***Re: Oppenheimer Trust Company of Delaware vs. Eliot and Candice Bernstein, in
their capacity as parents and natural guardians of minor beneficiaries,
Joshua, Jake and Daniel Bernstein
Case No. 502014CP002815XXXXSB (IY)***

Dear Judge Colin:

I represent the Petitioner, Oppenheimer Trust Company of Delaware, in the above-referenced matter. Eliot Bernstein has asked me to write to you to address a mistake that was made by my office.

On February 13, 2015, I sent you the enclosed letter regarding a scheduling issue. On February 17, your assistant called my office and requested that we set a status check on your uniform motion calendar. I contacted Mr. and Mrs. Bernstein by e-mail regarding that request, and ultimately set the status check for Thursday, February 26, 2015.

Mr. Bernstein recently brought to my attention that the transmittal e-mail sent by my assistant to Mr. and Mrs. Bernstein had typos in two out of three e-mail addresses.¹ The transmittal e-mail containing the letter was correctly addressed to Mrs. Bernstein.

Mr. Bernstein has requested and insisted that I write to you to bring my office's error to your attention and to let you know that he objects to the February 26, 2015 status check hearing because he believes that I procured that hearing through fraud and trickery, and that the hearing was my idea, not yours. At Mr. Bernstein's request, our communications regarding the status check issue are also enclosed.

¹ On February 2, 2015, I joined the law firm of Gunster Yoakley. My new assistant, in her very first e-mail to the Bernsteins (who were not in her contacts list), inadvertently left out an "i" in the two e-mail addresses designated by Mr. Bernstein. The e-mail address for Mrs. Bernstein was listed correctly and, presumably, was delivered to her. My office did not receive any "bounce back" or non-delivery messages regarding the e-mail. All other papers, including Motions, Notices, etc. were delivered properly to the Bernsteins through the Court's e-portal system.

The Honorable Martin H. Colin
February 23, 2015
Page 2

Having brought this matter to your attention, please advise if you would like to cancel the February 26, 2015 status check or otherwise proceed differently. Otherwise, I will assume that you still wish to conduct a status check on February 26. Thank you for your consideration of this matter.

Respectfully submitted,

Re: *Oppenheimer Trust Company of Delaware vs. Eliot and Candice Bernstein, in their capacity as parents and natural guardians of minor beneficiaries, Joshua, Jake and Daniel Bernstein*
Case No. 502014CP002815XXXXSB (1Y)

Dear Judge Colin:

I represent the Petitioner, Oppenheimer Trust Company of Delaware, in the above-referenced matter. I am writing to you regarding a scheduling issue.

Recently, Eliot Bernstein served a Notice of Hearing setting his "*Objection to Final Accounting; Petition for Formal, Detailed, Audited and Forensic Accounting and Document Production*" ("Objection") for a one-hour hearing on March 17, 2015 at 10:00 a.m. It is unclear whether Mr. Bernstein intends this to be an evidentiary or non-evidentiary hearing.

Because Mr. Bernstein's Objection does not comply with this Court's November 7, 2014 Order (requiring him to file "form, line-item objections" to Oppenheimer's final accountings), and for other reasons, Oppenheimer filed a motion to strike the objection and to appoint a guardian *ad litem* to represent the minor beneficiaries in the accounting proceedings. In the event those motions are not granted, Oppenheimer filed an alternate motion to establish a schedule and protocol for the conduct of the accounting proceedings. Because these motions will necessarily need to be heard before the Court substantively considers Mr. Bernstein's Objection, the undersigned cross-noticed Oppenheimer's motions for March 17, 2015, in an abundance of caution. The undersigned previously notified Mr. Bernstein that Oppenheimer would be filing these motions, and that a one-hour hearing would be insufficient, but Mr. Bernstein scheduled the one-hour hearing on his Objection nonetheless.

I am writing to you so that you can determine how and when you would like to consider Oppenheimer's motions and/or Mr. Bernstein's Objection. I am enclosing copies of the following documents for your ease of reference:

The Honorable Martin H. Colin
February 13, 2015
Page 2

- The three Final Accountings filed by Oppenheimer, together with Oppenheimer's Notice of Filing;
- Eliot Bernstein's Objection to Final Accounting; Petition for Formal, Detailed, Audited and Forensic Accounting and Document Production;
- Oppenheimer's Motion to Strike Objection to Final Accounting and to Appoint Guardian *Ad Litem* to Represent Minor Beneficiaries in Accounting Proceedings; Alternative Motion to Establish Schedule and Protocol for Accounting Proceedings; and
- Oppenheimer's previously-filed Motion to Appoint Guardian *Ad Litem* to Represent Minor Beneficiaries (which is incorporated by reference in Oppenheimer's recently-filed motion directed to the Objection).

Absent word from your Chambers that you would like to proceed differently, I will be prepared to argue Oppenheimer's motions at the March 17 hearing. Thank you for your consideration of this matter.

Respectfully submitted,

/s/ Steven A. Lessne

Forgot to add your newly sent attachments to show improper email address ivewit v. iviewit. They are attached herein.

Mr. Lessne,

Your email alleged sent to me on February 13, 2015 was sent to the wrong email addresses according to the email I received today from you for the first time. Certainly it could not have gotten to me with wrong email addresses, how quaint. I am sure you have all the email bounce receipts and read receipts and will send them over, I just wonder why you did not call once you received bounced return mail from gmail for the incompetent addresses or after getting the bounced emails then correcting and resending the email but you can explain that to Judge Colin. How strange that all your other emails seem to get to me with the right addressing but this one. Sure, blame it on the sender or blame it on incompetence, either way I was never in receipt of the Ex Parte letter and thus it remains an Ex Parte communication and I had no chance to reply to the Judge regarding my objections to the Ex Parte letter. Therefore, again, I urge you notify Judge Colin immediately of your incompetence, send him all the emails regarding this incompetence and show the Ex Parte nature of your clever communication that led to the scheduling of hearing based on Ex Parte letter and have him determine what to do after he receives my forthcoming response to your letter. You should seek to have him cancel the hearing for status you have scheduled until further notice by the Court if it so desires, after Judge Colin has time to review my retort. Since this is your screw up I would have anticipated you're fixing the matter with Judge Colin in a gentlemanly way but your refusal to contact Judge Colin appears steadfast. Therefore, I will do the work and will add it to the tolling damages you and your client have caused thus far as asserted in the Counter Complaint you were served as a Counter Defendant. By the way, I hate to keep asking but have you

reported this matter to your liability carriers both personally and professionally, for both firms you have worked for on these matters and informed them of your standing as a bona fide Counter Defendant that has been served process? Have you notified Gunster that you are a Counter Defendant and have they notified their carrier that they will be added if they continue to allow you to represent these matters in conflict? Please send over the name of the managing partner and his email so that I may notify him if you have not.

Thanks, Eliot

Subject: RE: Oppenheimer v. Bernstein

Mr. Lessne,

First off, you need to be contacting Judge Colin regarding all of this and cancel your surreptitious scheduled hearing. Again, I did not receive nor did my wife any email from you on the alleged date and only have received copy today and if you could please provide your exchange receipts for that day on the alleged email that would be great. As for your character, well, as you know from my counter complaint against you, in which you are a counter defendant, your character has been in question since you first contacted me and my wife under false pretense, acting as my children's newly hired counsel, talking with us about our strategies going forward with you and then later learning that you were not representing our minor children and were in fact representing Oppenheimer instead.

Your Ex Parte letter is inaccurate in many ways and I would have responded to Judge Colin with a response to your claims and most likely he would have not wanted to schedule anything other than what is already scheduled. In fact, you have tried to schedule around my hearing for accounting, to have your newly filed plethora of toxic and vexatious filings heard first and when that did not work you concocted this scheme to make it look like Judge Colin just woke up and told his assistant Sherry to have you call me and schedule a non-related to anything status hearing. Hopefully by now you have contacted Judge Colin and cancelled this ill-gotten hearing and notified him I will respond to your ex parte communication with him next week in writing and then he can decide if he wants to have a status check at all.

I am not sure what a "floater" is in your office, do they have a formal name you can provide me? I did not fail to respond, I was waiting for Judge Colin's chambers to contact me back to confirm that this was a hearing Judge Colin wanted and why. You just went ahead and scheduled and even Sherry was confused when we called as to what transpired and called your offices to recollect what happened. She then contacted us back then stated the meeting impetus was based on a communication you sent to the judge requesting such and we informed her that we had never received any letter regarding scheduling a hearing for status from you, thus the Ex Parte part of the communication with Judge Colin. You're a clever fellow I must admit.

As you responded to all in my email you can see that I do like many lawyers despite your pining that I do not like all lawyers. There are many more friends of mine that practice law nationwide who are good and honest lawyers and it is only a rotten few bad apples like you that give the whole profession a bad name. I am certain you can understand my dislike for attorneys like Robert Spallina, Esq. and Donald Tescher, Esq. whose law firm forged and fraudulently notarized dispositive documents in my mother and father estate and trust documents and more. And understand my distaste and continued actions against the lawyers who are alleged to have stolen my Intellectual Properties. Or for example, after reading the email exchange below between a good attorney at law who I like, Peter Feaman, Esq., who is representing a creditor of the estate of my father and the newly appointed Personal Representative/Executor of my father's estate, another good lawyer I like, Brian O'Connell, Esq., you will see why I do not like Alan B. Rose, Esq. (another counter defendant like you in this case) for his immoral, unethical, unprofessional and possibly criminal behaviors.

Brian,

When you and I spoke last week you indicated that you were in favor of the settlement that Mr. Stansbury had signed and sent to you for signature.

You indicated that you had to work out funding with the trust.

Meanwhile, the Life insurance litigation in Chicago is moving forward.

Our attorneys are taking a deposition in Chicago the week after New Years of "Scooter" Bernstein, I think.

They also want to depose Ted Bernstein and Robert Spallina in early January as well.

I offered my office as a locale for those depositions.

Deposing Ted Bernstein in the Chicago action poses some serious conflict of interest issues for Ted Bernstein and ethical issues for Mr. Rose as the Florida attorney for Mr. Ted Bernstein.

He is being deposed as a party Plaintiff in the Chicago action, the purpose of which is to direct \$1.7 million in life insurance to the 5 adult children of Simon Bernstein away from the Bernstein estate.

Yet Mr. Rose represents Ted Bernstein as Successor Trustee to the Simon Bernstein Trust, the beneficiaries of which are the GRANDCHILDREN OF Simon Bernstein, and the Trust is the beneficiary of the Simon Estate which is directly opposed to the position of Ted Bernstein as Plaintiff in the Chicago Life Insurance litigation.

Just as Ted Bernstein cannot wear both hats, it seems that Alan Rose cannot represent a client so conflicted.

Further, it would seem to me **that the estate (you as Personal Representative) has an absolute duty to demand Ted's resignation as Successor Trustee, as his continued role as such imperils the interests of the grandchildren, to whom you owe a fiduciary duty as the Personal Representative.**

The bottom line is that the more this drags on, **the worse it is going to get for all concerned.**

At some point, respectfully, I think you are going to have to take the bull by the horns and **1.) demand that Ted Bernstein resign as Successor Trustee** and 2.) Take an active role in directing the attorneys in Chicago to push the case in order to bring it to a successful resolution on behalf of the estate, either by settlement or trial. This means taking over the responsibility for the litigation from Mr. Stansbury in light of the favorable position that the Estate is now in as a result of Mr. Stansbury's efforts.

I welcome your thoughts on this.

I bring up Mr. Rose as you have been noted to be working with him on your futile defense in this case and wanted you to be aware of his alleged misconduct and fear that you're working with him in these

matters may have affected you further to continue crossing ethical and legal lines. I see you are working at Mr. Rose's old law firm now, Gunster, since your recent and sudden departure from Gray Robinson and wondered if your termination from Gray Robinson was predicated or had anything to do with this matter and your being a counter defendant in this matter. Finally, I will be seeking leave to amend my counter complaint to add your new law firm as counter defendant, so can you please provide me with the managing partners contact information so that I may serve him properly for the firm? Have the liability carriers, personally and professionally, that were notified of the lawsuit against you at both of your firms allowed you to continue to practice in this matter that you are a counter defendant in for good and just cause?

If you refuse to notify Judge Colin of these matters and my objections to the hearing and provide him with all of the communications surrounding this hearing than I will contact his chambers first thing Monday morning and provide him with a letter explaining all of this myself.

Thanks, Eliot

Mr. Bernstein:

I generally don't "reply to all" in response to your e-mails, but because your below e-mail contains serious, defamatory remarks about my character and professionalism, I will make an exception here to set the record straight.

First, you were served by e-mail with a copy of my letter to Judge Colin the same day it was sent to the Judge. Attached is the e-mail containing the letter.

Second, the letter, which addresses a scheduling issue, is accurate in all respects, as illustrated by the attached January 23 e-mail exchange between you and me.

Finally, a floater in my office received a call from Judge Colin's assistant on February 17. The floater was informed that Judge Colin wanted me to schedule a "status check" on the Court's motion calendar. I promptly sent you an e-mail reporting the call and requesting dates from you. When you failed to respond, I set the status check for next Thursday. All of this is confirmed by the attached February 17-19 e-mail exchange between you and me.

I know you don't like lawyers, but please at least be honest in your disparaging remarks.

Mr. Lessne,

Your continued practice of misrepresentation will be noted to Judge Colin and I request that we cancel this hearing immediately as it was set up under false pretenses with me and the court and notify Judge Colin's of the tomfoolery used to schedule the hearing. You contacted me saying Judge Colin wanted to have a Status Hearing he was requesting and had contacted you to arrange with and then demanded times from me as is indicated in your emails below. You did not tell me Judge Colin was sent an ex parte letter that I never received and that is why he was calling for a "status" check. I would like that you contact Judge Colin and his assistant immediately to inform them that I never received the Ex-Parte communication and was misled by you as to what the status check was all about and why it was being scheduled. I will then respond to the Ex Parte communication I received today from you for the first time and the myriad of false statements contained therein and see if Judge Colin would still want such a hearing after my response is sent to him informing him of several issues with your strange and delusional behavior exhibited in the letter that led to the hearing be scheduled under false pretenses by you. It will take me a few days to respond to the letter that you just sent me for the very first time as I am tied up through the weekend.

Please refrain from further Ex Parte communications with Judge Colin and misleading both the Court and me in order to try and procure your hearings forward. Also, have you notified your new law firm that you are a counter defendant in this case and have you reported such to your liability carrier?

I will book my hearing for the 17th for the time I made for my hearing. I do not have that more time on the 17th to hear all your nonsense so let me know what dates and times you get for however long you want and we can tee those up. I have booked the 17th date for the Objection and will send out a Notice shortly. For your hearings, the best time due to some other hearings in these matters will be best for me early to mid-April . March 17 is fine, but I will likely be adding on motions to be heard (e.g., a motion to strike your objections, a renewed motion to appoint guardian ad litem, and a motion to terminate the trust for failure to designate a successor trustee), so I think a two hour hearing would be better. Please get dates for a two hour hearing and get back to me. Thank you.
