Defendants	§	

AFFIDAVIT OF WILLIAM M. WINDSOR DATED MARCH 5, 2014

I, William M. Windsor, the undersigned, hereby declare under penalty of perjury:

1. I am over the age of 21, am competent to testify, and have personal knowledge of the matters stated herein. I provide this affidavit to be used in this and any other legal proceeding.

2. I was happily married for over 40 years. My relationship with my children and grandchildren was always ideal. Now I am divorced, have no contact with my children, and I am not allowed to communicate in any manner with my grandchildren. This devastation was caused by the cyberstalking, defamation, and threats of Sean Boushie of the University of Montana, and a group of others.

3. I have worked in the media for most of my life. Since early in 2012, I have been producing and directing documentary films.

4. I do not know Sean Boushie. I have never attempted to be in his presence except when he was subpoenaed to appear for depositions (that he failed to attend). I have never known if I was anywhere near him. I have never been introduced to him. I have never spoken with him on the telephone. My sole communication has been by email and online posts plus some legal mail in recent months. My emails to Sean Boushie have consisted virtually entirely of cease and desist notices. Every email that I have ever sent to Sean Boushie is noted in this affidavit. I sent two (2) emails. These emails are detailed in paragraphs 13 and 15 below. He was then sent 24 cease and desist notices, usually when copied on a complaint to Google or Yahoo. These emails are detailed in paragraphs 20, 27, 63, 141, 153, 175, 177, 184, 185, 193, 197, 205, 206, 207, 208, 209, 217, 259, 266, 268, 270, 273, 276, 725, below. I also published Cease and Desist notices online that I know he has seen.

5. On August 21, 2013, Sean Boushie swore under penalty of perjury before a notary that he only contacted me once by letter. He wrote: "I have never emailed Mr. Windsor, contrary to his claims." [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-Boushie-v-Windsor-Petition-for-Protective-Order – 10<sup>th</sup> unnumbered page.] This affidavit provides evidence that proves Sean Boushie lied massively. This affidavit contains 70 emails that Sean Boushie sent to me, as many as 90 published statements on my

websites, and approximately 462 published statements about me on Joeyisalittlekid.blogspot.com. The evidence attached to this affidavit also contains proof that ties almost all of the emails to Sean Boushie-used email accounts. Please note that on August 21, 2013, Sean Boushie swore under penalty of perjury that he and his wife “do not feel safe at home or at work.” [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-Boushie-v-Windsor-Petition-for-Protective-Order – 9<sup>th</sup> unnumbered page.] This affidavit contains 38 published statements where Sean Boushie expresses that he does not fear me or where he invited me or taunted me to come to Montana. These are detailed in paragraphs 49, 64, 66, 80, 87, 120, 123, 146, 147, 159, 187, 189, 216, 217, 223, 224, 247, 306, 326, 335, 374, 386, 390, 392, 411, 533, 540, 549, 617, 624, 645, 653, 658, 695, 699, 722, 730, and 733. In paragraphs 695, 699, and 733, he admits physically stalking me while I was in Missoula. And, on the day that he later went to the court to seek a temporary order of protection, he came outside his office building and paced around while talking on his cellphone just 100-feet or so from where my brightly-painted Jeep was sitting next to the street. He would have come out after he saw my Facebook message that explained I had been outside filming to prove he was on campus when he was emailing me. Please note that on August 21, 2013, Sean Boushie swore under penalty of perjury that I had a gun in Montana. He wrote “he claims to be carrying a firearm.” [A true and correct copy of this is attached to the

Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-Boushie-v-Windsor-Petition-for-Protective-Order – unnumbered pages 1, 3, 11.] As I have said before and will be happy to say while connected to a polygraph, I did not take a gun to Montana in August 2013 or at any time. This affidavit includes two published statements where Sean Boushie notes that I published that I did not have a gun, paragraphs 638 and 642. [A true and correct copy of an article where I published that I would not be bringing a gun to Montana is attached to the Flash Drive marked as Exhibit A, in the folder “Facebook Downloads, in the subfolder Lawless America Facebook. Please note that on August 21, 2013, Sean Boushie swore under penalty of perjury in his petition for a temporary order of protection that he was in fear when I filmed at the University of Montana. But note that after I had been filming for almost an hour outside the Social Sciences building where he has an office, he came out of the building and walked around on the sidewalk for a little over four minutes. He was perhaps 100-feet away from me in my boldly-signed Lawless America Jeep. Sean Boushie may be seen from 1:00:15 to 1:03:00 on the video taken and again at 1:06 pm. I immediately called the police. At 1:11:30, the University of Montana Police arrive. [A true and correct copy of the video is attached to the Flash Drive marked as Exhibit A, in the folder named “Lawless America Videos in Montana, Exhibit = Bill Windsor sting of Sean Boushie at the University of Montana.] [A true and correct copy of the police report is attached to

the Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-11-13-00-AM-University-of-Montana-Police-Report.]

6. This affidavit provides massive evidence of cyberstalking, stalking, harassment, threats, and much more by Sean Boushie. Each numbered paragraph represents a separate incident, and there are 606 paragraphs detailing cyberstalking, stalking, harassment, threats, and much more by Sean Boushie. Paragraph 869 below explains how the many email addresses used, and the IP addresses from which they were sent, tie together to establish that virtually all of the emails sent were sent by Sean Boushie. Proving that Sean Boushie is the person who made approximately 462 published statements on Joeyisalittlekid.blogspot.com is even easier. (Each statement is in a separate paragraph below). In paragraphs 47, 68, 69, and 119, he admits the screen name of “John Smith” is actually Sean Boushie. In paragraph 253, 329, 429, 480, and 693, he admits the screen name of “tinyfeetnhands” is actually Sean Boushie or admits the email tinyfeetnhands@gmail.com.

7. This affidavit also provides evidence of how the University of Montana ignored all the reports of this activity by Sean Boushie, and shows how the University enabled him in his illegal activities. There are approximately 40 paragraphs that set out notice to the University of Montana and the University’s refusal to do anything. These are paragraphs 28, 55, 60, 61, 101, 103, 104, 107, 108,

110, 193, 197, 205, 210, 211, 212, 213, 214, 218, 234, 455, 456, 457, 505, 599, 600, 601, 743, 786, 787, 793, 797, 807, 809, 812, 813, 815, 818, 819, and 831. 32 of the 88 emails were sent during weekdays between 8 am and 5 pm, times when I assume Sean Boushie was at work on campus in Missoula. [A true and correct copy of the complete analysis of the emails and IP addresses is attached to the Flash Drive marked as Exhibit A, Exhibit = Email-Analysis-Spreadsheet. The dates, times, and days shown in light yellow are those that appear likely to have been sent from the University of Montana.]

8. Sean Boushie began stalking me on March 7, 2012 at 2:29 pm with an email sent from seanboushie@gmail.com. [A true and correct copy of this email is attached to the Flash Drive marked as Exhibit A, Exhibits = 2012-03-07-02-29-00-PM-Sean-Boushie-email-about-crystal-cox -- 2012-03-07-02-29-00-PM-Sean-Boushie-email-about-crystal-cox-header.] seanboushie@gmail.com is an email address that has been well established to be that of Sean Boushie. (See paragraphs 8, 9, 10, 11, 12, 14, 16, 49, 174, 176, 178, 179, 180, 181, 183, 195, and 202.) And paragraph 869 explains how the many email addresses used, and the IP addresses from which they were sent, tie together to establish that virtually all of the emails sent were sent by Sean Boushie.

9. Sean Boushie apparently saw an article about my movie on www.LawlessAmerica.com, likely in the March 6, 2012 article that listed Crystal

Cox as one of the people to be filmed. [A true and correct copy of many of these articles are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Website, Exhibit = 2012-03-06-Lawless-America-Article.]

Information about Sean Boushie has been provided to me by Crystal Cox. This information shows how Sean Boushie has stalked and harassed Crystal Cox. These documents also shows that various emails were used by Sean Boushie in harassing Crystal Cox have been used in cyberstalking me. Crystal Cox says Sean Boushie threatened to kill her, and he did so from the email address crystalcoxisabitch@yahoo.com. This was the same email used by Sean Boushie in the emails noted in paragraphs 25, 27, and 28 above...and the IP address is Unoversity of Montana. These documents also show that Sean Boushie sent Crystal Cox a cease and desist email on January 19, 2010 from seanboushie@gmail.com, the primary email that he used in emails to me. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2011-07-05-Sean-Boushie-by-Crystal-Cox. Note page 2 for the death threat email information. Note pages 28, 29, 30, 33, 36, 39, 41, 42, 47, 51, 58 for Sean Boushie’s use of seanboushie@gmail.com. Note on page 38 that he contacted another documentary filmmaker about Crystal Cox on July 9, 2010, in a virtually identical manner to the way he approached me. Note that Claudia Denker and Dean Janson of the University of Montana received serious complaints about Sean

Boushie from Michael Spreadbury and Crystal Cox in May 2011; see pages 49-50. Note that on page 59, he used the alias “John Smith,” an alias that he has used in his cyberstalking of me.] Sean Boushie has apparently maintained a blog that is hate toward Crystal Cox. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2011-11-09-Sean-Boushie-Blog.]

10. Sean Boushie emailed me again at 2:47 pm on March 7, 2012 from seanboushie@gmail.com. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A – Exhibit = 2012-03-07-02-47-00-PM-Sean-Boushie-email-about-crystal-cox -- 2012-03-07-02-47-00-PM-Sean-Boushie-email-about-crystal-cox-header.]

11. Sean Boushie emailed me again at 4:10 pm on March 7, 2012 from seanboushie@gmail.com. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibits = 2012-05-03-05-21-PM-Sean-Boushie-email-(2).] He offered to donate money to the film I am producing if I told him when and where Crystal Cox would be filmed. I learned later that Crystal Cox says Sean Boushie threatened to kill her and has cyberstalked her for years.

12. Sean Boushie emailed me yet again at 5:21 pm on March 7, 2012 from seanboushie@gmail.com. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2012-05-03-05-21-PM-Sean-Boushie-email-(2).]

13. On May 3, 2012 at 12:45 pm, I sent a mass email out to people in the Lawless America movie contacts database. It was promoting a fundraising campaign using a service called Kickstarter. Sean Boushie somehow managed to get his name on that list, and he received the email. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2012-05-03-12-45-00-PM-Email-from-Windsor-to-Boushie-and-broadcast-email-database.]

14. On May 3, 2012 at 3:10 pm, Sean Boushie emailed me again from seanboushie@gmail.com asking to be told when and where Crystal Cox would be filmed. [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2012-05-03-05-21-PM-Sean-Boushie-email-(2).]

15. On May 3, 2012, I responded to Sean Boushie with an email that simply stated: "Crystal has had a stalker and some threats, so her filming will be done in secret." [A true and correct copy of this is attached to the Flash Drive marked as Exhibit A, Exhibit = 2012-05-03-email-from-sean-boushie-long.]

16. On May 3, 2012, Sean Boushie first threatened me and intimidated me. He sent me an email at 5:21 pm from seanboushie@gmail.com and said he was going to come after me. "I had enough crap from all the wackjobs associated with this lying POS. You can tell her I'm coming for her and I'm going to make sure she is locked away forever. Want to screw with me and the same goes for

you!!” [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-05-03-05-21-PM-Sean-Boushie-email.]

17. On May 5, 2012 at 4:06 pm, I published an article in my online magazine titled “Movie Producer Bill Windsor and Crystal Cox threatened by Stalker Sean Boushie from the University of Montana.” [A true and correct copy of this is provided on the CD-ROM that is Exhibit A hereto, Exhibit = 2012-05-05-6-06-pm-LAWLESS-AMERICA-Movie Producer Bill Windsor and Crystal Cox threatened by Stalker Sean Boushie.”]

18. On May 7, 2012 at 9:19 am, “CrystalsTumblingCox” posted a message on my magazine website. The published message said I did not publish all of the emails between Sean Boushie and me. I did. The only person who would be able to know such a thing would be Sean Boushie. The message came from IP Address 124.169.134.10. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-05-07-09-19-00-AM-Sean-Boushie-message.]

19. When Sean Boushie began posting on my Facebook pages — [www.facebook.com/billwindsor1](http://www.facebook.com/billwindsor1) and [www.facebook.com/lawlessamerica](http://www.facebook.com/lawlessamerica), a Glock gun was the gravatar/photo that he used. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, sean-boushie-facebook-photo-GLOCK-200w.] This was viewed by me as a threat from Sean Boushie that

he was going to shoot me. Admittedly, this is a veiled threat. But when you follow the series of posts and threats, it is quite clearly a threat.

20. I issued a cease and desist notice to Sean Boushie on or about May 3, 2012. I issued many cease and desist notices advising him to stop contacting me. I didn't maintain copies of the initial cease and desist emails as I didn't anticipate that I would be the victim of over 100 emails and many hundreds of online posts.

21. On May 6, 2012, Sean Boushie stalked me by interrupting and harassing me during my Lawless America Radio Show. He was asked to leave, and he didn't. [A true and correct copy of this is provided on the CD-ROM that is Exhibit A hereto, in the folder "TalkShoe Shows\TalkShoe Chat," Exhibit = Episode-042-cf620232.]

22. On August 17, 2012, Sean Boushie stalked, intimidated, and defamed me on YouTube calling me a liar, a nutcase, mentally disturbed, not very intelligent, and of dubious moral character. [A true and correct copy of this is attached hereto on the CD marked Exhibit A, Exhibits = 2012-08-17-SEAN-BOUSHIE-FACEBOOK-LA-dubious-moral -- 2012-08-17-SEAN-BOUSHIE-FACEBOOK-LA-dubious-moral-cropped.]

23. On September 2, 2012, Sean Boushie posted nasty comments about Crystal Cox on my YouTube page. Crystal Cox was one of the subjects I interviewed for my movie.

24. On September 13, 2012 at 9:03 am, Sean Boushie threatened to sue my wife (now my ex-wife) falsely claiming she was the owner of Lawless America. [A true and correct copy of this email is attached on Exhibit A hereto, Exhibit = 2012-09-13-09-03-00-AM-Sean-Boushie-message-3.] It was sent from crystalcoxisabitch@gmail.com – IP 150.131.65.113, which is a University of Montana IP address, where Sean Boushie works. [A true and correct copy of this IP Report is attached on Exhibit A hereto, Exhibit = IP-Report-150-131-65-113.] My now-ex-wife has never had any ownership of Lawless America, and this was communicated to Sean Boushie and the Joeyisalittlekid people on many occasions. (See paragraph 146 below.)

25. On September 13, 2012 at 10:18 am, Sean Boushie published online on Facebook that I am a liar, an ahole, and a POS. I am not a liar, and neither he nor anyone associated with him will ever be able to prove that I ever lied about anything. I have always spoken what I believed to be the truth. This message is in the name of Sean Boushie with an email address of crystalcoxisabitch@gmail.com. The IP address was 150.131.65.113, which is a University of Montana IP address, where Sean Boushie works. [A true and correct copy of this Facebook publication is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-13-01-34-00-PM-Sean-Boushie-message-acknowledges-cease-and-desist.]

26. On September 13, 2012 at 12:38, Sean Boushie falsely posted online on Facebook that I falsify information. It was sent from crystalcoxisabitch@gmail.com – IP 150.131.65.113, which is a University of Montana IP address, where Sean Boushie works. [A true and correct copy of this IP Report is attached on Exhibit A hereto, Exhibit = IP-Report-150-131-65-113.] This is defamation as I have never falsified information. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-13-12-38-00-AM-Sean-Boushie-message.]

27. On September 13, 2012 at 1:34 pm, Sean Boushie sent an email in which he claims I had harassed him, lied, and made false statements about him. There is absolutely no truth to this because I had not communicated with Sean Boushie except to send him cease and desist notices. My total communication with him prior to this point is in emails listed in paragraphs 13 and 15 above and an article that I wrote detailed in paragraph 17 above. This is not harassment, and I never made false statements about him. Sean Boushie acknowledges receiving those cease and desist notices in this email. In this email, Sean Boushie issues a threat when he says he has the right to retaliate, and he “will finish it.” This email is in the name of Sean Boushie with an email address of crystalcoxisabitch@gmail.com. The IP address was 150.131.65.113, which is a University of Montana IP address, where Sean Boushie works. [A true and correct

copy of this IP Report is attached on Exhibit A hereto, Exhibit = IP-Report-150-131-65-113.] [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-13-01-34-00-PM-Sean-Boushie-message-acknowledges-cease-and-desist.]

28. On September 13, 2012 at 2:39 pm, I filed a complaint against Sean Boushie with the University of Montana Police Department. I received a response indicating that they would not pursue it, claiming the email complained about came from a gmail account so they had no jurisdiction. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-13-6-04-PM-Sean-Boushie-University-of-Montana-Office-of-Public-Safety.] The fact that the email came from a gmail account is irrelevant because the issue of jurisdiction is where Sean Boushie was when the email was sent. It was sent at 1:34 pm on Thursday, September 13 when a University employee like Sean Boushie would normally be at work.

29. On September 14, 2012 at 5:03 pm, Sean Boushie continued to cyberstalk me – called me a liar and psycho in online posts on my website. He harassed Crystal Cox in the same post and shows that he has used crystalcoxisabitch as an email address -- using cystalcoisabiitxh@gmail.com. The IP address was 74.82.68.160, one that ties Sean Boushie to this email. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto,

Exhibit = 2012-09-14-05-03-00-PM-Sean-Boushie-message.] Sean Boushie has used many email addresses in his stalking of me.

30. On September 14, 2012 at 9:31 am, Sean Boushie harassed and stalked me with more online posts, lies, and libel. This was published from 74.82.64.144 under the name “Sean Boushie” using cystalcoisabiitxh@gmail.com. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-14-09-31-00-AM-Sean-Boushie-post-on-Lawless-America-Website-waiting for FBI.]

31. On September 14, 2012, Sean Boushie is likely responsible for me being suspended by Facebook. He has taken credit for it on Joeyisalittlekid.blogspot.com. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-09-14-Sean-Boushie-Facebook-suspension.]

32. On November 7, 2012, Sean Boushie took credit for filing copyright/trademark violation reports with YouTube that caused one woman’s Lawless America videos to be removed and a strike issued against the Lawless America YouTube Channel. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-11-07-Sean-Boushie-copyright-trademark.]

33. On December 3, 2012, Sean Boushie published messages on my movie Facebook page. He falsely said I was a sociopath, a scumbag a dickless coward, and more. The published statements are under his name and also refer to his other stalking victim, Crystal Cox. I am not a sociopath, a scumbag, or a dickless coward. This defamed me in my profession. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibits = 2012-12-03-10-06-26-PM-SEAN-BOUSHIE-LA-FACEBOOK-POSTS and 2012-12-03-10-06-26-PM-SEAN-BOUSHIE-LA-FACEBOOK-POSTS-cropped.]

34. On December 14, 2012, I sent an email to Canipre, the company name used in trying to block two of my videos on YouTube. I believe Sean Boushie used this company name. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-12-14-08-02-00-PM-Canpre -- 2012-12-14-08-02-00-PM-Canpre-photos.] I had someone go by their address provided on the complaint, and there was no such office.

35. On December 12, 2012, Sean Boushie attacked Lawless America film subject, Mary Wilson with a published statement on YouTube. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-12-21-06-24-00-PM-Email-from-Sean-Boushie.] He has continued to stalk, defame, and harass Mary Wilson, Crystal Cox, Michael Spreadbury, and others, as well as my family and me. His harassment of people in my movie constitutes

tortious interference. On December 14, 2012, Sean Boushie posted a stalking message on YouTube. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-12-14-00-00-00-PM-YouTube-comment-by-sean-boushie.]

36. In December 2012, I was told that a television production company was looking for documentary filmmakers to apply to be on a reality series that would have filmmakers competing for “the next great documentary filmmaker.” I applied, and I made it to what I guess was the semifinals. I was asked to prepare and submit a 60-second video, which I did. I subsequently learned that I was not chosen as a finalist, but I was recognized as a documentary filmmaker by making it to the semifinals. [A true and correct copy of the news release announcing the competition, my application, and an email asking me to produce a video for submission are provided on the Flash Drive marked as Exhibit A hereto, Exhibits = 2012-12-05-09-00-00-AM-New-Reality-TV-Show-Launched-to-find-Next-Great-News-Documentary -- Pursuit-of-the-Truth-Application -- 2013-02-01-00-00-00-PM-Email-from-Pursuit-of-the-Truth-Filmmaker-Competition.] My video submission is provided on the Flash Drive marked as Exhibit A hereto, Exhibits = William M. Windsor Video for [www.pursuitofthetruth.com](http://www.pursuitofthetruth.com) Filmmaker Competition.]

37. On December 21, 2012 at 6:24 pm, Sean Boushie cyberstalked me with a “threat” to show up at an event I produced in Washington, DC called “Meet Me in DC.” He called me a sociopath. The email was received from Google – IP 209.85.216.181. I am not a sociopath. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibits = 2002-12-21-06-24-00-PM-Sean-Boushie-email-meet-me-in-dc -- 2002-12-21-06-24-00-PM-Sean-Boushie-email-meet-me-in-dc-header.]

38. On December 25, 2012, Sean Boushie of the University of Montana threatened me by using a photo for himself that is mass murderer Charles Manson. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2012-12-25-Sean-Boushie-Charles-Manson-photo.]

39. On January 1, 2013, I published an article in my magazine about the American Mothers Political Party and Sean Boushie. Facebook had suspended me for responding to a comment about a Facebook page set up by a woman's stalker using her name. That person, allegedly Sean Boushie, then attacked me, pretending to be Crystal Cox, the name that the web page was using. It wasn't the real Crystal Cox; she posted that she is pursuing criminal charges against Sean Boushie. (I have filed charges against Sean Boushie for threats and cyberstalking with the police, FBI, and security at the University of Montana where Sean Boushie works.) I was told about this impersonation of Crystal Cox on my

TalkShoe radio program. So when I saw the post, I simply related to her what I was told and read on the chat in TalkShoe. If that violates Facebook's terms, then just about every comment on Facebook violates their terms. I appealed to Facebook, but those nameless faceless people neither responded nor did a thing about their absolutely wrongful suspension.

40. As early as January 2, 2013, Sean Boushie connected with a group of people who run a hate website called [Joeyisalittlekid.blogspot.com](http://Joeyisalittlekid.blogspot.com). Since that time, he has published hundreds and hundreds of defamatory statements on this website as he has stalked me, and he has incited and conspired with others to do the same. [A true and correct copy of the articles that have appeared on [joeyisalittlekid.blogspot.com](http://joeyisalittlekid.blogspot.com) are on the flash drive that is attached as Exhibit A, in a folder named Joeyisalittlekid.] I reviewed every article published on this site between November 2012 and January 2014. Sean Boushie published approximately 462 comments on 115 articles. Virtually all of his comments were cyberstalking and defamation of me. Each relevant published statement by Sean Boushie is listed below.

41. Sean Boushie has used at least two screen names in posting on [Joeyisalittlekid.blogspot.com](http://Joeyisalittlekid.blogspot.com) – “John Smith” and “tinyfeetnhands.” [A true and correct copy of a spreadsheet showing the articles on [joeyisalittlekid.blogspot.com](http://joeyisalittlekid.blogspot.com) where Sean Boushie posted are on the flash drive that is attached as Exhibit A, in a

The filename for the article is in Column A; these filenames serve as the exhibit number used in this affidavit.

42. In his first published statement on Joeyisalittlekid.blogspot.com, Sean Boushie admitted that he was using the name “John Smith.” Each published statement by Sean Boushie appears below with the screen name, date, and what he published. He later changed to the screen name “tinyfeetnhands,” which he also admits is him, Sean Boushie. Ive actually never spoken to the nutjob woman, she was paid by someone else initially to harasss me, (online reputation de-management expert) and I fought back. shes been on my ass ever since. If i dont do anything to her, she makes fake emails and accounts to look like

me, and post negative stuff about herself. I really believe she's actually psychotic. I haven't sued her, she doesn't have anything.. but I helped David Aman who did. I didn't do much... just tried to kill Cox... LOL (I'm sure she will see that and use it, oh well..) Marc Randazza is suing her now.. I'll be interested to see what happens now that she's on Billy's shit list.... Gotta go, FBI is at the door with fat man's arrest warrant..HA!" He also admits that he got me removed from Facebook. He also defames Crystal Cox again. Joeyisalittlekid.blogspot.com: john smith - January 2, 2013 at 12:56 AM: “Ya she's a freakshow... I've never actually spoken to her. She just started one day, I fought back and that pisses her off. Sooner or later she's going to go postal and hopefully there will be a good guy with a gun there. I didn't sue her, Kevin padrick did, won \$2.5 million, Marc Randazza is suing her now.. I had a worthless restraining order against her. She now thinks she's suing us all, but its bogus threats to extort money, just like always.... Windsors gun comment on fb was made for me. He knows I have a carry permit,and am never without. Wonder why.... When cox decided to drive by the house,I needed it. In any case, the gun comment got him thrown off fb, for a while, ill take credit for that.... Its his third time threatening me on fb. He's going to

Seattle tomorrow..? Joeyisalittlekid.blogspot.com: john smith - January 2, 2013 at 4:15 PM: “There is simply no way this putz wold ever pass the background check to get a concealed carry permit, Ga or otherwise. Everyone, including the sherriff, know him as a sociopath. The sherrif is well versed in Windsor, BS Ive spoken with the office. As far as even buying a gun of any kind... I doubt he would pass the check, of course one of his minions would probably sell him one. I see he is in Seattle now, how nice... hes in driving distance. 57. On January 5, 2013 at 11:37 PM, Sean Boushie defamed me falsely claiming Crystal Cox got me upset with him. She did no such thing. Sean Boushie

is the one who emailed me, stalked me, defamed me, and threatened me hundreds and hundreds of times. In an OUTLANDISH lie, he claims I went to his home at some point prior to January 5, 2013. I was never in Ravalli County, where he lives, until August 2013. I was never at his house. Because I was traveling continuously from June 14, 2012 until the end of December 2013, I have receipts that show where I was and when. In addition, I estimate that I took an average of 100 photos per day, and all of my photos are date and time-stamped to show where I was and when. This information will show that I was never near Ravalli County Montana. I was in Helena, Montana on August 28, 2013, but I left at sunset and drove 500 miles South on Interstate 15 to Boise, Idaho where I began filming the next morning. I stopped at a restaurant parking lot and conducted my weekly online radio show. Ravalli County was 165 miles off my route, and I did not go there. *Joeyisalittlekid.blogspot.com: john smith - January 5, 2013 at 11:37 PM:* “Nope. 13 degrees today. 71. On January 6, 2013 at 9:28 AM, Sean Boushie pretended to fear for his safety. Other posts make it clear that this is just another Sean Boushie lie. He also falsely accuses my ex-wife of owning Lawless America, and he falsely accuses

my son of being involved in my activities. He received letters from my ex-wife and son stating that his claims were false and telling him to cease and desist. He simply ignored it. My wife never owned lawless America, and my son has not been involved in my business. *Joeyisalittlekid.blogspot.com: john smith - January 6, 2013 at 9:28 AM*: “It might get interesting..... Given his mental status, the fact he states he's carrying a gun to protect himself from me and others, and that he's rallying the psychos as "witnesses" I'm inclined to be in fear for my safety. One woman says he threatened to kill her ([crystal@crystalcox.com](mailto:crystal@crystalcox.com)) I believe this man must be as crazy as a crazy person can get, and we all know that crazy people can do crazy things. 348. On April 10, 2013 at 4:01 PM, Sean Boushie cyberstalked me, defamed me, and showed how he feels he can never be ceuaght because Internet activity can be anonymous. I have never faked anything!

Joeyisalittlekid.blogspot.com: tinyfeetnhands - April 10, 2013 at 4:01 PM:

“Billtard plays the same game. How many times, how many fake emails has he tried to pin on me?? Anything negative seems to be my fault. Until Allie came along... thats why he keeps his stupid comments section open. I can go in there and put anyones name, and anyones email, then poof... so and so is threatening him. Neither he, nor anyone else can prove who is saying anything on the internet without a confession, its just not possible. It is going to take him actually doing

something physical in person before anything happens. Unfortunately Im sure one of his koolaid drinking followers will do it for him first, Ive already had several encounters here with some of them like Haley and Nigel.” [A true and correct copy of the article containing this published information is on Exhibit A hereto; it is in a folder on the Flash Drive titled Blogspot.]

Is that a death threat against tghem?? I think it is!! OMG, John Larson has sent me a death threat, Death threat, someone is going to show tghem a day of reckoning!!! Joeyisalittlekid.blogspot.com: tinyfeetnhands - May 2, 2013 at 7:52 AM: “Ryan, apologetic??? Really?? For daddys manic delusional rants?? All he's ever done is send me a nasty gram. It says "After careful consideration of Windsor’s request and all applicable law, this Court hereby FINDS that Windsor may file his state court action subject to any state court rulings to the contrary. Joeyisalittlekid.blogspot.com: tinyfeetnhands - May 2, 2013 at 10:00 AM: “@ Sean, theres no senes posting court rulings, they dont, or arent capable of reading them. These freemen, aka soverigns only believe what they dream up. 99% of them believe that any case law past the writing of the Constitution is invalid, like taxes, ect. You would have to experience their BS first hand. My inlaw is one, Ive been harassed for over 20 years, charged with several of their BS crimes, found guilty, and had them come for me twice. At that point there is only one option left, no not law enforcement. And please dont start your anti teabagger Palin hating BS in association with these scumballs, they arent even in the same category. Its akin to saying Musolini and Hitler are the same politically, both scum, not even close.” Joeyisalittlekid.blogspot.com: tinyfeetnhands - May 4, 2013 at 10:11 PM: “Given Bitlers connections to Schied and the soverign ilk, you might try taloking to the splc. They may be able to hook you up with someone who might take him on. Don't forget the fact that he's just a

I know, at least up here, the sovereign militia/freemen consider Texas to be the last true republic. In fact many their documents have headers to that effect. Another item I was wondering about, what can you tell me about Robert J. Scheidt? Is that misspelled? should it be Schied? From Wiki "Another incident occurred in Fort Davis, Texas a year later in March 1997 when a faction of the self-styled "Republic of Texas" militia group seized hostages. The Republic of Texas group believed that the annexation of Texas as a state in 1845 was illegal, that Texas should remain an independent nation, and that the legitimate government of Texas was the group's leadership.[12] Joe and Margaret Ann Rowe were taken at gunpoint in retaliation for the arrest of member Robert J. 410. On May 14, 2013, I published an article in my magazine titled: "University of Montana employee Sean Boushie offers a reward for the murder of Filmmaker Bill Windsor of Lawless America." Exhibit = 2013-05-14-LAWLESS-AMERICA-Sean Boushie offers a reward for the murder of Filmmaker Bill Windsor of Lawless America This post appeared on the Lawless America Texas Facebook page beneath the name Sean Boushie and a photograph of a big knife: "So we are starting a lottery for Texas. \$5 a bet astowhere and what date Bitler (Bill Windsor) will getthe shit kicked out of him by one of the "haters" . We will pay double if someonein Le does it , 4x if a hater does it, and 10 x if bitler is put in the hospital, or mourge!!!! Come on its just \$5 a ticket. I think we can get Ms p to stick the money under her tiiarra." 2013-05-14-LAWLESS-AMERICA-Sean Boushie offers a reward for the murder of Filmmaker Bill Windsor of Lawless America

411. Then he posted this message to Bill Windsor a short while later: "Go fuck yourself. Now that your wife threw you out, I guess its all you can do, except your paid lot lizard friends!! Come get me asshole, there won't be any drive by picture taking at my house asshole." 2013-05-14-LAWLESS-AMERICA-Sean

Boushie offers a reward for the murder of Filmmaker Bill Windsor of Lawless America

412. Then Sean Boushie posted the following on the Lawless America Mississippi Facebook page, in which he predicts it is just a matter of time before Bill Windsor is murdered: "What a horrible shame that mentally delusional vexatious nutjobs like the dickless fat asshole Billy "Bitler" Windsor are allowed to roam free outside the walls of a mental institution, which is where he currently should reside. Instead the tiny dicked coward is allowed to roam the countryside stalking and harassing innocent and, what appear to him, weaker women who he can intimidate and harass. Why does he do this? why does Bitler do this? Well, besides the obvious fact that he is crazy and suffers from some serious mental disease such as bipolar disorder and dissociative personality and others, I believe he gets some sick psycho sexual satisfaction over his delusion of power he feels he has over these women. As this asshole plots his course of stalking and harassment, it's a game of Russian roulette as to which one will not have the patience to tolerate his stalking and finally end his reign of terror. I know I will not, and I will not allow him to take photos of my home, or my place of employment, or my favorite place to dine. What's wrong fat fuck?? Afraid to take on a man?? We all know you like to bully women and little boys. Why don't you stop looking at that pedophile porn, stop pulling your puny Dick and come out from behind your

But, I can tell you when this started there was no doubt SB posted the offensive material. I suspect this was because of Mary's devotion to Bill and/or her ex's connection to University of Montana. At one point I suspected that SB started posting on Mary's page because Bill had blocked all of SB's fake names and bugging Mary was another way to get to Bill.” Sean Boushie disputes it, but that’s what he does – lies through his teeth about virtually everything.

436. On June 5, 2013, I published an article in my magazine announcing that I would film a Lawless America TV special June 18-22, 2013 in Missoula, Montana and in other Montana towns. This article states: “While in Missoula, Bill Windsor will be filing charges against Sean Boushie and the University of Montana with the university, the police, the sheriff, and the FBI. Sean Boushie

indicates that if Bill Windsor drives by his home in Stevensville to film his home, he will shoot him. Bill Windsor plans to drive by and film, but he will wear body armor while in Missoula, and he will hire off-duty police officers, sheriffs, or the three biggest guys in Montana to accompany him. He will also travel in an unmarked car.” [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2013-06-05-LAWLESS-AMERICA-Bill Windsor will film a Lawless America TV Special about Sean Boushie.] So Sean Boushie knew that I would drive by his home on the public road. He also knew that I would be filming on campus. The article also states: “Bill Windsor has been contacted by two distribution companies that say they can syndicate my stories for TV and online TV. This will be the first test of this proposed deal. Bill Windsor will take his cameras to the University of Montana where he will show students various posts by Sean Boushie and ask them whether they feel these posts constitute stalking and threats. Bill Windsor will ask University of Montana students whether they feel safe attending a university where a man such as this may well be walking near them on campus and who will likely have access to their name, address, phone, email, and other personal information. Bill Windsor will confront University of Montana administrators as well as various law enforcement officials to ask why they have allowed this man to do what he does. As many as a dozen other victims of Sean Boushie will be interviewed. Bill Windsor will travel

wearing body armor and with bodyguards to Stevensville Montana where Sean Boushie allegedly lives. Residents will be asked about him.”

As I've told them many times, at least I believe you act out of good motives. I don't see any indication the Joeys exist for any purpose other than hate. Who sets up a blog for the sole purpose of hating on people? They did. Originally the group was dedicated to hating someone else and when he was no longer available as a target, they decided to hate on you and LA. You can ban this account if you want, but I really only opened it to correct Gingersnap's ridiculous effort to make you believe he doesn't censor posts on his blog. you for censorship. His effort to imply otherwise is downright comical. 23 minutes ago · Like. Chris Emerald- BTW, the Joeys hate me, because I call them out on their fabricated accusations about you. For a while they were convinced I was your wife, lol! I am not your biggest fan, but I don't make up facts about you. They do. In order to justify their "all hate all the time" blog, they accuse you of things that are FAR beyond anything supported by facts. I don't agree with that tactic and I tell them so...frequently. I would like to find a film student or experienced video camera operator to operate the camera when I am interviewing people. We will be in high traffic locations on and just off campus to film reactions of students to the expose. This is a no budget operation, so please let me know what you would want per hour to help. You will receive credit in the film/TV show. I can work around your schedule, or I can use two or three students so I always have a camera operator. If you aren't familiar with the Canon XF300, I can teach you. It's pretty simple. We will be using Sennheiser wireless microphones and Lowell lights when shooting interviews indoors. We also use two Canon 5D Mark III's. You should be aware that this is an expose of a University of Montana teacher who I believe has threatened to kill me. Too bad I missed and hit that other car huh, I didn't know it would explode like that... By Coward." As I was driving down Interstate-90 in Montana today, a car in the lane to my right burst into flames and smoke filled the road. I slowed up as did a car just ahead of me and undoubtedly everyone behind us.

When the smoke cleared, I didn't see any flames, but the driver had pulled his car off onto the side of the road, and the car ahead of me pulled over as well. I didn't stop to ask if they had been shot. I figured it was just a blown engine, but who knows? Then Sean Boushie emails me to take credit for it. Who am I to doubt him. 666. Sean Boushie has trouble spelling the four-letter words much less anything else. He apparently lost five jobs in a short period of time before landing this gig at the University. It is hard to believe that he is a supervisor in the biology department.

667. I don't see how any employer, much less a public university responsible for thousands of students, could allow an employee to cyberstalk many people, use every lewd and lascivious word there is in emails and online postings, and threaten to kill people. I don't believe any innocent employer could. To me, the only explanation for how the University of Montana can do and not do what they've done is if they are guilty. I believe the University of Montana employs Boushie, and presumably others, to cyberstalk, defame, harass, and threaten people, including Crystal Cox, Michael Spreadbury, Mary Deneen, Lea Anne Scott, Mary Wilson, Shawn Rutherford, Stephanie DeYoung, and me. We have

evidence that proves that Boushie does cyberstalking using University of Montana computers. It is clear to me that the University of Montana conspires with Boushie to damage people like me.” Shawn Rutherford has provided one of the stalking, harassing, threatening emails that she received from Sean Boushie. It was sent from seanboushie@gmail.com, which I have proven is his email. [A true and correct copy of this email is on Exhibit A hereto, Exhibit = 2011-08-29-09-34-00-AM-Email-from-Sean-Boushie-to-Shawn-Rutherford.] Crystal Cox has provided me with a lot of information about Sean Boushie’s stalking and death threat to her. On January 23, 2013, she sent me an email with an affidavit. [A true and correct copy of this email is on Exhibit A hereto, Exhibit = 2013-01-23-01-24-00-PM-Email-from-Crystal-Cox-with-Affidavit.]

668. On August 5, 2013, I was advised that University of Montana President Royce Engstrom had gagged all University officials from speaking on camera for my Lawless America TV Show expose. It would have been simple for someone from the University to go on camera for a few minutes and vehemently deny any such involvement by the University or involvement in the cover-up of Boushie’s crimes. It would be very simple. But all I received was a blanket refusal for ANYONE from the University administration to speak to me. Boushie is employed by the University of Montana. He is allegedly a biology teacher. Royce Engstrom and the University of Montana have been told by me that there is

a belief that the University of Montana pays Boushie to cyberstalk people and commit crimes against people for government entities. Royce Engstrom and the University of Montana have been provided evidence of over 250 crimes against me alone, as well as a list of other victims.

669. On August 5, 2013 at about 7:15 pm, Sean Boushie refused a subpoena from a process server and threw him off his property. Crystal Cox sought a protective order, but despite her significant evidence, it was denied. Crystal felt someone told the judge what to do. Then Sean Boushie got a protective order against Crystal Cox based on what she says was complete lies. I believe Crystal Cox is telling the absolute truth about the lies of Sean Boushie. I didn't know at the time I read this email that I was about to experience exactly what Crystal Cox experienced.

680. On August 6, 2013, I filed a SWORN PETITION FOR  
TEMPORARY ORDER OF PROTECTION AND REQUEST FOR A HEARING

with the Ravalli County Montana Justice Court. Prior to filing, I visited the Montana Victims' Advocate Office to have my standard Montana forms checked to be sure they were complete and properly prepared. I felt the Petition was a slam dunk. It had to be approved because I more than met the requirements under two separate statutes. The clerk had me swear, and she notarized my petition. It was then submitted to Justice of the Peace Jim Bailey. I sat and waited for the order to come. Ravalli County Justice of the Peace Jim Bailey issued a totally bogus order in response to my Petition for a Protective Order against Sean Boushie. Justice of the Peace Jim Bailey denied the SWORN PETITION claiming "(1) In order to grant a restraining order, the Court must find that the applicant is in imminent danger of harm. The information in your application did not meet that criteria. (2) If you have no relationship to the Respondent, then the Statutes require that you must be a victim of assault, stalking, incest, sexual assault, or sexual intercourse without your consent. The information provided in your application did not meet that criteria." Justice of the Peace Jim Bailey did not properly consider the evidence presented. I don't believe Justice of the Peace Jim Bailey ever looked at the evidence. This became quite apparent from subsequent events. I now believe that Justice of the Peace Jim Bailey is a corrupt "judge."

681. On August 6, 2013, there was an interesting development in my Boushie investigation. I was informed that Boushie was believed to have

frequented “hookup” websites. When I ran a Spokeo report to doublecheck the address of Boushie, I obtained access to the email that Spokeo has gathered for him from its web scraping. That email is MissoulaGloryHoleFun@yahoo.com. I didn’t know what a Glory Hole was, so I had to search for the definition of Glory Hole. Wikipedia says a glory hole (also spelled gloryhole and glory-hole) is a hole in a wall, or other partition, often between public lavatory stalls or adult video arcade booths for people to engage in sexual activity or observe the person in the next cubicle while one or both parties masturbate. The partition maintains anonymity. Body parts including fingers, tongue and penis may be used for anonymous oral, vaginal and/or anal intercourse. Erotic literature and pornographic films have been devoted to the sexual uses of glory holes. One hypothesis for how Boushie gets away with his crimes is that perhaps he is blackmailing a powerful person caught in a gloryhole.

682. On August 6, 2013, I drove down the dirt road past the home of Boushie and Wynette Boushie, 570 Grandview, Stevensville, MT 59870. It was way out in the middle of nowhere. According to the time record on the photos, my Jeep entered Grandview Drive at 4:24 pm. The property may have been boobytrapped. There is definitely a motion detector on the little dirt path that I guess could be called a driveway. It was unusual to be greeted with a special Bill Windsor sign in violation of my copyright. Sean Boushie’s truck was there, but he

didn't show his face. I did not get out of the car, and I was only there on the public road for a few minutes. I never drove my Jeep onto Sean Boushie's property, not even to turn around; I stayed on the public road as I had been instructed by the Ravalli County Sheriff's Department. 700. On August 8, 2013 at 1:00 pm, I filed a sworn affidavit and 128 exhibits with an Amended Sworn Petition for a Stalking Protective Order against Sean Boushie. This was filed at the Ravalli County Courthouse in Hamilton Montana.

701. The TV story that I was producing in Montana developed that Ravalli and Missoula counties are corrupt — courts, at least some law enforcement, and apparently the University of Montana. These folks are covering up for this cyberstalker, Boushie.

702. Justice of the Peace Jim Bailey of Ravalli County Montana issued a totally bogus order in denying my petition for a protective order against Boushie. When I returned to file an Amended Petition, he refused to allow it to be filed and said I could never file anything in his court ever again as he threw my filing at me. There was no basis whatsoever for that except to cover up the crimes of Boushie, and his assault was criminal.

703. When I filed an appeal with the Clerk, she gave it to Justice of the Peace Jim Bailey. The next thing I knew, he again charged into the lobby like he was going to kill me, wadded up my appeal, and threw it at me. Second assault. Then he ordered me out of the courthouse and said he would have me arrested for disturbing the peace if I didn't leave in five seconds. He did a countdown 5-4-3-2-1, and his clerks began calling the sheriff's department. Then he said he was going to hold me in contempt of court (even though I had never even seen his courtroom or him except when he was assaulting me). He was the one who disturbed the peace, and he violated my civil rights, and more.

704. I'm a member of the press, and there was no sign saying photos or videos could not be made in the public areas of the Justice Court. And I have video.

705. On August 9, 2013, Justice of the Peace Jim Bailey assaulted me in the lobby of the Ravalli County Courthouse...TWICE. Then he tried to have me arrested for disturbing the peace and contempt of court for minding my own business in the public lobby of the public courthouse. He came at me like he wanted to kill me. If Justice of the Peace Jim Bailey is not a significant player in corruption in Ravalli County, I'll eat my bulletproof vest.

706. On August 9, 2013, I filed criminal charges against Justice of the Peace Jim Bailey. The Ravalli County Sheriff's Department seems to have ignored it.

707. On August 9, 2013, I met with Ravalli County Sheriff Hoffman outside the Justice Court building in Hamilton Montana. The Sheriff indicated that I needed to file my criminal charges where I live. I told him that would be hard since I am homeless and crimes happened when I was in as many as 49 states. It only took me about two minutes back at the motel to determine that Sheriff Hoffman was mistaken. **Montana Code – Section 46-3-110: FILING THE CHARGE:** (1) *In all criminal prosecutions, the charge must be filed in the county where the offense was committed unless otherwise provided by law.* (2) *A charge*

*for violation of 45-7-306 after imposition of a state prison sentence or after commitment to the department of corrections may, at the discretion of the county attorney for the county in which the person was arrested and without objection from the person charged, be filed in any county in the state. **Montana Code – Section 46-3-112: REQUISITE ACT IN MULTIPLE COUNTIES:** (1) Except as provided in 46-3-110(2), ***if two or more acts are requisite to the commission of an offense or if two or more acts are committed in furtherance of a common scheme, the charge may be filed in any county in which any of the acts or offenses occurred.*** (2) Except as provided in 46-3-110(2), ***if an act requisite to the commission of an offense occurs or continues in more than one county, the charge may be filed in any county in which the act occurred or continued.*** (3) ***If an element of an offense under 45-5-220, 45-5-625, 45-8-212, or 45-8-213 involves an electronic communication, the charge may be filed in the county in or from which the electronic communication was sent or in the county in which the electronic communication was received or to which it was sent.*** This is about as clear as laws can be. I clearly can file in Ravalli County. I can also file in Missoula County, and as long as the laws of other states are similar, I bet I can file in at least 30 states. But I'll just start with Ravalli County. But, I will segment out those instances where I can show that Boushie sent the electronic communications from Missoula County as well as those that I have received in Missoula County.*

708. A video that reports on my experience in Ravalli County is at <http://youtu.be/B33-uAti3r8>, referenced and incorporated herein as if attached hereto.

709. On August 9, 2013, I filed an appeal with the District Court in Ravalli County Montana. The appeal was passed to Judge James A. Haynes. Judge James A. Haynes issued an order on August 9, 2013 that is absolutely bogus. Judge James A. Haynes has stated in writing that no one can obtain a stalking protective order unless the stalker is first charged, indicted, and convicted of stalking. To call this an outrage would be an understatement. That is not the law in Montana or any other state in America.

740. On August 12, 2013, folks acted shocked at one of the local TV stations when I told them what was going on with Boushie and the University, but not one media outlet ran a story or even contacted me.

741. On August 12, 2013, the Missoulian newspaper's crime reporter, Kate, treated me the way I have been treated by other newspapers that cover up the corruption. I was ignored.

742. On August 12, 2013, the Missoula County Court and the Missoula Municipal Court seemed to be messing around. I was finally able to file an appeal in the Municipal Court about 1:00 pm that will be sent to the District Court. It's supposed to be "immediately reviewable" because you are in danger. It wasn't reviewed for months. That does not qualify as "immediately reviewable."

743. On August 12, 2013, I filed 284 criminal charges against Sean Boushie with three law enforcement agencies (Chief of Police Mark Muir of the Missoula Police Department, Chief Gary Taylor and President Royce Engstrom of the University of Montana Police, and Sheriff Chris Hoffman of the Ravalli County Sheriff's Department). The Missoula Police Department Report number is P130812-012. The Ravalli County Sheriff's report number is 13OFF-2244. The University of Montana Police Department did not even log the complaint, so there is no number and no history of the complaint that I hand-delivered for Chief Gary Taylor and President Royce Engstrom. [A true and correct copy of this cover letter is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2013-08-12-01-32-00-PM-Sean-Boushie-Letter-to-University-of-Montana-Gary-Taylor-Royce-Engstrom.] I hand-delivered or mailed each of them approximately 577 pages of evidence and a detailed explanation of the crimes that had been committed. I also sent to Missoula County Sheriff Carl C. Ibsen. [A true and correct copy of this cover letter is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = Letter-to-Media-2013-08-12-Hamilton-Police-Department-

775. On August 16, 2013, I spent the day filming at the University of Montana. I wore a 30-pound metal bulletproof vest in 100-degrees and bright sunlight out of concern for my safety as Boushie had threatened to shoot me. I looked for Boushie's building, and after being sent to three other locations, I finally found his building, and his supervisor spoke with me. I was holding right in front of him that was on the whole time. Charles H. Janson, Associate Dean of the Division of Biological Sciences told me that he didn't know who I was, but then he seemed to know quite a bit when he started defending Boushie. He told me that the University of Montana doesn't care what its employees do on their own time. And he claimed that I don't have proof that Boushie has done this on company time, but I do. He did provide safe passage to the highly spooky fourth floor where

I snapped a quick photo of Boushie's alleged office door and then escaped with my life. The University of Montana employees with whom I met all expressed disbelief that the University would not do anything about this. It is absolutely outrageous because the University of Montana has its own police force, and a complaint of a crime there has to be reported to the kampus kops, as I did.

797. On August 20, 2013 at 6:15 pm, I sent an email to University of Montana officials with proof that Boushie had committed crimes from the University of Montana. I drove through the parking lot at the University when I was there on my way to filming, and I snapped photos of Sean Boushie's truck so I could establish what hours he was on campus. I then received emails from him

during those hours, so that shows that he was sending emails while on the payroll of the University of Montana. **800.** On August 21, 2013 at 6:25 pm, I received an email from Peter Pilkey. Peter Pilkey has studied the corruption in Missoula and Ravalli counties, especially at the University of Montana. **802.** On August 21, 2013, I set up a “sting” to catch Sean Boushie in the act of sending emails from the University of Montana. I filmed his building and his vehicle parked there. I set him up so I knew he would be watching my facebook page for a big announcement. Then I wrote that the big announcement had fallen through and I knew Sean Boushie would be gloating. I did this because I knew it should generate an email from him in which he gloated. It worked perfectly. I filed a police complaint with the University of Montana Police

Department at the time of the incident. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2013-08-21-11-13-00-AM-University-of-Montana-Police-Report.]

803. The Sean Boushie Sting was set up on August 20, 2013, with a Facebook posting and an article on this website stating that there would be a major announcement on August 21, 2013 at 10:00 am. This was done to ensure that Sean Boushie would be tuned in at 10:00 am.

804. Then I went to the University of Montana bright and early on August 21, 2013 to ensure that Sean Boushie's vehicle (red Ford truck) was in the parking lot where he works. I arrived on campus at 9:40 am. Sean Boushie's truck was there — same truck that I photographed in the front yard of his Stevensville Montana home two weeks ago — same truck that I photographed in the exact same parking space the day before. I have time, date, and gps-stamped photos and videos to prove when and where I photographed and filmed his truck. Next stop was the parking permit machine, so I could get a time and date-stamped ticket (as well as my MasterCard receipt) to prove when I was on campus. Then I headed back to Sean Boushie's building to find a hiding place and begin filming. I filmed from 9:43 am to approximately 11:30 am when the police began arriving. Once everything was in position, I waited until five minutes after 10 am. Then I posted on [www.facebook.com/billwindsor1](http://www.facebook.com/billwindsor1) that the big announcement that was to come

at 10 am was being delayed. I said it would be 10:15. Here is the posting and the comments that I and others added:

<https://www.facebook.com/photo.php?fbid=10201996500540656&set=a.1865609366531.2111583.1429920220&type=1&theater>

Over the next 15 minutes, I posted additional comments to make it seem like I had failed. Here are those comments that I posted: DAMN AUTHORITIES AREN'T COOPERATING. -- WHAT BOTHERS ME THE MOST IS HOW SUSHIE WILL GLOAT. -- I'M ABOUT TO GIVE UP. IT APPEARS THERE WILL BE NO ANNOUNCEMENT,,,AT LEAST NOT AT THIS TIME. -- OKAY, GANG. SUSHIE WINS THIS ROUND. BACK TO THE REAL WORLD. I took still photos as well as video the entire time. I wanted to establish that Sean Boushie's truck never left the parking lot and that he never left on foot or in a wheelchair. From 10:00 am to 10:30 am on August 21, 2013, I set up Sean Boushie by posting things on Facebook that I felt would be the types of things that would usually generate stalking emails to me. One of the things I posted was: "I'M NOT EVEN BELIEVING THIS. SEAN BOUSHIE MUST BE LAUGHING HIS YOU-KNOW-WHAT OFF." Another posting said I hated that Sean Boushie would be gloating. Then at 10:34 am, a gloating email was received from Sean Boushie. [A true and correct copy of the analysis of the email and IP addresses is on the Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-11-33-56-AM-Sean-Boushie-email-pietardhater-gloat --

In addition, I had a video camera rolling the whole time. Once I had this, I called the police. ALL of this was filmed as well. And I posted these comments on Facebook: WE GOT HIM!!!! -- THIS WAS ALL A SET-UP. -- PRETENDING WE HAD APPEARED TO FAIL WAS A SET-UP. -- I'VE GOT THE LAST HOUR ON FILM. I recorded videos. 805. This is 1 1/2 hours of film to show that Sean Boushie's car remained in the parking lot at the University of Montana during the time that he cyberstalked me by sending me a taunting email: <http://youtu.be/mGcoR2usulQ> At 17:00, the time code and time of day are noted. This will enable law enforcement and prosecutors to note specific times in the video. 33:15 — Cyberstalking email

received from Sean Boushie. This constitutes several crimes. I called the police.

35:00 — Police number dialed. 36:00 — Note that when I said the name “Sean Boushie” to the dispatcher, I was placed on an immediate hold. Audio to 42:00.

49:43 — I gave a brief update. 51:40 to 56:00 — Possible sighting of Sean Boushie outside the building. 1:00:15 to 1:03:00 — Time noted, and the Missoula Police department was called. 1:06 — Sean Boushie spotted. 1:07:30 – I got out of the car to put on my bulletproof vest. 1:10:30 — I moved the camera onto the tripod. 1:11:30 — University of Montana Police arrive. Listen carefully and you can hear us talking. I need to have the ambient sound removed to make this clear.

1:15 — Officer photographs the laptop screen in my Jeep with the email received from Sean Boushie. 1:16:40 — Crystal Cox is discussed with the police officer who I believe worked on cases involving her previously, though he said nothing.

1:18:30 — Police Captain comes into conversation. I believe he and the Chief of Police were sitting in a car hidden from my view. 1:18:45 — Police officer asks why I would be here if I felt threatened. I explained that if it takes Sean Boushie shooting at me to get him arrested, I will take my chances with a bullet. 1:19:40 — Captain tells me there will be no arrest today. They have to get search warrants and subpoenas. 1:19:50 – Captain tries to claim they may not have jurisdiction. That is absolutely false because (a) he committed the crime on campus, which is their jurisdiction, and (b) I received the criminal email on their campus.

Jurisdiction can be where a stalking communication is sent from or where it is received. 1:22:50 — Police advise me that conflict complicates their investigation, so I agree to leave after filming a story. 1:23 — Police advise me that Sean Boushie has been contacted and told to have no further interaction with me. 1:25 — Police leave my vicinity. Multiple police cars came back about 15 minutes later, and one officer appeared to be searching on the ground around the outside of Sean Boushie's building.

806. On August 21, 2013 at 11:33 am, Boushie continued to cyberstalk me. He wrote using Jane Doe as the sender and pietardhater@yahoo.com as the email address. IP was 74.82.68.160. In response to a post I made on facebook, he wrote "Gloat gloat gloat." So, IP 74.82.68.160 came from the University of Montana. This gives proof that many of Sean Boushie's emails were sent while he was being paid by the University. 817. On August 23, 2013 at approximately 1:30 pm, I arrived at the University of Montana. I went first to the University of Montana Police Department where I met with Captain Ben Gladwin. We discussed my filming plans for the afternoon. He gave me a copy of the police report for stalking that I filed with them on August 21, 2013. I left the Police Department, parked, and

began filming at the center of the campus near the building that houses President Royce Engstrom. I never went in any building, and I always conducted myself with total professionalism.

820. The Temporary Order of Protection restricts me from access to locations at the University of Montana, and it restricts any access to any staff member of "U of M." It denies me possession of the gun I purchased for my protection following death threats by Sean Boushie and others. It requires me to

give Sean Boushie my television show website, and it denies my rights to publish Sean Boushie's name. [A true and correct copy of this is provided on the Flash Drive marked as Exhibit A hereto, Exhibit = 2013-08-23-00-00-00-PM-Boushie-v-Windsor-Petition-for-Protective-Order-ORDER.]

822. I exposed the wrongdoing of Sean Boushie through online publications, and I traveled to Montana to film a pilot for a proposed weekly television show that exposed Sean Boushie, the University of Montana, law enforcement and judges in Ravalli and Missoula counties. I never emailed Sean Boushie, never threatened Sean Boushie, never published defamatory, harassing, or stalking comments about Sean Boushie, never received a cease and desist notice from Sean Boushie, never offered a reward for Sean Boushie's death, never shot at Sean Boushie, never followed Sean Boushie, was never in Sean Boushie's presence, was never on Boushie's property, and never spoke to Sean Boushie.

823. But my attempts to get a Temporary Order of Protection against Sean Boushie were all denied; judges lied in orders; law enforcement ignored the

overwhelming proof of crimes by Sean Boushie. And I was served with a Temporary Order of Protection in favor of Sean Boushie and the University of Montana because I filmed a television show in Montana.

824. The Fourth Judicial District erroneously claimed the Temporary Order of Protection was still in effect after it expired based on the terms clearly stated on the Temporary Order of Protection.

825. Both the Missoula Municipal Court and the Fourth Judicial District have violated numerous statutes and numerous clauses in the Montana Constitution and the U.S. Constitution. Issues include due process, freedom of speech, freedom of the press, rights to discovery, right to a jury trial when charged with a crime, and a host of errors regarding protective orders.

826. The Temporary Order of Protection was fraudulently obtained with a perjured affidavit by Sean Boushie, a serial criminal. The Temporary Order of Protection is an outrage. I did nothing whatsoever that constitutes stalking or assault. The Temporary Order of Protection violates my First Amendment rights, as I was filming a television news program about this criminal and the corruption at the University of Montana when the Temporary Order of Protection interfered with this work and violated my Constitutional rights.

827. I publish online publications, and am the producer of a documentary film and pilot for a proposed weekly TV series that will feature Sean Boushie. I

am a card-carrying member of the press; have been a magazine publisher for most of my career; began my media work in high school; have been a radio and TV announcer and radio news reporter; formerly hosted a weekly TV news show. For the last several years, I have published online, and I have produced online radio and TV shows. No hearing was ever set by the court. I filed motions for discovery and for a jury trial. These were denied. I filed a petition for temporary protective order, but it was ignored by the Court.

834. On November 20, 2013, I filed an appeal with the Montana Supreme Court – case number DA-13-0785. [A true and correct copy of these documents are provided on the Flash Drive marked as Exhibit A hereto, in a folder named DA-13-0785.]

835. I received all of the emails from Sean Boushie or his aliases that I attached to affidavits. I traced the IP addresses on many to IP addresses known by

me and others to be used by Sean Boushie. I personally printed off the online statements published by Sean Boushie.

836. I have repeatedly filed complaints with the University of Montana (“University”), and it appears that the University has done nothing.

837. Sean Boushie has committed hundreds of crimes against me alone. I have the names of a number of others who he has also cyberstalked, harassed, and intimidated (all crimes in Montana). But law enforcement and the courts have shielded Sean Boushie and have allowed him to commit one crime after another.

838. Sean Boushie has ignored cease and desist notices – both emails and online posts. He has also used my copyrighted photos without permission. I maintain Legal Terms on [www.LawlessAmerica.com](http://www.LawlessAmerica.com) and [www.facebook.com/billwindsor1](http://www.facebook.com/billwindsor1). 839. Sean Boushie is a serial cyberstalker. [A true and correct copy of the analysis of the email and IP addresses is on the Flash Drive marked as Exhibit A, Exhibit = Email-Analysis-Spreadsheet.]

840. Sean Boushie's publishing of defamatory comments, cyberstalking, and threats is even greater on Joeyisalittlekid.blogspot.com. He uses two screen names there (John Smith and tinyfeetnhands). Sean Boushie has admitted that he is the human posting with those two screen names. The paragraphs above that are from Joeyisalittlekid.blogspot.com can be identified because the reference to the exhibit is to the folder titled "Blogspot," and the text of the paragraph will include a reference with the name of the site – the name of the user – and the date and time, for example: "Joeyisalittlekid.blogspot.com: tinyfeetnhands - August 4, 2013 at 1:40 PM."

841. On February 4, 2014, I received an email from Mary Wilson detailing what she was told by the clerk of the Missoula Municipal Court when she sought a protective order against Sean Boushie. The clerk, Matt, told her that I had falsified evidence. In addition to being absolutely false, there has never been such an allegation by any court. This certainly indicates that the courts are either making up stuff like this or using bogus ex parte information. [A true and correct copy of this

I began my experience in the media as a radio announcer in high school and college. I was in the press corps for the Apollo 11 launch. I was a radio news reporter and announcer in college. I hosted a television talk show in college on the ABC network television station in Orlando, Florida. I was a magazine publisher for much of my career and have long been recognized as a member of the press. I have been the publisher, president, or vice-president of over 100 magazines. I publish an online magazine, and I have produced and hosted online radio and television shows for several years. [A true and correct copy of some of the articles published in my online magazine are attached to the Flash Drive marked as Exhibit A, in a folder named “Lawless America Website.”] [A true and correct copy of some of the shows I have produced and hosted are attached to the Flash Drive marked as Exhibit A, in a folder named “TalkShoe Shows.”]

843. I have filmed thousands of videos for my movies, and over 1,200 are currently available on my YouTube Channel – [www.youtube.com/lawlessamerica](http://www.youtube.com/lawlessamerica), referenced and incorporated herein as if attached hereto. 844. I have signed contracts with over 1,200 people who were filmed for the movie. I am happy to submit the contracts for an en camera inspection by the Court, but I do not want to have the names, addresses, and phone numbers made part of the public record. [True and correct copies of some of the released (redacted) are attached to the Flash Drive marked as Exhibit A, in the folder named “Lawless America Talent Releases.]

845. I carry a press pass. When I filmed in Montana in August 2013, I registered with the Montana Film Commission prior to filming. I also registered with the City of Missoula and was given authorization to film on any public property in the city. I spoke with the Sheriff and a Deputy Sheriff in Ravalli County, obtained permission on where I could film at the courthouse, and advised them that I would film briefly from my car near the Ravalli County home of Sean Boushie. The Missoula Police Department, The Missoula County Sheriff’s Department, the University of Montana Police Department, the Ravalli County Sheriff’s Department, and the Stevensville Police Department were all notified in advance of my plans to be filming in the area. My filming schedule was promoted online since early 2012. I was approached by an agent for Court TV asking me for

television material that caused me to go to Missoula and Ravalli counties to film a pilot for a proposed television series.

846. It was February 24, 2012 when I announced that I would be producing and directing a documentary film titled “Lawless America.” The announcement was published in my magazine, and press releases were distributed to every state. [A true and correct copy of this news report is attached to the Flash Drive marked as Exhibit A, Exhibit = 2012-02-24-LAWLESS-AMERICA-Lawless America...The Movie is launched with Press Releases in Every State.] Press releases were distributed throughout the trip. There may have been as many as 100,000 – each one prompting the movie and my work as producer/director. The movie was promoted to every state film commission office in the country, and we wrote to every film school in the areas that I would be visiting to invite students to work on the crew. [A true and correct copy of the film commission office database that we prepared and used for promotion about the movie is attached to the Flash Drive marked as Exhibit A, Exhibits = State-Film-Commission-Offices-2012-06-05.] We contacted every state capitol requesting permission to film at the capitol building. [True and correct copies of some of the letters to the states about the movie are attached to the Flash Drive marked as Exhibit A, Exhibits = 2012-05-16-Letter-to-State-Capitols-NC -- 2012-05-16-Letter-to-State-Capitols-SC -- 2012-05-16-Letter-to-State-Capitols-TN.] There were hundreds of articles on my website and Facebook about the movie. [A true and correct copy of

some of the articles about the movie are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Website, and hundreds of articles/postings on Facebook are in the folders named “Facebook Downloads.”]

847. A special vehicle was equipped for the film trip. That vehicle is shown in many of the articles referenced just above. [A true and correct copy of some photos of the movie vehicle that traveled to 48 states and was in Montana in August 2013 are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Vehicle Photos.”]

848. Articles about the movie were written in several newspapers, including South Carolina, Pennsylvania, New York, and California. [A true and correct copy of some articles about the movie are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Publicity.”]

849. Film students at universities nationwide were invited to work as crew members for the Lawless America filming in their state. Ads were placed on CraigsList in cities all across America. There were also hundreds of volunteers who worked on the film in various ways. Some college students were hired to do work on a contract labor basis and were paid for their work. [A true and correct copy of some information about the student crew participation is attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Crew.”]

850. The Lawless America Movie Road Trip lasted from June 14, 2012 through December 2012. I then resumed filming off and on in 2013. The vast majority of the people filmed for the movie signed a contract with me as the producer. These contracts give me the right to use their name, likeness, and information in the film and any related projects. I have approximately 1,500 of these from people filmed in all 50 states. All of these contracts are available for an in camera inspection by the Court. I am not providing them all, and I am redacting information for the security of the people involved. [A true and correct copy of some redacted Talent Release Contracts are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Talent Releases.”] The releases clearly identify Lawless America as a motion picture/video project of mine.

851. A number of the people who were filmed have signed affidavits for use in court when I was falsely accused by Allie Overstreet, a friend of Sean Boushie, of planning to kill a number of people. There was no truth to it, and no proof. The case was dismissed. [A true and correct copy of some affidavits are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Movie Subjects Affidavits.”] These affidavits speak to my work on the Lawless America movie as well as my character. I could obtain many hundreds of these from people who were filmed for the movie to talk about the movie, my work, and much more. Many

people could provide affidavits attesting to the defamation, stalking, and threats from Sean Boushie.

852. In addition to shooting movie film for Lawless America, we took still photos of the people filmed, places we filmed, and more. I have approximately 30,000 images, though most are saved in large and small format, so I estimate at least 15,000 photos were taken. If needed, these certainly establish that I was in every state except Alaska filming a movie. Many of the photos taken in Montana are provided. [A true and correct copy of Montana photos are attached to the Flash Drive marked as Exhibit A in a folder named "Lawless America Movie Photos."]

These photos show the Lawless America Movie vehicle in various locations around Missoula and Ravalli counties during my filming as well as a wide variety of miscellaneous photos. I filmed outside the Ravalli County Courthouse, Missoula County Courthouse, Missoula Municipal Court, Federal Express office, Missoulain Newspaper, various media outlets, Missoula Police Department, Ravalli County Sheriff's Office, Marriott Hotel, downtown Missoula, and other locations. After I left Missoula, I went to Great Falls where I filmed a story that will be featured in the movie -- the story of a little girl who was murdered by her mother's boyfriend while Child Protective Services ignored all the physical abuse. In 2012, I filmed in Billings on August 26 and Helena on August 27 and 28. I filmed in Billings on August 3, 2013 and Butte on August 4, 2013. Then I worked and filmed for the pilot for a

television series in Missoula from August 5 to 23, 2013. [A true and correct copy of some of the video filmed in Montana is attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Videos in Montana.”]

853. Since February 24, 2012 to the present, I have published approximately 600 magazine articles, many of which were about the movie project. These can be seen at [www.LawlessAmerica.com](http://www.LawlessAmerica.com) and [www.LawlessAmerica.org](http://www.LawlessAmerica.org), referenced and incorporated herein as if attached hereto. These articles discuss every aspect of the movie, the people in it, some of the stories, and details galore. [A true and correct copy of some of these articles are attached to the Flash Drive marked as Exhibit A in a folder named “Lawless America Website.”]

854. From February 24, 2012 to December 2012, I published an article about the movie on my magazine website or on Facebook virtually every day, often several per day. I spent over 200 days on the road filming, and I uploaded over 1,500 videos to [www.YouTube.com/lawlessamerica](http://www.YouTube.com/lawlessamerica).

855. I no longer have normal access to the articles published on Facebook ([www.facebook.com/lawlessamerica](http://www.facebook.com/lawlessamerica)) because Facebook deleted the site falsely claiming it had nudity, pornography, and solicitation of sex. That was absolutely false, and Facebook never responded to my evidence. I did, however, use a service that downloaded the Facebook website every day, so it should contain a complete history. 856. From January 15, 2012 through April 22, 2013, I produced and hosted approximately 106 radio programs that were either directly or indirectly about my documentary film work. 857. In May 2012, the movie project was promoted on Kickstarter. The Kickstarter page details the movie and what it’s about, and I recorded a video to tell the story. 858. My August 2013 movie and TV filming in Montana was specifically publicized to the administration, faculty, staff, and students of the University of Montana. I sent many emails, posted an announcement on the University's facebook page, and wrote several specific articles. 860. I believe the University of Montana Police were notified every time I went on campus to film. I stopped by their office as well as emailed. I had previously obtained permission from the University of Montana to film anywhere on campus, and the University of Montana had been sent detailed information about Sean Boushie as the focus of the filming. When I went in the Social Sciences building, I went straight to the dean’s office to make my presence known. I spoke with Associate Dean Charles H. Janson for about 10 minutes. I asked permission to film the door outside of Sean Boushie’s office from the hallway. He gave me permission, and he told me I would be safe because Sean Boushie was not there, and no one was going to shoot me or words to that effect. I wore my bulletproof vest, rode up the elevator, peeked out and saw no one, tiptoded down

the hall and snapped a couple of quick shots, then raced back to the elevator, and left the building as quickly as possible. At other times, I filmed at various locations on and around campus. On the day that I caught Sean Boushie in the act of sending stalking emails from his job at the University, I never came in contact with Sean Boushie. I parked at least 150 feet from the Social Sciences building, and I filmed the building and Sean Boushie's vehicle to establish that he never left the building prior to the time that he sent me the stalking email. I then immediately called the police. I remained in my car until the police arrived, and they were there the rest of the time that I was on campus as I loaded up my equipment after giving them a report. The University of Montana Police have a dashcam of what took place there at my vehicle. [A true and correct copy of the report generated by the University of Montana is attached to the Flash Drive marked as Exhibit A, Exhibit = 2013-08-21-Boushie-University-of-Montana-Police-Report.]

861. The Ravalli County Sheriff's Department was notified the days I filmed in Ravalli County. I was advised where I could and could not film by a deputy sheriff, and I honored that to the letter.

862. I established [www.seanboushie.com](http://www.seanboushie.com) as a website for my TV show about Sean Boushie and the University of Montana. The "About" page makes this very clear: "SeanBoushie.com is a news report to expose Sean Boushie of the University of Montana as a cyberstalker. Bill Windsor of Lawless America is

producing a TV special about the University of Montana and Sean Boushie. This online publication will provide evidence of the cyberstalking activities of Sean Boushie as well as threats that he has made to Bill Windsor and others.” It also clearly states: “I, Bill Windsor, write this online publication, and I am producing a documentary film and pilot for a proposed weekly TV series that will feature Sean Boushie. I am a card-carrying member of the press. I have been a magazine publisher for most of my career. I began my media work in high school. I have been a radio and TV announcer. I have been a radio news reporter. I formerly hosted a weekly TV news show. For the last several years, I have published online, and I have produced online radio and TV shows. I have over 1,200 videos active at [www.YouTube.com/lawlessamerica](http://www.YouTube.com/lawlessamerica).” [True and correct copies of the articles on this website are attached to the Flash Drive marked as Exhibit A, in a folder named “SeanBoushie-com Website.”]

863. Based on the time of day with emails and posts, it is easy to establish that many of the emails and published statements were sent during hours when Sean Boushie would have been working for the University of Montana. It appears clear that Sean Boushie has been cyberstalking, defaming, and threatening me while being paid by the University of Montana.

864. Way back at the start of this affidavit, I explained that Sean Boushie chose to attack, defame, cyberstalk, harass, and threaten me because I was going to

film Crystal Cox. Sean Boushie has been cyberstalking, harassing, and threatening Crystal Cox since 2009. Crystal Cox has provided me with some of the emails that Sean Boushie has sent and published statements that Sean Boushie has made. I received all of this information from Crystal Cox by email. These documents show how viciously Sean Boushie cyberstalked Crystal Cox. The documents show that law enforcement and the University of Montana allowed Sean Boushie to do everything he chose to do. The documents show that Sean Boushie used some of the same aliases and email addresses that he has used with me (seanboushie@gmail.com, crystalcoxisabitch@yahoo.com, John Smith.) Shockingly, Crystal Cox had the same exact experience attempting to get a protective order against Sean Boushie only to have him lie and get one against her. Many of the same people have been involved with Crystal Cox and me in protecting Sean Boushie. [A true and correct copy of the report generated by the University of Montana is attached to the Flash Drive marked as Exhibit A, in the folder named "Crystal Cox," Exhibits = 2009-08-06-10-26-00-AM-Sean-Boushie-stalks-Crystal-Cox-from- -- 2009-08-21-Petition-for-Order-of-Protection-against-Sean Boushie-by-Crystal-Cox -- 2009-08-26-02-43-00-PM-Crystal-Cox-email-to-Jamie-Merifield-with-evidence-about-Sean-Boushie -- 2009-08-26-02-43-00-PM-Jamie-Merifield-email-to-Crystal-Cox-about-Sean-Boushie -- 2009-08-30-07-15-00-PM-Crystal-Cox-email-to-Jim-Lemcke-about-Sean-Boushie -- 2009-08-31-03-09-00-PM-Crystal-Cox-email-to-Jamie-Merifield-with-information-

865. Mary Wilson, another of the victims, has provided an affidavit that  
details her recent experience at the Missoula Municipal Court. Court Clerk Matt  
Sheldon told her that I had falsified information about Sean Boushie. This is  
absolutely false. It is also information that is not contained in any court order. To  
me, it indicates that the courts there are acting upon information that is not part of  
any admissible evidence before the court. I believe this is due to the goal of the  
courts to protect Sean Boushie by making up anything they need to make up to  
help justify their wrongful actions. . [A true and correct copy of the Affidavit of

866. Sean Boushie seems to have stopped publishing comments about me,  
but I suspect that he continues using an anonymous screen name. I also suspect  
that he may be behind the continual registrations on [www.seanboushie.com](http://www.seanboushie.com). [A

867. If Sean Boushie ever told the truth, it would be quite simple to get him to admit that he sent virtually all of the emails that I received. As he is a serial liar, I had to spend weeks organizing and preparing evidence to prove what he sent. Sean Boushie admits receiving the emails in paragraphs 11,16, and 21, and he admits sending the email in paragraph 27. Paragraphs 11 and 16 are for emails that came from IP 74.82.68.144, so this establishes that emails from billwindsore@yahoo.com, billwindsorgloryholelover@yahoo.com, pietardhater@yahoo.com, and seanboushie@gmail.com came from Sean Boushie. Billwindsor@yahoo.com uses four IP addresses: 74.82.64.144 is also used by crystalcoisabiitxh@gmail.com, gofuckyourself@yahoo.com, sckingedophile@yahoo.com; 74.82.68.144 is used by billwindsore@yahoo.com, billwindsorgloryholelover@yahoo.com, pietardhater@yahoo.com, and seanboushie@gmail.com; 74.82.68.160 is used by billwindsore@yahoo.com, crazycrystalcox@gmail.com, crazycrystalcoxvictimgroup@yahoo.com, crystalcoisabiitxh@gmail.com, crystalcoxvictimsgroup@yahoo.com, killbill@yahoo.com, pietardhater@yahoo.com, williampedowindsor. over, let's go shootin, ill bring 2 or 3 of my 45s.” In paragraph 513, he said my bulletproof vest won't do me any good, and in paragraph 494, he published: “Don't waste \$ on body armor billy, what I shoot goes right thru like buttter.” He has said many times that he wishes I were dead – paragraphs 191, 631, 568, 371, 635, and 768. Paragraph 647 provides the email that Sean Boshie sent to me saying he shot at me on Interstate-90 in Montana that day and missed.

870. There was a goal in all the defamation, conspiracy, and other wrongdoing that I have experienced since starting my documentary film. That goal was to destroy the movie and me. Sean Boushie’s associates at Joeyisalittlekid.blogspot.com have repeatedly indicated their goal. But in an article written by the ringleader, “Ginger Snap,” on February 20, 2014, the goal is published

right on page 2. I wrote on my Facebook page that Sean Boushie and the Joeyisalittlekid people “have all but killed Lawless America.” Ginger Snap wrote: “good that was the goal...so no movie ever...got it.” [True and correct copies of this article is attached to the Flash Drive marked as Exhibit A, in the folder named Joeyisalittlekid-blogspot, Exhibit = joeyisalittlekid-blogspot-com-blog-2014-02-20-The-Windsor-Report.] There are many other statements of the malicious intent in the Joeyisalittlekid.blogspot.com articles. And in paragraph 222 above, Sean Boushie admits that his goal has been for my project to fail.
