief Executive Officer** on this?

"**Jeff Bewkes is Chairman and CEO of Time Warner Inc. He was elected Chairman of the Board of Directors in January 2009, having served on the Board since January 2007. He was elected CEO of the Company in January 2008.** "

Jeff Bewkes KNOWS of Massive Fraud and Neglects to TELL the Time Warner Board. Jeff Bewkes is GUILTY of Massive Shareholder Fraud and WILL BE indicted. This is Criminal, this is Immoral and Folks.. there is over 1200 Documents of Proof on top of other massive information. This is Fact, **Jeff Bewkes** Time Warner KNOWS it and DOES nothing to Warner you THE board, the investors of Time Warner Inc. - Why?

Part 1 - Curtis Lu for Time Warner Inc.

Part 2 Curtis Lu - Time Warner General Counsel

Part 3 - Curtis Lu - Time Warner General Council FAILS to Disclose Massive Shareholder Liability.

So Curtis Lu, Ask Yourself, **How Much "Risk"** - Liability did you Bring to Philip Falcone and to LightSquared which is raking in billions of investors money to be the NEW "internet network" that takes over all others.

Yet Curtis Lu is their General Council and is named in a Federal RICO Lawsuit and an SEC Complaint and KNOWS of a Mult-Trillion Dollar Shareholder Fraud involving his Former Employer Time Warner Inc. - Well Curtis Lu, Lightsquared General Counsel is Sure in Deep on this.

Time Warner Massive Liability - There is Proof that Time Warner Inc. was Infringing on this Technology, tons of the proof, and Yet Time Warner Inc. DOES not have This Liability Reported on the Books, WHY?

"We Should Have Been Disclosing?" - Curtis Lu asks.. GEE .. umm.. hmm..

"So Uh, are we.. uh is Time Warner a Defendent in all this? "

Time Warner Inc. has a Massive Undisclosed Liability...

So What Does the Time Warner Inc. Board have to Say about all this?
