Pee, will keep that in mind and perhaps we should bill out time to the individual estates on time used by each party with attorneys, would that suffice your concerns? Would you like that entering the Iviewit stock and patent interests into the estate be billed to my children, if so, please advise. Eliot

**Subject:** Si's Iviewit Stock and Patent Interests

Robert ~ just wanted to check if my father had listed as an asset in his estate his shares in the Iviewit companies and his patent interests. My father was the original seed investor before Huizenga and started the Iviewit companies with me formed around my inventions and Intellectual Properties. It is well documented in bank and other documents his interests, which companies were all initially 30% owned by Si and 70% by me. After multiple other investors of course we were diluted down and I am working that out pending state, federal and international investigations as some of the original shareholders may be excluded for their crimes and thus the number may fluctuate from its last pricing during a Wachovia Private Placement. I spoke to my father and it was his wishes that the stock be part of his estate for his kids and grandchildren in whatever way he chose to distribute his other assets. I would like to make sure that his wishes are fulfilled and so please advise as to how to incorporate the asset if it was not initially listed. Currently the assets are worth nothing, the patents are suspended pending federal investigations due to the extenuating circumstances surrounding the patents but at some near future time they may have considerable asset value. The patents are also at the center of an ongoing RICO action in the Federal Courts and considerable monies may be recovered via those efforts as well, of which of course, Si's interests must be also be considered in his estate.

Also, please reply with a time and day that we are meeting and if you could please send any documents to the attorneys and others I mentioned in my prior email correspondences copied below prior to the meeting time this would be of great service.

Thank you ~ Eliot
