Re: Bernstein Family Realty, LLC

Michael:

There appears to have been some formatting issue with the last email I sent for Bernstein Family Realty, LLC so I have attached the entirety of the prior email content into a separate PDF now attached.

Also, for some reason, several of the attachments I tried to send in the original email such as the Insurance proof somehow did not send when attached so I have attempted to resend that attachment and the others mentioned.

Please let us know if you did not receive any of these items or need them resent.

Thank you.
