

"The law admits no proof against that which it presumes [*making jurists, without proof, lie and convict innocents*]." Bl. Law Dict., p. 1054 (<https://tinyurl.com/y3rrnodk>). The newly invented everlasting legal lightbulb ("NIELL") with its SilverBulletSystem ("SBS") of Justice for **20/20 vision** is **Official**. Forget and forgive predators' system of Injustice ("**JurIsPrudence**") changing face for laws to *define, ban, not permit*, human wrongs as human rights ("**TruthIsPrudence**") ends frustrations. It *makes jurists never end due process* of law *until* they *acquit the innocents, convict the guilty* and *make the predators pay the prey many times the unlawful gain endured by the prey as unlawful pain since mandatory paying for wrongdoings promotes rightdoings*." **KEKSI**

SilverBullet Learning *Good Law* in seconds from LKJESQ **HEALING** all people makes their healthy beliefs in truth **SAVING** sextillions prevail over UN-healthy beliefs in lies for UN-LEARNING *Evil Law* still being learnt for ages from *judicial assassins, lawyers, law schools, etc.* **KEKSI**

Long Story Short...We the People, even authorities, experts, lawmen, laymen and others in between alike 100% agree with the SBS (A1-A4). They *make all Courts use* the SBS attached to legal filings making it the popular solution to the popular problems, **no matter what they are** and **no matter who the judges are**. *Doing so in all parasitic Evil Government Offices* ("EGOs") in *all nations* helps all officers and jurists to *either themselves do it right to end being parasitic predators or else let their prey do it right since it is treason and a culpable cover-up to spoil, seal, not admit, ignore, misuse, etc. credible proof, evidence, etc. of lawbreaking, wrongdoing, etc.*

Armed with and protected by the NIELL, all jurists have to order Mandatory Restitution instead of Discretionary Destitution because belief in truth making sense has to prevail over belief in lies making no sense to end being misused as victims to be judicial assassins as the victimizers to live, die and rest in peace with conscience-eating self-created toxic guilt thereof for ending all threats to even jurists' own, policemen's own and everyone else's own safety and security from womb to tomb.
