CONFIDENTIAL:

ELIOT,

suggested status for Illinois Fed Conference:

\*\*\*\*\*

1. First I want to advise you of two things 1) Ciklin firm that is representing the Estate in this matter lawsuit in federal court and that 15<sup>th</sup> Judicial found that Ted Bernstein is conflicted in the Illinois insurance litigation which should similarly be determined by this court and then sanctioned.

Your Honor I first want to advise you of an ongoing Serious Medical Condition that I have been experiencing that has caused several overnight Hospital stays, placing of a Heart Monitor on me and where such problems cause me to pass out and fall to the floor sustaining serious injuries such that I am under 24 hour watch by my family at home and unable to Sit at a Computer for even 5 to 10 minutes for multiple Weeks now.

I have advised the Florida 15th Judicial Judge Scher about this a week or so ago on a Status Conference and requested that No Hearings be scheduled for at least 3 Weeks. This call was on a Motion by Creditor Stansbury to have Judge Scher Remove Ted Bernstein as Fiduciary on the Court's Own Motion for conflicts of interest and adverse interest in the Illinois action before this Court and I indicated I will be Filing a similar more Detailed Motion in the near future once I am able to Complete this work at my Computer.

Because of this I have also been delayed in Filing a FRCP 60 Motion with Your Honor's Court but have this Motion and others in Draft Form and simply need to be well enough to Complete these.

2. In the Florida 15th Judicial Judge Scher has not even Scheduled any Hearings on this Illegal Settlement Approval and delayed any hearings until Late October and November as she is reviewing the new information regarding the frauds and more.

I also Informed the 15th Judicial that I was on a Call with a Texas Attorney admitted into Federal Court where related ALLEN STANFORD Trust Litigation is ongoing that I am also involved in with my children and this Attorney represents my Sons Josh, Jake and Danny and the 15th Judicial was advised that action will be taken soon about the Illegal Guardianship that has Wrongfully lead to an alleged Settlement.

My Son Josh had Reached age of 18 before the Scheduling Conference for the alleged "Validity Trial" even Occurred but was denied Due Process Notice and Opportunity to be heard both at the Scheduling and then alleged Trial which will be another basis to Undo the Validity Trial and Illegal Settlement and actions that followed based upon it, as well as the fact that it is now determined that I am a beneficiary with standing in

contradiction to what was pled to your court, influenced your summary judgement decision and the also led to the 4<sup>th</sup> DCA decisions, all which now need to be vacated due to the fraud on the court by the attorneys and fiduciaries involved.

3. This Court has enough Evidence in the Record from the Prior Filings to at least Restore my ability to file electronically with this Court, that no one seems to know exactly why such filing privilege was revoked which is a further Hardship on me so I ask that at least my Electronic Filing be restored by you if you did not order it to be revoked in the first place and this was just an error. So if you can restore my ECF privilege I can file the 60 b and supporting documents with much less cost and hardship and as you know I am indigent due to the theft and intentional delay of my family's inheritance in these matters.

In the record detailed information in the 7<sup>th</sup> circuit with in forma application that showed the problems and frauds in your court
