Ok so we have a mortgage broker, banker out of Illinois, a lender out of Arizona, a property in Florida and a buyer in Ontario Canada. And we have a single family residential loan?? REALLY ??

I, Real Estate Expert and advocate Crystal L. Cox say that there is mortgage fraud involved in the sale of the above property, as well as no clear titles, SOLD by someone who had no legal right to sell, has title insurance fraud, RESPA violations and much more.

It says second home, so maybe its legit. But hmm now it's a million more? I say that Broker John Poletto and Ted Bernstein are in on a million dollar scam with the lender and the buyer to dupe the real and true, legal heirs.

What if a buyer knew that they were buying a property from someone who did not have the legal right to sell, and they got a loan like this? Hmm.. all kinds of trouble I'd say.

I know Florida law is different, however, I have never seen a title agent sign on a loan document such as this. Did Title Agent, Florida Attorney Greg Gefen get kickback from this mortgage? On the title insurance? Did Ted Bernstein? Hmm..

## **Gregory S. Gefen, John Poletto, Judge Martin Colin, Ted Bernstein and more seem to be involved in massive real estate fraud, forgery and cover up.**

" **Real Estate Forensics Report / Fraud Analysis:** Shirley Bernstein Condo Sale

**Real Estate Warranty Deed Transaction Date:** April 18th 2013

**Prepared by:** Gregory S. Gefen, PA

File Number U13-412

**Recorded:** 05/06/2013

Palm Beach County, Florida

AMT 1,600,000

Doc Stamp 11,200

Pages 1029 - 1031;

The Following report is my Professional Opinion and advice based on 13 years as a Real Estate Broker Owner, and Currently owning a Real Estate Consulting and Real Estate Forensics Firm. This report is written upon the knowledge and information of Crystal L. Cox, Broker.

### **Notes on Trustee Affidavit**

Regarding Warranty Deed prepared by Gregory S. Gefen, PA, File Number: U13-412

This recorded document now seems to be the only recorded documents regarding Ted Bernstein having Seller or Grantor rights in this matter. Before this closing, there appears to be no legal record, as a matter of law in which proves Ted Bernstein of having legal rights to sell subject property.

It appears to me that this real estate transaction is fraudulent, and that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have a liability to the buyer in this transaction and to the true and correct heirs of the Shirley Bernstein Estate.

I would tell the Title Company to show you the legal documentation they have that gave them the legal right to allow Ted Bernstein to sell this Condo, to sign as the Seller, Grantor of said Property?

**It is my understanding that the Shirley Bernstein Trust Agreement does not state that Ted Bernstein is the executor.** Or at least I see no proof provided in the closing documents in which the title company filed in the closing of this 1.6 Million dollar sale, that would give Ted Bernstein a legal right to be the "Grantor" of said property.

**What documentation did the title company have that gave them the legal right to let Ted Bernstein sell this real estate?** What documentation did the title company have that justified providing a title insurance policy on a 1.6 Million dollar real estate sale, that insured to the buyer, that Ted Bernstein was the legal Grantor / Seller in this sale?

**Ted Bernstein swore that the trust had not been revoked or terminated And that the the vesting Deed was**

**recorded that provides the trustee with the full power of sale and that the subject transaction will not violate the trust.** Yet there is no court documents, no judicial ruling that provides legal proof that Ted Bernstein is the person that gets to speak on behalf of the Shirley Bernstein estate.

There seems to have been no probate nor judicial order appointing Ted Bernstein as executor, successor of the Shirley Bernstein estate. So why would this title company guarantee title with no legal documents proving such and allow a \$1.6 million dollar real estate transaction and provide title policy on said property?

As a real estate broker, I would not let Ted Bernstein sign a listing on this property, as there is no documentation that he has Sellers rights and this would be a violation of law.

**Ted Bernstein Had no legal right to act as Seller in this deed transfer.** This title company provided title insurance in this matter and is liable to the Shirley Bernstein estate, as well as no liable to the buyer in this matter and the cost of this property being deed back to the rightful owner, as far as I see this case.

**This seems to be a matter of property theft.** All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company **guaranteed clear title in this real estate transaction via title insurance policy**, and I would demand to see the settlement statement and all related documents, especially any document that was used as legal proof that Ted Bernstein was the SELLER, legally in this transaction. I do not see such a legal document in the recorded documentations for the sale of the subject property.

Ted Bernstein, under penalty and perjury swore the document to be true. The fact is that is simply a "pinky swear", that is one man swearing that he owns a 1.6 million dollar property. There is no court document, no estate documents and no proof, of any kind that Ted Bernstein in fact has a legal right to convey title to this property, as far as I can see.

The Notary ONLY verified that it was indeed Ted Bernstein and that he showed proper ID, a Notary is not a lawyer, nor a court clerk. The title company needs to prove via a court recorded document that Ted Bernstein had a legal right to sell said property.

This is the reason to use a title company to close a LEGAL real estate transaction. The title company insures the title, researches recorded documents and PROVES who has rights to convey property.

Anyone can sign any document and swear that what the document says is true. The Notary swears that it is that person and not that the person is telling the truth, or has a legal document of FACT. Nor does the notary provide any kind of legal recorded proof that this person is entitled to swear to this information as a matter of law. A Notary simply verifies the identity of the person who signs the document.

All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company sold an insurance policy with this real estate transaction insuring that the title was clear to sell to said buyer, when in fact Ted Bernstein did not have a legal right to sell this property, as far as the documentation provide shows.

Ted Bernstein is NOT the true and correct, proper "Grantor" named in the warranty documents.

Ted Bernstein could have just as easily signed an affidavit swearing that he was the seller of the White House, and a Notary would have verified the document, only to the extent that it was indeed a man named Ted Bernstein, whom had the proper identification to prove his identity. And this has NOTHING to do with proof of title rights.

A signed affidavit from someone claiming rights to sell the White House, as in this example, would not give the person the legal right to do so, nor does it in the case of this real estate transaction.

**This is a fraudulent real estate transaction, in my expert opinion.** The question then becomes did the title company get kick back on this deal? Was the title company promised future deals with these powerful men Ted Bernstein and **George Wesley Thomas Voorheis?**

It is a title companies job, BEFORE issuing a title insurance policy, to make sure that the title is clear and is able to be Sold. Said property seems to be in major legal dispute and is part of an estate in litigation, of which Ted Bernstein is NOT the Trustee, as appointed by a court of law.

This title company took a man's word that he owned a 1.6 Million dollar property, and let said man sell this property, without legal ownership. Upon my knowledge and belief, this title company has massive liability over this issue.

**Notes on the Shirley Bernstein Trust Agreement pages provided in  
the closing documents of said property.**

This document has no clear sign of being true and correct. As a real estate Broker, I would not take this as proof that Ted Bernstein had a right to be a SELLER aKa Grantor of this property.

This is simply a document that may or may not have been actually signed by Shirley Bernstein. The correct and lawful procedure in these matters, in my expert opinion is the subject property to have gone through probate, and have a court appointed executor or trustee of the estate.

The legal process is not simply for someone who wants to be an heir to swear they are and then a Title Company allows

this person to sell millions of dollars of real estate they CLEARLY have no proof of owning.

In order for me to prove title and allow a person to act as Seller, I would have to see the probate documents, and the court rulings that granted Ted Bernstein the power to be the executor of the estate, have legal rights to the deed, and execute the sale of the subject property.

There seems to be no court document that gives Ted Bernstein the LEGAL right to sell subject property, there is only a man saying he has the right and a title company issuing title insurance on a multi-million dollar property insuring the title on said property.

In my experience, professional title companies go to the courthouse records for proof of liens, judgements, deed rights, estate issues and they do NOT simply take a sworn statement from a man who swears he is the legal Seller and give this man the absolute rights to millions of dollars of property of which he clearly has no probate, court stamped, judicial documents to prove this is true.

#### **Notes on the warranty deed dated the 18th day of April, 2013**

This appears to be fraudulent as there is no court document in which appoints Ted Bernstein as Successor of the Shirley Bernstein Trust. There does not seem to be any LEGAL documents that prove that Ted Bernstein has rights to the subject property as Successor, Executor, Trustee, Seller or Grantor.

Here we see a **Ted Bernstein who himself claims to be a "Successor Trustee", acting as Grantor selling subject property to Grantee G. Wesley Veorheis, a Canadian Resident, and there seems to be something amiss in this transaction.**

There appears to be fraud in this transaction and I advise the true and correct heirs of the Shirley Bernstein estate to file legal action against All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, against the Corporate Company and the individuals involved in the sale, who may have been involved in kickback schemes or other anti-trust and civil conspiracy violations in this real estate transaction.

From what I can determine, and in my expert opinion, **Ted Bernstein is not the legal "Grantor"** and therefore has no legal right to convey title to said property.

**All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company have no legal right to have provide an insurance policy that guaranteed this title.**

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally prove that All Regency Title dba US Title of Florida had a LEGAL right to allow Ted Bernstein to act as Grantor or Seller of Subject Property.

I see no proof, whatsoever that Ted Bernstein is the rightful Grantor, and therefore this transactions appears to be fraudulent.

Just because there is a Notary and witnesses who signed the Warranty Deed, does not in any way legally give this title company right to provide title insurance through their title insurance provider Old Republic National Title Insurance Company, with corporate offices in Minneapolis, MN.

Again, a Notary stamp is not a COURT STAMP, nor a Judicial Ruling.

#### **Regarding the "Certificate of Approval"**

This document appears to be directly from the Condo Association. I have not read the bylaws of the Aragon Condominium Association, however, in my professional opinion, there may be some fraud between **Ted Bernstein and the Aragon Condominium Association president James McGee.**

The association in most cases can approve membership, and may be able to exclude certain people, however the association seems to be providing certification to further DUPE the title company, by claiming they have the power to **give Ted Bernstein approval to convey title for Wesley George T. Voorheis to acquire.**

Did the association have court documents that proved that Ted Bernstein had a right to convey title? If not then it is my opinion that the Aragon Condominium Association and that James McGee personally are also liable for what looks to be a real estate heist to me.

#### **Regarding Non Identity Affidavit**

This documented is suspected to be a fraudulent tax document. As Ted Bernstein has no proof that he is the court appointed Trustee in this matter and has no legal right to certify that he owes no estate tax in this matter.

Ted Bernstein may be committing fraud against the U.S. government in possibly illegally conveying title to a property he has no legal right to and at the same time claiming **himself tax exempt for this millions of dollars in alleged inheritance.**

I recommend that the true and correct heirs notify the Florida and U.S. Tax Authorities on this issue. As there may be a

great deal of estate tax due on this matter, and Ted Bernstein has no legal proof that he can speak on behalf of the Shirley Bernstein estate.

Based on my experience it is a standard of practice in real estate regarding estate issues, for the property to go through probate, have a court appointed trustee and proceed through the courts and **NOT through a sworn affidavit by a dreamy eyed family member wishing to receive millions of tax free dollars.**

If any potential heir or for that matter any person off the street can sign a document to swear they have rights to property, with no recorded deed or court order, well then this is a serious matter that the Department of Justice and Attorney General need to look into, as this title company may have done this before and thereby created many victims in this scheme. It is not lawful to let anyone claiming they have title right to sell other people's property.

It is the PURPOSE of purchasing the Title Insurance Policy, which I assume the Shirley Bernstein Estate paid for, that this policy guarantees to the buyer that Ted Bernstein has the right to sell the property and that all liens, judgments, tax issues on said property have been taken care of and cleared by a court of law.

If not then the Title Insurance company and policy provided has a serious liability not only to the buyer but to the actually true and correct heirs of the Shirley Bernstein estate, whomever the courts deem that to legally be.

As a professional real estate service provider, be it a title company or a real estate brokerage, we are taught to make absolute SURE that a Seller has a legal right to sell a property. This is mostly done by a true and correct, court filed warranty deed in the name of the SELLER aKa Grantor, with the names of the people who will be signing a listing agreement with a real estate brokerage or closing documents with a local title company.

It is not standard of practice, ethical nor lawful to use the closing process and title insurance policy of a local title company in place of a legal, court documented estate and probate proceedings, as a matter of law.

In my experience Sellers aKa Grantors do not sell properties by swearing to an affidavit that they have a right to sell. This would make it so that anyone who wanted to be an heir, or anyone of the street for that matter, could simply go to a notary and sign a document swearing they have a right to sell, and without title in their name sell millions of dollars in property.

It is my professional opinion that this title company is liable to the true heirs of the Shirley Bernstein estate and possibly even interest, punitive damage, and criminal charges.

It is my experience that in an Estate settlement, the Estate is settled in full before property is Sold, another words there would be probate and estate process as a matter of law. And if Ted Bernstein has proper legal documentation then he would have a deed in his name, and from that deed he would then be the Grantor.

See In Barnhart v. Hovde, 490 So.2d 1271 (Fla. 5th DCA) for reference on this matter., review denied 510 So.2d 543 (Fla. 1986), Hovde was named trustee for the beneficiaries, who were her stepchildren. Hovde sold a trust asset (an apartment complex) without obtaining a court order to do so in violation of Fla. Stat. 737.403(2). Hovde had conflicting interests with the beneficiaries of the trust, and the sale of asset resulted in benefit to the trustee and a detriment to the beneficiaries. Id. The Trustee had interests which definitely conflicted with those of the other beneficiaries, which resulted in a benefit to the trustee and a detriment to the other beneficiaries, and the Court found that Hovde violated the terms of the trust and applicable state statutes. Id.

Again an affidavit is not a legal document proving title rights. **This affidavit is a man claiming under penalty and perjury that he has legal rights to be the Grantor of said property**, however this is not a legally binding document in which I, as a Real Estate Broker would accept as proof of entitlement to act as Seller or Grantor.

It is not a Power of Attorney, it is not a legally filed Warranty Deed in Ted Bernstein's name, nor is it a court order ruling that Ted Bernstein is the true and correct, LEGAL Seller, Owner, Grantor of said property.

This document appears to be a Ted Bernstein claiming that he has the rights to be the Seller, Grantor and is the Successor Trustee, Executor of the Shirley Bernstein estate and that with this claim he promises to **NOT hold All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company liable for any legal actions, legal fees in the future, or any other future liability.**

Ted Bernstein does not seem to be the LEGAL Seller / Grantor of said property and therefore cannot be in a legal agreement releasing All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of liability regarding the matters of the Shirley Bernstein estate.

### Conclusion

In my expert opinion, the title company in this case, All Regency Title dba US Title of Florida, has made a grave error in allowing Ted Bernstein to sell the subject property with the documents provided to them.

And it is my professional opinion that All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, needs to file notice of insurance claim, fraud and massive liability in this matter as soon as possible.

As a Real Estate Broker owning my own firm, I would not let Ted Bernstein have listed this property for sale, nor would I have allowed any agent working for me to do so. As there is no court documented proof that Ted Bernstein has a legal right to sell said property and I would not put my liability insurance provider nor my company at that risk.

A title company has even a greater risk in guaranteeing title, and is therefore liable to the heirs of the Shirley Bernstein Trust.

No reputable real estate company SHOULD take this property as a listing, due to the inability to prove who has property authority and rights of Grantor / Seller.

It is my opinion that Ted Bernstein has used **All Regency Title dba US Title of Florida** to circumvent the legal process and thereby gaining title to Shirley Bernstein's property.

Ted Bernstein went straight for the paycheck, and skipped the step of gaining legal title to the property first. Therefore avoiding estate tax, capital gains, and the process of fighting the legal heirs of the Shirley Bernstein Trust in order to obtain money from the sale of the subject property.

It is my opinion that the true and proper legal heirs of the Shirley Bernstein estate should use all legal means necessary regarding All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company, in order to make this right.

**Florida Laws: FL Statutes - Title XLII Estates and Trusts Section 736.0101 Short title. seem to have been violated in this transaction.**

As a Real Estate Broker owner experienced in all manner of real estate for over 13 years, including estate, trust tax issues, and all related matters, I strongly advise the true legal heirs of the Shirley Bernstein estate to contact a Florida lawyer and sue All Regency Title dba US Title of Florida and Old Republic National Title Insurance Company of Minneapolis.

## Eye on Alan Rose of Mrachek, Fitzgerald, Rose, Konopka, Thomas & Weiss, P.A. in West Palm Beach, Fla.. in West Palm Beach, Florida.

Alan Rose has a NEW CASE. Well Let's keep an eye on this one too; Transparency

"WEST PALM BEACH, Fla. (Legal Newsline) - A prominent class action law firm is suing two firms with which it partnered on a class action lawsuit in Florida for allegedly failing to pay it a fee.

Cohen, Milstein, Sellers & Toll, PLLC filed the lawsuit in Palm Beach County Circuit Court on May 5 against Anderson + Wanca and Bock & Hatch LLC, claiming it is owed about \$280,000 in fees for joining in on the class action lawsuit. Bock & Hatch removed the case to U.S. District Court for the Southern District of Florida on May 26.

The suit claims Cohen Milstein agreed in March 2012 to to serve as the local counsel for a class action suit in which the firms were involved in Florida. The two sides came to terms on a fee agreement and also agreed that Cohen would receive 20 percent of the attorneys' fees awarded in the class action suit, the complaint says.

## I am Reporting on the Simon Bernstein Estate CASE and will continue to do so. My reporting is NOT controlled by anyone but ME. Alan Rose continues to WHINE.

Alan Rose is acting suspicious, does he WANT Eliot to complain about Judge Coates? It sure looks like it. What is Alan Rose REALLY up to?

Why wine about this DRIBBLE now? There is a new judge, we shall see if the law is obeyed. Alan Rose seems to be pushing to disqualify Judge Coates, why is that?

I mean the Proskauer Rose thing is true, however if Judge Coates were to sign a Conflict of Interest Disclosure then maybe no issue, either way why in the world is Alan Rose so whiny about all this?

Sounds like Alan Rose should file a motion to disqualify himself instead of pushing Eliot Bernstein to do it.

Oh and I love that Florida Attorney Alan Rose is hanging on my every word INSTEAD of doing his JOB. Just obey the law and don't worry about the bloggers dude.

Either Coates will do a lawful, ethical, constitutional job or not?

I have never seen Alan Rose show so much knowledge about iViewit, oh and so much love for me, It kind of makes me blush actually.

Judge Coates must be a Good Guy for Alan Rose to show such disingenuous concern over possibly conflicts. Things that make you say hmmm...

Mr. Eliot Bernstein:

The estate/trust cases have been assigned to Judge Coates. One order is attached but he has all of the cases.

You already have started with the internet nonsense as to Judge Coates:

(<http://tedbernsteinreport.blogspot.com>) as of mid-day Friday. Apparently, he worked at Proskauer, and we all know you labor under the belief that someone there stole trillions of dollars of intellectual property from you or your company.

If you object to his continued service, please advise the parties asap, so we can consider simply doing an agreed or joint motion/order requesting his recusal.

Please advise.

Now that Brian has set a hearing before Judge Coates, Eliot needs to speak now if he contests the court's ability to hear this case. Silence equals acceptance and waiver of any objections in my view.

Eliot has filed at least two and probably more motions to disqualify Judge Colin, and already has started with nonsense about Judge Coates.

For the record, we have no objection to Judge Coates. But Eliot may and he needs to assert that objection or waive it. There is no point having a hearing and wasting time just to have Eliot complain that day about Judge Coates.

Also for the record, the "journalist" Eliot corresponds and communicates with, Crystal Cox, posted the following highlighted material:

Judge Coates was at Proskauer between 1991 and 2000; I believe those are some of the years Proskauer represented iViewIt and possibly during the times that Eliot sued that firm. Eliot has alleged that during these years is when Proskauer stole his patents. It was an unpleasant lawsuit for the firm I'm sure, and no doubt Eliot made it as unpleasant as possible for the partners of "Porksour Rose". Eliot lost his claim in federal court back in 2008 and I believe owes the firm a sanction award imposed by Judge Scheindlin, but he has not given up on that firm and continues to mention it in recent filings.

The point here is that Eliot must advise the parties of his position and the PR needs to get this resolved before there a number of hearings.

Also, you have set too many issues for one 30 minute hearing, particularly when it would be the Judge's first involvement in the case, in my opinion.

Alan B. Rose, Esq."

## Has Alan Rose gone ROUND the BEND? Alan Rose is already whining to a new Judge about my blogs reporting on this case? WOW

Calm Down Alan Rose, the Law Speaks for itself. Obey the Law, tell the TRUTH, the whole Truth and nothing but, and don't worry about those reporting on this high profile never ending Florida Estate Case which is a MASSIVE public concern.

Murder Allegations and millions paid in insurance, heirs waiting years for money while Ted Bernstein sells homes and let's them run down, Ted Bernstein getting an estate paid attorney and no one else, forged documents, documents signed by dead guys to close estates, and much MORE. This case is VERY important as so many go to Florida for their retirement, yet the attorneys in this case did NOT carry out the wishes of the Deceased. So why move to Florida if Probate Court will not carry out your wishes?

How in the world has all this been allowed to go on for years in Florida Probate court? Meanwhile Eliot Bernstein's family is starved out, kids lose their school and they are constantly harassed by Alan Rose attorney (paid by the estate in which is bullying the other heirs it seems) and others in the case. All this in a simple estate, that should have easily been settled years ago.

Now Alan Rose is WHINING to the New Judge about my blogs, again claiming my blogs are Eliot's and they are MY BLOGS, controlled by me.

Check this whiny Dribble out; GROW UP ALAN ROSE

Heritage Union Life Insurance Company is well aware of what is going on in the Simon Bernstein Case. So is Heritage Union part of the fraud? If not then why have they, themselves not joined in to SUE Tescher & Spallina and to cry out fraud on the courts, insurance fraud and possible murder?

Letter To Mark Sarlitto ~ Senior Vice President and General Counsel of Heritage Union Life Insurance Company / WiltonRe and Chris Stroup ~ Chairman of the Board of Directors and Chief Executive Officer.

"From: Eliot Ivan Bernstein [mailto:iviewit@gmail.com]

Sent: Wednesday, May 21, 2014 6:19 AM

To: **Mark Sarlitto** ~ Senior Vice President and General Counsel @ Heritage Union Life / WiltonRe (msarlitto@wiltonre.com); **Chris Stroup** ~ Chairman of the Board of Directors and Chief Executive Officer @ Heritage Union Life / WiltonRe (cstroup@wiltonre.com)

Subject: URGENT RE INSURANCE FRAUD -

**Policy Number: 1009208 on the life of SIMON L. BERNSTEIN**

Dear Mr. Stroup and Mr. Sarlitto @ Heritage Union Life / Wilton RE,

I am writing regarding the Life Insurance Policy on my father, Simon L. Bernstein (deceased), Policy No. 1009208. It has come to my attention through a Federal Court case titled "Simon Bernstein Irrevocable Insurance Trust Dtd 612111995, et. al. v. Heritage Union Life Insurance Company, et. al," Case No.13 cv 3643 in the US District Court Northern District of Illinois that a claim was filed with Heritage by a one **Robert Spallina, Esq. of the law firm Tescher & Spallina PA**, acting as the Trustee for an **alleged lost trust** named "**The Simon Bernstein 1995 Irrevocable Insurance Trust**" claimed to be the Contingent Beneficiary, however **no executed copies of the Trust exist as of this date.**

Further, **Mr. Spallina represented that he has never seen nor been in possession of the lost trust**, yet he filed a claim with Heritage Union acting as the Trustee **of that lost trust he never saw or possessed.**

Further, from production documents in the Federal Case it was also learned that Spallina additionally **represented himself to the carrier as the Trustee of the alleged Primary Beneficiary of the Policy, a one LaSalle National Trust, N.A.,** of which he also is not.

The claim was **DENIED due to the inability to show a proper beneficiary and produce a legal valid trust document as beneficiary.**

Legally, a **valid executed trust instrument must be present at death for a trust to be paid any benefits and in the case of a lost beneficiary at death Florida law is clear that the benefit should be paid to the Estate of the insured.**

**Mr. Spallina and his partner Donald Tescher, Esq.** have **recently resigned** as Personal Representatives/Executors, Trustees and Counsel to the Estate and Trusts of Simon Bernstein, after **admittedly altering Trust documents** in my parents Estates and Trusts to illegally change beneficiaries and whose **Notary Public and Legal Assistant, a one Kimberly Moran has been arrested and convicted of Fraud** and admitted to six counts of FORGERY of estate documents, including a **POST MORTEM FORGERY** of my deceased father's name in efforts to alter the beneficiaries of my deceased mother's estate.

They also **used my deceased father to act as Personal Representative/Executor** after he was deceased and consummated a fraud **on the Florida Probate Court under Judge Martin Colin.**

**After the claim was rightfully denied by Heritage**, certain of Simon's children who were **wholly disinherited in the Estate** plan by both Simon and his deceased spouse Shirley, Theodore Stuart Bernstein and Pamela Simon, **filed a Breach of Contract lawsuit against Heritage Union** and in this action **Theodore suddenly now claimed he was the Trustee of the lost trust and not Spallina.**

Theodore Bernstein it has been learned from a Palm Beach County Sheriff investigation report, attached herein, is **alleged to have taken already improper distributions of assets in his alleged fiduciary capacities, AGAINST THE ADVICE OF COUNSEL.**

You will note that in Jackson National's initial opposition to the lawsuit on behalf of Heritage, **Jackson also claimed that Theodore had NO LEGAL STANDING to file the lawsuit in the first place** and was advised by counsel of such, which appears a **correct legal analysis.**

Due to these alleged **FRAUDULENT ACTIVITIES** that took place in the filing of the life insurance claim, I have contacted the Jacksonville, IL Police department and spoke with **Detective Scott Erthal** who opened **Case No. 2014000865.**

Detective Erthal then contacted me and told me **he had spoken to Carol Ann Kindred at Heritage Union and that they would be conducting the initial FRAUD investigation internally.**

I was surprised when I got the attached letter from C.A. Kindred, which attempts to inform me that **Heritage is not investigating the alleged FRAUDULENT claim** filed with the company, most surprising is **why she did not direct her letter to Detective Erthal** and instead contacted me to inform me that Heritage was **refusing to conduct an investigation.**

**C.A. Kindred also stated that the Federal Court would be handling the Fraud issues and obviously Federal Courts do not conduct criminal investigations or insurance investigations.**

As you may know, **life insurance carriers are legally required to attempt to find the true and proper beneficiary of an**

**insurance contract upon death and in this instance no effort has been made** to either contact LaSalle National Trust, N.A. to join the Federal lawsuit by the life insurance carrier or any other party and attempts are being made to pay an alleged contingent beneficiary (the lost trust, which is **not listed with the carrier as the contingent beneficiary** according to their records) without first **paying the Primary Beneficiary, a truly bizarre case.**

The Life Insurance contract has also not been produced and it appears Heritage and their Successors and their reinsurers **have all lost the contract that the Breach of Contract lawsuit was filed on**, making an almost **surreal lawsuit where neither the alleged Plaintiff, the lost trust is legally nonexistent and the contract the breach is based upon also does not exist.**

In efforts to secure the contract I am asking that you check your files for Heritage and see if you can locate one. It also has come to my attention that no one has notified the Primary Beneficiary or made any efforts to this date to make contact with them, LaSalle National Trust, N.A., which is now owned by:

Chicago Title Land Trust Company  
10 South LaSalle Street, Suite 2750  
Chicago, Illinois 60603  
Tel:  312.223.2195

As hearings in the Federal Case are proceeding quickly, your prompt attention to these matters is required and please inform me of your work with the Jacksonville PD so that I may know if this matter has to be investigated **by Federal Authorities at this time for the initial alleged Fraudulent claim made to Heritage Union that Heritage and its successors refuse to investigate internally.**

I have contacted your offices as it appears that the Heritage Union Life Insurance Company website was taken down and refers now **to Wilton RE as the successor.**

Attorney for **Jackson National Life in the Federal case, Alexander Marks, Esq.** has told the Federal Court Judge, Amy St. Eve, that Heritage et al. while being discharged from the Federal lawsuit would be willing to help the parties in any way and **this refusal to investigate is directly opposite this claim** and if further problems stand in the way I will be forced to seek leave to have all parties **reinstated in the Federal action instantly, including now Wilton RE.**

Finally, from reviewing the production materials in the lawsuit, it appears that certain **carrier files may have been tampered with by an insider**, who Plaintiffs have claimed was willing to pay an insurance claim **without any proper beneficiary documentation and we are also looking to find who this party is.**

Thank you for your cooperation in these matters and please feel free to contact me with any questions or further information.  
Eliot

So Heritage Union Life Insurance Company is very aware of what is going on in this case. What will they do, if anything, is yet a mystery.

"The 3rd anniversary of Dad's death is approaching and I feel obligated, as his son and your brother, to reach out to you on behalf of myself and the other professionals working for Dad's trusts and estates."

Yes Sad isn't it Ted, that you have disgraced and dishonored your father so badly, and you have harmed his grand children, seemingly forged his signature and tied up millions of his money and your mom's money and greedily did what ever you pleased while your siblings suffered. And you feel a sense of morbid "OBLIGATION" now? What a Crock of Shit.

There were NO professionals working on your Dad's Trust, It seems to me that there were crooks, forgers, liars, thieves and those who massively dishonored your Dad's wishes, oh and broke the law.

"On numerous occasions and in many different ways, I have requested that you remove all of the blogs and websites in which you are slandering and defaming me, my family, my businesses and the judges and other professionals providing service to the trusts and estates of mom and dad; but so far you have refused."

Does Eliot have things written online about you? Hmmm I can't seem to find them. I can't seem to find any websites or blogs that Eliot has about whiny baby Ted at all. And WOW crying about blogs defaming JUDGES? What? Judges are public officials and COLIN umm he broke the law Ted for you, well not really you but to protect Tescher and Spallina for YOU. So it will all come out in a non-corrupt court one day, just keep on sitting there doing NOTHING to make things right and ENSURE your prison sentence COMING SOON, as far as I see it.

Slandering YOUR Business? Are you Kidding? Anyone who reads my news blogs that have nothing to do with Eliot, oh except he is a party to the case, well if they can read the actual DOCUMENTS then they can see you have broke the law, and looks to me personally that you were involved in your Dad's death or covering it up for whoever was.

So where is this slander of you, your family, your business? Oh and your business really? What business is that? the illegal Botox business? or the insurance business? whatever you actually do with that one?

"I also have asked you to cease publishing information about, and interfering in, the sale of our parents' home; but so far you have refused."

Where has Eliot published anything about you? You mean documents of his case? or do you mean my blogs, that are published and COMPLETELY controlled by me, Crystal Cox, personally, as is my First Amendment right.

"To date, your actions have cost the Trust more than \$100,000 of net sales proceeds for this property alone."

Is this a joke? Your actions have cost around a million in attorney fees right? to keep up your LIES, right? And you have sold off condos and personal property with NO money to the actual heirs, right? And you have used up, stolen or somehow hidden millions, or so it seems from the documents I have read over YEARS. And now your whining over \$100,000? WOW Alan Rose or even the Broker John Poletto got more then that right?

"As you know better than anyone, whether or not Dad adequately provided for us during his lifetime, Dad's final wishes were to leave his assets equally to his grandchildren, 3 of whom are your children. Your disappointment about this and your resulting actions are helping to ensure that most of his assets will be squandered in administrative costs and professional fees. Over the past three years, in my role as a fiduciary attempting to carry out Mom and Dad's final wishes, I have tolerated an incredible amount of abuse from you."

Just so there is no error here to who ever you are spewing this bullshit to. YOU are the one who has hurt the grandkids and you have NOT carried out ANY final wishes. You are the abuser and NOT the VICTIM. You appear to be delusional, must be all that botox and the ???

"We hardly know one another, having virtually no contact over the past 30 years. Since our Dad died, you have made unfounded accusations about me that appear to be part of a playbook repeated by you over the past 20 years to intimidate and bully those who do not agree with you. Your motivation for slandering and defaming innocent people online is malicious and serves no purpose to the efficient administration of the trusts and estates."

Slandering and Defaming "innocent" people? Really? Have you even read the thousands of documents of proof of the iViewit case, or even this estate case? Your CAUGHT Ted. Who ever you worked for or with at Proskauer, you are ALL caught. It is now only a matter of time before an honest court steps up to indict you ALL.

Hello Marc Randazza, Wel PARTY, Hope yo...

"You endlessly level accusations against people without providing proof for what you claim. "

WHAT? Have you NOT read THOUSANDS, literally thousands of documents of proof in this and other cases connected in any way to Eliot Bernstein?

"Mom and Dad chose Tescher and Spallina to draft their documents and to act as their trusted fiduciaries upon their deaths."

YEP and Tescher and Spallina chose to go against their wishes, hook up with you and sign their name after they died and try and run off with millions. Can you say Aid and Abet?

"Members of that firm admittedly acted illegally and with poor judgment. I am sure Mom and Dad would not be pleased to learn what occurred. But their wrongdoing, which has been investigated by the proper agencies and will be addressed in a prudent manner, does not justify your continued and disruptive actions."

It doesn't? Well you helped them do those illegal acts Ted? You are the one who had poor judgement and broke the law right? Did you not work with them?

And here you are saying they admitted to the crimes, yet you want blogs talking about the crimes to stop publishing what you allege to be slander and defamation?

"Moreover, none of the people or professional firms who now provide service or act as fiduciaries, including myself, played any role in the creation of these documents. Despite these realities, you have made allegations for 3 years now, about all of us, ranging from murder, explosions and illegal Botox funding. Every allegation you have made remains only that, allegations and accusations made by you and Crystal Cox, your partner. No proof, no charges, no investigations. Nothing but carefully constructed blogs designed to trick unknowing readers.

I am not out to TRICK anyone. If these "unknowing readers" come to my blog, they can read the documents of the case and think for themselves. Read your depositions, read the police report and you claiming there was a murder then changing your story, they can KNOW as they read all of your words, and all of the documented proof that I give them and THINK for themselves. There is no requirement to believe me. I always insist that the reader have a BRAIN.

"Every single matter you are involved in results in you claiming fraud, car bombings, theft, ethical violations, professional misconduct, judicial misconduct, law suits, threats - and ultimately, online defamation of your opponents. None of these matters are related yet you use the same tactics each and every time."

Umm hey DUMBASS, there was a car bombing. Do you even give a shit that your family had someone try and murder them? hmm I guess not, why would you?

opponent?? defamation?? you mean the criminals who robbed him and his family?

"You represent yourself as an attorney, although you are not a lawyer and have no legal background or training whatsoever. Representing yourself, without competent legal counsel, you play without rules and eviscerate the boundaries and rules which counselors and judges must follow. "

Being pro se is a THING, dumb dumb. And Eliot is VERY good at it. Read the legal documents or have someone read them to you, ya um seems to be doing a very good job in the face of MASSIVE EVIL, and not just your face.

"You sued Florida Supreme Court justices, New York Supreme Court justices and dozens of companies and individuals. In New York, Judge Schiendlin has enjoined you from filing additional claims based upon your belief that your trillion-dollar technology has been stolen through a conspiracy involving courts, judges, lawyers and major tech companies, and entered sanctions against you.

"You have also litigated unsuccessfully in other states, including Nevada. Your behavior in the Palm Beach county courts is remarkably similar. You are a vexatious litigant. This appears to be a crucial part of your method."

Ummmm WHAT? Did Eliot litigate in Nevada? I have not seen

You signed a contract with Mom and Dad more than 10 years ago agreeing that you would never sue any member of your family. As a planner dealing in this area for the past 30 years, I have never heard of any other similar agreement between a child and his parents.

All of us understand that the death of Mom and Dad has been emotionally devastating for you and economically destabilizing. Your sisters and I understand the special challenges and circumstances you face and as a result, we have been extremely tolerant."

Tolerant? You have been made to obey the law and you have hated it, you have done all you can to be EVIL and have not been TOLERANT in any way"

"But history is repeating itself and you have turned this into an abusive tirade against your family. After 3 years of baseless accusations about fraud, frauds and fraud on the courts, enough is enough. "

Baseless, Really? You hypocrite, you just admitted above that there was fraud, illegal activity and poor judgement and now it's all baseless? What a Dumb Ass.

"The online defamation and slandering is simply no longer an acceptable way for you to cope."

Not about COPING Teddy, it is about reporting on corruption in the Probate court in FLORIDA. Actually documents and information, REPORTING and not a way to "cope".

"I am not suggesting that you stop your campaign to prove what you believe - that is your prerogative. I am, however, pleading with you to immediately stop the defamation and the slander about me and the other innocent professionals. "

What? Eliot cannot stop something he is not doing and Eliot is not my partner, and has no access or control over my blogs in ANY way. And there are no "innocent professionals", they know who broke the law and have not upheld their oath of honor, ethics and to the constitution. THEY have violated their professional standards and they are being exposed, period.

".. Please remove these sites from the Internet and instruct your partner, Crystal Cox, to do the same. If you do not immediately remove these sites and my name from them, you are leaving me with no other choice but to pursue all available legal remedies. "

Eliot has NOT ever controlled my blogs, nor will he ever. And the TRUTH about you and these not so professional professionals will remain online, eternally, no matter what, so there is that.

Eliot is not MY PARTNER, he is one of thousands of victims of corruption I report on my thousands of blogs. So what is this huff and puff legal remedy you are going to do to Eliot about my blogs? Well I guess we shall wait and see.

Ted

Hello John Pankauski, YOU are still a party of all this. Maybe it's time to come clean on what you know about Ted Bernstein and Alan Rose. The TRUTH will come out in the right court, an honest court one day.
