(customer) Hello, this has happened several times over the last several weeks and the only explanation I have is that your system needed to reboot. I am concerned that if this is the problem that has kept my site down for several days this month already and stopped my mail that we need much quicker support as promised.

(customer) Hey what is going on this is almost a week of no website and mail this month and no tech support response.
Hello

iviewit Posted on 31 Jan 2016 07:42 AM

(customer) I will need an explanation of this downage this month that I can file in the Federal Court to explain why exhibits linked to the site are not working and what the cause was. Thanks
