Good morning Officer Reyes,

The papers were filed in the 15<sup>th</sup> Judicial before Judge Kastrenakes.

CASE NUMBER: 50-2018-CA-002317-XXXX-MB

CASE STYLE: SAHM, WALTER E V BERNSTEIN FAMILY REALTY LLC

Can you please give me the detectives names and emails as we have new information and frauds that occurred now in the Southern District Bankruptcy court before Judge Erik Kimball that further the ongoing frauds in the state court. There are some new parties involved in using the dead Walter Sahm to advance positions in court and illegally gain real property rights and an attorney, Bradley Shraiberg, Esq. filed a notice of appearance for Walter Sahm almost a year and a half after his death.

Also, attorney Inger Garcia, Esq. put into the federal court record at a recent hearing that there is massive fraud in the court and in fact told Judge Kimball and the US BK Trustee that he was having a hearing on a motion filed by a dead person.

22-13009-EPK Bernstein Family Realty, LLC

Case type: bk Chapter: 7 Asset: Yes Vol: i Judge: Erik P. Kimball

Date filed: 04/19/2022 Date of last filing: 06/16/2022

Another person now involved is a Joanna Sahm who may not be aware as the alleged PR of Walter's estate that her attorneys have now put her in severe risk of fiduciary violations via their frauds. I am unclear if she and her mother knew and participated in these crimes of the attorneys, but they too are now in jeopardy of lawsuits and criminal complaints that are being filed for these crimes advanced in their names.

Also, I have additional documentation for detectives that support my prior complaint information so please get me in touch with whomever is handling the matters.

Thank you, Eliot

Officer Reyes, when will you be able to finish complaint as I have some new crimes occurring today and I would like to add those as they involve further use of a dead person now in a federal court to advance the schemes. Please let me know you received this email and please provide the soonest time to talk. We also have information to add regarding the kidnapping of my adult child's rights via a fraudulent predatory guardianship that was placed on him as an adult but claiming he was minor. The Guardian that acted without legal authority to sign agreements, settlements and attend hearings on his behalf as if he were a minor. No adult procedures for guardianship were followed like competency hearings or dr evaluations and this completely violated his due process rights as if they had kidnapped them. I can fill you in more when we speak.

There is growing danger to my family and others helping us, some who will be witnesses listed in these matters who include but are not limited to attorneys.

Thanks, Eliot

Officer Reyes, please contact me to finish our original intake to get the complaint to a detective asap. I was tied up with legal matters Friday when you called. I was also told by Diana who called this morning that the case number was different than the one you provided and is now Case #2022007253, please advise on which to use going forward.

Eliot
