**SUCCESSOR TRUSTEE'S MOTION FOR APPOINTMENT OF A
GUARDIAN AD LITEM TO REPRESENT THE INTERESTS OF
ELIOT BERNSTEIN'S CHILDREN; FOR A GAG ORDER TO PROTECT
GUARDIAN AND OTHERS; AND TO STRIKE ELIOT'S FILINGS**

Successor Trustee, Ted S. Bernstein (the "Trustee"), moves the Court (i) to appoint a guardian ad litem to represent the interest of the children of Eliot Bernstein, D.B., Ja.B. and Jo.B.; (ii) to impose a gag order preventing Eliot from harassing and intimidating the retained or appointed fiduciaries (including any newly-appointed Guardian ad Litem), as well as all professionals and the Court; and (iii) for an order striking all of Eliot's filings in this case for lack of standing, and states:

1. Plaintiff, Ted S. Bernstein, as Successor Trustee of the Shirley Bernstein Trust Agreement dated May 20, 2008, seeks the appointment of a guardian ad litem to protect the interests of Eliot Bernstein's three children. By its ruling at the trial held on December 15th, the Court upheld the 2012 Will and Trust of Simon L. Bernstein and the 2008 Will and Trust of Shirley Bernstein. As a result of upholding these documents, the Court has determined that Eliot Bernstein, individually, is not a beneficiary of either Simon's or Shirley's Trusts or Estates. Instead, his three sons are among the beneficiaries of both Simon's and Shirley's Trusts, in amounts to be determined by further proceedings. Eliot lacks standing to continue his individual involvement in this case.

2. Based upon the events which have transpired and the pleadings and other papers filed by Eliot in this case, including statements in his Omnibus Petition to the Florida Supreme Court and his latest Motion to Disqualify this Court, the Trustee does not believe that Eliot is capable of adequately representing the interests of his children or willing to enable the Trustee to carry out Simon's and Shirley's wishes to benefit their grandchildren. Indeed, since the trial and the resulting Final Judgment, Eliot has increased his attacks on this Court and these proceedings.

3. Eliot shows no interest in seeing his parents' trusts and estates administered in an economic and efficient process to maximize the distribution among their grandchildren. Instead, he is on a never-ending crusade against injustice and corruption among judges, lawyers, fiduciaries, and others, including the Florida Supreme Court and the Florida Bar. In a recent filing, a *Motion for Rehearing En Banc* (Ex. A) of the dismissal of his "Petition for All Writs,"¹ he wrote:

¹ The Petition for All Writs sought prohibition against Judge Colin (who already recused himself in May) and an extraordinary writ to stop a routine, court-approved sale of Trust property. The sale would have closed March 31, 2015 but for Eliot's interference, and these delays will have cost the Trust far in excess of \$150,000 by the time of the eventual closing.

That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father . . . The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, *including multiple Frauds on the Court and Fraud by the Court itself . . .*

. . . many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritance and more.²

4. Further, because of Eliot's penchant to attack and try to exert pressure on fiduciaries, counsel and others who oppose his wishes, the Trustee believes it is necessary to enter an Order prohibiting Eliot and anyone acting in concert with Eliot from harassing the fiduciaries, counsel, and others, including any newly appointed Guardian ad Litem, and from disseminating or publishing by any manner or on any website any information about these matters. This internet cyber-bullying or cyber-terrorism has been ongoing for more than two years. (Composite Ex. C)

² These thoughts are similar to thoughts he expressed on an internet website, praising a "heroic" lawyer who is crusading "to whistle blow on the corruption of the Florida Courts and its members that she has witnessed firsthand committed by attorneys at law, guardians and the judges involved in her mother's guardianship in what can only be called an elder eugenics program designed to at once kill the victims entrapped and simultaneously deplete virtually their entire net worth from the family and covert it to the court appointed guardians and attorneys at law, while providing the courts with funding as well." (Ex. B)

Eliot ties that to his parents' trusts: "I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, . . . with the help of two Florida Probate Judges, David French and Martin Colin."

5. Eliot appears more interested in ruining lives and reputations by cyber-warfare than in seeing these proceedings come to a conclusion. Eliot has exhibited a pattern of irrational behavior, demonstrated by threats of criminal prosecution and slanderous statements made in an attempt to exert pressure on the fiduciaries. Eliot's behavior has reached such deplorable levels that he continues to malign and disparage all of the fiduciaries – counsel, the independent Successor PR of Simon's Estate, and everyone else who stands in his way – personally and professionally. Eliot disseminates inflammatory and defamatory information over the internet without any regard for the negative impact such information may have.

6. Two recent examples of Eliot's wasteful conduct already have costs the beneficiaries significant real dollars. Eliot opposed the sale of his parents' primary residence, which was on the market nearly four years before a serious offer was made. The all-cash, "as-is" offer was set to close on March 31st. Eliot persuaded Judge Colin to delay the sale – at significant expense to the Trust – so he could challenge the sale price as inadequate. After a six-week delay, Eliot presented no witnesses and no evidence, and the sale was approved in a final order. Eliot did not appeal the order, but filed his All Writs Petition to the Florida Supreme Court. The sale has yet to close due to Eliot's filings – including a Motion for Rehearing En Banc and a Notice of Appeal to the Florida Supreme Court. This already has cost the Trust far more than \$100,000 of the value it would have realized in March. Similarly, after claiming his father's 2012 testamentary documents were the product of mental incapacity, undue influence or fraud, at trial Eliot produced no witnesses or testimony to corroborate those baseless accusations. He did not even testify himself on any of the issues he raised. The Trust incurred substantial legal fees and costs addressing Eliot's fantastical claims.

7. Eliot will never stop until a court stops him. Now is the time for such drastic measures, while there are still some assets left for his children and the other grandchildren to receive as distributions. In light of the Final Judgment dated December 16, 2015, upholding Simon's 2012 documents, Eliot is not a beneficiary of the Shirley Trust or the Simon Trust. As such, he lacks standing to participate as an individual. All of his individual filings should be stricken with prejudice. His filings in his capacity as guardian of his children should be conditionally stricken, without prejudice to the Guardian ad Litem seeking leave of court to pursue such claims and issues as the Guardian deems to be in the best interests of Eliot's children.

8. Finally, the Court should order Eliot Bernstein and others acting in concert with him to remove all internet postings about the judges, lawyers, fiduciaries and others involved in these matter, and preclude any further public or widespread dissemination of information about these proceedings. The Court should be aware that Simon's grandchildren are all starting their lives, and the "garbage" Eliot puts on the internet will be following along with these innocent grandchildren for the rest of their lives. As the fiduciary responsible to act in the best interests of the grandchildren, the Trustee requests that the Court enter a confidentiality or "gag" order to protect their interest.

WHEREFORE, the Trustee respectfully suggests that this Court: (i) appoint a Guardian Ad Litem for Eliot's three children; (ii) enter a confidentiality or "gag order" to protect the integrity of these proceedings and to safeguard the ability of fiduciaries, including a Guardian Ad Litem, to act independently and in the best interests of the beneficiaries; (iii) strike and/or dismiss all of Eliot's filings in this case as described above for lack of standing; and (iv) grant such other relief as the Court deems appropriate.

ELIOT BERNSTEIN

v. ESTATE OF SIMON BERNSTEIN

Appellant / Petitioner(s)

Appellee / Respondent(s)

Motion for Rehearing En Banc

Eliot I. Bernstein, Petitioner-Appellant herein, respectfully shows this Court as follows:

1. I am the Petitioner Pro Se and file this Motion for a Rehearing En Banc of this Court's determination and dismissal of a prior petition for All Writs further seeking a Stay and Injunctive relief originally filed at the Florida Supreme Court on June 10, 2015, and re-filed on June 30, 2015 to conform with page requirements.
2. While acting pro se, I nonetheless express a belief that this case and issues are of exceptional importance under Florida Rules of Appellate Procedure 9.331.
3. The motion is further timely within Florida Rules of Appellate Procedure 9.330.
4. This Court originally issued a Decision on Nov. 30, 2015 Dismissing the All Writs Petition as "Moot" but in the caption of the Decision it only referenced the Writ of Prohibition making it unclear if the other portions of Petitioner's All Writs were Dismissed as well as

“moot” as Petitioner was seeking Mandamus relief against Florida Judge Martin Colin and other relief such as a Stay and Injunctive relief.

5. Petitioner initiated a procedural phone call to the 4th DCA on or about Nov. 30, 2015 the same day of the Decision to determine the procedure for such a Clarification and originally was told by the Clerk Staff from the 4th DCA the Dismissal applied to the entire petition.
6. Very shortly thereafter, in order to be clear on this Court’s ruling, Petitioner made a subsequent call on that same day of Nov. 30, 2015 speaking to the same 4th DCA Clerk Staff to again seek procedural guidance on how to clarify this ruling and the 4th DCA Clerk stated “they told me” the Dismissal applied to all parts of the Petition referring to the original Decision of Nov. 30, 2015 which Denied the Writ of Prohibition as “Moot” and referenced Oct. 15, 2015 as the filing date of the Petition which was filed June 30, 2015 at the Florida Supreme Court.
7. The 4th DCA Clerk clarified that this filing date was the date the All Writs Petition was Transferred by the Florida Supreme Court.
8. Within 15 minutes to a half hour or less on Nov. 30, 2015, I received an Amended copy of this Decision which now referenced the filing date of July 1, 2015 and Denying the entire Petition as “moot”.

This is a Case of Exceptional Importance

9. The Petition for All Writs brought up for the Florida Supreme Court the appropriateness of even ruling on the Petition for All Writs based upon a warned Conflict of Interest stemming from the following Petitioned in the All Writs:

“Eliot Ivan Bernstein has pursued in investigations since early 2000 to present, including a Petition to the White House¹, the White House Counsel’s Office, the US Attorney General’s Office, investigations to the SEC², FBI, and various State Attorney Generals, and actions with the USPTO, and other legal actions, including RICO and ANTITRUST civil litigation and criminal complaints several Florida Supreme Court Justices, The Florida Bar, several New York Supreme Court Justices, the New York Supreme Court Disciplinary Agencies 1st & 2nd, several large law firms and lawyers, political figures at the highest levels in both Florida and New York and others and this may cause any review of the following matters by any member of The Florida Bar, a subsidiary of the Florida Supreme Court, with any title in the organization, to prejudice the rights of Eliot Bernstein and his family and will be construed as a denial of due process that obstructs justice.”

10. This Conflicts of Interest section went on to further expressly name the following:

Defendants in the RICO and other actions include:

- OFFICE OF THE STATE COURTS ADMINISTRATOR, FLORIDA,

11. A simple review of the cited resource locator in the All Writs Petition at

<http://www.iviewit.tv/CompanyDocs/United%20States%20District%20Court%20Southern%20District%20NY/20090325%20FINAL%20Intel%20SEC%20Complaint%20SIGNED2073.pdf>

would show any reviewing body or jurist that the underlying frauds at issue having been reported to the White House, White House Counsel's Office, US Attorney General's Office and various Federal Agencies such as the FBI implicate an ongoing Fraud upon the United States itself being fraud at the USPTO.

12. Even without reviewing the information at this resource locator, the plain text at the All Writs Petition further showed that the frauds had now elevated into Estate and Trust frauds within the State of Florida and the possible murder of Simon Bernstein and further implicating members of the Florida Supreme Court and Florida Bar as follows:

“That the Florida judicial system has not only failed Bernstein twice in protecting his properties, life and liberty but it has played a significant role in the alleged criminal acts committed against Petitioner, his family and now perhaps has led to the death of his father, as alleged by Petitioner's brother Ted as a possible “murder.” The recent criminal acts committed by Florida Bar attorneys and fiduciaries of the estates and trusts of Simon and Shirley Bernstein. These estate and trust crimes part of a fraudulent scheme and an attempt to rob and preclude Petitioner from inheritance, through Post Mortem crimes committed

after the passing of his mother and father Shirley and Simon Bernstein through sophisticated complex legal frauds, including multiple Frauds on the Court and Fraud by the Court itself, with irrefutable evidence of criminal acts by lawyers and law firms and now new allegations that Judges are involved on the attempt to fix and silence the crimes of other members of the Florida Bar and others.

That in the original instance of fraud that occurred against Petitioner and his family in the Courts, many of the Florida Supreme Court Justices named herein may recall that Bernstein in early 2000 began pursuing members of the Florida Bar from a case that began with Jorge Labarga and the international law firm Proskauer Rose intimately involved in thefts of technologies valued as "The Holy Grail" and "Priceless" by leading engineers and when Judge LaBarga was a circuit court judge in Palm Beach County and the complaints against the lawyers and judges involved made their way all the way up to the Supreme Court and why many of the Florida Supreme Court Justices are named in all ongoing actions, including the instant matters involving the fraud on the court of Judge Martin Colin and Judge David French, where yet again we find members of the Florida Bar, two Florida judges and several more Florida attorneys at law involved in the criminal acts described herein and again using the Florida Courts to directly deprive Petitioner and his family of their rights and further retaliate against Petitioner to directly attempt to stop his pursuit of his Intellectual Property rights, his inheritance and more.

These matters are brought expressly to the forefront of this case so matters of conflicts of interest may be properly adjudicated even in the hearing of the instant petitions for writs and other relief and for consideration as to whether the entirety of these matters should be transferred to a jurisdiction outside the State of Florida and other proper relief. " See, Petition for All Writs.

13. The case is thus of not only exceptional importance but statewide importance as not only implicating related ongoing frauds upon the United States but the fundamental Due Process issue of whether the Florida Courts themselves can be an appropriate forum for the Petitioner given the current Florida Supreme Court Judge Jorge Labarga's involvement in the underlying frauds along with substantial members of the Florida Bar including Jerald Beer of the Ciklin, O'Connell law firm now in a case where possible murder has been alleged.
14. Thus the case should be heard En Banc as exceptional importance is shown.
15. Clearly neither the Florida Supreme Court nor this Court of the 4th DCA addressed the exceptional important issue of whether the fundamental due process can be served with the

Conflicts of Interest referenced in the petition and thus this part of the Petition was clearly overlooked and / or misapprehended.

16. Clearly the exceptional importance of the statewide due process conflict of interest issues are not moot and these matters were overlooked or misapprehended.

Other Issues Overlooked, Misapprehended and Not Moot

17. The Petition for All Writs further brought up mandamus against Judge Martin Colin to issue a Disqualification as a necessary and material fact witness and void all of his orders therein where clear fraud upon the Court has occurred and Judge Colin himself may be part of the machinery of the Court involved in the fraud.

18. While not stated in this Court's Decision, it was argued by Alan M. Rose on behalf of Ted Bernstein to this Court that due to Judge Colin's "recusal" which came within 24 hours of denying the mandatory Disqualification as a necessary and material fact witness rendered the Writ "moot".

19. However, this again must have been overlooked and misapprehended.

20. Judge Colin's sudden "recusal" does not change and did not change his status as a material fact witness in underlying fraud in his court which, quite interestingly, expressly involves Ted Bernstein who Alan Rose is representing.

21. Judge Colin remains a material fact witness and thus, this part of the Petition for All Writs was clearly not moot and mandamus should issue immediately so proper Disqualification Orders can be issued.

22. Further, the Petition brought up for review Judge Colin's "steering" and "poisoning" of the "Transfer" of the Case to the North Branch acts which were and are alleged to have been

beyond and outside his jurisdiction as one who mandatorily had to be disqualified under Florida law.

23. Once it is properly determined that Judge Colin should be mandatorily disqualified and subject to mandamus, all of these wrongful acts of Transfer without jurisdiction are clearly presently relevant to the case and must have been overlooked and or misapprehended by this Court and clearly were not and are not moot.
24. Further, the Petition for All Writs brought up for review under mandamus that Judge Colin's Orders issued as having been what should have been a Disqualified material fact witness at least as of Jan. 3, 2013 or by latest May of 2013 based upon when clear indisputable fraud had to have been discovered in his Court, that such Orders must be Voided.
25. In fact, the property referenced by Alan Rose to be sold was part of an illegal Order of Judge Colin grounded in fraud as a material fact witness and prohibiting this sale clearly is not moot and must have been overlooked and misapprehended.
26. This Court must have overlooked or misapprehended this part of the Petition as all of these Orders since either Jan. 3, 2013 or at least May 6, 2013 forward must now be Voided and clearly these Orders are presently impacting the Case and thus are not moot.
27. Still further, the Petitions sought specified Stay and injunctive relief none of which was or is moot and thus this Court must have overlooked and or misapprehended this part of the Petition as well.
28. Clearly the Petition for All Writs has substantial case law authority which should have been relied upon if the Petition had not been overlooked and / or misapprehended and Petitioner simply refers this Court back to the All Writs Petition for said authorities to stay in conformity of the rules preventing re-argument.

WHEREFORE, Petitioner respectfully prays for an Order granting En Banc rehearing relief and further issuing mandamus against Judge Colin as a material and fact witness, voiding of all Orders of Judge Colin since at least Jan. 3, 2013 or May 2013 to the present and further determination as to the impropriety of the interference in the orderly Transfer of this case to the North Branch thus transferring the case to a randomly selected independent neutral Judge unless the conflict of interest issues raised by any hearing within the State of Florida determine transfer outside the State and further that this Court should provide affirmative review of said Conflicts of interest in any further Order or Decision herein or alternatively certify the conflicts of interest and due process issue to the Florida Supreme Court as an exceptional issue of statewide and novel importance.

who has been taken in for emergency lifesaving procedures due to the neglect she has suffered since imprisonment in the guardianship.

In attempting to expose this corrupt guardianship and those involved Barbara has done everything required under law and in response and retaliation her due process rights were removed and she was portrayed as a criminal and in fact criminally arrested by Judge Genden's bizarre orders for her efforts to protect her mother. She and her mother have been denied due process and the right to counsel and I witnessed in Federal Court before Magistrate Judge Hunt in Florida an attorney, Deborah Rochlin, Esq. state on the stand under oath that Judge Michael Genden had issued threats against her in Ex Parte communications that if she continued to represent the Stone family she would be targeted for disciplinary actions and more, which caused her in fear of losing her livelihood to immediately withdraw from representing the Stones. However, in heroic fashion and duty bound to report the misconduct of attorneys at

who has reviewed the Barbara Stone complaint attached herein against Judge on against Barbara who is desperately trying to save her mother's life and in attorney at law with an unblemished career through her eventual retirement on of the Florida Courts and its members that she has witnessed firsthand her's guardianship in what can only be called an elder eugenics program tually their entire net worth from the family and covert it to the court appointed ell. law and judges under Florida Rules of Professional Conduct, Ms. Rochlin did just that by signing a sworn affidavit stating that she was contacted by Judge Genden and a one Roy Lustig, Esq. and extorted and threatened. For this heroic act and following her duty to report misconduct, Judge Genden filed a bar complaint against Ms. Rochlin.

In Federal Court, it was exposed that Roy Lustig, Esq. has a pattern and practice of Fraud on the Court that was exposed by the Third DCA in a case involving Leo's Liquor and yet despite the courts recommendation for State Bar Sanctions and more, it appears Mr. Lustig walked protected by the State Bar of Florida and no action was taken despite his fraud on the court being proven by the court. In the hearing before Magistrate Judge Hunt however, Lustig made statements that appeared to claim that Barbara Stone, Esq. was not a lawyer and that she was some kind of fraud and this swayed and biased the opinion of Magistrate Judge Hunt so much so that he made his own efforts to discover if she were a lawyer and then in an opinion to Judge Zolch stated Barbara was a liar and not forthright with the Court. However, due to lack of diligence it appears that no one had checked her married name and thus both Judge Hunt and Lustig then had mud on the face. To resolve this problem it appears that despite Barbara having been a retired attorney at law with a blemish free career, the Florida Supreme Court through the aegis of its subsidiary The Florida Bar instantly moved to DISBAR Barbara Stone, Esq. on trumped up charges relating to her efforts to free her mother from the concentration camp she is in.

I have witnessed firsthand this same racket in the Florida Probate Courts as my family's estate and inheritance have been desecrated and robbed by Florida Attorneys at Law, including but not limited to, Robert L. Spallina, Esq., Donald R. Tescher, Esq. and Alan B. Rose, Esq. all with the help of two Florida Probate Judges, David French and Martin Colin. Attorneys Tescher and Spallina through their law firm Tescher & Spallina, PA have admitted to fraud on the court and fraud on the beneficiaries and have also admitted to submitting to the courts fraudulently notarized and forged signatures for six parties, including for my deceased father POST MORTEM and yet they have been allowed to continue to practice before the courts and the Florida Bar despite being fully aware of these crimes has done NOTHING to any of the attorneys involved, in fact, allowing Spallina to merely surrender his license without discipline despite his admitted felony criminal acts against my family, including three minor children who have been harmed by their actions. My brother on the day my father died alleged that he was murdered by poisoning and started a criminal complaint and autopsy that have also been mishandled once it was apparent that the person accused, his girlfriend was most likely innocent if he were murdered and now due to the financial crimes and fraud committed by the Attorneys at Law the potential accomplices to any murder may in fact be members of the Florida Bar who may have had a hand in any foul play due to the fact that they are the ones who have committed felony criminal acts and financial crimes against the estates and trusts beneficiaries for their own pecuniary gains. After a year a heavy metal test was finally performed and the results came back with 3 heavy metals elevated to reportable levels, including but not limited to, Arsenic and Cadmium. The attorney and judge self-regulating system of the Florida Bar and Judicial Qualifications Commission (which have no authority or jurisdiction to interfere in criminal complaints against their members) have become a joke and actually appear to be attorney protection agencies to protect the crimes being committed through the use of the courts by their members and steering and interfering with criminal charges made against members to Police and Sheriff agencies to derail the criminal investigations. Ms. Stone has also filed criminal charges against Michael Genden for his threats and extortion made upon her counsel and yet not a single law enforcement agency will investigate her criminal complaint filed in accordance with Florida Statutes. For Shame on our corrupted legal system that appears to start at the top and perverse the entire body of law in Florida and any lawyer standing up to this is instantly Witch hunted and Disbarred, effectively destroying their lives or forcing them to complicity in fear of their extorters.

My case is currently before the Supreme Court of Florida and can be found @

The crimes in these Probate cases have also caused multiple other actions to be filed both state and federally at great expense to the victims all due to criminal misconduct by Attorneys at Law and Judges. In fact, arrest has now been made of the Legal Assistant and Notary Public for Tescher & Spallina PA and similar arrest and investigation of the Attorneys at Law and Judges are underway but it appears that these may have been stymied, delayed and potentially derailed by interference in the criminal investigation by Judge Colin, which is currently under investigation as well.

All of the family estate problems may also be linked to another series of crimes still being pursued committed against both my father and myself involving Intellectual Property Thefts committed by our attorneys at law from Proskauer Rose, LLP and Foley & Lardner LLP for IP valued in the billions to trillions and which led my filing a RICO and ANTITRUST civil lawsuit that was subsequently related a New York Supreme Court Attorney Disciplinary Department Whistleblower Lawsuit of Christine C. This lawsuit will shortly be petitioned to be reopened due to the alleged new RICO violations in the Florida Probate Courts, including new predicate acts of, Alleged Murder of Simon Bernstein, Fraud, Forgery, theft of estate and trust assets and more, all crimes again primarily committed by attorneys at law. The Florida Courts have been infected by criminals and it appears a top down takeover. Since you are at the top of the regulatory agency that is responsible for protecting the citizens of Florida from rogue and dangerous criminals disguised as Attorneys at Law and Judges I anticipate your immediate response to both Barbara and my own cases, seeking full investigation by the State Bar and JQC and joining the necessary State and Federal Criminal authorities as you are duty bound to do when members of your cartel are alleged by citizens to have committed felony acts and used the Courts as their vehicle to commit crimes. Recently, large amounts of Press have exposed the guardianship abuses running rampant in Florida and similar to the home foreclosure fraud in Florida, the crimes are being committed by "attorneys at law" and further aided and abetted by "judges" all members of an organization headed by you and where nothing is being done by your agency to take any action other than to protect the accused and aid and abet in the evasion of their criminal prosecutions.

TO: JUDGE EVANDER

RE: RETALIATION AGAINST BARBARA STONE FOR WHISTLEBLOWING ON GUARDIANSHIP ABUSE IN

THE STATE OF FLORIDA AND REPORTING THE CRIMES OF MICHAEL GENDEN AND THE FLORIDA BAR

FROM: BARBARA STONE

DATE: AUGUST 7, 2012

CC: MEDIA, LEGISLATORS AND OTHER INTERESTED PARTIES

Dear Judge Evander:

I am in receipt of the retaliatory disbarment against me for my reporting alleged criminal misconduct and wrongdoing of attorneys and judges as mandated by the Florida Bar rules. I am also in receipt of the retaliatory notice of disbarment that was filed of record in my Federal lawsuit against Michael Genden which was improper, an abuse of power and for apparently for the purpose of further prejudicing my case.

I had expected you would investigate the crimes alleged against Michael Genden who is alleged to be engaged in heinous crimes of extortion, exploitation, holding my mother hostage and in grave danger instead of retaliating against me for exposing crimes as a mandated reporter under the Florida Bar Rules of Professional Conduct.

It would seem that Honorable Judges would not want their profession to be tainted by judges who use the courts to engage in **alleged criminal racketeering activity and financial fraud on the order of a PONZI SCAM involving guardianship abuse**. As you are aware the State of Florida and Governor Rick Scott are trying to reform this widely reported predatory crime that runs rampant in the legal and judicial system in the State of Florida Courts whereby Elderly adults are being abused and financially devastated through the misuse of the Court system by rogue and dangerous Attorneys at Law and Judges. This dirty "secret" of guardian abuse and exploitation is so rampant that one legislator referred to these predators as "cockroaches."

I brought my mother to "guardianship court" to protect her and Michael Genden and Roy Lustig and predator "guardians" masterminded a Machiavellian scam to steal my mother, strip her rights, drug and abuse her until she is incoherent and extort her assets. These predators then rabidly escalate, retaliate and attack me to silence me from exposing this diabolical racket and **to divert, avoid, evade, dodge, obstruct, block, impede, thwart, cover up the criminal response to their alleged crimes by attacking their accuser.**

I should be lauded for exposing the vile practice of terrorizing vulnerable adults in predator guardianships instead of attacked by vicious retaliation by judges no less.

It is hardly "judicial" for the State of Florida to maintain a practice through its

"probate/guardian" courts of slowly murdering vulnerable elderly adults by isolating them, depriving them of food, drugging them mercilessly until they are incoherent, removing them from their family so these crimes can be committed in secret, warehousing them in deplorable nursing homes and then retaliating against anyone trying to expose the crimes, including outstanding and long serving respectable members of the Florida Bar such as myself.

Please read the information attached herein. **These news stories and personal stories tell a tale of fraud and crimes and cover up in guardianship and probate courts so horrific that it is impossible to fathom. We are in a crises -reform cannot be instituted soon enough.** Steven King the master of macabre could not even contemplate the Machiavellian horrors devised by attorneys Roy Lustig and Steven Hertz (the husband of guardian Jacqueline Hertz) and others of their ilk who have **masterminded this guardianship probate racketeering scheme of theft** for years to the point where the problem has spread like wildfire and is endemic. One of the best exposes is reported by Marti Oakley, expert on guardian abuse in this YouTube that must be heard:

https://ppjg.files.wordpress.com/2014/05/rense_oakley_062911.mp3

The 3rd DCA exposed Roy Lustig's fraud and corruption in the case of Leo's Gulf Liquors v. Lakhani No. 3D00-130, 802 So. 2d 337 (2001) where he was found guilty of fraud on the court, repeatedly lying under oath and perjury. Yet due to the failure of that Court to refer him to the State Attorney and the Florida Bar as reported by the Sun Sentinel, the Florida Bar did not take disciplinary action against him, in fact they have colluded with him in retaliation against me yet Lustig who engaged in misconduct so brazen that although courts rarely issue such rulings against an attorney, they found Lustig's conduct so abhorrent they issued a scathing opinion against him.

Due to the lack of prosecution by the Florida Bar or criminal authorities, he is unafraid of retribution and has now perfected his fraud on and in the court to terrorize and extort elderly adults. Lustig deliberately perjured a guardian report and fabricated pleadings in my case denying the life threatening condition of my mother thereby repeatedly placing my mother in grave danger all while Judge Genden aided and abetted and refused to take judicial action, instead retaliating against me and destroying my life to shut down my efforts to expose what is now fast becoming public knowledge.

Thus my mother, a once vital, healthy self-sufficient woman in need of only a short term financial guardianship was corralled into this vicious medically induced guardianship and now languishes in a disgusting nursing home, diapered, drugged, isolated, her stomach cut open to shove a feeding tube (a criminal battery) into her without need and she has almost died repeatedly. My mother has not eaten food or water in almost 2 years. These are hate crimes, crimes of ISIS terrorists posing as attorneys and judges and guardians. To remove and isolate an elderly woman from her daughter in the remaining years of her life is an act of malice and cruelty by someone devoid of morals. It is certainly not the act of a judge.

Jacqueline Hertz, now recently deceased was a master of this depraved human trafficking racket orchestrated in conjunction with Florida Bar members acting as Judges and Lawyers who are all involved in the feeding frenzy to rob family estates statewide.

When I reported and exposed alleged criminal acts to the Florida State Bar, the Judicial Conduct Commission and state and federal authorities, Genden in an monumental abuse of power, removed not only my access to the Court, but revamped the filing system to secret away the court documents from the public in violation of the Constitution to attempt to cover up the crimes of the probate Court and the Court appointed Guardians and Attorneys at Law.

My whistleblower complaint filed with the Supreme Court exposes this charade of justice and the incompetent system of having lawyers oversee the discipline of other lawyers and judges instead of having them independently investigated and criminally prosecuted. This self-regulating system is inherently conflicted and unconscionable and must be reformed by the use of independent investigatory agencies.

The cover up and whitewashing of violations of canons, ethics and crimes has exploded because there is no accountability and discipline. Christine Anderson, Esq. another whistleblower attorney in New York who was an insider in the disciplinary system attempted to expose the widespread corruption of the failed and criminal disciplinary system and she like myself was grossly retaliated against. Joanne Denison, Ken Ditkowsky and Lanre Amu exposed the corruption in Illinois and were suspended or disbarred. Other attorney whistleblowers across the country including Teddy Moore and Cole Stuart have been retaliatory disbarred or suspended for exposing the crimes of other lawyers and judges, their only crimes.

Wilfredo Ferrer, the Miami USDA said in an interview with Steven Kroft on 60 minutes that Miami is the most corrupt city in the country. Is this how the State of Florida wants to be identified?

1. Stripping an elderly adult of their Constitutional and civil rights, denying their due process, forcing them into medically induced guardianship, terrorizing and abusing them and extorting their assets and property while family members futilely try to free them, off their rights and stealing and extorting their family assets?
2. Protecting and covering up alleged crimes by so called “attorneys” and “judges” who operate a racketeering enterprise rife with corruption and fraud?. My mother confided to me on a recorded line that she was in fear of her life –that strange “aides” and other unknown persons from barely legitimate “care agencies” hired by Hertz and Lapides were coming into her home every day, stealing her food, her money and drugging her until she was incoherent. These substandard agencies were used by these predators, Hertz and Lapides to deprive my mother of quality care so her assets could be diverted to Hertz, Lapides and Lustig.
3. Retaliating against many witnesses who saw and reported my mother’s drugging, abuse, the deprivation of food and other heinous crimes? Michael Genden denied my mother the right to counsel to keep the racket under wraps and further denied me the right to independent counsel and to file Pro Se virtually stripping my rights to due process in his racketeering enterprise. Another Attorney at Law, Debra Rochlin exposed in an affidavit that Michael Genden threatened her to force her to cease representing my mother and myself or he would file a bar complaint against her. She was so fearful that she withdrew as counsel in fear of her livelihood, leaving her exposed to vicious retaliation and leaving my mother defenseless. Despite her withdrawal, Genden then viciously filed a Florida Bar Complaint against her in efforts to destroy her life as he has done mine and my mothers’ and any party exposing his malice.
4. Enabling and covering up for a judge who is engaged in terrorist crimes against a vulnerable elderly woman and her daughter in a court that has descended into a terrorist enterprise?
5. Abetting a judge who isolates an elderly woman from her daughter and keeps her caged in a lock down unit where she is denied all visitors so she can be abused and extorted in secrecy? Please refer to the fraudulent invoices of these predators set forth in link on the enclosures.
6. Abetting a judge who issues orders that are a product of fraud, perjury and fabrication in order to defraud an elderly woman?
7. Abetting a judge who engages in extortion, threats, retaliation and knowingly and intentionally endangers the life of an elderly adult?
8. Abusing the Federal and appellate courts in the State of Florida that are presided over by Florida Bar members to cover up

and shield Michael Genden issuing brazenly irrational and retaliatory rulings that have no semblance of legitimacy. This is obvious in the “ruling” by Judge Kathleen Williams (apparently a “hand-picked” judge as she is familiarly referred to as “Kathy” by Genden and Lustig) wherein she stated in an order issued June 2, 2014 that even if Ms. Stone raised sufficient concerns about the danger to her mother, **she did not know how removing the guardians would alleviate that concern.**

There is not even a semblance of due process in any of my matters where emergency petitions are ignored, and judges are hand selected. The lack of due process is so open that an order was issued by one judge “hand-selecting” another conspiratorial judge to “preside” over the retaliatory “disbarment” of me, a retired attorney in direct violation of the rules that mandate blind assignment.

It should be obvious that in none of my lawsuits, appeals or other legal actions, THERE HAS NEVER BEEN AN EVIDENCIARY HEARING NOR HAS MICHAEL GENDEN EVER RESPONDED TO ANY OF THE ALLEGATIONS.

Instead, there is a rush to deny my due process, obstruct my justice, and aid and abet Michael Genden to enable him to avoid accountability for his alleged criminal acts and violation of judicial canons and ethics.

What is apparent is that the Courts, the Prosecutors, the Judges, the Attorneys at Law involved are all working together to protect and cover up alleged crimes by so called “attorneys” and “judges” that operate a racketeering enterprise rife with corruption and fraud. Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community and the courts who fail to provide accountability and are tainting the legal process.

Judicial misconduct is running unchecked in all courts across the State of Florida, particularly in the very courts where families require the most protection—probate/guardian, family court, bankruptcy and foreclosure. Families are being destroyed by the very courts who should serve justice. Judges as in the case of my retaliatory disbarment are hand selected to silence reports of crime and misconduct. Lawyers and judges have fiduciary duties to insure the integrity of the judiciary and the legal system. A task force is urgently needed to address this tsunami of corruption/human trafficking.

Judges who commit crimes should be investigated and removed from the bench, not protected by the judicial community. The Federal and appellate courts who fail to provide accountability are subverting and perverting the legal process.

I came to Court to protect my mother. Instead we have been embroiled in a nightmarish vicious racket of criminal acts so depraved, they transcend comprehension.

This will request that Michael Genden be removed from the bench and an immediate independent investigation of these alleged criminal acts be commenced. Again, I provide you with the guardian playbook by which these crimes are committed and a request to return ethics, legitimacy and justice to the judiciary.

Sincerely,

Barbara Stone

RE: RETALIATION AGAINST BARBARA STONE FOR WHISTLEBLOWING ON GUARDIANSHIP ABUSE IN THE STATE OF FLORIDA AND REPORTING THE CRIMES OF MICHAEL GENDEN AND THE FLORIDA BAR

FROM: BARBARA STONE

DATE: AUGUST 7, 2012

CC: MEDIA, LEGISLATORS AND OTHER INTERESTED PARTIES

Dear Judge Evander:

I am in receipt of the retaliatory disbarment against me for my reporting alleged criminal misconduct and wrongdoing of attorneys and judges as mandated by the Florida Bar rules. I am also in receipt of the retaliatory notice of disbarment that was filed of record in my Federal lawsuit against Michael Genden which was improper, an abuse of power and for apparently for the purpose of further prejudicing my case.

I had expected you would investigate the crimes alleged against Michael Genden who is alleged to be engaged in heinous crimes of extortion, exploitation, holding my mother hostage and in grave danger instead of retaliating against me for exposing crimes as a mandated reporter under the Florida Bar Rules of Professional Conduct.

It would seem that Honorable Judges would not want their profession to be tainted by judges who use the courts to engage in **alleged criminal racketeering activity and financial fraud on the order of a PONZI SCAM involving guardianship abuse**. As you are aware the State of Florida and Governor Rick Scott are trying to reform this widely reported predatory crime that runs rampant in the legal and judicial system in the State of Florida Courts whereby Elderly adults are being abused and financially devastated through the misuse of the Court system by rogue and dangerous Attorneys at Law and Judges. This dirty “secret” of guardian abuse and exploitation is so rampant that one legislator referred to these predators as “cockroaches.”

I brought my mother to “guardianship court” to protect her and Michael Genden and Roy Lustig and predator “guardians” masterminded a Machiavellian scam to steal my mother, strip her rights, drug and abuse her until she is incoherent and extort her assets. These predators then rabidly escalate, retaliate and attack me to silence me from exposing this diabolical racket and to divert, avoid, evade, dodge, obstruct, block, impede, thwart, cover up the criminal response to their alleged crimes by attacking their accuser.

I should be lauded for exposing the vile practice of terrorizing vulnerable adults in predator guardianships instead of attacked by vicious retaliation by judges no less.

It is hardly “judicial” for the State of Florida to maintain a practice through its “probate/guardian” courts of slowly murdering vulnerable elderly adults by isolating them, depriving them of food, drugging them mercilessly until they are incoherent, removing them from their family so these crimes can be committed in secret, warehousing them in deplorable nursing homes and then retaliating against anyone trying to expose the crimes, including outstanding and long serving respectable members of the Florida Bar such as myself.

Please read the information attached herein. **These news stories and personal stories tell a tale of fraud and crimes and cover up in guardianship and probate courts so horrific that it is impossible to fathom. We are in a crises -reform cannot be instituted soon enough.** Steven King the master of macabre could not even contemplate the Machiavellian horrors devised by attorneys Roy Lustig and Steven Hertz (the husband of guardian Jacqueline Hertz) and others of their ilk who have **masterminded this guardianship probate racketeering scheme of theft** for years to the point where the problem has spread like wildfire and is endemic. One of the best exposes is reported by Marti Oakley, expert on guardian abuse in this YouTube that must be heard:

https://ppjg.files.wordpress.com/2014/05/rense_oakley_062911.mp3

The 3rd DCA exposed Roy Lustig’s fraud and corruption in the case of Leo’s Gulf Liquors v. Lakhani No. 3D00-130, 802 So. 2d 337 (2001) where he was found guilty of fraud on the court, repeatedly lying under oath and perjury. Yet due to the failure of that Court to refer him to the State Attorney and the Florida Bar as reported by the Sun Sentinel, the Florida Bar did not take disciplinary action against him, in fact they have colluded with him in retaliation against me yet Lustig who engaged in misconduct so brazen that although courts rarely issue such rulings against an attorney, they found Lustig’s conduct so abhorrent they issued a scathing opinion against him. Due to the lack of prosecution by the Florida Bar or criminal authorities, he is unafraid of retribution and has now perfected his fraud on and in the court to terrorize and extort elderly adults. Lustig deliberately perjured a guardian report and fabricated pleadings in my case denying the life threatening condition of my mother thereby repeatedly placing my mother in grave danger all while Judge Genden aided and abetted and refused to take judicial action, instead retaliating against me and destroying my life to shut down my efforts to expose what is now fast becoming public knowledge.

Thus my mother, a once vital, healthy self-sufficient woman in need of only a short term financial guardianship was corralled into this vicious medically induced guardianship and now languishes in a disgusting nursing home, diapered, drugged, isolated, her stomach cut open to shove a feeding tube (a criminal battery) into her without need and she has almost died repeatedly. My mother has not eaten food or water in almost 2 years. These are hate crimes, crimes of ISIS terrorists posing as attorneys and judges and guardians. To remove and isolate an elderly woman from her daughter in the remaining years of her life is an act of malice and cruelty by someone devoid of morals. It is certainly not the act of a judge. Jacqueline Hertz, now recently deceased was a master of this depraved human trafficking racket orchestrated in conjunction with Florida Bar members acting as Judges and Lawyers who are all involved in the feeding frenzy to rob family estates statewide.

When I reported and exposed alleged criminal acts to the Florida State Bar, the Judicial Conduct Commission and state and federal authorities, Genden in an monumental abuse of power, removed not only my access to the Court, but revamped the filing system to secret away the court

documents from the public in violation of the Constitution to attempt to cover up the crimes of the probate Court and the Court appointed Guardians and Attorneys at Law.

My whistleblower complaint filed with the Supreme Court exposes this charade of justice and the incompetent system of having lawyers oversee the discipline of other lawyers and judges instead of having them independently investigated and criminally prosecuted. This self-regulating system is inherently conflicted and unconscionable and must be reformed by the use of independent investigatory agencies.

The cover up and whitewashing of violations of canons, ethics and crimes has exploded because there is no accountability and discipline.

Florida Judge, Judge L. Phillips RULES to not disqualify himself? WOW, is that Lawful? Ethical? What is Judge Phillips up to, I mean its been many years right and Ted Bernstein and his Cronies have run off with the money, forged documents and yet all are NOT in Jail and NOTHING happens in the Case.

Yet Judge JOHN L PHILLIPS wants to continue being the Judge in all these cases? Why? He is not doing anything to move them forward and sure seems to be aiding and abetting criminals. Umm and the OBVIOUS is, it is NOT legal for Judge Phillips to rule on his disqualification. A higher Judge has to do that, been there many times. So what is the not so honorable Judge John Philips up to? Hmmm..

Gee YEP he ruled to keep himself as judge of a case that has been deliberately, maliciously, unethically, unconstitutionally and illegally stalled for years. All the while the Bad Guys sell off assets and move on with their life, and the Bad Guy attorneys continue to violate the constitutional rights of other clients in Florida. Life Insurance Conce

Investigative Blogger Crystal Cox THINKS it is time to File a Lien against ALL the Judges involved in the massive fraud on the courts, property theft, forgery, and constitutional rights violating case of the Shirley Bernstein Estate and Simon Bernstein Estate going on now in the Florida Probate Courts and involving Judge Martin Colin, Judge David French, Judge Charles E. Burton, Judge David Crow and possible the Sheriff of Palm County Florida.

Let's take a look at your rights to PUT a lien on a Judge or Sheriff.

Information on filing a lien against a bond of a Judge.

I believe state officers are required by statute or by the head of any state department to secure and give a fidelity bond, a bond that ensures their actions.

Judge Martin Colin

It is my understanding that if you feel a Judge is corrupt or is not upholding the law or your constitutional rights, you Can You File A Lien Against His Bond On File In Order To Force Him To Do His JOB.

If a judge wants to play "god" in the courtroom, and totally ignore the rules of law and your constitutional rights. I believe you can file a lien upon his bond in order to force him into complying with the law. As it sure seems the Judge and Sheriff are neglecting their duties and neglecting their court.

If a Judge is "railroading" you, clearly acting outside of the laws of the United States and the State of Florida, then it is my understanding that you certainly can file a lien against this judge for his total ignoring of law and violating your rights of due process and constitutional rights.

It is my understand that a judge and a Sheriff cannot work in their job if they cant get bonded.

So why NOT file your Proof of Corruption AND the UnEthical, UnConstitutional, and UnLawful actions of the Judges in this case as a LIEN against their BOND?

Tips, Information and Laws on How to File a Lien against a Judges Surety Bond in Florida

It is my understanding that when you file a lien against a public servant the lien holder/ins company does an investigation, thus they must see proof as to the validity of the lien. In the Simon Bernstein and Shirley Bernstein Estate we see clear evidence of fraud, forgery and attorneys seem to be conspiring with Judges, or so it looks that way from what I have read.

We see clearly that these attorneys and Ted Bernstein conspired with or are connected to Kimberley Moran of Tescher and Spallina law firm to have it look as if Simon Bernstein signed documents, and had them notarized at Tescher & Spallina Law Firm with Kimberley Moran AFTER HE DIED.

Palm County Florida Sheriff

PLAINTIFF'S EXHIBIT

This evidence is clear, it is on court dockets, in hearing transcripts, on Governor complaints and rulings, on sheriff reports and yet Judge Martin Colin and other Judges in this case seem to be protecting estate and probate law firm Tescher & Spallina and Boca Raton Insurance Company Life Insurance Concepts, Ted Bernstein.

Palm Beach Cour
Investigation,
Hello Palm Beach

Ted Bernstein

This is all connected to the multi-Billion dollar legal action of the iViewit technology case and I myself believe that these judges are favoring what looks to be corrupt lawyers and they may possibly be getting a kick back as there is plenty of money to be had in this case, as we have previously seen from the iViewit case naming all of this same parties and worth 100's of BILLIONS. I believe the Judges involved in the Simon Bernstein and Shirley Bernstein Estate forgery and fraud case have violated title 42 USC code. I also believe they have ALL violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and have violated human and civil rights of the victims of this case.

**A GUIDE TO CIVIL RIGHTS LIABILITY UNDER 42 U.S.C. § 1983:
AN OVERVIEW OF SUPREME COURT AND ELEVENTH CIRCUIT PRECEDENT**

If Judge Martin Colin appointed Ted Bernstein executor of the Simon Bernstein state after he knew of clear forgery and fraud on the courts and crimes against the true heirs of the Simon Bernstein, and Shirley Bernstein Estate, is Judge Martin Colin liable for the financial damage and hardship that his rulings outside of law and the constitutional rights of those in his court?

Did Judge Martin Colin require a probate bond in this case where millions are at stake and there is massive fraud, estate assets sold off and stolen?

Do laws in the State of Florida require the executor of an estate to provide a probate bond to the courts? Probate bonds will guarantee that executors of the estate will not alter or damage the estate. Did Judge Martin Collin require a probate bonds in this case?

Did Tescher & Spallina provide a probate bond? This is a rather large estate and assets over a million dollars each have already been SOLD off, by what looks like the fraudulent activity of Ted Bernstein conspiring with Donald Tescher and Rober Spallina of Tescher & Spallina.

Are there any laws or ways to uphold the estate and probate law in Florida when someone dies and their own attorneys and estranged offspring loot their estate?

Also in this there was a condo already sold for over a million that may have undersold for a million, this involved a buyer named Wesley Voorheis, who I believe made a deal of some kind to get the property for at least a million less then it was worth, by way of some shady dealings with Life Insurance Concepts and Ted Bernstein, just how I see it.

Note: I am a REAL ESTATE Forensics EXPERT, I do not claim to know fully Florida Law. However, this property SOLD via Old Republic National Title Insurance Company, and had Title Insurance insuring that it was SOLD by the property own and there sure seems to be some fraudulent actions here in my opinion, here is my report and opinion on the Shirley Bernstein Condo Sale.

https://docs.google.com/document/d/1hjawNP14ExpN0L8oZ33Pmpirngh3073da5_i0iVIQtw/edit

It appears to me that Gregory Gefen of Signature ALL REGENCY TITLE COMPANY, Signature Title Group Knowingly allowed Ted Bernstein to steal a 1.6 million dollar property, just how I see it.

So Is Wesley Voorheis a Proxy for Ted Bernstein?
<http://tedbernsteinreport.blogspot.com/2013/08/do-we-have-banking-and-mortgage-fraud.html>

Did Wesley Voorheis of move this asset out of the country for Tescher and Spallina, Ted Bernstein or ?

Judge David French

Ted Bernstein, Bernstein Family Foundation

I fully believe, in my opinion that the above sale involved mortgage fraud, title insurance fraud and banking fraud at least. It also seems that the Bank of Montreal is somehow connected to all this, in what sure seems to me to be white collar crime.

How in the world did what seems to be a Canadian Resident, Wesley Voorheis, get a single Family Fannie Mae loan on a condo of this value in FLORIDA? Is this a primary resident? Is this Fannie Mae FRAUD? Surely Fannie Mae, Wesley Voorheis, BMO Harris Bank N.A., and Steve Paraggua know about the fraud and forgery in connection with all of this.

Here is the Mortgage Document I am commenting on;
<https://docs.google.com/file/d/0Bzn2NurXrSkiQjlmSmRoNXJBdHc/edit>

I personally believe that Ted Bernstein of Life Insurance Concepts did some deal to hide this asset from the rightful heirs, either with Wesley Voorhei knowing or not knowingly conspiring, just my opinion.

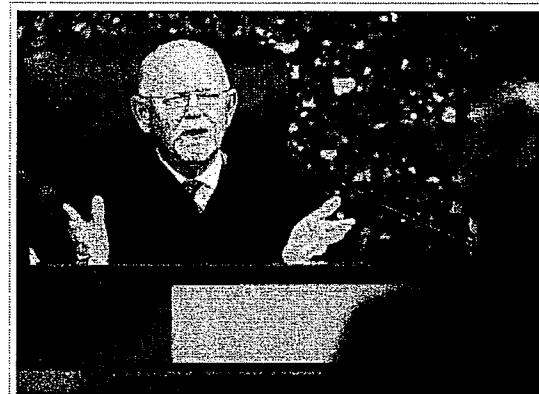

A bit more on this Condo Sale

Note: Look at this Insurance company also questioning issues of these Estates, yet the Judges involved are "playing dumb". There is so many layers to all this, meanwhile the victims of all this, in this moment are children and are the heirs of the estate, in which Tescher and Spallina seem to have VIOLATED the wishes of their now deceased clients.

Judge David Crow, Judge in Kimberly Moran Case

So can the True and Correct lawful heirs of the Simon Bernstein, and Shirley Bernstein Estate file a lien against the Judges and Sheriff involved, as there are some pretty hefty price tags on these assets adn I believe these judges now have some liability.

Folks, pay attention to this case as many of your parents, grandparents move to Florida, many of you in Florida over a lifetime; you work your whole life, pay your attorneys to carry out your wishes and the commit forgery having documents signed by you AFTER YOU DIE, and Florida Judges such as Judge Charles E. Burton, Judge David Crow and estate and probate Judges such as Judge Martin Colin and Judge David French, as well as the Sheriff of Palm County Florida should be liable for any action that violated the constitutional rights of the victims of this case or did not uphold the oath of their office.

It looks to me, in my Opinion, as if these Judges and the Sheriff violated 28 U.S.C. § 455, the Due Process Clause of the Fourteenth Amendment to the Constitution, The Code of Conduct for United States Judges, and 28 U.S.C. 455.

And I think that Victims of these Judges should file a Lien against their Bond.

Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he favors and having conflicts of interest. Judge Martin Colin should have walked away from the Simon Bernstein Estate Case and the Shirley Bernstein Estate Case long Ago.

""The self-proclaimed adopted son of the late mob boss John Gotti, Kasman didn't like the way the Gambino crime family treated him after the Dapper Don died in prison in 2002. So the 51-year-old Boca Raton man strapped on an FBI wire and spilled information that in February helped the feds build criminal cases against 62 reputed New York mobsters.

Now Kasman has his sights set on a much less notorious target: Palm Beach County Family Court Judge Martin Colin.

Using court decisions that grew out of a long-running legal battle among Colin and his wife and her ex-husband, Kasman is on a tear to have the judge thrown out of office and get longtime Democratic power broker and attorney Henry Handler disbarred...

When the Judicial Qualifications Commission, which disciplines judges, meets in mid-July, it will consider claims from Kasman and at least two other men that the judge dished out favors to attorneys who represented his wife in her divorce. Similar allegations have been raised in a strange and tortuous legal battle that went all the way to the Florida Supreme Court. The Florida Department of Law Enforcement has investigated as well.

Colin and attorneys embroiled in the quagmire dismiss allegations that a conspiracy was afoot to tip the scales of justice against Kasman or anyone else."

"During the protracted divorce that chewed through at least five judges, Lewis Kasman accused one of them - Palm Beach County Circuit Judge Martin Colin - of failing to reveal his ties to the firm. Weiss Handler briefly represented Colin's wife in her divorce from a previous husband. While Colin had been ordered by the Fourth District Court of Appeal to tell litigants who came before him about his wife's connection to the firm, he didn't tell Lewis Kasman."

Welcome Back, F Investigation !

Judge Martin Colin knows of fraud, forgery, possible murder and claimed he "should" read the attorneys involved their Miranda Rights but still no one has a criminal investigation and on top of that Judge Martin Colin is letting these attorneys still have a say in these estates knowing full well that have committed crimes.

Judge Martin Colin knows that officers of his court, attorneys, and law firms have committed crimes yet he lets them have a say in who gets to be the personal representative in these estates. And seems to be planning to use some "Hat Trick Method", a law it seems he made up, in order to pick this powerful position over these estate matters.

Judge Martin Colin knows full well that these guys have acted illegally, so why would he still give them power in this case.

Judge Martin Colin knows that John J. Pankauski has massive conflicts of interest yet lets this lawyer have a say in these matters, knowing full well that John J. Pankauski is violating attorney client privilege, has misled Eliot Bernstein to get personal information, strategy in the case, and proprietary information in this case to then use against Eliot Bernstein acting as counsel

Judge Martin Colin knows that John J. Pankauski SHOULD not even be allowed in the court room on this, so why is Judge Martin Colin letting all this still go on?

Why is Judge Martin Colin letting a clearly conflicted John J. Pankauski of Pankauski Law Firm get to pick a possible PR in this matter? Is this Legal? I say it is not LEGAL, as far as I see it and certainly there is no law that conflicts checks, due diligence and judicial duty in estate cases is about putting NAMES IN A HAT. This is ludicrous at best.

All of these crimes CLEARLY happened in Judge Martin Colin's court, yet he does not report the crimes, seems to do nothing to bring justice to these rogue and lawless lawyers and now Judge Martin Colin is a material witness to all this, and still does nothing and refuses to remove himself from these proceedings, WHY?

Who PROTECTS Judge Martin Colin to act completely outside of the Law?

The above articles seems to be saying that Judge Martin Colin is connected to the mob, abuses his judicial power to favor attorneys he likes, and blatantly ignores conflicts of interest.

It's the Law that Judge Martin Colin must recuse himself if he has a conflict, yet Judge Martin Colin refuses to remove himself and also rules on this matter himself, which is not lawful. I have seen this in many courts, and the superior Judge rules on this motion, NOT the Judge who the litigant is asking to be removed. This is not LAWFUL.

HERE is a Bit on Judicial Laws and Judicial Disqualification

"According to, *Judicial Disqualification: An Analysis of Federal Law*, Second Edition, Charles Gardner Geyh, Associate Dean of Research, John F. Kimberling Professor of Law, Indiana University Maurer School of Law, a Federal Judicial Center Publication;

"For centuries, impartiality has been a defining feature of the Anglo-American judge's role in the administration of justice.

The reason is clear: in a constitutional order grounded in the rule of law, it is imperative that judges make decisions according to law, unclouded by personal bias or conflicts of interest.

Accordingly, upon ascending the bench, every federal judge takes an oath to "faithfully and impartially discharge and perform all the duties" of judicial office; and the Due Process Clause of the Fourteenth Amendment to the United States Constitution has been construed to guarantee litigants the right to a "neutral and detached," or impartial, judge.

Moreover, in a democratic republic in which the legitimacy of government depends on the consent and approval of the governed, public confidence in the administration of justice is indispensable.

It is not enough that judges be impartial; the public must perceive them to be so.

The Code of Conduct for United States Judges therefore admonishes judges to "act at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary" and to "avoid impropriety and the appearance of impropriety in all activities"

"When the impartiality of a judge is in doubt, the appropriate remedy is to disqualify that judge from hearing further proceedings in the matter.

In *Caperton v. A.T. Massey Coal Co.*, a case concerning disqualification of a state supreme court justice, the U.S. Supreme Court reaffirmed that litigants have a due process right to an impartial judge, and that under circumstances in which judicial bias was probable, due process required disqualification. The Court noted, however, that disqualification rules may be and often are more rigorous than the Due Process Clause requires.

So it is with disqualification requirements for federal judges, which require disqualification when a judge's impartiality "might reasonably be questioned."

Disqualification Under 28 U.S.C. § 455

A. Overview

1. The text of § 455 The primary source of disqualification law in the federal judicial system is 28 U.S.C. § 455. It provides, in its entirety, as follows:

§ 455. Disqualification of justice, judge or magistrate judge

(a) Any justice, judge, or magistrate judge of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned.

(b) He shall also disqualify himself in the following circumstances:

(1) Where he has a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding;

(2) Where in private practice he served as lawyer in the matter in controversy, or a lawyer with whom he previously practiced law served during such association as a lawyer concerning the matter, or the judge or such lawyer has been a material witness concerning it;

(3) Where he has served in governmental employment and in such capacity participated as counsel, adviser or material witness concerning the proceeding or expressed an opinion concerning the merits of the particular case in controversy;

(4) He knows that he, individually or as a fiduciary, or his spouse or minor child residing in his household, has a financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding;

(5) He or his spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

(i) Is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) Is acting as a lawyer in the proceeding;

(iii) Is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding;

(iv) Is to the judge's knowledge likely to be a material witness in the proceeding.

(c) A judge should inform himself about his personal and fiduciary financial interests, and make a reasonable effort to inform himself about the personal financial interests of his spouse and minor children residing in his household. 10 Judicial Disqualification: An Analysis of Federal Law

(d) For the purposes of this section the following words or phrases shall have the meaning indicated:

(1) "proceeding" includes pretrial, trial, appellate review, or other stages of litigation;

(2) the degree of relationship is calculated according to the civil law system;

(3) "fiduciary" includes such relationships as executor, administrator, trustee, and guardian;

(4) "financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, adviser, or other active participant in the affairs of a party, except that:

(i) Ownership in a mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the judge participates in the management of the fund;

(ii) An office in an educational, religious, charitable, fraternal, or civic organization is not a "financial interest" in securities held by the organization;

(iii) The proprietary interest of a policyholder in a mutual insurance company, of a depositor in a mutual savings association, or a similar proprietary interest, is a "financial interest" in the organization only if the outcome of the proceeding could substantially affect the value of the interest;

(iv) Ownership of government securities is a "financial interest" in the issuer only if the outcome of the proceeding could substantially affect the value of the

(e) No justice, judge, or magistrate judge shall accept from the parties to the proceeding a waiver of any ground for disqualification enumerated in subsection (b). Where the ground for disqualification arises only under subsection (a), waiver may be accepted provided it is preceded by a full disclosure on the record of the basis for disqualification.

(f) Notwithstanding the preceding provisions of this section, if any justice, judge, magistrate judge, or bankruptcy judge to whom a matter has been assigned would be disqualified, after substantial judicial time has been devoted to the matter, because of the appearance or discovery, after the matter was assigned to him or her, that he or she individually or as a fiduciary, or his or her spouse or minor child residing in his or her household, has a financial interest in a party (other than an interest that could be substantially affected by the outcome), disqualification is not required if the justice, judge, magistrate judge, bankruptcy judge, spouse or minor child, as the case may be, divests himself or herself of the interest that provides the grounds for the disqualification.

Sections (a) and (b) occupy the core of § 455 and should be read together. The two sections divide the universe of disqualification into two halves: the general, catch-all category of § 455(a), which requires disqualification from any proceeding in which a judge's "impartiality might reasonably be questioned"; and a list of more specific grounds for disqualification in § (b).

The remainder of § 455 is directed at implementing §§ (a) and (b):

- Section (c) admonishes judges to keep abreast of their financial interests to ensure that they know when to disqualify themselves under § 455(b)(4).
- Section (d) defines terms employed in §§ (a) and (b).
- Section (e) provides parties with a limited opportunity to waive disqualification otherwise required by the catch-all § (a)—typically where the judge is poised to disqualify himself or herself *sua sponte*—but does not permit the parties to waive disqualification required by the more specific provisions of § (b).
- Section (f) provides a limited opportunity for judges to avoid the need to disqualify themselves for financial interest under § (b)(4) through divestiture.

2. Interpretive ground rules

a. Interpreting § 455(a) in relation to § 455(b)

As embodied in § 455, §§ (a) and (b) are conceptually separate.

Section (a) compels disqualification for the appearance of partiality, while § (b) "also" compels disqualification for bias, financial interest, and other specific grounds. In contrast, the Model Code of Judicial Conduct—after which § 455 was originally modeled—and the current Code of Conduct for United States Judges unify the two halves conceptually by characterizing the specific grounds for disqualification as a nonexclusive subset of circumstances in which a judge's impartiality might reasonably be questioned.

For the most part, this may be a distinction without a difference—disqualification is required if the specific or general provisions are triggered, regardless of whether the specific provisions are characterized as a subset of or separate from the general.

On the other hand, by conceptualizing them separately, § 455 can require disqualification under specific circumstances enumerated in § (b) that might not reasonably be characterized as calling a judge's impartiality into question under § (a). For example, § (b)(4) requires judges to disqualify themselves for financial interest "however small," which necessarily includes an interest so small that it could not reasonably call the judge's impartiality into question.

Any circumstance in which a judge's impartiality might reasonably be questioned under § (a) requires disqualification, even if the circumstance is not enumerated in § 455(b).

At the same time, when § 455(b) identifies a particular situation requiring disqualification, it will tend to control any § 455

(a) analysis with respect to that specific situation. For example, §455(b)(5) requires disqualification when one of the parties is within the third degree of relationship to the judge. Consequently, a fourth-degree relationship to a party does not by itself create an appearance of partiality requiring disqualification under § 455(a)—although disqualification under § 455(a) might still be appropriate if, for example, the judge's personal relationship with the fourth-degree relative was so close as to call the judge's impartiality into question. As the Supreme Court explained, "[s]ection 455(b)(5), which addresses the matter of relationship specifically, ends the disability at the thirddegree of relationship, and that should obviously govern for purposes of § 455(a) as well."

The 1974 amendments to § 455, however, shifted the balance by requiring disqualification whenever a judge's impartiality "might" reasonably be questioned, and the legislative history made clear that in revising the statute, Congress sought to end the "duty to sit".

6/4/2014 the Ted Bernstein Report by Investigative Blogger Crystal L. Cox Judge Martin Colin has a history of protecting the bad guys protecting attorneys that he fa...

“When Congress amended § 455(a), it made clear that judges should apply an objective standard in determining whether to disqualify. A judge contemplating disqualification under § 455(a), then, should not ask whether he or she believes he or she is capable of impartially presiding over the case.

Rather, the question is whether a judge’s impartiality might be questioned from the perspective of a reasonable person, and every circuit has adopted some version of the “reasonable person” standard to answer this question.

In the context of denying a motion for his disqualification from *Cheney v. United States District Court for the District of Columbia*, Justice Scalia noted that this reasonable person is aware “of all the surrounding facts and circumstances.” The Second Circuit has characterized the reasonable person as an “objective, disinterested observer” who is privy to full knowledge of the surrounding circumstances.”

...
“The question has sometimes arisen as to whether the standard for disqualification differs in a bench trial where the judge’s role is even more pivotal than in a jury trial. In *Alexander v. Primerica Holdings, Inc.*, the court of appeals said: “We cannot overlook the fact that this is a non-jury case, and that [the judge] will be deciding each and every substantive issue at trial When the judge is the actual trier of fact, the need to preserve the appearance of impartiality is especially pronounced”

Pursuant to 28 U.S.C. 455, and upon examination of the record, I, Personally believe that Judge Martin Colin is NOT impartial and is violating the constitutional and lawful rights of the victims in this case.”

<http://www.law.cornell.edu/uscode/text/28/455>

Judge Martin Colin SHOULD NOT, as a matter of law and the duties of his Judicial Office, be RULING on a Motion to NOT exclude HIMSELF. This is unethical, unconstitutional and sure seems to me to be illegal

Ted Bernstein Insurance Scam

Written Upon Knowledge and Belief of Crystal L. Cox

7020 Lions Head Lane Boca Raton. Real Estate Buyers have a Legal Right to have FULL DISCLOSURE. Buyer Be AWARE.

Why Does Alan Rose Want to HIDE the TRUTH from the Buyers of this Property?

Why Does Judge Martin Colin Think it is ok to HIDE the Truth From Real Estate Consumers?

It is NOT ok for a Real Estate Broker, a Seller or a JUDGE to HIDE Known Facts about a Real Estate Transaction from a Real Estate Consumer. PERIOD.

Assets seem to have been stolen long ago. The property has been left to be run down. The courts simply do nothing to protect this asset and now a buyer is to get in the middle of it mess? I have been a real estate broker, owner of my own company for 15 year and a Real Estate Advocate for Real Estate Buyers. I would not go anywhere near this property until the estate is REALLY Legally Settled. Check out the transcript below as attorney Alan Rose whines and cries to PREVENT disclosure to the Real Estate Consumer.

Judge Martin Colin has no LEGAL Reason, as a matter of LAW to withhold to a real estate buyer that the property is in litigation, this is a violation of the BUYERS Rights, and again the LAW PERIOD.

John Poletto, a real estate broker in Florida seems to have no issue with hiding know facts from buyers. The law is that latent defects, lawsuits, and anything that can harm a buyer MUST be disclosed so why is the Florida Courts allowing this cover up that will cause BUYERS massive headache, stress and legal liability.

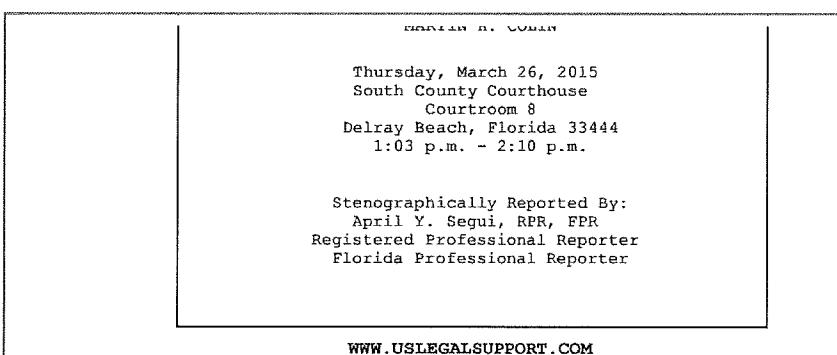

<https://drive.google.com/file/d/0Bzn2NurXrSkiVUFCVVZKb1YtWnM/view?usp=sharing>

I am a Broker, a Real Estate Advocate, a Real Estate Whistleblower and I have owned my own real estate company for over 15 years. Check out the Transcript below as you see a JUDGE, and several attorneys seem to conspire to aid and abet a real estate sale and NOT disclose to BUYERS that they may spend years in litigation down the road after they have fixed up a place that Ted Bernstein let run down as a BAD PR for the property.

It is NOT ok for a JUDGE to want to hide this litigation from BUYERS. It is not lawful nor morally ethically for Judge Martin Colin to NOT want BUYERS to know when this affects their VERY life, the life of their children and their quality of life in EVERY WAY.

SHAME SHAME on this JUDGE.

Really, Look Below, this document clearly shows this JUDGE ranting about YOU, the Real Estate Consumer NOT having a right to know what the Real Estate Seller and the Real Estate Broker KNOW and by law have to disclose. WOW.

Check out the Documents in this Florida Estate Case. The overseeing judge is Judge Martin H. Colin who "almost" read the attorneys their Miranda Rights. We have forgery, fraud, dead people signing documents, possible murder, sibling rivalry and all the makings of a Law and Order mini series. Read these documents, and decide for yourself who is committing fraud, who is lying, who is telling the truth, who is abiding the law and take a deep look as to whether you want to buy insurance from Ted Bernstein of Life Insurance Concepts, or your Estate "Handled" by what sure looks to me to be crooks who will do as they please after you die, regardless of your wishes.

Donald Tescher in the Middle

More Robert Spallina and Donald Tescher, Tescher and Spallina Law Firm, Ted Bernstein of Life Insurance Concepts, Greg Geffen Attorney Signature Title, and Florida Notary Kimberly Moran seem to be involved in a massive Florida Insurance Scam and Estate Fraud Case, overseeing judge is Judge Martin H. Yet it is clear from the court documents above, that Donald Tescher and TESCHER & SPALLINA, P.A will do as they please after you die, regardless of what your TRUE wishes are and regardless of how much you pay him, or to what lengths, efforts and legal means you go to prepare your ESTATE to be handled per your wishes.

And it sure seems that the JUDGES in Florida will assist Tescher and Spallina, even if they are involved in clear fraud, forgery and acting outside of the law and the wishes their clients estate plans.

"Boca woman arrested after police say she offered botox, told people she was a nurse

"BOCA RATON, Fla. - The Florida Department of Health's Investigative Services Unit- West Palm Beach, announced that their joint investigation with the City of Boca Raton Police Department and the Florida Department of Corrections has led to the arrest of Sheri Goldman for the unlicensed practice of a health care profession, which is a third degree felony punishable by up to five years in jail.

Goldman was also arrested for violation of probation based on a previous arrest for unlicensed activity in Palm Beach County.

The joint operation was conducted after the City of Boca Raton Police Department received an anonymous complaint that Sheri Goldman was offering Botox injections and claiming be a nurse.

Authorities say Goldman is not licensed to perform any health care profession within the state of Florida.

After a joint undercover operation with the listed agencies at Goldman's place of business, Beauty & Balance, she claimed to be an "OR nurse." In addition, a search of the website www.groupon.com revealed she was posing as a "surgical nurse" according to investigators.

DOH has several resources to combat unlicensed activity: Consumers are encouraged to use DOH's Web site www.flhealthsource.com where they can view the license information on their health care practitioner.

7020 Lions Head Lane Boca Raton Florida - Buyer Do your Diligence

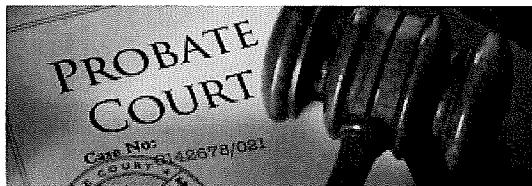

Written by Real Estate Whistleblower and Real Estate Consumer Advocate, Investigative Blogger Crystal Cox.

Monday, April 20, 2015

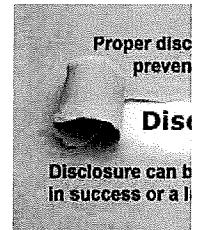

Simon Bernstein Irrevocable Insurance Trust Dtd 6/21/95 v. Heritage Union Life Insurance Company; Insurance Fraud, Forged Documents, Murder Allegations, No Policy and Millions Paid.

Note: All Cases on this property INVOLVE property located at 7020 Lions Head Lane Boca Raton, Florida, 2494 S Ocean Blvd, Apt C5, Boca Raton, FL 33432, and 880 Berkley St. Boca Raton. These properties are tied up in multi-millions in litigation and they don't want potential buyers to know. Do your homework folks. As a, what seems to be corrupt, lawless or just ignorant Florida Probate Judge is ordering that you, the REAL Estate Buyer NOT be told (DISCLOSED) as to what will inevitably affect your life.

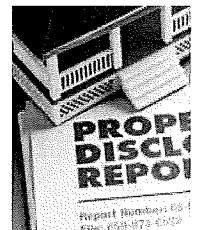

The Ocean Blvd property was SOLD, I believe through a fraudulent residential loan. As it is clearly an investment property and the buyer does not even live in the country. I believe the buyer is friends with Ted Bernstein or associates, and is connected to the lender and others acting in Civil Conspiracy regarding buying this property with little money down, a low interest residential loan out of Illinois and then profiting tax free acting as if it's a primary resident instead of an investment property.

Disclose

DISCLOSURE is LAW

Meanwhile in Judge Colin's Court in Palm County Florida there is massive crimes and cover up and Judge Martin Colin seems to want to sweep it all under the rug and get it out of the Illinois courts where Justice may be served.

Judge Martin Colin seems to be involved in a Probate Attorney Protection racket, and the victims are children and other innocent citizens. Meanwhile years go by and properties are run down, stolen, sold. . . money disappears, jewelry gone, and so much admitted fraud and forgery AND Judge Martin Colin DOES nothing.

Ted Bernstein pays for an attorney with Estate money and seems to pay for his own life, while other heirs have no attorney, no rights and some are minors. Judge Martin Colin has clearly broken the law and violated constitutional rights and seems to believe he is so connected (probably to Labarga and others from his Prosecutor job) that he will never face prison or any kind of justice. I say he is wrong and that one day someone will bring Judge Martin Colin to Justice.

Here is the Illinois Docket

Heritage Union Life Insurance Company, Jackson National will pay YOU millions and all you have to do is say oh ya my dad had a police for 2 million and the pay with NO Policy, simply to get out of a litigation. WOW? oh and there is murder allegations and a Heavy Metal Toxin autopsy report. So I guess one can commit murder, then say hey Heritage Union Life Insurance Company, Jackson Life Insurance, I had a policy on that guy, now pay me 2 million and they say ok. Sounds LEGIT.

WOW ... Folks.. WTF comes to mind.

Why does Judge Martin Colin Protect Tescher and Spallina in CLEAR and Blatant Insurance Fraud, Forgery, and cover ups. And allow them ALL to keep creating victims? There is no policy? Yet millions was paid?? Why is Spallina not investigated by Heritage Life, Jackson National or the the LAW in any Way?

Attorney Robert Spallina, protected by Judge Martin Colin (in my opinion) tried to collect 2 million in life insurance. The alleged policy holder with NO POLICY, looks to have been murdered. So why is Jackson National Insurance Company NOT investigating this matter?

Here is the Letter Robert Spallina, Florida Probate attorney sent to try and collect the millions.

"Dear Sir or Madam: Enclosed is the Claimant's Statement for the above referenced policy. together with an original Death Certificate for the insured, Simon Bernstein, .

We are also enclosing a copy of Internal Revenue Service Form SS-4, Application for Employer Identification Number for the Simon Bernstein Irrevocable Insurance Trust June 1, 1995, which is the trust listed as beneficiary of the above referenced policy.

We will provide wiring instructions for the trust bank account when you have processed the claim, if possible, in lieu of a check. Finally, we are enclosing a copy of the obituary for the decedent which was published in the Palm Beach Post.

We are unable to locate a copy of the original insurance policy.

If you have any questions with regard to the foregoing, please do not hesitate to contact me.

Sincerely

ROBERT L SPALLINA"

Regency Title dba US Title of Florida and Old Republic National Title Insurance Company seems to be involved in Florida Real Estate probate fraud. As we see that the Shirley Bernstein estate condo was SOLD and they guaranteed a clear title through Greg Gefen Florida attorney who seems to have several title companies. Regency Title dba US Title of Florida and Old Republic National Title Insurance Company is liable for the millions in property that they allowed the wrong owner to sell.

The Lasalle National Trust and C/O Robert Spallina Mystery

"Bates #JCK001262, is a letter regarding the filing of a claim dated October 09, 2012, sent from HERITAGE to SPALLINA with SPALLINA addressed as "LASALLE NATIONAL TRUST N.A. TRUSTEE C/O ROBERT SPALLINA, ATTORNEY AT LAW" address "4855 TECHNOLOGY WAY STE 720 BOCA RATON FL 33431" and the Letter starts "Dear Trustee."
<http://www.iviewit.tv/Simon%20and%20Shirley%20Estate/20140112%20FINAL%20SIGNED%20PRINTED%20MOTION%20TO%20STRIKE%20AMENDED%20COMPLAINT%20ECFCOPY.pdf>

"LaSalle National Trust, N.A." seems to basically be a national holding company, via big title companies and banks and simply a way to convey property, assets, holdings and real estate. Thing is what instrument gave Spallina the right to be the Trustee in the Simon Bernstein estate in this regard?

What was Robert Spallina really up to, using this huge company name and having documents sent to him directly? Or wanting to collect on the Heritage Union Life Insurance Company / Jackson National Life Insurance Company Policy, or lack of policy?

Seems to me that "LaSalle National Trust, N.A.", the real one, has a major claim against Tescher and Spallina unless Robert Spallina was acting with their authority???

"SPALLINA acting as both the TRUSTEE of "LaSalle National Trust, N.A." and as Trustee of the Lost or Suppressed Trust, HERITAGE would have to legally pay him as either the Primary or the Contingent Beneficiary in his fraudulent Legal and Fiduciary roles. "

Chicago Title Land Trust Company is successor trustee to the listed bank land trustees, as seen here,
<http://www.ctlandtrust.com/#!successorships-h-l/ctsk>

If Robert Spallina claimed to speak for LaSalle National Trust then is this connect to Chicago Title Company, and perhaps real estate shady dealings involving Greg Geffen in Florida? Hmm....

Chicago Title is a pretty big deal in Title Insurance. I have owned my own real estate company for 14 years, and well um.. how is Spallina trying to pull off that he is successor trustee or whatever mumbo jumbo he was trying to pull off?

Did Robert Spallina real say he was speaking for Lasalle? really? Employee fund, real estate, SEC, how in the world is Spallina speaking for Lasalle? call me Confused.
