## We re Staying Out, So Please Send Money

By: **Erick Erickson (Diary)** | *November 5th, 2009 at 11:26 AM* |

Funny. The NRSC's Chairman John Cornyn says the NRSC is sitting Florida out and won't spend a nickel there. That's fine. Of course they did just send out a big memo to NRSC donors and others highlighting all of the upcoming opportunities for them to give Charlie Crist money.

The most interesting thing about the list is that an event for Carly Fiorina is also listed, but I thought the NRSC hadn't endorsed her. Bwahahahaha. I know. Who am I kidding.

In case you too want to do that or show up with protest signs, the list of events, addresses, and even hosts (!!!) is below the fold.

Impressive that he has so many in Florida. Usually he goes out of state to raise his cash since fewer and fewer in Florida like him.
