Mom signed the retainer through the laptop with Amber. I have sent all the paper work from Friday 4/28, from the court appointed lawyer lady. As well as the statement letter to her. But, I have a bad migraine from stress and the sunny glare today. I cannot pull up the most recent revoked p.o.a. for Mom.

Amber still needs that. I would be grateful if you could send that to me, please, for Amber.

That is the last thing.

Thank you.
