*Believe it or not. Paying for One's Own Mistakes ("Good") Cremates Politics of Not Paying ("Evil"). It's the truth, the whole truth and nothing but the truth ("TRUTH"), so help everyone's One Creator.*

*Knowing the TRUTH in ever Court case, the absolute right of all victims of all judicial assassins still mandates that all judicial assassins resurrect Justice to end due process of law with no time limit.*

*Justice delayed is still Justice denied. Justice denied is still Injustice dignified.*

*Injustice dignified is still Justice crucified mandating Justice resurrected since day one.*

*Who would go to law school to learn why to lie to protect predators from restituting their prey and, worst yet, invest millions to be Evil Presidents of Evil Governments to make Evil Moneys?*

- 1 **True**, all boys and girls are born with *reasonably* model brains. They *make numbers add up right*. They *believe* in everyone's *uncontroversial* TRUTH that the man who sexually seeds a woman making her a mother is the *uncontroversial* father of his baby from his own seeds. They *reconfirm* the *self-enforced uncontroversial* Justice *prescribed* by everyone's One Creator for good law and order by good police.
- 2 **True**, no boy or girl is born with *unreasonably* model brain to *make numbers add up wrong* to *believe* in everyone's *uncontroversial* lie that that man is *not* the *uncontroversial* father of that baby to make women sex-slaves, men sex-masters and babies bastards *still proscribed* by everyone's One Creator.
- 3 **True**, judicial assassins of everyone's One Creator's *self-enforced uncontroversial* Justice are *judicially immunized* to still sell *lies as TRUTH* in *jurists' uncontroversial* Injustice in *all Courts in all nations*.
- 4 **True**, the *stupidity* of SCOTUS Rule 10 for *continued* judicially immunized judicial assassinations is the *uncontroversial* evidence or proof of the *unreasonably* Model Judicial Conduct approved by the *unreasonably pro-predator thus anti-prey* American Bar Association aka the ABA. No one, not even the ABA, has the right to force lawyers, jurists and forensic experts to be honored to lie to make a living to protect predators, promote tragedies as comedies and feed themselves and families with dirty moneys.
- 5 **True**, using scientific DNA-matches to *prove* paternities *makes the numbers add up right* since *misusing* unscientific marriages to *prove* paternities *makes the numbers add up wrong* and yet *all jurists still force* *all schools* from top to bottom to *still miseducate* all boys and girls that *all* boys and girls are *illegitimate babies or bastards* forcing women to marry men to mother legitimate babies, no ifs, ands or buts.
- 6 **True**, the *Newsworthy LKJMOL* below marked A1-A2 supports *all* legal filings in *all* cases in *all Courts in all* pro-predator-systems whenever you and/or your loved ones are victims of judicial assassins.
- 7 **True**, the *Best Newsworthy News* is that that the free **A1-A2** are free for your free use to help *all jurists and juries in all Courts* to begin to make the predators restitute their prey ("TruthIsPrudence") and *end ordering* the prey to honor, even pay money to, their predators ("Jurisprudence") instead.
- 8 **True**, **TruthIsPrudence** of *reasonably* model brains insures *freedom* of forensic experts, jurists and lawyers from *slavery* to **JurIsPrudence** of *unreasonably* model brains since time began ages ago.
- 9 **True**, **JurIsPrudence** is *still* everyone's *Official Problem* *costing* people taxes in *trillions* and **TruthIsPrudence** is *still* everyone's *Official Solution* *saving* people taxes in *trillions*.
- 10 **True**, stupid people *paying more for Injustice have to become* smart people *to pay less for Justice.*
