Alan - I want Eliot's deposition scheduled as soon as you can notice him. We can discuss the strategy once he is served.

I want to go through each claim with you and/or John to determine the legal necessity to respond. If any reply is necessary, the record must be straight with respect to each.

This is a rambling, filled with contradictions that need to be exposed for what they are. If John does not want to tangle with Eliot, remove John immediately. I am sorry to be this blunt, but I do not want to address the John issue again.

If he is not 100% in support of me as trustee, including how I have protected myself with trust assets and will continue doing so as necessary, and being aggressive and forceful, if need be, with eliot, remove him as counsel.

I do not want to spend another unnecessary dollar with counsel that is not going to zealously defend me as trustee and protect trust assets. I cannot be more decisive re this and I say this with no animosity - simply for efficiency sake and my best interest.

Eliot is in default of production. Let's serve notice on him that he is in default.

I want Eliot to produce everything he has with respect to these cases, including:

Documents he refers to having that provide trusts for him and/or his children.

Agreements he has signed with my father and mother, together or separately.

All correspondence between him and my parents, together or separately concerning anything he has referenced in his ramblings through this one.

Anything and everything pertaining to iviewit, including his harassment of Jerry Lewin, Al Gortz of Proskauer and their firms.

I want court proceedings, lawsuits, all correspondence to him and from him including paper and electronic, including video tapes and electronic interviews.

History of incidents at st. Andrews school.

All correspondence with bill Stansbury. Everything related to Feaman / Stansbury  
All bank accounts, credit cards, sources of income, loans and gifts.

All correspondence with anyone he has shared estate details.

All correspondence of every type with: walker, puzzio, SAHM, Diana banks, Scott banks, NACLERIO, Dietz, Gefen and every person on his email distribution list. If he doesn't comply, I want all of them deposed.

Everything in which he has mentioned my name including emails, phone calls, letters, complaints to whatever agencies he has made complaints including police, federal, state, regulatory.

Everything and anything he is doing that we are not yet aware of such as online web site attacks.

Everything connected to crystal cox concerning me and anyone else he is extorting and harassing together with her.

Manceri filed production requests. If it is possible to hand eliot a subpoena for his deposition at tomorrows hearing, that would be great.

I also want feamans deposition taken in connection with this case and what he is doing with Eliot. If mediation is scheduled and you feel this is better done after the mediation, I am okay with that. If it is not, let's take his depo.

How much is in Feaman trust account that has been stolen from us? I want an accounting. Has any money been used for Stansbury defense thus far? If we are scheduled for mediation, will this be revealed?

If we are not, I want to know ASAP what is in account, I want all statements and any expenditures.

I'm sure I will think of more.
