AMENDED COMPLAINT

Plaintiff, TED BERNSTEIN, as trustee of the Shirley Bernstein Trust Agreement dated May 20, 2008, as amended (the "Trust"), pursuant to leave granted by and instructions from this Court to file an Amended Complaint, hereby files this Amended Complaint against and provides notice to those interested in the Trust and in the testamentary documents of Simon L. Bernstein and Shirley Bernstein, namely Defendants, ALEXANDRA BERNSTEIN; ERIC BERNSTEIN; MICHAEL BERNSTEIN; MOLLY SIMON; PAMELA B. SIMON, Individually and as Trustee

f/b/o Molly Simon under the Simon L. Bernstein Trust Dtd 9/13/12; ELIOT BERNSTEIN, individually, as Trustee f/b/o D.B., Ja. B., and Jo. B. under the Simon L. Bernstein Trust Dtd 9/13/12, and on behalf of his minor children D.B., Ja. B., and Jo. B.; JILL IANTONI, Individually, as Trustee f/b/o J.I. under the Simon L. Bernstein Trust Dtd 9/13/12, and on behalf of her Minor child J.I.; MAX FRIEDSTEIN; LISA FRIEDSTEIN, Individually, as Trustee f/b/o Max Friedstein and C.F. under the Simon L. Bernstein Trust Dtd 9/13/12, and on behalf of her minor child, C.F. (collectively, “Defendants”).

Plaintiff hereby sues Defendants, and states:

1. Plaintiff Ted Bernstein is over the age of 18, a resident of Palm Beach County, Florida and is the Trustee of the Shirley Bernstein Trust Agreement dated May 20, 2008, as amended, under Article IV.C.1 of the Trust (“Trustee.”)
2. Shirley Bernstein died on December 8, 2010, and at the time of her passing was a resident of Palm Beach County, Florida.
3. Prior to her death, Shirley Bernstein created a trust known as the Shirley Bernstein Trust Agreement dated May 20, 2008 (“Shirley’s Trust”).
4. Shirley Bernstein was a resident of Palm Beach County, Florida when she created Shirley’s Trust.
5. An authentic copy of Shirley’s Trust is attached as Exhibit “A”.
6. Shirley’s Trust, Exhibit A, is clear and unambiguous.
7. Shirley Bernstein was survived by her husband, Simon L. Bernstein.
8. The marriage between Shirley and Simon L. Bernstein was the first and only marriage for each of them.

9. The marriage lasted 52 years, and during that time Shirley and Simon had five natural born children. Neither Simon nor Shirley had any other children.

10. The five children of Shirley and Simon are Plaintiff Ted Bernstein, and Defendants Pamela B. Simon, Eliot Bernstein, Jill Iantoni and Lisa Friedstein, each of whom is living, over the age of 18 and a lineal descendant of Shirley.

11. Shirley Bernstein was the original sole trustee of Shirley's Trust and, upon her death, was succeeded as sole trustee by Simon L. Bernstein.

12. Simon L. Bernstein died on September 13, 2012.

13. Simon L. Bernstein was succeeded as sole trustee of Shirley's Trust by son Ted Bernstein, who presently serves as sole trustee of Shirley's Trust.

14. It is believed that Shirley Bernstein amended Shirley's Trust by executing a document titled "First Amendment to Shirley Bernstein Trust Agreement" dated November 18, 2008. An authentic copy of the First Amendment to Shirley Bernstein Trust Agreement dated November 18, 2008 is attached as Exhibit "B". This First Amendment has no bearing on the issue in this case.

15. There is another document which purports to have the same title, "First Amendment to Shirley Bernstein Trust Agreement", which also purportedly is dated November 18, 2008. Such document, which the Trustee first learned of in mid-January 2014, is not a valid amendment to Shirley's Trust, and has no bearing on this issue in this case.

16. With regard to the Shirley Trust, the only genuine and authentic trust documents signed by Shirley during her lifetime are Exhibits "A" and "B".

17. Pursuant to Shirley's Trust, upon Shirley's death, a "Family Trust" is created pursuant to Article II, ¶ C.1.

18. Pursuant to Shirley's Trust, no "Marital Trust" is created, as that term is used in Article II of Shirley's Trust.

19. Article II, ¶ E. 1. of Shirley's Trust granted to Shirley's surviving spouse, Simon L. Bernstein, a limited or special power of appointment over the Family Trust to or for the benefit of Shirley Bernstein's "lineal descendants and their spouses."

20. The Shirley Trust was funded by assets transferred to it during Shirley's life and also was funded by the residue of her estate.

21. After Shirley's death, the beneficiary of the Shirley Trust was Simon L. Bernstein during the remainder of his life.

22. Upon Simon's death, the Shirley Trust provided to Simon a Limited Power to appoint the trust's assets "to or for the benefit of one or more of my [Shirley's] lineal descendants and their spouses."

23. The Shirley Trust provides an alternate or default disposition for any parts of the trust that Simon does not or cannot effectively appoint: such assets "shall be divided among and held in separate Trusts for my [Shirley] lineal descendants then living, *per stirpes*."

24. Simon exercised his Special Power in Article II in the Will of Simon L. Bernstein dated July 25, 2012 ("Simon's Will").

25. An authentic copy of Simon's Will is attached as Exhibit "C".

26. Simon's Will specifically references Shirley's Trust and the power given to him under subparagraph E.1 of Article II of Shirley's Trust. The relevant provision of Simon's Will reads:

Under Subparagraph E.1. of Article II of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "Shirley Trust"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

27. In essence, through his Special Power, Simon directed Shirley's Trustee to divide the remaining trust assets into equal shares for his then living grandchildren, to be added to trusts established for each such grandchild under Simon's Trust.

28. The persons identified by Simon, "his then living grandchildren," all appear to be among the class of permitted appointees as defined in the Shirley Trust to be Shirley's "lineal descendants and their spouses".

29. Because Simon exercised his power of appointment, the assets in the Shirley Trust do not pass under the Shirley Trust to the alternate, default beneficiaries: "my lineal descendants then living, *per stirpes*."

30. The class of permissible appointees for Simon's power (Shirley's "lineal descendants and their spouses") is different that the class of alternate/default beneficiaries (Shirley's "lineal descendants *then living*, *per stirpes*").

31. Because Simon L. Bernstein exercised his Special Power in favor of his [and also Shirley's] grandchildren, none of Shirley's and Simon's children is a beneficiary under the Shirley Trust. Thus, it appears that neither Ted, Pam, Eliot, Lisa or Jill are to receive any portion of the assets in the Shirley Trust.

32. Pursuant to Article IV.C.1., upon Simon's death, Ted became the Successor Trustee of the Shirley Trust. Ted also serves as the Successor Personal Representative of Shirley's Estate.

33. Sometime after Simon's death, a significant asset of Shirley's Trust (a condominium) was sold. The decision was made to make a partial interim distribution to all of the beneficiaries of the Shirley Trust. At the time of this decision, the Trustee was not aware of any question or issue as to Simon's right to appoint the assets to his ten grandchildren.

34. The Trustee attempted to make a partial interim distribution to the trusts for all ten living grandchildren of Simon, into a separate trust for each grandchild under the Simon L. Bernstein Trust Dtd 9/13/12, with the respective parent of each grandchild as the trustee.

35. The Trustee was able to complete the partial interim distributions to the trusts for seven of the ten living grandchildren of Simon, but not to Eliot's children. Despite having tried on numerous occasions, the Trustee was unable to make a partial interim distribution to the trusts for the other three living grandchildren (Eliot's minor children) because Eliot refused to accept these distributions.

36. The Trustee believes that there is a disagreement between and among the children and grandchildren of Shirley Bernstein as to effect of the exercise of the power of appointment

by Simon L. Bernstein and which persons are entitled to receive a distribution from the Shirley Trust.

37. The disagreement and dispute involves the interpretation of the Shirley Trust and the construction of Article III.E.1 of Shirley's Trust, which defines who is Shirley Bernstein's "child", "children", and "lineal descendant" "for the purposes of the dispositions made under this Trust."

38. Article III.E.1 of Shirley's Trust states that, "for purposes of the dispositions made under this Trust, my children, Ted S. Bernstein ("**TED**") and Pamela B. Simon ("**PAM**") and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me [Shirley]".

39. At the time of Simon's death, there were ten grandchildren who were alive: Alexandra Bernstein, Eric Bernstein, Michael Bernstein, Molly Simon, D.B., Ja. B., Jo. B., J.I., Max Friedstein and C.F.

40. If the exclusionary language of Article III.E.1 of Shirley's Trust applies to Simon's exercise of his Special Power, then Simon's then living grandchildren, at the time of his death, could be construed to include only D.B., Ja. B., Jo. B., J.I., Max Friedstein and C.F.

41. If the exclusionary language of Article III.E.1 of Shirley's Trust does not apply to Simon's exercise of his Special Power, then the appointment would be in favor of all ten grandchildren identified in ¶40.

42. A telephone conference occurred in May 2012 between and among Simon L. Bernstein, his lawyer Robert Spallina, each of Shirley's and Simon's children (Ted, Pam, Eliot, Jill and Lisa), and some or all of their spouses.

43. Based upon the discussions during that telephone call, there is no uncertainty that Simon L. Bernstein advised each of his children that Shirley's and Simon's wealth was going to be divided equally among all ten grandchildren.

44. Each of Simon's children, including Eliot, acknowledged and agreed with Simon's stated decision to leave all of his and Shirley's wealth to the ten grandchildren.

45. Despite Simon L. Bernstein's stated intentions and his actual exercise of his Special Power through his Will, the Trustee presently is uncertain whether to distribute assets in favor of ten or only six grandchildren, or otherwise.

46. Palm Beach County, Florida is where the Trustee administers Shirley's Trust, is the location where the books and records of Shirley's Trust are kept, and is the principal place of administration of Shirley's Trust.

47. This proceeding seeks the intervention of this Court in the administration Shirley's Trust by an interested person, the Trustee, and declaratory relief.

48. This Court has subject matter jurisdiction pursuant to Sections 736.0203 and 736.0201, Florida Statutes.

49. Pursuant to Article III.I, Shirley's Trust is governed by the laws of the State of Florida.

50. This is a judicial proceeding concerning Shirley's Trust pursuant to Section 736.0201, Florida Statutes.

51. Venue is proper in this Court pursuant to Section 736.0204, Florida Statutes.

52. Venue is appropriate in the Probate Division of this Court pursuant to Administrative Order 6.102-9/08.

53. Plaintiff Trustee is entitled to retain counsel pursuant to Article IV.A.29 of Shirley's Trust and Section 736.0816 (20), Florida Statutes.

54. Plaintiff Trustee has retained the undersigned counsel, and has agreed to pay it reasonable attorney's fees and to reimburse it for costs and may do so from Shirley's Trust.

Defendants and Potential Beneficiaries

55. Defendants Alexandra Bernstein, Eric Bernstein, and Michael Bernstein are lineal descendants of Ted S. Bernstein.¹ Each is over the age of 18 and claims a beneficial interest in the Shirley Trust.

56. Defendant Molly Simon is a lineal descendant of Defendant Pamela B. Simon. She is over the age of 18 and claims a beneficial interest in the Shirley Trust.

57. Defendant Pamela B. Simon, Individually and as Trustee f/b/o Molly Simon under the Simon L. Bernstein Trust Dtd 9/13/12, is over the age of 18. As Trustee, she claims a beneficial interest in the Shirley Trust, and individually also may claim a beneficial interest in the Shirley Trust.

¹ Ted S. Bernstein is the Trustee of three separate trusts created f/b/o Alexandra, Eric and Michael Bernstein under the Simon L. Bernstein Trust Dtd 9/13/12. Solely in the capacity as Trustee of each of these three trusts, each of which received an partial interim distribution, Ted S. Bernstein has signed a Receipt of Partial Distribution, agreeing to return the distribution if the Court determines that the distribution should not have been made. Ted S. Bernstein believes that the power of appointment was validly exercised by Simon L. Bernstein and that the prior partial interim distributions were proper; however, individually he takes no position in this lawsuit and agrees to abide by any final, non-appealable order entered by this Court with respect to the construction of the Shirley Trust. Ted S. Bernstein, individually, makes no claim of entitlement to any individual right to receive any devise, bequest, inheritance or beneficial interest in any portion of the Shirley Trust or her estate.

58. D.B., Ja. B. and Jo. B. are minors and are lineal descendants of Defendant Eliot Bernstein, who is their father and claims on behalf of each minor child a beneficial interest in the Shirley Trust.

59. Eliot Bernstein, Individually, as Trustee f/b/o D.B., Ja. B. and Jo. B. under the Simon L. Bernstein Trust Dtd 9/13/12, and on behalf of his minor children D.B., Ja. B. and Jo. B., is over the age of 18. As Trustee, he claims a beneficial interest in the Shirley Trust, and individually also may claim a beneficial interest in the Shirley Trust.

60. J.I. is a minor and a lineal descendant of Jill Iantoni, who is her mother and claims on behalf of her minor child a beneficial interest in the Shirley Trust

61. Jill Iantoni, Individually, as Trustee f/b/o J.I. under the Simon L. Bernstein Trust Dtd 9/13/12, is over the age of 18. As Trustee, she claims a beneficial interest in the Shirley Trust, and individually also may claim a beneficial interest in the Shirley Trust.

62. Defendant Max Friedstein is a lineal descendant of Defendant Lisa Friedstein. He is over the age of 18 and claims a beneficial interest in the Shirley Trust

63. C.F. is a minor and lineal descendant of Lisa Friedstein, who is her mother and claims on behalf of her minor child a beneficial interest in the Shirley Trust.

64. Lisa Friedstein, Individually, as Trustee f/b/o Max Friedstein and C.F. under the Simon L. Bernstein Trust Dtd 9/13/12, and on behalf of her minor child, C.F., is over the age of 18. As Trustee, she claims a beneficial interest in the Shirley Trust, and individually also may claim a beneficial interest in the Shirley Trust.

65. Each of the Defendants is subject to personal jurisdiction pursuant to Section 736.0202, Florida Statutes.

COUNT I –DECLARATORY AND OTHER RELIEF

66. Trustee restates the allegations contained in Paragraphs 1 to 65.

67. This is a cause of action to ascertain beneficiaries, to determine a question arising in the administration or distribution of Shirley's Trust, to obtain a declaration of rights, and to instruct and discharge the trustee.

68. This cause of action seeks a declaration and other relief or intervention by this Court as to who should receive Shirley's Trust; whether and to what extent Simon L. Bernstein's exercise of his limited or special power of appointment pursuant to his will should be given effect; which if either of the documents titled First Amendment of Shirley's Trust is valid; to whom the Trustee should distribute the assets of Shirley's Trust; and a discharge of the Trustee.

69. It is in doubt as to whether Eliot Bernstein adequately represents the interests of his minor children and whether there are conflicts of interest between Eliot and the interests of his minor children, each of whom is expressly named in the Special Power.

70. This is an action for declaratory relief pursuant to Chapter 86 of the Florida Statutes and seeking the intervention of the Court in the administration of the Trust, pursuant to Section 736.0201, Florida Statutes.

71. The Trustee, and the Trust, will suffer irreparable harm if relief is not granted.

72. There is no other adequate remedy at law.

73. The relief sought constitutes and deals with a bona fide question between the Trustee and the Defendants.

74. The declaration sought deals with a present state of facts or presents a controversy as to a state of facts.

75. The Trustee has a justiciable question and has a bona fide, actual, and present practical need for a declaration from this Court.

76. The Trustee's rights, duties, and obligations are dependent upon the facts or law applicable to the facts.

77. The seeds of litigation are ripening such that a declaration from this Court will benefit the Trust.

78. Further, to the extent that the Court determines any prior interim distribution to have been improper, Plaintiff seeks supplemental relief in the form of an order directing and compelling the recipients of the any and all such distributions to return the funds. To date, funds were distributed to Lisa Friedstein, as Trustee for Max Friedstein and C.F.; Jill Iantoni, as Trustee for J.I.; Pamela B. Simon, as Trustee for Molly; and Ted S. Bernstein, as Trustee for Alexandra, Eric and Michael. Eliot as Trustee for his three children refused the interim distribution, even though it appears that his minor children should receive some distribution under the exercise of the Special Power. Each of the trustees who received a distribution for their children signed a Receipt of Partial Distribution, agreeing to return the distribution of the Court determines that the distribution should not have been made.

WHEREFORE, Plaintiff prays that this Court: (i) make a declaration and otherwise intervene in the administration of the Trust, as aforesaid; (ii) instruct the trustee to whom to distribute the assets of Shirley's Trust; (iii) declare whether the power of appointment was validly exercised by Simon in accordance with his stated wishes; (iv) determine who are the proper recipients of distributions of the assets of the Shirley Trust pursuant to the power of

appointment, and if appropriate, direct the return of any funds distributed; (v) grant the Plaintiff Trustee his attorneys' fees and costs and other relief as may be just and proper.

**COUNT II – DECLARATORY JUDGMENT AS TO VALIDITY
OF TESTAMENTARY DOCUMENTS**

79. Trustee restates the allegations contained in paragraphs 1-65 and 70-78.

80. This is an action, filed at the direction of the Court, for declaratory judgment to determine the validity, authenticity and enforceability of certain wills and trusts executed by Simon Bernstein and Shirley Bernstein, as follows:

- a. Shirley Bernstein Trust Agreement dated May 20, 2008 (“Shirley Trust”, attached as Exhibit “A”);
- b. First Amendment to Shirley Bernstein Trust Agreement dated November 18, 2008 (“Shirley First Amendment”, Exhibit “B”);
- c. Will of Simon L. Bernstein dated July 25, 2012 (“Simon Will”, Exhibit “C”);
- d. Simon L. Bernstein Amended and Restated Trust Agreement dated July 25, 2012 (“Simon Trust”, Exhibit “D”);
- e. Will of Shirley Bernstein dated May 20, 2008 (“Shirley Will”, Exhibit “E”).

(collectively, the “Testamentary Documents”).

81. Certain of the potential beneficiaries named herein have raised questions concerning the validity, authenticity and enforceability of the Testamentary Documents, including issues relating to the authenticity and genuineness of the signatures; the formalities of execution; and other issues.

82. The Trustee asserts that the Testamentary Documents are valid, genuine and enforceable, and requests that the Court enter a Final Judgment determining that the documents are valid, genuine and enforceable.

83. Specifically, Exhibits “A” and “E” were properly signed and executed by Shirley Bernstein on May 20, 2008, in the presence of two subscribing witnesses and a notary.

84. The Shirley Will has been admitted to probate.

85. Exhibit “B” was properly signed and executed by Shirley Bernstein on November 18, 2008, in the presence of two subscribing witnesses and a notary.

86. Exhibits “C” and “D” were properly signed and executed by Simon L. Bernstein on July 25, 2012, in the presence of two subscribing witnesses and a notary.

87. The Simon Will has been admitted to probate.

88. At the time of signing their respective Testamentary Documents, Shirley Bernstein and Simon L. Bernstein were competent and legally able to execute testamentary documents, and were not acting under any such undue influence or other disability as could cause the documents to be unenforceable under Florida law.

WHEREFORE, Plaintiff prays that this Court: (i) make a declaration and otherwise intervene in the administration of the Will and Trust as aforesaid; (ii) enter a judgment under the claim set forth in Count II for declaratory judgment that the Testamentary Documents are genuine, valid and fully enforceable according to their terms; (iii) determine who are the proper recipients of distributions and if appropriate, direct the return of any funds distributed; (iv) grant the Plaintiff Trustee his attorneys’ fees and costs and other relief as may be just and proper.

SHIRLEY BERNSTEIN

TRUST AGREEMENT

This Trust Agreement is dated this 20 day of May, 2008, and is between SHIRLEY BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SHIRLEY BERNSTEIN, of Palm Beach County, and SHIRLEY BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee). Said Trustee acknowledges receipt of the property described in the Attachment to this Agreement, and agrees to hold said property and all additions, in trust, as provided in this Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. Rights Reserved. I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement. However, after my spouse's death I may not exercise any of said rights with respect to property added by my spouse upon my spouse's death by my spouse's Will or otherwise.

B. Payments During My Life. If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare, and also may in its discretion pay to my spouse such amounts of said net income and principal as is proper for his Welfare. Any income not so paid shall be added to principal.

C. Gifts. If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my spouse and my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. **Trustee Limited.** When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent

(5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

D. Upon My Death. Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. Disposition of Tangible Personal Property. If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. Specific Cash Devise. The Trustee shall set aside in a separate trust the sum of Two Hundred Thousand (\$200,000.00) Dollars for MATTHEW LOGAN, and said separate trust shall be administered as provided in Subparagraph II.F below. If MATTHEW LOGAN does not survive me this devise shall lapse.

C. Marital Deduction Gift. If my spouse survives me:

1. Family Trust. The Trustee shall hold as a separate "*Family Trust*" (i) all property of the trust estate as to which a federal estate tax marital deduction would not be allowed if it were distributed outright to my spouse, and (ii) after giving effect to (i), the largest pecuniary amount which will not result in or increase any federal or state death tax otherwise payable by reason of my death. In determining the pecuniary amount the Trustee shall assume that none of this Family Trust qualifies for a federal estate tax deduction, and shall assume that all of the Marital Trust hereinafter established (including any part thereof disclaimed by my spouse) qualifies for the federal estate tax marital deduction. I recognize that the pecuniary amount may be reduced by certain state death taxes and administration expenses which are not deducted for federal estate tax purposes.

2. Marital Trust. The balance of the trust remaining after the establishment of the Family Trust shall be held as a separate "*Marital Trust*."

3. Disclaimer. Any part of the Marital Trust my spouse disclaims shall be added to the Family Trust. My spouse shall not be deemed to have predeceased me for purposes of such addition. I suggest that my spouse or my spouse's fiduciaries consider an appropriate partial disclaimer to minimize the death taxes due upon both of our deaths.

If my spouse does not survive me, the entire trust shall be held as the Family Trust without regard to the provisions of Subparagraph II.B.1 describing or limiting which assets shall be held thereunder.

D. During Spouse's Life. Commencing with the date of my death the Trustee shall,

1. Marital Trust. Pay to my spouse from the Marital Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare; and

2. Family Trust. Pay to my spouse from the Family Trust, the net income, and such amounts of principal as is proper for my spouse's Welfare. I request (but do not require) that no principal be paid to my spouse from the Family Trust for my spouse's Welfare unless the Marital Trust has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

E. Disposition of Trusts Upon Death of Survivor of My Spouse and Me. Upon the death of the survivor of my spouse and me,

1. Limited Power. My spouse (if my spouse survives me) may appoint the Marital Trust and Family Trust (except any part added by disclaimer from the Marital Trust and proceeds of insurance policies on my spouse's life) to or for the benefit of one or more of my lineal descendants and their spouses;

2. Disposition of Balance. Any parts of the Marital Trust and the Family Trust my spouse does not or cannot effectively appoint (including any additions upon my spouse's death), or all of the Family Trust if my spouse did not survive me, shall be divided among and held in separate Trusts for my lineal descendants then living, *per stirpes*. Any assets allocated under this Subparagraph II.D. to my children (as that term is defined under this Trust), shall be distributed to the then serving Trustees of each of their respective Family Trusts, established by my spouse as grantor on even date herewith (the "*Family Trusts*" which term includes any successor trust thereto), to be held and administered as provided under said Trusts. The provisions of the Family Trusts are incorporated herein by reference, and if any of the Family Trusts are not then in existence and it is necessary to accomplish the foregoing dispositions, the current Trustee of this Trust is directed to take such action to establish or reconstitute such applicable trust(s), or if the Trustee is unable to do so, said assets shall be held in separate trusts for such lineal descendants and administered as provided in Subparagraph II.E. below. Each of my lineal descendants for whom a separate Trust is held hereunder shall hereinafter be referred to as a "*beneficiary*," with their separate trusts to be administered as provided in Subparagraph II.E. below.

F. Trusts for Beneficiaries. The Trustee shall pay to a beneficiary the net income of such beneficiary's trust. The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the principal of such beneficiary's trust as is proper for the Welfare of such individuals. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any child of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of my lineal descendants and their spouses (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living who is also a lineal descendant of my spouse.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

G. Termination of Small Trust. If at any time after the death of the survivor of my spouse and me in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

H. Contingent Gift. If at any time property of a trust held under this Agreement is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if my spouse and I had each then owned one-half of such property and had each then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

I. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be

liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

J. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years as provided in F.S. § 689.225(2)(a)(2), nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

K. Florida Homestead Possessory Rights. Notwithstanding anything herein to the contrary, if any portion of any Florida improved residential real estate (excluding commercial multi-unit rental property) is an asset of the Marital Trust, my spouse shall have the exclusive and continuous present right to full use, occupancy and possession of such real estate for life. It is my intention that my spouse's interest in such property shall constitute a "beneficial interest for life" and "equitable title to real estate" as contemplated by Section 196.041(2) of Florida Statutes, as amended from time to time or any corresponding provision of law.

ARTICLE III. GENERAL

A. Disability. Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary (other than my spouse as beneficiary of the Marital Trust) is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. Timing of Income Distributions. The Trustee shall make required payments of income at least quarterly.

C. Substance Abuse.

1. In General. If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended (excluding, however, mandatory income rights under the Marital Trust). In that event, the following provisions of this Subparagraph III.C will apply.

2. Testing. The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. Treatment. If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate

SP

takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child, and (c) lawful adoptions of minors under the age of twelve years. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, as I have adequately provided for them during my lifetime, for purposes of the dispositions made under this Trust, my children, TED S. BERNSTEIN ("**TED**") and PAMELA B. SIMON ("**PAM**"), and their respective lineal descendants shall be deemed to have predeceased the survivor of my spouse and me, provided, however, if my children, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, and their lineal descendants all predecease the survivor of my spouse and me, then TED and PAM, and their respective lineal descendants shall not be deemed to have predeceased me and shall be eligible beneficiaries for purposes of the dispositions made hereunder.

SB

2. Code. "**Code**" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "**Disabled**" or being under "**Disability**" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "**education**" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. My Spouse. "**My spouse**" is SIMON L. BERNSTEIN ("**SIMON**").

6. Needs and Welfare Distributions. Payments to be made for a person's "**Needs**" means payments for such person's support, health (including lifetime residential or nursing home care), maintenance and education. Payments to be made for a person's "**Welfare**" means payments for such person's Needs, and as the Trustee determines in its sole discretion also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

7. Per Stirpes. In a division "**per stirpes**" each generation shall be represented and counted whether or not it has a living member.

SP

8. Related or Subordinate Party. A "*Related or Subordinate Party*" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

9. Spouse. A person's "*spouse*" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

- a. the legal termination of the marriage to my descendant (whether before or after my death), or
- b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

10. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself and other than my spouse as Trustee of the Marital Trust) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

H. Presumption of Survivorship. If my spouse and I die under circumstances which make it difficult or impracticable to determine which one of us survived the other, I direct that my spouse shall be deemed to have survived me for purposes of this Agreement (except in regard to any property passing hereunder that became part of this trust solely by reason of passage to my probate estate or this trust from the probate estate of or a revocable trust established by my spouse in which case the opposite presumption shall apply), notwithstanding any provisions of law which provide for a contrary presumption. If any person other than my spouse shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Mandatory Notice Required by Florida Law. The trustee of a trust may have duties and responsibilities in addition to those described in the instrument creating the trust. If you have questions, you should obtain legal advice.

L. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or

at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and

personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to

exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under

a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Selection of Assets for Marital Trust. The Trustee shall have sole discretion to determine which assets shall be allocated to the Marital Trust; provided, if possible no assets or the proceeds of any assets which do not qualify for the federal estate tax marital deduction shall be allocated to the Marital Trust. To the extent that other assets qualifying for the marital deduction are available, the Trustee shall not allocate to the Marital Trust any assets with respect to which a credit for foreign taxes paid is allowable under the Code, nor any policy of insurance on the life of my spouse. Any allocation of assets among the Family Trust and the Marital Trust shall, with respect to each such trust, be comprised of assets having an aggregate market value at the time of such allocation fairly representative of the net appreciation or depreciation in the value of the property available for such

allocation between the date of valuation for federal estate tax purposes and the date or dates of said allocation and selection.

26. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

27. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

28. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate or my spouse's estate.

29. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

30. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, SIMON and TED, one at a time and successively in that order, shall serve as successor Trustee. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances:

a. Trustee of the Marital Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Marital Trust. While serving as Trustee, my spouse may designate a co-Trustee to serve with my spouse and my spouse may remove and/or replace such co-Trustee from time to time.

b. Trustee of the Family Trust. SIMON and TED, one at a time and successively in that order, shall serve as Trustee of the Family Trust. While serving as Trustee, my spouse may designate a co-Trustee that is not a Related or Subordinate Party to serve with my spouse and my spouse may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

c. Trustee of Separate Trusts for My Children. Each child of mine shall serve as sole Trustee of his or her separate trust. While serving alone as Trustee, a child of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such child and such child may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

d. Trustee of Separate Trusts for My Lineal Descendants Other Than My Children. In regard to a separate trust held for a lineal descendant of mine other than a child of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon reaching age twenty-five (25) years.

e. Trustee of Separate Trust for MATTHEW LOGAN. In regard to a separate trust held MATTHEW LOGAN, his mother, DEBORAH BERNSTEIN ("**DEBORAH**"), shall serve as Trustee until MATTHEW attains age 25 years, at which time he shall serve as a co-Trustee with DEBORAH of such separate trust.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

a. The remaining Trustees, if any; otherwise,

b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 25 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1., each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts.

1. **Family Trust.** I direct (a) that the Trustee shall divide any trust other than the Marital Trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions of this Trust Agreement relating to the trust that is being divided) so that the generation-skipping tax inclusion ratio of one such trust is zero.

2. **Marital Trust.** I direct that, if possible, (a) the Trustee shall divide the Marital Trust into two separate Marital Trusts (each subject to the provisions hereof concerning the Marital Trust) so that through allocation of my GST exemption remaining unallocated at my death and not otherwise allocated to transfers occurring at or by reason of my death (including allocations to the Family Trust), if any, the generation-skipping tax inclusion ratio of one such Marital Trust is zero (the GST Marital Trust), (b) my Personal Representative to exercise the election provided by Code Section 2652(a)(3) as to the GST Marital Trust, and (c) that upon the death of my spouse the total amount recoverable by my spouse's estate from the property of the Marital Trusts under Code Section 2207A shall first be recoverable in full from the non-GST Marital Trust to the extent thereof.

3. **Misc.** I direct that (a) upon the death of the survivor of me and my spouse, any property then directed to be paid or distributed which constitutes a direct skip shall be paid first from property then exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) to the extent thereof, (b) property exempt from generation-skipping taxation (by reason of the allocation of any GST exemption) and not directed to be paid or distributed in a manner which constitutes a direct skip shall be divided and distributed as otherwise provided herein and held for the same persons designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and lineal descendants, in such estates, interests, and proportions as such beneficiary may, by a will specifically referring to this general power appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution, or otherwise or is not reasonably available.

Notwithstanding any other provision of this Trust Agreement, for purposes of funding any pecuniary payment or trust division to which there is allocated any GST exemption, such payment or trust division allocation shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution or allocation could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. In regard to the division or severance of a trust hereunder, including the Marital Trust, such division or severance shall be made in a manner that all resulting trusts are recognized for purposes of Chapter 13 of the Code, including without limitation complying with the requirements of Treas.Reg. §26.2654-1(b). Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this Article which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to

SP

a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. Gift Transfers Made From Trust During My Lifetime. I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. Death Costs. If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and

5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the property disposed of pursuant to the prior paragraphs captioned "Disposition of Tangible Personal Property", "Specific Cash Devise" nor from the Marital Trust.

E. Marital Trust. I intend the maximum obtainable reduction of federal estate tax due by reason of my death by use of the federal estate tax marital deduction, and qualification of all property of the Marital Trust for the marital deduction. This Agreement shall be construed and all powers shall be exercised consistent with such intent. For example, the Trustee shall not allocate any receipt to principal or any disbursement to income if such allocation understates the net income of the Marital Trust under Florida law; and upon the written demand of my spouse, the Trustee shall convert unproductive or underproductive property of said trust into productive property within a reasonable time notwithstanding any other provision hereunder. The foregoing notwithstanding, if my spouse survives me but dies within six months after my death, the Marital Trust provided in Subparagraph II.B will be reduced to that amount, if any, required to obtain for my estate an estate tax marital deduction resulting in the lowest combined estate taxes in my estate and my spouse's estate, on the assumption that my spouse died after me on the date of my death, that my spouse's estate is valued on the same date and in the same manner as my estate is valued for federal estate tax purposes, and that elections in my spouse's estate were made that would be consistent with minimizing taxes. The purpose of this provision is to equalize, insofar as possible, our estates for federal estate tax purposes, based on the above assumptions.

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise

manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. Regardless of anything herein to the contrary, while any residential real property located in Florida is owned by a trust, I, or my spouse if I am not then living and such trust is the Marital Trust, shall have the right to use, possess and occupy such residence as a personal residence so that such right shall constitute a possessory right in such real property within the meaning of Florida Statute Section 196.041.

WILL OF
SIMON L. BERNSTEIN

The original of this Will is being held in the safe deposit box of the law firm of Tescher & Spallina, P.A.

I, SIMON L. BERNSTEIN, of Palm Beach County, Florida, hereby revoke all my prior Wills and Codicils and make this Will. I am a widower, but in the event that I marry subsequent to the execution of this Will, I specifically make no provision for my spouse. My children are TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN.

ARTICLE I. TANGIBLE PERSONAL PROPERTY

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if no child of mine survives me, this property shall pass with the residue of my estate.

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

Under Subparagraph E.1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust, and shall be held under

the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. **Appointment and Bond.** I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

2. **Powers of Personal Representatives.** My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. **Investments.** To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. **Distributions or Divisions.** To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

c. **Management.** To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. **Borrowing.** To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "*Business Entities*"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article I of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph II.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

interest and penalties to the appropriate taxing authorities from the appointed property or the proceeds thereof. Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

5. **Reimbursement for Debts and Expenses.** My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

6. **Expenses of Handling Tangible Personal Property.** All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. **Dealing with Estate.** Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. **Spouse.** The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

9. **Other Beneficiary Designations.** Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

SIMON L. BERNSTEIN

AMENDED AND RESTATED TRUST AGREEMENT

This Amended and Restated Trust Agreement is dated this 25 day of July, 2012, and is between SIMON L. BERNSTEIN, of Palm Beach County, Florida referred to in the first person, as settlor, and SIMON L. BERNSTEIN, of Palm Beach County, Florida and SIMON L. BERNSTEIN's successors, as trustee (referred to as the "*Trustee*," which term more particularly refers to all individuals and entities serving as trustee of a trust created hereunder during the time of such service, whether alone or as co-trustees, and whether originally serving or as a successor trustee).

WHEREAS, on May 20, 2008, I created and funded the SIMON L. BERNSTEIN TRUST AGREEMENT (the "*Trust Agreement*," which reference includes any subsequent amendments of said trust agreement);

WHEREAS, Paragraph A. of Article I. of said Trust Agreement provides, inter alia, that during my lifetime I shall have the right at any time and from time to time by an instrument, in writing, delivered to the Trustee to amend or revoke said Trust Agreement, in whole or in part.

NOW, THEREFORE, I hereby amend and restate the Trust Agreement in its entirety and the Trustee accepts and agrees to perform its duties and obligations in accordance with the following amended provisions. Notwithstanding any deficiencies in execution or other issues in regard to whether any prior version of this Trust Agreement was a valid and binding agreement or otherwise created an effective trust, this amended and restated agreement shall constitute a valid, binding and effective trust agreement and shall amend and succeed all prior versions described above or otherwise predating this amended and restated Trust Agreement.

ARTICLE I. DURING MY LIFE AND UPON MY DEATH

A. Rights Reserved. I reserve the right (a) to add property to this trust during my life or on my death, by my Will or otherwise; (b) to withdraw property held hereunder; and (c) by separate written instrument delivered to the Trustee, to revoke this Agreement in whole or in part and otherwise modify or amend this Agreement.

B. Payments During My Life. If income producing property is held in the trust during my life, the Trustee shall pay the net income of the trust to me or as I may direct. However, during any periods while I am Disabled, the Trustee shall pay to me or on my behalf such amounts of the net income and principal of the trust as is proper for my Welfare. Any income not so paid shall be added to principal.

SIMON L. BERNSTEIN
AMENDED AND RESTATED TRUST AGREEMENT

LAW OFFICES
TESCHER & SPALLINA, P.A.

C. **Upon My Death.** Upon my death the Trustee shall collect and add to the trust all amounts due to the trust under any insurance policy on my life or under any death benefit plan and all property added to the trust by my Will or otherwise. After paying or providing for the payment from the augmented trust of all current charges and any amounts payable under the later paragraph captioned "Death Costs," the Trustee shall hold the trust according to the following provisions.

ARTICLE II. AFTER MY DEATH

A. **Disposition of Tangible Personal Property.** If any non-business tangible personal property other than cash (including, but not limited to, my personal effects, jewelry, collections, household furnishings, and equipment, and automobiles) is held in the trust at the time of my death, such items shall be promptly distributed by the Trustee of the trust to such person or persons, including my estate, as to the item or items or proportion specified, as I may appoint, and to the extent that any such items are not disposed of by such appointment, such items shall be disposed of by the Trustee of the trust in exactly the same manner as such items would have been disposed of under the terms and provisions of my Will (including any Codicil thereto, or what the Trustee in good faith believes to be such Will and Codicil) had such items been included in my probate estate. Any such items which are not effectively disposed of pursuant to the preceding sentence shall pass with the other trust assets.

B. **Disposition of Trust Upon My Death.** Upon my death, the remaining assets in this trust shall be divided among and held in separate Trusts for my then living grandchildren. Each of my grandchildren for whom a separate trust is held hereunder shall hereinafter be referred to as a "*beneficiary*" with the separate Trusts to be administered as provided in Subparagraph II.C.

C. **Trusts for Beneficiaries.** The Trustee shall pay to the beneficiary and the beneficiary's children, such amounts of the net income and principal of such beneficiary's trust as is proper for the Welfare of such individuals. Any income not so paid shall be added to principal each year. After a beneficiary has reached any one or more of the following birthdays, the beneficiary may withdraw the principal of his or her separate trust at any time or times, not to exceed in the aggregate 1/3 in value after the beneficiary's 25th birthday, 1/2 in value (after deducting any amount previously subject to withdrawal but not actually withdrawn) after the beneficiary's 30th birthday, and the balance after the beneficiary's 35th birthday, provided that the withdrawal powers described in this sentence shall not apply to any grandchild of mine as beneficiary of a separate trust. The value of each trust shall be its value as of the first exercise of each withdrawal right, plus the value of any subsequent addition as of the date of addition. The right of withdrawal shall be a privilege which may be exercised only voluntarily and shall not include an involuntary exercise. If a beneficiary dies with assets remaining in his or her separate trust, upon the beneficiary's death the beneficiary may appoint his or her trust to or for the benefit of one or more of any of my lineal descendants (excluding from said class, however, such beneficiary and such beneficiary's creditors, estate, and creditors of such beneficiary's estate). Any part of his or her trust such beneficiary does not effectively appoint shall upon his or her death be divided among and held in separate Trusts for the following persons:

1. for his or her lineal descendants then living, *per stirpes*; or
2. if he or she leaves no lineal descendant then living, *per stirpes* for the lineal descendants then living of his or her nearest ancestor (among me and my lineal descendants) with a lineal descendant then living.

A trust for a lineal descendant of mine shall be held under this paragraph, or if a trust is then so held, shall be added to such trust.

D. Termination of Small Trust. If at any time after my death in the opinion of the Trustee a separate trust holds assets of a value of less than \$50,000.00 and is too small to justify the expense of its retention, and termination of such trust is in the best interests of its current income beneficiary, the Trustee in its discretion may terminate such trust and pay it to said beneficiary.

E. Contingent Gift. If at any time property of these Trusts is not disposed of under the other provisions of this Agreement, it shall be paid, as a gift made hereunder, to such persons and in such shares as such property would be distributed if I had then owned such property and had then died solvent, unmarried and intestate domiciled in the State of Florida, according to the laws of inheritance of the State of Florida then in effect.

F. Protective Provision. No beneficiary of any trust herein created shall have any right or power to anticipate, transfer, pledge, sell, alienate, assign or encumber in any way his or her interest in the income or principal of such trust. Furthermore, no creditor shall have the right to attach, lien, seize or levy upon the interest of a beneficiary in this trust (other than myself) and such interest shall not be liable for or subject to the debts, liabilities or obligations of any such beneficiary or any claims against such beneficiary (whether voluntarily or involuntarily created), and the Trustee shall pay directly to or for the use or benefit of such beneficiary all income and principal to which such beneficiary is entitled, notwithstanding that such beneficiary has executed a pledge, assignment, encumbrance or in any other manner alienated or transferred his or her beneficial interest in the trust to another. This paragraph shall not preclude the effective exercise of any power of appointment granted herein or the exercise of any disclaimer.

G. Maximum Duration. Regardless of anything in this Agreement to the contrary, no trust interest herein created shall continue beyond three hundred sixty (360) years after the date of creation of this Agreement, nor shall any power of appointment be exercised in such manner so as to delay vesting of any trust beyond such period. Immediately prior to the expiration of such period, all such trusts then in existence shall terminate, and the assets thereof shall be distributed outright and in fee to then beneficiaries of the current income and in the proportions in which such persons are the beneficiaries, and if such proportions cannot be ascertained, then equally among such beneficiaries.

ARTICLE III. GENERAL

A. **Disability.** Subject to the following Subparagraph captioned "Subchapter S Stock," while any beneficiary is Disabled, the Trustee shall pay to him or her only such portion of the income to which he or she is otherwise entitled as is proper for his or her Welfare, and any income not so paid shall be added to the principal from which derived. While any beneficiary is Disabled, income or principal payable to him or her may, in the discretion of the Trustee, be paid directly to him or her, without the intervention of a guardian, directly to his or her creditors or others for his or her sole benefit or to an adult person or an eligible institution (including the Trustee) selected by the Trustee as custodian for a minor beneficiary under the Uniform Transfers to Minors Act or similar law. The receipt of such payee is a complete release to the Trustee.

B. **Timing of Income Distributions.** The Trustee shall make required payments of income at least quarterly.

C. **Substance Abuse.**

1. **In General.** If the Trustee reasonably believes that a beneficiary (other than myself) of any trust:

a. routinely or frequently uses or consumes any illegal substance so as to be physically or psychologically dependent upon that substance, or

b. is clinically dependent upon the use or consumption of alcohol or any other legal drug or chemical substance that is not prescribed by a board certified medical doctor or psychiatrist in a current program of treatment supervised by such doctor or psychiatrist,

and if the Trustee reasonably believes that as a result the beneficiary is unable to care for himself or herself, or is unable to manage his or her financial affairs, all mandatory distributions (including distributions upon termination of the trust) to the beneficiary, all of the beneficiary's withdrawal rights, and all of the beneficiary's rights to participate in decisions concerning the removal and appointment of Trustees will be suspended. In that event, the following provisions of this Subparagraph III.C will apply.

2. **Testing.** The Trustee may request the beneficiary to submit to one or more examinations (including laboratory tests of bodily fluids) determined to be appropriate by a board certified medical doctor and to consent to full disclosure to the Trustee of the results of all such examinations. The Trustee shall maintain strict confidentiality of those results and shall not disclose those results to any person other than the beneficiary without the prior written permission of the beneficiary. The Trustee may totally or partially suspend all distributions otherwise required or permitted to be made to that beneficiary until the beneficiary consents to the examination and disclosure to the Trustee.

3. **Treatment.** If, in the opinion of the examining doctor, the examination indicates current or recent use of a drug or substance as described above, the examining doctor will determine an appropriate method of treatment for the beneficiary (for example, counseling or treatment on an

in-patient basis in a rehabilitation facility) that is acceptable to the Trustee. If the beneficiary consents to the treatment, the Trustee shall pay the costs of treatment directly to the provider of those services from the distributions suspended under this Subparagraph III.C.

4. Resumption of Distributions. The Trustee may resume other distributions to the beneficiary (and the beneficiary's other suspended rights will be restored) when, in the case of use or consumption of an illegal substance, examinations indicate no such use for 12 months and, in all cases, when the Trustee in its discretion determines that the beneficiary is able to care for himself or herself and is able to manage his or her financial affairs.

5. Disposition of Suspended Amounts. When other distributions to the beneficiary are resumed, the remaining balance, if any, of distributions that were suspended may be distributed to the beneficiary at that time. If the beneficiary dies before distribution of those suspended amounts, the Trustee shall distribute the balance of the suspended amounts to the persons who would be the alternate takers of that beneficiary's share (or takers through the exercise of a power of appointment) as otherwise provided in this Trust Agreement.

6. Exoneration. No Trustee (or any doctor retained by the Trustee) will be responsible or liable to anyone for a beneficiary's actions or welfare. The Trustee has no duty to inquire whether a beneficiary uses drugs or other substances as described in this Subparagraph III.C. The Trustee (and any doctor retained by the Trustee) is to be indemnified from the trust estate and held harmless from any liability of any nature in exercising its judgment and authority under this Subparagraph III.C, including any failure to request a beneficiary to submit to medical examination, and including a decision to distribute suspended amounts to a beneficiary.

7. Tax Savings Provision. Despite the provisions of this Subparagraph III.C, the Trustee cannot suspend any mandatory distributions or withdrawal rights that are required for that trust to become or remain a Qualified Subchapter S Trust (unless the Trustee elects for the trust to be an Electing Small Business Trust), or to qualify for any federal transfer tax exemption, deduction, or exclusion allowable with respect to that trust.

D. Income on Death of Beneficiary. Subject to the later paragraph captioned "Subchapter S Stock," and except as otherwise explicitly provided herein, upon the death of any beneficiary, all accrued or undistributed income of such deceased beneficiary's trust shall pass with the principal of his or her trust but shall remain income for trust accounting purposes.

E. Definitions. In this Agreement,

1. Children, Lineal Descendants. The terms "*child*," "*children*," "*grandchild*," "*grandchildren*" and "*lineal descendant*" mean only persons whose relationship to the ancestor designated is created entirely by or through (a) legitimate births occurring during the marriage of the joint biological parents to each other, (b) children born of female lineal descendants, and (c) children and their lineal descendants arising from surrogate births and/or third party donors when (i) the child is

raised from or near the time of birth by a married couple (other than a same sex married couple) through the pendency of such marriage, (ii) one of such couple is the designated ancestor, and (iii) to the best knowledge of the Trustee both members of such couple participated in the decision to have such child. No such child or lineal descendant loses his or her status as such through adoption by another person. Notwithstanding the foregoing, for all purposes of this Trust and the dispositions made hereunder, my children, TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN, shall be deemed to have predeceased me as I have adequately provided for them during my lifetime.

2. Code. "*Code*" means the Internal Revenue Code of 1986, as amended, and in referring to any particular provision of the Code, includes a reference to any equivalent or successor provision of a successor federal tax law.

3. Disabled. "*Disabled*" or being under "*Disability*" means, as to any applicable individual: (1) being under the age of 21 years, (2) having been adjudicated by a court of competent jurisdiction as mentally or physically incompetent or unable to manage his or her own property or personal affairs (or a substantially similar finding under applicable state or national law), or (3) being unable to properly manage his or her personal or financial affairs, or a trust estate hereunder as to a Trustee hereunder, because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician or attending psychiatrist confirming that person's impairment will be sufficient evidence of Disability under item (3) above, and all persons may rely conclusively on such a certificate.

4. Education. The term "*education*" herein means vocational, primary, secondary, preparatory, theological, college and professional education, including post-graduate courses of study, at educational institutions or elsewhere, and expenses relating directly thereto, including tuition, books and supplies, room and board, and travel from and to home during school vacations. It is intended that the Trustee liberally construe and interpret references to "education," so that the beneficiaries entitled to distributions hereunder for education obtain the best possible education commensurate with their abilities and desires.

5. Needs and Welfare Distributions. Payments to be made for a person's "*Needs*" means payments necessary for such person's health (including lifetime residential or nursing home care), education, maintenance and support. Payments to be made for a person's "*Welfare*" means discretionary payments by the Trustee, from time to time, for such person's Needs and also for such person's advancement in life (including assistance in the purchase of a home or establishment or development of any business or professional enterprise which the Trustee believes to be reasonably sound), happiness and general well-being. However, the Trustee, based upon information reasonably available to it, shall make such payments for a person's Needs or Welfare only to the extent such person's income, and funds available from others obligated to supply funds for such purposes (including, without limitation, pursuant to child support orders and agreements), are insufficient in its opinion for such purposes, and shall take into account such person's accustomed manner of living, age, health, marital status and any other factor it considers important. Income or principal to be paid for a person's Needs or Welfare may be paid to

such individual or applied by the Trustee directly for the benefit of such person. The Trustee may make a distribution or application authorized for a person's Needs or Welfare even if such distribution or application substantially depletes or exhausts such person's trust, without any duty upon the Trustee to retain it for future use or for other persons who might otherwise benefit from such trust.

6. Per Stirpes. In a division "*per stirpes*" each generation shall be represented and counted whether or not it has a living member.

7. Related or Subordinate Party. A "*Related or Subordinate Party*" to a trust describes a beneficiary of the subject trust or a related or subordinate party to a beneficiary of the trust as the terms "related or subordinate party" are defined under Code Section 672(c).

8. Spouse. A person's "*spouse*" includes only a spouse then married to and living as husband and wife with him or her, or a spouse who was married to and living as husband and wife with him or her at his or her death. The following rules apply to each person who is a beneficiary or a permissible appointee under this Trust Agreement and who is married to a descendant of mine. Such a person will cease to be a beneficiary and will be excluded from the class of permissible appointees upon:

- a. the legal termination of the marriage to my descendant (whether before or after my death), or
- b. the death of my descendant if a dissolution of marriage proceeding was pending when he or she died.

The trust will be administered as if that person had died upon the happening of the terminating event described above.

9. Gender, Number. Where appropriate, words of any gender include all genders and the singular and plural are interchangeable.

F. Powers of Appointment. Property subject to a power of appointment shall be paid to, or retained by the Trustee or paid to any trustee under any will or trust agreement for the benefit of, such one or more permissible appointees, in such amounts and proportions, granting such interests, powers and powers of appointment, and upon such conditions including spendthrift provisions as the holder of such power (i) in the case of a power exercisable upon the death of such holder, appoints in his or her will or in a trust agreement revocable by him or her until his or her death, or (ii) in the case of a power exercisable during the life of such holder, appoints in a written instrument signed by such holder, two witnesses and a notary public, but in either case only if such will, trust agreement, or instrument specifically refers to such power.

G. Limitations on Powers of Trustee. Regardless of anything herein to the contrary, no Trustee shall make or participate in making any distribution of income or principal of a trust to or for the benefit of a beneficiary which would directly or indirectly discharge any legal obligation of such

Trustee or a donor of such trust (as an individual, and other than myself as donor) to support such beneficiary; and no Trustee (other than myself) shall make or participate in making any discretionary distribution of income or principal to or for the benefit of himself or herself other than for his or her Needs, including by reason of a determination to terminate a trust described herein. For example, if a Trustee (other than myself) has the power to distribute income or principal to himself or herself for his or her own Welfare, such Trustee (the "restricted Trustee") shall only have the power to make or participate in making a distribution of income or principal to the restricted Trustee for the restricted Trustee's Needs, although any co-Trustee who is not also a restricted Trustee may make or participate in making a distribution of income or principal to the restricted Trustee for such restricted Trustee's Welfare without the participation or consent of said restricted Trustee.

H. Presumption of Survivorship. If any person shall be required to survive another person in order to take any interest under this Agreement, the former person shall be deemed to have predeceased the latter person, if such persons die under circumstances which make it difficult or impracticable to determine which one died first.

I. Governing Law. This Agreement is governed by the law of the State of Florida.

J. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this trust shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this trust due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

K. Release of Medical Information.

1. **Disability of Beneficiary.** Upon the written request of a Trustee (with or without the concurrence of co-Trustees) issued to any current income or principal beneficiary (including discretionary beneficiaries and myself if a beneficiary) for whom a determination of Disability is relevant to the administration of a trust hereunder and for whom a Trustee (with or without the concurrence of co-Trustees) desires to make such a determination, such beneficiary shall issue to all Trustees (who shall be identified thereon both by name to the extent known and by class description) a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested beneficiary to release protected health information of the requested beneficiary to all Trustees that is relevant to the determination of the Disability of the requested beneficiary as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death of the requested

beneficiary). If such beneficiary (or his or her legal representative if such beneficiary is a minor or legally disabled) refuses within thirty days of receipt of the request to provide a valid authorization, or at any time revokes an authorization within its term, the Trustee shall treat such beneficiary as Disabled hereunder until such valid authorization is delivered.

2. Disability of Trustee. Upon the request to a Trustee that is an individual by (a) a co-Trustee, or if none, (b) the person or entity next designated to serve as a successor Trustee not under legal incapacity, or if none, (c) any adult current income or principal beneficiary not under legal incapacity, or in any event and at any time (d) a court of competent jurisdiction, such Trustee shall issue to such person and all persons, courts of competent jurisdiction, and entities (who shall be identified thereon both by name to the extent known and by class description), with authority hereunder to determine such requested Trustee's Disability, a valid authorization under the Health Insurance Portability and Accountability Act of 1996 and any other applicable or successor law authorizing all health care providers and all medical sources of such requested Trustee to release protected health information of the requested Trustee to such persons, courts and entities, that is relevant to the determination of the Disability of the requested Trustee as Disability is defined hereunder. The period of each such valid authorization shall be for six months (or the earlier death or resignation of the requested Trustee). If such requested Trustee refuses within thirty days of receipt of the request to deliver a valid authorization, or at any time revokes an authorization within its term, such requested Trustee shall thereupon be treated as having resigned as Trustee hereunder.

3. Ability to Amend or Revoke. The foregoing provisions of this paragraph shall not constitute a restriction on myself to amend or revoke the terms of this trust instrument under paragraph LA hereof, provided I otherwise have legal capacity to do so.

4. Authorization to Issue Certificate. All required authorizations under this paragraph shall include the power of a physician or psychiatrist to issue a written certificate to the appropriate persons or entities as provided in Subparagraph III.E.3 hereof.

ARTICLE IV. FIDUCIARIES

A. Powers of the Trustee. During my life except while I am Disabled, the Trustee shall exercise all powers provided by law and the following powers, other than the power to retain assets, only with my written approval. While I am Disabled and after my death, the Trustee shall exercise said powers without approval, provided that the Trustee shall exercise all powers in a fiduciary capacity.

1. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of the trust estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of any trust herein created or subsequently acquired, even if the Trustee is personally interested in such property, and without liability for any

decline in the value thereof; all without limitation by any statutes or judicial decisions whenever enacted or announced, regulating investments or requiring diversification of investments, it being my intention to give the broadest investment powers and discretion to the Trustee. Any bank, trust company, or other corporate trustee serving hereunder as Trustee is authorized to invest in its own common trust funds.

2. Special Investments. The Trustee is expressly authorized (but not directed) to retain, make, hold, and dispose of investments not regarded as traditional for trusts, including interests or investments in privately held business and investment entities and enterprises, including without limitation stock in closely held corporations, limited partnership interests, joint venture interests, mutual funds, business trust interests, and limited liability company membership interests, notwithstanding (a) any applicable prudent investor rule or variation thereof, (b) common law or statutory diversification requirements (it being my intent that no such duty to diversify shall exist) (c) a lack of current cash flow therefrom, (d) the presence of any risk or speculative elements as compared to other available investments (it being my intent that the Trustee have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy), (e) lack of a reasonable rate of return, (f) risks to the preservation of principal, (g) violation of a Trustee's duty of impartiality as to different beneficiaries (it being my intent that no such duty exists for this purpose), and (h) similar limitations on investment under this Agreement or under law pertaining to investments that may or should be made by a Trustee (including without limitation the provisions of Fla.Stats. §518.11 and successor provisions thereto that would characterize such investments as forbidden, imprudent, improper or unlawful). The Trustee shall not be responsible to any trust created hereunder or the beneficiaries thereof for any loss resulting from any such authorized investment, including without limitation loss engendered by the higher risk element of that particular entity, investment, or enterprise, the failure to invest in more conservative investments, the failure to diversify trust assets, the prudent investor rule or variant thereof. Notwithstanding any provisions for distributions to beneficiaries hereunder, if the Trustee determines that the future potential investment return from any illiquid or closely held investment asset warrants the retention of that investment asset or that sufficient value could not be obtained from the sale or other disposition of an illiquid or closely held investment asset, the Trustee is authorized to retain that asset and if necessary reduce the distributions to beneficiaries due to lack of sufficient liquid or marketable assets. However, the preceding provisions of this Subparagraph shall not be exercised in a manner as to jeopardize the availability of the estate tax marital deduction for assets passing to or held in the a trust for my surviving spouse or that would otherwise qualify for the estate tax marital deduction but for such provisions, shall not override any express powers hereunder of my surviving spouse to demand conversion of unproductive property to productive property, or reduce any income distributions otherwise required hereunder for a trust held for the benefit of my surviving spouse or a "qualified subchapter S trust" as that term is defined in Code Section 1361(d)(3).

3. Distributions. To make any division or distribution pro rata or non-pro rata, in cash or in kind, and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares.

4. Management. To manage, develop, improve, partition or change the character of an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

5. Borrowing. To borrow money from anyone on commercially reasonable terms, including entities owned in whole or in part by the trust, a Trustee, beneficiaries and other persons who may have a direct or indirect interest in a Trust; and to mortgage, margin, encumber and pledge real and personal property of a trust as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the trust and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from a Trustee may be with or without interest, and may be secured with a lien on trust assets.

6. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of a trust and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

7. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to a trust. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

8. Real Property Matters. To subdivide, develop or partition real estate; to purchase or sell real property and to enter into contracts to do the same; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as the fiduciaries may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks; and to protect and conserve, or to lease, or to encumber, or otherwise to manage and dispose of real property to the extent such power is not otherwise granted herein or otherwise restricted herein.

9. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against a trust.

10. Business Entities. To deal with any business entity or enterprise even if a Trustee is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole

proprietorship, or other form (all of which business entities and enterprises are referred to herein as "**Business Entities**"). I vest the Trustee with the following powers and authority in regard to Business Entities:

a. To retain and continue to operate a Business Entity for such period as the Trustee deems advisable;

b. To control, direct and manage the Business Entities. In this connection, the Trustee, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the Trustee may select, including any associate, partner, officer or employee of the Business Entity;

c. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the Trustee may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

d. To invest funds in the Business Entities, to pledge other assets of a trust as security for loans made to the Business Entities, and to lend funds from a trust to the Business Entities;

e. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the Trustee may deem advisable;

f. To treat Business Entities as separate from a trust. In a Trustee's accounting to any beneficiary, the Trustee shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

g. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the Trustee may deem advisable in conformity with sound business practice;

h. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the Trustee may determine. My Trustee is specifically authorised and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

i. To guaranty the obligations of the Business Entities, or pledge assets of a trust to secure such a guaranty.

11. Principal and Income. To allocate items of income or expense between income and principal as permitted or provided by the laws of the State of Florida but without limiting the availability of the estate tax marital deduction, provided, unless otherwise provided in this instrument, the Trustee shall establish out of income and credit to principal reasonable reserves for depreciation, obsolescence and depletion, determined to be equitable and fair in accordance with some recognized reasonable and preferably uncomplicated trust accounting principle and; provided, further that the Trustee shall not be required to provide a rate of return on unproductive property unless otherwise provided in this instrument.

12. Life Insurance. With respect to any life insurance policies constituting an asset of a trust, to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance, including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the Trust; and in general, to exercise all other options, benefits, rights and privileges under such policies.

13. Continuing Power. To continue to have or exercise, after the termination of a trust, in whole or in part, and until final distribution thereof, all title, power, discretions, rights and duties conferred or imposed upon the Trustee by law or by this Agreement or during the existence of the trust.

14. Exoneration. To provide for the exoneration of the Trustee from any personal liability on account of any arrangement or contract entered into in a fiduciary capacity.

15. Agreements. To comply with, amend, modify or rescind any agreement made during my lifetime, including those regarding the disposition, management or continuation of any closely held unincorporated business, corporation, partnership or joint venture, and including the power to complete contracts to purchase and sell real estate.

16. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

17. Combination of Shares. To hold the several shares of a trust or several Trusts as a common fund, dividing the income proportionately among them, to assign undivided interests to the several shares or Trusts, and to make joint investments of the funds belonging to them. For such purposes and insofar as may be practicable, the Trustee, to the extent that division of the trust estate is directed hereby, may administer the trust estate physically undivided until actual division thereof becomes necessary to make distributions. The Trustee may hold, manage, invest and account for whole or fractional trust shares as a single estate, making the division thereof by appropriate entries in the books of account only, and may allocate to each whole or fractional trust share its proportionate part of all receipts and expenses; provided, however, this carrying of several Trusts as a single estate shall not defer the vesting in possession of any whole or fractional share of a trust for the beneficiaries thereof at the times specified herein.

18. Reimbursement. To reimburse itself from a trust for reasonable expenses incurred in the administration thereof.

19. Reliance Upon Communication. To rely, in acting under a trust, upon any letter, notice, certificate, report, statement, document or other paper, or upon any telephone, telegraph, cable, wireless or radio message, if believed by the Trustee to be genuine, and to be signed, sealed, acknowledged, presented, sent, delivered or given by or on behalf of the proper person, firm or corporation, without incurring liability for any action or inaction based thereon.

20. Assumptions. To assume, in the absence of written notice to the contrary from the person or persons concerned, that a fact or an event, by reason of which an interest or estate under a trust shall commence or terminate, does not exist or has not occurred, without incurring liability for any action or inaction based upon such assumption.

21. Service as Custodian. To serve as successor custodian for any beneficiary of any gifts that I may have made under any Transfer to Minors Act, if at the time of my death no custodian is named in the instrument creating the gift.

22. Removal of Assets. The Trustee may remove from the domiciliary state during the entire duration of a trust or for such lesser period as it may deem advisable, any cash, securities or other property at any time in its hands whether principal or not, and to take and keep the same outside the domiciliary state and at such place or places within or outside the borders of the United States as it may determine, without in any event being chargeable for any loss or depreciation to the trust which may result therefrom.

23. Change of Situs. The situs and/or applicable law of any trust created hereunder may be transferred to such other place as the Trustee may deem to be for the best interests of the trust estate. In so doing, the Trustee may resign and appoint a successor Trustee, but may remove such successor Trustee so appointed and appoint others. Each successor Trustee may delegate any and all fiduciary powers, discretionary and ministerial, to the appointing Trustee as its agent.

24. Fiduciary Outside Domiciliary State. In the event the Trustee shall not be able and willing to act as Trustee with respect to any property located outside the domiciliary state, the Trustee, without order of court, may appoint another individual or corporation (including any employee or agent of any appointing Trustee) to act as Trustee with respect to such property. Such appointed Trustee shall have all of the powers and discretions with respect to such property as are herein given to the appointing Trustee with respect to the remaining trust assets. The appointing Trustee may remove such appointed Trustee and appoint another upon ten (10) days notice in writing. All income from such property, and if such property is sold, exchanged or otherwise disposed of, the proceeds thereof, shall be remitted to the appointing Trustee, to be held and administered by it as Trustee hereunder. Such appointed Trustee may employ the appointing Trustee as agent in the administration of such property. No surety shall be required on the bond of the Trustee or agent acting under the provisions of this

paragraph. No periodic court accounting shall be required of such appointed Trustee, it being my intention to excuse any statutory accounting which may ordinarily be required.

25. Additions. To receive and accept additions to the Trusts in cash or in kind from donors, executors, administrators, Trustee or attorneys in fact, including additions of my property by the Trustee or others as my attorneys in fact.

26. Title and Possession. To have title to and possession of all real or personal property held in the Trusts, and to register or hold title to such property in its own name or in the name of its nominee, without disclosing its fiduciary capacity, or in bearer form.

27. Dealing with Estates. To use principal of the Trusts to make loans to my estate, with or without interest, and to make purchases from my estate.

28. Agents. To employ persons, including attorneys, auditors, investment advisers, and agents, even if they are the Trustee or associated with the Trustee, to advise or assist the Trustee in the performance of its administrative duties and to pay compensation and costs incurred in connection with such employment from the assets of the Trust; to act without independent investigation upon their recommendations; and, instead of acting personally, to employ one or more agents to perform any act of administration, whether or not discretionary.

29. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at its discretion, without compensating adjustments or reimbursements between any of the Trusts or any of the trust accounts or any beneficiaries.

B. Resignation. A Trustee may resign with or without cause, by giving no less than 30 days advance written notice, specifying the effective date of such resignation, to its successor Trustee and to the persons required and in the manner provided under Fla.Stats. §§736.0705(1)(a) and 736.0109. As to any required recipient, deficiencies in fulfilling the foregoing resignation requirements may be waived in a writing signed by such recipient. Upon the resignation of a Trustee, such Trustee shall be entitled to reimbursement from the trust for all reasonable expenses incurred in the settlement of accounts and in the transfer of assets to his or her successor.

C. Appointment of Successor Trustee.

1. Appointment. Upon a Trustee's resignation, or if a Trustee becomes Disabled or for any reason ceases to serve as Trustee, I may appoint any person or persons as successor Trustee, and in default of such appointment by me, ROBERT L. SPALLINA and DONALD R. TESCHER shall serve together as successor co-Trustees, or either of them alone as Trustee if either of them is unable to serve. Notwithstanding the foregoing, if a named Trustee is not a U.S. citizen or resident at the time of commencement of his term as Trustee, such Trustee should give due consideration to declining to serve to avoid potential adverse U.S. income tax consequences by reason of the characterization of a trust

hereunder as a foreign trust under the Code, but shall not be construed to have any duty to so decline if such Trustee desires to serve.

2. Specific Trusts. Notwithstanding the preceding provisions of this Subparagraph IV.C, subsequent to my death I specifically appoint the following person or persons as Trustee of the following Trusts under the following described circumstances provided that the foregoing appointments shall apply when and to the extent that no effective appointment is made below:

a. Trustee of Separate Trusts for My Grandchildren. Each grandchild of mine shall serve as co-Trustee with the immediate parent of such grandchild which parent is also a child of mine as to all separate trusts under which such grandchild is the sole current mandatory or discretionary income beneficiary upon attaining the age of twenty-five (25) years, and shall serve as sole Trustee of such trusts upon attaining the age of thirty-five (35) years. While serving alone as Trustee, a grandchild of mine may designate a co-Trustee that is not a Related or Subordinate Party to serve with such grandchild and such grandchild may remove and/or replace such co-Trustee with another that is not a Related or Subordinate Party from time to time.

b. Trustee of Separate Trusts for My Lineal Descendants Other Than My Grandchildren. In regard to a separate trust held for a lineal descendant of mine other than a grandchild of mine which lineal descendant is the sole current mandatory or discretionary income beneficiary, each such lineal descendant shall serve as co-Trustee, or sole Trustee if the preceding described Trustees cease or are unable to serve or to continue to serve, of his or her separate trust upon attaining age twenty-five (25) years. While serving alone as Trustee, a lineal descendant of mine other than a grandchild of mine may designate a co-Trustee to serve with such lineal descendant and such lineal descendant may remove and/or replace such co-Trustee with another from time to time.

3. Successor Trustees Not Provided For. Whenever a successor Trustee or co-Trustee is required and no successor or other functioning mechanism for succession is provided for under the terms of this Trust Agreement, the last serving Trustee or the last person or entity designated to serve as Trustee of the applicable trust may appoint his or her successor, and if none is so appointed, the following persons shall appoint a successor Trustee (who may be one of the persons making the appointment):

- a. The remaining Trustees, if any; otherwise,
- b. A majority of the permissible current mandatory or discretionary income beneficiaries, including the natural or legal guardians of any beneficiaries who are Disabled.

A successor Trustee appointed under this subparagraph shall not be a Related or Subordinate Party of the trust. The appointment will be by a written document executed by such person in the presence of two witnesses and acknowledged before a notary public delivered to the appointed Trustee and to me if I am living and not Disabled or in a valid last Will. Notwithstanding the foregoing, a designation under this Subparagraph of a successor trustee to a corporate or entity trustee shall be limited to a corporate or

entity trustee authorized to serve as such under Florida law with assets under trust management of no less than one billion dollars.

4. Power to Remove Trustee. Subsequent to my death, the age 35 or older permissible current mandatory or discretionary income beneficiaries from time to time of any trust established hereunder shall have the power to unanimously remove a Trustee of such trust at any time with or without cause, other than a named Trustee or successor Trustee designated hereunder, or a Trustee appointed by me during my lifetime or under my Will or otherwise at the time of my death, with the successor Trustee to be determined in accordance with the foregoing provisions.

D. Method of Appointment of Trustee. Any such appointment of a successor Trustee by a person shall be made in a written instrument executed by such person in the presence of two witnesses and acknowledged before a notary public which is delivered to such appointed Trustee during the lifetime of the person making such appointment, or any such appointment of a successor Trustee by a person may be made under the last Will of such person.

E. Limitations on Removal and Replacement Power. Any power to remove and/or replace a trustee hereunder that is granted to an individual (including such power when reserved to me) is personal to that individual and may not be exercised by a guardian, power of attorney holder, or other legal representative or agent.

F. Successor Fiduciaries. No Trustee is responsible for, nor has any duty to inquire into, the administration, acts or omissions of any executor, administrator, Personal Representative, or trustee or attorney-in-fact adding property to these Trusts, or of any predecessor Trustee. Each successor Trustee has all the powers, privileges, immunities, rights and title (without the execution of any instrument of transfer or any other act by any retiring Trustee) and all the duties of all predecessors.

G. Liability and Indemnification of Trustee.

1. Liability in General. No individual Trustee (that is, a Trustee that is not a corporation or other entity) shall be liable for any of his or her actions or failures to act as Trustee, even if the individual Trustee is found by a court to have been negligent or in breach of fiduciary duty, except for liability caused by his or her actions or failures to act done in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. Each Trustee that is a corporation or other entity will be liable for its actions or failures to act that are negligent or that breach its fiduciary duty, without contribution by any individual Trustee.

2. Indemnification of Trustee. Except in regard to liabilities imposed on a Trustee under Subparagraph IV.G.1, each Trustee shall be held harmless and indemnified from the assets of the trust for any liability, damages, attorney's fees, expenses, and costs incurred as a result of its service as Trustee. A Trustee who ceases to serve for any reason will be entitled to receive reasonable security from the assets of the trust to protect it from liability, and may enforce these provisions for indemnification against the current Trustee or against any assets held in the trust, or if the former Trustee is an individual

and not a corporation or other entity, against any beneficiary to the extent of distributions received by that beneficiary. This indemnification right extends to the estate, personal representatives, legal successors and assigns of a Trustee.

3. Indemnification of Trustee - Additional Provisions. I recognize that if a beneficiary accuses a Trustee of wrongdoing or breach of fiduciary duty, the Trustee may have a conflict of interest that ordinarily would prevent it from paying legal fees and costs from the trust estate to defend itself. I do not want to put a financial burden on any individual named to serve as a Trustee. Just as important, I do not want an individual who has been selected to serve as a Trustee to be reluctant to accept the position, or while serving to be intimidated in the performance of the Trustee's duties because of the threats of lawsuits that might force the Trustee to pay fees and costs from the Trustee's personal resources. For this reason, I deliberately and intentionally waive any such conflict of interest with respect to any individual serving as Trustee so that he or she can hire counsel to defend himself or herself against allegations of wrongdoing or if sued for any reason (whether by a beneficiary or by someone else) and pay all fees and costs for his or her defense from the trust estate until the dispute is resolved. I understand and agree that a court may award, disallow or allocate fees and costs in whole or in part after the dispute is resolved, as provided by law. The Trustee will account for all such fees and costs paid by it as provided by law. This provision shall not apply to any Trustee that is a corporation or other entity.

H. Compensation, Bond. Each Trustee is entitled to be paid reasonable compensation for services rendered in the administration of the trust. Reasonable compensation for a non-individual Trustee will be its published fee schedule in effect when its services are rendered unless otherwise agreed in writing, and except as follows. Any fees paid to a non-individual Trustee for making principal distributions, for termination of the trust, and upon termination of its services must be based solely on the value of its services rendered, not on the value of the trust principal. During my lifetime the Trustee's fees are to be charged wholly against income (to the extent sufficient), unless directed otherwise by me in writing. Each Trustee shall serve without bond.

I. Maintenance of Records. The Trustee shall maintain accurate accounts and records. It shall render annual statements of the receipts and disbursements of income and principal of a trust upon the written request of any adult vested beneficiary of such trust or the guardian of the person of any vested beneficiary and the approval of such beneficiary shall be binding upon all persons then or thereafter interested in such trust as to the matters and transactions shown on such statement. The Trustee may at any time apply for a judicial settlement of any account. No Trustee shall be required to file any statutory or other periodic accountings of the administration of a trust.

J. Interested Trustee. The Trustee may act under this Agreement even if interested in these Trusts in an individual capacity, as a fiduciary of another trust or estate (including my estate) or in any other capacity. The Trustee may in good faith enter into a sale, encumbrance, or other transaction involving the investment or management of trust property for the Trustee's own personal account or which is otherwise affected by a conflict between the Trustee's fiduciary and personal interests, without liability and without being voidable by a beneficiary. The Trustee is specifically authorized to make loans to, to receive loans from, or to sell, purchase or exchange assets in a transaction with (i) the

Trustee's spouse, (ii) the Trustee's children or grandchildren, siblings, parents, or spouses of such persons, (iii) an officer, director, employee, agent, or attorney of the Trustee, or (iv) a corporation, partnership, limited liability company, or other business entity in which the Trustee has a financial interest, provided that in any transaction the trusts hereunder receive fair and adequate consideration in money or money's worth. The Trustee may renounce any interest or expectancy of a trust in, or an opportunity to participate in, specified business opportunities or specified classes or categories of business opportunities that are presented to the Trustee. Such renunciation shall not prohibit the Trustee from participating in the Trustee's individual capacity in such opportunity or expectancy.

K. Third Parties. No one dealing with the Trustee need inquire into its authority or its application of property.

L. Merger of Trusts. If the Trustee is also trustee of a trust established by myself or another person by will or trust agreement, the beneficiaries to whom income and principal may then be paid and then operative terms of which are substantially the same as those of a trust held under this Agreement, the Trustee in its discretion may merge either such trust into the other trust. The Trustee, in exercising its discretion, shall consider economy of administration, convenience to the beneficiaries, tax consequences and any other factor it considers important. If it is later necessary to reestablish the merged trust as separate trusts, it shall be divided proportionately to the value of each trust at the time of merger.

M. Multiple Trustees. If two Trustees are serving at any time, any power or discretion of the Trustees may be exercised only by their joint agreement. Either Trustee may delegate to the other Trustee the authority to act on behalf of both Trustees and to exercise any power held by the Trustees. If more than two Trustees are serving at any time, and unless unanimous agreement is specifically required by the terms of this Trust Agreement, any power or discretion of the Trustees may be exercised only by a majority. The Trustees may delegate to any one or more of themselves the authority to act on behalf of all the Trustees and to exercise any power held by the Trustees. Trustees who consent to the delegation of authority to other Trustees will be liable for the consequences of the actions of those other Trustees as if the consenting Trustees had joined the other Trustees in performing those actions. A dissenting Trustee who did not consent to the delegation of authority to another Trustee and who has not joined in the exercise of a power or discretion cannot be held liable for the consequences of the exercise. A dissenting Trustee who joins only at the direction of the majority will not be liable for the consequences of the exercise if the dissent is expressed in writing delivered to any of the other Trustees before the exercise of that power or discretion.

ARTICLE V. ADDITIONAL TAX AND RELATED MATTERS

A. GST Trusts. I direct (a) that the Trustee shall divide any trust to which there is allocated any GST exemption into two separate Trusts (each subject to the provisions hereof) so that the generation-skipping tax inclusion ratio of one such trust is zero, (b) any property exempt from generation-skipping taxation shall be divided as otherwise provided herein and held for the same persons

designated in Trusts separate from any property then also so divided which is not exempt from generation-skipping taxation, and (c) if upon the death of a beneficiary a taxable termination would otherwise occur with respect to any property held in trust for him or her with an inclusion ratio greater than zero, such beneficiary shall have with respect only to such property a power to appoint such fractional share thereof which if included in such beneficiary's gross estate for federal estate tax purposes (without allowing any deduction with respect to such share) would not be taxed at the highest federal estate tax rate and such fractional share of such property shall be distributed to such persons including only such beneficiary's estate, spouse, and issue, as such beneficiary may appoint, and any part of a trust such beneficiary does not effectively appoint shall be treated as otherwise provided for disposition upon his or her death, provided, if upon his or her death two or more Trusts for his or her benefit are directed to be divided among and held or distributed for the same persons and the generation-skipping tax inclusion ratio of any such trust is zero, the amount of any other such Trust to which there is allocated any of such beneficiary's GST exemption shall be added to the Trusts with generation-skipping tax inclusion ratios of zero in equal shares. For purposes of funding any pecuniary payment to which there is allocated any GST exemption, such payment shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such distribution could be made, and any pecuniary payment made before a residual transfer of property to which any GST exemption is allocated shall be satisfied with cash or property which fairly represents appreciation and depreciation (occurring between the valuation date and the date of distribution) in all of the assets from which such pecuniary payment could be satisfied and shall be allocated a pro rata share of income earned by all such assets between the valuation date and the date of payment. Except as otherwise expressly provided herein, the valuation date with respect to any property shall be the date as of which its value is determined for federal estate tax purposes with respect to the transferor thereof, and subject to the foregoing, property distributed in kind in satisfaction of any pecuniary payment shall be selected on the basis of the value of such property on the valuation date. All terms used in this paragraph which are defined or explained in Chapter 13 of the Code or the regulations thereunder shall have the same meaning when used herein. I request (but do not require) that if two or more Trusts are held hereunder for any person, no principal be paid to such person from the Trusts with the lower inclusion ratios for generation-skipping tax purposes unless the trust with the highest inclusion ratio has been exhausted by use, consumption, distribution or otherwise or is not reasonably available. The Trustee is authorized and directed to comply with the provisions of the Treasury Regulations interpreting the generation skipping tax provisions of the Code in severing or combining any trust, creating or combining separate trust shares, allocating GST exemption, or otherwise, as necessary to best accomplish the foregoing allocations, inclusion ratios, combinations, and divisions, including, without limitation, the payment of "appropriate interest" as determined by the Trustee as that term is applied and used in said Regulations.

B. Individual Retirement Accounts. In the event that this trust or any trust created under this Agreement is the beneficiary of an Individual retirement account established and maintained under Code Section 408 or a qualified pension, profit sharing or stock bonus plan established and maintained under Code Section 401 (referred to in this paragraph as "IRA"), the following provisions shall apply to such trust:

1. I intend that the beneficiaries of such trust shall be beneficiaries within the meaning of Code Section 401(a)(9) and the Treasury Regulations thereunder. All provisions of such trust shall be construed consistent with such intent. Accordingly, the following provisions shall apply to such trust:

a. No benefits from any IRA may be used or applied for the payment of any debts, taxes or other claims against my estate as set forth in the later paragraph captioned "Taxes", unless other assets of this trust are not available for such payment.

b. In the event that a beneficiary of any trust created under this Agreement has a testamentary general power of appointment or a limited power of appointment over all or any portion of any trust established under this Agreement, and if such trust is the beneficiary of any benefits from any IRA, the beneficiary shall not appoint any part of such trust to a charitable organization or to a lineal descendant of mine (or a spouse of a lineal descendant of mine) who is older than the beneficiary whose life expectancy is being used to calculate distributions from such IRA.

2. The Trustee shall deliver a copy of this Agreement to the custodian of any IRA of which this trust or any trust created under this Agreement is the named beneficiary within the time period prescribed Code Section 401(a)(9) and the Treasury Regulations thereunder, along with such additional items required thereunder. If the custodian of the IRA changes after a copy of this Agreement has been provided pursuant to the preceding sentence, the Trustee shall immediately provide a copy of this Agreement to the new custodian. The Trustee shall request each custodian to complete a receipt of the Agreement and shall attach such receipt to this Agreement. The Trustee shall provide a copy of each amendment of this Agreement to the custodian and shall obtain a receipt of such amendment.

C. Gift Transfers Made From Trust During My Lifetime. I direct that all gift transfers made from the trust during my lifetime be treated for all purposes as if the gift property had been first withdrawn by (or distributed to) me and then transferred by me to the donees involved. Thus, in each instance, even where title to the gift property is transferred directly from the name of the trust (or its nominee) into the name of the donee, such transfer shall be treated for all purposes as first a withdrawal by (or distribution of the property to) me followed by a gift transfer of the property to the donee by me as donor, the Trustee making the actual transfer in my behalf acting as my attorney in fact, this paragraph being, to that extent, a power of attorney from me to the Trustee to make such transfer, which power of attorney shall not be affected by my Disability, incompetence, or incapacity.

D. Gifts. If I am Disabled, I authorize the Trustee to make gifts from trust property during my lifetime for estate planning purposes, or to distribute amounts to my legally appointed guardian or to my attorney-in-fact for those purposes, subject to the following limitations:

1. **Recipients.** The gifts may be made only to my lineal descendants or to trusts primarily for their benefit, and in aggregate annual amounts to any one such recipient that do not exceed the exclusion amount provided for under Code Section 2503(b).

2. Trustee Limited. When a person eligible to receive gifts is serving as Trustee, the aggregate of all gifts to that person during the calendar year allowable under the preceding subparagraph 1. shall thereafter not exceed the greater of Five Thousand Dollars (\$5,000), or five percent (5%) of the aggregate value of the trust estate. However, gifts completed prior to a recipient's commencing to serve as Trustee shall not be affected by this limitation.

3. Charitable Pledges. The Trustee may pay any charitable pledges I made while I was not Disabled (even if not yet due).

E. Death Costs. If upon my death the Trustee hold any United States bonds which may be redeemed at par in payment of federal estate tax, the Trustee shall pay the federal estate tax due because of my death up to the amount of the par value of such bonds and interest accrued thereon at the time of payment. The Trustee shall also pay from the trust all of my following death costs, but if there is an acting executor, administrator or Personal Representative of my estate my Trustee shall pay only such amounts of such costs as such executor, administrator or Personal Representative directs:

1. my debts which are allowed as claims against my estate,
2. my funeral expenses without regard to legal limitations,
3. the expenses of administering my estate,
4. the balance of the estate, inheritance and other death taxes (excluding generation-skipping transfer taxes unless arising from direct skips), and interest and penalties thereon, due because of my death with respect to all property whether or not passing under my Will or this Agreement (other than property over which I have a power of appointment granted to me by another person, and qualified terminable interest property which is not held in a trust that was subject to an election under Code Section 2652(a)(3) at or about the time of its funding) and life insurance proceeds on policies insuring my life which proceeds are not held under this trust or my probate estate at or by reason of my death), and
5. any gifts made in my Will or any Codicil thereto.

The Trustee may make any such payment either to my executor, administrator or Personal Representative or directly to the proper party. The Trustee shall not be reimbursed for any such payment, and is not responsible for the correctness or application of the amounts so paid at the direction of my executor, administrator, or Personal Representative. The Trustee shall not pay any of such death costs with any asset which would not otherwise be included in my gross estate for federal or state estate or inheritance tax purposes, or with any asset which otherwise cannot be so used, such as property received under a limited power of appointment which prohibits such use. Further, no payment of any such death costs shall be charged against or paid from the tangible personal property disposed of pursuant to the prior paragraph captioned "Disposition of Tangible Personal Property."

F. Subchapter S Stock. Regardless of anything herein to the contrary, in the event that after my death the principal of a trust includes stock in a corporation for which there is a valid election to be treated under the provisions of Subchapter S of the Code, the income beneficiary of such a trust is a U.S. citizen or U.S. resident for federal income tax purposes, and such trust is not an "electing small business trust" under Code Section 1361(e)(1) in regard to that corporation, the Trustee shall (a) hold such stock as a substantially separate and independent share of such trust within the meaning of Code Section 663(c), which share shall otherwise be subject to all of the terms of this Agreement, (b) distribute all of the income of such share to the one income beneficiary thereof in annual or more frequent installments, (c) upon such beneficiary's death, pay all accrued or undistributed income of such share to the beneficiary's estate, (d) distribute principal from such share during the lifetime of the income beneficiary only to such beneficiary, notwithstanding any powers of appointment granted to any person including the income beneficiary, and (e) otherwise administer such share in a manner that qualifies it as a "qualified Subchapter S trust" as that term is defined in Code Section 1361(d)(3), and shall otherwise manage and administer such share as provided under this Agreement to the extent not inconsistent with the foregoing provisions of this paragraph.

G. Residence as Homestead. I reserve the right to reside upon any real property placed in this trust as my permanent residence during my life, it being the intent of this provision to retain for myself the requisite beneficial interest and possessory right in and to such real property to comply with Section 196.041 of the Florida Statutes such that said beneficial interest and possessory right constitute in all respects "equitable title to real estate" as that term is used in Section 6, Article VII of the Constitution of the State of Florida. Notwithstanding anything contained in this trust to the contrary, for purposes of the homestead exemption under the laws of the State of Florida, my interest in any real property in which I reside pursuant to the provisions of this trust shall be deemed to be an interest in real property and not personalty and shall be deemed my homestead.

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to SIMON, if SIMON survives me, my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if SIMON does not survive me, I give this property to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical, and if neither SIMON nor any child of mine survives me, this property shall pass with the residue of my estate.

If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

LAST WILL
OF SHIRLEY BERNSTEIN

TESCHER & SPALLINA, P.A.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. **Appointment and Bond.** I appoint SIMON and TED, one at a time and successively in that order, as my Personal Representative (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

2. **Powers of Personal Representatives.** My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. **Investments.** To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. **Distributions or Divisions.** To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

c. **Management.** To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. **Borrowing.** To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "***Business Entities***"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the operation and may delegate all or any part of its power to supervise and operate to such person or persons as the fiduciary may select, including any associate, partner, officer or employee of the Business Entity;

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right

to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without

cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Articles I and II of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs.

5. Reimbursement for Debts and Expenses. My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

6. Expenses of Handling Tangible Personal Property. All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. Dealing with Estate. Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. **Spouse.** The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

9. **Other Beneficiary Designations.** Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.

ORDER SETTING TRIAL on AMENDED COMPLAINT
(DE 26) COUNT II

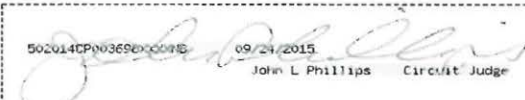

This matter came before the court on its own motion, for resolution of outstanding issues as required by the October 6, 2014, Order of the Honorable Martin H Colin, the Circuit Court Judge formerly assigned to this case. In that Order, Judge Colin severed trial of Count II of the Plaintiff's Amended Complaint from remaining claims in the action, and stayed all further proceedings in the action pending further Order of the Court. Accordingly, the Court ORDERS as follows:

1. Trial of the issues set forth in Judge Colin's October 6, 2014, Order on Amendments to Pleadings and Stay until Further Order of Court (DE 27) and Count II of Plaintiff's Amended Complaint (DE 26) shall take place on **December 15, 2015 @ 9:30AM**; 1 (one) day has been set aside for trial.
2. The Petitioner and the Respondent have an obligation to make a good faith effort to resolve this case. Towards that end, the parties are ordered to attend a pre-trial mediation that must take place no later than **ten (10) days** before the first day of trial of this case. ***Failure to attend pre-trial mediation absent an order waiving same may result in the striking of the case from the trial docket and/or additional sanctions. THE PRE-TRIAL MEDIATION MUST TAKE PLACE REGARDLESS OF OTHER MEDIATION THAT MAY HAVE OCCURRED PRIOR TO THIS ORDER SETTING TRIAL.***

If an interpreter is needed for a party or witness in this case, it shall be the responsibility of the party needing same to provide a qualified interpreter.

3. The court reserves jurisdiction to enter such further orders as may be necessary.

DONE AND ORDERED in West Palm Beach, Palm Beach County, Florida, this 24th day of September, 2015.

FINAL JUDGMENT ON COUNT II OF THE AMENDED COMPLAINT

This cause came before the Court for trial on December 15, 2015, pursuant to the Court's
ORDER SETTING TRIAL on AMENDED COMPLAINT (DE 26) COUNT II dated September 24,
2015. The Court, having received evidence in the form of documents and testimony of witnesses,

having heard argument of counsel and *pro se* parties who wished to argue, and being otherwise fully advised of the premises, hereby enters a Final Judgment as to Count II of the Amended Complaint:

1. This is an action for declaratory judgment to determine the validity, authenticity and enforceability of certain wills and trusts executed by Simon Bernstein and Shirley Bernstein, as follows:

- A. Shirley Bernstein Trust Agreement dated May 20, 2008 ("Shirley Trust", attached to the Amended Complaint as Exhibit A~~3~~, *EX. P2 AT TRIAL*) *JB*
- B. First Amendment to Shirley Bernstein Trust Agreement dated November 18, 2008 ("Shirley First Amendment", attached to the Amended Complaint as Exhibit B~~3~~, *EX. P3 AT TRIAL*) *JB*
- C. Will of Simon L. Bernstein dated July 25, 2012 ("Simon Will", attached to the Amended Complaint as Exhibit C~~3~~, *EX. P4 AT TRIAL*) *JB*
- D. Simon L. Bernstein Amended and Restated Trust Agreement dated July 25, 2012 ("Simon Trust", attached to the Amended Complaint as Exhibit D~~3~~, *EX. P5 AT TRIAL*), *and* *JB*
- E. Will of Shirley Bernstein dated May 20, 2008 ("Shirley Will", attached to the Amended Complaint as Exhibit E~~3~~, *EX. P1 AT TRIAL*) *JB*

(collectively, the "Testamentary Documents").

2. Based upon the evidence presented during the trial, the Court finds that the Testamentary Documents, as offered in evidence by Plaintiff, are genuine and authentic, and are valid and enforceable according to their terms.

3. The Court finds that Simon's Testamentary Documents were signed by Simon and Shirley's Testamentary Documents were signed by Shirley, in the presence of two attesting witnesses who signed in the presence of the testator and in the presence of each other. § 732.502, Fla. Stat.; § 736.0403(2)(b), Fla. Stat.

4. The Court finds the Testamentary Documents meet the requirements for self-proof, as specified in §732.503, Fla. Stat. Alternatively, the Testamentary Documents were properly admitted based upon the testimony of at least one of the attesting witnesses, which occurred. §733.201, Fla. Stat.

5. Based on the evidence presented, the Court finds that Plaintiff, Ted S. Bernstein, Trustee, was not involved in the preparation or creation of the Testamentary Documents. ~~Indeed,~~ Ted S. Bernstein had never seen the documents before his father's death. ~~Moreover,~~ Ted S. Bernstein played no role in any questioned activities of the law firm Tescher & Spallina, PA, who represented Simon and Shirley while they were alive. There is no evidence to support the assertions that Ted Bernstein forged or fabricated any of the Testamentary Documents, or aided and abetted others in forging or fabricating documents. ~~Thus,~~ Ted Bernstein played no role in the preparation of any improper documents; the presentation of any improper documents to the Court; or any other improper act, contrary to the allegations of Eliot Bernstein, ~~made in the pleadings in this case or in various blogs and websites in which Eliot Bernstein has attacked the actions of Ted Bernstein.~~ *The evidence shows*

ELIOT BERNSTEIN

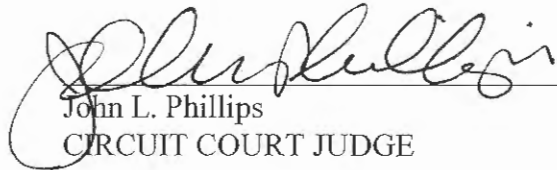

ju

6. Based on the evidence presented, the Court finds that an unauthorized version of the First Amendment to Shirley Bernstein Trust Agreement was prepared sometime after Simon died. This document (Pl. Ex. 6) was not signed by Shirley Bernstein and, therefore, is not an operative document.

7. This ruling is intended to be a Final Judgment under Rule 9.170 of the Florida Rules of Appellate Procedure, determining the validity of Testamentary Documents, denying any objection to the probate of Shirley's and Simon's Wills or the validity of the Trust Agreements, and determining which persons are entitled to receive distributions from these trusts and estates.

8. Based upon the rulings made by the Court in this trial of Count II, the Court reserves jurisdiction to determine the remaining issues in this action.

DONE AND ORDERED in Chambers, in Palm Beach County, Florida, this 16 day of December, 2015.

ORDER CONFIRMING DENIAL OF DISQUALIFICATION MOTION

This matter came before the Court at the close of trial December 15, 2015, when defendant Elliott Bernstein orally moved for recusal of the undersigned. The Court adjourned for 5 minutes to allow Mr. Bernstein to put his motion into written form. Mr. Bernstein then presented the "Verified Sworn Emergency Petition and Affidavit for Immediate Mandatory Disqualification of Circuit Judge John L Phillips", and "Notice of Correction to Verified Sworn Emergency Petition and Affidavit for Immediate Mandatory Disqualification of Circuit Judge John Phillips", both dated December 4, 2015. These documents had previously been presented to the Court seeking disqualification of the undersigned (see Docket Entries 94 and 98) and were denied as legally insufficient by Order entered December 8, 2015 (Docket Entry 98).

In an abundance of caution, on December 15, 2015, the undersigned entered a handwritten Order denying this new presentation of the already-ruled-upon request for disqualification. Whereupon, it is **ORDERED AND ADJUDGED:**

1. The handwritten Order dated December 15, 2015, denying defendant Elliott Bernstein's previously-ruled-upon requests for disqualification, described above, is hereby **CONFIRMED**.
2. The above-described requests for disqualification are legally insufficient, and are properly **DENIED**.

**SUCCESSOR TRUSTEE'S MOTION FOR APPOINTMENT OF A
GUARDIAN AD LITEM TO REPRESENT THE INTERESTS OF
ELIOT BERNSTEIN'S CHILDREN; FOR A GAG ORDER TO PROTECT
GUARDIAN AND OTHERS; AND TO STRIKE ELIOT'S FILINGS**

Successor Trustee, Ted S. Bernstein (the "Trustee"), moves the Court (i) to appoint a guardian ad litem to represent the interest of the children of Eliot Bernstein, D.B., Ja.B. and Jo.B.; (ii) to impose a gag order preventing Eliot from harassing and intimidating the retained or appointed fiduciaries (including any newly-appointed Guardian ad Litem), as well as all professionals and the Court; and (iii) for an order striking all of Eliot's filings in this case for lack of standing, and states:

1. Plaintiff, Ted S. Bernstein, as Successor Trustee of the Shirley Bernstein Trust Agreement dated May 20, 2008, seeks the appointment of a guardian ad litem to protect the interests of Eliot Bernstein's three children. By its ruling at the trial held on December 15th, the Court upheld the 2012 Will and Trust of Simon L. Bernstein and the 2008 Will and Trust of Shirley Bernstein. As a result of upholding these documents, the Court has determined that Eliot Bernstein, individually, is not a beneficiary of either Simon's or Shirley's Trusts or Estates. Instead, his three sons are among the beneficiaries of both Simon's and Shirley's Trusts, in amounts to be determined by further proceedings. Eliot lacks standing to continue his individual involvement in this case.

2. Based upon the events which have transpired and the pleadings and other papers filed by Eliot in this case, including statements in his Omnibus Petition to the Florida Supreme Court and his latest Motion to Disqualify this Court, the Trustee does not believe that Eliot is capable of adequately representing the interests of his children or willing to enable the Trustee to carry out Simon's and Shirley's wishes to benefit their grandchildren. Indeed, since the trial and the resulting Final Judgment, Eliot has increased his attacks on this Court and these proceedings.

3. Eliot shows no interest in seeing his parents' trusts and estates administered in an economic and efficient process to maximize the distribution among their grandchildren. Instead, he is on a never-ending crusade against injustice and corruption among judges, lawyers, fiduciaries, and others, including the Florida Supreme Court and the Florida Bar. In a recent filing, a *Motion for Rehearing En Banc* (Ex. A) of the dismissal of his "Petition for All Writs,"¹ he wrote:

¹ The Petition for All Writs sought prohibition against Judge Colin (who already recused himself in May) and an extraordinary writ to stop a routine, court-approved sale of Trust property. The sale would have closed March 31, 2015 but for Eliot's interference, and these delays will have cost the Trust far in excess of \$150,000 by the time of the eventual closing.

That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father . . . The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, *including multiple Frauds on the Court and Fraud by the Court itself* . . .

. . . many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritancy and more.²

4. Further, because of Eliot's penchant to attack and try to exert pressure on fiduciaries, counsel and others who oppose his wishes, the Trustee believes it is necessary to enter an Order prohibiting Eliot and anyone acting in concert with Eliot from harassing the fiduciaries, counsel, and others, including any newly appointed Guardian ad Litem, and from disseminating or publishing by any manner or on any website any information about these matters. This internet cyber-bullying or cyber-terrorism has been ongoing for more than two years. (Composite Ex. C)

² These thought are similar to thoughts he expressed on an internet website, praising a "heroic" lawyer who is crusading "to whistle blow on the corruption of the Florida Courts and its members that she has witnessed firsthand committed by attorneys at law, guardians and the judges involved in her mother's guardianship in what can only be called an elder eugenics program designed to at once kill the victims entrapped and simultaneously deplete virtually their entire net worth from the family and covert it to the court appointed guardians and attorneys at law, while providing the courts with funding as well." (Ex. B)

Eliot ties that to his parents' trusts: "I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, . . . with the help of two Florida Probate Judges, David French and Martin Colin."

5. Eliot appears more interested in ruining lives and reputations by cyber-warfare than in seeing these proceedings come to a conclusion. Eliot has exhibited a pattern of irrational behavior, demonstrated by threats of criminal prosecution and slanderous statements made in an attempt to exert pressure on the fiduciaries. Eliot's behavior has reached such deplorable levels that he continues to malign and disparage all of the fiduciaries – counsel, the independent Successor PR of Simon's Estate, and everyone else who stands in his way – personally and professionally. Eliot disseminates inflammatory and defamatory information over the internet without any regard for the negative impact such information may have.

6. Two recent examples of Eliot's wasteful conduct already have costs the beneficiaries significant real dollars. Eliot opposed the sale of his parents' primary residence, which was on the market nearly four years before a serious offer was made. The all-cash, "as-is" offer was set to close on March 31st. Eliot persuaded Judge Colin to delay the sale – at significant expense to the Trust – so he could challenge the sale price as inadequate. After a six-week delay, Eliot presented no witnesses and no evidence, and the sale was approved in a final order. Eliot did not appeal the order, but filed his All Writs Petition to the Florida Supreme Court. The sale has yet to close due to Eliot's filings – including a Motion for Rehearing En Banc and a Notice of Appeal to the Florida Supreme Court. This already has cost the Trust far more than \$100,000 of the value it would have realized in March. Similarly, after claiming his father's 2012 testamentary documents were the product of mental incapacity, undue influence or fraud, at trial Eliot produced no witnesses or testimony to corroborate those baseless accusations. He did not even testify himself on any of the issues he raised. The Trust incurred substantial legal fees and costs addressing Eliot's fantastical claims.

7. Eliot will never stop until a court stops him. Now is the time for such drastic measures, while there are still some assets left for his children and the other grandchildren to receive as distributions. In light of the Final Judgment dated December 16, 2015, upholding Simon's 2012 documents, Eliot is not a beneficiary of the Shirley Trust or the Simon Trust. As such, he lacks standing to participate as an individual. All of his individual filings should be stricken with prejudice. His filings in his capacity as guardian of his children should be conditionally stricken, without prejudice to the Guardian ad Litem seeking leave of court to pursue such claims and issues as the Guardian deems to be in the best interests of Eliot's children.

8. Finally, the Court should order Eliot Bernstein and others acting in concert with him to remove all internet postings about the judges, lawyers, fiduciaries and others involved in these matter, and preclude any further public or widespread dissemination of information about these proceedings. The Court should be aware that Simon's grandchildren are all starting their lives, and the "garbage" Eliot puts on the internet will be following along with these innocent grandchildren for the rest of their lives. As the fiduciary responsible to act in the best interests of the grandchildren, the Trustee requests that the Court enter a confidentiality or "gag" order to protect their interest.

WHEREFORE, the Trustee respectfully suggests that this Court: (i) appoint a Guardian Ad Litem for Eliot's three children;(ii) enter a confidentiality or "gag order" to protect the integrity of these proceedings and to safeguard the ability of fiduciaries, including a Guardian Ad Litem, to act independently and in the best interests of the beneficiaries; (iii) strike and/or dismiss all of Eliot's filings in this case as described above for lack of standing; and (iv) grant such other relief as the Court deems appropriate.

ELIOT BERNSTEIN

v. ESTATE OF SIMON BERNSTEIN

Appellant / Petitioner(s)

Appellee / Respondent(s)

Motion for Rehearing En Banc

Eliot I. Bernstein, Petitioner-Appellant herein, respectfully shows this Court as follows:

1. I am the Petitioner Pro Se and file this Motion for a Rehearing En Banc of this Court's determination and dismissal of a prior petition for All Writs further seeking a Stay and Injunctive relief originally filed at the Florida Supreme Court on June 10, 2015, and re-filed on June 30, 2015 to conform with page requirements.
2. While acting pro se, I nonetheless express a belief that this case and issues are of exceptional importance under Florida Rules of Appellate Procedure 9.331.
3. The motion is further timely within Florida Rules of Appellate Procedure 9.330.
4. This Court originally issued a Decision on Nov. 30, 2015 Dismissing the All Writs Petition as "Moot" but in the caption of the Decision it only referenced the Writ of Prohibition making it unclear if the other portions of Petitioner's All Writs were Dismissed as well as

“moot” as Petitioner was seeking Mandamus relief against Florida Judge Martin Colin and other relief such as a Stay and Injunctive relief.

5. Petitioner initiated a procedural phone call to the 4th DCA on or about Nov. 30, 2015 the same day of the Decision to determine the procedure for such a Clarification and originally was told by the Clerk Staff from the 4th DCA the Dismissal applied to the entire petition.
6. Very shortly thereafter, in order to be clear on this Court’s ruling, Petitioner made a subsequent call on that same day of Nov. 30, 2015 speaking to the same 4th DCA Clerk Staff to again seek procedural guidance on how to clarify this ruling and the 4th DCA Clerk stated “they told me” the Dismissal applied to all parts of the Petition referring to the original Decision of Nov. 30, 2015 which Denied the Writ of Prohibition as “Moot” and referenced Oct. 15, 2015 as the filing date of the Petition which was filed June 30, 2015 at the Florida Supreme Court.
7. The 4th DCA Clerk clarified that this filing date was the date the All Writs Petition was Transferred by the Florida Supreme Court.
8. Within 15 minutes to a half hour or less on Nov. 30, 2015, I received an Amended copy of this Decision which now referenced the filing date of July 1, 2015 and Denying the entire Petition as “moot”.

This is a Case of Exceptional Importance

9. The Petition for All Writs brought up for the Florida Supreme Court the appropriateness of even ruling on the Petition for All Writs based upon a warned Conflict of Interest stemming from the following Petitioned in the All Writs:

“Eliot Ivan Bernstein has pursued in investigations since early 2000 to present, including a Petition to the White House¹, the White House Counsel’s Office, the US Attorney General’s Office, investigations to the SEC², FBI, and various State Attorney Generals, and actions with the USPTO, and other legal actions, including RICO and ANTITRUST civil litigation and criminal complaints several Florida Supreme Court Justices, The Florida Bar, several New York Supreme Court Justices, the New York Supreme Court Disciplinary Agencies 1st & 2nd, several large law firms and lawyers, political figures at the highest levels in both Florida and New York and others and this may cause any review of the following matters by any member of The Florida Bar, a subsidiary of the Florida Supreme Court, with any title in the organization, to prejudice the rights of Eliot Bernstein and his family and will be construed as a denial of due process that obstructs justice.”

10. This Conflicts of Interest section went on to further expressly name the following:

Defendants in the RICO and other actions include:

- “STATE OF FLORIDA,
- OFFICE OF THE STATE COURTS ADMINISTRATOR, FLORIDA,
- **FLORIDA SUPREME COURT,**

pdf would show any reviewing body or jurist that the underlying frauds at issue having been reported to the White House, White House Counsel’s Office, US Attorney General’s Office and various Federal Agencies such as the FBI implicate an ongoing Fraud upon the United States itself being fraud at the USPTO.

12. Even without reviewing the information at this resource locator, the plain text at the All Writs Petition further showed that the frauds had now elevated into Estate and Trust frauds within the State of Florida and the possible murder of Simon Bernstein and further implicating members of the Florida Supreme Court and Florida Bar as follows:

“That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father, as alleged by Petitioner’s brother Ted as a possible “murder.” The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed

after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, including multiple Frauds on the Court and Fraud by the Court itself, with irrefutable evidence of criminal acts by lawyers and law firms and now new allegations that Judges are involved on the attempt to fix and silence the crimes of other members of the Florida Bar and others.

That in the original instance of fraud that occurred against Petitioner and his family in the Courts, many of the Florida Supreme Court Justices named herein may recall that Bernstein in early 2000 began pursuing members of the Florida Bar from a case that began with Jorge Labarga and the international law firm Proskauer Rose intimately involved in thefts of technologies valued as “The Holy Grail” and “Priceless” by leading engineers and when Judge LaBarga was a circuit court judge in Palm Beach County and the complaints against the lawyers and judges involved made their way all the way up to the Supreme Court and why many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritancy and more.

These matters are brought expressly to the forefront of this case so matters of conflicts of interest may be properly adjudicated even in the hearing of the instant petitions for writs and other relief and for consideration as to whether the entirety of these matters should be transferred to a jurisdiction outside the State of Florida and other proper relief. “ See, Petition for All Writs.

13. The case is thus of not only exceptional importance but statewide importance as not only implicating related ongoing frauds upon the United States but the fundamental Due Process issue of whether the Florida Courts themselves can be an appropriate forum for the Petitioner given the current Florida Supreme Court Judge Jorge Labarga’s involvement in the underlying frauds along with substantial members of the Florida Bar including Jerald Beer of the Ciklin, O’Connell law firm now in a case where possible murder has been alleged.
14. Thus the case should be heard En Banc as exceptional importance is shown.
15. Clearly neither the Florida Supreme Court nor this Court of the 4th DCA addressed the exceptional important issue of whether the fundamental due process can be served with the

Conflicts of Interest referenced in the petition and thus this part of the Petition was clearly overlooked and / or misapprehended.

16. Clearly the exceptional importance of the statewide due process conflict of interest issues are not moot and these matters were overlooked or misapprehended.

Other Issues Overlooked, Misapprehended and Not Moot

17. The Petition for All Writs further brought up mandamus against Judge Martin Colin to issue a Disqualification as a necessary and material fact witness and void all of his orders therein where clear fraud upon the Court has occurred and Judge Colin himself may be part of the machinery of the Court involved in the fraud.

18. While not stated in this Court's Decision, it was argued by Alan M. Rose on behalf of Ted Bernstein to this Court that due to Judge Colin's "recusal" which came within 24 hours of denying the mandatory Disqualification as a necessary and material fact witness rendered the Writ "moot".

19. However, this again must have been overlooked and misapprehended.

20. Judge Colin's sudden "recusal" does not change and did not change his status as a material fact witness in underlying fraud in his court which, quite interestingly, expressly involves Ted Bernstein who Alan Rose is representing.

21. Judge Colin remains a material fact witness and thus, this part of the Petition for All Writs was clearly not moot and mandamus should issue immediately so proper Disqualification Orders can be issued.

22. Further, the Petition brought up for review Judge Colin's "steering" and "poisoning" of the "Transfer" of the Case to the North Branch acts which were and are alleged to have been

beyond and outside his jurisdiction as one who mandatorily had to be disqualified under Florida law.

23. Once it is properly determined that Judge Colin should be mandatorily disqualified and subject to mandamus, all of these wrongful acts of Transfer without jurisdiction are clearly presently relevant to the case and must have been overlooked and or misapprehended by this Court and clearly were not and are not moot.
24. Further, the Petition for All Writs brought up for review under mandamus that Judge Colin's Orders issued as having been what should have been a Disqualified material fact witness at least as of Jan. 3, 2013 or by latest May of 2013 based upon when clear indisputable fraud had to have been discovered in his Court, that such Orders must be Voided.
25. In fact, the property referenced by Alan Rose to be sold was part of an illegal Order of Judge Colin grounded in fraud as a material fact witness and prohibiting this sale clearly is not moot and must have been overlooked and misapprehended.
26. This Court must have overlooked or misapprehended this part of the Petition as all of these Orders since either Jan. 3, 2013 or at least May 6, 2013 forward must now be Voided and clearly these Orders are presently impacting the Case and thus are not moot.
27. Still further, the Petitions sought specified Stay and injunctive relief none of which was or is moot and thus this Court must have overlooked and or misapprehended this part of the Petition as well.
28. Clearly the Petition for All Writs has substantial case law authority which should have been relied upon if the Petition had not been overlooked and / or misapprehended and Petitioner simply refers this Court back to the All Writs Petition for said authorities to stay in conformity of the rules preventing re-argument.

WHEREFORE, Petitioner respectfully prays for an Order granting En Banc rehearing relief and further issuing mandamus against Judge Colin as a material and fact witness, voiding of all Orders of Judge Colin since at least Jan. 3, 2013 or May 2013 to the present and further determination as to the impropriety of the interference in the orderly Transfer of this case to the North Branch thus transferring the case to a randomly selected independent neutral Judge unless the conflict of interest issues raised by any hearing within the State of Florida determine transfer outside the State and further that this Court should provide affirmative review of said Conflicts of interest in any further Order or Decision herein or alternatively certify the conflicts of interest and due process issue to the Florida Supreme Court as an exceptional issue of statewide and novel importance.

Dear Hon. Kerry I. Evander, VICE-CHAIR

My name is Eliot Ivan Bernstein and I

In attempting to expose this corrupt guardianship and those involved Barbara has done everything required under law and in response and retaliation her

due process rights were removed and she was portrayed as a criminal and in fact criminally arrested by Judge Genden's bizarre orders for her efforts to

protect her mother. She and her mother have been denied due process and the right to counsel and I witnessed in Federal Court before Magistrate Judge

Hunt in Florida an attorney, Deborah Rochlin, Esq. state on the stand under oath that Judge Michael Genden had issued threats against her in Ex Parte

communications that if she continued to represent the Stone family she would targeted for disciplinary actions and more, which caused her in fear of losing

her livelihood to immediately withdraw from representing the Stones. However, in heroic fashion and duty bound to report the misconduct of attorneys at

who has reviewed the Barbara Stone complaint attached herein against Judge Michael Genden and witnessed firsthand the injustice of Judge Michael Genden in his court: Retaliation against Barbara Stone! who is desperately trying to save her mother's life and in attorney at law with an unblemished career through her eventual retirement in of the Florida Courts and its members that she has witnessed firsthand her's guardianship in what can only be called an elder eugenics program tually their entire net worth from the family and covert it to the court appointed ell. Helen Stone went into a guardianship for financial protection and quickly wheelchair with a feeding tube in now an induced medical guardianship and

law and judges under Florida Rules of Professional Conduct, Ms. Rochlin did just that by signing a sworn affidavit stating that she was contacted by Judge Genden and a one Roy Lustig, Esq. and extorted and threatened. For this heroic act and following her duty to report misconduct, Judge Genden filed a bar complaint against Ms. Rochlin.

In Federal Court, it was exposed that Roy Lustig, Esq. has a pattern and practice of Fraud on the Court that was exposed by the Third DCA in a case involving Leo's Liquor and yet despite the courts recommendation for State Bar Sanctions and more, it appears Mr. Lustig walked protected by the State Bar of Florida and no action was taken despite his fraud on the court being proven by the court. In the hearing before Magistrate Judge Hunt however, Lustig made statements that appeared to claim that Barbara Stone, Esq. was not a lawyer and that she was some kind of fraud and this swayed and biased the opinion of Magistrate Judge Hunt so much so that he made his own efforts to discover if she were a lawyer and then in an opinion to Judge Zolch stated Barbara was a liar and not forthright with the Court. However, due to lack of diligence it appears that no one had checked her married name and thus both Judge Hunt and Lustig then had mud on the face. To resolve this problem it appears that despite Barbara having been a retired attorney at law with a blemish free career, the Florida Supreme Court through the aegis of its subsidiary The Florida Bar instantly moved to DISBAR Barbara Stone, Esq. on trumped up charges relating to her efforts to free her mother from the concentration camp she is in.

I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, including but not limited to, Robert L. Spallina, Esq., Donald R. Tescher, Esq. and Alan B. Rose, Esq. all with the help of two Florida Probate Judges, David French and Martin Colin. Attorneys Tescher and Spallina through their law firm Tescher & Spallina, PA have admitted to fraud on the court and fraud on the beneficiaries and have also admitted to submitting to the courts fraudulently notarized and forged signatures for six parties, including for my deceased father POST MORTEM and yet they have been allowed to continue to practice before the courts and the Florida Bar despite being fully aware of these crimes has done NOTHING to any of the attorneys involved, in fact, allowing Spallina to merely surrender his license without discipline despite his admitted felony criminal acts against my family, including three minor children who have been harmed by their actions. My brother on the day my father died alleged that he was murdered by poisoning and started a criminal complaint and autopsy that have also been mishandled once it was apparent that the person accused, his girlfriend was most likely innocent if he were murdered and now due to the financial crimes and fraud committed by the Attorneys at Law the potential accomplices to any murder may in fact be members of the Florida Bar who may have had a hand in any foul play due to the fact that they are the ones who have committed felony criminal acts and financial crimes against the estates and trusts beneficiaries for their own pecuniary gains. After a year a heavy metal test was finally performed and the results came back with 3 heavy metals elevated to reportable levels, including but not limited to, Arsenic and Cadmium. The attorney and judge self-regulating system of the Florida Bar and Judicial Qualifications Commission (which have no authority or jurisdiction to interfere in criminal complaints against their members) have become a joke and actually appear to be attorney protection agencies to protect the crimes being committed through the use of the courts by their members and steering and interfering with criminal charges made against members to Police and Sheriff agencies to derail the criminal investigations. Ms. Stone has also filed criminal charges against Michael Genden for his threats and extortion made upon her counsel and yet not a single law enforcement agency will investigate her criminal complaint filed in accordance with Florida Statutes. For Shame on our corrupted legal system that appears to start at the top and perverse the entire body of law in Florida and any lawyer standing up to this is instantly Witch hunted and Disbarred, effectively destroying their lives or forcing them to complicity in fear of their extorters.

My case is currently before the Supreme Court of Florida and can be found @

<http://www.iviewit.tv/Simon%20and%20Shirley%20Estate/20150630%20FINAL%20REDO%20All%20Writs%20Mandamus%20Prohibition%20and%20Restraining%20Order%20>

The crimes in these Probate cases have also caused multiple other actions to be filed both state and federally at great expense to the victims all due to criminal misconduct by Attorneys at Law and Judges. In fact, arrest has now been made of the Legal Assistant and Notary Public for Tescher & Spallina PA and similar arrest and investigation of the Attorneys at Law and Judges are underway but it appears that these may have been stymied, delayed and potentially derailed by interference in the criminal investigation by Judge Colin, which is currently under investigation as well.

All of the family estate problems may also be linked to another series of crimes still being pursued committed against both my father and myself involving Intellectual Property Thefts committed by our attorneys at law from Proskauer Rose, LLP and Foley & Lardner LLP for IP valued in the billions to trillions and which led my filing a RICO and ANTITRUST civil lawsuit that was subsequently related a New York Supreme Court Attorney Disciplinary Department Whistleblower Lawsuit of Christine C. This lawsuit will shortly be petitioned to be reopened due to the alleged new RICO violations in the Florida Probate Courts, including new predicate acts of, Alleged Murder of Simon Bernstein, Fraud, Forgery, theft of estate and trust assets and more, all crimes again primarily committed by attorneys at law. The Florida Courts have been infected by criminals and it appears a top down takeover. Since you are at the top of the regulatory agency that is responsible for protecting the citizens of Florida from rogue and dangerous criminals disguised as Attorneys at Law and Judges I anticipate your immediate response to both Barbara and my own cases, seeking full investigation by the State Bar and JQC and joining the necessary State and Federal Criminal authorities as you are duty bound to do when members of your cartel are alleged by citizens to have committed felony acts and used the Courts as their vehicle to commit crimes. Recently, large amounts of Press have exposed the guardianship abuses running rampant in Florida and similar to the home foreclosure fraud in Florida, the crimes are being committed by “attorneys at law” and further aided and abetted by “judges” all members of an organization headed by you and where nothing is being done by your agency to take any action other than to protect the accused and aid and abet in the evasion of their criminal prosecutions.

RE: RETALIATION AGAINST BARBARA STONE FOR WHISTLEBLOWING ON GUARDIANSHIP ABUSE IN THE STATE OF FLORIDA AND REPORTING THE CRIMES OF MICHAEL GENDEN AND THE FLORIDA BAR FROM: BARBARA STONE

DATE: AUGUST 7, 2012

CC: MEDIA, LEGISLATORS AND OTHER INTERESTED PARTIES

Dear Judge Evander:

I am in receipt of the retaliatory disbarment against me for my reporting alleged criminal misconduct and wrongdoing of attorneys and judges as mandated by the Florida Bar rules. I am also in receipt of the retaliatory notice of disbarment that was filed of record in my Federal lawsuit against Michael Genden which was improper, an abuse of power and for apparently for the purpose of further prejudicing my case.

I had expected you would investigate the crimes alleged against Michael Genden who is alleged to be engaged in heinous crimes of extortion, exploitation, holding my mother hostage and in grave danger instead of retaliating against me for exposing crimes as a mandated reporter under the Florida Bar Rules of Professional Conduct.

It would seem that Honorable Judges would not want their profession to be tainted by judges who use the courts to engage in **alleged criminal racketeering activity and financial fraud on the order of a PONZI SCAM involving guardianship abuse.** As you are aware the State of Florida and Governor Rick Scott are trying to reform this widely reported predatory crime that runs rampant in the legal and judicial system in the State of Florida Courts whereby Elderly adults are being abused and financially devastated through the misuse of the Court system by rogue and dangerous Attorneys at Law and Judges. This dirty "secret" of guardian abuse and exploitation is so rampant that one legislator referred to these predators as "cockroaches."

I brought my mother to "guardianship court" to protect her and Michael Genden and Roy Lustig and predator "guardians" masterminded a Machiavellian scam to steal my mother, strip her rights, drug and abuse her until she is incoherent and extort her assets. These predators then rabidly escalate, retaliate and attack me to silence me from exposing this diabolical racket and **to divert, avoid, evade, dodge, obstruct, block, impede, thwart, cover up the criminal response to their alleged crimes by attacking their accuser.**

I should be lauded for exposing the vile practice of terrorizing vulnerable adults in predator guardianships instead of attacked by vicious retaliation by judges no less.

It is hardly "judicial" for the State of Florida to maintain a practice through its "probate/guardian" courts of slowly murdering vulnerable elderly adults by isolating them, depriving them of food, drugging them mercilessly until they are incoherent, removing them from their family so these crimes can be committed in secret, warehousing them in deplorable nursing homes and then retaliating against anyone trying to expose the crimes, including outstanding and long serving respectable members of the Florida Bar such as myself.

Please read the information attached herein. **These news stories and personal stories tell a tale of fraud and crimes and cover up in guardianship and probate courts so horrific that it is impossible to fathom. We are in a crises -reform cannot be instituted soon enough.** Steven King the master of macabre could not even contemplate the Machiavellian horrors devised by attorneys Roy Lustig and Steven Hertz (the husband of guardian Jacqueline Hertz) and others of their ilk who have **masterminded this guardianship probate racketeering scheme of theft** for years to the point where the problem has spread like wildfire and is endemic. One of the best exposes is reported by Marti Oakley, expert on guardian abuse in this YouTube that must be heard:

https://ppjg.files.wordpress.com/2014/05/reuse_oakley_062911.mp3

The 3rd DCA exposed Roy Lustig's fraud and corruption in the case of Leo's Gulf Liquors v. Lakhani No. 3D00-130, 802 So. 2d 337 (2001) where he was found guilty of fraud on the court, repeatedly lying under oath and perjury. Yet due to the failure of that Court to refer him to the State Attorney and the Florida Bar as reported by the Sun Sentinel, the Florida Bar did not take disciplinary action against him, in fact they have colluded with him in retaliation against me yet Lustig who engaged in misconduct so brazen that although courts rarely issue such rulings against an attorney, they found Lustig's conduct so abhorrent they issued a scathing opinion against him.

Due to the lack of prosecution by the Florida Bar or criminal authorities, he is unafraid of retribution and has now perfected his fraud on and in the court to terrorize and extort elderly adults. Lustig deliberately perjured a guardian report and fabricated pleadings in my case denying the life threatening condition of my mother thereby repeatedly placing my mother in grave danger all while Judge Genden aided and abetted and refused to take judicial action, instead retaliating against me and destroying my life to shut down my efforts to expose what is now fast becoming public knowledge.

Thus my mother, a once vital, healthy self-sufficient woman in need of only a short term financial guardianship was corralled into this vicious medically induced guardianship and now languishes in a disgusting nursing home, diapered, drugged, isolated, her stomach cut open to shove a feeding tube (a criminal battery) into her without need and she has almost died repeatedly. My mother has not eaten food or water in almost 2 years. These are hate crimes, crimes of ISIS terrorists posing as attorneys and judges and guardians. To remove and isolate an elderly woman from her daughter in the remaining years of her life is an act of malice and cruelty by someone devoid of morals. It is certainly not the act of a judge.

Jacqueline Hertz, now recently deceased was a master of this depraved human trafficking racket orchestrated in conjunction with Florida Bar members acting as Judges and Lawyers who are all involved in the feeding frenzy to rob family estates statewide.

When I reported and exposed alleged criminal acts to the Florida State Bar, the Judicial Conduct Commission and state and federal authorities, Genden in an monumental abuse of power, removed not only my access to the Court, but revamped the filing system to secret away the court documents from the public in violation of the Constitution to attempt to cover up the crimes of the probate Court and the Court appointed Guardians and Attorneys at Law.

My whistleblower complaint filed with the Supreme Court exposes this charade of justice and the incompetent system of having lawyers oversee the discipline of other lawyers and judges instead of having them independently investigated and criminally prosecuted. This self-regulating system is inherently conflicted and unconscionable and must be reformed by the use of independent investigatory agencies.

The cover up and whitewashing of violations of canons, ethics and crimes has exploded because there is no accountability and discipline. Christine Anderson, Esq. another whistleblower attorney in New York who was an insider in the disciplinary system attempted to expose the widespread corruption of the failed and criminal disciplinary system and she like myself was grossly retaliated against. Joanne Denison, Ken Ditkowsky and Lanre Amu exposed the corruption in Illinois and were suspended or disbarred. Other attorney whistleblowers across the country including Teddy Moore and Cole Stuart have been retaliatory disbarred or suspended for exposing the crimes of other lawyers and judges, their only crimes.

Wilfredo Ferrer, the Miami USDA said in an interview with Steven Kroft on 60 minutes that Miami is the most corrupt city in the country. Is this how the State of Florida wants to be identified?

1. Stripping an elderly adult of their Constitutional and civil rights, denying their due process, forcing them into medically induced guardianship, terrorizing and abusing them and extorting their assets and property while family members futilely try to free them, off their rights and stealing and extorting their family assets?
2. Protecting and covering up alleged crimes by so called "attorneys" and "judges" who operate a racketeering enterprise rife with corruption and fraud?. My mother confided to me on a recorded line that she was in fear of her life –that strange "aides" and other unknown persons from barely legitimate "care agencies" hired by Hertz and Lapidés were coming into her home every day, stealing her food, her money and drugging her until she was incoherent. These substandard agencies were used by these predators, Hertz and Lapidés to deprive my mother of quality care so her assets could be diverted to Hertz, Lapidés and Lustig.
3. Retaliating against many witnesses who saw and reported my mother's drugging, abuse, the deprivation of food and other heinous crimes? Michael Genden denied my mother the right to counsel to keep the racket under wraps and further denied me the right to independent counsel and to file Pro Se virtually stripping my rights to due process in his racketeering enterprise. Another Attorney at Law, Debra Rochlin exposed in an affidavit that Michael Genden threatened her to force her to cease representing my mother and myself or he would file a bar complaint against her. She was so fearful that she withdraw as counsel in fear of her livelihood, leaving her exposed to vicious retaliation and leaving my mother defenseless. Despite her withdrawal, Genden then viciously filed a Florida Bar Complaint against her in efforts to destroy her life as he has done mine and my mothers' and any party exposing his malice.
4. Enabling and covering up for a judge who is engaged in terrorist crimes against a vulnerable elderly woman and her daughter in a court that has descended into a terrorist enterprise?
5. Abetting a judge who isolates an elderly woman from her daughter and keeps her caged in a lock down unit where she is denied all visitors so she can be abused and extorted in secrecy? Please refer to the fraudulent invoices of these predators set forth in link on the enclosures.
6. Abetting a judge who issues orders that are a product of fraud, perjury and fabrication in order to defraud an elderly woman?
7. Abetting a judge who engages in extortion, threats, retaliation and knowingly and intentionally endangers the life of an elderly adult?
8. Abusing the Federal and appellate courts in the State of Florida that are presided over by Florida Bar members to cover up

and shield Michael Genden issuing brazenly irrational and retaliatory rulings that have no semblance of legitimacy. This is obvious in the “ruling” by Judge Kathleen Williams (apparently a “hand-picked” judge as she is familiarly referred to as “Kathy” by Genden and Lustig) wherein she stated in an order issued June 2, 2014 that even if Ms. Stone raised sufficient concerns about the danger to her mother, **she did not know how removing the guardians would alleviate that concern.**

There is not even a semblance of due process in any of my matters where emergency petitions are ignored, and judges are hand selected. The lack of due process is so open that an order was issued by one judge “hand-selecting” another conspiratorial judge to “preside” over the retaliatory “disbarment” of me, a retired attorney in direct violation of the rules that mandate blind assignment.

It should be obvious that in none of my lawsuits, appeals or other legal actions, THERE HAS NEVER BEEN AN EVIDENCIARY HEARING NOR HAS MICHAEL GENDEN EVER RESPONDED TO ANY OF THE ALLEGATIONS. Instead, there is a rush to deny my due process, obstruct my justice, and aid and abet Michael Genden to enable him to avoid accountability for his alleged criminal acts and violation of judicial canons and ethics.

What is apparent is that the Courts, the Prosecutors, the Judges, the Attorneys at Law involved are all working together to protect and cover up alleged crimes by so called “attorneys” and “judges” that operate a racketeering enterprise rife with corruption and fraud. Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community and the courts who fail to provide accountability and are tainting the legal process.

Judicial misconduct is running unchecked in all courts across the State of Florida, particularly in the very courts where families require the most protection—probate/guardian, family court, bankruptcy and foreclosure. Families are being destroyed by the very courts who should serve justice. Judges as in the case of my retaliatory disbarment are hand selected to silence reports of crime and misconduct. Lawyers and judges have fiduciary duties to insure the integrity of the judiciary and the legal system. A task force is urgently needed to address this tsunami of corruption/human trafficking.

Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community. The Federal and appellate courts who fail to provide accountability are subverting and perverting the legal process.

I came to Court to protect my mother. Instead we have been embroiled in a nightmarish vicious racket of criminal acts so depraved, they transcend comprehension.

This will request that Michael Genden be removed from the bench and an immediate independent investigation of these alleged criminal acts be commenced. Again, I provide you with the guardian playbook by which these crimes are committed and a request to return ethics, legitimacy and justice to the judiciary.

Sincerely,

Barbara Stone

I had expected you would investigate the crimes alleged against Michael Genden who is alleged to be engaged in heinous crimes of extortion, exploitation, holding my mother hostage and in grave danger instead of retaliating against me for exposing crimes as a mandated reporter under the Florida Bar Rules of Professional Conduct.

It would seem that Honorable Judges would not want their profession to be tainted by judges who use the courts to engage in **alleged criminal racketeering activity and financial fraud on the order of a PONZI SCAM involving guardianship abuse**. As you are aware the State of Florida and Governor Rick Scott are trying to reform this widely reported predatory crime that runs rampant in the legal and judicial system in the State of Florida Courts whereby Elderly adults are being abused and financially devastated through the misuse of the Court system by rogue and dangerous Attorneys at Law and Judges. This dirty "secret" of guardian abuse and exploitation is so rampant that one legislator referred to these predators as "cockroaches."

I brought my mother to "guardianship court" to protect her and Michael Genden and Roy Lustig and predator "guardians" masterminded a Machiavellian scam to steal my mother, strip her rights, drug and abuse her until she is incoherent and extort her assets. These predators then rabidly escalate, retaliate and attack me to silence me from exposing this diabolical racket and to **divert, avoid, evade, dodge, obstruct, block, impede, thwart, cover up the criminal response to their alleged crimes by attacking their accuser.**

I should be lauded for exposing the vile practice of terrorizing vulnerable adults in predator guardianships instead of attacked by vicious retaliation by judges no less.

It is hardly "judicial" for the State of Florida to maintain a practice through its

"probate/guardian" courts of slowly murdering vulnerable elderly adults by isolating them, depriving them of food, drugging them mercilessly until they are incoherent, removing them from their family so these crimes can be committed in secret, warehousing them in deplorable nursing homes and then retaliating against anyone trying to expose the crimes, including outstanding and long serving respectable members of the Florida Bar such as myself.

Please read the information attached herein. **These news stories and personal stories tell a tale of fraud and crimes and cover up in guardianship and probate courts so horrific that it is impossible to fathom. We are in a crises -reform cannot be instituted soon enough.** Steven King the master of macabre could not even contemplate the Machiavellian horrors devised by attorneys Roy Lustig and Steven Hertz (the husband of guardian Jacqueline Hertz) and others of their ilk who have **masterminded this guardianship probate racketeering scheme of theft** for years to the point where the problem has spread like wildfire and is endemic. One of the best exposes is reported by Marti Oakley, expert on guardian abuse in this YouTube that must be heard:

https://ppjg.files.wordpress.com/2014/05/reuse_oakley_062911.mp3

The 3rd DCA exposed Roy Lustig's fraud and corruption in the case of Leo's Gulf Liquors v. Lakhani No. 3D00-130, 802 So. 2d 337 (2001) where he was found guilty of fraud on the court, repeatedly lying under oath and perjury. Yet due to the failure of that Court to refer him to the State Attorney and the Florida Bar as reported by the Sun Sentinel, the Florida Bar did not take disciplinary action against him, in fact they have colluded with him in retaliation against me yet Lustig who engaged in misconduct so brazen that although courts rarely issue such rulings against an attorney, they found Lustig's conduct so abhorrent they issued a scathing opinion against him. Due to the lack of prosecution by the Florida Bar or criminal authorities, he is unafraid of retribution and has now perfected his fraud on and in the court to terrorize and extort elderly adults. Lustig deliberately perjured a guardian report and fabricated pleadings in my case denying the life threatening condition of my mother thereby repeatedly placing my mother in grave danger all while Judge Genden aided and abetted and refused to take judicial action, instead retaliating against me and destroying my life to shut down my efforts to expose what is now fast becoming public knowledge.

Thus my mother, a once vital, healthy self-sufficient woman in need of only a short term financial guardianship was corralled into this vicious medically induced guardianship and now languishes in a disgusting nursing home, diapered, drugged, isolated, her stomach cut open to shove a feeding tube (a criminal battery) into her without need and she has almost died repeatedly. My mother has not eaten food or water in almost 2 years. These are hate crimes, crimes of ISIS terrorists posing as attorneys and judges and guardians. To remove and isolate an elderly woman from her daughter in the remaining years of her life is an act of malice and cruelty by someone devoid of morals. It is certainly not the act of a judge. Jacqueline Hertz, now recently deceased was a master of this depraved human trafficking racket orchestrated in conjunction with Florida Bar members acting as Judges and Lawyers who are all involved in the feeding frenzy to rob family estates statewide.

When I reported and exposed alleged criminal acts to the Florida State Bar, the Judicial Conduct Commission and state and federal authorities, Genden in an monumental abuse of power, removed not only my access to the Court, but revamped the filing system to secret away the court

documents from the public in violation of the Constitution to attempt to cover up the crimes of the probate Court and the Court appointed Guardians and Attorneys at Law.

My whistleblower complaint filed with the Supreme Court exposes this charade of justice and the incompetent system of having lawyers oversee the discipline of other lawyers and judges instead of having them independently investigated and criminally prosecuted. This self-regulating system is inherently conflicted and unconscionable and must be reformed by the use of independent investigatory agencies.

The cover up and whitewashing of violations of canons, ethics and crimes has exploded because there is no accountability and discipline.

Christine Anderson, Esq. another whistleblower attorney in New York who was an insider in the disciplinary system attempted to expose the widespread corruption of the failed and criminal disciplinary system and she like myself was grossly retaliated against. Joanne Denison, Ken Ditkowsky and Lanre Amu exposed the corruption in Illinois and were suspended or disbarred. Other attorney whistleblowers across the country including Teddy Moore and Cole Stuart have been retaliatory disbarred or suspended for exposing the crimes of other lawyers and judges, their only crimes.

Wilfredo Ferrer, the Miami USDA said in an interview with Steven Kroft on 60 minutes that Miami is the most corrupt city in the country. Is this how the State of Florida wants to be identified?

1. Stripping an elderly adult of their Constitutional and civil rights, denying their due process, forcing them into medically induced guardianship, terrorizing and abusing them and extorting their assets and property while family members futilely try to free them, off their rights and stealing and extorting their family assets?

2. Protecting and covering up alleged crimes by so called “attorneys” and “judges” who operate a racketeering enterprise rife with corruption and fraud?. My mother confided to me on a recorded line that she was in fear of her life –that strange “aides” and other unknown persons from barely legitimate “care agencies” hired by Hertz and Lapidés were coming into her home every day, stealing her food, her money and drugging her until she was incoherent. These substandard agencies were used by these predators, Hertz and Lapidés to deprive my mother of quality care so her assets could be diverted to Hertz, Lapidés and Lustig.

3. Retaliating against many witnesses who saw and reported my mother’s drugging, abuse, the deprivation of food and other heinous crimes? Michael Genden denied my mother the right to counsel to keep the racket under wraps and further denied me the right to independent counsel and to file Pro Se virtually stripping my rights to due process in his racketeering enterprise. Another Attorney at Law, Debra Rochlin exposed in an affidavit that Michael Genden threatened her to force her to cease representing my mother and myself or he would file a bar complaint against her. She was so fearful that she withdraw as counsel in fear of her livelihood, leaving her exposed to vicious retaliation and leaving my mother defenseless. Despite her withdrawal, Genden then viciously filed a Florida Bar Complaint against her in efforts to destroy her life as he has done mine and my mothers’ and any party exposing his malice.

4. Enabling and covering up for a judge who is engaged in terrorist crimes against a vulnerable elderly woman and her daughter in a court that has descended into a terrorist enterprise?

5. Abetting a judge who isolates an elderly woman from her daughter and keeps her caged in a lock down unit where she is denied all visitors so she can be abused and extorted in secrecy? Please refer to the fraudulent invoices of these predators set forth in link on the enclosures.

6. Abetting a judge who issues orders that are a product of fraud, perjury and fabrication in order to defraud an elderly woman?

7. Abetting a judge who engages in extortion, threats, retaliation and knowingly and intentionally endangers the life of an elderly adult?

8. Abusing the Federal and appellate courts in the State of Florida that are presided over by Florida Bar members to cover up and shield Michael Genden issuing brazenly irrational and retaliatory rulings that have no semblance of legitimacy. This is obvious in the “ruling” by Judge Kathleen Williams (apparently a “hand-picked” judge as she is familiarly referred to as “Kathy” by Genden and Lustig) wherein she stated in an order issued June 2, 2014 that even if Ms. Stone raised sufficient concerns about the danger to her mother, **she did not know how removing the guardians would alleviate that concern.**

There is not even a semblance of due process in any of my matters where emergency petitions are ignored, and judges are hand selected. The lack of due process is so open that an order was issued by one judge “hand-selecting” another conspiratorial judge to “preside” over the retaliatory “disbarment” of me, a retired attorney in direct violation of the rules that mandate blind assignment.

It should be obvious that in none of my lawsuits, appeals or other legal actions, THERE HAS NEVER BEEN AN EVIDENCIARY HEARING NOR HAS MICHAEL GENDEN EVER RESPONDED TO ANY OF THE ALLEGATIONS. Instead, there is a rush to deny my due process, obstruct my justice, and aid and abet Michael Genden to enable him to avoid accountability for his alleged criminal acts and violation of judicial canons and ethics.

What is apparent is that the Courts, the Prosecutors, the Judges, the Attorneys at Law involved are all working together to protect and cover up alleged crimes by so called “attorneys” and “judges” that operate a racketeering enterprise rife with corruption and fraud. Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community and the courts who fail to provide accountability and are tainting the legal process.

Judicial misconduct is running unchecked in all courts across the State of Florida, particularly in the very courts where families require the most protection—probate/guardian, family court, bankruptcy and foreclosure. Families are being destroyed by the very courts who should serve justice. Judges as in the case of my retaliatory disbarment are hand selected to silence reports of crime and misconduct. Lawyers and judges have fiduciary duties to insure the integrity of the judiciary and the legal system. A task force is urgently needed to address this tsunami of corruption/human trafficking.

Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community. The Federal and appellate courts who fail to provide accountability are subverting and perverting the legal process.

I came to Court to protect my mother. Instead we have been embroiled in a nightmarish vicious racket of criminal acts so depraved, they transcend comprehension.

This will request that Michael Genden be removed from the bench and an immediate independent investigation of these alleged criminal acts be commenced. Again, I provide you with the guardian playbook by which these crimes are committed and a request to return ethics, legitimacy and justice to the judiciary.

Sincerely,

Barbara Stone

Florida Judge, Judge L. Phillips RULES to not disqualify himself? WOW, is that Lawful? Ethical? What is Judge Phillips up to, I mean its been many years right and Ted Bernstein and his Cronies have run off with the money, forged documents and yet all are NOT in Jail and NOTHING happens in the Case.

Yet Judge JOHN L PHILLIPS wants to continue being the Judge in all these cases? Why? He is not doing anything to move them forward and sure seems to be aiding and abetting criminals. Umm and the OBVIOUS is, it is NOT legal for Judge Philips to rule on his disqualification. A higher Judge has to do that, been there many times. So what is the not so honorable Judge John Philips up to? Hmmm..

Here is Eliot Bernstein's motion to Disqualify Florida Circuit Judge, Click Below to Read <https://drive.google.com/file/d/0Bzn2NurXrSkiTVMyMmlwSFpzS1U/view?usp=sharing>

Here is Florida Judge, Judge John Philips ruling on his own disqualification. Gee YEP he ruled to keep himself as judge of a case that has been deliberately, maliciously, unethically, unconstitutionally and illegally stalled for years. All the while the Bad Guys sell off assets and move on with their life, and the Bad Guy attorneys continue to violate the constitutional rights of other clients in Florida. All while Bad Judges, such as Judge Colin and Judge Philips look the other way to aid and abet them.

Investigative Blogger Crystal Cox THINKS it is time to File a Lien against ALL the Judges involved in the massive fraud on the courts, property theft, forgery, and constitutional rights violating case of the Shirley Bernstein Estate and Simon Bernstein Estate going on now in the Florida Probate Courts and involving Judge Martin Colin, Judge David French, Judge Charles E. Burton, Judge David Crow and possible the Sheriff of Palm County Florida.

Let's take a look at your rights to PUT a lien on a Judge or Sheriff.

Information on filing a lien against a bond of a Judge.

I believe state officers are required by statute or by the head of any state department to secure and give a fidelity bond, a bond that ensures their actions.

It is my understanding that if you feel a Judge is corrupt or is not upholding the law or your constitutional rights, you Can You File A Lien Against His Bond On File In Order To Force Him To Do His JOB.

If a judge wants to play "god" in the courtroom, and totally ignore the rules of law and your constitutional rights. I believe you can file a lien upon his bond in order to force him into complying with the law. As it sure seems the Judge and Sheriff are neglecting their duties and neglecting their court.

If a Judge is "railroading" you, clearly acting outside of the laws of the United States and the State of Florida, then it is my understanding that you certainly can file a lien against this judge for his total ignoring of law and violating your rights of due process and constitutional rights.

It is my understand that a judge and a Sheriff cannot work in their job if they cant get bonded.

So why NOT file your Proof of Corruption AND the UnEthical, UnConstitutional, and UnLawful actions of the Judges in this case as a LIEN against their BOND?

Tips, Information and Laws on How to File a Lien against a Judges Surety Bond in Florida

It is my understanding that when you file a lien against a public servant the lien holder/ins company does an investigation, thus they must see proof as to the validity of the lien. In the Simon Bernstein and Shirley Bernstein Estate we see clear evidence of fraud, forgery and attorneys seem to be conspiring with Judges, or so it looks that way from what I have read.

We see clearly that these attorneys and Ted Bernstein conspired with or are connected to Kimberley Moran of Tescher and Spallina law firm to have it look as if Simon Bernstein signed documents, and had them notarized at Tescher & Spallina Law Firm with Kimberley Moran AFTER HE DIED.

This evidence is clear, it is on court dockets, in hearing transcripts, on Governor complaints and rulings, on sheriff reports and yet Judge Martin Colin and other Judges in this case seem to be protecting estate and probate law firm Tescher & Spallina and Boca Raton Insurance Company Life Insurance Concepts, Ted Bernstein.

Palm Beach Cour Investigation,

BATES NO. EIB 000138 Filed in Palm Beach 02/27/2017

Judge Martin Colin

Palm County Florida Sheriff

Ted Bernstein

This is all connected to the multi-Billion dollar legal action of the iViewit technology case and I myself believe that these judges are favoring what looks to be corrupt lawyers and they may possibly be getting a kick back as there is plenty of money to be had in this case, as we have previously seen from the iViewit case naming all of this same parties and worth 100's of BILLIONS. I believe the Judges involved in the Simon Bernstein and Shirley Bernstein Estate forgery and fraud case have violated title 42 USC code. I also believe they have ALL violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and have violated human and civil rights of the victims of this case.

**A GUIDE TO CIVIL RIGHTS LIABILITY UNDER 42 U.S.C. § 1983:

If Judge Martin Colin appointed Ted Bernstein executor of the Simon Bernstein state after he knew of clear forgery and fraud on the courts and crimes against the true heirs of the Simon Bernstein, and Shirley Bernstein Estate, is Judge Martin Colin liable for the financial damage and hardship that his rulings outside of law and the constitutional rights of those in his court?

Did Judge Martin Colin require a probate bond in this case where millions are at stake and there is massive fraud, estate assets sold off and stolen?

Do laws in the State of Florida require the executor of an estate to provide a probate bond to the courts? Probate bonds will guarantee that executors of the estate will not alter or damage the estate. Did Judge Martin Collin require a probate bonds in this case?

Did Tescher & Spallina provide a probate bond? This is a rather large estate and assets over a million dollars each have already been SOLD off, by what looks like the fraudulent activity of Ted Bernstein conspiring with Donald Tescher and Rober Spallina of Tescher & Spallina.

Are there any laws or ways to uphold the estate and probate law in Florida when someone dies and their own attorneys and estranged offspring loot their estate?

Also in this there was a condo already sold for over a million that may have undersold for a million, this involved a buyer named Wesley Voorheis, who I believe made a deal of some kind to get the property for at least a million less then it was worth, by way of some shady dealings with Life Insurance Concepts and Ted Bernstein, just how I see it.

Note: I am a REAL ESTATE Forensics EXPERT, I do not claim to know fully Florida Law. However, this property SOLD via Old Republic National Title Insurance Company, and had Title Insurance insuring that it was SOLD by the property own and there sure seems to be some fraudulent actions here in my opinion, here is my report and opinion on the Shirley Bernstein Condo Sale.

https://docs.google.com/document/d/1hjawnPI4EXpNOL8oZ33Pmpirng3073da5_i0iVlQtw/edit

It appears to me that Gregory Gefen of Signature ALL REGENCY TITLE COMPANY, Signature Title Group knowingly allowed Ted Bernstein to steal a 1.6 million dollar property, just how I see it.

So Is Wesley Voorheis a Proxy for Ted Bernstein?
<http://tedbernsteinreport.blogspot.com/2013/08/do-we-have-banking-and-mortgage-fraud.html>

Did Wesley Voorheis of move this asset out of the country for Tescher and Spallina, Ted Bernstein or ?

G. Wesley Veorheis seems to be the same Wesley Veorheis Chairman of Hudbay Minerals Inc., Director at Granite Real Estate Inc., Managing Director of VC & Co. I fully believe, in my opinion that the above sale involved mortgage fraud, title insurance fraud and banking fraud at least. It also seems that the Bank of Montreal is somehow connected to all this, in what sure seems to me to be white collar crime.

How in the world did what seems to be a Canadian Resident, Wesley Voorheis, get a single Family Fannie Mae loan on a condo of this value in FLORIDA? Is this a primary resident? Is this Fannie Mae FRAUD? Surely Fannie Mae, Wesley Voorheis, BMO Harris Bank N.A., and Steve Paraggua know about the fraud and forgery in connection with all of this.

Here is the Mortgage Document I am commenting on;
<https://docs.google.com/file/d/0Bzn2NurXrSkiQjlmSmRoXJBdHc/edit>

I personally believe that Ted Bernstein of Life Insurance Concepts did some deal to hide this asset from the rightful heirs, either with Wesley Voorhei knowing or not knowingly conspiring, just my opinion.

A bit more on this Condo Sale

<http://tedbernsteinreport.blogspot.com/2013/08/ted-bernstein-life-insurance-concepts.html>

Note: Look at this Insurance company also questioning issues of these Estates, yet the Judges involved are "playing dumb". There is so many layers to all this, meanwhile the victims of all this, in this moment are children and are the heirs of the estate, in which Tescher and Spallina seem to have VIOLATED the wishes of their now deceased clients.

Judge David Crow, Judge in Kimberly Moran Case

So can the True and Correct lawful heirs of the Simon Bernstein, and Shirley Bernstein Estate file a lien against the Judges and Sheriff involved, as there are some pretty hefty price tags on these assets and I believe these judges now have some liability.

Folks, pay attention to this case as many of your parents, grandparents move to Florida, many of you in Florida over a lifetime; you work your whole life, pay your attorneys to carry out your wishes and the commit forgery having documents signed by you AFTER YOU DIE, and Florida Judges such as Judge Charles E. Burton, Judge David Crow and estate and probate Judges such as Judge Martin Colin and Judge David French, as well as the Sheriff of Palm County Florida should be liable for any action that violated the constitutional rights of the victims of this case or did not uphold the oath of their office.

It looks to me, in my Opinion, as if these Judges and the Sheriff violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and 28 U.S.C. 455.

And I think that Victims of these Judges should file a Lien against their Bond.

Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he favors and having conflicts of interest. Judge Martin Colin should have walked away from the Simon Bernstein Estate Case and the Shirley Bernstein Estate Case long Ago.

"The self-proclaimed adopted son of the late mob boss John Gotti, Kasman didn't like the way the Gambino crime family treated him after the Dapper Don died in prison in 2002. So the 51-year-old Boca Raton man strapped on an FBI wire and spilled information that in February helped the feds build criminal cases against 62 reputed New York mobsters.

Now Kasman has his sights set on a much less notorious target: Palm Beach County Family Court Judge Martin Colin.

Using court decisions that grew out of a long-running legal battle among Colin and his wife and her ex-husband, Kasman is on a tear to have the judge thrown out of office and get longtime Democratic power broker and attorney Henry Handler disbarred...

When the Judicial Qualifications Commission, which disciplines judges, meets in mid-July, it will consider claims from Kasman and at least two other men that the judge dished out favors to attorneys who represented his wife in her divorce. Similar allegations have been raised in a strange and tortuous legal battle that went all the way to the Florida Supreme Court. The Florida Department of Law Enforcement has investigated as well.

Colin and attorneys embroiled in the quagmire dismiss allegations that a conspiracy was afoot to tip the scales of justice against Kasman or anyone else."

"During the protracted divorce that chewed through at least five judges, Lewis Kasman accused one of them - Palm Beach County Circuit Judge Martin Colin - of failing to reveal his ties to the firm. Weiss Handler briefly represented Colin's wife in her divorce from a previous husband. While Colin had been ordered by the Fourth District Court of Appeal to tell litigants who came before him about his wife's connection to the firm, he didn't tell Lewis Kasman."

Why is Judge Martin Colin of Boca Raton Florida still presiding over the Simon Bernstein Estate Case and the Shirley Bernstein Estate Case?

Judge Martin Colin knows of fraud, forgery, possible murder and claimed he "should" read the attorneys involved their Miranda Rights but still no one has a criminal investigation and on top of that Judge Martin Colin is letting these attorneys still have a say in these estates knowing full well that have committed crimes.

Judge Martin Colin knows that officers of his court, attorneys, and law firms have committed crimes yet he lets them have a say in who gets to be the personal representative in these estates. And seems to be planning to use some "Hat Trick Method", a law it seems he made up, in order to pick this powerful position over these estate matters.

Judge Martin Colin knows full well that these guys have acted illegally, so why would he still give them power in this case.

Judge Martin Colin knows that John J. Pankauski has massive conflicts of interest yet lets this lawyer have a say in these matters, knowing full well that John J. Pankauski is violating attorney client privilege, has misled Eliot Bernstein to get personal information, strategy in the case, and proprietary information in this case to then use against Eliot Bernstein acting as counsel

6/4/2014 the Ted Bernstein Report by Investigative Blogger Crystal L. Cox Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he fa... to the opposition.

Judge Martin Colin knows that John J. Pankauski SHOULD not even be allowed in the court room on this, so why is Judge Martin Colin letting all this still go on?

Why is Judge Martin Colin letting a clearly conflicted John J. Pankauski of Pankauski Law Firm get to pick a possible PR in this matter? Is this Legal? I say it is not LEGAL, as far as I see it and certainly there is no law that conflicts checks, due diligence and judicial duty in estate cases is about putting NAMES IN A HAT. This is ludicrous at best.

All of these crimes CLEARLY happened in Judge Martin Colin's court, yet he does not report the crimes, seems to do nothing to bring justice to these rogue and lawless lawyers and now Judge Martin Colin is a material witness to all this, and still does nothing and refuses to remove himself from these proceedings, WHY?

Who PROTECTS Judge Martin Colin to act completely outside of the Law?

The above articles seems to be saying that Judge Martin Colin is connected to the mob, abuses his judicial power to favor attorneys he likes, and blatantly ignores conflicts of interest.

Its the Law that Judge Martin Colin must reclude himself if he has a conflict, yet Judge Martin Colin refuses to remove himself and also rules on this matter himself, which is not lawful I have seen this in many courts, and the superior Judge rules on this motion, NOT the Judge who the litigant is asking to be removed. This is not LAWFUL.

HERE is a Bit on Judicial Laws and Judicial Disqualification

"According to, Judicial Disqualification: An Analysis of Federal Law, Second Edition, Charles Gardner Geyh, Associate Dean of Research, John F. Kimberling Professor of Law, Indiana University Maurer School of Law, a Federal Judicial Center Publication;

"For centuries, impartiality has been a defining feature of the Anglo-American judge's role in the administration of justice.

The reason is clear: in a constitutional order grounded in the rule of law, it is imperative that judges make decisions according to law, unclouded by personal bias or conflicts of interest.

Accordingly, upon ascending the bench, every federal judge takes an oath to "faithfully and impartially discharge and perform all the duties" of judicial office; and the Due Process Clause of the Fourteenth Amendment to the United States Constitution has been construed to guarantee litigants the right to a "neutral and detached," or impartial, judge.

Moreover, in a democratic republic in which the legitimacy of government depends on the consent and approval of the governed, public confidence in the administration of justice is indispensable.

It is not enough that judges be impartial; the public must perceive them to be so.

The Code of Conduct for United States Judges therefore admonishes judges to "act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary" and to "avoid impropriety and the appearance of impropriety in all activities"

"When the impartiality of a judge is in doubt, the appropriate remedy is to disqualify that judge from hearing further proceedings in the matter.

In Caperton v. A.T. Massey Coal Co., a case concerning disqualification of a state supreme court justice, the U.S. Supreme Court reaffirmed that litigants have a due process right to an impartial judge, and that under circumstances in which judicial bias was probable, due process required disqualification. The Court noted, however, that disqualification rules may be and often are more rigorous than the Due Process Clause requires.

So it is with disqualification requirements for federal judges, which require disqualification when a judge's impartiality "might reasonably be questioned."

(a) Any justice, judge, or magistrate judge of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned.

(b) He shall also disqualify himself in the following circumstances:

(1) Where he has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding;

(2) Where in private practice he served as lawyer in the matter in controversy, or a lawyer with whom he previously practiced law served during such association as a lawyer concerning the matter, or the judge or such lawyer has been a material witness concerning it;

(3) Where he has served in governmental employment and in such capacity participated as counsel, adviser or material witness concerning the proceeding or expressed an opinion concerning the merits of the particular case in controversy;

(4) He knows that he, individually or as a fiduciary, or his spouse or minor child residing in his household, has a financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding;

(5) He or his spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

(i) Is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) Is acting as a lawyer in the proceeding;

(iii) Is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding;

(iv) Is to the judge's knowledge likely to be a material witness in the proceeding.

(c) A judge should inform himself about his personal and fiduciary financial interests, and make a reasonable effort to inform himself about the personal financial interests of his spouse and minor children residing in his household. 10 Judicial Disqualification: An Analysis of Federal Law

(d) For the purposes of this section the following words or phrases shall have the meaning indicated:

(1) "proceeding" includes pretrial, trial, appellate review, or other stages of litigation;

(2) the degree of relationship is calculated according to the civil law system;

(3) "fiduciary" includes such relationships as executor, administrator, trustee, and guardian;

(4) "financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, adviser, or other active participant in the affairs of a party, except that:

(i) Ownership in a mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the judge participates in the management of the fund;

(ii) An office in an educational, religious, charitable, fraternal, or civic organization is not a "financial interest" in securities held by the organization;

(iii) The proprietary interest of a policyholder in a mutual insurance company, of a depositor in a mutual savings association, or a similar proprietary interest, is a "financial interest" in the organization only if the outcome of the proceeding could substantially affect the value of the interest;

(iv) Ownership of government securities is a "financial interest" in the issuer only if the outcome of the proceeding could substantially affect the value of the

securities.

(e) No justice, judge, or magistrate judge shall accept from the parties to the proceeding a waiver of any ground for disqualification enumerated in subsection (b). Where the ground for disqualification arises only under subsection (a), waiver may be accepted provided it is preceded by a full disclosure on the record of the basis for disqualification.

(f) Notwithstanding the preceding provisions of this section, if any justice, judge, magistrate judge, or bankruptcy judge to whom a matter has been assigned would be disqualified, after substantial judicial time has been devoted to the matter, because of the appearance or discovery, after the matter was assigned to him or her, that he or she individually or as a fiduciary, or his or her spouse or minor child residing in his or her household, has a financial interest in a party (other than an interest that could be substantially affected by the outcome), disqualification is not required if the justice, judge, magistrate judge, bankruptcy judge, spouse or minor child, as the case may be, divests himself or herself of the interest that provides the grounds for the disqualification.

Sections (a) and (b) occupy the core of § 455 and should be read together. The two sections divide the universe of disqualification into two halves: the general, catch-all category of § 455(a), which requires disqualification from any proceeding in which a judge's "impartiality might reasonably be questioned"; and a list of more specific grounds for disqualification in § (b).

The remainder of § 455 is directed at implementing §§ (a) and (b):

- Section (c) admonishes judges to keep abreast of their financial interests to ensure that they know when to disqualify themselves under § 455(b)(4).
- Section (d) defines terms employed in §§ (a) and (b).
- Section (e) provides parties with a limited opportunity to waive disqualification otherwise required by the catch-all § (a)—typically where the judge is poised to disqualify himself or herself sua sponte—but does not permit the parties to waive disqualification required by the more specific provisions of § (b).
- Section (f) provides a limited opportunity for judges to avoid the need to disqualify themselves for financial interest under § (b)(4) through divestiture.

2. Interpretive ground rules

a. Interpreting § 455(a) in relation to § 455(b)

As embodied in § 455, §§ (a) and (b) are conceptually separate.

Section (a) compels disqualification for the appearance of partiality, while § (b) "also" compels disqualification for bias, financial interest, and other specific grounds. In contrast, the Model Code of Judicial Conduct—after which § 455 was originally modeled—and the current Code of Conduct for United States Judges unify the two halves conceptually by characterizing the specific grounds for disqualification as a nonexclusive subset of circumstances in which a judge's impartiality might reasonably be questioned.

For the most part, this may be a distinction without a difference—disqualification is required if the specific or general provisions are triggered, regardless of whether the specific provisions are characterized as a subset of or separate from the general.

On the other hand, by conceptualizing them separately, § 455 can require disqualification under specific circumstances enumerated in § (b) that might not reasonably be characterized as calling a judge's impartiality into question under § (a). For example, § (b)(4) requires judges to disqualify themselves for financial interest "however small," which necessarily includes an interest so small that it could not reasonably call the judge's impartiality into question.

Any circumstance in which a judge's impartiality might reasonably be questioned under § (a) requires disqualification, even if the circumstance is not enumerated in § 455(b).

At the same time, when § 455(b) identifies a particular situation requiring disqualification, it will tend to control any § 455

(a) analysis with respect to that specific situation. For example, §455(b)(5) requires disqualification when one of the parties is within the third degree of relationship to the judge. Consequently, a fourth-degree relationship to a party does not by itself create an appearance of partiality requiring disqualification under § 455(a)—although disqualification under § 455(a) might still be appropriate if, for example, the judge's personal relationship with the fourth-degree relative was so close as to call the judge's impartiality into question. As the Supreme Court explained, "[s]ection 455(b)(5), which addresses the matter of relationship specifically, ends the disability at the thirddegree of relationship, and that should obviously govern for purposes of § 455(a) as well."

The 1974 amendments to § 455, however, shifted the balance by requiring disqualification whenever a judge's impartiality "might" reasonably be questioned, and the legislative history made clear that in revising the statute, Congress sought to end the "duty to sit".

6/4/2014 the Ted Bernstein Report by Investigative Blogger Crystal L. Cox Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he fa...

“When Congress amended § 455(a), it made clear that judges should apply an objective standard in determining whether to disqualify. A judge contemplating disqualification under § 455(a), then, should not ask whether he or she believes he or she is capable of impartially presiding over the case.

Rather, the question is whether a judge’s impartiality might be questioned from the perspective of a reasonable person, and every circuit has adopted some version of the “reasonable person” standard to answer this question.

In the context of denying a motion for his disqualification from *Cheney v. United States District Court for the District of Columbia*, Justice Scalia noted that this reasonable person is aware “of all the surrounding facts and circumstances.” The Second Circuit has characterized the reasonable person as an “objective, disinterested observer” who is privy to full knowledge of the surrounding circumstances.”

...
“The question has sometimes arisen as to whether the standard for disqualification differs in a bench trial where the judge’s role is even more pivotal than in a jury trial. In *Alexander v. Primerica Holdings, Inc.*, the court of appeals said: “We cannot overlook the fact that this is a non-jury case, and that [the judge] will be deciding each and every substantive issue at trial When the judge is the actual trier of fact, the need to preserve the appearance of impartiality is especially pronounced”

Pursuant to 28 U.S.C. 455, and upon examination of the record, I, Personally believe that Judge Martin Colin is NOT impartial and is violating the constitutional and lawful rights of the victims in this case.”

<http://www.law.cornell.edu/uscode/text/28/455>

Judge Martin Colin SHOULD NOT, as a matter of law and the duties of his Judicial Office, be RULING on a Motion to NOT exclude HIMSELF. This is unethical, unconstitutional and sure seems to me to be illegal.

Written Upon Knowledge and Belief of Crystal L. Cox

7020 Lions Head Lane Boca Raton. Real Estate Buyers have a Legal Right to have FULL DISCLOSURE. Buyer Be AWARE.

Why Does Alan Rose Want to HIDE the TRUTH from the Buyers of this Property?

Why Does Judge Martin Colin Think it is ok to HIDE the Truth From Real Estate Consumers?

It is NOT ok for a Real Estate Broker, a Seller or a JUDGE to HIDE Known Facts about a Real Estate Transaction from a Real Estate Consumer. PERIOD.

Assets seem to have been stolen long ago. The property has been left to be run down. The courts simply do nothing to protect this asset and now a buyer is to get in the middle of it mess? I have been a real estate broker, owner of my own company for 15 year and a Real Estate Advocate for Real Estate Buyers. I would not go anywhere near this property until the estate is REALLY Legally Settled. Check out the transcript below as attorney Alan Rose whines and cries to PREVENT disclosure to the Real Estate Consumer.

Judge Martin Colin has no LEGAL Reason, as a matter of LAW to withhold to a real estate buyer that the property is in litigation, this is a violation of the BUYERS Rights, and again the LAW PERIOD.

John Poletto, a real estate broker in Florida seems to have no issue with hiding know facts from buyers. The law is that latent defects, lawsuits, and anything that can harm a buye MUST be disclosed so why is the Florida Courts allowing this cover up that will cause BUYERS massive headache, stress and legal liability.

<https://drive.google.com/file/d/0Bzn2NurXrSkiVUFCVZKb1YtWnM/view?usp=sharing>

I am a Broker, a Real Estate Advocate, a Real Estate Whistleblower and I have owned my own real estate company for over 15 years. Check out the Transcript below as you see a JUDGE, and several attorneys seem to conspire to aid and abet a real estate sale and NOT disclose to BUYERS that they may spend years in litigation down the road after they have fixed up a place that Ted Bernstein let run down as a BAD PR for the property.

It is NOT ok for a JUDGE to want to hide this litigation from BUYERS. It is not lawful nor morally ethically for Judge Martin Colin to NOT want BUYERS to know when this affects their VERY life, the life of their children and their quality of life in EVERY WAY.

SHAME SHAME on this JUDGE.

Really, Look Below, this document clearly shows this JUDGE ranting about YOU, the Real Estate Consumer NOT having a right to know what the Real Estate Seller and the Real Estate Broker KNOW and by law have to disclose. WOW.

Investigative Blogger Crystal Cox Alleges that Ted Bernstein is behind the Botox scheme, used her services and KNEW full well that she was not a nurse. Investigative Blogger Cryst: Cox Alleges that Ted Bernstein this is in connection with other insurance and high finance scams in which Ted Bernstein of Boca Raton Florida may be involved int.

"Boca woman arrested after police say she offered botox, told people she was a nurse

"BOCA RATON, Fla. - The Florida Department of Health's Investigative Services Unit- West Palm Beach, announced that their joint investigation with the City of Boca Raton Police Department and the Florida Department of Corrections has led to the arrest of Sheri Goldman for the unlicensed practice of a health care profession, which is a third degree felony punishable by up to five years in jail. Goldman was also arrested for violation of probation based on a previous arrest for unlicensed activity in Palm Beach County.

The joint operation was conducted after the City of Boca Raton Police Department received an anonymous complaint that Sheri Goldman was offering Botox injections and claiming be a nurse.

Authorities say Goldman is not licensed to perform any health care profession within the state of Florida. After a joint undercover operation with the listed agencies at Goldman's place of business, Beauty & Balance, she claimed to be an "OR nurse." In addition, a search of the website www.groupon.com revealed she was posing as a "surgical nurse" according to investigators.

DOH has several resources to combat unlicensed activity: Consumers are encouraged to use DOH's Web site www.flhealthsource.com where they can view the license information o their health care practitioner.

7020 Lions Head Lane Boca Raton Florida - Buyer Do your Diligence

Written by Real Estate Whistleblower and Real Estate Consumer Advocate, Investigative Blogger Crystal Cox.

Simon Bernstein Irrevocable Insurance Trust Dtd 6/21/95 v. Heritage Union Life Insurance Company; Insurance Fraud, Forged Documents, Murder Allegations, No Policy and Millions Paid.

Note: All Cases on this property INVOLVE property located at 7020 Lions Head Lane Boca Ratonl, Florida, 2494 S Ocean Blvd, Apt C5, Boca Raton, FL 33432, and 880 Berkley St. Boca Raton. These properties are tied up in multi-millions in litigation and they don't want potential buyers to know. Do your homework folks. As a, what seems to be corrupt, lawless or just ignorant Florida Probate Judge is ordering that you, the REAL Estate Buyer NOT be told (DISCLOSED) as to what will inevitably affect your life.

The Ocean Blvd property was SOLD, I believe through a fraudulent residential loan. As it is clearly and investment property and the buyer does not even live in the country. I believe the buyer is friends with Ted Bemstein or associates, and is connected to the lender and others acting in Civil Conspiracy regarding buying this property with little mney down, a low interest residential loan out of Illinois and then profiting tax free acting as if it's a primary resident instead of an investment property.

Meanwhile in Judge Colin's Court in Palm County Florida there is massive crimes and cover up and Judge Martin Colin seems to want to sweep it all under the rug and get it out of the Illinois courts where Justice may be served.

Judge Martin Colin seems to be involved in a Probate Attorney Protection racket, and the victims are children and other innocent citizens. Meanwhile years go by and properties are run down, stolen, sold. .. money disappears, jewelry gone, and so much admitted fraud and forgery AND Judge Martin Colin DOES nothing.

Ted Bernstein pays for an attorney with Estate money and seems to pay for his own life, while other heirs have no attorney, no rights and some are minors. Judge Martin Colin has clearly broken the law and violated constitutional rights and seems to believe he is so connected (probably to Labarga and others from his Prosecutor job) that he will never face prison or any kind of justice. I say he is wrong and that one day someone will bring Judge Martin Colin to Justice.

Attorney Robert Spallina, protected by Judge Martin Colin (in my opinion) tried to collect 2 million in life insurance. The alleged policy holder with NO POLICY, looks to have been murdered. So why is Jackson National Insurance Company NOT investigating this matter?

Here is the Letter Robert Spallina, Florida Probate attorney sent to try and collect the millions.

"Dear Sir or Madam: Enclosed is the Claimant's Statement for the above referenced policy. together with an original Death Certificate for the insured, Simon Bernstein, .

We are also enclosing a copy of Internal Revenue Service Form SS-4, Application for Employer Identification Number for the Simon Bernstein Irrevocable Insurance Trust June 1. 1995, which is the trust listed as beneficiary of the above referenced policy.

We will provide wiring instructions for the trust bank account when you have processed the claim, if possible, in lieu of a check. Finally, we are enclosing a copy of the obituary for the decedent which was published in the Palm Beach Post.

We are unable to locate a copy of the original insurance policy.

If you have any questions with regard to the foregoing, please do not hesitate to contact me.

The Lasalle National Trust and C/O Robert Spallina Mystery

"Bates #JCK001262, is a letter regarding the filing of a claim dated October 09, 2012, sent from HERITAGE to SPALLINA with SPALLINA addressed as "LASALLE NATIONAL TRUST N.A. TRUSTEE C/O ROBERT SPALLINA, ATTORNEY AT LAW" address "4855 TECHNOLOGY WAY STE 720 BOCA RATON FL 33431" and the Letter starts "Dear Trustee."

"LaSalle National Trust, N.A." seems to basically be a national holding company, via big title companies and banks and simply a way to convey property, assets, holdings and real estate. Thing is what instrument gave Spallina the right to be the Trustee in the Simon Bernstein estate in this regard?

What was Robert Spallina really up to, using this huge company name and having documents sent to him directly? Or wanting to collect on the Heritage Union Life Insurance Company / Jackson National Life Insurance Company Policy, or lack of policy?

Seems to me that "LaSalle National Trust, N.A.", the real one, has a major claim against Tescher and Spallina unless Robert Spallina was acting with their authority???

"SPALLINA acting as both the TRUSTEE of "LaSalle National Trust, N.A." and as Trustee of the Lost or Suppressed Trust, HERITAGE would have to legally pay him as either the Primary or the Contingent Beneficiary in his fraudulent Legal and Fiduciary roles. "

If Robert Spallina claimed to speak for LaSalle National Trust then is this connect to Chicago Title Company, and perhaps real estate shady dealings involving Greg Geffen in Florida? Hmm...

Chicago Title is a pretty big deal in Title Insurance. I have owned my own real estate company for 14 years, and well um.. how is Spallina trying to pull off that he is successor trustee or whatever mumbo jumbo he was trying to pull off?

Did Robert Spallina real say he was speaking for Lasalle? really? Employee fund, real estate, SEC, how in the world is Spallina speaking for Lasalle? call me Confused.

Ok so we have a mortgage broker, banker out of Illinois, a lender out of Arizona, a property in Florida and a buyer in Ontario Canada. And we have a single family residential loan?? REALLY ??

I, Real Estate Expert and advocate Crystal L. Cox say that there is mortgage fraud involved in the sale of the above property, as well as no clear titles, SOLD by someone who had no legal right to sell, has title insurance fraud, RESPA violations and much more.

It says second home, so maybe its legit. But hmm now it's a million more? I say that Broker John Poletto and Ted Bernstein are in on a million dollar scam with the lender and the buyer to dupe the real and true, legal heirs.

What if a buyer knew that they were buying a property from someone who did not have the legal right to sell, and they got a loan like this? Hmm.. all kinds of trouble I'd say.

I know Florida law is different, however, I have never seen a title agent sign on a loan document such as this. Did Title Agent, Florida Attorney Greg Gefen get kickback from this mortgage? On the title insurance? Did Ted Bernstein? Hmm..

Gregory S. Gefen, John Poletto, Judge Martin Colin, Ted Bernstein and more seem to be involved in massive real estate fraud, forgery and cover up.

" **Real Estate Forensics Report / Fraud Analysis:** Shirley Bernstein Condo Sale

Real Estate Warranty Deed Transaction Date: April 18th 2013

Prepared by: Gregory S. Gefen, PA

File Number U13-412

Recorded: 05/06/2013

Palm Beach County, Florida

AMT 1,600,000

Doc Stamp 11,200

Pages 1029 - 1031;

The Following report is my Professional Opinion and advice based on 13 years as a Real Estate Broker Owner, and Currently owning a Real Estate Consulting and Real Estate Forensics Firm. This report is written upon the knowledge and information of Crystal L. Cox, Broker.

Notes on Trustee Affidavit

Regarding Warranty Deed prepared by Gregory S. Geffen, PA, File Number: U13-412

This recorded document now seems to be the only recorded documents regarding Ted Bernstein having Seller or Grantor rights in this matter. Before this closing, there appears to be no legal record, as a matter of law in which proves Ted Bernstein of having legal rights to sell subject property.

It appears to me that this real estate transaction is fraudulent, and that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have a liability to the buyer in this transaction and to the true and correct heirs of the Shirley Bernstein Estate.

I would tell the Title Company to show you the legal documentation they have that gave them the legal right to allow Ted Bernstein to sell this Condo, to sign as the Seller, Grantor of said Property?

It is my understanding that the Shirley Bernstein Trust Agreement does not state that Ted Bernstein is the executor. Or at least I see no proof provided in the closing documents in which the title company filed in the closing of this 1.6 Million dollar sale, that would give Ted Bernstein a legal right to be the "Grantor" of said property.

What documentation did the title company have that gave them the legal right to let Ted Bernstein sell this real estate? What documentation did the title company have that justified providing a title insurance policy on a 1.6 Million dollar real estate sale, that insured to the buyer, that Ted Bernstein was the legal Grantor / Seller in this sale?

Ted Bernstein swore that the trust had not been revoked or terminated And that the the vesting Deed was

BATES NO. EIB 000159
02/27/2017

recorded that provides the trustee with the full power of sale and that the subject transaction will not violate the trust. Yet there is no court documents, no judicial ruling that provides legal proof that Ted Bernstein is the person that gets to speak on behalf of the Shirley Bernstein estate.

There seems to have been no probate nor judicial order appointing Ted Bernstein as executor, successor of the Shirley Bernstein estate. So why would this title company guarantee title with no legal documents proving such and allow a \$1.6 million dollar real estate transaction and provide title policy on said property?

As a real estate broker, I would not let Ted Bernstein sign a listing on this property, as there is no documentation that he has Sellers rights and this would be a violation of law.

Ted Bernstein Had no legal right to act as Seller in this deed transfer. This title company provided title insurance in this matter and is liable to the Shirley Bernstein estate, as well as no liable to the buyer in this matter and the cost of this property being deed back to the rightful owner, as far as I see this case.

This seems to be a matter of property theft. All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company **guaranteed clear title in this real estate transaction via title insurance policy**, and I would demand to see the settlement statement and all related documents, especially any document that was used as legal proof that Ted Bernstein was the SELLER, legally in this transaction. I do not see such a legal document in the recorded documentations for the sale of the subject property.

Ted Bernstein, under penalty and perjury swore the document to be true. The fact is that is simply a "pinky swear", that is one man swearing that he owns a 1.6 million dollar property. There is no court document, no estate documents and no proof, of any kind that Ted Bernstein in fact has a legal right to convey title to this property, as far as I can see.

The Notary ONLY verified that it was indeed Ted Bernstein and that he showed proper ID, a Notary is not a lawyer, nor a court clerk. The title company needs to prove via a court recorded document that Ted Bernstein had a legal right to sell said property.

This is the reason to use a title company to close a LEGAL real estate transaction. The title company insures the title, researches recorded documents and PROVES who has rights to convey property.

Anyone can sign any document and swear that what the document says is true. The Notary swears that it is that person and not that the person is telling the truth, or has a legal document of FACT. Nor does the notary provide any kind of legal recorded proof that this person is entitled to swear to this information as a matter of law. A Notary simply verifies the identity of the person who signs the document.

All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company sold an insurance policy with this real estate transaction insuring that the title was clear to sell to said buyer, when in fact Ted Bernstein did not have a legal right to sell this property, as far as the documentation provide shows.

Ted Bernstein is NOT the true and correct, proper "Grantor" named in the warranty documents.

Ted Bernstein could have just as easily signed an affidavit swearing that he was the seller of the White House, and a Notary would have verified the document, only to the extent that it was indeed a man named Ted Bernstein, whom had the proper identification to prove his identity. And this has NOTHING to do with proof of title rights.

A signed affidavit from someone claiming rights to sell the White House, as in this example, would not give the person the legal right to do so, nor does it in the case of this real estate transaction.

This is a fraudulent real estate transaction, in my expert opinion. The question then becomes did the title company get kick back on this deal? Was the title company promised future deals with these powerful men Ted Bernstein and **George Wesley Thomas Voorheis?**

It is a title companies job, BEFORE issuing a title insurance policy, to make sure that the title is clear and is able to be Sold. Said property seems to be in major legal dispute and is part of an estate in litigation, of which Ted Bernstein is NOT the Trustee, as appointed by a court of law.

This title company took a man's word that he owned a 1.6 Million dollar property, and let said man sell this property, without legal ownership. Upon my knowledge and belief, this title company has massive liability over this issue.

Notes on the Shirley Bernstein Trust Agreement pages provided in the closing documents of said property.

This document has no clear sign of being true and correct. As a real estate Broker, I would not take this as proof that Ted Bernstein had a right to be a SELLER aKa Grantor of this property.

This is simply a document that may or may not have been actually signed by Shirley Bernstein. The correct and lawful procedure in these matters, in my expert opinion is the subject property to have gone through probate, and have a court appointed executor or trustee of the estate.

The legal process is not simply for someone who wants to be an heir to swear they are and then a Title Company allows

this person to sell millions of dollars of real estate they CLEARLY have no proof of owning.

In order for me to prove title and allow a person to act as Seller, I would have to see the probate documents, and the court rulings that granted Ted Bernstein the power to be the executor of the estate, have legal rights to the deed, and execute the sale of the subject property.

There seems to be no court document that gives Ted Bernstein the LEGAL right to sell subject property, there is only a man saying he has the right and a title company issuing title insurance on a multi-million dollar property insuring the title on said property.

In my experience, professional title companies go to the courthouse records for proof of liens, judgements, deed rights, estate issues and they do NOT simply take a sworn statement from a man who swears he is the legal Seller and give this man the absolute rights to millions of dollars of property of which he clearly has no probate, court stamped, judicial documents to prove this is true.

Notes on the warranty deed dated the 18th day of April, 2013

This appears to be fraudulent as there is no court document in which appoints Ted Bernstein as Successor of the Shirley Bernstein Trust. There does not seem to be any LEGAL documents that prove that Ted Bernstein has rights to the subject property as Successor, Executor, Trustee, Seller or Grantor.

Here we see a **Ted Bernstein who himself claims to be a "Successor Trustee", acting as Grantor selling subject property to Grantee G. Wesley Veorheis, a Canadian Resident, and there seems to be something amiss in this transaction.**

There appears to be fraud in this transaction and I advise the true and correct heirs of the Shirley Bernstein estate to file legal action against All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, against the Corporate Company and the individuals involved in the sale, who may have been involved in kickback schemes or other anti-trust and civil conspiracy violations in this real estate transaction.

From what I can determine, and in my expert opinion, **Ted Bernstein is not the legal "Grantor"** and therefore has no legal right to convey title to said property.

All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have no legal right to have provide an insurance policy that guaranteed this title.

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally prove that All Regency Title dba US Title of Florida had a LEGAL right to allow Ted Bernstein to act as Grantor or Seller of Subject Property.

I see no proof, whatsoever that Ted Bernstein is the rightful Grantor, and therefore this transactions appears to be fraudulent.

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally give this title company right to provide title insurance through their title insurance provider Old Republic National Title Insurance Company, with corporate offices in Minneapolis, MN.

Again, a **Notary stamp is not a COURT STAMP, nor a Judicial Ruling.**

Regarding the "Certificate of Approval"

This document appears to be directly from the Condo Association. I have not read the bylaws of the Aragon Condominium Association, however, in my professional opinion, there may be some fraud between **Ted Bernstein and the Aragon Condominium Association president James McGee.**

The association in most cases can approve membership, and may be able to exclude certain people, however the association seems to be providing certification to further DUPE the title company, by claiming they have the power to **give Ted Bernstein approval to convey title for Wesley George T. Voorheis to acquire.**

Did the association have court documents that proved that Ted Bernstein had a right to convey title? If not then it is my opinion that the Aragon Condominium Association and that James McGee personally are also liable for what looks to be a real estate heist to me.

Regarding Non Identity Affidavit

This documented is suspected to be a fraudulent tax document. As Ted Bernstein has no proof that he is the court appointed Trustee in this matter and has no legal right to certify that he owes no estate tax in this matter.

Ted Bernstein may be committing fraud against the U.S. government in possibly illegally conveying title to a property he has no legal right to and at the same time claiming **himself tax exempt for this millions of dollars in alleged inheritance.**

I recommend that the true and correct heirs notify the Florida and U.S. Tax Authorities on this issue. As there may be a

great deal of estate tax due on this matter, and Ted Bernstein has no legal proof that he can speak on behalf of the Shirley Bernstein estate.

Based on my experience it is a standard of practice in real estate regarding estate issues, for the property to go through probate, have a court appointed trustee and proceed through the courts and **NOT through a sworn affidavit by a dreamy eyed family member wishing to receive millions of tax free dollars.**

If any potential heir or for that matter any person off the street can sign a document to swear they have rights to property, with no recorded deed or court order, well then this is a serious matter that the Department of Justice and Attorney General need to look into, as this title company may have done this before and thereby created many victims in this scheme. It is not lawful to let anyone claiming they have title right to sell other people's property.

It is the PURPOSE of purchasing the Title Insurance Policy, which I assume the Shirley Bernstein Estate paid for, that this policy guarantees to the buyer that Ted Bernstein has the right to sell the property and that all liens, judgments, tax issues on said property have been taken care of and cleared by a court of law.

If not then the Title Insurance company and policy provided has a serious liability not only to the buyer but to the actually true and correct heirs of the Shirley Bernstein estate, whomever the courts deem that to legally be.

As a professional real estate service provider, be it a title company or a real estate brokerage, we are taught to make absolute SURE that a Seller has a legal right to sell a property. This is mostly done by a true and correct, court filed warranty deed in the name of the SELLER aKa Grantor, with the names of the people who will be signing a listing agreement with a real estate brokerage or closing documents with a local title company.

It is not standard of practice, ethical nor lawful to use the closing process and title insurance policy of a local title company in place of a legal, court documented estate and probate proceedings, as a matter of law.

In my experience Sellers aKa Grantors do not sell properties by swearing to an affidavit that they have a right to sell. This would make it so that anyone who wanted to be an heir, or anyone of the street for that matter, could simply go to a notary and sign a document swearing they have a right to sell, and without title in their name sell millions of dollars in property.

It is my professional opinion that this title company is liable to the true heirs of the Shirley Bernstein estate and possibly even interest, punitive damage, and criminal charges.

It is my experience that in an Estate settlement, the Estate is settled in full before property is Sold, another words there would be probate and estate process as a matter of law. And if Ted Bernstein has proper legal documentation then he would have a deed in his name, and from that deed he would then be the Grantor.

See In Barnhart v. Hovde, 490 So.2d 1271 (Fla. 5th DCA) for reference on this matter., review denied 510 So.2d 543 (Fla. 1986), Hovde was named trustee for the beneficiaries, who were her stepchildren. Hovde sold a trust asset (an apartment complex) without obtaining a court order to do so in violation of Fla. Stat. 737.403(2). Hovde had conflicting interests with the beneficiaries of the trust, and the sale of asset resulted in benefit to the trustee and a detriment to the beneficiaries. Id. The Trustee had interests which definitely conflicted with those of the other beneficiaries, which resulted in a benefit to the trustee and a detriment to the other beneficiaries, and the Court found that Hovde violated the terms of the trust and applicable state statutes. Id.

Again an affidavit is not a legal document proving title rights. **This affidavit is a man claiming under penalty and perjury that he has legal rights to be the Grantor of said property**, however this is not a legally binding document in which I, as a Real Estate Broker would accept as proof of entitlement to act as Seller or Grantor.

It is not a Power of Attorney, it is not a legally filed Warranty Deed in Ted Bernstein's name, nor is it a court order ruling that Ted Bernstein is the true and correct, LEGAL Seller, Owner, Grantor of said property.

This document appears to be a Ted Bernstein claiming that he has the rights to be the Seller, Grantor and is the Successor Trustee, Executor of the Shirley Bernstein estate and that with this claim he promises to **NOT hold All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company liable for any legal actions, legal fees in the future, or any other future liability.**

Ted Bernstein does not seem to be the LEGAL Seller / Grantor of said property and therefore cannot be in a legal agreement releasing All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of liability regarding the matters of the Shirley Bernstein estate.

Conclusion

In my expert opinion, the title company in this case, All Regency Title dba US Title of Florida, has made a grave error in allowing Ted Bernstein to sell the subject property with the documents provided to them.

And it is my professional opinion that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, needs to file notice of insurance claim, fraud and massive liability in this matter as soon as possible.

As a Real Estate Broker owning my own firm, I would not let Ted Bernstein have listed this property for sale, nor would I have allowed any agent working for me to do so. As there is no court documented proof that Ted Bernstein has a legal right to sell said property and I would not put my liability insurance provider nor my company at that risk.

A title company has even a greater risk in guaranteeing title, and is therefore liable to the heirs of the Shirley Bernstein Trust.

No reputable real estate company SHOULD take this property as a listing, due to the inability to prove who has property authority and rights of Grantor / Seller.

It is my opinion that Ted Bernstein has used **All Regency Title dba US Title of Florida** to circumvent the legal process and thereby gaining title to Shirley Bernstein's property.

Ted Bernstein went straight for the paycheck, and skipped the step of gaining legal title to the property first. Therefore avoiding estate tax, capital gains, and the process of fighting the legal heirs of the Shirley Bernstein Trust in order to obtain money from the sale of the subject property.

It is my opinion that the true and proper legal heirs of the Shirley Bernstein estate should use all legal means necessary regarding All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, in order to make this right.

Florida Laws: FL Statutes - Title XLII Estates and Trusts Section 736.0101 Short title. seem to have been violated in this transaction.

As a Real Estate Broker owner experienced in all manner of real estate for over 13 years, including estate, trust tax issues, and all related matters, I strongly advise the true legal heirs of the Shirley Bernstein estate to contact a Florida lawyer and sue All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of Minneapolis.

Eye on Alan Rose of Mrachek, Fitzgerald, Rose, Konopka, Thomas & Weiss, P.A. in West Palm Beach, Fla.. in West Palm Beach, Florida.

Alan Rose has a NEW CASE. Well Let's keep an eye on this one too; Transparency

"WEST PALM BEACH, Fla. (Legal Newsline) - A prominent class action law firm is suing two firms with which it partnered on a class action lawsuit in Florida for allegedly failing to pay it a fee.

Cohen, Milstein, Sellers & Toll, PLLC filed the lawsuit in Palm Beach County Circuit Court on May 5 against Anderson + Wanca and Bock & Hatch LLC, claiming it is owed about \$280,000 in fees for joining in on the class action lawsuit. Bock & Hatch removed the case to U.S. District Court for the Southern District of Florida on May 26.

The suit claims Cohen Milstein agreed in March 2012 to to serve as the local counsel for a class action suit in which the firms were involved in Florida. The two sides came to terms on a fee agreement and also agreed that Cohen would receive 20 percent of the attorneys' fees awarded in the class action suit, the complaint says.

In October, the court awarded about \$1.4 million in attorneys fees. Cohen Milstein claims Anderson has not paid the 20 percent contingency fee made in the fee agreement.

In March, Anderson acknowledged the fee agreement, but "demanded" Cohen Milstein reduce the fee, the lawsuit said.

In addition to the \$280,000, the plaintiff is also seeking lost profit damages, plus court costs for filing the suit.

The law firm is represented by Alan B. Rose of Mrachek, Fitzgerald, Rose, Konopka, Thomas & Weiss, P.A. in West Palm Beach, Fla.

I am Reporting on the Simon Bernstein Estate CASE and will continue to do so. My reporting is NOT controlled by anyone but ME. Alan Rose continues to WHINE.

Alan Rose is acting suspicious, does he WANT Eliot to complain about Judge Coates? It sure looks like it. What is Alan Rose REALLY up to?

Why wine about this DRIBBLE now? There is a new judge, we shall see if the law is obeyed. Alan Rose seems to be pushing to disqualify Judge Coates, why is that?

I mean the Proskauer Rose thing is true, however if Judge Coates were to sign a Conflict of Interest Disclosure then maybe no issue, either way why in the world is Alan Rose so whiny about all this?

Sounds like Alan Rose should file a motion to disqualify himself instead of pushing Eliot Bernstein to do it.

Oh and I love that Florida Attorney Alan Rose is hanging on my every word INSTEAD of doing his JOB. Just obey the law and don't worry about the bloggers dude.

Either Coates will do a lawful, ethical, constitutional job or not?

I have never seen Alan Rose show so much knowledge about iViewit, oh and so much love for me, It kind of makes me blush actually.

Judge Coates must be a Good Guy for Alan Rose to show such disingenuous concern over possibly conflicts. Things that make you say hmmm...

Mr. Eliot Bernstein:

The estate/trust cases have been assigned to Judge Coates. One order is attached but he has all of the cases.

You already have started with the internet nonsense as to Judge Coates:

(<http://tedbernsteinreport.blogspot.com>) as of mid-day Friday. Apparently, he worked at Proskauer, and we all know you labor under the belief that someone there stole trillions of dollars of intellectual property from you or your company.

If you object to his continued service, please advise the parties asap, so we can consider simply doing an agreed or joint motion/order requesting his recusal.

Please advise.

Now that Brian has set a hearing before Judge Coates, Eliot needs to speak now if he contests the court's ability to hear this case. Silence equals acceptance and waiver of any objections in my view.

Eliot has filed at least two and probably more motions to disqualify Judge Colin, and already has started with nonsense about Judge Coates.

For the record, we have no objection to Judge Coates. But Eliot may and he needs to assert that objection or waive it. There is no point having a hearing and wasting time just to have Eliot complain that day about Judge Coates.

Also for the record, the "journalist" Eliot corresponds and communicates with, Crystal Cox, posted the following highlighted material:

Judge Coates was at Proskauer between 1991 and 2000; I believe those are some of the years Proskauer represented iViewIt and possibly during the times that Eliot sued that firm. Eliot has alleged that during these years is when Proskauer stole his patents. It was an unpleasant lawsuit for the firm I'm sure, and no doubt Eliot made it as unpleasant as possible for the partners of "Porksour Rose". Eliot lost his claim in federal court back in 2008 and I believe owes the firm a sanction award imposed by Judge Scheindlin, but he has not given up on that firm and continues to mention it in recent filings.

The point here is that Eliot must advise the parties of his position and the PR needs to get this resolved before there a number of hearings.

Also, you have set too many issues for one 30 minute hearing, particularly when it would be the Judge's first involvement in the case, in my opinion.

Has Alan Rose gone ROUND the BEND? Alan Rose is already whining to a new Judge about my blogs reporting on this case? WOW

Calm Down Alan Rose, the Law Speaks for itself. Obey the Law, tell the TRUTH, the whole Truth and nothing but, and don't worry about those reporting on this high profile never ending Florida Estate Case which is a MASSIVE public concern.

Murder Allegations and millions paid in insurance, heirs waiting years for money while Ted Bernstein sells homes and let's them run down, Ted Bernstein getting an estate paid attorney and no one else, forged documents, documents signed by dead guys to close estates, and much MORE. This case is VERY important as so many go to Florida for their retirement, yet the attorneys in this case did NOT carry out the wishes of the Deceased. So why move to Florida if Probate Court will not carry out your wishes?

How in the world has all this been allowed to go on for years in Florida Probate court? Meanwhile Eliot Bernstein's family is starved out, kids lose their school and they are constantly harassed by Alan Rose attorney(paid by the estate in which is bullying the other heirs it seems) and others in the case. All this in a simple estate, that should have easily been settled years ago.

Now Alan Rose is WHINING to the New Judge about my blogs, again claiming my blogs are Eliot's and they are MY BLOGS, controlled by me.

Heritage Union Life Insurance Company is well aware of what is going on in the Simon Bernstein Case. So is Heritage Union part of the fraud? If not then why have they, themselves not joined in to SUE Tescher & Spallina and to cry out fraud on the courts, insurance fraud and possible murder?

Letter To Mark Sarlitto ~ Senior Vice President and General Counsel of Heritage Union Life Insurance Company / WiltonRe and Chris Stroup ~ Chairman of the Board of Directors and Chief Executive Officer.

"From: Eliot Ivan Bernstein [mailto:iviewit@gmail.com]

Sent: Wednesday, May 21, 2014 6:19 AM

To: **Mark Sarlitto** ~ Senior Vice President and General Counsel @ Heritage Union Life / WiltonRe (msarlitto@wiltonre.com); **Chris Stroup** ~ Chairman of the Board of Directors and Chief Executive Officer @ Heritage Union Life / WiltonRe (cstroup@wiltonre.com)

Subject: URGENT RE INSURANCE FRAUD -

Policy Number: 1009208 on the life of SIMON L. BERNSTEIN

Dear Mr. Stroup and Mr. Sarlitto @ Heritage Union Life / Wilton RE,

I am writing regarding the Life Insurance Policy on my father, Simon L. Bernstein (deceased), Policy No. 1009208. It has come to my attention through a Federal Court case titled "Simon Bernstein Irrevocable Insurance Trust Dtd 612111995, et. al. v. Heritage Union Life Insurance Company, et. al," Case No.13 cv 3643 in the US District Court Northern District of Illinois that a claim was filed with Heritage by a one **Robert Spallina, Esq. of the law firm Tescher & Spallina PA**, acting as the Trustee for an **alleged lost trust** named "**The Simon Bernstein 1995 Irrevocable Insurance Trust**" claimed to be the Contingent Beneficiary, however **no executed copies of the Trust exist as of this date.**

Further, **Mr. Spallina represented that he has never seen nor been in possession of the lost trust**, yet he filed a claim with Heritage Union acting as the Trustee **of that lost trust he never saw or possessed.**

Further, from production documents in the Federal Case it was also learned that Spallina additionally **represented himself to the carrier as the Trustee of the alleged Primary Beneficiary of the Policy, a one LaSalle National Trust, N.A.**, of which he also is not.

The claim was **DENIED due to the inability to show a proper beneficiary and produce a legal valid trust document as beneficiary.**

Legally, a **valid executed trust instrument must be present at death for a trust to be paid any benefits and in the case of a lost beneficiary at death Florida law is clear that the benefit should be paid to the Estate of the insured.**

Mr. Spallina and his partner Donald Tescher, Esq. have **recently resigned** as Personal Representatives/Executors, Trustees and Counsel to the Estate and Trusts of Simon Bernstein, after **admittedly altering Trust documents** in my parents Estates and Trusts to illegally change beneficiaries and whose **Notary Public and Legal Assistant, a one Kimberly Moran has been arrested and convicted of Fraud** and admitted to six counts of FORGERY of estate documents, including a **POST MORTEM FORGERY** of my deceased father's name in efforts to alter the beneficiaries of my deceased mother's estate.

They also **used my deceased father to act as Personal Representative/Executor** after he was deceased and consummated a fraud **on the Florida Probate Court under Judge Martin Colin.**

After the claim was rightfully denied by Heritage, certain of Simon's children who were **wholly disinherited in the Estate** plan by both Simon and his deceased spouse Shirley, Theodore Stuart Bernstein and Pamela Simon, **filed a Breach of Contract lawsuit against Heritage Union** and in this action **Theodore suddenly now claimed he was the Trustee of the lost trust and not Spallina.**

Theodore Bernstein it has been learned from a Palm Beach County Sheriff investigation report, attached herein, is **alleged to have taken already improper distributions of assets in his alleged fiduciary capacities, AGAINST THE ADVICE OF COUNSEL.**

You will note that in Jackson National's initial opposition to the lawsuit on behalf of Heritage, **Jackson also claimed that Theodore had NO LEGAL STANDING to file the lawsuit in the first place** and was advised by counsel of such, which appears a **correct legal analysis.**

Due to these alleged **FRAUDULENT ACTIVITIES** that took place in the filing of the life insurance claim, I have contacted the Jacksonville, IL Police department and spoke with **Detective Scott Erthal** who opened **Case No. 2014000865.**

Detective Erthal then contacted me and told me **he had spoken to Carol Ann Kindred at Heritage Union and that they would be conducting the initial FRAUD investigation internally.**

I was surprised when I got the attached letter from C.A. Kindred, which attempts to inform me that **Heritage is not investigating the alleged FRAUDULENT claim** filed with the company, most surprising is **why she did not direct her letter to Detective Erthal** and instead contacted me to inform me that Heritage was **refusing to conduct an investigation.**

C.A. Kindred also stated that the Federal Court would be handling the Fraud issues and obviously Federal Courts do not conduct criminal investigations or insurance investigations.

As you may know, **life insurance carriers are legally required to attempt to find the true and proper beneficiary of an**

insurance contract upon death and in this instance no effort has been made to either contact LaSalle National Trust, N.A. to join the Federal lawsuit by the life insurance carrier or any other party and attempts are being made to pay an alleged contingent beneficiary (the lost trust, which is **not listed with the carrier as the contingent beneficiary** according to their records) without first **paying the Primary Beneficiary, a truly bizarre case.**

The Life Insurance contract has also not been produced and it appears Heritage and their Successors and their reinsurers **have all lost the contract that the Breach of Contract lawsuit was filed on**, making an almost **surreal lawsuit where neither the alleged Plaintiff, the lost trust is legally nonexistent and the contract the breach is based upon also does not exist.**

In efforts to secure the contract I am asking that you check your files for Heritage and see if you can locate one. It also has come to my attention that no one has notified the Primary Beneficiary or made any efforts to this date to make contact with them, LaSalle National Trust, N.A., which is now owned by:

Chicago Title Land Trust Company
10 South LaSalle Street, Suite 2750
Chicago, Illinois 60603
Tel: ☐ 312.223.2195

As hearings in the Federal Case are proceeding quickly, your prompt attention to these matters is required and please inform me of your work with the Jacksonville PD so that I may know if this matter has to be investigated **by Federal Authorities at this time for the initial alleged Fraudulent claim made to Heritage Union that Heritage and its successors refuse to investigate internally.**

I have contacted your offices as it appears that the Heritage Union Life Insurance Company website was taken down and refers now **to Wilton RE as the successor.**

Attorney for **Jackson National Life in the Federal case, Alexander Marks, Esq.** has told the Federal Court Judge, Amy St. Eve, that Heritage et al. while being discharged from the Federal lawsuit would be willing to help the parties in any way and this **refusal to investigate is directly opposite this claim** and if further problems stand in the way I will be forced to seek leave to have all parties **reinstated in the Federal action instantly, including now Wilton RE.**

Finally, from reviewing the production materials in the lawsuit, it appears that certain **carrier files may have been tampered with by an insider**, who Plaintiffs have claimed was willing to pay an insurance claim **without any proper beneficiary documentation and we are also looking to find who this party is.**

Thank you for your cooperation in these matters and please feel free to contact me with any questions or further information.
Eliot

So Heritage Union Life Insurance Company is very aware of what is going on in this case. What will they do, if anything, is yet a mystery.

oh and you do know that Blogging is a Constitutionally Protected Activity RIGHT?

Do you need me to list cases to assist you in this? Besides my MAJOR, Landslide one of a kind court of appeals win, there are tons of courts that flat out state that blogging is a constitutionally protected activity.. just a factoid.

So here we go, more whining from the Ted Bernstein camp. Why? The TRUTH really would be easier. Simply DO THE RIGHT THING and OBEY the LAW.

oh and for the 10 millionth time, Eliot Bernstein DOES not control any of my blogs, never has and never will. I have a constitutionally protected right to report on this case.

Subject: Online defamation

...

"The 3rd anniversary of Dad's death is approaching and I feel obligated, as his son and your brother, to reach out to you on behalf of myself and the other professionals working for Dad's trusts and estates. "

Yes Sad isn't it Ted, that you have disgraced and dishonored your father so badly, and you have harmed his grand children, seemingly forged his signature and tied up millions of his money and your mom's money and greedily did what ever you pleased while your siblings suffered. And you feel a sense of morbid "OBLIGATION" now? What a Crock of Shit.

There were NO professionals working on your Dad's Trust, It seems to me that there were crooks, forgers, liars, thieves and those who massively dishonored your Dad's wishes, oh and broke the law.

"On numerous occasions and in many different ways, I have requested that you remove all of the blogs and websites in which you are slandering and defaming me, my family, my businesses and the judges and other professionals providing service to the trusts and estates of mom and dad; but so far you have refused. "

Does Eliot have things written online about you? Hmmm I can't seem to find them. I can't seem to find any websites or blogs that Eliot has about whiny baby Ted at all. And WOW crying about blogs defaming JUDGES? What? Judges are public officials and COLIN umm he broke the law Ted for you, well not really you but to protect Tescher and Spallina for YOU. So it will all come out in a non-corrupt court one day, just keep on sitting there doing NOTHING to make things right and ENSURE your prison sentence COMING SOON, as far as I see it.

Slandering YOUR Business? Are you Kidding? Anyone who reads my news blogs that have nothing to do with Eliot, oh except he is a party to the case, well if they can read the actual DOCUMENTS then they can see you have broke the law, and looks to me personally that you were involved in your Dad's death or covering it up for whoever was.

So where is this slander of you, your family, your business? Oh and your business really? What business is that? the illegal Botox business? or the insurance business? whatever you actually do with that one?

"I also have asked you to cease publishing information about, and interfering in, the sale of our parents' home; but so far you have refused. "

Where has Eliot published anything about you? You mean documents of his case? or do you mean my blogs, that are published and COMPLETELY controlled by me, Crystal Cox, personally, as is my First Amendment right.

"To date, your actions have cost the Trust more than \$100,000 of net sales proceeds for this property alone. "

Is this a joke? Your actions have cost around a million in attorney fees right? to keep up your LIES, right? And you have sold off condos and personal property with NO money to the actual heirs, right? And you have used up, stolen or somehow hidden millions, or so it seems from the documents I have read over YEARS. And now your whining over \$100,000? WOW Alan Rose or even the Broker John Poletto got more then that right?

"As you know better than anyone, whether or not Dad adequately provided for us during his lifetime, Dad's final wishes were to leave his assets equally to his grandchildren, 3 of whom are your children. Your disappointment about this and your resulting actions are helping to ensure that most of his assets will be squandered in administrative costs and professional fees. Over the past three years, in my role as a fiduciary attempting to carry out Mom and Dad's final wishes, I have tolerated an incredible amount of abuse from you. "

Just so there is no error here to who ever you are spewing this bullshit to. YOU are the one who has hurt the grandkids and you have NOT carried out ANY final wishes. You are the abuser and NOT the VICTIM. You appear to be delusional, must be all that botox and the ???

"We hardly know one another, having virtually no contact over the past 30 years. Since our Dad died, you have made unfounded accusations about me that appear to be part of a playbook repeated by you over the past 20 years to intimidate and bully those who do not agree with you. Your motivation for slandering and defaming innocent people online is malicious and serves no purpose to the efficient administration of the trusts and estates. "

Slandering and Defaming "innocent" people? Really? Have you even read the thousands of documents of proof of the iViewit case, or even this estate case? Your CAUGHT Ted. Who ever you worked for or with at Proskauer, you are ALL caught. It is now only a matter of time before an honest court steps up to indict you ALL.

Hello Marc Randazza, Welc PARTY, Hope yo...

"You endlessly level accusations against people without providing proof for what you claim. "

WHAT? Have you NOT read THOUSANDS, literally thousands of documents of proof in this and other cases connected in any way to Eliot Bernstein?

"Mom and Dad chose Tescher and Spallina to draft their documents and to act as their trusted fiduciaries upon their deaths."

YEP and Tescher and Spallina chose to go against their wishes, hook up with you and sign their name after they died and try and run off with millions. Can you say Aid and Abet?

"Members of that firm admittedly acted illegally and with poor judgment. I am sure Mom and Dad would not be pleased to learn what occurred. But their wrongdoing, which has been investigated by the proper agencies and will be addressed in a prudent manner, does not justify your continued and disruptive actions."

It doesn't? Well you helped them do those illegal acts Ted? You are the one who had poor judgement and broke the law right? Did you not work with them?

And here you are saying they admitted to the crimes, yet you want blogs talking about the crimes to stop publishing what you allege to be slander and defamation?

"Moreover, none of the people or professional firms who now provide service or act as fiduciaries, including myself, played any role in the creation of these documents. Despite these realities, you have made allegations for 3 years now, about all of us, ranging from murder, explosions and illegal Botox funding. Every allegation you have made remains only that, allegations and accusations made by you and Crystal Cox, your partner. No proof, no charges, no investigations. Nothing but carefully constructed blogs designed to trick unknowing readers.

I am not out to TRICK anyone. If these "unknowing readers" come to my blog, they can read the documents of the case and think for themselves. Read your depositions, read the police report and you claiming there was a murder then changing your story, they can KNOW as they read all of your words, and all of the documented proof that I give them and THINK for themselves. There is no requirement to believe me. I always insist that the reader have a BRAIN.

"Every single matter you are involved in results in you claiming fraud, car bombings, theft, ethical violations, professional misconduct, judicial misconduct, law suits, threats - and ultimately, online defamation of your opponents. None of these matters are related yet you use the same tactics each and every time."

Umm hey DUMBASS, there was a car bombing. Do you even give a shit that your family had someone try and murder them? hmm I guess not, why would you?

opponent?? defamation?? you mean the criminals who robbed him and his family?

"You represent yourself as an attorney, although you are not a lawyer and have no legal background or training whatsoever. Representing yourself, without competent legal counsel, you play without rules and eviscerate the boundaries and rules which counselors and judges must follow. "

Being pro se is a THING, dumb dumb. And Eliot is VERY good at it. Read the legal documents or have someone read them to you, ya um seems to be doing a very good job in the face of MASSIVE EVIL, and not just your face.

"You sued Florida Supreme Court justices, New York Supreme Court justices and dozens of companies and individuals. In New York, Judge Schiendlin has enjoined you from filing additional claims based upon your belief that your trillion-dollar technology has been stolen through a conspiracy involving courts, judges, lawyers and major tech companies, and entered sanctions against you.

"You have also litigated unsuccessfully in other states, including Nevada. Your behavior in the Palm Beach county courts is remarkably similar. You are a vexatious litigant. This appears to be a crucial part of your method."

Ummmm WHAT? Did Eliot litigate in Nevada? I have not seen

You signed a contract with Mom and Dad more than 10 years ago agreeing that you would never sue any member of your family. As a planner dealing in this area for the past 30 years, I have never heard of any other similar agreement between a child and his parents.

All of us understand that the death of Mom and Dad has been emotionally devastating for you and economically destabilizing. Your sisters and I understand the special challenges and circumstances you face and as a result, we have been extremely tolerant."

Tolerant? You have been made to obey the law and you have hated it, you have done all you can to be EVIL and have not been TOLERANT in any way"

"But history is repeating itself and you have turned this into an abusive tirade against your family. After 3 years of baseless accusations about fraud, frauds and fraud on the courts, enough is enough. "

Baseless, Really? You hypocrite, you just admitted above that there was fraud, illegal activity and poor judgement and now it's all baseless? What a Dumb Ass.

"The online defamation and slandering is simply no longer an acceptable way for you to cope."

Not about COPING Teddy, it is about reporting on corruption in the Probate court in FLORIDA. Actually documents and information, REPORTING and not a way to "cope".

"I am not suggesting that you stop your campaign to prove what you believe - that is your prerogative. I am, however, pleading with you to immediately stop the defamation and the slander about me and the other innocent professionals. "

What? Eliot cannot stop something he is not doing and Eliot is not my partner, and has no access or control over my blogs in ANY way. And there are no "innocent professionals", they know who broke the law and have not upheld their oath of honor, ethics and to the constitution. THEY have violated their professional standards and they are being exposed, period.

".. Please remove these sites from the Internet and instruct your partner, Crystal Cox, to do the same. If you do not immediately remove these sites and my name from them, you are leaving me with no other choice but to pursue all available legal remedies. "

Eliot has NOT ever controlled my blogs, nor will he ever. And the TRUTH about you and these not so professional professionals will remain online, eternally, no matter what, so there is that.

Eliot is not MY PARTNER, he is one of thousands of victims of corruption I report on my thousands of blogs. So what is this huff and puff legal remedy you are going to do to Eliot about my blogs? Well I guess we shall wait and see.

Ted

WILL OF

SIMON L. BERNSTEIN

I, SIMON L. BERNSTEIN, of Palm Beach County, Florida, hereby revoke all my prior Wills and Codicils and make this Will. I am a widower, but in the event that I marry subsequent to the execution of this Will, I specifically make no provision for my spouse. My children are TED S. BERNSTEIN, PAMELA B. SIMON, ELIOT BERNSTEIN, JILL IANTONI and LISA S. FRIEDSTEIN.

ARTICLE I. TANGIBLE PERSONAL PROPERTY

I give such items of my tangible personal property to such persons as I may designate in a separate written memorandum prepared for this purpose. I give to my children who survive me, divided among them as they agree, or if they fail to agree, divided among them by my Personal Representatives in as nearly equal shares as practical my personal effects, jewelry, collections, household furnishings and equipment, automobiles and all other non-business tangible personal property other than cash, not effectively disposed of by such memorandum, and if no child of mine survives me, this property shall pass with the residue of my estate.

ARTICLE II. EXERCISE OF POWER OF APPOINTMENT

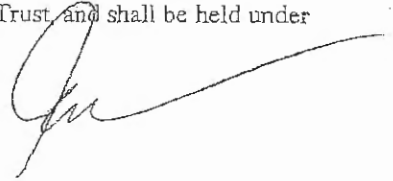

Under Subparagraph E.1. of Article II. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, (the "*Shirley Trust*"), I was granted a special power of appointment upon my death to direct the disposition of the remaining assets of the Marital Trust and the Family Trust established under the Shirley Trust. Pursuant to the power granted to me under the Shirley Trust, upon my death, I hereby direct the then serving Trustees of the Marital Trust and the Family Trust to divide the remaining trust assets into equal shares for my then living grandchildren and distribute said shares to the then serving Trustees of their respective trusts established under Subparagraph II.B. of my Existing Trust, as referenced below, and administered pursuant to Subparagraph II.C. thereunder.

ARTICLE III. RESIDUE OF MY ESTATE

I give all the residue of my estate, including my homestead, to the Trustee then serving under my revocable Trust Agreement dated May 20, 2008, as amended and restated from time to time and on even date herewith (the "*Existing Trust*"), as Trustee without bond, but I do not exercise any powers of appointment held by me except as provided in Article II., above, and in the later paragraph titled "Death Costs." The residue shall be added to and become a part of the Existing Trust and shall be held under

the provisions of said Agreement in effect at my death, or if this is not permitted by applicable law or the Existing Trust is not then in existence, under the provisions of said Agreement as existing today. If necessary to give effect to this gift, but not otherwise, said Agreement as existing today is incorporated herein by reference.

ARTICLE IV. PERSONAL REPRESENTATIVES

1. Appointment and Bond. I appoint ROBERT L. SPALLINA and DONALD R. TESCHER to serve together as my co-Personal Representatives, or either of them alone as Personal Representative if either of them is unable to serve (the "*fiduciary*"). Each fiduciary shall serve without bond and have all of the powers, privileges and immunities granted to my fiduciary by this Will or by law, provided, however, that my fiduciary shall exercise all powers in a fiduciary capacity.

2. Powers of Personal Representatives. My fiduciary may exercise its powers without court approval. No one dealing with my fiduciary need inquire into its authority or its application of property. My fiduciary shall have the following powers:

a. Investments. To sell or exchange at public or private sale and on credit or otherwise, with or without security, and to lease for any term or perpetually, any property, real and personal, at any time forming a part of my probate estate (the "*estate*"); to grant and exercise options to buy or sell; to invest or reinvest in real or personal property of every kind, description and location; and to receive and retain any such property whether originally a part of the estate, or subsequently acquired, even if a fiduciary is personally interested in such property, and without liability for any decline in the value thereof; all without limitation by any statutes or judicial decisions, whenever enacted or announced, regulating investments or requiring diversification of investments.

b. Distributions or Divisions. To distribute directly to any beneficiary who is then entitled to distribution under the Existing Trust; to make any division or distribution pro rata or non-pro rata, in cash or in kind; and to allocate undivided interests in property and dissimilar property (without regard to its tax basis) to different shares, and to make any distribution to a minor or any other incapacitated person directly to such person, to his or her legal representative, to any person responsible for or assuming his or her care, or in the case of a minor to an adult person or an eligible institution (including a fiduciary) selected by my fiduciary as custodian for such minor under the Uniform Transfers to Minors Act or similar provision of law. The receipt of such payee is a complete release to the fiduciary.

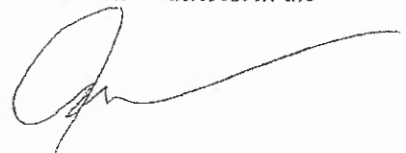

c. Management. To manage, develop, improve, partition or change the character of or abandon an asset or interest in property at any time; and to make ordinary and extraordinary repairs, replacements, alterations and improvements, structural or otherwise.

d. Borrowing. To borrow money from anyone on commercially reasonable terms, including a fiduciary, beneficiaries and other persons who may have a direct or indirect interest in the

estate; and to mortgage, margin, encumber and pledge real and personal property of the estate as security for the payment thereof, without incurring any personal liability thereon and to do so for a term within or extending beyond the terms of the estate and to renew, modify or extend existing borrowing on similar or different terms and with the same or different security without incurring any personal liability; and such borrowing from my fiduciary may be with or without interest, and may be secured with a lien on the estate assets or any beneficiary's interest in said assets.

e. Lending. To extend, modify or waive the terms of any obligation, bond or mortgage at any time forming a part of the estate and to foreclose any such mortgage; accept a conveyance of encumbered property, and take title to the property securing it by deed in lieu of foreclosure or otherwise and to satisfy or not satisfy the indebtedness securing said property; to protect or redeem any such property from forfeiture for nonpayment of taxes or other lien; generally, to exercise as to such bond, obligation or mortgage all powers that an absolute owner might exercise; and to loan funds to beneficiaries at commercially reasonable rates, terms and conditions.

f. Abandonment of Property. To abandon any property or asset when it is valueless or so encumbered or in such condition that it is of no benefit to the estate. To abstain from the payment of taxes, liens, rents, assessments, or repairs on such property and/or permit such property to be lost by tax sale, foreclosure or other proceeding or by conveyance for nominal or no consideration to anyone including a charity or by escheat to a state; all without personal liability incurred therefor.

g. Real Property Matters. To subdivide, develop or partition real estate; to dedicate the same to public use; to make or obtain the location of any plats; to adjust boundaries; to adjust differences in valuations on exchange or partition by giving or receiving consideration; and, to grant easements with or without consideration as they may determine; and to demolish any building, structures, walls and improvements, or to erect new buildings, structures, walls and improvements and to insure against fire and other risks.

h. Claims. To enforce, compromise, adjust, arbitrate, release or otherwise settle or pay any claims or demands by or against the estate.

i. Business Entities. To deal with any business entity or enterprise even if a fiduciary is or may be a fiduciary of or own interests in said business entity or enterprise, whether operated in the form of a corporation, partnership, business trust, limited liability company, joint venture, sole proprietorship, or other form (all of which business entities and enterprises are referred to herein as "Business Entities"). I vest the fiduciary with the following powers and authority in regard to Business Entities:

i. To retain and continue to operate a Business Entity for such period as the fiduciary deems advisable;

ii. To control, direct and manage the Business Entities. In this connection, the fiduciary, in its sole discretion, shall determine the manner and extent of its active participation in the

iii. To hire and discharge officers and employees, fix their compensation and define their duties; and similarly to employ, compensate and discharge agents, attorneys, consultants, accountants, and such other representatives as the fiduciary may deem appropriate; including the right to employ any beneficiary or fiduciary in any of the foregoing capacities;

iv. To invest funds in the Business Entities, to pledge other assets of the estate or a trust as security for loans made to the Business Entities, and to lend funds from my estate or a trust to the Business Entities;

v. To organize one or more Business Entities under the laws of this or any other state or country and to transfer thereto all or any part of the Business Entities or other property of my estate or a trust, and to receive in exchange such stocks, bonds, partnership and member interests, and such other securities or interests as the fiduciary may deem advisable;

vi. To treat Business Entities as separate from my estate or a trust. In a fiduciary's accounting to any beneficiary, the fiduciary shall only be required to report the earnings and condition of the Business Entities in accordance with standard business accounting practice;

vii. To retain in Business Entities such net earnings for working capital and other purposes of the Business Entities as the fiduciary may deem advisable in conformity with sound business practice;

viii. To sell or liquidate all or any part of the Business Entities at such time and price and upon such terms and conditions (including credit) as the fiduciary may determine. My fiduciary is specifically authorized and empowered to make such sale to any person, including any partner, officer, or employee of the Business Entities, a fiduciary, or to any beneficiary; and

ix. To guaranty the obligations of the Business Entities, or pledge assets of the estate or a trust to secure such a guaranty.

j. Life Insurance. With respect to any life insurance policies constituting an asset of the estate to pay premiums; to apply dividends in reduction of such premiums; to borrow against the cash values thereof; to convert such policies into other forms of insurance including paid-up insurance; to exercise any settlement options provided in any such policies; to receive the proceeds of any policy upon its maturity and to administer such proceeds as a part of the principal of the estate or trust; and in general, to exercise all other options, benefits, rights and privileges under such policies; provided, however, no fiduciary other than a sole fiduciary may exercise any incidents of ownership with respect to policies of insurance insuring the fiduciary's own life.

k. Reimbursement. To reimburse itself from the estate for all reasonable expenses incurred in the administration thereof.

l. Voting. To vote and give proxies, with power of substitution to vote, stocks, bonds and other securities, or not to vote a security.

m. Ancillary Administration. To appoint or nominate, and replace with or without cause, any persons or corporations, including itself, as ancillary administrators to administer property in other jurisdictions, with the same powers, privileges and immunities as my fiduciary and without bond.

n. Tax Elections. To file tax returns, and to exercise all tax-related elections and options at their discretion, without compensating adjustments or reimbursements between any accounts or any beneficiaries.

3. Survivorship. A beneficiary is not deemed to survive me unless he or she survives me by five days.

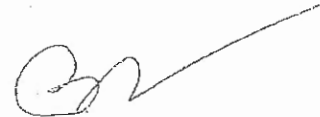

4. Death Costs. My fiduciary shall pay (a) from the residuary estate my debts which are allowed as claims against my estate, (b) from the residuary estate my funeral expenses without regard to legal limitations, (c) from the residuary estate the expenses of administering my estate and (d) from the residuary estate other than the portion of the residuary estate qualifying for the marital deduction under the laws then in effect, without apportionment, all estate, inheritance and succession taxes (excluding generation-skipping taxes other than with respect to direct skips), and interest and penalties thereon, due because of my death and attributable to all property whether passing under this Will or otherwise and not required by the terms of the Existing Trust to be paid out of said trust. However, such taxes, penalties and interest payable out of my residuary estate shall not include taxes, penalties and interest attributable to (i) property over which I have a power of appointment granted to me by another person, (ii) qualified terminable interest property held in a trust of which I was the income beneficiary at the time of my death (other than qualified terminable interest property held in a trust for which an election was made under Code Section 2652(a)(3)), and (iii) life insurance proceeds on policies insuring my life which proceeds are not payable to my probate estate. My fiduciary shall not be reimbursed for any such payment from any person or property. However, my fiduciary in its discretion may direct that part or all of said death costs shall be paid by my Trustee as provided in the Existing Trust, and shall give such direction to the extent necessary so that the gifts made in Article I of this Will and the gifts made in any codicil hereto shall not be reduced by said death costs. If the amount of the above-described taxes, and interest and penalties arising by reason of my death (without regard to where payable from under the terms of this paragraph or applicable law) is increased because of the power of appointment granted to me under Subparagraph II.E.1. of the SHIRLEY BERNSTEIN TRUST AGREEMENT dated May 20, 2008, I hereby appoint to my probate estate from the property subject to such power (to the extent allowable under such power) the amount of such increase (calculating such increase at the highest applicable marginal rates) and exercise such power to this extent only, and notwithstanding the other provisions of this paragraph further direct my fiduciary to make payment of such increase in taxes,

Any trustee holding such appointive property may pay to my fiduciary the amount which my fiduciary certifies as due under this paragraph and is not responsible for the correctness or application of amounts so paid.

5. Reimbursement for Debts and Expenses. My fiduciary shall promptly reimburse my friends and members of my family who have disbursed their own funds for the payment of any debts, funeral expenses or costs of administration of my estate.

6. Expenses of Handling Tangible Personal Property. All expenses incurred by my fiduciary during the settlement of my estate in appraising, storing, packing, shipping, delivering or insuring an article of tangible personal property passing under this Will shall be charged as an expense of administering my estate.

7. Dealing with Estate. Each fiduciary may act under this Will even if interested in my estate in an individual capacity, as a fiduciary of another estate or trust (including any trust identified in this Will or created under the Existing Trust) or in any other capacity. Each fiduciary may in good faith buy from, sell to, lend funds to or otherwise deal with my estate.

8. Spouse. The term "*spouse*" herein means, as to a designated individual, the person to whom that individual is from time to time married.

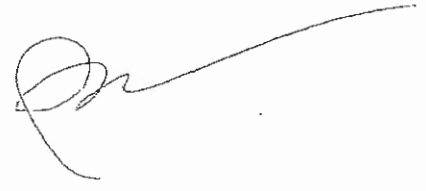

9. Other Beneficiary Designations. Except as otherwise explicitly and with particularity provided herein, (a) no provision of this Will shall revoke or modify any beneficiary designation of mine made by me and not revoked by me prior to my death under any individual retirement account, other retirement plan or account, or annuity or insurance contract, (b) I hereby reaffirm any such beneficiary designation such that any assets held in such account, plan, or contract shall pass in accordance with such designation, and (c) regardless of anything herein to the contrary, any of such assets which would otherwise pass pursuant to this Will due to the beneficiary designation not having met the requirements for a valid testamentary disposition under applicable law or otherwise shall be paid as a gift made hereunder to the persons and in the manner provided in such designation which is incorporated herein by this reference.
