Eliot and Candace,

Most of the items listed below (such as health/auto insurance, legal fees, utility bills, medical expenses) have a bill or invoice associated with them. You will be sending those bills to me, at the address listed below and I will pay them upon receipt.

For miscellaneous purchases **for the boys** (such as clothing, sports equipment and school tuition, equipment and school trips) you can contact me via email with the information and we will make arrangements to pay the providers directly. Usually in those cases there will be written documentation you can send to me as well.

The other items (groceries, general transportation, non-school trips, expenses specific to you and Candace) are not appropriately paid from the Trusts and you should find alternate ways of paying for these items.

These Trusts are small and, as Trustee, we have an obligation to your sons to ensure that the trust are used appropriately and last as long as possible.

Janet, I am a bit confused, in the last email re expenses Candice and I pay that are to be reimbursed to us for the kids expenses you stated,

"I believe that you and I are saying the same thing. The trusts will be paying the boys' expenses and any household bills. If I receive bills that do not fall into those categories, I will contact you to discuss the matter. At this point, this process is new to all of us and I'm certain there will be bugs to be worked out. As long as we are all patient, I'm certain things will work out to everyone's satisfaction."

I am unclear now from the email below how you want us to send these other expenses to you if not

on a spreadsheet and are you saying that we will discuss those or are you now claiming that you will not pay them and return them without discussion. Please let me know as you told me to have those in for payment prior to the first, these items include but are not limited to health insurance, groceries/dining, clothing, sports equip, legal fees for their trust admin, auto insurance, cell phones, transportation, trips, miscellaneous medical, etc...

Eliot and Candace,

I'm not looking for a spreadsheet or a report. Please send me the bills as they are received and I will pay them directly to the vendor.

Any bills that should not be paid by the trust will be returned to you.

Thanks!
Janet

Eliot and Candice,

I've transferred the funds into Candice's account so you can write the check directly. In the future, please get the bills to me in a timely fashion so that I can pay the provider directly.

Janet, you paid me 1,469 in Nov expenses for the Volvo based on first estimate and I have a check to give them for that amount that I already wrote out for that amount. When I pick up I will send you final payment with Volvo for total paid. So if you could pay the \$2155.77 difference in a check, I will go pick up and give them the two checks and get receipts. How soon could you have payment to them or could you wire to my account and I will get it and pay them total tomorrow, sorry, thought you were at the Boca Oppenheimer? eb

Eliot,

Is this bill for \$3,624.77 to be paid in full, or should the \$1400 already paid be deducted from this? Why isn't the \$1400 showing on this invoice?

Thanks!
Janet
