Dear Suzanne McCormick,

Thank you for your continued patronage of U-Haul Moving & Storage Of Yonkers. My staff and I pride ourselves on maintaining a clean, dry, and secure self-storage facility and are dedicated to improving your storage experience. We complete daily inspections of the property to proactively improve facility maintenance and security, as well as conduct a monthly pest control program to adhere to our superior cleanliness standards. In addition to our regimented maintenance schedule and regular security checks, we also implement an on-going lighting program in our effort to enhance both convenience and security. Please let us know other ways in which we may improve our service. Remember, U-Haul offers a free online account management service to our storage customers. The service enables you to make payments, update account information, add access users to your storage room, and print payment receipts. Visit [www.uhaul.com/signin/](http://www.uhaul.com/signin/) and log in to your account today to begin taking advantage of this free service.

At this time, there will be a rate increase on your storage unit. Effective 7/11/2022, your next monthly base rent for Storage Room # 2130 is being changed to \$339.95, this does not include tax or applicable service fees. Note that if you prepay before the effective date of the increase, you will lock into the current rate for the duration of the prepayment period.
