CASE NO.
50-2014-CP-003698-XXXX-NB

Beneficiary Joshua Ennio Zander Bernstein's ("Joshua's")
Still Credible
Post-Hearing Filing

In Response to

Petitioner's Proposed
ORDER GRANTING IN PART AND DENYING IN PART JOSHUA BERNSTEIN'S
(i) MOTION FOR DISBURSEMENT FROM THE COURT REGISTRY TO THE BENEFICIARY [DE 348] AND
(ii) PETITION FOR ISBURSEMENT FROM THE COURT REGISTRY TO THE BENEFICIARY [DE 349]

THIS CAUSE came before the Court for evidentiary hearing on July 24, 2019, upon (i) *Beneficiary's Motion for Disbursement from the Court Registry to the Beneficiary* filed on December 11, 2018 [DE 348]; and (ii) *Beneficiary's Petition for Disbursement from the Court Registry to the Beneficiary* filed January 29, 2019 [DE 349] (the "Petitions") ***during which hearing Beneficiary Joshua did testify but failed to file***, **which Joshua does file now**, duly documented evidence as proof that he does need **$128,873.85** to meet his "Needs" (health, education, maintenance and support) and "Welfare" under the Trust **and thus** Joshua doe now also request

that the Court please consider signing the attached ***Unbiased*** Proposed Order[a] required to be signed based on *the truth, the whole truth, and nothing but the truth* (the "100% TRUTH") that will never ever be before the Court ***but for the Unbaised*** Court-ordered Forensic Audit Report by a duly licensed attorney who is also an account, preferably but not necessarily certified, as explained in paragraph 2 below.

1 Below is a brief description of the attachments to prove the amount needed to satisfy the "Needs".

.1 $39,971.00 See Exhibits Attached, Line Item 2, One Time Expense to Buy a **Safe Auto** as he has none
for years of transportation but for which Joshua is immobilized.

.2 $10, 719.00 See Exhibits Attached, Line Item 1, Annual Expense for **Health**.

.3 $44,307.16 See Exhibits Attached, Line Item Line Items 7, 9, 20 for **Education**.

.4 $23,996.69 See Exhibits Attached, Line Item Line Items 3, 4, 6, 12, 13, 14, 15, 16, 17 for **Maintenance**.

.5 $ 9,880.00 See Exhibits Attached, Line Item Line Items 10, 11, 18, 19 for **Support**.

$128,873.85 TOTAL AMOUNT

2 Below is a brief description of the facts that a *Unbiased* Court-ordered Forensic Audit Report by a duly licensed attorney who is also an accountant, preferably but not necessarily certified, to insure that the Trustee is either proved, or else, not proved, to have been, and/or will still be, ***an out-of-control loose cannon*** *misusing* Trust assets to keep paying ***zealous*** attorneys to keep concealing *the truth, the whole truth and nothing but the truth* (the "100% TRUTH") about the Trustee ***based on the pain and sufferings still being endured*** under unconstitutional as legally null and void thus legally unenforceable Decisions, Orders and Judgments ("Void DOJs") still making their enforcers, including the Court, Outlaws with no executive immunity for executing them:

.1 Court filings will reveal domestic violence, drugs, Ted jailed, etc. during due process of law of a bitter divorce in 2002 or so between Ted and Jeannie Gambella, married in 1987, with his own 3 children she gave him;

.2 Ted with his 3 children then moved in with his father Simon and mother Shirley because, unemployed with no income during next several years, Ted took drugs and declared bankruptcy with IRS liens;

.3 Divorced Jeannie Gambella then in New York died of a drug overdose, was not found for several weeks, and when discovered was found to have been eaten by her own then hungry dogs in her own home;

.3 Dead Jeannie Gambella was buried and **neither Ted nor his children were notified until much later that she had died and thus failed to be at her side at the funeral**;

.4 Simon then helped Ted form a company with Ted to get him back on his feet;

.5 Ted's 2nd wife is Deborah and Simon, afraid of Ted who stole monies from him and their other partner William Stansbury who later became a creditor of the estate and who sued Ted and Simon for alleged millions Ted stole from him, Simon left the company he started with Ted ***weeks before his death***;

.6 Simon then funded a business for $500,000 with his business assistant's husband in a used phone business after Ted discovered from attorneys that Simon had *disinherited* Ted and his sister Pam and their lineal descendants in Simon's Trust and in Shirley's Trust;

.7 **Weeks after Simon's death**, Ted shattered the used phone business Simon started where Eliot and Candice Bernstein also worked and file *false* tax returns and, in multiple suits for insurance frauds in millions, ***settled and suddenly paid them off after Simon's death, begging the still unanswered question where did Ted get his millions to do so***;

.8 Ted now lives in a multimillion mansion worth ***far more than the low worth he claims of his parents*** as revealed in the filings of his parents' multimillion trusts and estates where Ted claims his parents were worth far less than him.

.9 Simon and Shirley did the following for their children and grandchildren (see attached Family details):

A Paid for top private schools for all grandchildren but Josh, Jake and Danny. Eliot's children were pulled out after Simon died because Ted as Trustee failed to pay the school despite a Court order to do so.

B Paid for or funded college education for ALL grandchildren but the monies for college for Eliot's children are missing after Simon's death and they have been destituted to go to community colleges and incur debts.

C Bought cars for ALL the grandchildren who were allowed to buy bigger and safer luxury Lexus and Volvo sedans and trucks but only one of Eliot's children was bought a car since they are younger than most of the grandchildren and were not old enough to have cars.

D Eliot's son Joshua chose a smaller and unsafe KIA Soul for his 15th birthday.

E Simon died a week later.

F Ted had sent Joshua a birthday congrats on getting a car but denied the car was his in court filings in the estate of Simon.

G Estate would not transfer KIA as Simon's and let it sit, unused, for a year in Josh driveway unable to drive due to no title. It's in the court filings.

H After a year it took to remove the PR's of Simon Estate (Ted's close personal friends and businesses associates Donald Tescher, Esq. and Robert Spallina, Esq. who Ted brought into the estates and trusts and they acted as his attorney) their law firm was removed for forgery and fraud in the Simon and Shirley's Estate and Trust documents, whereby they attempted to put disinherited Ted and Pam's family back into the trusts, the replacement Curator let Joshua get his car. Spallina and Tescher were later convicted of insider trading in an unrelated case and their law licenses revoked.

I Funded multiple houses for Ted and sister Pam received a family condo, a multimillion dollar Magnificent Mile Condo in Chicago on Michigan and Oak that Simon transferred to her and her husband.
J Gave Ted and Pam jobs and interests in his companies worth millions.
I Simon took international vacations with grandchildren.

3 In the unlikely event that Court is still forced by the ***zealous*** attorney to not sign Joshua's *Unbiased* Proposed Order as practical to help STOP Joshua from being forced to live the life of a bastard, then, Joshua feels bad that he, helped even by his ***truthful*** NY Personal Attorney *with an unblemished record*, failed to help this Court to begin to think ***exactly the reverse*** of what this Court is still used to being forced to think just as ***zealous*** attorneys who are protected and promoted by this Court which Joshua will force himself to understand, *but not comprehend*, why the Court and the ***zealous*** attorneys, together, are ***still interested in perpetuating the evil past***.

[a] Joshua's ***Unbiased*** Proposed Order, **with or without corrections to insure it is *still Unbiased***, should not be signed ***if no one is ready, willing and able*** **to begin to believe in the 100% TRUTH**.

Everyone's, **especially every Judge's**, commonsense knows and thus believes in the basic universal fact of every life that everyone is ***born hardwired*** to think rationally *like sex impregnates women to move in all the forward gears like cars do doing good things* ("**Positive Thinker**") *until* ***softwired by miseducation*** to think irrationally *like sex does not do so to move in the one and only reverse gear like the same cars do doing evil things* ("**Negative Thinker**"), no ifs, ands or buts, period, case closed.

Negative Thinkers masterminded ***self-serving thus Draconian*** legal systems to use excuses after sexabuses, deny wrongdoings and keep hating Positive Thinkers who will keep proving wrongdoings and damages using evidence until *overdue* Court-ordered restitution ends Court-ordered *destitution*.

Positive Thinkers *making numbers add up right* say that the man who seeds a woman ***is*** the father of his baby from his seeds that woman gives him back ("Justice").

Negative Thinkers *making numbers add up wrong* say that that man is *not* the father if ***also*** not married to her, that the man, if any, married to her ***but who did not impregnate her*** is the father, and, if she is unmarried, then, she is ***a loose cannon with zero morals*** and ***her baby-in-fact is a bastards-in-law***, ***a***

son of the people, ***a son of no one and a ward of the State to be a burden on all taxpayers whose taxes will have to used to keep the baby alive*** ("Injustice") **evidencing 100% irrationality**.

As petitions are rarely granted under Rule 10 by the Supreme Court of the United States ("SCOTUS") to reverse and correct *misjudgments and/or laws misapplied* evidencing such Injustice in *all paternity cases* and thus in *almost all non-paternity cases* like criminal, civil and tort cases by the lower Courts, ***so*** the very first initial Court has to make Justice prevail over Injustice ***to end irrationality*** because:

1 Due process of law does not and shall not end, *with no time limit*, unless and until Injustice assassinating Justice ("Justicide") is duly reversed and corrected, *the sooner, the better*, to end such self-proving judicial policy and procedures for *all* judges *at all levels* to be forced by the evil tradition of Negative Thinkers to keep committing premeditated judicial conspiracy;

2 Justice delayed is Justice denied, Justice denied is Injustice dignified, Injustice dignified is Justice crucified, and Justice crucified is Injustice magnified unless and until Justice is duly resurrected since day one of Justicide to set the record straight from womb to tomb; and

3 ***Even self-serving absolute judicial immunity for committing Justicide*** in *all paternity cases* and thus *in almost all non-paternity cases* does not protect Negative Thinkers from living and dying with their own *self-created conscience-eating toxic guilt* caused by their own selves committing Justicide, knowing that only 100% rationality prevailing over 100% irrationality in this open and shut case of a ***Draconian Trustee*** and a ***zealous*** attorney is the **solution** to revive the ***100% irrationality*** of the Rule 10 of SCOTUS as the ultimate and final living proof of that ***100% irrationality*** as the **problem**.

Cost of Attendance @ FAU for 2018-2019

Click here to View Cost of Attendance for 2017-2018 Academic Year

Cost Basics

A college education is an important investment. In order to award aid, a school must first establish an estimated cost of attendance. Based on the estimated cost of attendance and the information from the FAFSA, the FAU Office of Financial aid processes award offers to continuing and admitted students.

Financial aid awards are based on a cost of attendance that is constructed based on six components as designated by federal regulations (tuition & fees, books & supplies, housing, dining, transportation fees, and personal expenses). Your actual cost may vary.

Because costs are only estimated, each student may find that their overall costs are more or less, depending on the student's educational requirements and living arrangements. It's important for the student (or student's family) to calculate what the costs will be, so you can budget your finances, and manage your money wisely. Review FAUs Net Price Calculator , to give you an estimate cost to attend this University:

Tuition and Fee estimates are based on the average combined Fall and Spring FAU enrollment of students attending FAU full time in both Fall and Spring semesters, multiplied by the projected cost per credit hour.

Book and Supplies estimates are based on the national average for 4-year public institutions listed in the most recent College Board Trends in College Pricing publication, adjusted for inflation.

On-campus Housing and Dining estimates are based on a weighted average of all available residence hall accommodation types. When calculating the on-campus dining estimates, the projected 19 Meal Plan rate was assumed for accommodations which require meal plan subscription and the off-campus dining estimate (see below) was assumed for accommodations which do not require meal plan subscription.

Off-campus Housing estimates are based on an average of rates obtained in an annual survey of local apartment complexes. An allowance for utilities (power, water, cable, internet, phone) is included in the estimate. Estimates are based on double occupancy.

Off-campus Dining estimates are based on the Cost of Food at Home data published by the United States Department of Agriculture, adjusted for the regional Cost of Living Index and inflation.

Off-campus Transportation Fee estimates are based on the monthly vehicle operating costs for the Dade and Broward county region as listed in the IRS Local Transportation Standards publication. **On-campus transportation** is calculated as a prorated portion of the off-campus calculation to reflect reduced variable costs.

Personal Expense estimates are based on U.S. Bureau of Labor Statistics Consumer Expenditure data for the Miami Area, adjusted for inflation.

An additional allowance is added to the appropriate budget for students paying federal loan fees. Budgets for part time students will be reduced based on actual enrollment.

COLLEGE OF MEDICINE STUDENTS

Please visit the Office of Medical Student Financial Aid for Cost of Attendance at http://med.fau.edu/students/financialaid/cost.php.

REPEAT COURSE SURCHARGE

Each student enrolled in the same undergraduate course more than twice shall be assessed a Repeat Course Surcharge of $190.84 per credit hour in addition to the fees outlined above for each course.

EXCESS HOURS SURCHARGE

Florida Statutes mandate the assessment of a surcharge to each credit hour taken in excess of the total number of credit hours required to complete the degree being pursued. Details regarding Excess Hours Surcharge can be found here.

Period Based Budgeting

Every student receiving financial aid is assigned a cost of attendance based on the following:

- Classification = Undergraduate or Graduate
- Residency = Florida or Non-Florida
- Enrollment Status = Full-Time, ¾ time, half-time or less than half-time
- Housing Status = On-campus, off-campus or with parents

Your Housing Status is initially assigned based on your planned housing response on the FAFSA application. After drop/add, students who indicated they would be living "on campus" but are not will be assigned a "with parent" housing status by default. Students who indicated "on campus" on their FAFSA but are living off campus independent from parents/relatives should submit a Housing Status Revision Request with the appropriate documentation. The form is located on our Financial Aid Forms page.

Your financial aid award is initially based on an enrollment status of full time (12 credit hours for undergraduates fall, spring, and summer or 9 credit hours for graduates fall, spring and 6 credit hours for summer). If your enrollment is less than full time expect your cost of attendance to be reduced, **this may also impact and reduce the amount of aid you were initially offered.**

Florida Prepaid, Tuition Waivers, and Scholarships are considered resources and used to calculate aid eligibility.

IMPORTANT NOTE: If you will NOT be receiving enough financial aid to cover all your charges for the semester, or are unsure of the amount you will need to pay, please check with the **Controller's Office** during the first week of school. Please click here for a *Cost per Credit* breakdown.

In cases where your charges exceed your financial aid award, it is your responsibility to pay the amount of any uncovered charges by the semester's last day to pay deadline to avoid a late payment fee of $100.00. The last day to pay deadline is listed on the Academic Calendar, which may be viewed by clicking here.

Copyrighted Client Engagement Letter ("CEL"): Legal Help for ***all*** Matters of Eliot I Bernstein's Family ("Cases")

As required by NYS Court Rule effective March 4, 2002, this CEL, under attached One-Pager *LKJMOL* by *LKJESQ* as 100% *normal* making it 100% *different* than all others, memorializes the "meeting of the minds with regard to the basic clearly understood and agreed upon terms of the engagement." They are as follows.

1 *Preamble*: "You" and "Your" mean *LKJESQ* Offices. "I, "My" and "Mine" mean Eliot I Bernstein who failed *pro se* and/or with other 100% *different* lawyers who still believe in Justicide by laws *misapplied*.

2 *The CEL*: It is *Privileged and Confidential* for help *only* in ***all*** My matters in Para. 3 and *in no others*.

3 *The Cases*: *All* My patents, parents' estates, etc. matters *no matter what or where* they are ("Cases").

4 *The Legal Help:* My *correctly informed decision* is to use Your legal help in due process of law funded by taxes to help make torturers restitute victims by laws *correctly* applied as Justice ("**Safe**") since it ends nullities disgracing nations by laws *misapplied* as Justicide ("**Unsafe**") that all other lawyers believe in. Due process of law does not end *with no time limit until* the record of the case reveals "arriving at the truth"[1] *no matter who has the burden of proof*,[2] because the ***immunized duty to serve Justice keeping all Safe still prevails over immunized power to commit Justicide keeping all Unsafe. 5 *Retainer, Contingency Fee Agreement and Expenses*: Your *non-refundable good faith Retainer* is $1,000 (Special Courtesy Discount). No Collection, no Contingency Fee. If and when collected by Me or paid to You by way of settlement, Judgment, or otherwise, only then, Your *Contingency Fee* is 1/3rd to You and 2/3rd to Me of Net Collection which means Gross Collection less actual expenses incurred by You. Expenses include legal fees, if any, paid by You to local counsel if needed to take local legal actions.

6 *Amendment, Termination and Timely Cooperation*: I read, discussed and understood this CEL in Plain English. It is not in legalese used by *all* other lawyers. It can be amended in writing to change the scope of legal help. Without My timely help and support, You are *dis*abled and *vice versa*. I agreed to give You My prompt help and support as and when needed or risk earlier termination of CEL for My default. The aggrieved can terminate this CEL if default is not cured upon 10 days' notice ***subject to continuing lien*** of the 1/3rd Contingency Fee on the Net Collection made before, during and/or after such termination.

7 *The Buyer Beware Law*: I *did* read, understand and agree with the duly attached One-Pager *LKJMOL* by LKJESQ. It proves that this CEL is *unbiased* since it is *not one-sided* as *all* other lawyers' retainers are.
