For your convenience we have combined statement(s) for activity you conduct through J.P. Morgan in one package. Below are important disclosures relating to these different accounts. These statements may relate to various account types. Some of the disclosures are applicable to all of your accounts. For ease of reference the disclosures applicable to a particular type of account have been grouped together by descriptive headers.

IMPORTANT GENERAL INFORMATION APPLICABLE TO ALL OF YOUR ACCOUNT(S)

Important Information about Pricing, Valuations, Estimated Annual Income, and Estimated Yield

Market value information (including without limitation, prices, exchange rates, accrued income and bond ratings) furnished herein, some of which has been provided by pricing sources that J.P. Morgan believes to be reliable, is not guaranteed for accuracy but provided for informational purposes and is furnished for the exclusive use of the client.

The current price is the value of the financial asset share, unit or contract as priced at the close of the market on the last day of the statement period or the last available price. All values provided for structured yield deposits (for example, JPMorgan London Time Deposits) reflect the original deposit amount only. The value for Real Estate, Mineral Interests and Miscellaneous Assets may not reflect the most current value of the asset.

The values in this statement are shown in USD. If your investment currency is not USD, please be aware that the value of your return could differ positively or negatively due to exchange fluctuations from the value shown in this statement.

Important information regarding Auction Rate Securities (ARS). ARS are debt or preferred securities with an interest or dividend rate reset periodically in an auction. Although there may be daily, weekly and monthly resets, there is no guarantee that there will be liquidity. If there are not enough bids at an auction to redeem the securities available for sale, the result may be a failed auction. In the event of a failed auction, there is no assurance that a secondary market will develop or that the security will trade at par or any other price reflected on statements and online. Accordingly, investors should not rely on pricing information appearing in their statements or online with respect to ARS. When J.P. Morgan is unable to obtain a price from an internal or outside source for a particular ARS, the price column on your statement will indicate "unpriced".

Valuations of over-the-counter derivative transactions, including certain derivatives-related deposit products, have been prepared on a mid-market basis. These valuations are sourced from the various issuers of the securities or they are sourced from a third party valuation provider. J.P. Morgan expressly disclaims any responsibility for (1) the accuracy of the models or estimates used in deriving the valuations, (2) any errors or omissions in computing or disseminating the valuations, and (3) any uses to which the valuations are put. Valuations are provided for information purposes only and are intended solely for your own use. Please refer to the trade confirmation for details of each transaction.

Certain assets, including but not limited to, pooled and private investments, non-publicly traded and infrequently traded securities, derivatives, partnership interests and tangible assets are generally illiquid, the value of such asset may have been provided to us by third parties who may or may not be independent of the issuer or manager. Such information is reflected as of the last date provided to us, and is not independently verified.

In cases where we are unable to obtain a current market value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced". Although such securities may have value, please note that the value of a security indicated as "unpriced" will not be included in your overall current market value as reflected on the statement.

J.P. Morgan makes no representation, warranty or guarantee, express or implied, that any quoted value represents the actual terms at which securities could be bought or sold or new transactions could be entered into, or the actual terms on which existing transactions or securities could be liquidated. Such values may only be indicative.

When we are unable to obtain a current value from an internal or outside source for a particular security, the price column on your statement will indicate "unpriced".

If a partial call is made with respect to an issue of securities included in your Accounts we will allocate the call by a method we deem fair and equitable.

To the extent applicable, please note the following regarding estimated annual income (EAI) and estimated yield (EY): EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated. EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts. EY reflects only the income generated by an investment. It does not reflect changes in its price, which may fluctuate.

For the Period 11/1/16 to 11/30/16

Offshore Deposits

Non-U.S. dollar funds are held in accounts at JPMorgan Chase Bank, N.A. ("JPMCB") branches outside of the United States ("Foreign Accounts"), in addition to any funds you have elected to be held in Foreign Accounts. Deposits in Foreign Accounts are not insured by the FDIC or any other Agency of the U.S. Federal Government, are subject to cross-border risk, and do not have the benefit of any domestic preference applicable to U.S. deposits. Certain Foreign Accounts are considered reportable to the Internal Revenue Service on a Report of Foreign Bank and Financial Accounts (TD F90-22.1). Funds held in certain Foreign Accounts may be eligible for protections afforded by the United Kingdom's deposit guarantee program, the Financial Services Compensation Scheme ("FSCS"). If insolvency of JPMCB should occur, eligible deposits in your account that are held at the London Branch of JPMCB may be repaid up to a specified amount by the FSCS. You can find more information about FSCS deposit protection and a list of deposits excluded from, and thus not eligible for, protection at www.jpmorgan.com/pages/deposit-guarantee-scheme-directive.

IRA Account Withholding Notice

IRA withdrawals you are currently receiving, or plan on receiving in the future, are subject to Federal Income Tax Withholding at a mandatory rate of 10%, unless you elect not to have withholding apply, or you elect to withhold at a rate greater than 10%. You may also be subject to State Withholding. Your existing elections for recurring payments, if any, remain in effect unless you change them in writing. You may revoke or change your elections at any time by obtaining and completing a J.P. Morgan IRA Withdrawal Request. This form is available from your Client Service Team listed in your statement. U.S. citizens or resident aliens may not opt out of the 10% mandatory withholding on any distributions delivered outside the U.S. or its possessions. If you elect not to have taxes withheld you will be liable for all taxes due on the taxable portion of your distribution. Further, if you elect not to have withholding apply to your distribution payments or if you do not have enough Federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may be liable for penalties and interest related to underpayment of estimated taxes if withholding and estimated tax payments are not sufficient. You are encouraged to contact your tax advisor to discuss your withdrawal options and how your withholding elections might affect your personal taxation.

IMPORTANT ADDITIONAL INFORMATION ABOUT REQUIRED MINIMUM DISTRIBUTIONS

We are providing this information to you as a service. Please refer to your copy of Form 5498 for information submitted to the Internal Revenue Service by JPMorgan Chase Bank, N.A., as custodian, of your individual retirement arrangement, including information about contributions, required minimum distributions, and the fair market value of the account. You are ultimately responsible for determining what your RMD is each year and for ensuring that you satisfy it, including, if applicable, whether to satisfy the RMD requirement with distributions from multiple IRAs. Failure to satisfy your RMD can result in an IRS excess accumulation penalty of 50% of the amount not taken as required. For more information on RMDs please refer to IRS Publication 590-B, Distribution from Individual Retirement Arrangements (IRAs), a copy of which can be obtained by calling 1-800-TAX-FORM, or by visiting www.irs.gov.

The RMD reflected in your Account Summary does not take into account other IRAs you may have, any rollovers, transfers, or failed conversions outstanding at year end, and may not include any positions held in your account that are pending an update to their valuation. If JPMorgan Chase Bank, N.A. was not your IRA Custodian on the last business day of the prior year, even though you may be required to take an RMD, we are not able to calculate your RMD without information from you. We will, however, calculate your RMD upon request. Please contact your J.P. Morgan team if you have questions about your RMD.

IRA Account Withholding Notice

IRA withdrawals you are currently receiving, or plan on receiving in the future, are subject to Federal Income Tax Withholding at a mandatory rate of 10%, unless you elect not to have withholding apply, or you elect to withhold at a rate greater than 10%. You may also be subject to State Withholding. Your existing elections for recurring payments, if any, remain in effect unless you change them in writing. You may revoke or change your elections at any time by obtaining and completing a J.P. Morgan IRA Withdrawal Request. This form is available from your Client Service Team listed in your statement. U.S. citizens or resident aliens may not opt out of the 10% mandatory withholding on any distributions delivered outside the U.S. or its possessions. If you elect not to have taxes withheld you will be liable for all taxes due on the taxable portion of your distribution. Further, if you elect not to have withholding apply to your distribution payments or if you do not have enough Federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may be liable for penalties and interest related to underpayment of estimated taxes if withholding and estimated tax payments are not sufficient. You are encouraged to contact your tax advisor to discuss your withdrawal options and how your withholding elections might affect your personal taxation.

IMPORTANT ADDITIONAL INFORMATION ABOUT REQUIRED MINIMUM DISTRIBUTIONS

We are providing this information to you as a service. Please refer to your copy of Form 5498 for information submitted to the Internal Revenue Service by JPMorgan Chase Bank, N.A., as custodian, of your individual retirement arrangement, including information about contributions, required minimum distributions, and the fair market value of the account. You are ultimately responsible for determining what your RMD is each year and for ensuring that you satisfy it, including, if applicable, whether to satisfy the RMD requirement with distributions from multiple IRAs. Failure to satisfy your RMD can result in an IRS excess accumulation penalty of 50% of the amount not taken as required. For more information on RMDs please refer to IRS Publication 590-B, Distribution from Individual Retirement Arrangements (IRAs), a copy of which can be obtained by calling 1-800-TAX-FORM, or by visiting www.irs.gov.

The RMD reflected in your Account Summary does not take into account other IRAs you may have, any rollovers, transfers, or failed conversions outstanding at year end, and may not include any positions held in your account that are pending an update to their valuation. If JPMorgan Chase Bank, N.A. was not your IRA Custodian on the last business day of the prior year, even though you may be required to take an RMD, we are not able to calculate your RMD without information from you. We will, however, calculate your RMD upon request. Please contact your J.P. Morgan team if you have questions about your RMD.
