Subject: RE: structure moving forward

Ted - Eileen is off this week on spring break and we have planned a few things with the grandchildren that will have me out of the office this week - i could be available on Thursday however if that is the best day for the rest of the group. Anytime next week is fine. The continuation of our prior discussions is important and i believe we need to allocate an appropriate amount of time and try to come to some agreement with regard to the business moving forward. As you, Si and I discussed several weeks ago, there seems to be a significant gap between what my salary payments should have been since 2008 and what was actually paid in salary to me. I am basing this belief on the company net retained commission reports as well as the analysis of shareholder salaries that Ransom prepared and distributed for our meeting several weeks ago. Si mentioned that he would speak with Jerry - i'm not sure what purpose that would serve as Jerry was never a part of our compensation discussions, but i have heard nothing since. Let me know when everyone's schedule is open.

Thanks,

Bill

Recognizing that everyone is busy, I think it is important that we continue our discussions about compensation and individual roles in the sales process and at the company level. I will try and schedule a meeting for the end of this upcoming week or the

WSEB-00138

week after.
