Robert,

We believe we have a solution to the life insurance policy which provides the desired result. We would like to discuss this with you at your earliest convenience. Until we have this conversation, please do not process anything further with the insurance company as we would like to avoid any unnecessary confusion for them. Pam, her husband Scooter, and I would like to have this initial conversation with you.

Let me know what is good for you and I can coordinate with Pam and Scooter.

Take care...

Pam - My office is processing the claim as your father was the owner of the policy and the proceeds will likely be paid to the estate in the absence of finding the trust. As I mentioned previously there was a discussion with the carrier about possibly using the 2000 trust (the one you are carved out of but would be split 5 ways according to Ted) but I'm not sure that we will achieve that result. 11:00 on Tuesday your time is my lunch hour. I am out of the office all day and will reach out to you on Monday as my calendar is fairly packed next week and a status call will have to be later in the day sometime next week. Have a nice weekend.

If you already have the death claim package from the carrier can you overnight it to me and we will take care of the payout? If you don't have the package, can you send me an original death certificate and I will request it from the carrier?
